vestibular & otoneurological functioning, 15–75 yr olds with acoustic neuromas, conference presentation, 1649

Synapses

age differences & rates of acquisition & forgetting of spatial memory problem, increase & decay of long term synaptic enhancement, 12 vs 27 mo old male rats, 13785
binocular deprivation, subcortical contribution to synaptic density in visual cortex, cats, 3241
chronic phenobarbital, synaptosomal sodium transport & membrane fluidity, mice, 16721
complex vs social vs isolated rearing environments, morphology of spine synapses in occipital cortex, male rats, 8484
dexamethasone injected on postnatal day 4, spatial distribution of synaptic EPs in dentate gyrus afferents & spatial stimulus response functions, rats, 21619
EEG profiles of drugs affecting GABA synaptic activity by acting at GABA-benzodiazepine-barbiturate/picrotoxin receptors complex, male rabbits, conference presentation, 29454
ethanol & pentobarbital, veratridine-stimulated sodium uptake along voltage-sensitive channels in whole brain synaptosomes, male rats, 26712
formation of defensive conditioned reflex, release & uptake of noradrenaline by brain synaptosomes, male rats, 29260
function of cholinergic synapses in & physostigmine as possible therapy for Alzheimer's disease, British Pharmacological Society symposium papers, 6726
GABA content in cytosolic & synaptosomal fractions of olfactory bulbs & hypothalamus & cerebellum assessed over 1 yr, European hamsters, 21287
haloperidol, synaptic rearrangements in medial prefrontal cortex, male rats, 26630
lead, neurotransmitter release at central synapses in vitro in spinal cord & transport of exogenous GABA & acetylcholine & cis-3-aminocyclohexane carboxylic acid, rats, 692
local vibration applied to gastrocnemius soleus &/vs tibialis anterior muscles, pre- & postsynaptic inhibition at motoneuronal level & inhibition of H-reflex, 18–37 yr olds, 26512
neuromodulators & synaptic transmission & neurobiology, 13783
neuronal & synaptic activity, feeding motivation & behavior & associative learning, marine mollusks, 5671
peripheral nerve injury, structural & function changes in sensory neurons & afferent synaptic connections & transganglionic changes, mammals, review of research, 23791
protein kinase C & protein F1, synaptic & behavioral plasticity, literature review, implications for spatial information storage, 23829
short term synaptic plasticity in in vitro hippocampus, opossums & rats, 26498
sydnocarb vs amphetamine injections, tyrosine hydroxylase activity in hypothalamus & striatum synapses & potentiation of effect of dopamine, rats, 8537
synaptic density in hippocampus, 20–24 mo old Sprague-Dawley vs Fischer rats, 5657
synthesis of ependymins following formation of memory & contribution to development of synapses, goldfish, 23833

Syncope

coping with vasovagal syncope, college student blood donors, 9561
diphasic nature of vasovagal fainting, 20 yr old female with blood-injury-illness phobia, 1389
psychotherapy based on critical psychology, 26 yr old passive female with fainting spells caused by anxiety, 9741

Syndromes [See Also Addisons Disease, Alcoholic Psychosis, Alzheimers Disease, Battered Child Syndrome, Capgras Syndrome, Crying Cat Syndrome, Cushings Syndrome, Delirium Tremens, Downs Syndrome, Fetal Alcohol Syndrome, Klinefelters Syndrome, Korsakoffs Psychosis, Menieres Disease, Organic Brain Syndromes, Picks Disease, Presenile Dementia, Senile Dementia, Toxic Psychoses, Turners Syndrome, Wernickes Syndrome]
affective psychotic-like symptoms in patients with suspected Fahr's syndrome, 9571
age & attachment to mother & wife's anxiety regarding pregnancy, couvade syndrome, expectant fathers, Sweden, 6719
Alcohol Dependence Syndrome vs DSM-III concept of dependence, literature review, 14686
biochemical basis of behavioral disorders, Lesch-Nyhan syndrome, literature review, 14794
Boolean Factor Analysis as alternative to empirical identification of psychopathological syndromes, comments on article by A. C. Weber & C. Scharfetter, 19999
brain histopathology, patient with atypical form of Creutzfeldt-Jacob disease corresponding to Gerstmann-Straussler syndrome with associated psychosis, case report, 30433
brief reactive psychosis with syndrome compatible with anticholinergic intoxication, 19 yr old female patient, implications for diagnosis, 30058
Briquet's syndrome, prevalence & usefulness as category, 16–25 yr old females, 20136
bromocriptine, haloperidol-induced neuroleptic malignant syndrome, 17 yr old male with psychotic symptoms, case report, 30790
butyrophenone group of neuroleptic drugs, Pisa syndrome, case illustrations of 57 & 32 yr old males, 1964
carbamazepine, male 20 yr old with Kluver-Bucy syndrome with rage attacks, case report, 27998
child abuse and Munchausen's syndrome by proxy, 16 yr old male & 8 yr old female with dwarfism, implications for forensic & family psychiatry, 4022
chromosomal abnormalities, 4 cases of Prader-Willi syndrome, implications for diagnosis & symptomatology & genetic counseling, 17699
circadian neuroendocrine factors, 17 yr old with Kleine-Levin syndrome, case report, 30470
classification of Ganser's syndrome, conference presentation, 3811
clinical & oculographic findings, 14–55 yr old patients with Parinaud's syndrome, 1511
clinical vs radionuclide cisternographic examinations, differential diagnosis, patients with Hakim syndrome vs Alzheimer's disease, 1589
cognitive dysfunction & intellectual impairment & emotional-motivational sphere, children with Lesch-Nyhan's syndrome, 9614
concentration camp syndrome as expression of organic brain syndrome, 11865
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's discussion, 11875
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's article, 11867
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's review, 11871
couvade syndrome & child holding side preference, first time expectant fathers, 3582
CSF levels of 3-methoxy-4-hydroxyphenylethylene glycol & homovanillic acid & 5-hydroxyindoleacetic acid, female 2–15 yr olds with Rett syndrome, 25021
culture bound syndrome of symptom patterns, etiology of anorexia nervosa & "brain fag", 14560
current psycholegal status of rape trauma syndrome, implications for expert testimony, 11657
dantrolene sodium followed by fluphenazine, neuroleptic malignant syndrome resulting from fluphenazine treatment, schizophrenic 19 yr old male, case report, 30747
dantrolene sodium, neuroleptic malignant syndrome, 64 yr old male, 15156
De Clerambault's erotomania syndrome & potential for violence, 31 & 35 & 44 yr old males, 27304
delusional parasitosis syndrome & physical disease, 68–92 yr old patients, 24867
description of symptoms & clinical & dermatopathological findings, family with Rud syndrome, 17624
diagnosis & treatment of neuroleptic malignant syndrome, comments on article by J. L. Levenson, 22556
diagnosis & treatment of neuroleptic malignant syndrome, comments on J. L. Levenson's discussion, 22582
diagnosis & treatment of neuroleptic malignant syndrome, reply to criticisms of S. D. Roth et al & D. F. Levinson & G. M. Simpson & P. S. Mueller, 22555
diagnosis & treatment of Plummer-Vinson syndrome, 28 yr old female originally diagnosed with anorexia nervosa, 1230
diagnosis of Kleine-Levin syndrome, 10 yr old male with primary depressive disorder, 22048
diagnostic issues in hyperventilation syndrome, criticism of study by A. R. Kraft & C. A. Hoogduin, 1513
diagnostic procedures & psychiatric management, female 20 & 21 & 39 yr old patients with thoracic outlet syndrome following automobile accident, 17602
differential diagnosis & genetic significance of Ehlers-Danlos syndrome, 15 yr old male, 14545
differential diagnosis of neuroleptic malignant syndrome following neuroleptic drugs, febrile patients, 30427
EMG biofeedback training, restless leg syndrome, illustrative case of 58 yr old female, 1892
epidemiology & etiology & therapeutic problems of Babinski-Froment syndrome, case illustrations, 20270
ethical problems of managing Munchausen's syndrome patients, physicians, 14706
etiology & diagnosis & management of episodic dyscontrol syndrome, children, 30293
etiology & diagnosis & treatment of Goldenhar's syndrome, 19 mo old male, 6715
etiology of & diagnostic & treatment approaches to blepharospasm vs Meige syndrome, literature review, 6756
evaluation of sleep apnea & diagnosis of Kleine-Levin syndrome, 17 yr old male with hyperphagia & obesity & daytime hypersomnia, 12185
factitious disorder Munchausen's syndrome, symptoms & treatment of torsion dystonia, 35 yr old female, 12164
factors affecting development of hostage identification syndrome, hostages & their captors, 30308
frontal lobe damage & existence of Luria's syndrome, 64 yr old female patient, case report, 24875
genetic analysis, ataxic form of Creutzfeldt-Jakob disease with Hirano bodies, 6725
Gerstmann's syndrome without aphasia, 52 yr old male with focal left parietal lesion, 14907
hemispheric lesions before age 6 yrs, clinical syndrome of pathological left handedness, 1636
high doses & depot preparations as risk factors, 18–64 yr old patients with neuroleptic malignant syndrome, literature review, 1928
hippocampal & mammillo-thalamic amnesias with vs without confabulations patients, 4 case reports, 27534
historical development of axis syndromes, conference presentation, 24636
identification & hierarchical ordering of syndromal combinations of psychopathological symptoms, multidimensional psychiatric scale factors, psychotic inpatients, conference presentation, 24729
imipramine vs phenelzine vs tranylcypromine, globus hystericus syndrome, 40–78 yr old females, case reports, 27941
intellectual ability & memory functions, patients with brain-fag syndrome, Nigeria, 3792
interaction of personality traits & external stressors in concubine syndrome & use of interactional model in assessment & treatment, 27 yr old female with chronic headaches triggered or reinforced by husband, 14817
Kluver-Bucy syndrome associated with severe dementia, 46 yr old male with Huntington's chorea, 4147
Koro syndrome, 25 yr old Black male, 1291
left basal ganglia infarctions following stroke, auditory vs written language comprehension deficits, 15–70 yr old aphasic patients, 1663

mental health, adult children of holocaust survivors vs immigrants vs American-born parents, test of "children-of-holocaust-survivors syndrome" vs immigration effect, 21816
methisoprinol, lesions of mouth & genitals & eyes & CNS & sensory-motor impairments, 30 yr old male with Behcet's disease, 9891
Morris syndrome, 15 yr old female, implications for treatment, 9536
Munchausen syndrome by proxy as form of child abuse, children aged 23 mo to 8 yrs, 30279
Munchausen syndrome by proxy, 3 yr old child abuse victim, 30287
Munchausen syndrome presenting as folie a deUx, 59 yr old mother & her 25 yr old daughter, case report, 27312
nervios, 20–45 yr old females, Puerto Rico, 1286
neuroleptic malignant syndrome, 3 case reports, 7204
neurologic manifestations, infants with organoid nevus syndrome, 6727
nonverbal communication, 16–26 yr olds with Asperger's syndrome, 20238
nosology & consistency of de Clerambault's syndrome, 1289
painful spontaneous skin bleeding in Garner-Diamond syndrome, female patient with borderline personality structure, 9599
pathological fantasy syndrome, children with slowly progressing schizophrenia, 9325
physical & psychological complaints & Briquet's syndrome, infertile females with polycystic ovary disease vs tubal disease vs normal females, 27641
polygraphic study of nocturnal physiological sleep, 42 yr old father & 12 & 18 yr old sons with Marinesco-Sjogren syndrome, 6721
prevalence & symptoms of stress-related posttraumatic chronic pain syndrome, 20–68 yr old chronic pain patients, 27634
prevalence of rabbit syndrome, 42–77 yr olds receiving neuroleptic treatment, 22602
primary personality & illness characteristics & length & number of hospitalizations & cerebral ventrical distension, residual apathy syndrome, schizophrenic patients, 1338
psychiatric symptoms, 28 yr old male with Behcet's syndrome, 14916
psychosis & neuroleptic malignant syndrome, 32 yr old male, 4463
simultaneous satisfaction of diagnostic criteria for other psychiatric syndromes, female outpatients with Briquet's syndrome, 22079
steroid therapy, Kinsbourne's syndrome, 9 yr old male, 12591
steroid treatment, 6 yr old female with ophthalmoplegic migraine & Tolosa-Hunt syndrome accompanied by palsy of right 3rd cranial nerve, 15155
Stevens-Johnson syndrome & toxic epidermal necrolysis & systemic allergic reaction to phenytoin &/vs phenobarbital, psychosis & neurological impairment, 36 yr old female, 11864
symptoms & manifestations associated with learning disabilities of compulsive eating disorder called Prader-Willi syndrome, children, 12235
symptoms of women's integrity trauma syndrome, 40–60 yr old emotionally & financially dependent females abandoned by their husbands, 11856
theoretical & therapeutic implications of viewing anorexia nervosa within context of culture-bound syndromes, 9626
Tourette syndrome & atypical pervasive developmental disorder & Ganser syndrome, 15 yr old visually impaired & mentally retarded male, implications for link between symptoms of schizophrenia & Tourette syndrome, 1528
treatment of neuroleptic malignant syndrome, comments on article by J. L. Levenson, 22566
types & syndromes of 2nd order, 14567
validity of Ganser syndrome as clinical entity & rarity of syndrome amongst criminal offenders awaiting sentencing or conviction, 27277
Viennese Research Criteria vs diagnostic practices for depressive vs nonaffective psychotic disorders assessed by LICET system, survey of psychiatrists, France, conference presentation, 24700
vitamins E & C & methionine & butulated hydroxytoluene vs sodium selenite & vitamin E, patients with Spielmeyer-Sjogren disease, 1949
wedge resection of ovaries, sexual life, 21–40 yr old females with Stein-Leventhal syndrome, 28063
zimeldine-induced Steven's Johnson syndrome, depressed 69 yr old female patient, 18104

Synonyms
propositional vs imagery models vs surface structure vs hybrid theories, prediction of sentential synonymity judgments, 18–34 yr olds, 5966
recognition of homonyms vs synonyms vs idiomatic phrases, school age children, 16968

Syntax [See Also Form Classes (Language)]
ability to conserve & scores on measure of cognitive development & use of syntactic structures, kindergartners & 2nd graders, 19617
ability to construct structural syntactic & interpretative representation of utterances, agrammatic 32 yr old, results inconsistent with M. Linebarger's theory, 12294
ability to transcribe quantities from Roman to Arabic numerals & reverse, 41 yr old aphasic male with agrammatism in comprehension & production, 1546
acquisition of "much" & "many" linguistic mass-count distinction, 3.5–9 yr olds, 820
activation processes, mechanisms of language use including syntactic structure in speech, college students, 29509
agrammatism & N. Chomsky's government & binding theory of syntax, comments on article by Y. Grodzinsky, 17566
agrammatism in N. Chomsky's government & binding theory of syntax & models of language processing, comment on article by Y. Grodzinsky, 17674
analysis of consciousness & abstraction in syntactic learning & judgment, reply to comments by A. S. Reber et al, 3021
communicative function of syntax in psychotherapy, patients, 25112
comprehension instruction in preposition-object phrases using miniature linguistic system format, structure generalization, male language delayed 3.11 & 4.1 yr olds, 4543
creation of narratives & syntactic language skills, 6th vs 9th graders, 16929
detection of target letters embedded in content vs function words in prose vs scrambled passages, 37–73 yr olds with Broca's vs Wernicke's aphasia, 12270
development of semantic & syntactic sensitivity, reading skills & achievement on oral language tasks, 1st vs 2nd vs 3rd graders, 31241
development of syntactic structures in speech, 1–5.5 yr olds, Israel, 29595
discourse structure, short term memory in understanding anaphora, college students, 8243
ease of learning & memorizing computer commands & memory retention needed for & methods of representing different metasyntactic representations in computer command languages, 23289
effectiveness of syntactic analysis of primary task of editing flight route-way-point information, college students, 23290
explicit syntactical learning & judgment & nature of tacit knowledge & cognitive unconscious & abstractness, discussion of paper by D. E. Dulany et al, 3030
familiarity with component words, ability to produce productive vs associative vs groping 2-word positional patterns beyond lexically-based patterns, female 1.3 & 1.5 yr olds, 29583
good vs poor story comprehension, use of cohesive structures in spoken narratives, language disordered vs normal 7.5–10.5 yr olds, 12150
government & binding theory of syntax of N. Chomsky, sentence comprehension in agrammatism, implications for language processing models, 17592
grammatical well formedness ability, awareness of ongoing reading comprehension, skilled vs less skilled 4th & 5th grade readers, Australia, 22996
language acquisition in terms of syntax & semantics & use, 3–5 yr olds with severe to profound hearing losses, 9609
linguistic patterns & syntactic complexity in written discourse, learning disabled college students, 9471
manipulation of surface syntax through prominence of subject vs theme in oral narratives, adult native speakers of Japanese vs English, instructional implications, 24056
mechanisms underlying bound morpheme loss errors, normal vs agrammatic speech, 1502
mother's speech & linguistic input, rate of syntactic development, 2.5 yr olds & their mothers, 6-mo study, 826

oral syntax vs syntax complexity of basal readers, 1st–3rd graders, 4856
phonetic & syntactic constraints, articulation of /k/ & /l/ sounds, 21130
pragmatic ordering principle of naming animates before inanimates, acquisition of word order relations in sentences, 2.8–5 yr olds, 835
prosodic vs syntactic vs semantic characteristics, topic management in face-to-face vs non-face-to-face conversation, listeners, 3352
recasting of sentence structure, language acquisition, 2.5–3.8 yr olds, 11406
relationship of grammatical judgments to conscious rules & computer simulation of separation of guessing vs control of rules, 13620
relative social ranks & age & familiarity of interlocutors & presence of outsiders & interaction setting & task expectations, choice of syntactically-based directives, Black male agricultural migrant workers, 5978
semantic discourse & form & meaning, written language development, hearing impaired 10–15 yr olds, 27689
Spanish vs English phonological & syntactic structure, frequency & location fluency breakdown, 50 yr old male bilingual stutterer, 1499
standard English with vs without Hawaiian pronunciation vs Hawaiian-English presentation of information in simple vs complex syntax, listening comprehension, Hawaiian-English vs standard English-speaking 2nd graders, 7620
syntactic & semantic comprehension cues, development of adult comprehension strategies, kindergartners through adult native English vs native Dutch speakers, 21718
syntactic & semantic parallelism & poetic functions of language, advertising slogans, Japan vs England & US, 5155
syntactic abilities in production vs comprehension tasks, fluent Wernicke's aphasic 56 yr old male, case report, 27619
syntactic categories in speech, 2–2.4 yr olds, 29651
syntactic classification scheme, 22–67 yr olds with aphasia, 27645
syntactic complexity &/or unnaturalness, processing time for sentence comprehension, college students, support for G. Opacic & C. E. Osgood's theory, 11361
syntactic complexity, disfluencies in sentence imitation & modeling tasks, 5 yr olds, 24125
syntactic comprehension deficits, reading & aural comprehension, good vs poor 4th grade readers, 24825
syntactic frozenness, processing & memory for idiomatic expressions, college students, 23598
syntactic vs pragmatic codes in independent vs traditional relationships & conversation, married couples, 17199
syntax & consciousness as socially learned unconscious pattern of cognition, 5476
syntax & grammatical relations hierarchy of noun phrases & conceptual accessibility, sentence formulation, college students, 29073
"teaching grammar" of communicative functioning of passive voice, teachers of English as foreign language, 4841
twin status, adaptation of conventional syntax & vocabulary, identical twin females observed from 2–3.8 yrs old, 29626
type of elicitation task, collection of representative language & syntactic samples, 6 yr olds with syntax problems, 6705
ungrammatical overgenerated sentences produced by violations of constraints on movement rules vs grammatical sentences, processing speed on sentence matching task, college students, 8202
use of subordinate clauses & connectives in writing samples, 3rd & 5th graders, 18526
verb form & semantic sense & duration, selective imitation & paraphrasing of perfect, 4.4–5.9 yr olds, 827
verb vs object oriented syntactically ambiguous sentences, pupillary responses, 19368

Synthetic Speech

automatic extraction of diphones, production of synthetic sentences, conference presentation, 79
cognitive theory of phonetics, speech synthesis & automatic speech recognition, 16284
diphone speech synthesis system, conference presentation, 82
formant vocoder device, speech perception, deaf patients, conference presentation, 4557
intelligibility & comprehension & perceptual processing of synthetic speech produced by voice response devices in human-machine communication systems, conference presentation, 19532
interrater reliability of intelligibility ratings of oral reading & continuous discourse speech from esophageal & tracheoesophageal speakers, raters experienced vs inexperienced with alaryngeal speech, 27525
manual vs speech recognition system response & stimulus presentation modes & asymmetric transfer, performance on visual & verbal memory task, 18–35 yr old males, implications for airplane cockpit design, 13256
parallel vs cascade connection in formant synthesizers, 75
pitch contour & speech rate, perception of synthetic speech, college students, 19093
problems in evaluation of real-world usability of digital voice communication systems, experienced vs inexperienced communicators, conference presentation, 19537
prolonged consonants using processing method, discrimination scores, congenital sensorineural hearing impaired children, 27629
pulsation thresholds patterns of synthetic vowels, 21129
speech technology & research, France, conference presentation, 19082
speech vs text output from computer terminal, understanding instructions for electronic mail application, 17–29 yr olds, 10944
stochastic model, coding speech signals at low bit rates, 21640
training with synthetic vs natural speech, perception of synthetic words & sentences, college students, 6-mo followup, ergonomic implications, 10946

Syphilis [See Also Neurosyphilis]

incidence of gonorrhea & syphilis, children, US & Europe, 1848–1900, implications for sexual abuse, 20252

Systematic Desensitization Therapy

antidepressant & clomipramine & exposure therapy, anxiety disorders, 1685
application of self efficacy theory to treatment plan & systematic desensitization, school phobia, Hispanic male 6 yr old, 20302
behavioral rehearsal vs group systematic desensitization, assertiveness training, unassertive females, 20358
behaviors during treatment of 25–50 yr olds with agoraphobia by in vivo exposure, behavior therapists, 25237
benztropine mesylate & systematic desensitization & supportive psychotherapy, 55 yr old female with hyperhidrosis of palms & feet, case report, 30499
clinical process & outcome methodology in investigation of systematic desensitization & psychophysiology, 21–37 yr old dental phobics, 27900
contact desensitization & contingent social approval, avoidance behavior toward escalators, institutionalized mentally retarded 33–41 yr olds, 4448
desensitization, college students with test anxiety, 18627
desensitization exercises, teaching of behavioral self awareness with empirically identified target behaviors, elementary school students, 31211
desensitization program, chronic motion sickness, Royal Air Force aircrew, Great Britain, 12501
effectiveness of brief treatment via assertiveness training & direct exposure, agoraphobia, adult Ss, 9863
hypnosis vs relaxation training vs systematic desensitization, conditioned aversions to chemotherapy, cancer patients, 20275
hypnotically induced covert modeling, desensitization of escalator phobia, 43 yr old female, 18128
instructional desensitization vs placebo vs waiting list psychotherapy groups, reported confidence & affect & anxiousness & behavioral manifestations of public speaking anxiety, college students, 4430
multifaceted exposure program, disease phobia, 27 yr old male, 12-mo followup, 9862
paradoxical intention vs graduated exposure vs progressive deep muscle relaxation training & consonance of treatment with primary reactivity patterns, treatment gains, severe & chronic agoraphobics, 27729
patient's expectancy & aversive covert vs imaginal desensitization, reduction of compulsive anomalous sexual behaviors, 15–72 yr old males, 25250

regulated breathing with systematic desensitization & cognitive restructuring, communication attitudes & irrational beliefs & self efficacy perception & self reported improvement, 18–36 yr old stutterers, 1- & 6-mo followup, 25343
self directed in vivo exposure & paradoxical intention vs graduated exposure vs progressive deep muscle relaxation training, agoraphobia, severe & chronic patients, 18016
systematic desensitization treatment, phobia of babies, 20 yr old married female, 1-yr followup, 12510
Systems Analysis
application of biological concepts & techniques to human political systems, 19743
breakdown model of collective action as framework for examination of causes of New Mexico prison riot, 1980, 31002
circumplex model of marital & family systems & effectiveness of family functioning, implications for school psychology, 21840
conceptualization & operationalization of conceptual level matching as based on cognitive personality theory, therapist-client pairings, implications for therapeutic practice, literature review, 15026
cost & knowledge & information & technology, systems design of community programs for followup care, chronically mentally ill, 22661
cultural systems in bureaucratic organizations, chief executive officer & vice-presidents of Bell Telephone Co, 20868
definition & utility of systems science as solution to problems, Army, conference presentation, 2596
developmental model, family systems, 14299
evaluation of empirical research in troubleshooting, implications for training, 18725
family conflict research methodologies, literature review, implications for development of systems approach, 14323
geriatric psychiatry & systems theory, elderly, 1701
job design & analysis of production & employee systems maintenance & motivation, literature review, 16002
maintenance of viable block & neighborhood organizations based on open-systems framework, members & leaders of active vs inactive block groups, 9098
marketing forecasting-system design features, detection & measurement & reduction of bias & need for retention of methods, 10680
network redundancy & number of systems levels in simulated network, fault-diagnosis performance, engineering undergraduates, implications for systems design, 31542
new management strategies of systems change methods, 31469
participative vs independent support vs conventional nonexpert strategies in information retrieval expert system, selection of query terms for database searches, users, 31549
political diagnosis of client systems for organizational development intervention, 28771
social systems framework for theory & treatment of morbid grief reaction, 14599
systems analysis method & dynamic decision making research, college students, 5251
systems analysis vs cultural exchange methods of analysis of social system of moribund psychiatric hospital, hospital staff, implications for staff turnover & morale & professionalism, 22827
systems approach to hypnotic situation, 13708
systems theory analysis of authoritarian personality, conference presentation, 9124
Systems [See Also Related Terms]
collaboration between systems medicine & systems therapy, 22384
computer-based mathematical model for family systems & marital therapy & suggestions for practical application, 30629
computer-based mathematical model for family systems & marital therapy, criticism of article by P. De Giacomo et al, 30613
conjoint systemic family therapy within government psychiatric services, families from underprivileged socioeconomic backgrounds, Italy, 30652
counseling & self organization paradigm, 12685
definition & perception of systems, problem solving, systems practitioners, 31543
definition & utility of systems science as solution to problems, Army, conference presentation, 2596
familial context of crisis intervention house calls made by psychiatrists working for government hospitals, stabilized chronic & psychotic patients, Italy, 30657
family systems analysis & family therapy, drug abusing & alcoholic family members, 28242
family therapy within larger systemic context, 22456
overview & prospects of Automated Portable Test system, human assessment, conference presentation, 18863
proposal for systems approach to family therapy & guidelines for selection or combination of individual & family therapy, 30665
systemic relational & psychoanalytic approach to family, implications for family analysis, 30621
systems approach to marital therapy & communication, married couple in therapy, 22460
systems' theory depersonalization of individual & consequent alteration of theoretical approaches in family therapy, 12481
systems vs individual emphasis in family therapy institute training models, family therapist trainees, Italy, 31097
therapeutic considerations of family organization as ecology of ideas, comments on article by J. L. Bogdan, 27851
traditional vs modern methods of handling engineering design problems, 10655
type of knowledge, problem solving in process control task, college students, 10653
viability of systems approach, working with learning disabled students, 10474
Systolic Pressure
chronic alcohol consumption & systolic blood pressure, female vs male 25–74 yr olds, 24458
competitive vs slow & complex tasks, cardiovascular responses, Type A vs B prone 4th & 5th grade males, 763
high intensity light vs noise vs cold stimulation, systolic & diastolic blood pressure, 25–40 yr old males, 23843
idiosyncratic symptom patterns, systolic blood pressure, normotensive male college students, replication of findings of J. W. Pennebaker et al, 29323
religiosity, correlations of mother- vs father-child vs husband-wife blood pressure, Jewish European vs Asian vs North African vs Israeli parents & their 17–18 yr old children, Israel, 20150
systolic blood pressure at entry vs after 12–15 yrs of service, fighter & transport & helicopter pilots, Israel, 21337
Type A vs B personality & inhibited power motive, heart rate & systolic blood pressure & forearm blood flow during structured interview & TAT, male college students, implications for development of coronary heart disease, 567
uncontrollable vs controllable shock, finger pulse volume & pulse rate & systolic blood pressure, male college students, 8492
T Groups [See Human Relations Training]
T Test
comparison of Type I error rates & powers of 2-sample multivariate rank vs normal scores procedures vs Hotelling's T-2, 26286
power of Wilcoxon W test vs Student's t test, 16219
Taboos
pathological consequences of breaking the incest taboo in interfamilial relationships, children, 17447
primary endogenous & powerful inhibition against consummating full genital intercourse with their sons, human females & primate models, 6628
relation of Japanese folk tragedies to pre-Oedipal taboo, 11367
Tachistoscopic Presentation
Apple IIe microcomputer software, tachistoscopic presentation of stimuli on raster-scan monitor, 5228
multiple-resources model of information processing, right handed 18–22 yr olds, 19041
tachistoscopic presentation of bilateral vs unilateral word pairs, processing performance right handed college students, 23815
Tachycardia
ethanol, tolerance to hypothermic & tachycardic effects, adult male rats, 16755
plasma catecholamine levels & sympathetic nervous system activity, 34 yr old female with catatonia & hypertension & tachycardia episodes, 17694
short term isolation, hypertension & hypoalgesia reversed by clonidine & naloxone, rats, 3238
Tactual Discrimination [See Tactual Perception]
Tactual Displays
resource guide of tactile aids used for deaf & hearing impaired individuals, teachers & clinicians, bibliography, 2156
Tactual Maps [See Mobility Aids]

Tactual Perception [See Also Texture Perception, Vibrotactile Thresholds]
age & sex differences, development of dichhaptic lateralization, 1st–10th graders, 19646
airpuffs delivered to hairy dorsum vs glabrous thenar eminence on hand, RTs & detectability, 29–45 yr olds, 19042
analgesia-producing brain stem heat & electrical stimulation, tactile discrimination, female rats, 26585
auditory restriction for 14 days, changes in absolute pressure sensitivity, 20–25 yr old male college students, 19032
bilateral shock to midbrain medial lemniscus, tactile discrimination, female rats, 5783
braille instruction, blind diabetic adults with low tactile sensitivity, 4680
cardiovascular accident, touch & pain & temperature perception & correlation among sensorimotor measures, acute cardiovascular accident patients, 6789
categorical discrimination & tactile vs auditory perception of synthetic syllables presented along voice onset time continuum, 22–43 yr olds, implications for tactile aids to lipreading, 10941
character height & set & size & mode of touch & contact force, tactile recognition of raised characters, female 21–27 yr olds, 13518
confounding effect of hemispheric asymmetry vs practice, fingertip number writing errors, psychiatric patients, 19961
cross modal transfer of form from vision to touch & from touch to vision, 4–5 mo olds, 26867
dominance of vision vs touch, texture perception, college students, 21052
evaluation by touch with vs without sight, tactile attributions of textiles, college students enrolled in textile courses, 8155
fingers in crossed positions, perceived position of stimuli touching crossed fingers, adult volunteers, 10896
guidance system utilizing tactile maps & electronic wire system, visually handicapped persons, 28911
hand hemisphere & hemisphere hemispace effect, tactual task performance, 3 vs 5 vs 8 yr olds, 19579
hand preference & tactile discrimination performance, rhesus monkeys, 13810
hand usage & contextual constraint, Braille reading speed, right handed vs ambidextrous blind 18–64 yr olds, 14881
haptic object identification, college students, 19044
interhemispheric transfer of tactile information, learning disabled 8–10 vs 11–13 vs 14–16 yr olds, 20076
lesions of ipsilateral dorsolateral &/vs contralateral anterolateral dorsal column, tactile discrimination, monkeys, 23933
object recognition, active vs passive touch, developmentally dyspraxic 6–8 yr old boys, 9544
oral form perception, 6–12 yr old male stutterers, 12155
oral stereognostic ability & lip & tongue diadokokinetic skills, 8 yr olds to young adults, implications for diagnosis of speech disorders, 12153
performance in interhemispheric tactile tasks, children vs adults vs aged, 3474
presentation of perceptual distortions to right vs left tactual field, visual identification of design of same illusion, right handed males, 5404
prior exposure to play with visual reinforcers, tactile exploration of visual reinforcement following operant responding, 1–2 yr olds, 19590
robotic recognition system using tactile sensor in feedback loop, 2816
sex, graphesthesia, 6–7 vs 10–11 yr olds, 864
size & shape of haptic stimuli & response with same vs opposite hand, short term memory in delayed matching-to-sample task, monkeys, 29186
stability of vibrotactile fusion thresholds of tongue & hand, adult males trained in psychophysical techniques, 1-yr study, 13525
tactile length perception of rectangles, 16239
tactual discriminability & ease of learning Braille vs Moon vs T vs NL vs hand-sent codes for deaf-blind, college students with normal vision & hearing, 26298
tactual exploration of tangible pathway & spatial & movement-based techniques for encoding pattern information, blindfolded college students & blind 18–65 yr olds, 4159
tactual vs visual habituation & discrimination of form, 4–5.7 mo olds, 16957
temporal & spatial variation of Hebrew letters, tactile identification of letters, college students, Israel, 21063
temporality, tactual illusion of inward looping & changes in perceptual organization, experienced females, 23524
use of convergence principle in pointing task, blind 5–14 yr olds & adults, 24927
use of vision &/vs touch, judgment of roughness of abrasive papers, right handed college students, 13514
validity of hypothesis of both hemisphere-hemispace & hemisphere-hand connections & laterality, tactile bisection, right handed kindergartners, 19648
value of foot-pedal resistances, discrimination of clutch pedal resistance in rig with truck dimensions, 22–46 yr olds, ergonomic implications, 7897
verbal & modality-specific coding in tactual-to-visual & visual-to-visual matches, 7–8 yr olds vs 20–28 yr olds, 19610
Tactual Stimulation [See Also Tactual Displays]
active vs passive modality effects with silently presented tactile input, recency recall, college students, 11013
canvas hammock apparatus, tactile stimulation & contact placing RT, cats, 28894
comprehensive list of descriptors of behaviors for subsequent psychometric measurement of tactile defensiveness, elementary school children, 20980
differences in occurrence & semantic content of speech during self touching in medical interview, 21–76 yr old patients & physicians, 15236
direct & peripheral stimulation, visual evoked responses, 21288
inhibitory effect of acupuncture, vibration-induced finger flexion reflex, 22617
phonation vs direction of movement vs ongoing speech production, lip muscle reflex responses during mechanical stimulation, 18–38 yr olds, 21415
tactile/kinesthetic stimulation, sleep/wake behavior & activity level & weight gain, preterm neonates, 24150
toys that emitted vibration or light or sound, play & stereotyped behavior, profoundly handicapped children, 20090
vibrotactile stimulation, habituation of fetal movement, pregnant females & their fetuses of mean gestational age 33.4 wks, 16890
visually similar stimuli varying in temperature & tactile quality, preferences for & time spent with stimulus, domestic chicks, 26395
Tailored Testing [See Adaptive Testing]
Taiwan
cultural value conflicts in counseling, Taiwan vs US, 18230
discrimination between concepts of topic & subject in 1st language acquisition in Mandarian Chinese, 2–5 yr olds, Taiwan, 8711
group-oriented vs individualistic cultures, social loafing vs striving on auditory tracking task, male vs female 6th vs 9th graders, Taiwan vs US, 14216
individual & social correlates, Just World Belief scale scores, college students, Taiwan, 30032
lithium therapy & plasma levels, patients with bipolar affective disorder aged 12–46 yrs at onset, Taiwan, 4542
prevalence of depression vs somatic symptoms of emotional disturbance, psychiatric outpatients, Taiwan vs US, 9360
psychological well being & activity level, retired teachers, US vs Taiwan, implications for disengagement theory, 17241
self perception of competence, 5th graders, Taiwan vs US, 6156
symbolic background & history of popular performances of ghost cult ceremony & state manipulations of ghosts, Taiwan, 3578
use of General Health Questionnaire & Chinese translation of Clinical Interview Schedule, prevalence of mental disorders, urban residents, Taiwan, 6486
Talent [See Ability]
Talented [See Gifted]
Tantrums
conceptualization & behavioral treatment using reinforcers, demand-related tantrums, male developmentally disabled 7–11 yr olds, 25225
Tanzania
degree of iodine deficiency & incidence of goiter & hypothyroidism, children & pregnant females, Ukinga & Uwanji regions of Tanzania, 25009

scaling up of literacy & basic education programs, illiteracy, Tanzania, 4828
Tape Recorders [See Also Videotape Recorders]
adaptation of portable cassette tape player for interval time-sample recording, 8010
process notes & audio & video recordings of sessions in psychotherapy training, 20586
Tardive Dyskinesia [See Dyskinesia]
Task Analysis
attentional demand of task, RT, human Ss, 8141
automation & functional structure analysis of experimental techniques in psychology, 2834
dialogue-based communication, dynamic human-computer task allocation, 20898
hierarchical task analysis, design & evaluation of sound mixing consoles, 18–45 yr olds, 16029
measurement of mental workload by dual task method & auditory & visual discrimination tasks, 8145
on-the-job evaluation of safety & methods used in lifting & transporting physically handicapped patients, nurses & aides & attendants, implications for prevention of occupational injury, 16023
preselection effect, bilateral linear positioning task, college students, 10905
role of structure & concrete content of isomorphic tasks, achievement, Hungary, 16243
task analytic strategies & teaching of apartment upkeep skills, 19–33 yr old severely handicapped & mentally retarded rehabilitation clients, 22773
task characteristics & stimulation level as test of activation theory, arousal level & performance satisfaction, college students, 29330
task demand characteristics & interchange of conceptual & inferential knowledge, 23618
Task Complexity
acceleration &/vs accuracy task demands, right vs left hand differences in motor skill, right handed females, 23835
anticipated task difficulty, retention of familiar vs unfamiliar incidental materials, college students, 3062
arithmetic task difficulty & performance level, parietal alpha asymmetry assessed by EEG, right handed adults, 8441
attentional demand of monolog vs mental arithmetic vs rest tasks & personality traits, frequency of body-focused hand movements, 5th graders, 3437
attentional deployment & prospective vs retrospective conditions & task demands, perceived duration, 17–39 yr olds, 26290
auditory vs visual stimulus & manual vs verbal response mode combinations & asymmetric transfer, single- & dual-task performance, right handed male college students, 23515
challenging cognitive task under clear vs ambiguous performance standards, heart rate & blood pressure, Type A vs Type B 11–14 yr olds, 16893
classroom task demands of high vs medium vs low degree, attention, learning handicapped students, 4949
comfortable effort level vs visually monitored vocal intensity task, peak oral air flow production for stops & fricatives in connected speech, 8–10 vs 22–34 yr olds, 11451
competence vs physical risk vs sensation perception, confidence in movement situations, college students, 200
competing task load & encoding strategy & intention, automaticity of frequency coding, college students, 29094
complexity of computer-based instructional text editors & reading comprehension & computer enjoyment & previous computer experience, word processing performance, 29–38 yr old female clerical & administrative workers, 31435
complexity of verbal task, EEG activation in left vs right hemisphere, adults, 5711
comprehension of causal connective "because" in increasingly complex sentences with vs without task instructions & modeling & memory props, preschoolers vs 1st vs 3rd graders, 6079
control of movement & ability to dissociate RT from movement complexity, 12–40 yr olds, 21055
cultural differences & task difficulty & academic motivation & ability, prediction of examination performance, engineering & business & college students & college teachers & engineers, US vs India, 28489
difficulty & complexity of computer task, query preferences, college students, 10969
difficulty of delayed reinforcement autoshaping & desglycinamide arginine vasopressin, rate of acquisition of lever touch response & adjunctive responding, male rats, 14024
difficulty of mental vs tracking task, changes in heart rate & Hoffmann reflex, 23–27 yr old students, 5730
difficulty of perceptual motor task & noise intensity, postnoise persistence on Feather tolerance for frustration puzzles, college students, 8258
exertion of physical force in rotary pursuit task, performance of auditory task, male vs female Ss, implications for cockpit design & pilot performance, 26036
expected level of task difficulty & time feedback, simple dexterity task performance, 9th–12th graders, 11442
exposure to potential avian predators, efficiency in foraging for cryptic vs conspicuous food, blackbirds, 26442
goal difficulty & expected external evaluation, intrinsic motivation to complete task, college students, 3068
individual differences & choice alternatives, choice time & simplification strategies in increasingly complex decision-making tasks, college students, implications for information-processing model, 285
information processing mechanisms & ability, performance on choice RT perceptual motor tasks of differing complexity, female college students, 13639
interpretive complexity & clause structure & surface length of stimulus sentences, performance on toy moving & imitation tasks, 3.5–6.2 yr olds, 29648
intertask redundancy & spatial proximity of task displays & degree to which task displays constitute single object & resource demands, dual-task integrality, college students, 10922
knowledge of items vs estimation of difficulty, prediction of own vs others' recall of paired associate lists, college students, 8253
level of automation, interaction with simple multiloop manual control system in hovering helicopter, pilots, 18783
memorization vs continuation task conditions, semantic vs phonological representation of sentence & identification of probe words, college students, 29130
mood before vs during vs after telephone vs grammatical reasoning tasks, experienced phone operators vs college students, 5512
number of movement parts & changes in movement direction, programing motor RT, 17–35 yr olds, 198
paced vs unpaced versions of single vs dual tasks, workload ratings, Type A vs Type B 18–35 yr old males, 19843
passage containing predictable vs unpredictable target word from preceding context, memory & comprehension of text, college students, 314
performance on standard Piagetian number identity conservation task vs reduced perceptual salience version, 56–77 mo olds, test of failure to communicate change of mind hypothesis, 19600
persistence on tasks of varying complexity, task performance & assessment of mastery motivation, organically impaired 1–3 yr olds with mental retardation or Down's syndrome, 14777
psychophysiological correlates of long term attention to complex tasks & problems associated with measurement, conference presentation, 19179
research & development vs staff context & length of time in position, relation between task complexity & job performance, engineers, 23191
semantic & evaluative & self referent orienting tasks, memory & cognitive effort & somatovisceral effects, female college students, 19098
sex & success vs failure condition & task difficulty, self efficacy & interest in math task, college students, 22998
sleep deprivation & age & altitude & workload, cognitive & mental arithmetic performance & problem solving & tracking, 30–39 vs 60–69 yr olds, 16485
state & trait anxiety & relaxed vs stressful conditions & complexity of analogical reasoning task, RT & error rate, college students, mixed support for cue utilization vs attentional vs memory capacity theories of anxiety & performance, 11817
structural analytical model, determination of degree of difficulty of algorithmic problems, implications for sequencing of learning content, 31202

structural complexity of stories & vocabulary ability, recall & organization of narrative retellings, learning disabled 7–12.5 yr olds, 20085
syntactic complexity, disfluencies in sentence imitation & modeling tasks, 5 yr olds, 24125
target separation & size, information processing capacity during movement selection & execution, 53–70 yr olds with Parkinson's disease, 14900
target size &/vs speed, performance on rotary pursuit tasks, 5.9–21.4 yr olds of subnormal vs normal vs superior intelligence, 22206
task demand characteristics, RTs in mental image scanning experiments, humans, 19111
task demands, utilization of complementary & taxonomic relations, 3–6.9 yr olds, 6084
task difficulty, cardiovascular responses & anagram problem solving efficiency, male college students, 8230
task difficulty, interpersonal attraction, college students, 3691
task difficulty, performance, college students working alone vs with co-worker vs collectively, 3676
task interdependence & number of poor performers in group, diagnosis of cause of poor performance, graduate business students in laboratory experiment vs manufacturing supervisors & managers, 25969
task parameters, individual differences in pursuit & compensatory tracking performance, Royal Air Force pilots, Great Britain, 13176
task uncertainty, initiating & search behavior, upper vs lower level school central office administrators, 10604
tasks requiring verbal processing & asymmetric motor skills, lateral asymmetry in finger localization, right handed 4.9–6.1 yr old females, 3478
teacher vs self evaluation & task difficulty, motivation to return to initial task, 6th graders, 10412
theoretical model & analytical dimensions of task complexity, implications for study of human behavior in organizations, 23158
time limits & task types, quality & quantity of group performance & patterns of group interaction, college students in 4-person groups, 1128
training in multiple-cue probability strategies & time pressure vs self paced problem solving, cognitive control & matching, college students, 21159
visual presentation of secondary words during easy vs medium vs hard mental arithmetic problems, long term storage of attended vs unattended information, college students, 307
visual search for object surrounded by objects of similar shape or color, analysis of color & shape confusions that affect task difficulty, 3–5 yr olds & children with mean ages of 6.9 vs 9.8 yrs old, 19618
1 vs 4 movement parameters & variable practice schedules, development of motor control, college students, test of R. A. Schmidt's schema theory, 23632

Task Difficulty [See Task Complexity]

Taste Aversion Conditioning [See Aversion Conditioning]

Taste Buds

distribution of calmodulin in taste buds, rats, implications for role of calmodulin in taste function, 16441

Taste Discrimination [See Taste Perception]

Taste Perception

adjustment error in optimization of taste intensity, humans, 16235
amiloride, chorda tympani responses & salt taste, male rats, 5822
anterior insular gustatory neocortex lesions, taste reactivity & discrimination & aversive learning, male rats, 21451
associative processes in taste aversion & distinctive environments, rats, 13716
attitudes to sugar & experience with sweet food, hedonic responses to sweetness in soft drinks, college students, Finland, 16238
auditory CS paired with highly palatable vs unpalatable tastes, palatability of water & associated orofacial & muscular responses to water, male albino rats, 19198
autonomic nervous systems, gustatory system, conference presentation, 10904
bitter taste responses, different strains of inbred mice, 546
caloric advantage of ethanol solutions, preference for associated flavor, male rats, 5562
capsaicin desensitization, trigeminal & olfactory & taste responses, male rats, 689
central & lateral & basolateral amygdaloid nuclei & temporal neocortices, conditioned taste aversion learning, male rats, 5800
chemical stimulus mixtures, suppressed responses of narrowly tuned primary chemoreceptor cells of smell & taste organs, lobsters, 21303
cognitive theory, taste aversion learning, 8293
compound stimulus exposure composed of salt & other flavors, intake of other flavor following induced sodium appetite, rats, lack of support for multiple directional association model, 26583
concentrations of sucrose & sodium chloride & citric acid & temperatures, recognition threshold of capsaicin in ethanol & water, 18–35 yr olds, 21059
conditioned aversion to saline solution during suckling period, association & generalization to feeding & drinking during & after weaning, 5-day old rats, 11066
conditioned food aversion methodology, contributions of taste & olfactory & chemosensory systems to taste & smell discriminations, animals, 13797
conditioned taste aversion vs traditional learning, literature review, 8289
conditioned vs unconditioned visual or taste aversion to naturally toxic insects vs noxious chemicals, wild birds, evidence of strategy for prevention of poisoning & starvation, 13719
distortions in taste physiology, delusions of halitosis, 26–61 yr olds, 6780
drug induced dysosmia & dysgeusia presenting as depression, 45 & 71 yr old females, 1931
early experience, development of food & flavor preferences, 29542
early postnatal dietary sodium chloride deprivation, behavioral taste preferences & chorda tympani nerve responses, adult rats, 26567
electrical stimulation vs lesions of medial or lateral septal areas, preferences for sodium chloride saccharin vs acetic vs quinine solutions, male rats, 16505
extinction of taste aversion, taste potentiation of odor or color aversion, rats & pigeons, 5559
flavor stimulus range, intensity & ideal point & conventional hedonic ratings, humans, 16236
flavors paired with apomorphine vs scopolamine vs methscopolamine vs physostigmine vs neostigmine, chin rub CRs & flavor avoidance, male rats, 29475
grouping of data into categories in neuroscience experiments on chemical senses, 20961
gustatory stimulation, discriminative taste-elicited responses, neonatal vs adult rats, 29255
gustatory thalamocortical projections, conditioned taste aversion, male rats, 8394
hypobaric hypoxia, task neophobia, rats, conference presentation, 591
inhibition of adenosine receptor by methyl xanthines, taste perception, college students, 2967
insulin levels, hunger & food intake & taste perception, literature review, 3193
intake of sweet solutions, analgesic effect of low dose of morphine, female rats, 29387
integration of smell & taste in production of sensation of flavor, college students, 21045
intensity judgment RT in gustatory processing, tasters vs sensitive vs less sensitive nontasters of phenylthiocarbamide, 21049
intraoral infusions of quinine hydrochloride, development of adultlike aversive reactions of chin scraping & paw treading, hyperthyroid vs normal 8 vs 10 vs 12 vs 14 vs 16 day old rat pups, 11337
lesions of thalamus & olfactory bulb, conditioned aversion to sucrose vs citric acid vs quinine vs lithium, male rats, 8505
lesions to orbitofrontal vs somatic gustatory vs anterior insular gustatory vs posterior insular neocortex, conditioned taste aversion & taste potentiated odor aversion learning, male rats, 3259
location of kappa opiate receptors in brain as possible regulators of taste & feeding behavior assessed by autoradiographic technique, rats, 11160
menthol, oral perception of warming & cooling, adults, 21520

mid-range concentration method vs slope method of best stimulus classification, assessment of taste neurons, rats, 524
milk &/vs cream &/vs sugar, responses to & preferences for sucrose &/vs fat containing stimuli, normal weight vs obese vs formerly obese 20–60 yr olds, 24888
mixed vs simple flavors vs masked vs unmasked strychnine, generalization of learned avoidance, male rats, 19219
morphine concentration & motivation level, shift in taste preference from water to morphine, rats, 5578
morphine injections, ability to perceive novel taste of saccharin & associate novel odor with morphine, neonatal rats, 26690
mouth presaturation by sweeteners neohesperidin dihydrochalcone vs thaumatin vs aspartame vs sucrose, water intake, male baboons, implications for animal model of sweetness perception & aftertaste, 21220
neurophysiology of geniculate ganglion taste systems, cats vs dogs vs goats vs rats, 494
odor concentrations with vs without sucrose, nasal vs retronasal vs gustatory perception, 16–33 yr olds, 194
perception of sucrose vs sodium saccharin vs aspartame vs acesulfam-K vs calcium cyclamate/sodium saccharin blends in lemon-lime vs cola flavored beverages, 18–34 yr olds, 8158
peripheral transection of trigeminal nerve, palatability responses to preferred vs unpreferred tastes, rats, 8497
phenylthiocarbamide taste test as biological marker for depression, 18–36 yr olds, 20001
pimozide, sham intake of sugar solutions as indicator of mediating role of dopaminergic synaptic activity, male rats, 11297
positive postingestational effects & medicinal context of drug acquisition of liking for taste of medicine vs food, 24–56 yr old methadone maintenance participants vs outpatients in VA hospital & college students, 23527
potentiation of conditioned aversion to saccharin by maple odor in latent inhibition paradigm, 20–25 vs 145–155 vs 800–840 day old rats, 26405
pre-exposure to target flavor, interference with aversion conditioning to second flavor, male rats, 5535
preference & taste thresholds for citric & acetic acids, 4 primate species, 21378
preference for low vs high lactose diet, weanling rats, 21221
pretraining access to saccharin vs distilled water vs saline & saccharin vs water with lithium chloride, conditioned taste aversion & neophobia, water deprived rats, 29192
quinine-sucrose & -sodium chloride mixtures on anterior part of tongue, bitterness suppression, 23525
radiation- vs lithium chloride-induced conditioned taste aversions, anesthetized male rats, 5567
range of stimulus concentration, estimation of ideal salt concentration, test of method described by D. A. Booth et al, 21058
role of narrowly tuned taste cell receptors, feeding behavior response to chemical stimulation, lobsters, 21368
salience of nutrients as targets, development of learned taste aversions, college students, 13522
sex differences, perception of orally vs nasally presented pungent stimulus, adults, 8146
sodium chloride & hydrochloric acid mixture, drinking behavior, sodium deficient male rats, 3235
sweet gustatory stimulation, effects of sc injections of endogenous opiates on sexual behavior, intact castrated male rats, 21547
sweet vs bitter dextro vs levo amino acids, preferences & neural responses, mice, 16409
sweetener applied to tongue in increasing concentrations, RT in recognition of taste, college students, 21062
taste perception & satiety & palatability of newly introduced foods, Ethiopian refugees, nutritional implications for refugee camp inhabitants, 21405
taste preferences & aversions & chorda tympani sensitivity, male rabbits, 13791
taste responsiveness & satiation to varying concentrations of glucose, obese vs lean female rats, implications for glucoreceptor defect in obesity, 8436
taste stimuli, activity of glossopharyngeal nerve, anesthetized mudpuppies, 21311
volume of sodium chloride solution & stimulus presentation method, taste sensitivity, 14–39 yr olds, implications for Henkin taste test, 21054
6 vs 12 mg nicotine & availability of sweet vs nonsweet low vs high calorie food, body weight & food & water consumption, male rats, implications for weight control after cessation of cigarette smoking, 23977

Taste Stimulation

adrenalectomy, neural responsivity of chorda tympani & auriculotemporal nerve to taste solutions & tactile stimulation & salt intake, male rats, 11249
aversion conditioning & neophobia to opposite novel flavor using sucrose vs casein hydrolysate as test stimuli, male rats, 13726
compound stimulus exposure composed of salt & other flavors, intake of other flavor following induced sodium appetite, rats, lack of support for multiple directional association model, 26583
cue location & temporality & other factors, food aversion learning, reply to criticism by I. P. Stolerman, 13751
cue location & temporality & shock vs illness as aversive stimulus, food aversion learning, criticism of L. G. Sullivan's study, 13750
flavor preexposure & test interval, conditioned taste aversions, rats, 19214
gustatory stimulation, discriminative taste-elicited responses, neonatal vs adult rats, 29255
intragastric copper sulfate as UCS & role of vagus as mediator, taste aversion learning, vagotomized vs intact rats, 29372
mouth presaturation by sweeteners neohesperidin dihydrochalcone vs thaumatin vs aspartame vs sucrose, water intake, male baboons, implications for animal model of sweetness perception & aftertaste, 21220
neophobia & preexposure to flavor, conditioned saccharin aversion, weanling vs young adult vs old female rats, 13738
presence of novel taste & spatial contiguity between taste & tone, potentiation of auditory aversions, rats, 3082
sucrose & sodium chloride & quinine solutions applied to tongue, cortical neuron response, rats, 13838
sucrose & sodium chloride & quinine taste stimuli, cerebral cortical coding of taste information, rats, 13839
taste stimuli, activity of glossopharyngeal nerve, anesthetized mudpuppies, 21311

Taurine

decreased taurine transport, seizure susceptibility, genetically epileptic rats, 23795
taurine vs GABA injections into substantia nigra zona reticulata, contralateral circling behavior, male rats, 21533
taurine vs GABA iv in substantia nigra, caudate spindle, rats, implications for involvement of dopaminergic system, 21567

Taxation

exchange vs social orientation vs illegal opportunity determinants of tax evasion, convicted tax evaders vs voters, 1464
knowledge of government sources of revenue & preferences for level of taxation, adults, UK, 24246
perceptions of fair allocations of salaries & taxes, college students, implications for theory of relative equity, 17233
perceptions of fairness of tax system vs increased tax rates, tax evasion, public, 29870

Taxonomies

basic color terms in ancient Egyptian language & polychrome colors in painting, cognitive implications, evidence for B. Berlin & P. Kay's encoding sequence for language & theory of basic perceptual color categories, 16844
categories of armed robbery, Canada, 1981–84, 3988
central tendency vs ideals vs frequency vs familiarity of instantiation, prediction of graded structure vs typicality in taxonomic categories, college students, 10950
clarity & business utility of advertising concepts developed from consumer typology based on males' self perception & product & brand choice, male marketing & business studies students, UK, 10669
classification of E. M. Jellinek & pathogenesis of alcoholism, 12101
classification of hazardous events according to natural life history perspective, literature review, 2711
classification of illnesses with International Classification of Diseases in university health service, 18646
classification of mental disorders proposed by A. Roa, 17396
cluster analysis of demographic & criminological data, prisoners allocated to dispersal institutions, England, 30993
conditioned taste aversion procedure as index of drug toxicity, 14044

correspondence in categorizations of aggressive acts, psychologists & college students, 21903
cross-validation of Back Pain Classification Scale, chronic low back pain & headache patients, 18982
development of classification system to facilitate sociological research of alternative lifestyle groups, Australia & New Zealand, 991
development of Operant Supervisory Taxonomy & Index, assessment of supervisory behavior, theater & bank managers, 21000
development of taxonomy of competencies needed for pursuit of professional level, female faculty members, implications for career counseling, 7785
educational taxonomies, development & confirmation of process hierarchy theory of learning & cognition, 15579
effects from short term drug administration, taxonomy of prediction of therapeutic drug efficacy, animals & normal Ss & patients, 20392
empirical replicability of health behavior categories & health locus of control & perceived severity & probability of illness, US Marines, 6424
empirical taxonomy of symptom profiles, recently divorced 20–79 yr olds, 6434
evolutionary & psychological effects on 18th century vs modern classifications of animals & plants & minerals & diseases, 18831
experimental taxonomy, study of effects of numerical or cultural majority/minority status & characteristics of perceptive field on processes of conformity & social influences, college students, 17200
features & goals of objective classification of offenders in field of corrections, 9026
flexibility & taxonomy of single-S experimental designs, 28903
functional classification system using activity skills, deaf & blind less than 1 to 21 yr olds, 20142
grouping of data into categories in neuroscience experiments on chemical senses, 20961
heterosexual vs bisexual vs asexual vs homosexual orientation & erotic arousal with cross-dressing, male-to-female transsexuals, 27089
identification of situational taxonomies through idiographic vs consensual approaches, 1137
International Association for Study of Pain's system, classification of pain, 50 yr old male, conference presentation, 22228
job analysis & taxonomy of sales activities, industrial sales people, 31587
methods for classification of neuroleptic drugs, conference presentation, 4489
mid-range concentration method vs slope method of best stimulus classification, assessment of taste neurons, rats, 524
neurological taxonomy for perseveration, 6861
pain coping model, assessment of patients' pain, nurses, 22239
phenetic vs cladistic vs ontological methods, classification of emotions, 19170
program model & size & operator & classification of residential care facilities, mentally retarded, US, 22718
proposed integrated product classification scheme for marketing, 31588
psychiatric nosology, psychotropic drug responses, conference presentation, 4532
Q sort of Jungian typology & character analysis, introverts vs extraverts, 24532
recommendation to enlarge comprehensiveness of Bloom's taxonomy of educational objectives, 25709
review of definitions & criteria from psychodiagnostic typologies, alcoholism, 30264
semantic memory & ordering of taxonomic categories, college students, 26364
speech act classification scheme, correspondence between speech in conversation & adjectival dimensions of interpersonal behavior, family members, 14086
sudden vs anticipated near death incidents, transcendental vs affective vs cognitive experience, persons who reported Near Death Experiences, 3
taxonomic framework composed of 7 marketing models, measurement of consumer variety-seeking & reinforcement behavior, families, 26067
taxonomy of drug addiction based on psychopathological manifestations & temporal sequence, clinical & forensic psychiatry, 9367
taxonomy of groups & utilitarian participation of individuals in collective action, 1136
taxonomy of professional education objectives, 15575
taxonomy of transferable occupational skills for self assessment, 18712
taxonomy of user-oriented data functions & command names, college students, 31536
thematic similarities in Jung's "Psychological Types" & E. Kretschmer's "Physique & Character," proposal for integrated typology of psychological & somatic characteristics, 23334
type of offense & clinically predicted dangerousness as bases for classification, juvenile delinquents, 4038
typological classification, role behavior in group problem solving, 1123
typologies of descriptive vs empirically based play materials, education, handicapped children, 10510
typology of behaviors & self management, 9–13 yr olds with asthma, 22304
validity of Pearson-Johnson taxonomy of reading comprehension, responses to textually eplicit vs implicit vs scriptally implicit text comprehension questions, 4th–5th graders, 15945
vowel normalization based on machine classifications of speaker vs phoneme information in short vowels occurring in constant context, male vs female Finnish speaking 20–45 yr olds, 8185
Tay Sachs Disease [See Amaurotic Familial Idiocy]
Tea [See Beverages (Nonalcoholic)]
Teacher Accreditation [See Accreditation (Education Personnel)]
Teacher Aides
classroom context, type & function of Spanish vs English, bilingual preschool teachers & teacher's aides, 22933
Teacher Attitudes
acceptability of withdrawal vs continuation of apparently effective program for students with behavior problems, middle & high school students, 15595
age differences, characteristics of job satisfaction, teachers aged under 35 to over 50, 1969 & 1973 & 1977, 18440
assessment of effectiveness of preservice vs inservice training, experienced elementary vs secondary school teachers, 2313
attitudes & feelings toward children & childhood, preservice teachers, 31162
attitudes on educational needs & programs & diagnosis of gifted students, regular & special teachers & principals & school psychologists, 12898
attitudes regarding special certification for middle-grade counselors, middle-grade teachers & principals, 31148
attitudes toward & coverage of energy education in curriculum & knowledge of energy issues such as nuclear power & conservation, 16–19 yr old college students & teachers, UK, 18500
attitudes toward & use of basal readers, public elementary school teachers, 15616
attitudes toward & use of DSM-III, academic psychiatrists, Canada, 7525
attitudes toward ability grouping & social & organizational influences, high school teachers, Israel, 20653
attitudes toward adolescent behavior problems & rating of impact on school & general social adjustment, 25–50 yr old parents & teachers & 14–15 yr old secondary school students, Barbados, 25848
attitudes toward alcoholism, rural vs urban secondary school teachers, Nigeria, 2329
attitudes toward child welfare education & services, male vs female educators & workers, 9037
attitudes toward communication with students & ongoing course planning activities & class processes, college faculty, conference presentation, 4811
attitudes toward development of self confidence & possessive individualism in school, students aged 11 yrs & older & teachers & parents, 31245
attitudes toward disabled persons, school teachers vs physical therapists, 28280
attitudes toward evaluation in education, 1st & 2nd grade teachers, implications for application of Likert attitude scale in teacher education & evaluation research, 2335

attitudes toward experiential education & college goals & objectives, college students & faculty, 2429
attitudes toward gifted children & programs, parents vs teachers, 2510
attitudes toward mainstreaming & perceptions of handicapped exceptional children, regular vs special educators from categorical vs noncategorical labeling states, implications for improvement of special education services, 10483
attitudes toward mainstreaming & placement, special education administrators & teachers & regular teachers & principals from school districts with high vs low use of mainstreaming, 20775
attitudes toward mainstreaming following mandatory law, primary & nonteachers, Australia, 23066
attitudes toward mainstreaming of handicapped children, 21–62 yr old teachers, 10289
attitudes toward problem solving, 25 yr old beginning mathematics teacher, 28380
attitudes toward reading theory & instructional methods & professional role & criteria for pupil success, classroom instruction, elementary school teachers, implications for teacher education, 4815
attitudes toward role, 8th–12th grade middle school year leaders & deputy heads, England, 10302
attitudes toward rotating-mixed vs straight psychiatry internship, psychiatric residents & residency directors, Canada, 2212
attitudes toward rules of soccer, soccer coaches, 5022
attitudes toward sex education, fathers vs male teachers vs 17–20 yr old students from rural vs urban vs metropolitan areas, India, 25850
attitudes toward smoking & smoking education & relationship between smoking & medical conditions, smoking vs nonsmoking public school teachers, 1973 vs 1982, 12895
attitudes toward status & standard of output & cognitive motivation, 2nd graders & their teachers, 10442
attitudes toward teaching profession & overall job satisfaction, intermediate & secondary school teachers, 25725
attitudes toward use of diagnostic laboratory tests, medical college faculty members, 10187
attitudes toward voluntary local education authority scheme for school evaluation, secondary school teachers, England, 18456
awareness of & experiences with & attitudes toward nonverbal communication aids, special educators, 25872
basic philosophies of curriculum & teachers, intermediate level teachers, Sweden, 15725
categorization methodology consisting of F sort & latent partition analysis, measurement of views of classroom teaching using descriptive verbs, elementary & secondary teachers & teacher trainees, 28623
classroom behavior & beliefs, 26 & 32 yr old male high school teachers, 31152
cognitive responses elicited vs arguments recalled during persuasive communication, attitude change toward energy conservation, preservice elementary teachers, 22905
computer-aided learning program & attitudes toward professionalism & values & personality, education students & teachers & college staff, implications for teaching styles, 10319
construction of Teacher Role Survey, assessment of expectancies for internal vs external control in teaching, teachers enrolled in graduate education courses, 25924
counseling center title, likelihood of using center, college students & faculty, 31312
description of & attitudes toward normalization concept, health care service providers for mentally retarded & special education teachers, Australia, 12790
development & validation of attitude scale, measurement of attitudes toward pupil profiling, teachers, 31333
development & validation of My Class Inventory, measurement of classroom psychosocial environment & identification of needed changes, elementary school students & teachers, 10525
education level & training experiences, attitudes toward teaching handicapped students, 26–65 yr old physical education teachers, 20660
expectations of role of services provided by educational psychologist, principals & teachers & social workers, 28396
experience level, perceptions of problems related to profession, beginning vs experienced teachers, Norway, 31145
experiences of 1st-yr elementary school teachers, 25729
factor analysis of attitudes toward personal teaching behaviors instruments, assessment of attitudes as function of career stage, teachers, 15593
factor analysis of items in teacher ratings on Children's Behavior Rating Scale, identification of cognitive deficits, 5–15 yr olds in regular & special education classrooms, 23127
factorial validity of Pupil Control Ideology scale, measurement of pupil control orientation on humanistic-custodial continuum, elementary school teachers, school climate research implications, replication of study by S. Graham et al, 15899
faculty perceptions of instructional development & success/failure of program, 12927
feelings & attitudes & general behavior intentions, receptivity toward Certificate of Secondary Education System, teachers & principals, Western Australia, 22917
formal staff meetings vs individual interviews, content of verbalized educational perspectives, middle school teachers, England, 2314
individual orientation toward research & institutional climate for research, scholarly productivity, undergraduate social work teachers, 31158
influences on student teacher behavior in physical education classes, elementary education student teachers, implications for teacher education, 25832
instructional components of inservice training sessions, concerns & acceptance of teaching innovations, teachers, 18423
intelligence &/vs creativity of students, attitudes toward students assessed by sociometric questionnaire & peer assessment, 7th graders & their teachers, 4906
internal vs external locus of control, susceptibility to expectancy information about self vs student's probable competence, female college students acting as teachers, 2308
knowledge of & attitudes toward use of legal & illegal drugs, primary & secondary school teachers, Spain, 12929
knowledge of & exposure to prevalence & etiology & testing & prevention & treatment & characteristics of hearing loss, classroom & special education teachers, 18439
level of experience, attitudes toward mass media & youth, 22–55 yr old teachers, 2338
mentoring project, attitudes & job satisfaction, teachers, 7577
methylphenidate vs placebo, problem behavior & parent vs teacher perceptions of behavior, 9 & 10 yr old males with attention deficit disorder, 9925
need configurations & motivations & pay equity & work autonomy & satisfaction, public school teachers, 7581
nonverbal communication & classroom interaction & attitudes, Black vs White teachers & students, 2458
opinions on & knowledge of divorce & feelings regarding school's role & responsibility to children of divorce, teachers with vs without personal divorce experience, 7576
opinions on reading instruction changes in merit pay program, elementary school teachers vs principals vs central administrator, 18449
opinions regarding community interest & resources for different kinds of research information, pupils & teachers at comprehensive school, Sweden, 25712
organizational diagnosis with survey feedback, school social climate, senior high school teachers, 20812
parent- & teacher- & self-ratings of adaptive behavior, 5.1–12.6 yr olds considered for educable mentally retarded class placement, 15942
participation in Adlerian course on coping with children, attitudes toward classroom discipline, 25–55 yr old teachers, 12910
perceived institutional goals, faculty & students & administrative staff at church-affiliated colleges, 2293
perceived societal needs for educational instruction, elementary school principals vs teachers vs parents vs students vs secondary students, 2457
perception of degree of stress of various situations & frequency of strategies used to cope, teachers from comprehensive schools, UK, 28393
perception of ideal education system, individual education rating, teachers, 2390
perceptions of children's behavior problems, clinical psychologists vs school counselors vs teachers with special education training vs regular education teachers, 12917

perceptions of child's behavior & emotional adjustment & school performance & achievement & interests & activities & interpersonal relations, teachers & caretakers of children at risk for schizophrenia, Israel, 3810
perceptions of clutterers, speech-language pathologists vs regular & special education educators, 24854
perceptions of democracy in elementary school classrooms, teachers & students, 20736
perceptions of development & adoption of inquiry as classroom innovation, elementary & middle/junior high & high school teachers & college teachers, 25773
perceptions of functions & roles of school psychologists, master elementary teachers vs school psychologists, 20652
perceptions of gifted reevaluation practices, special education teachers & supervisors, 28391
perceptions of guidance teacher as helping agent, high school teachers vs students, South Africa, 28642
perceptions of language development & play & social training as important curriculum, teachers of severely learning disabled students, 10500
perceptions of parental participation in individual education plan process, special education teachers, 20773
perceptions of quality of secondary school life, students vs teachers vs administrators, 7667
perceptions of special education episodes, regular classroom vs resource vs special day class teachers, 23085
perceptions of stress in school situations, elementary vs secondary full-time & student teachers, 28388
perceptions of student behaviors, faculty at teaching- vs research-oriented universities, 2302
perceptions of student characteristics & criteria & perceptions of relative power to impose diagnostic labels, special education teachers & school officials & parents of learning disabled students, 20786
perceptions of supervisory practices for instructional improvement, secondary school teachers vs principals, Nigeria, 12921
personal boundary orientation & classroom boundary regulation, effective group leadership in classrooms, elementary school teachers, 25742
perspectives brought to mainstreaming process, deaf children & parents of handicapped vs nonhandicapped & special vs general education teachers & administrators, implications for preparation of teacher training programs, 23073
prediction of academic achievement in math & reading by use of cognitive tasks & material & teacher ratings, male vs female students tested prior to kindergarten & at grades 1–10, 28491
problems in developing resource programs, elementary through high school resource teachers, 12911
proposed vs actual interventions for students with behavior problems, elementary school teachers, 18495
qualifications & experience & nationality, attitude toward science & science teaching, female vs male science teachers, Nigeria, 18453
ratings of academic competence & reading ability & work habits & classroom behavior & creativity & home background, reading grouping decisions, elementary school teachers & Black vs White 4th–6th graders, 31143
ratings of acceptability of various treatments for learning disabled vs mentally retarded vs behavior disordered students, regular vs special education teachers & college students, 18429
ratings of student behavior problems in disruptive vs nondisruptive classrooms, regular vs special education teachers, 28402
reading instruction with vs without group counseling, self esteem & reading skills & coaches' perceptions of attitudes, college football players, 2560
recreational reading program, reading attitudes & behaviors, 2nd graders, implications for change in teacher's attitudes & practice, 15686
reliability & validity of computer attitude scale, kindergarten through 12th grade teachers enrolled in microcomputer staff development courses, 15916
resegregation in desegregated schools & teacher attitudes, selection of grouping principles & classroom learning & behavior, elementary school teachers & Black & White 5th graders, 13026
resource rooms vs self contained classrooms of public schools vs psychiatric hospitals vs residential treatment centers vs state training schools, teachers' perceptions of behavioral characteristics, behaviorally disordered students, 4930
role & sex & age & parental status, perception of childhood problems, clinical & school psychologists & teachers & parents, 3391
school climate in urban vs rural vs suburban public schools, personal characteristics & attitudes toward performance evaluations, elementary school teachers, 15608
school size, school safety & administration & participation & social integration, secondary school teachers & students, implications for theory of social control, 22867
social skills course, attitudes & teaching methods & management & problem solving skills, college teachers, 15599
social validity of divergent thinking tests, judgments of creativity of gifted & nongifted 5th–8th graders, 29–41 yr old teachers, 20817
societal & institutional factors & personal experience & personality, attitudes toward integrating mentally handicapped, primary & secondary & special education teachers & school principals, England vs US, 13117
stability of ratings of student temperament, teachers & preschoolers to 5th graders, 6- & 12-mo followup, 18655
standard intelligence measures &/or teachers' ratings vs learning efficiency test, prediction of reading ability over time, English & Asian 2nd graders whose abilities tested in mentally retarded range, England, 18637
student race & severity of hearing loss, estimates of appropriate testing placement, hearing impaired students, 4971
student ratings of instructional effectiveness & perceived student/teacher attitude similarity & course grades, college students, 15773
teacher & child perception of classroom environment, adjustment, 2nd–4th graders, 23042
teacher attitudes & student behaviors, academic failure, learning disabled high school students in mainstream schools, 7738
Teacher Corps training & team leader influence, personality & educational attitude changes, 1st-yr interns, 20665
teacher training, perception of effectiveness of personal theories of instruction, economics education student teachers, 15617
tolerance levels for behavior problems commonly found in regular classrooms, regular elementary school vs special education teachers, 12925
tracking system, occupational stress & self esteem & competition, high school teachers, 2309
traditional vs modern attitudes toward educational issues, secondary school teachers, England & Wales, 22902
training & implementation of mastery learning method, self perception of classroom effectiveness, teachers, 18433
training with vs without experience with handicapped, attitudes toward mainstreaming, prospective regular education teachers, 23081
understanding of & participation in consultation with school psychologist & subjective perception of consultant, number of consultation contacts & rating of outcomes, elementary & junior high school teachers, 31142
validity & theory verification of Teacher Concerns Questionnaire, preservice & inservice teachers, 10551
validity of 4 educational dimensions of C. E. Bunting, elementary school teachers, 22880
views on occupational stress factors, kindergarten through 6th grade teachers, 10299
views on usefulness of Boulder scientist-practitioner model of graduate psychology training, graduate student & faculty member, 2233
views regarding urgency & prognosis of types of school adjustment problems, junior high & high school teachers vs mental health professionals, 15622
working conditions, job satisfaction & work attitudes, faculty members in Black colleges, 28383

Teacher Characteristics [See Also Teacher Attitudes, Teacher Personality]

affective vs academic vs interactive emphasis, promotion of positive class affect, elementary school students & their teachers, 10453

affective vs cognitive goals & perceptions of desirable student characteristics & relation to teaching practice, elementary school teachers, 31153
age & sex & teaching experience & educational level, subjectivity in composition grading, teachers, 18436
aspects of pastoral care work & perceived needs of their students, strategies to deal with pastoral care teachers' dilemmas, educational psychologists, 28408
attitudes toward creativity & desirable teacher characteristics, students & teachers, Denmark, 7658
authoritarian principals & atmosphere of hostility & tension, self monitoring behavior, male vs female secondary school teachers in large vs small public vs private schools, Lebanon, conference presentation, 10304
authority in social studies classroom & content knowledge, teachers, 18426
causal attributions of students' ability & effort & achievement, behavior in academic setting, college teachers & their psychology undergraduates, 2448
classroom context, type & function of Spanish vs English, bilingual preschool teachers & teacher's aides, 22933
cognitive & emotional processes, perceptions of environment & difficult situations, teachers, 31157
cognitive & psychosocial & moral development & GPA & academic major, ability to analyze & interpret child behavior, college students with majors in education, implications for preservice teacher training, 18454
cognitive development & functioning & formal thinking ability, teaching performance, preservice teachers, 18452
colleague ratings of personality traits & observed classroom behavior, ratings of teacher effectiveness, college students, 2564
concept of master teacher, implications for effective teaching, 22888
conceptions of teachers' academic work & instructional facility & classroom experience & personal characteristics, 7th graders, 10443
contribution of educational research on behavior & attitudes & thinking, teachers, 22886
current events world place name location skills & teacher characteristics, female vs male elementary vs secondary preservice teachers, 25737
democratic vs authoritarian teaching behavior, student learning in Hindi language, high school teachers, India, 31237
determinants & cultural change & external pressures, cultural subgroups in educational context, mainstream teachers & students, implications for teacher education, 31133
development of self concept, 25–35 vs 40–50 vs 55–65 yr old teachers, 15613
dogmatism & style of supervision, teaching skills & satisfaction, female teacher training students, Israel, conference presentation, 10294
education level & training experiences, attitudes toward teaching handicapped students, 26–65 yr old physical education teachers, 20660
educational program features, teachers' instructional strategy & performance & student involvement, middle school teachers & students, 20697
ethnographic design for examination of behavior patterns, teachers of gifted students in independent study, 28406
evaluation & preferences for didactic vs heuristic vs philetic teaching styles, college psychology students, 15665
experiences with & perceptions of teacher misconduct & monitoring personnel behavior within school to prevent impropriety, secondary school principals, 7580
experiences with vaulting & gymnastics & horseback riding teachers, satisfaction, 9–17 yr old vaulters, 15810
faculty characteristics & satisfaction with college conditions & participation in governance, voting in collective bargaining elections, college faculty, 22878
feedback with vs without consultation regarding instruction, student ratings & use of instructional resources, college instructors, 10-yr longitudinal study, 4826
freedom in education & humanistic learning in institutional environment, teachers, 31151
generalization of teacher characteristics across teaching levels, elementary & secondary school & college teachers, 22899
hierarchy of physiological & emotional needs & behavior of students, effective teaching responses, junior high school teachers, 2331
high- & low-inference level of instructional clarity, student achievement & satisfaction, preservice teachers, 7635
high vs low teacher clarity & varied lesson rating conditions, comprehension & evaluation of history & geography lesson, high school students, 15715
higher level thinking skills program taught by specialists vs volunteer teachers, cognitive skills, gifted 1st–6th graders, 2507
imaging, self concept & lecturing effectiveness, teachers, 15623
inservice training program, reading instruction knowledge & attitudes & student achievement, elementary teacher participants & their 2nd–5th graders, 10297
institution type & academic rank & teaching goal & course level, variation & selection of psychology curriculum, college teachers, 12983
invitational teaching & personal & professional teaching, beginning teachers, 31154
lesson structure & subject matter in teaching models, elementary mathematics education novice vs expert teachers, 20689
level of teacher's enthusiasm, understanding of concepts of land & air & water & sound pollution, male vs female 3 & 4 yr olds, 10322
locus of control & age & sex, perception of occupational stress, teachers, 15605
locus of control, ratings of performance, student teachers, implications for teacher education, 12924
major in education vs certification program, costs & effectiveness assessed by students achievement & teacher ratings, student teachers, 31139
model of transitions during internship year, training directors, 22834
need configurations & motivations & pay equity & work autonomy & satisfaction, public school teachers, 7581
need for flexibility & follow through in teaching composition & reading & study skills, developmental teachers, 15814
negative noncontingent feedback outcomes & lecture content, teacher effectiveness & expressiveness, college students & their teachers, 20700
opinions on & knowledge of divorce & feelings regarding school's role & responsibility to children of divorce, teachers with vs without personal divorce experience, 7576
pedagogical & classroom dilemmas vs personal coping strategies in practice of teaching, elementary school teachers, 12912
peer tutoring & teacher compliance with prescribed methods, reading achievement, 1st graders, 2-yr longitudinal study, 25790
perceptions of teacher instructional effectiveness & teacher characteristics, college students, 1981–82, 28630
personal boundary orientation & classroom boundary regulation, effective group leadership in classrooms, elementary school teachers, 25742
personality & demographic characteristics, communication effectiveness, teacher trainees preparing for independent living work with deaf adults, 7578
preferences for instructional methods & course goals, high- vs low-achieving college preservice teachers, 10305
preferences for teacher characteristics, 7th–9th grade gifted students, 28551
professional preparation & teaching methods & classroom management & interaction with parents & other factors, teachers of trainable vs profoundly mentally retarded students, 15878
pupil control orientation, occupational stress, 23–65 yr old teachers, 18434
qualifications & experience & nationality, attitude toward science & science teaching, female vs male science teachers, Nigeria, 18453
ranked important competencies for director & head teacher of day care center, day care providers, 10282
recreational reading program, reading attitudes & behaviors, 2nd graders, implications for change in teacher's attitudes & practice, 15686
role as curriculum leader, mastery teacher, 22904
role as researcher & scholar in classroom, teachers, implications for language arts education, 22883
role of sincerity in teaching, classroom teachers, 25738

school climate in urban vs rural vs suburban public schools, personal characteristics & attitudes toward performance evaluations, elementary school teachers, 15608
school location & other school & teacher variables, academic achievement, 1st–9th graders, Iceland, 25815
sport team membership & coach's gender, self disclosure, high school female varsity athletes, 28512
stages of career development, predoctoral internship training directors, 22835
student & course & teacher characteristics, ratings of teachers & courses, hearing impaired college students, 7723
student perceptions of college faculty members' instructional style, recommendation of faculty members' course to other students, college students, Israel, 13017
teacher & school & community characteristics, achievement as measure of quality of education, 4th–7th graders, 18530
teacher change, need for special education, 3rd–7th graders in language vs mathematics, Denmark, 7721
teacher characteristics & approaches, teaching effectiveness, elementary & secondary school teachers, review of studies conducted over 50 yrs, 2298
teacher effectiveness, characteristics & durations of transitions between selected units of classroom activity, 30–35 yr old junior high school teachers, 2407
teacher nonverbal behavior, student perceptions of teacher attitudes & expectations & consequent academic performance, elementary school students & their teachers, 10460
teacher personality, behaviors in physical education class, junior high & elementary middle school teachers & students, 2471
teacher uncertainty & bluffing & lesson discontinuity & use of lecture notes handouts, perceptions & achievement, high school students, 15766
teacher's altruistic mode of interaction in classroom training situation, development of creative initiative, 6–7 yr olds, 7616
teacher's self disclosure perceived as information pertinent to success in course, college students, 20756
teacher's use of self &/vs other-disparaging humor, evaluation of teachers, 10th graders, 28412
teaching experience & temperament characteristics, coping strategies in problem solving task with distractable child, female college students, 7579
teaching experience, communication & effectiveness in classroom management, junior high school teachers, 2301
teaching models & participants' characteristics & background, college students & teachers in psychology departments, Denmark, 12953
teaching style, academic achievement, 15–76 yr old adult education students, 12949
time spent teaching, need for change & need to understand oneself & others & good personality & adjustment & sense of inferiority, teachers, 4812
training & implementation of mastery learning method, self perception of classroom effectiveness, teachers, 18433
vague & low inference teacher presentation & lesson structure, mathematics achievement, high school algebra students, 10381

reflective teaching as laboratory teaching experience, preservice teachers, 2391
role of Postgraduate Certificate of Education, development of inner capabilities & personal growth, teachers, UK, 10296

roles & need for understanding of world view, teacher education, 12906
satisfaction with & perceptions of off- vs on-campus master of arts educational degree programs in learning disabilities & emotional disturbance, graduate students, 2321
scholastic aptitude & achievement, performance on state-mandated competency tests, education students, 2326
science education, elementary education majors, reply to comments by R. J. Whitaker, 22890
science methods course, elementary school teachers, comments on study by R. A. Duschl, 22918
screening program, performance on test required for admission to teacher education program, 15935
social Darwinism & scientific deterministic model in teacher education, 20655
students as ongoing teacher educators, 10290
suggestions for content of graduate & undergraduate teacher education courses in discipline, school principals & professors of secondary education, 28400
Teacher Corps training & team leader influence, personality & educational attitude changes, 1st-yr interns, 20665
teacher training, perception of effectiveness of personal theories of instruction, economics education student teachers, 15617
teacher training programs in correctional & special education, handicapped youth & delinquents, 28395
teaching methods & competency based curriculum development, teacher education, 15590
training & implementation of mastery learning method, self perception of classroom effectiveness, teachers, 18433
training & special education curriculum, teachers, comments on articles in previous issue, 7692
training in classroom organization & management techniques, management skills & effectiveness, elementary vs intermediate vs high school teachers, 25730
training in effective use of microcomputer instruction & related classroom considerations, special education teachers, 15618
training in giving feedback to parents tutoring their 9.4–11 yr olds with reading deficits, parent involvement & children's reading levels & student behaviors, 3rd-yr female teacher trainees, 31144
training in instructional use of microcomputer & use of microcomputers in mathematics & science education, male vs female teachers, 22914
training with vs without experience with handicapped, attitudes toward mainstreaming, prospective regular education teachers, 23081

Teacher Effectiveness [See Teacher Characteristics]

Teacher Effectiveness Evaluation

application of humanistic metaphor to social studies teaching, implications for humanistic metaphors in educational evaluation, 25783
approaches for validation of National Teacher Examinations, assessment of competency, teachers, 25898
assessment of student teaching performance, student teachers vs academic vs field supervisors, 2328
colleague ratings of personality traits & observed classroom behavior, ratings of teacher effectiveness, college students, 2564
conceptions of teachers' academic work & instructional facility & classroom experience & personal characteristics, 7th graders, 10443
construction of teacher evaluation instruments as class project in industrial/organizational psychology class, college students, 12965
construction of teacher rating form, kindergartners through 2nd graders, 23104
criteria for selection of teachers for merit pay, 18450
deductive vs inductive experimental groups, judgments of observed peer teaching, preservice physics education students, 4820
development & implementation of participative management evaluation system, appraisal of performance, university faculty, 15900
diagnostic vs summative appraisal criteria in teacher effectiveness ratings, college students, 20748
educational measurement & policy & US Department of Education's program, measurement of teacher effectiveness & success of educational reform, 13132
evaluation & preferences for didactic vs heuristic vs philetic teaching styles, college psychology students, 15665
evaluation of medical school instructors, medical students, 10261
evaluation of preschool teacher effectiveness, 28604
examination of probability model for teacher evaluation, 28647
factor structure & validity of student ratings vs teacher self ratings, evaluation of student progress & teacher effectiveness, high school teachers & students, 25886
factor structure of measure of perceptions of teacher effectiveness, college students, 25890
feedback with vs without consultation regarding instruction, student ratings & use of instructional resources, college instructors, 10-yr longitudinal study, 4826
global appraisal vs model teacher criterion ratings, teacher performance in lecture format course, college students, 10546
grades & student evaluation of teacher effectiveness, comments on study by A. Gaffuri et al, 15664
interrater reliability between self vs student ratings of teaching effectiveness, high school teachers & their students, 31308
issues in establishment of reliable & valid performance evaluations, teachers, 25892
junior or senior faculty or resident preceptor status, ratings of teaching ability & student performance, 1st-yr medical students, 10231
level of academic areas & student involvement, evaluation of cognitive contribution of course, college students, 2469
low inference classroom interaction observation systems, teacher & school effectiveness studies, 31136
multidimensional scaling analysis of student ratings of instruction, college students, 15883
perceptions of teacher competency, college students, France vs Canada, 10432
perceptions of teacher instructional effectiveness & teacher characteristics, college students, 1981–82, 28630
perceptions of teachers' instructional difficulties, elementary & middle school & high school principals, 12918
positive reinforcement & equitable salary evaluation process, college teachers, 25749
practices in formative teacher evaluation, implications for teacher development, 10310
problems in measurement & implementation of accountability systems, teachers & schools, 31310
reliability of student course & teacher evaluation instrument, college students, 20815
school climate in urban vs rural vs suburban public schools, personal characteristics & attitudes toward performance evaluations, elementary school teachers, 15608
semantic similarity of items on instructor profile, ratings of instructors, graduate students, 2557
smallest-space analysis technique to assess class size effect & activity & cognitive dimensions, instructional performance, medical school faculty members, 25669
student & course & teacher characteristics, ratings of teachers & courses, hearing impaired college students, 7723
student evaluation of teacher effectiveness & faculty approaches & attitudes toward teaching, college students & college teachers rated as superior, Australia, 31134
student perceptions of college faculty members' instructional style, recommendation of faculty members' course to other students, college students, Israel, 13017
student ratings of instructional effectiveness & perceived student/teacher attitude similarity & course grades, college students, 15773
teacher characteristics & approaches, teaching effectiveness, elementary & secondary school teachers, review of studies conducted over 50 yrs, 2298
teacher evaluation practices, surveyed school districts, 22919
techniques for avoidance of Type I & Type II errors in evaluation of student feedback, instructional decision making, teachers, 22872
use of tests as component of process to identify & provide merit raises to outstanding teachers in Master Teacher Program, US, 25906
validity of student attitudes in teacher performance evaluations, literature review, 7674
validity of 24-item instrument, assessment of teacher behavior, elementary school students, 13128

Teacher Expectations
competitive vs noncompetitive instructional climate, teacher expectations, kindergarten through 3rd grade physical education students & their instructors, 2383
development of Prose Quantification System based on teacher ratings, judgment of quality of 5th graders' prose & transfer recall, elementary school teachers, 18666
expectations & evaluative verbal vs nonverbal feedback, student achievement, teachers, 15726
internal vs external locus of control, susceptibility to expectancy information about self vs student's probable competence, female college students acting as teachers, 2308
knowledge of learning disabled vs educable mentally retarded label & academic performance & special education participation, expectations for future academic performance of hypothetical student, 31–40 yr old elementary school teachers, 31156
length of tenure & ethnic origin & integration beliefs & preferred teaching method, expectancy bias, elementary school teachers, Israel, 15591
Supportive Excellence educational program, academic achievement, students, 10340
teacher expectancy, self concept & perception in social interaction process, middle school students, 13050
teacher expectations, academic underachievement, West Indian children, UK, 18532
teacher prediction of correct responses on Science Research Associates Achievement Series, high vs low performance 3rd & 5th graders, 20718
teacher vs self evaluation & task difficulty, motivation to return to initial task, 6th graders, 10412
teacher's ratings of vocabulary & comprehension & mathematics & verbal intelligence vs scores from Progressive Achievement Tests & PPVT-R, 8.6–10.5 yr old students, Australia, 15938
Teacher Personality
colleague ratings of personality traits & observed classroom behavior, ratings of teacher effectiveness, college students, 2564
dogmatism & satisfaction with internship, male vs female interns vs supervising teachers in secondary vs vocational vs physical education, conference presentation, 10312
motivations for entering teaching profession & authoritarian personality tendencies, student teachers, 1974–82, conference presentation, 10311
Teacher Corps training & team leader influence, personality & educational attitude changes, 1st-yr interns, 20665
teacher personality & psychological characteristics of student & psychopedagogical aspects, didactic competence, 31249
teacher personality, behaviors in physical education class, junior high & elementary middle school teachers & students, 2471
teacher self reported personality characteristics, characteristics & gender of preferred pupils, female student teachers, 10449
Teacher Student Interaction
academic exchanges & feedback & interactions in mainstreamed classrooms, teachers & their mildly handicapped vs nonhandicapped 3rd–6th graders, 18572
amount of individual student-teacher interaction & referral for special education, 2nd–7th graders, Denmark, implications for teacher training & allocation & expected student achievement, 7699
aspects of pastoral care work & perceived needs of their students, strategies to deal with pastoral care teachers' dilemmas, educational psychologists, 28408
assertiveness in interaction with teachers, Black college students in Black vs White university, 10429
attention to tasks & academic progress & teacher-child interaction, European vs Maori vs Pacific Island children assessed at entry vs 6 mo into 1st term of school, New Zealand, 28499
auditory-oral vs total communication method, use of idiomatic language & direct requests, teachers of prelingually deaf vs hearing 2.3–9.3 yr olds, 4955
behavioral observation schedule for use in classroom, teachers & their students, 28622
causal attributions of students' ability & effort & achievement, behavior in academic setting, college teachers & their psychology undergraduates, 2448
childhood aggression in school, implications for teacher intervention, 15808
children & their teachers in Head Start classrooms, 23069
classroom activities & teacher interaction, male vs female 2nd yr junior students with vs without special educational needs, 28531
classroom behavior & structured teacher-student interaction & language development, mildly retarded special education students & their teachers, 13062
classroom experience assessed by academic & conduct & personal interactions with teachers & peers, self perceptions of ability & conduct & effort, 2nd & 6th graders, 15805
communication processes in special education classrooms, mentally retarded students, 28560
compatible vs incompatible relationships & athletic performance & satisfaction, female college athletes & their coaches, 13032
confirmation & exploration & support & egalitarianism in connected education model, 16–65 yr old female students, 25708
construction & legitimization of teacher & student experience through educational discourses, development of critical pedagogy based on cultural processes, 25768
control theory in classroom, behavior choices, students & teachers, 31260
conversational & personal & instrumental uses of literacy, deaf adults who sign vs hearing vs deaf 3–21 yr olds & their hearing vs deaf parents vs schoolteachers, 20205
cooperation in peer- vs teacher-involved language classes, language learning, 6–7 yr olds, 7623
cooperative classroom as therapeutic agent, psychotic 6 yr old male, 4958
cooperative vs individualistic learning environments, achievement & interpersonal attraction & instructional interaction & attitude, partially hearing impaired 3rd graders, 7713
development & validation of Landau social emotional climate scales, assessment of instructional characteristics & teacher-pupil & pupil-pupil relationships, 13151
development of individual temperament & difficult behavior in children & coping strategies, parents & teachers, 11543
developmental value of appropriate teacher-child physical contact in early childhood programs, 7673
difficulties in relationships & need to work on communication skills, teachers & adolescent students, 7663
expectations & evaluative verbal vs nonverbal feedback, student achievement, teachers, 15726
experiences with vaulting & gymnastics & horseback riding teachers, satisfaction, 9–17 yr old vaulters, 15810
factorial validity of Pupil Control Ideology scale, measurement of pupil control orientation on humanistic-custodial continuum, elementary school teachers, school climate research implications, replication of study by S. Graham et al, 15899
failure in conflict with parent & teacher expectations, teacher-student relations, students & their teachers, 10457
gender & sexist touching behavior in classroom, teachers, 2465
high- vs low-context cultural communication, classroom activities & teacher-child interactions, 6–9 yr old language/learning disabled Hispanic elementary school students, 2551
home vs classroom communication, ability to succeed in educational system, cultural-linguistic minority children, implications for educational policy, program implementation, 2432
influences on student teacher behavior in physical education classes, elementary education student teachers, implications for teacher education, 25832
knowledge of W. R. Bion's group processes of dependency & pairing & fight-flight, classroom teaching & dynamics, teachers, 18545
lecture vs discussion & approachability of instructors & sociability of classmates, cognitive & affective states & classroom behaviors, 21–48 yr old college students, 23035
levels of interaction in teacher pupil discourse, teacher & hearing impaired students in special class, 2532
low inference classroom interaction observation systems, teacher & school effectiveness studies, 31136
nature of communication & interrelationships, 24–30 mo olds & caregivers in day care centers, 10437
negative noncontingent feedback outcomes & lecture content, teacher effectiveness & expressiveness, college students & their teachers, 20700
neurolinguistic programing model of learning & teacher-student communications, 20737

non-analytical therapy, male 2nd grader with learning & behavior problems, implications for school counseling, 23115
nonrecursive model & reciprocity of student-faculty interaction, academic performance, freshman & sophomore college students, 10427
nonverbal behaviors & classroom communication style, White vs Choctaw Indian 5th & 6th graders & their teachers, 7664
nonverbal communication & classroom interaction & attitudes, Black vs White teachers & students, 2458
nonverbal communication in classroom & study of teaching, 2482
paradoxical strategies, coping with hyperactivity in classroom, teacher of 8 yr old hyperactive learning disabled student, 2526
paradoxical strategies in classroom, disruptive & aggressive & acting out behavior & teacher-student relationships, male 8 yr olds, 15777
picture-cue training program, interaction with peers vs teacher, language delayed 4–6 yr olds, 4935
problems in intergenerational communication, adolescents & their parents & teachers, 8912
process-product & descriptive models in study of communication in classrooms, 2481
recasting in American Sign Language or Pidgin Sign English by mother vs teacher, acquisition of syntactic-semantic structures in sign language, deaf 9–76 mo olds, 22317
Rehearsal Demonstration Modules, intercultural communication & educational & multicultural dynamics, teachers in multicultural classrooms, 28448
remaining with class vs teaching certain subjects & grades, teachers, Denmark, 7669
role in crisis intervention, teachers, recommendations for prevention of school-generated crisis, 10300
same- vs opposite-sex teacher model, career confidence & motivation, male & female college students, 20760
self help concept, relationships, teachers & their students & parents, 12922
self report vs interactional analysis of teacher-student interaction in adult vs preadult classrooms, university & community college & public school adult education teachers, 12905
sequence & content & duration & spatial distance during individualized instruction, male vs female 1st graders with low SES & teachers, 4916
social comparison vs individual oriented teacher comments, academic achievement & motivation & school related personality factors, 6th–10th graders, 13009
student race & sex & grade level, interactions in classrooms, Black vs White kindergarten through 5th graders & their teachers, 15792
suggestions for listening to language disordered students, teachers, 2524
teacher & student turn relations & remedial strategies, forms & patterns of verbal overlaps in classroom discourse, 8.4–12.3 yr old special education students with communicative disorders, 18610
teacher &/vs student regular classroom behavior, learning disabled vs average 3rd–5th grade males, 18611
teacher communication patterns, male vs female Black vs White kindergartners to 7th graders & Black vs White teachers, 18547
teacher nonverbal behavior, student perceptions of teacher attitudes & expectations & consequent academic performance, elementary school students & their teachers, 10460
teacher presence & participation &/vs request, choice of play activities, female vs male 4–4.9 yr old Pacific Island & Maori & European kindergartners, 28507
teacher response & shaping & evaluation of oral & written communications, teachers & their 1st & 6th grade students, 13043
teacher socialization communication & student understanding of role & classroom norms, 1st & 5th graders, 2449
teacher's altruistic mode of interaction in classroom training situation, development of creative initiative, 6–7 yr olds, 7616
teachers' task-related interactions, mainstreamed handicapped vs high risk problem vs nonhandicapped 31–97 mo old males vs females, 2543
teaching interaction approach, development of social skills, disruptive & non-disruptive students, 15644
treatment by college faculty, achievement & confidence, male vs female college students, implications for policy making in higher education, 15788
verbal & nonverbal social cues & signaling of expectations, teaching-learning events in classrooms, teachers & students, 2459

Teacher Tenure
departmental policies regarding clinical expertise, training clinic directors of American Psychological Association accredited clinical psychology doctoral programs, 15560

Teacher Training [See Teacher Education]

Teachers [See Also College Teachers, Cooperating Teachers, Elementary School Teachers, High School Teachers, Junior High School Teachers, Preschool Teachers, Preservice Teachers, Resource Teachers, Special Education Teachers, Student Teachers]
academic ability & quality, elementary & secondary school teachers, analysis of National Longitudinal Study, 2327
age & sex & teaching experience & educational level, subjectivity in composition grading, teachers, 18436
age differences, characteristics of job satisfaction, teachers aged under 35 to over 50, 1969 & 1973 & 1977, 18440
age, overall job satisfaction, teachers 30 yrs & younger vs 35–50 vs 51 yrs & older, 25726
approaches for validation of National Teacher Examinations, assessment of competency, teachers, 25898
attitudes toward disabled persons, school teachers vs physical therapists, 28280
attitudes toward mainstreaming & perceptions of handicapped exceptional children, regular vs special educators from categorical vs noncategorical labeling states, implications for improvement of special education services, 10483
attitudes toward male vs female coach, junior high & high school & college male vs female basketball players, 2479
attitudes toward teaching profession & overall job satisfaction, intermediate & secondary school teachers, 25725
attribution of causes of student success & failure, teachers, 15609
authority in social studies classroom & content knowledge, teachers, 18426
behavioral characteristics & teacher interventions, children of alcoholics, 15920
blind vs informed review panel, determination of minimum standard for essay subtest of National Teacher Examinations, public school teachers & teacher educators, 15891
change in language & mathematics teachers during school year, referral to special education, elementary school students, Denmark, 4950
classroom observation instrument, measurement of implementation of comprehensive educational delinquency prevention program targeting teaching strategies, teachers, 18648
compatible vs incompatible relationships & athletic performance & satisfaction, female college athletes & their coaches, 13032
concept of master teacher & school as workplace, 22895
concept of master teacher, implications for effective teaching, 22888
concept of master teacher, implications for teacher education, 22920
concerns raised by alternative certification, teachers, 15598
contribution of educational research on behavior & attitudes & thinking, teachers, 22886
criteria for selection of teachers for merit pay, 18450
decision making model for teacher screening & selection, school administrators, 2300
developmental vs difference position on mental retardation, judgments about failure in children labeled mentally retarded, regular vs special education college & graduate students & classroom teachers, 10511
differences on ratings of behavior on Portland Problem Behavior Checklist, teachers of male vs female kindergartners through high school students, 23028
educational goals in classroom instruction, psychology teachers, conference presentation, 31176
evaluation of intensive health behavior intervention, teachers & school employees, 2-yr longitudinal study, 18421
expectations of role of services provided by educational psychologist, principals & teachers & social workers, 28396
experience level, perceptions of problems related to profession, beginning vs experienced teachers, Norway, 31145

factor analysis of Teaching Events Stress Inventory, assessment of source & level of task-based stress, public school teachers, 10848
feminization of teaching profession, female teachers, New Zealand, 1877–1920, 28375
field experience & student teaching, professional development, teachers, 2340
flying experience & training command mishaps, Navy flight instructors, 13156
guidelines for conducting parent-teacher conferences, preservice & inservice teachers, 12913
historical overview of competency testing & relation to current proposals, teachers, US, 25938
historical overview of impact of minority status & discrimination & suggestions for & role of teachers in creation of bias-free educational environment, immigrant Asian-American students, 28517
identification & rank ordering & impact of occupational stress causing events, teachers, 28403
imaging, self concept & lecturing effectiveness, teachers, 15623
in-flight emergencies, biogenic amine/metabolite response, students vs instructors of Air Force flying training, 13182
information about school's aims & objectives & courses offered & staff, teacher–parent communication, UK, 22869
inservice training, formulation of didactic learning tasks, teachers, 31155
introduction of curriculum-based assessment through professional consultation, 10555
issues in establishment of reliable & valid performance evaluations, teachers, 25892
job-related stress, need for & use of over-the-counter & prescription drugs & alcohol, special vs regular education teachers, 12903
knowledge of & attitudes toward use of legal & illegal drugs, primary & secondary school teachers, Spain, 12929
lens model methodology, criteria used in performance evaluation of school administrators, supervisors vs teachers vs school administrators, 18448
master teacher program, implications for role as staff developer, 22881
metacognitive approach to instructional decision making, teachers, implications for comprehension training in reading education, 15718
methods for use of drama in classroom & understanding of creative improvisation, teachers, 25756
need configurations & motivations & pay equity & work autonomy & satisfaction, public school teachers, 7581
need for administration of tests of basic skills in reading & writing as part of recertification process, teachers, 25930
need for discussions about music education & special needs of learning disabled students, special education & music teachers, 18606
participation in decision making & job satisfaction & competence in clinical & administrative decisions, counselors & alternative school teachers in community based agencies, 15279
perceived stress & locus of control & moonlighting, job satisfaction, public school teachers, 10303
perception of ideal education system, individual education rating, teachers, 2390
perceptions of behavior of crowds & coaches & players & their evaluations vs officials' evaluations of officiating ability, male basketball officials at girls' high school games, 17234
perceptions of special education episodes, regular classroom vs resource vs special day class teachers, 23085
physical & psychological signs of suicidal tendencies of students & guidelines for role in suicide prevention, teachers, 31375
position on legal attempts to mandate competency testing proposal for ensuring competence, National Education Association, in-service teachers, 25891
postretirement adaptation, 58–91 yr old recent vs long-time female school teachers, 10283
practical suggestions for dealing with children suspected of being sexually abused, teachers, 31261
preferred allocation of time, teachers, 15620
problems in measurement & implementation of accountability systems, teachers & schools, 31310
proposal for development of national teacher examination devised by multidisciplinary experts & provision of incentives to remain in teaching profession, 25934
provision of economical service to dyslexic children, part-time teachers, UK, 10489
psychological development program, teachers, implications for staff development, literature review, 7583
qualifications & experience & nationality, attitude toward science & science teaching, female vs male science teachers, Nigeria, 18453
rates & ratios of teacher approval & time usage & student attentiveness during piano lessons, preschool age through adult piano students & teachers, 4852
ratings of acceptability of various treatments for learning disabled vs mentally retarded vs behavior disordered students, regular vs special education teachers & college students, 18429
ratings of student behavior problems in disruptive vs nondisruptive classrooms, regular vs special education teachers, 28402
referral practices in specialized professions & growth of bureaucratic superstructure, general vs specialized physicians vs teachers vs educational administrators, 28320
remaining with class vs teaching certain subjects & grades, teachers, Denmark, 7669
role as curriculum leader, mastery teacher, 22904
role conflict & ambiguity in occupational stress & perceived level of burnout, public school reading specialists vs teachers vs guidance counselors vs school psychologists vs school social workers, 20659
role in crisis intervention, teachers, recommendations for prevention of school-generated crisis, 10300
role in improvement of educational process, neuroeducators, 15603
role in success oriented learning environment, teachers, 13031
role of computers & teachers in education, 15728
role of Postgraduate Certificate of Education, development of inner capabilities & personal growth, teachers, UK, 10296
School Effectiveness Training program, instructional improvement, teachers in urban schools, 15612
self help concept, relationships, teachers & their students & parents, 12922
self reported incidents of sexual harassment by teachers, female vs male college vs graduate students in physics & chemistry & economics & sociology, 23037
setting clear consequences for misbehavior & enlisting student's aid, teachers, 15786
sex & official status groupings, teacher career promotion, primary vs secondary school teachers, New Zealand, 28377
societal & institutional factors & personal experience & personality, attitudes toward integrating mentally handicapped, primary & secondary & special education teachers & school principals, England vs US, 13117
sources of stress during student teaching, burnout, teachers, suggestions for stress management, 15604
stress inoculation vs classroom management training, anxiety, experienced teachers, 4-wk followup, 4824
Stress Profile for Teachers, measurement of level of & factors in stress, teachers, Canada, 22903
students as ongoing teacher educators, 10290
suggestions for effective communication with parents, teachers, 12899
survival rates, female vs male elementary & secondary school teachers, 1969–82, 22907
synthesized contingency approach to improvement of quality of work-life, teachers, 2322
teacher-prepared vs district-wide standardized vs statewide assessment tests, educational decisions, beginning teachers, 23112
teacher ratings vs classroom observation of hyperactivity & inattentiveness & defiance & role of halo effect, 6.4–7.6 yr old males, 31297
teacher training programs in correctional & special education, handicapped youth & delinquents, 28395
team counseling approach by teacher & school counselor & social worker, abused male kindergartner with behavior problems, case report, 31342
techniques for avoidance of Type I & Type II errors in evaluation of student feedback, instructional decision making, teachers, 22872

training in instructional use of microcomputer & use of microcomputers in mathematics & science education, male vs female teachers, 22914
types of acceptable principal's orders & reasons for compliance, teachers, 15592
use of communication arts methods, students' application of skills learned in language arts classroom to specific content areas, content teachers, 31165
use of language & literature & literary activities, observation of student development in classroom research, teacher-researchers, 23026
use of life history methods for educational theory research, teachers & researchers, 7574
use of tests as component of process to identify & provide merit raises to outstanding teachers in Master Teacher Program, US, 25906
utilization of classroom discussion technique as research mode, teachers, 22983
validity & theory verification of Teacher Concerns Questionnaire, preservice & inservice teachers, 10551
Teaching [See Also Audiovisual Instruction, Computer Assisted Instruction, Directed Discussion Method, Discovery Teaching Method, Educational Audiovisual Aids, Educational Field Trips, Group Instruction, Individualized Instruction, Instructional Media, Lecture Method, Lesson Plans, Montessori Method, Motion Pictures (Educational), Peer Tutoring, Programed Instruction, Programed Textbooks, Reading Materials, Teaching Methods, Team Teaching Method, Televised Instruction, Tutoring, Videotape Instruction]
academic expectations & learning preferences, Latin American vs Anglo American college students, implications for instruction, 25853
adult guidance & cognitive restructuring, construction of model of large scale space with space on view, 4 yr olds, 19599
aptitude & family background & precollege experiences & college characteristics & environment & experiences, teaching career choice in sophomore yr, female college students, 18457
attitudes toward communication with students & ongoing course planning activities & class processes, college faculty, conference presentation, 4811
classroom behavior & beliefs, 26 & 32 yr old male high school teachers, 31152
cognitive development & functioning & formal thinking ability, teaching performance, preservice teachers, 18452
concept of master teacher & school as workplace, 22895
concept of master teacher, implications for effective teaching, 22888
educational goals in classroom instruction, psychology teachers, conference presentation, 31176
experiences teaching 5th graders with behavior problems, school psychologist, 7744
medical social workers as teachers of social sciences in medical education, India, 12877
merit & mastery in teaching, 22894
need for aesthetic interpretation of teaching & teacher evaluation, 12886
need for orientation to prepare for teaching in academic setting, industry scientists temporarily assigned to teach science & mathematics in schools, 28387
new meaning of term "teaching," conference presentation, 12892
nonverbal communication in classroom & study of teaching, 2482
number of classroom hours & gain from mathematics instruction & need for special education, 3rd graders, Denmark, 7720
parental status & child communicative status, linguistic & nonverbal teaching strategies, mothers vs fathers of 3.5–5.7 yr olds with vs without communication disorders, 24853
pedagogical & classroom dilemmas vs personal coping strategies in practice of teaching, elementary school teachers, 12912
process of tryout evaluations & coaching methods, teams' win-loss-tie records & individual player improvements, coaches & soccer players under 8 yrs old, 2403
relationship between industrial work experience vs classroom instruction, college engineering students, 3-yr longitudinal study, Nigeria, 28419
research on teaching physical education, literature review, 28427
teacher effectiveness, characteristics & durations of transitions between selected units of classroom activity, 30–35 yr old junior high school teachers, 2407
teaching attitude, achievement on National Teachers Examinations, male vs female education students registered for practicum, 2325
verbal instructions, context organization, educable mentally retarded 11 & 14 yr olds, implications for special education, 31301
workshop for improvement of teaching & supervisory skills, medical residents supervising medical students in clerkship training, 25656
Teaching Internship [See Student Teaching]

acceptance of problem-based learning in medical education, UK & US, 15556
accuracy of empirical data collection, undergraduate psychology students, 2417
active comprehension training & self questioning, reading achievement & comprehension, 4th–5th graders, 7605
active involvement books & games, reading education, learning disabled students, 23077
activities for development of creativity in emotionally disturbed children, teachers, 18618
activity approach to foreign language instruction, 15671
adaptation & implementation of nondirect instruction pattern, gifted students, 13060
adaptation of personal construct theory to classroom instruction of psychological concepts & abstract & relational thinking skills, college students, 15659
adapted vs nonadapted physical science text, test scores, learning disabled 7th graders, 15844
adjunct questions & objectives, retention of verbatim & semantic information & concepts & principles in prose learning setting, literature review, 4847
Adlerian principles in individual education, 2368
advantages & disadvantages of technique vs theory vs scientific method based training in behavioral techniques, clinical psychology graduate students, 31045
age & instructional programs, ability to learn to visualize 3-dimensional spatial relationships, 13–18 yr olds, Bahrain, 28454
aims & methods & contents of sex education syllabus, 1977, Sweden, 28425
alternative digital method for teaching time telling skills, children, 12950
amount of data required for successful classroom demonstrations of statistical concepts, 10344
analysis of college methodology textbooks for suggestions for teaching reading comprehension to children, 22889
analysis of media impact on adolescent development as project in psychology of adolescence course, college students, 15727
analysis of S of published biography or autobiography according to particular personality theory, college students in upper-level personality course, 15688
ANOVA of residuals vs ANCOVA as least squares estimation of model parameters, implications for statistical instruction, 10358
application of Adlerian theory to education, 2406
application of recent findings on time on task & classroom physical environment & teacher effectiveness research, effective teaching, 28411
application of resource room accelerated learning techniques to special education of learning disabled children, 2486
application of Yodai mnemonics in education, US & Japan, 22950
applications of semantic mapping technique in reading education, 22955
approaches to reading instruction in content areas, learning disabled students, 2498
archetypal approach to drama in education, 25769
aspects of reading readiness, reading readiness material analysis inventory, literature review, 10380

assessment of reading ability & methods for teaching reading, dyslexic students in regular elementary & secondary classrooms, 13066
assessment of spelling as part of literacy skills & behavioral objectives approach to teaching spelling, children, 18478
attitudes toward & use of basal readers, public elementary school teachers, 15616
attitudes toward nontraditional individual education program, school superintendents, 2385
attitudes toward reading theory & instructional methods & professional role & criteria for pupil success, classroom instruction, elementary school teachers, implications for teacher education, 4815
audiolingual method, Pegasus Project for teaching of conversational Spanish, gifted preschoolers, 13107
audiotapes as alternate teaching method, continuing education in occupational therapy, 20616
aural & reading & responding & oral & writing techniques in self-voice method, mathematics education, 14.3–18 yr old dyslexic male students, 23078
awareness of & experiences with & attitudes toward nonverbal communication aids, special educators, 25872
basketball game, illustration of psychological concepts in introductory psychology class, 2392
behavioral approach to teaching, reduction of troublesome classroom behavior, remedial secondary education students, 28462
behavioral system vs standard training approach, cardiopulmonary resuscitation performance, 17–28 yr olds with no previous training, 3.5 mo followup, 28344
blindfolded practice & proprioceptive vs visuospatial feedback, learning gross motor skills, 11–12 yr olds, 6056
care group vs interviewing skills teaching methods, postgraduate social work program, 31055
categorization methodology consisting of F sort & latent partition analysis, measurement of views of classroom teaching using descriptive verbs, elementary & secondary teachers & teacher trainees, 28623
category & dramatization activities in interactive vocabulary instruction, 22954
causal relationships & story information & macrocloze exercises & story trees & inferential questions, comprehension, 10.1–12.7 yr old learning handicapped readers, 28580
characteristics of effective schools & classrooms & instructional processes & practices, academically handicapped elementary school students, literature review, 20764
classroom circle time activities, preschool & kindergarten teachers, 20694
classroom cultivation of creative potential during adolescence, 18542
classroom deindividuation exercise as illustration of impact of situational determinants, 24–32 yr old prisoners & college students, 15643
classroom demonstration of classical conditioning, college students, 15638
classroom demonstration of concensual vs independent procedure in measurement of personality, college students, 2400
classroom exercise, awareness of common persuasion techniques used in advertising, college students, 2382
classroom exercise, examination of constructs in introductory psychology courses, college students, 2343
classroom experiments on cerebral lateralization, college students, 15673
classroom illustrative storytelling, assimilation of goals of understanding misbehavior & psychological self understanding, students, 18508
classroom management using peer- & self-monitoring, disruption & nonparticipation during transition activities, 5–7 yr old special education students, 20772
classroom observation instrument, measurement of implementation of comprehensive educational delinquency prevention program targeting teaching strategies, teachers, 18648
classroom teaching method for name mnemonics, psychology students, 31216
classroom technique demonstrating negative attitudes toward aging, college students, 15693
clinical didactic exercise, teaching psychoanalytic process & concept of resistance, 1st-yr psychoanalytic students, 31046
cognitive aids that support communication of information & enhance stability of information processing in teaching & treatment, 18493
cognitive behavior modification vs direct instruction vs holistic approaches in special education, learning disabled students, 25876
cognitive development training, verbal fluency & word recognition ability, 5th graders in bilingual classes, 18506
cognitive learning-based teaching program, academic achievement, 14 yr old students, New Zealand, 28478
cognitive processing model as framework for indication of student levels of understanding during classroom instruction, 10394
cognitive strategy training, verbal math problem solving performance, 15–18 yr olds with learning disabilities, 13095
combined instruction of introductory psychology & freshman composition, college students, 2344
comparison of language oriented vs routinized performance teaching methods, reading education, reply to E. R. Shapiro's view, 22940
comparison of language oriented vs routinized performance teaching methods, reading education, comment on M. A. Evans & T. H. Carr's analysis, 22979
comparison processing training, improvement of short & long term listening comprehension monitoring, 3rd graders, 15648
competency-based criteria & methods, instructional effectiveness of public education content delivery in bilingual-bicultural education, Hispanic students, 31181
competitive vs noncompetitive instructional climate, teacher expectations, kindergarten through 3rd grade physical education students & their instructors, 2383
comprehensive makeup examinations to replace missed regular examinations, college students, 2570
concept of definition instruction, vocabulary, 4th graders, 10376
conceptions of human development & teaching of art education, 15645
concepts & Vee mapping, comprehension & learning of biology concepts, Black inner-city high school students, 18484
concrete experiences & discussion & freedom to explore interesting topics as necessary components of educational programs, educational excellence & thinking processes, 22965
concurrent vs sequential instruction method, solving verbal math problems, 3rd graders, 10349
confirmation & exploration & support & egalitarianism in connected education model, 16–65 yr old female students, 25708
construction & legitimization of teacher & student experience through educational discourses, development of critical pedagogy based on cultural processes, 25768
construction of mathematical formula, analysis & solution of real life problem, 5th grade students, 28439
construction of teacher evaluation instruments as class project in industrial/organizational psychology class, college students, 12965
constructive approach to academic applications of arts & crafts, 22935
Consumer Fair marketing education tool involving students & professors & business community & consumer, 28842
consumer-oriented research teaching technique, anxiety reduction in experimental design & statistics course, college students, 31169
context & relationships, mathematics learning, learning disabled adolescents, 2509
contextual analysis vs semantic mapping vs keyword instructional strategy, recall of vocabulary definitions, high-achieving 4th graders vs low-achieving 4th & 5th graders, 4857
conversation training & natural school contexts, generalization of training, moderately & severely retarded 10–13 yr olds, 28540
cooperation in peer- vs teacher-involved language classes, language learning, 6–7 yr olds, 7623
cooperative learning activities with vs without structured academic controversy vs individualistic learning, achievement & motivation to learn & attitudes toward science, 5th graders, 4850

cooperative learning methods based on contact theory, intergroup relations & academic achievement, minority & majority students in desegregated elementary & secondary schools, literature review, 12991
cooperative learning strategies, mainstreamed students in content area classrooms, 15845
cooperative learning via strategy developed from general text processing principles, learning structural & functional information, college students, 31198
creative techniques & activities & curriculum, involvement in historical research, gifted students, 28568
criterion design evaluation of treatment to increase recognition of similes, hearing impaired college students, 31300
cued speech & syllable practice vs word methods, teaching speech to severely hearing impaired children, normal hearing college students using electronic technique to simulate hearing loss, 2484
curriculum & classroom management techniques, teachers of mainstreamed learning disabled students, 23061
declarative & procedural & conditional knowledge in direct instruction method, reading comprehension, 20669
deductive vs inductive experimental groups, judgments of observed peer teaching, preservice physics education students, 4820
defense mechanisms & anxiety & self concept & teaching methods, learning to read, children, 20685
degree & type of reading comprehension instruction in social studies texts & teachers' editions, 4th & 6th graders, 18461
degree of lesson structure in mathematics, comprehension of material & perception of lesson effectiveness, high school students, 2408
density of instructional commands & reinforcement of discrete compliant responses, noncompliant behavior, emotionally disturbed 6 yr old male with brain damage, 15863
desensitization exercises, teaching of behavioral self awareness with empirically identified target behaviors, elementary school students, 31211
development of attitudes toward dictation in foreign language teaching & testing, 15719
development of individualized instruction & educational machines & unified studies trends in education, Japan, 22957
development of materials & methods for instruction in sexuality & love & maturity, 15–17 yr old learning disabled vs average students, 25864
development of remedial teaching method for physics, academic achievement, 9th graders with learning difficulties, 2519
development of student directed medical ethics course, medical school, Canada, 10213
dialogue journals & teacher-student interaction, language & think skills acquisition, hearing impaired students, 28575
dictionary or concept vocabulary instruction, comprehension of basal stories, average vs above average 5th grade readers, 31220
differentiated training program with criterion vs noncriterion apparatus, motor learning, male vs female 12–13 vs 15–16 vs 18–19 yr olds, 14189
dinosaurs as teaching tool in early childhood education programs, implications for language development & communication skills, 7615
direct instruction method, comprehension of anaphoric relationships in language arts education, 3rd graders, 18462
direct instruction method, reading comprehension & education, 20688
direct vs mnemonic vs free-study instruction, acquisition of dichotomous classifications of minerals, 12.4–14.7 yr old learning disabled students, 10488
direct vs mnemonic vs reduced list direct instruction vs free study, acquisition of science facts, learning disabled junior high school students, 31213
directed approach to teaching mathematics, reading & mathematics skills, elementary school students, 15628
Directed Listening-Language Experience Approach remedial program, 35 yr old female with aphasia & alexia, 4933
discourse text structure analysis & micro- & macrostructure & story grammar techniques, implications for reading & recall instruction, 20683
drama, exploration of story through reading, 10 yr old students, 25759
drama session, use of precise & formal diction & written records of experiences, 9–13 yr olds pretending to be brotherhood of monks, 25802
dramatic context of Pied Piper themes, writing processes, 12 yr old students, 25798
dramatic contexts & negotiation of meaning, continuity between learning environments of home & school, children, 25827
dramatic presentation as teaching method for neuron anatomy & physiology, college students, 31188
drawing strategies & remedial reading, 20674
drill on directional strokes in lettering after verbal instruction, art project, 5th & 6th graders, 10386
ecological validity of adjunct questions, college students in biology course, 18497
educational motives & instructional preferences, 18–35 yr old college students, 28775
educational philosophy of S. Suzuki in Yoji Gakuen preschool program, 3–5 yr olds, Japan, 31192
educational program features, teachers' instructional strategy & performance & student involvement, middle school teachers & students, 20697
educational program, profit concepts, 3rd graders, Italy, 22927
educational strategies, improvement of memory & attention & spelling ability, gifted & learning disabled elementary & high school students, 13061
effective schools concept, achievement scores, elementary school students, 15626
effective teaching & student participation in classroom activities, mathematics achievement, female vs male 4th graders, 23018
efficacy of oral reading corrective feedback, 22964
electronic spreadsheet simulator, simulated microelectrode recording experiments, students, conference presentation, 18874
elementary education theories & techniques, delineation of strengths & weaknesses of teaching style at college level, college accounting teachers, 4849
empathetic approach, miscue analysis of child's oral reading, teachers, 22945
engagement in discussion of story, development of confidence in discussing own reading & recall, pupils, 28440
equal additions method with demonstration modeling techniques, mathematical subtraction skills, learning disabled 3rd–5th graders, 15869
establishment & generalization in matching-to-sample learning, 18 & 19 yr old mentally retarded males, 25873
evaluation & preferences for didactic vs heuristic vs philetic teaching styles, college psychology students, 15665
evaluation of closed captioned TV, reading education, elementary school students & their teachers, 20686
evaluation of instructional program to increase knowledge of sources of information, question-answering abilities, 6th graders with high vs low vs average reading ability, 15704
exercises in visuospatial cognition, spatial visualization & orientation aptitude, college students, 10357
experimental curriculum of metacognitive knowledge about reading, improvement of use of reading strategies, 3rd–5th graders, 18489
explanatory text with emphasis on rote or conceptual learning of basic concepts of elementary probability, problem solving performance, college students, 28430
exploration of concepts & language & literature & symbols in beginning reading instruction, young children, 15635
exposure to pegword mnemonic technique &/vs hints vs learning instructions, recall of & use of keyword strategy on vocabulary task, college students, 23635
extended mnemonic instruction, performance, 6th–8th graders with learning disabilities, 31304
extracurricular activities, language development, mentally retarded students, 10464
faculty perceptions of instructional development & success/failure of program, 12927
fading technique, assessment of oral reading errors, 7–8.6 yr old males with dyslexia, 18598
Family Medicine Chart Review teaching method, family issues in patient care & integration of behavioral science & family medicine, family practice residents, 18410

folk & art tale-telling program, development of figurative creativity, 5–6 yr old kindergartners, 18469
formation of homogeneous classes vs homeroom core classes vs variable class period durations & meeting times vs group counseling, attitudes & performance, middle school students, 20698
free choice time in classroom, students, implications for special education, 28054
Freinet free-text technique, development of creative thinking, 10–11 yr old students, 15-mo study, 2365
general vocabulary knowledge &/vs Black language "sounding" skills, figurative language comprehension, Black vs White 7th graders, educational implications, 15735
group activities for school & summer camp, emotional & social development, gifted children, 31271
guidelines & activities for death education, 1st–6th graders, 25760
guidelines for body management strategies & remedial activities, cognitive & sensory functioning, children with cerebral palsy, 13067
haptic manipulation & verbal rehearsal & visual imagery in geometric study organizer, recall of textbook information, learning disabled & other mildly handicapped secondary students, 13065
hearing stories read aloud in native language by parent volunteers, reading achievement in English, Cantonese-speaking 4th graders, 7621
high- vs low-context cultural communication, classroom activities & teacher-child interactions, 6–9 yr old language/learning disabled Hispanic elementary school students, 2551
high vs low degree of task structure & teacher leadership style, academic gain, 16–21 yr old dropouts & potential dropouts, 2414
high vs low kinetic structure & unified vs varied micrograph content, acquisition of scanning electron micrograph reading skills, college biology students, 25774
history & principles behind thinking skills/cognitive education programs for children & application to adult programs, 28443
homework as part of learning process, primary school students, criticism of F. Held's argument that homework shcuild be abolished, Denmark, 7567
identification & evaluation of exemplar intensity in classroom teaching & learning of concepts, 10th graders, 18505
imaginary worlds in theater as social encounter & self transcendence & drama in teaching, 14 yr old students, 25787
implementation of individual education in Catholic school, elementary & junior high school students, 2375
implementation of individual education program, integration of Black public school & academic achievement & creativity & discipline, elementary school students, 2358
implementation of M. Hunter's teaching plan, student time on task & reading & mathematics achievement, elementary school teachers & students, conference presentation, 18498
individual & group instruction using manipulative aids, strategies in identification of order & equivalence of rational numbers, 4th graders, 7586
individual education, literature review, 2393
individually prescribed vs free-choice games vs training materials & formal instruction, motivation to learn to read, 1st graders, 4843
inductive strategy, acceptance of & decisions relating to coping with future, gifted elementary school students, 13100
InQuest investigative questioning procedure, listening & reading comprehension, elementary school students, 20704
inquiry teaching, class curiosity & interest, psychology teachers, 31222
instruction in coding levels of qualitative variables for multiple linear regression analysis, 10377
instruction in concept & application of power considerations & statistical tests, 10351
instruction in global method vs language experience approach, reading education, 20710
instruction manual & behavior rehearsal vs workshop training, acquisition of respite care skills, 18–58 yr old respite care providers & trainees, implications for agency implementation, 28332
instruction requiring reasoning & molecular model usage, posttest achievement in chemical bonding, male vs female high school chemistry students, 10383
instructional assumptions & models, cognitive achievements, 10395
instructional components of inservice training sessions, concerns & acceptance of teaching innovations, teachers, 18423
instructional methods, spatial learning, 5 yr olds, 18480
instructional modeling, mental imagery learning skills, mildly to moderately mentally retarded vs learning disabled 4–16 yr olds, 15827
instructional practices & policies in effective inner-city schools, 15580
instructional strategies & management system, reading failure & language skill, teachers & students, 20701
instructional systems design & behaviorism models, validity & implementation of open learning approach to education, 2387
instructional technology models, transfer of training, 12945
integration of motivation training program into physical education curriculum, achievement motivation, elementary school students, 15677
interaction analysis training vs traditional teacher education programs, instructional behaviors, student teachers, India, 12926
interaction group on algebra in elementary school, teaching methods & curriculum, teachers & mathematicians & psychologists & mathematics education specialists, 28382
interactive projects in introductory psychology telecourse, college students, 15669
interactive vs interruptive vs conventional instructional strategies used with instructional TV, academic achievement, college students, 12969
interdisciplinary curriculum for teaching introductory psychology & philosophy & biology, college students, 15694
International Reading Association's research in reading education & teaching, 20678
interspersed postpassage questions, reading comprehension, 2nd graders reading at grade 3 level, 25794
introductory & continuous & final instruction & verbal & nonverbal methods, development of psychomotor skills, 10385
intrusive vs requested error feedback in air intercept controller simulation training, error rates, high school & college students, 10364
invented spelling in language arts education, language development, children, 22961
inventiveness games & branched fiction & pantomime & creative dramatics, remedial reading students, 13096
invitational teaching & personal & professional teaching, beginning teachers, 31154
journal writing, writing skills & personal learning & development, 28465
K-W-L procedure for reading instruction, development of active reading of expository text, 22966
keywords, learning native language vocabulary, college students, 12963
kinesthetic vs conventional audiovisual instruction, 1st graders at risk for learning disabilities, 1 vs 2 vs 3 yr followup, 4939
knowledge & use of empirically supported vs nonsupported spelling instruction methods, special education teachers of learning disabled & educable handicapped students, 4966
language experience approach integrated with basal reader at primary level, 7597
language-learning method, mathematics education, elementary school students, 15676
learner-centered course design, college students in management course, 12968
learning atmosphere, creative process, gifted students, 15873
learning pillow, visually impaired children, implications for multisensory teaching, 15839
learning to read assisted by microcomputer, vision- and language-impaired learning disabled teenage boy, 13057
lecture vs case presentation techniques in continuing education, knowledge & performance, physicians, 10211
lesson structure & subject matter in teaching models, elementary mathematics education novice vs expert teachers, 20689
linear programed vs competency-based computer lessons vs textbook reading & worksheet assignments, music notation reading skills, nonmusic major college students, 31187
live plant & animal displays in biology classroom, knowledge of & attitudes toward science & biology, high school biology students, 18494

live supervision stage approach for teaching marriage & family therapy supervision, 18374
logic problems in reading & reasoning & fact review & concept formation instruction, learning disabled students, 23086
mainstreaming & cooperative learning strategies, friendship & achievement & motivation & attitude, normal & handicapped students, 20774
maladjustment vs disruptive behavior & Preventive Approaches to Disruption Pack modular package of personal skills development, classroom teachers, 28438
manual direct select communication board, generalization of acquired vocabulary, preschool severely handicapped learners, 18604
map construction vs map study procedures vs question-answering vs rereading text organization teaching method, recall of expository passages, 6th graders, 22926
MASTERY model, training for competent administration of WAIS-R, graduate students in clinical psychology, 20612
matching teaching methods & need level & cognitive style & locus of control, attitudes & achievement in physical science, 9th graders, 10390
materials & time use & instructional foci, classroom vs remedial reading instruction, 1st–8th graders & classroom vs remedial reading teachers & supervisors, 10348
meaning training, functional fixedness in problem solving, high school students, 4830
measurement of plant growth in mathematics education instruction, elementary school students, 22937
measurement of rate & accuracy of academic gain, evaluation of instructional objectives in least restrictive classroom environment, mainstreamed learning disabled & behavior disordered & mentally retarded students, 15830
metacognitive strategy for teaching inferential comprehension, 4th–6th graders, 28449
method of teaching comparison of metric measurements, problem solving abilities, male 9th–10th graders in vocational high school, 15656
method of teaching concepts of personality vs self, college students, 15646
methods for teaching French intonation & role of psycholinguistic vs cognitive factors, native speakers of English, 18491
methods for teaching functional reading, severely retarded &/or retarded autistic adolescents with limited English proficiency, 2506
methods for use of drama in classroom & understanding of creative improvisation, teachers, 25756
microcomputers vs flash cards for mathematics practice & drill, learning of basic mathematics facts, 2nd–4th graders, 7592
modality approach to special education, students with severe handicaps & mental retardation & learning disabilities, 2521
model of teaching-learning process, teaching basic academic skills, learning disabled students, 7704
modeling with vs without participation, self efficacy & mathematics achievement, learning disabled 6.3–8.6 yr old students, 13098
modification of question-answer relationships method for reading instruction, 22972
motivation techniques in educational psychology course, college students, 12946
movement to music activities to foster creativity, elementary school students, 31200
multiple quiz vs traditional vs multiple final method of testing, statistics mastery, college students, 12997
multiple vs single elaboration dyads vs individuals, processing of descriptive vs procedural technical passages, college students, 15692
native language instruction of L. Andarova, development of theoretical thought, students, 2371
natural counting vs learned algorithm computation procedures, addition & subtraction exercises, 7–13 yr olds, Brazil, implications for teaching methods, 10323
need for flexibility & follow through in teaching composition & reading & study skills, developmental teachers, 15814
need for visual & conceptual delivery of information according to students' level, mainstreamed profoundly hearing impaired students, 4968
neurolinguistic programing technique called anchoring, mathematics anxiety, learning disabled male 6th grader, 13115
neurological impress method & presenting technique, reading achievement, reading disabled students, 23068
nominal group technique, assessment of career education objectives & methods, deaf students, 7694
objectives & curriculum & philosophy of individual education, literature review, 2360
observation & research & expert opinion as school evaluation methods, degree of adherence to principles of individual education, school principals, 2341
obstructions to & suggestions for development of problem solving skills, students, 2353
organic curriculum approach, remedial reading, male 6th grader & 20 yr old female with severe language comprehension problems, 23095
organizational patterns & instructional methods & trends in university-based reading clinics, clinic directors, 20668
organizational skills instruction, students in resource classes, 23065
organizationally chunked vs conventionally ordered presentation of material & intervening vs nonintervening postquestion vs testlike conditions, comprehension of visually learned material, college students, 15681
overnight retreat format as educational growth experience, introductory college students, 10396
parallel block scheduling practices & policies, achievement, low achieving Black & White elementary school students, 15634
parent status & handicap competence of child & type of task, engaging child in task & teaching strategies, parents & their 3.5–5.7 yr olds with vs without language or communication disorder, 30345
participation of parents in relational language instruction & therapy, special education students, 28527
passage presented via filmstrip vs film vs reading from book, listening retention, 3rd graders, 22985
pedagogy of questioning in humanistic education, lectures given by P. Freire, 25762
peer tutoring & teacher compliance with prescribed methods, reading achievement, 1st graders, 2-yr longitudinal study, 25790
perception of ideal education system, individual education rating, teachers, 2390
perceptions of development & adoption of inquiry as classroom innovation, elementary & middle/junior high & high school teachers & college teachers, 25773
perceptions of teacher instructional effectiveness & teacher characteristics, college students, 1981–82, 28630
performance in pharmacology & introduction to clinical medicine courses, sophomore medical students vs 1st-yr physician assistant students, implications for utility of interdisciplinary courses, 31099
philosophy & theory of individual education & results of its implementation in schools, 2409
picture-prompt card training, public transportation problem solving skills, moderately mentally retarded 18–20 yr olds, 4-mo followup, 15444
planning model for teaching strategies in music, gifted & musically talented students, 13123
portfolio writing assignment in developmental psychology course, college students, 15627
positive suggestions, negative self image & learned helplessness, learning disabled students, 28550
practice & guidance in retelling stories read aloud, story comprehension & thematic inclusion & syntactic complexity of oral language, kindergartners, 10362
Precision Teaching procedures, improvement of instructional program, 20712
precision teaching vs study guide methods of physical science text adaptation, test performance, high- vs middle- vs low-achievement learning disabled 7th graders, 10487
preferences for instructional methods & course goals, high- vs low-achieving college preservice teachers, 10305
prereading curriculum, reading achievement, kindergartners & kindergarten teachers, 22986
presence of child psychiatrist on daily rounds as method of teaching psychosocial pediatrics, pediatric house officers on rounds involving .1–19.5 yr old hospitalized patients, 31108

prior knowledge & cognitive-developmental vs academic lesson structure, production of narrative based on baseball pictures, 10th graders, 10363
problem solving model for teaching reading skills, 15720
procedures to teach behavioral assessment interviewing skills, graduate students, 15525
process-based intervention, planning & problem solving competence, mildly mentally retarded adolescents in regular high schools, conference presentation, 20762
process-based writing instruction program, lower level 3rd graders, 20705
process vs product approach to development of information skills in classroom, implications for curriculum development, 22990
professional preparation & teaching methods & classroom management & interaction with parents & other factors, teachers of trainable vs profoundly mentally retarded students, 15878
program to improve teaching methods & academic achievement in introductory college courses, 15721
program using clinical vignettes & small group interaction, facilitation of entry into clinical practice, medical students, Mexico, 28342
programed instruction methods, acculturation of tonal principles in music, musicians, conference presentation, 15651
progressive cloze technique as remedial strategy, reading comprehension, 23091
promotion of creativity in classroom, 18459
promotion of positive attitudes toward spelling, 22921
promotion of social learning in classroom, teachers of learning disabled students, 2550
prosodic cues & choral reading, oral reading fluency, 10360
provision of instructional materials to increase formal operations, development of cognitive restructuring aspect of field independence, 11–12 yr old comprehensive school students, England, 28414
psycholinguistics & relational language instruction, 28450
psychological factors related to & teaching complexities of integration into regular classrooms, partially hearing children, 23050
psychosynthesis & intuitive assessment & meditative analysis teaching techniques, creative problem solving, 15826
questioning strategies in classrooms, cognitive development & promotion of social skills, 18464
rate of teacher presentation & frequency of praising, oral reading performance, 7.8–8.6 yr old learning disabled students, 13064
rational behavior skills instruction, personal perception orientation & emotional outlook & concepts before vs after training in public school, 15–19 yr old emotionally disturbed & learning disabled students, 10494
rationale vs no-rationale behavioral vs verbal practice, acquisition & maintenance of fire emergency skills, 2nd–4th graders, 28433
reading & writing activities, awareness of expository text structure, elementary school students, 22943
reading by phonics or letter-training vs visual or word-training, transfer of learning, male vs female college students, implications for language teaching, 4873
reading-language arts methods class, use of whole language approach in elementary education, college education students, 22879
reciprocal teaching strategy, text comprehension & comprehension monitoring, students, 22967
recommended sequence for teaching independent living skills, planned outcome of optimal generalization, severely handicapped individuals, 23087
reflective teaching as laboratory teaching experience, preservice teachers, 2391
reflective thinking techniques, classroom impulse control problems, students, 22978
regular form learning cycle teaching method, attitudes & learning, 12th grade physics students, 7611
Rehearsal Demonstration Modules, intercultural communication & educational & multicultural dynamics, teachers in multicultural classrooms, 28448
reinforcers & motivational techniques in university reading center tutoring program, 6–14 yr olds with reading difficulties, 28522
related reading materials, reading education, 22992
relaxation training, writing skills, 7th–8th graders, 22995
remedial teaching method, reading & spelling improvement, dyslexic children, 23047
required writing assignments, achievement in chemistry, college students, 22951
resegregation in desegregated schools & teacher attitudes, selection of grouping principles & classroom learning & behavior, elementary school teachers & Black & White 5th graders, 13026
resistance to persuasion skills training & sex, identification of use of resistance to peer pressure, 6th grade students, implications for school health education, 25770
response-sensitive vs random order practice presentations, acquisition of coordinate concepts in classroom, 1st graders, 10321
retrospective vs living case study method in executive education programs, 28721
review & analysis of assistance procedures to facilitate transfer of stimulus control, moderately to severely developmentally disabled students, 27927
right-brained instructional strategies, reading comprehension, students with reading disabilities, 13122
role of teaching fantasy thinking & language of symbols vs rationality, classroom teachers & curriculum builders, 31184
role play & simulation instructional techniques, job entry skills, occupational psychology students in community college, 15679
role play vs structured discussion intervention, positive justice reasoning & perspective taking, 1st–3rd graders, 15674
role playing drama in which student assumes role of expert in branch of knowledge, 25771
role playing exercise for history of psychology course, college students, 15631
room arrangement & teacher mobility in classroom management, class behavior, teachers of learning disabled students, 23058
room management in classrooms with parental involvement & peripatetic staff, engagement in activities, mainstreamed children with moderate learning difficulties, 28577
schema theory & reading education, pre- & postreading instructional activities, 10373
science methods course, elementary school teachers, comments on study by R. A. Duschl, 22918
self awareness exercises & activities, control of impulsive behavior & use of problem solving, learning disabled students, 13080
self report vs interactional analysis of teacher-student interaction in adult vs preadult classrooms, university & community college & public school adult education teachers, 12905
self selection of spelling words, spelling scores, 1st–4th graders, implications for spelling programs for learning disabled students, 28542
semantic analysis of sentence structure & speech sequences, language therapy & psychotherapy, children, 4546
Semel Auditory Processing Program, remediation of problems in auditory processing in special education settings, 15842
sequence of teaching strategic management paradigm vs case analysis, student satisfaction & performance, college students in business policy course, 2394
SES & type of instruction & positive feedback & quality of collection, performance on free classification tasks, 6.9–10.8 yr old students, 2355
sight word instruction with sign language, primary school children in special & regular classrooms with normal hearing, 20714
simulation exercise of labor-management dispute in descriptive statistics course, college students, 15711
single- vs mixed-sex cooperative vs individualistic learning situations, science achievement & attitudes toward cross-sex & cross-handicap relationships, learning disabled vs non-learning disabled 5th & 6th graders, 4851
slides in psychology education, college students, 12933
small-group format, teaching basic group-leadership skills, graduate group counseling students, 10244
social skills course, attitudes & teaching methods & management & problem solving skills, college teachers, 15599
space allocation, resource or special education instruction in public schools, 23067
special education intervention, nature of instruction received & academic responding time, learning disabled 1st–3rd graders, 13124
special preparatory science education, developmentally delayed children, USSR, 7732

standard English with vs without Hawaiian pronunciation vs Hawaiian-English presentation of information in simple vs complex syntax, listening comprehension, Hawaiian-English vs standard English-speaking 2nd graders, 7620
statistics course, form & structure of cognitive organization of statistical concepts, college students, 12971
stimulus demands, adaptation of learning strategies, 74–147 mo old learning disabled vs slow learning children vs 2nd graders, teaching implications, 31275
story grammar project & writing process studios & educational environment, reading-writing-communication connections, primary- & intermediate- & secondary-level hearing impaired students, 28578
story structure vs word study & dictionary usage instruction, reading comprehension, 4th graders, 20707
strategies &/vs abilities training, factual recall & sequencing & inference in prose comprehension, educable mentally retarded children & adolescents, 23082
strategies for learning from expository text, middle school students, implications for teacher-student interaction, 22942
strategy & sequenced materials, inferential comprehension, 4th–5th graders with reading disabilities, 7709
structural vs strategic vs family-of-origin vs "coach" approaches to live supervision of family therapy conducted by trainees, psychologists, 31090
structured experience vs traditional remedial teaching methods, problem solving strategies, mentally retarded students, conference presentation, 20769
student-centered strategies, promotion of transfer learning, special education students from resource room, 20761
student team learning &/vs mastery learning, mathematics achievement, 5th graders, 18487
study skill training procedure, oral retelling of printed expository material, 11 yr olds with learning disabilities, 7686
suggestions for alternative & innovative teaching strategies, provision of education about disease & treatment regimens, illiterate patients, 28036
suggestions for basal reading vocabulary instruction, 7619
superordinate vs subordinate mathemagenic postquestions, cognitive capacity engagement during reading task & subsequent performance on recall posttest, college students, 20671
sustained silent reading, attitudes toward reading & reading achievement, 4th graders, India, 10316
sustained spontaneous writing classroom strategy, elementary students, 31170
systematic prompting system, increase of independent written language production, 14–15 yr old behaviorally disordered students, 13110
task specific learning strategies, coping with curriculum demand, adolescents with learning disabilities, 20675
taxonomy of personal engagement for use of drama in education, 25785
teacher characteristics & approaches, teaching effectiveness, elementary & secondary school teachers, review of studies conducted over 50 yrs, 2298
teacher directed vs taped previewing, oral reading, learning disabled 8.6–11.5 yr olds, 31293
teacher-made examples to elicit student-generated examples based on experience, vocabulary building, 7591
teacher organized training for acquisition of language program, children with generalized or language-specific developmental delay, 28583
teacher support group & teaching methods with affective & cognitive emphases, academic achievement & attitudes & behavior problems, learning disabled high school students & their teachers, 13104
teacher training in explicit verbal explanations vs classroom management in reading instruction, reading skills & achievement, 5th grade teachers & their low reading students, 31180
teacher uncertainty & bluffing & lesson discontinuity & use of lecture notes handouts, perceptions & achievement, high school students, 15766
teaching cooperation in elementary school classrooms, 2345
teaching effectiveness of business games, college students, literature review, 1973–83, 22993
teaching for critical literacy vs traditional educational theory, schooling for social transformation in interest of democracy & justice, 25778
teaching interaction approach, development of social skills, disruptive & non-disruptive students, 15644
teaching methods & competency based curriculum development, teacher education, 15590
teaching methods & first moments in reading education, 20695
teaching methods & neuropsychological differences & sentence comprehension strategies in reading Chinese characters, Peoples Republic of China, 18463
teaching methods for development of organizational skills, learning disabled students, 13112
teaching methods for encouragement of creative poetry, 15706
teaching methods for imagery of categories from interrogative words & for recall of some content words, hearing impaired children, 28579
teaching methods, money management concepts & skills, learning disabled middle school students, 13068
teaching methods, production of monetary change, dyscalculics, 28566
teaching model for psychology of adult development & aging, college students, 2342
teaching model for use of computers in direct practice, social work students & clinicians, 12801
teaching models & participants' characteristics & background, college students & teachers in psychology departments, Denmark, 12953
teaching psychology at postsecondary level, 2381
teaching relationships by use of body language, 6 yr old male with poor motor coordination & separation anxiety & immaturity & identity conflicts, 4931
teaching relationships through use of language, psychoanalysis, adolescent female whose father recently died, 4347
teaching strategies in special education, time efficiency, students, 28571
teaching strategies integrating science concepts with reading-language skills improvement, achievement on life science concept test, 7th graders, 28423
teaching strategies to promote self esteem, learning disabled students, 13109
teaching style, academic achievement, 15–76 yr old adult education students, 12949
teaching techniques using musical instruments, creativity & self expression & socialization & musical competence, mildly to moderately mentally retarded children & adolescents, conference presentation, 20791
techniques & social & psychological factors in failure of literacy tutoring, middle aged Hispanic migrant female, 13047
techniques to develop intrinsic temper control, students, 12980
TELLS Fact or Fiction advance organizer & guided probing technique, listening comprehension & standardized test performance, learning disabled high school vs elementary students, 10479
text organizational vs traditional instructional techniques, comprehension of narrative vs expository passages in intact vs scrambled structures, 6th graders, 15707
thematic organizer strategy, text comprehension & recall, 5th graders vs 4th–6th grade poor readers, 31210
theoretical analysis of J. Dewey's theory of reflective thought, implications for social studies education & cognitive & social psychology, 25801
theoretical issues & instructional implications of self questioning, improvement of prose processing, students, literature review, 18512
theory-to-application vs application-to-theory sequence of biochemistry instruction, cognitive preferences & ability to recall contents of instruction, preclinical medical students, 4732
toy selection & visual discrimination tasks, sight-word reading skills, autistic female 5 yr old & male 13 yr old, implications for reading instruction, 28555
trade books vs textbooks, instruction in context areas & development of thinking skills, elementary school students, 15662
traditional instructional methods & Piagetian theory, arithmetic & reading & writing & constructivism, primary school students, conference presentation, 20684

traditional methods vs R. H. Williams & J. Stockmyer system, teaching creativity, 6th graders, 22984
training & supervision program, increase & validation of functional classroom tasks, teachers of severely & profoundly handicapped adolescents & adults, 15858
training in monitoring utility of cognitive strategies vs strategy affect, maintenance of effective strategy, 2nd graders, 15653
training in text strategies in remedial reading program, reading achievement & comprehension, 4th–6th graders, 7708
training methods for using menu selection systems, novice users of information retrieval systems, 15695
training processes, drug dependence prevention program, teachers & students of primary night schools, Mexico, 28401
training program, formation of transformation rule system of coordinates in spatial representation task, 1st graders, 15668
training with vs without experience with handicapped, attitudes toward mainstreaming, prospective regular education teachers, 23081
transfer to English program due to academic difficulty & poor adjustment, academic & cognitive variables & school attitudes & classroom behavior & attitudes toward 2nd language, former French immersion 3rd–5th graders, Canada, 15633
transformation of teaching into learning strategies, reading comprehension abilities & motivation, 10347
trial-and-error training vs fading, color discrimination, severely mentally handicapped 22–59 yr olds, training & educational implications, 25263
TV viewing of Cousteau Society documentary vs science teacher's presentation of show's script, aquatic knowledge & attitude change, 9th graders, 2364
type & quality of implementation of science teaching strategy & reasoning ability, engagement assessed by on- & off-task behavior, middle & high school students taught by student teachers, 25823
use of alphabetic phonics language curriculum in teaching, dyslexic children, 10470
use of communication arts methods, students' application of skills learned in language arts classroom to specific content areas, content teachers, 31165
use of content area text illustrations to facilitate & support learning, elementary school students with learning disabilities, 31284
use of examples & nonexamples in teaching social studies concepts, 9th graders, 25772
use of humorous literature in critical reading instruction, 22991
use of innocent deception in simulations utilized for teaching or research, trust, 22870
use of learning diary during period of evaluation, tutor of undergraduate management students, 18510
use of objectives & allocated learning time & entering achievement levels & absenteeism, achievement in social studies curriculum program, 6th–8th grade students & teachers, 25822
use of V. Spolin's theater games, creativity & personal worth, 6–9 yr olds with psycho-emotional or physical problems or learning disorders, 25858
use of vocabulary instruction in reading education, 1st–5th grade teachers, 20666
utility of autobiographical time lines as teaching method, college instruction, 20693
utility of facilitation & social reinforcement learning principles & supervision-appropriate teaching methods, increase in effectiveness of training role, social welfare agency supervisors, 10193
utility of miniworkshop for teaching characteristics of personality disorders, medical students, 20563
utility of word processor as teaching tool for learning to write, learning disabled 4th graders, 20779
vague & low inference teacher presentation & lesson structure, mathematics achievement, high school algebra students, 10381
varied levels of lesson structure, level of concept understanding, low vs average vs high ability high school students, 28455
verbal &/vs aural example of complex music selection vs practice only, musical performance, college music education students, 7612
verbal expository vs guided discovery method, teaching of defined concepts using Latin & Greek morphographs, 6th graders, 10346
verbal vs matrix organizational/memory charts under computer vs learner control, Pico-fomi problem solving, college students, 10384
verbalization of comprehension strategies, reading achievement & self efficacy & ability attributions, 4th & 5th graders with reading comprehension deficiencies, implications for remedial education, 7728
videotape of group process & class enactment of group theme as teaching method in counseling course, graduate psychology students, 12833
visual techniques in reading education, reading vocabulary, illiterate prison inmate, 22769
visual vs nonvisual method for teaching reading, normal 7–14 yr olds reading 1 yr below grade level, 20692
vocabulary & word decoding & guided & motivational techniques, oral & silent reading, elementary school students, 20696
vocational training, competitive employment in nonsheltered, work environment severely retarded & autistic adolescents & young adults with limited English proficiency, 25542
whole class vs ability grouped vs individualized instruction, mathematics achievement, 3rd–6th graders, 22982
word strategy training & directed vs student- vs teacher-controlled study methods, spelling performance, learning disabled 4th graders, 10477
word supply vs phonic drill error correction procedure, oral reading, learning disabled 12.5–14.3 yr olds, 31294
writing as tool in teaching social psychology, college students, 15717
Yodai features & mnemonic procedures, comments on article by K. L. Higbee & S. Kunihira, 22962
Yodai mnemonics & cross cultural applications, problem solving & understanding in mathematics, reply to comments by J. Kilpatrick & M. Pressley & J. R. Levin, 22949
Yodai mnemonics, concept learning in mathematics, comments on article by K. L. Higbee & S. Kunihira, 22958
Yodai mnemonics in education, comments on article by K. L. Higbee & S. Kunihira, 22970

Team Teaching Method
team learning, college students, 10335
team teaching as means toward student centered management education, 18741
team teaching of radical behaviorism & cognitivism by college psychology & philosophy departments, 31197

Technical Personnel [See Also Technical Service Personnel]
accelerated learning methods & techniques in technical training, 5054
behavioral & psychophysiological & subjective measures & cardiac activity, decorated vs nondecorated bomb-disposal operators, replication of experiment of D. Cox et al, 8449
cognitive processes in expert skill in computer programing, literature review, 5068
control flow vs interprocess communication information in documentation of concurrent programs, modification task performance, professional programers, 13253
field independence, identification & repair of electrical problems, 16–20 yr old apprentice electricians, Ireland, 17257
grid identifying various behavior & styles & job requirements, technical consultant training & targeting, 5051
implementation of dual ladder career development system, multinational biotechnology corporation, 28703
job satisfaction & involvement & organizational commitment & turnover intention & life satisfaction before vs following vacation, technical & administrative & clerical & service personnel, 31525
needs assessment & design strategy & pilot evaluation & follow-through, assembly line production & technical training development, 5059
occupational interests & leadership styles, female vs male research & development vs technical vs nontechnical managers, implications for technical management & career development, 18708
organizational outcomes of creativity, scientific & technical personnel, 10638
organizational planning & planning skills & training of technical planners, 5085

personal- & work-related reference checking in selection process, prediction of future job performance & adjustment & group participation, professional & technical & clerical personnel & college students vs blue collar workers, 31415
prediction of performance in computer programing courses, high school & college students, implications for personnel selection, 15749
psychological simulation of task & mental training methods vs training-by-doing, safe training method, machine plant trainees, 25965
selection criteria & evaluation dimensions for participation in innovation & entrepreneurship workshop, college graduates in technical fields, Australia, 23182
social support, job stress & strain & negative health outcomes following Three Mile Island plant accident, nuclear workers, 31500
stimuli presented in auditory &/vs visual modalities, detection & recognition performance, sonar operators, 23294
technical training program for high-risk jobs & those which require quickly attained competence, 28698
thoughts on evidence for existence of causal relation in medical vs technical case, nurses vs mechanics & electricians & engineers & welders, 23616
Technical Schools
career education & guidance in private vocational schools, 10334
factor analysis of cognitive & conative functioning, 14–16 yr old male students applying to vocational school, 18623
independent school & social & economic role of vocational education, implications for occupational guidance, 10534
occupational training goals of independent vocational schools, 10331
school attitudes & perceptions of school environment & leisure activities & personality, self reports of vandalism, 8th–11th grade vocational students, 15797
Technical Service Personnel
computer-based maintenance training & performance management information system, management & delivery of on-the-job technical training, military mechanics, 7813
computer based training, service engineers, 28691
Technology [See Also Nuclear Technology]
advanced computer & other technology & human rights & ethical issues in counseling, 7381
application of automate/informate conceptions of information technology to restructuring of work place, 31535
application of computer technology in rehabilitation counseling, 12754
approaching problems & asking questions in educational technology, 12893
attitudes toward & coverage of energy education in curriculum & knowledge of energy issues such as nuclear power & conservation, 16–19 yr old college students & teachers, UK, 18500
attitudes toward job content & work environment & change in work methods 3 yrs after introduction of electronic production process, former newspaper compositors, 28795
attitudes toward technology & religion, college students majoring in education vs business, 20742
auditing technology transfer to developing countries, business and industrial personnel, 5073
communications media, traditional oral communication, Warlpiri-speaking aborigines, Australia, revision of M. McLuhan's theory of information value & social change in Western & nonindustrial societies, 26971
competition in health care, technology use, 4591
competition, technology diffusion, model for marketing & economics research, 31589
computer literacy & computer assisted instruction, professional education in rehabilitation counseling, 20568
computers & robots as facilitators vs inhibitors of education, 18504
course in science & technology careers, reentry adult college students, 2377
development of behavioral research area on impact of technology, Canada, 16094
ecological crisis caused by technological civilization, comments on views of H. Searles, 28833
ecology, socioeconomic change & technology & unemployment & alternative lifestyles, 961
economic & ecological & technological issues in world food dilemma, 31574
energy & technology, household settlement patterns & regional shifts, 31575
forecast of employment opportunities in information age, disabled individuals, implications for rehabilitation counseling, 20537
human services & information technology, 12325
incorporation of concept of sense in new way of looking at issues of technology & self from semantic perspective, 24059
increased use of information technologies, rural interaction patterns, implications for rural sociology research & policy change, 6176
information technology & new forms of work organization, conference presentation, 23256
instructional technology & structure of education, 12962
interpersonal characteristics & vocational certainty, male vs female students in technologically oriented university, 2452
life & death decisions & ethical dilemmas created by new medical technologies, implications for social work practice, 20491
marketing & production & division of labor & personnel practices & impact of alternative technology on capitalism, humanization of factory workplace, England & West Germany, 7842
need for ability to understand & apply new technologies in diagnosis & prosthetic devices & education, speech/language pathology & audiology graduates, conference presentation, 25661
need for knowledge of information technology & computer fluency for managerial choices, managers, 31460
need for pedagogy in training for informated work places, 31429
operations & goals of US Office of Technology Assessment & applications of social psychology, 9049
organizational technology, organizational characteristics & behavior, 2657
patterns of TV viewing & perceptions of hazards of new technology, Scotland & England, 2725
philosophical world view of science & technology & its implications for counseling, 27816
practices vs principles of educational technology, developing countries, 12994
present status of education in natural sciences & technology, Sweden, 4859
prevention of stress resulting from technological catastrophes, 31554
problem of social insensitivity in technological needs assessment for policy making, families, 26980
proposal to place constraints on scientific & technological development & view of war as factor in progress, comment on S. B. Sarason's assertions, 11568
proposal to place constraints on scientific & technological developments, comment on S. B. Sarason's view, 11573
proposal to place constraints on scientific & technological developments, comment on S. B. Sarason's assertions, 11559
psychology & technology interrelationship, 7926
psychosociological discussion, religious beliefs & technological advances, 3563
rehabilitation theory & interventions & effects of advanced technology, disabled clients, 20542
response to high technology revolution, professionals in ergonomics & human factors, conference presentation, 5137
role of user-developer communication in computer-aided design applications, West Germany, 28827
social technology & acculturative stress & coping with environmental change, India, 5144
structural transformation & technology, economic & work life & training demands in Landskrona, Sweden, 25942
technological advances, improvement of communication & mobility & vocational & recreational opportunities, blind & severely visually impaired people, 10146
technological change & ergonomics, conference presentation, 7884
technological development & meaning of work, workers, US vs West Germany vs Sweden vs Japan vs Israel, 2613
technological developments since Industrial Revolution, society & issues in workplace, 6165
technology & barriers to equity & career & occupational opportunities, human females, implications for counselors, 23163
technology & world view, use of computers in classrooms, 25786

technology &/vs structure of nursing subunit, prediction of quality of care, nurses, 12705
training & encouragement toward technological & computer based fields, Black college students, 28626
trends in health care delivery & medical technology, diagnosis & treatment & medical practice, 30817
use of psychology in technology transfer & health care & population growth, Third World countries, 24245
Teenage Fathers [See Adolescent Fathers]
Teenage Mothers [See Adolescent Mothers]
Teenagers [See Adolescents]
Teeth (Anatomy)
attitudes & behavior toward dental pathology & self destructive behaviors toward teeth, chronic schizophrenic patients, implications for treatment, 1334
bipolar electrical tooth pulp stimulation, EPs in primary motor & somatosensory & secondary somatosensory cortices, monkeys, 19395
lithium, development of dental alterations, patients, 4483
mediation of inhibitory & excitatory waves of poststimulus EMG complexes by pressure receptors around teeth, 22–26 yr olds, 13855
procedure for implantation of electrodes in tooth pulp, measurement of tooth pulp EPs during unrestrained behavior, male rats, 13365
Telecommunications Media [See Also Closed Circuit Television, Educational Television, Radio, Telephone Systems, Television, Television Advertising]
communications technology, family therapy & career development, families, implications for family systems therapy, 12448
reliability of simulated user trials in product design & enhancement, users in computer & telecommunications industries, 18782
telecommunications for working at home, productivity & company loyalty & selection & management criteria, employees & management, 7777
Telekinesis [See Psychokinesis]
Telemetry
diagnostic utility of EEG videotelemetry with clinical variables assessed by multidisciplinary hospital evaluation, hospitalized 1.5–18 yr olds admitted to neuropsychiatric unit, 22284
Telencephalon [See Also Amygdaloid Body, Auditory Cortex, Basal Ganglia, Caudate Nucleus, Cerebral Cortex, Cerebral Ventricles, Corpus Callosum, Frontal Lobe, Globus Pallidus, Gyrus Cinguli, Hippocampus, Limbic System, Motor Cortex, Occipital Lobe, Parietal Lobe, Somatosensory Cortex, Temporal Lobe, Visual Cortex]
ablation of telencephalon with vs without removal of thalamus, learning of inhibitory avoidance response to shock, male rats, 26607
bilateral electrolytic telencephalic lesions, cardiac & ventilatory response to light stimulus, goldfish, 13942
electrical stimulation of loci in telencephalon & preoptic area, sexual behavior, hime salmon, 26594
eye transplants & lesions of ventral optic pathway & midbrain/hindbrain junction & telencephalon, impact of visual system on skin camouflage reaction, salamanders, 13939
hyperstriatal lesions, acquisition & retention of go/no-go vs spatial alteration vs delayed response vs spatial discrimination tasks, pigeons, 13931
inductions & duration of tonic immobility, hens with sham-operations vs total removal of telencephalon, 612
intra- & extratelencephalic efferent pathways from supracommissural ventral telencephalon, possible role in sexual behavior, salmon, 8412
modulating factors in telencephalon ablation effects, retention & relearning & extinction of instrumental avoidance behavior, goldfish, 21457
nomifensine maleate, reduction of 6-hydroxydopamine-induced sensorimotor neglect syndrome & locus of dopaminergic cell loss, female rats, 663
simultaneous & serial bilateral ablation of telencephalon, retention of avoidance response, goldfish, 13938
simultaneous bilateral telencephalon ablation, retention & extinction & reversal learning of avoidance response, goldfish, 8510
tritiated testosterone injections, steroid accumulation in ventral hyperstriatum & magnocellular nucleus of anterior neostriatum voice control areas, male & female gonadectomized bay wrens, 21485
visual conditioning vs nonassociative training, neuronal discharge along tectofugal pathway & in nucleus rotunda & ectostrictum & heart rate, pigeons, 23838
visual EPs from hyperstriatum ventrale pars caudale, male zebra finches, 492
Telepathy
geomagnetic activity & possible neuropsychological & physical mediating mechanisms in subjective telepathic experiences, 26094
Telephone Hot Lines [See Hot Line Services]
Telephone Systems
automated telephone treatment program, attention to & understanding of verbal messages over the phone, 37–68 yr old aphasic males, 15412
conference telephone system, single session groups for mutual support, homebound disabled college students, 18674
conversational style & intimacy in naturally occurring telephone conversations between friends vs acquaintances vs strangers, females, 3674
development of standardized telephone followup interview, adolescents & their parents 1–2 yrs after discharge from residential program, 20517
personal phone call prompt, blood donor commitment, college students, 17226
psychotherapy, homosexual obscene telephone calls, married 25 yr old male, 7009
telephone listening conditions, discrimination in quiet environment, hearing aid users with bilateral mild vs moderately severe sensorineural hearing losses, 12746
telephone prompting, attendance at therapy appointments in community mental health center, clients, 25392
use of telephone counseling service, 45 to over 65 yr olds, 10038
Televised Instruction
interactive vs interruptive vs conventional instructional strategies used with instructional TV, academic achievement, college students, 12969
televised vs conventional classroom lectures, achievement & class attendance in introductory sociology class, college students, 22939
viewing behaviors & conditions & background characteristics & intellectual ability & learning from instructional TV, 34–71 mo olds, 15745
Television [See Also Closed Circuit Television, Educational Television, Television Advertising]
alcohol use on prime-time TV, 11353
attitudes toward nuclear war before vs after viewing TV program "The Day After", college students vs adult professional viewers vs nonviewers, 8634
attitudes toward TV programs & films that induce fear & fright, 5–8 yr olds vs 8–11 yr olds, 24102
cable TV arthritis program, arthritis patients as target population, 29497
community access television as social service resource, 15288
comprehension of cinematic montage, reconstruction of stop-animation televised segments, 3 vs 5 & 4 vs 7 yr olds, 865
content analysis of sex role portrayals in adult & children's TV material, 14078
content analysis, portrayal of older adults on daytime TV, 705
current events & conditions & TV coverage, public concern & policy, 7-yr longitudinal study, 704
demographic & background variables & TV vs newspaper exposure to political content, adults, implications for validity of exposure measures, 8633
enhanced spatial context, TV message retention, females, 29504
exposure & quality of attention to TV vs radio vs newspaper coverage of foreign affairs, international political socialization, 12–16 yr olds, 883
female/male language differences on children's TV & attributional consequences, college students, 14080
illustration of Kohlberg's stages of moral development in TV show, MASH characters, 8676

natural experimental & control settings, research on effects of TV on public opinion, 29498
newscaster's facial expression, viewer voting behavior, college students & other adults, 29501
optimum conditions for producing captioned TV, deaf 4th–6th graders & high school students, 17643
perception of female protagonist on TV, 3–5 vs 6–7 vs 9–10 yr olds, 8851
perception of TV portrayals of close relationships, married couples, 706
perceptions & recollection of program content & perceptions of media bias, hostile media phenomenon in TV coverage of Beirut massacre, pro-Israeli vs pro-Arab vs neutral college students, 3718
political influence of televangelists, United Methodists & Southern Baptists under vs over age 65 yrs, 14377
portrayal on TV, police officer/psychologist, 15950
present media environment, disappearance of childhood, 766
role of TV news, provision of knowledge about violence, 8 vs 11 yr olds, Northern Ireland, 3487
scientific integrity & journalistic standards of neutrality of "Cosmos" TV series by C. Sagan, 3339
simplification of child-directed language on children's educational TV programs, adults, 29503
social problems caused by TV entertainment model, US, 14259
study of sociological aspects of educational applications of TV & computers, 15697
violent episodes & sex bias & character roles, portrayal of physical violence on TV programs, Australia, implications for study of effect of TV violence viewing on aggressiveness in children, 14079

Television Advertising

assessment of 2-factor model of message repetition & receiver knowledge & commercial length, cognitive responses & attitudes & recall, college students, 18799
feeling of warmth created by TV commercial, arousal & advertisement responses, college students, 26049
level of involvement & presence of background music, brand attitudes & information processing of TV commercial, 21–60 yr old females, 18798
levels of potential exposure to TV advertisements, attitudes toward & evaluation of advertisements, college students, 26057
physical attractiveness stereotyping in verbal messages & sexism on TV commercials, college students, 21882
preference for Spanish- vs English-language TV vs radio, Mexican Americans, implications for ethnic segmentation in advertising & marketing, 23324
relation of awareness of product to sum of its past advertising, TV advertising effectiveness, test of S. Broadbent's model, 10675
representation in TV commercials, females & elderly & minorities, Canada, implications for stereotyped attitudes & behaviors, 20924
sales vs awareness effectiveness of TV advertisements of confectionary brands, 20921
TV violence & sex & race stereotyping & commercials, children & adolescents, 16887
variation in scheduling of TV advertisements, brand recall & recognition, college students, 5490

Television Viewing

age & cognitive development & SES, understanding of various TV concepts & viewing patterns, male vs female 5–12 yr olds, 11409
amount of time spent TV viewing, 12–17 yr olds from 2-parent & 2-child families, 26914
amount of TV viewing, sex role development, literature review, 21757
behavior & verbalization during TV viewing & relation to language development, 1.2–3 yr olds & their parents, 6–8 mo longitudinal study, 29622
comprehension of instant replays on TV, 4–9 yr olds, 24149
culture-mediated subjective experience of TV in cross cultural studies, 21630
decision making process model of cable TV program choice, household residents, 21152
demographic characteristics & hours of daily TV viewing, alcohol consumption, male high school students, 11549
development of inexpensive system for parental control of access to TV, contingency contracting & behavior modification, children, 17086
effects of TV viewing, 12–19 yr old Euro-Canadian & Eskimo residents of town vs Eskimo residents of isolated traditional settlements, Canada, 1974 vs 1980 vs 1983, 21753
family communication & mediation patterns, comprehension of TV, 5–6.7 yr old kindergartners & 1st graders & their parents, 14118
fears of nuclear war, 2nd–6th graders who viewed "The Day After", comments on article by J. Schofield & M. Pavelchak, 26888
generalized schema & nodes as predictors of retention & recall of story & events of televised vs radio shows, preschoolers vs college students, 8738
gratification/expectancy-value models, prediction of satisfaction with TV news, college students, 29502
home environment & quantity of instruction & leisure time TV watching & reading, reading achievement & attitudes, 9 yr old students, 2444
influences on each other's TV viewing behavior, spouses, 26763
informational vs persuasive vs educational vs mixed TV messages, identification of message intent & believability, 4.3–11.3 yr olds, 26811
leisure time preference for books vs motion pictures vs TV, graduate students & other adults, 11804
loneliness, mass media consumption, college students, 9121
maternal condemnation of TV violence during mother & child TV viewing, perceptions of violence & aggressive behavior, 61–73 mo olds, extension of research by B. F. Fontes, 3521
parental disciplinary practices, learning from prosocial TV portrayals, 4th–5th graders, 3479
parental reports vs time-lapse video home observation, estimates of TV time, 5 yr old children & their parents, 5213
patterns of TV viewing & perceptions of hazards of new technology, Scotland & England, 2725
perceived reality of TV, emotionally disturbed vs nonhandicapped males with mean age of 10 yrs, 12011
popular view of vs recent literature about use of print vs TV & children's cognitive development, 8784
role of TV viewing, shaping of attitudes, children, 8892
self concept & sex role attitudes & perceptions of closeness of self to TV & TV exposure, male vs female adults, Japan vs Korea vs Philippines vs US vs UK, 21985
semantic space between self & best friend & acquaintance & favorite TV personality, adult TV viewers, 29499
simple vs complex audio &/vs visual messages, processing costs in TV viewing, college students, conference presentation, 26353
soap opera viewing patterns & motivations & level of involvement, college students, 20641
social behavior in community before vs 2 yrs following inception of TV reception, Canada, implications for research on TV effects in developing countries, 21631
time spent watching TV from furniture & room area & screen width, viewing distances & angles & visual angles, 1 mo to 63 yr olds, 11391
token-actuated timer, reduction of TV viewing, 13 yr old Black female, 5242
TV action level vs violent content, aggressive vs prosocial behavior, 39–75 mo old males, 17009
TV as source of counterstereotyped information, social knowledge & sex role development, children, 21756
TV as source of stress & modernization, self concept, Algonkian speaking Cree Indians, Canada, 8-yr longitudinal study, 21763
TV exposure & construction of social reality, Black adults, 29495
TV exposure, cognitive abilities, male vs female 7–19 yr old Inupiat Eskimo vs Tlingit & Haida American Indians, Alaska, 1979 vs 1982, 21782
TV, family cohesion & relations & behavior & mental health, adults & children, 26784
TV presentations, values & attitudes, adults, implications for validity of activation-&-consistency hypothesis, 711
TV viewing & parental attitudes about TV, school performance, 6–12 yr olds & their parents, 20726

TV viewing habits & content of TV programs watched, 7.5–13 yr old educable mentally retarded vs learning disabled vs emotionally disturbed children, 24839
TV viewing of Cousteau Society documentary vs science teacher's presentation of show's script, aquatic knowledge & attitude change, 9th graders, 2364
TV viewing, organization of space & time, families, 11622
TV violence & sex & race stereotyping & commercials, children & adolescents, 16887
view of TV as possible impediment to school learning, 13011
viewing behaviors & conditions & background characteristics & intellectual ability & learning from instructional TV, 34–71 mo olds, 15745
viewing national TV news program & viewer characteristics, relative salience of political issues, adults, 26762
weekly TV viewing habits, imaginative abilities & attitudes, 10–13 yr olds, Australia, 26802
Temperament [See Personality]
Temperature (Body) [See Body Temperature]
Temperature Effects [See Also Cold Effects, Heat Effects]
acute vs chronic exposure to altered ambient temperature, pain thresholds, male rats, conference presentation, 19388
air temperature & time-on-task period, unimpaired pursuit tracking performance, male college students, 21367
alpha-flupenthixol, response for temperature reward in operant paradigm, male rats, 11291
ambient temperatures, frequency of self stimulation & seizures, rats, 5764
characterization & effects of antidepressant drugs, temperature sensitive high affinity serotonin binding, rats, implications for treatment, 16651
cold vs warm water swim stress with vs without naloxone or thiorphan, tailflick latencies, mice, 16491
concentrations of sucrose & sodium chloride & citric acid & temperatures, recognition threshold of capsaicin in ethanol & water, 18–35 yr olds, 21059
ergonomic & physiological aspects, performance, British soldiers stationed in cold wet climate, 31544
high ambient temperature, judgments of air quality, college students, 16038
hot vs cold alcoholic drink, alcohol absorption rates, 18–55 yr olds, 26561
light-dark cycle & temperature, circadian rhythms & sexual & feeding behavior, smooth newts, 8474
low environment temperature vs immobilization vs random footshock stress, plasma corticosterone & fatty acid & glucose levels, male rats, 16492
requirement to work for food at varying temperatures, foraging behavior & physiological adaptation, female house mice, 8482
resting or feeding vs active behavior & ambient vs cool temperatures, selection of straw bedded vs concrete floor sides of living area, 4–8 wk old pigs, 16371
temperature & clutch size, energetic cost of incubation as measured by oxygen consumption, female free-living blue tit, 19379
temperature, territorial & mating behavior, male butterflies, 8382
thermal acclimation & exposure to ambient temperatures, sleep wakefulness cycle, male hamsters, 3240
thermal environment & deep body temperature, vigilance, 16332
thermal pulsation to nosolabial reflexogenic zone, neuroses, psychiatric patients, 4582
visually similar stimuli varying in temperature & tactile quality, preferences for & time spent with stimulus, domestic chicks, 26395
winter vs summer birth, mean extraversion score on Eysenck Personality Inventory, female student nurses, replication of study by D. P. Fourie, 9142
Temperature Perception
autogenic training & time of day, subjective vs objective finger skin temperature, patients with neurodystonia, 9861
body temperature circadian rhythm, preference for warmer vs cooler environment during night vs day, male rats, 23845
cardiovascular accident, touch & pain & temperature perception & correlation among sensorimotor measures, acute cardiovascular accident patients, 6789
menthol, oral perception of warming & cooling, adults, 21520
rate of temperature change & stimulus duration & adaptation & sensitization, psychophysical responses to warmth & heat & experience of pain, 20–41 yr olds, confirmation of report of pain, 5393
stimuli presented to labial vs lingual loci vs fingertips, perception of warmth vs cold, college age Ss, implications for oral contribution to thermoregulation, 199
thermal-sensitivity system as model for humans, monkey vs 19–25 yr old humans, 19349
thermal-sensitivity system as model for humans, monkeys vs 19–23 yr old humans, 19353
Temporal Frequency
cortical magnification vs spatiotemporal frequency vs contrast, displacement thresholds for oscillating grating, human Os, 5425
diameter of concentric circular background, responses of X & Y cells of dorsal lateral geniculate nucleus to flashing test probe modulated at 2 Hz, cats, 21295
localization of flickering visual fields in depth plane behind nonflickering fields, 29064
model of perception & reproduction of tone sequences, college students, 19088
pattern vs flicker vs coherent drift thresholds, upper spatial & temporal limits of velocity perception, author & naive S, 222
presentation of temporal pulses at low spatial frequencies, sinusoidal flicker sensitivities, 210
random-dot mask presented at intervals, perception of shape moving behind a slit, practiced vs naive Ss, 213
sine vs Gaussian random waves & instructions to fixate on target with vs without simultaneous mental arithmetic, smooth vs saccadic component phase lag in visual tracking, 16261
spatial & temporal frequency, meridional variations in spatial displacement detection, 22–26 yr old males, 2992
spatial frequency & orientation & temporal frequency selectivity of visual motion system, adult Ss, 21067
spatially & temporally modulated stimuli of sinusoidal gratings presented in Maxwellian view, accommodative responses, experienced Os, 21109
stimulus velocity vs contrast vs spatial frequency, lower temporal limits of movement perception, author & naive S, 221
temporal frequency & stimulus intensity, visual responsiveness, infants at 4 & 6 mo, 838
temporal frequency discrimination at & above detection threshold using low & medium spatial frequencies, adult Ss, 29044
temporal frequency of sinusoidal mask grating, threshold elevations for spatially localized test stimuli, adult Ss, 19069
temporal-frequency-specific channels for & interocular transfer of flicker adaptation in visual system, 235
variation of spatial & temporal frequencies & orientation of motion, sensitivity to shearing & compressive motion in random dots, adult Ss, 26320
Temporal Lobe [See Also Auditory Cortex]
anterior temporal lobectomy, Type 1 complex partial seizures of hippocampal origin, patients, 1982
behavioral pathology similar to atypical psychosis, 16–62 yr olds with temporal lobe disorders manifested as complex partial seizures, 27679
bilateral cold-induced lesions of inferotemporal cortex, learning & visual discrimination, female monkeys, 5797
direction- & velocity-specific responses from beyond classical receptive field in middle temporal visual area, owl monkeys, 26478
free amino acids in postmortem temporal cortex, 45–84 yr olds with Alzheimer's disease, 1509
frontal vs temporal lobe lesions, performance of spatial & nonspatial conditional associative tasks, 13–54 yr old patients, 24963
impulsivity in guessing on visual task on basis of partial information & clues, 13–54 yr old patients with left vs right frontal vs temporal vs fronto-temporal lobectomies, 14876
independent left- & right-sided temporal lobe discharges & changes in affect, 53 yr old female with epilepsy, 22274
learning sequential hand positions, 15–52 yr olds with left frontal vs temporal lobe lesions, 20176
low vs high spatial frequency, face selective responses of neurons in cortex in superior temporal sulcus, macaque monkey, 21322
medial temporal lobe disruption, memory process, humans, 16510

morphological asymmetry of posterior sylvian region, performance on dichotic listening test, 15–55 yr old patients with medically refractory seizures, implications for hemispheric language dominance, 14911
movements in or out of view & articulation & rotation of body/head, neuronal cell responses in superior temporal sulcus, juvenile male macaque monkeys, 21318
myocardial infarction-induced chronic bilateral medial temporal lobe ischemic damage involving hippocampus & subiculum & amygdala, 67 & 85 yr old females with dementia, case reports, 30477
neuropsychiatric disturbance & clinical course, limbic dementia, 3 case reports, 27514
panic attacks & temporal lobe seizures, 33 yr old female with right frontotemporal arteriovenous malformation, 6896
phonemic vs semantic partial information clues, guessing target words, 13–48 yr old patients with left vs right frontal vs temporal vs right frontal-temporal lobectomies, 14877
recall of objects & location in array, 12–51 yr old patients with unilateral frontal vs temporal lobe excisions, 6874
reversible lesion in inferotemporal vs prefrontal cortex, electrical activity & performance on visual short term memory task, macaques, 8499
role of hippocampus & prefrontal cortex in information coding of temporal attributes, humans & animals, 16411
sensitivity to different face stimuli of neurons in cortex & superior temporal sulcus, macaque monkeys, 23794
somatosensory & acoustic stimuli, short latency nonprimary responses in anterior part of middle suprasylvian gyrus, anesthetized cats, 5702
spatial acuity of posteromedial lateral suprasylvian cell neurons, adult cats, 3151
stimulation of posterior medial lateral suprasylvian area, pupillary constriction, cats, 21282
syntactic primes & subsequent lexical decisions, EPs at frontal & temporal & temporoparietal sites, right handed college students, 26520
temporal lobe signs, number of mystical or paranormal experiences, 17–48 yr olds, 18811

Tennis
percentage of time & ability to win match after losing first set, top 20 ranked tennis players from 1980 US Tennis Association yearbook, 23153
personality traits, 13–18 yr old male vs female competitive tennis players, 21754

Tenure (Occupational) [See Occupational Tenure]

Tenure (Teacher) [See Teacher Tenure]

Terminal Cancer
amitriptyline & haloperidol, symptoms of depression & anxiety, 7 & 9 & 14 yr olds with terminal cancer, 18080
attitudes toward & perceived role in home care program for children dying of cancer, physicians, 28052
cost analysis, hospice services vs traditional medical care, terminally ill cancer patients, 22625
level of & change over time on denial & death anxiety & anxiety & depression & hostility & love & self esteem, 51–74 yr old terminal cancer vs arthritic patients, 18-wk longitudinal study, 27535
psychological & sociological attitudes toward care of terminal cancer patients, Europe vs England vs North America, 12253
response to participation in research study & complex data collection, terminal cancer patients & their principal care persons, 15247
trends in grants for home care & hospital support teams & nursing services for care of terminal cancer, Great Britain, followup study, 9987
utilization of psychotropics, 21–75 yr old terminal cancer patients in home- vs hospital-based hospice programs, 22541

Terminally Ill Patients
age & number of people living in home & disease history, terminally ill hospice vs hospital patients, 28047
characteristics & major nursing care problems, hospice patients & their primary caregivers, 30829
characteristics of illness & hospice program & relationship to caregivers, terminal patients enrolled in home-based hospice program, 28030
cost analysis, hospice services vs traditional medical care, terminally ill cancer patients, 22625
death orientation & attitudes toward communication with terminally ill patients, medical students & physician's assistants & family physicians, 27705
death rehearsal in hypnotherapy, grief & anxiety, terminally ill patients & their families, 9958
decision in court cases on right to die with dignity, terminally ill patients, 24335
effects of denying death to terminally ill hospital patients, doctors & patients, 2087
family & terminal care decisions, terminally ill relatives, implications for family practice residency training, 7313
hospice movement, care of terminally ill patients & their families, 12645
ideology & issues in provision of health care, seriously ill & dying adults & children & their families, conference presentation, 28046
incidence of depression & suicidal ideation, 29–82 yr old terminally ill patients, 17562
information about terminal illness of parent, coping with anxiety, 6–16 yr olds, 8891
male socialization vs traditional hospital intervention, attitudes toward death, 51 & 52 yr old terminally ill males & husband of dying wife, 10117
mental imagery as therapeutic technique, expression of fears & needs & conflicts, terminally ill 7–19 yr olds, 9986
modification of procedures for withdrawing life-sustaining treatment, incompetent patients with irreversible illness, case law, 1058
needs during acute vs chronic vs terminal phase of life threatening illness, hospitalized patients & their families, implications for nursing, 28188
physician management of problematic family interactions & decision to forego life-sustaining treatment, terminally ill patients, 7322
progressive terminal physical handicap, family & family identification process, male 13–16 yr olds with Duchenne muscular dystrophy & their parents, 17700
psychoanalytic psychotherapy in National Health Service hospitals, medical patients, UK, 18256
psychosocial differences, 60–79 yr old chronically vs terminally ill patients with vs without knowledge of dying, 20244
response to participation in research study & complex data collection, terminal cancer patients & their principal care persons, 15247
role of chaplain on health care team, pastoral care, 28 yr old male with terminal leukemia, case report, 28110
techniques for assisting in coping & adjustment to impending death, physicians & families of terminally ill patients, 20151
trends in grants for home care & hospital support teams & nursing services for care of terminal cancer, Great Britain, followup study, 9987
utilization of psychotropics, 21–75 yr old terminal cancer patients in home- vs hospital-based hospice programs, 22541
4 phases of family grief reactions to death of terminally ill child, clinical intervention during postdeath mourning, 25200

Terminology (Psychological) [See Psychological Terminology]

Territoriality
aggressive & spacing behavior, distribution of nest sites & reproductive fitness, female blue grouse, 5582
aggressive behavior & distribution of nest sites & territoriality, 3 species of sticklebacks breeding sympatrically in tide pools, 21252
ceremonial gatherings & territory acquisition prior to breeding season, magpies, 21238
color pattern &/vs chemical cues, recognition of & response to male vs female conspecifics, territorial male wasps, 449
competition for space & mates in aquarium permitting visual isolation, aggressive behavior, male vs female swordtail fish, 386
conspecific mounts differing in amount & brightness of breast streaking, aggressive response, territorial male yellow warblers, 26463
density of song types, assessment of density of territorial males, male red-winged blackbirds, test of Beau Geste hypothesis of J. R. Krebbs, 5644

dietary tryptophan & social isolation, territorial aggression & locomotor activity & monoamine neurochemistry, male mice, 23997
differentiation of odors of dominant member vs novel male vs S in scented vs unscented areas, male gerbils paired based on dominance status, 23709
directionality of movements between successive song perches, male sage sparrows, 26452
distance from & density & size of nest site, defensive behavior against carrion crows, nesting lapwings, 409
energetics of feeding territoriality, juvenile coho salmon, 451
excitatory vs inhibitory CS, aggressive behavior in confrontation with territory intruder, male blue gourami, 5550
experimental territorial intrusion, plasma testosterone levels, male song sparrows, 8434
female territoriality, infanticide, white-footed mice & deermice, 476
food availability vs intruder pressure, aggressive display activity & territory quality, male hummingbirds, 8374
habitat type & presence of threat of predator, territoriality & defense of 1st vs 2nd brood, male vs female great tit pairs, application of cost-benefit model, 8322
home range size & location & spatial distribution, striped plateau lizards, 8372
increased territorial defense via intrapair cooperation, carrion crows, 5585
increased time spent on territory & subsequent reduced sleep time, territoriality, breeding pairs of herring gulls, 8369
initial display tendencies & nest building & fighting behaviors, prediction of dominance contest outcomes, male Siamese fighting fish, 3100
intensity of agonistic stimulation, song switching, male song sparrows, 426
lek structure of territorial & mating systems, chryxus arctic butterflies, 23724
length of prior residence, extent of attack behavior, male Siamese fighting fish, 3101
local disorders levels & neighborhood diversity, discriminant validity of territoriality & attachment to place & contextual determinants of attachment, heads of households, 26046
local population-specific songs, territorial singing response, male white-crowned sparrows, implications for ecological functions of song learning, 5579
long calls, interindividual spacing of males & attraction of female mates, male orangutans, 440
mediation of reproductive isolation by odorous substances associated with territorial defense, house mice, comments on study by T. P. Cox, 13770
modification & playback of full song messages, song & species recognition & meetings, territorial male blackbirds, 23701
natal dispersal patterns & lek fidelity, male vs female sage grouse, 19251
neighborhood attachment on cul-de-sacs vs through streets, female residents, implications for I. Altman's territorial theory, 5139
nesting & migratory behavior & symbiosis with mealybugs, Malayan ants, 19269
philopatry & site tenacity & mate fidelity, sandpipers, 5-yr study, 415
playback of loud calls, territoriality, monogamous lar gibbons, 8360
population density & habitat quality, patterns of spacing & territoriality, butterfly fish in reef slope vs lagoon habitats, 26464
primary vs selectively logged habitats, ecology & behavior & reduction of detectability, primates, implications for population surveys, 423
removal of territorial marker &/or chemical cues & territorial intrusion, territorial prior residence effect, adult convict cichlids, 21249
reproduction & mating & den sharing & scentmarking & spacing of home ranges, evolution of gregariousness, white-tailed mongeese, 5642
seasonal changes & food availability, habitat distribution & density, 26 species of transient insectivorous birds, 421
selective logging of habitat, onset & duration & location of calling bouts & territoriality, 2 species of Malaysian primates, 21259
size of shell in possession & of shell being offered, approach & investigation & entrance into another shell, male hermit crabs, 8325
temperature & prey availability, habitat selection process, desert spiders, 26453
temperature, territorial & mating behavior, male butterflies, 8382
territorial defense & wing length measurement, mating success, male small heath butterfly, 26472
territorial defense of refuge & feeding sites from conspecific intruders in field & laboratory experiments, plethodontid salamanders, 26440
territorial establishment & mating behavior & family group structure, gerbils, 380
territoriality, reproduction & quantity & quality of offspring, competitive vs solitary male 3-spined sticklebacks, conference presentation, 19284
territory quality & nest placement & foraging behavior & intraspecific aggression in evolution of monogamy, experimentally widowed female seaside sparrows, 8329
variation in breeding territory size, sage vs Brewer's sparrows, 19299

Terrorism
consequences of attack against public leader & leader's respectability & motivation of attacker, perceptions of penalty & attack predictability & responsibility & labeling of act as terrorism, college students, 24525
factors affecting development of hostage identification syndrome, hostages & their captors, 30308
Jungian view of psychological roots of modern terrorism, 6164
personality factors contributing to development of terrorist, lawyer who cofounded Red Army Faction, West Germany, 6374
social & medical crisis center, treatment & prevention of trauma & psychiatric reactions following hostage crisis, school children & teachers & community members, 10041
social psychological aspects of political terrorism, 8932
terrorism as metaphor for theater, implications for negotiation, 27440
terrorist attacks, fear & worry & attitudes toward political reconciliation of Palestinian problems & support for counterterrorist measures, public, Israel, 29874

Test Administration
administration & analysis vs Rasch & normal ogive models & reliability & validity of British Ability Scales, 9.6–10.5 yr old students, Australia, 20822
comprehensive makeup examinations to replace missed regular examinations, college students, 2570
computer-administration of dictation spelling tests, spelling achievement, 2nd graders vs learning disabled 10.3–13 yr olds in special classrooms, 18578
computer vs pencil-and-paper administration & scoring of speeded clerical tests, correct responses per minute & number of seconds per correct response, college students, 26215
computerized vs paper-&-pencil version of arithmetic reasoning test & ability, mean test scores, 18–25 yr old military recruits, 28977
conventional vs computerized adaptive version of Armed Services Vocational Aptitude Battery, Navy recruits, 125
criteria for evaluation of WAIS-R short forms, 5336
direct questionnaire vs random response technique, index of item social desirability & personal sensitivity, college students, 5296
effectiveness of automated Mastery Model, training of skills in WAIS-R administration, graduate clinical psychology students, 4731
examiner familiarity, test performance, language-handicapped preschool & school age students, implications for assessment, 14786
examiner sex & ethnicity & style of administration, responses on Jourard Self Disclosure Questionnaire, White vs Mexican American college students, implications for group personality testing, 18948
examiners' experience & personal familiarity, test performance, speech- &/or language-impaired preschool age children, 2565
experimental cuing, evaluation apprehension & disclosure of deviant & symptomatic responses obtained from bogus pipeline vs open format testing, 19–55 yr old incarcerated male sex offenders, 30292
explicit instructions to be creative, divergent thinking & discriminant & convergent & predictive validity of maximal performance test scores, gifted vs talented intermediate school students, 28636

format & direction changes of Stanford Achievement Test & Metropolitan Achievement Test & Comprehensive Tests of Basic Skills, assessment of reading achievement, implications for testing learning disabled students, 10562
guidelines for competent practice of computerized test administration & interpretation, 10768
instructions to expect spatial/locational vs verbal/event posttest, recall of map-prose information, high school students, 13141
intensified instructions, test performance on CFT 20, students with learning disabilities, 20808
interest accuracy of Satz-Mogel short form & Modified WAIS-R short form, 16–72 yr old psychiatric patients, 120
MASTERY model, training for competent administration of WAIS-R, graduate students in clinical psychology, 20612
microcomputers in administration & scoring & interpretation of psychological tests & professional & ethical & legal issues, 26181
order effect in administration of Self-Consciousness Scale with other personality measures, college students, implications for S selection for personality research, 8098
pantomimed administration of WISC-R, hearing impaired children, reply to criticisms made by J. P. Braden, 13420
pantomimed administration of WISC-R Performance scale, hearing impaired children, criticism of report by A. S. Courtney et al, 13401
paper vs online administration of questionnaire, measurement of park exhibit effectiveness, visitors, 10751
performance on paper & pencil version of Piaget's water level test, male vs female college students, 18957
performance on PPVT vs PPVT-R, 17.3–51 yr olds with developmental handicaps, 28922
rater affective feelings & demographic factors, neutral responses to structured questionnaires about supervision & personnel policies & job & work factors & commitment, employees, 16136
reliability of computerized administration of MMPI, 17–69 yr old psychiatric patients, 16171
scheduled vs unscheduled quizzes, test & situational anxiety & academic achievement, college students, 25824
separate answer sheets with vs without prior practice vs answering directly in booklet, performance on Iowa Test of Basic Skills, 3rd graders, 10564
sex of test administrator, drawing of own sex on Draw-A-Person Test, college students, 8043
stability of Armed Services Vocational Aptitude Battery over several sessions, males & females of military service age, 5317
test familiarity & mode of content presentation, performance on conditioned logic tasks, college students, implications for evaluation methods, 2577
test preparation & practice effects, test item characteristics & directions & format used in test construction, meta-analysis, 26238
test presentation order & time interval between testing, performance on Category test of Halstead-Reitan Neuropsychological Test & Wisconsin Card Sorting Test, college students, 13378
testing procedure, eye movements indicative of information processing, college students, 7752
time interval between survey administrators & use of retrospective design, scale recalibration in evaluations of interviewer performance & recall of earlier evaluations, college students, application in evaluation of organizational change, 28916
timed vs untimed test administration, performance on SAT, visually & hearing impaired & physically & learning disabled vs nonhandicapped high school students, 25894
validity of microcomputer-administered Marital Adjustment Test, 20–52 yr old married couples, 5324
vertical vs horizontal answer sheet formats, scores on professional certification test, adult examinees, 28959
viewing distance & duration & stimulus clarity, performance on pseudoisochromatic tests of color deficiency, college students, 8176
viewing duration & distance & illumination level, performance on pseudoisochromatic tests of color blindness, college students, 230
weekly repetitions of dexamethasone suppression tests, test results, 26–37 yr old healthy volunteers, 8628
10- vs 25- vs 50-item word list auditory test with vs without pass-fail criteria, word recognition performance, hearing impaired adults, implications for test accuracy, 4192

Test Anxiety
attention to externally presented information & aversive representations & interpretive mechanisms, test anxiety & poor performance, college students, 18638
construction of Children's Negative Cognitive Error Questionnaire, 4th–6th & 8th graders with vs without self reported symptoms of depression & low self esteem & evaluation anxiety, 28978
coping vs restructuring treatment, test anxiety & irrational beliefs & thoughts 1 hr before exam, test-anxious college students, 22478
desensitization, college students with test anxiety, 18627
effort manipulated by monetary reward & aversive representations, test performance, high school students with low vs high test anxiety, 22997
hypnosis & therapeutic change, examination anxiety, female kindergarten teacher, 18126
inclusion of humorous test items in multiple choice grammar test, test performance & anxiety, 8th graders, 15922
level of test anxiety & time pressure, performance rate & accuracy & achievement strategies on arithmetic problems, male vs female 3rd–4th graders, 13012
presence vs absence of passively observing vs evaluating experimenter, apprehension & response withholding during solution of anagrams, high vs low test anxious college students, 11036
relaxation/cognitive therapy &/vs study skills training, test anxiety & academic performance, test-anxious college students, 31319
scheduled vs unscheduled quizzes, test & situational anxiety & academic achievement, college students, 25824
self coping cognitive treatment, test anxiety, college students, 15892
self reported test anxiety & free cortisol excretion during achievement test taking, 2nd graders, 23142
sex differences & type of examination, worry & emotionality & expected & actual outcomes, college students, 4990
study & test taking skills & unrealistic expectations & belief in negative self statements & Type A behavior, high vs low achieving college students with high vs low test anxiety, 31224
test anxiety & visual vigilance, college students rated as high vs low test anxious, 3732
test anxiety, test performance & cognitive self appraisal, anxious college students enrolled in statistics course, 15748
test-retest policy, test anxiety, college students in introductory psychology, 15894

Test Bias [See Also Cultural Test Bias]
bias of overlapping items on French version of body focus questionnaire, correlations between scales, 20–30 yr old students, France, 13390
biases toward aging in testing for cognitive dysfunction using Hooper Visual Organization Test & Color-Form Sorting Test, 20–39 vs 40–72 yr old hospitalized psychiatric patients, 8112
chi-square vs Angoff delta plot vs pseudo item response theory, detection of criterion bias of high school aptitude test data, 15940
computer software, detection of biased test items when differences in group ability are controlled, 5273
contribution to measurement error & cultural differences & independence from general intelligence & facility for training, testwiseness, 5013
determination of age & sex & racial test bias of subscales of Personality Inventory for Children, adolescents & children referred for evaluation for behavior & emotional problems, 13430
determination of cultural bias in Miller Assessment for Preschoolers, assessment of risk for communication disorders, male vs female Black vs White 3–5.5 yr olds, 26257
hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, 18910
item response theory, distinction of group differences due to psychologically meaningful construct vs test bias in attitude & personality measures, male vs female college students, 13466
item response theory, factor structure & difficulty level as causes of item bias, 16160
method for measurement of test item bias in education, 2590
psychoeducational assessment, racial & ethnic minorities, children, implications for test bias ethical & legal issues, 28607
race/ethnicity, scores on Buss-Durkee Hostility & Guilt Inventory & Form A of Holtzman Inkblot Technique, Black vs Hispanic vs White male forensic patients, 18979
semantic analysis of S. Fischer's Body Focus Questionnaire, 18920

sex & IQ differences & regional and/or institutional bias, psychiatric patients, 30087
sex bias in items of Self-Directed Search Investigative subscale, comments on evaluation by A. Aronowitz et al, 16139
sexist test & item bias of British Ability Scales, perpetuation of social & sexual inequality, male vs female students, 15918
step-up vs -down hierarchical multiple regression procedure, testing hypotheses about existence of test bias in prediction, 29020
test & item bias in prediction of performance, majority vs minority groups, 20978
test theory & item analysis procedures, identification of item bias in Hebrew translation of Job Descriptive Index, workers, US vs Israel, 18765
testing bias in context of contemporary educational & legal & societal developments, implications for Black school age children, 10565
Test Bias (Cultural) [See Cultural Test Bias]
Test Construction [See Also Content Analysis (Test), Cultural Test Bias, Difficulty Level (Test), Item Analysis (Test), Item Content (Test), Test Bias, Test Items, Test Reliability, Test Standardization, Test Validity]
acquiescence & response skewness in Wilson-Patterson Attitude Inventory, 21013
addition of "don't know" answer to Palmore's Facts on Aging quizzes, response accuracy & quiz validity, college students, 8055
administration of French version of Association of Methodology & Documentation in Psychiatry Psychopathology & Somatic scales, extraction of 17-item anxiety scale, patients, France, 16125
Advanced Simulator for Pilot Training, validation of composite measure of close air support mission performance, aircraft pilots, 13467
analysis of test items' information processing demands, development of nonverbal reasoning tests, 10–11 yr olds, 26249
binary programing algorithmic approach to test design, 10883
clinical utility of abbreviated versions of MMPI, 16182
COMBINE macro- & subprograms, scale construction using interacting items through cross-product scores, 26163
comprehensive list of descriptors of behaviors for subsequent psychometric measurement of tactile defensiveness, elementary school children, 20980
conceptualizaton of construct & development of measurement instrument, chronic self destructiveness, college students & 24–71 yr old business women & 20–95 yr old Veterans Administration patients, 13428
construction & factor analysis of questionnaire, measurement of phenomenological dimensions of happiness, 17249
construction & factor structure of Parent Education Design Scale, identification of relevant issues & attitudes toward parent education, 18–21 yr olds, 15886
construction & reliability & concurrent validity of Cattell Infant Intelligence Scale, literature review, 23442
construction & reliability & validity of teacher-child rating scale, assessment of school competency & problem behavior, teachers & their kindergarten through 6th grade students, 31337
construction & reliability & validity of Group Environment Questionnaire, assessment of group cohesion, sports teams, 20987
construction & reliability of Lifestyle Satisfaction Scale, assessment of satisfaction with residence & community & associated services, mentally retarded 20–67 yr olds in intermediate care facility vs apartment vs nursing home setting, 8077
construction & standardization of visuomotor test, assessment of effects of visuomotor ability, 4–6 yr olds from Head Start programs, Puerto Rico, 28927
construction & validation of attitudes toward prisoners scale, 17–58 yr old prisoners & college students & community residents & correctional officers, 13441
construction & validation of Boredom Proneness Scale, college students, 23428
construction & validation of Child Improvement Locus of Control Scales, assessment of parental beliefs about influences on improvement or recovery of their children, parent of autistic or physically ill children, 23424
construction & validation of late-life paranoid scale, geriatric patients, 2870
construction & validation of Objectivism Scale, assessment of individual differences in use of empirical data & rationality in judgments & beliefs, college & graduate psychology students, 23450
construction & validation of Teacher Rating of Social Skills-Children, teacher assessement of student social skills, kindergartners to 6th graders & teachers, 31315
construction & validity & reliability of Dutch mood adjective checklist Amsterdamse Stemmingslijst, 127
construction & validity & reliability of Heart Disease Locus of Control Scale, health fair attenders vs nonattenders, 8096
construction & validity of Heterosocial Skill Observational Rating System, female college students, 143
construction & validity of Levels of Attribution & Change Scale, assessment of levels & loci of causal attributions about self select problem, college students, 10822
construction & validity of locus of control questionnaire, college students, France, 28944
construction & validity of Medical Personnel Stress Scale, emergency room personnel, 137
construction & validity of memory scale, measurement of storage & processing components of immediate & short term memory, 12–68 yr olds, 8069
construction & validity of pre- & postlabor forms of Schroeder Labor Locus of Control Scale, primigravidous females who had vs had not attended childbirth classes assessed prior to vs 6–18 hrs following delivery, 23476
construction & validity of rating scale, measurement of voice & pronunciation quality, Dutch-speaking Ss, 130
construction of Child Abuse Potential Inventory, college students, 5320
construction of Children's Handwriting Evaluation Scale, measure of rate & quality of penmanship, 3rd–8th graders, 25929
construction of Children's Negative Cognitive Error Questionnaire, 4th–6th & 8th graders with vs without self reported symptoms of depression & low self esteem & evaluation anxiety, 28978
construction of Cognitive Interference Questionnaire & Thought Occurrence Questionnaire, assessment of situationally produced vs personality trait-like cognitive interference, college students, 26241
construction of Community Residents Survey questionnaire, needs assessment of community competence & functioning, community residents, 23435
construction of criterion-based developmental assessment procedure, educational assessment, 3–6 yr old nursery school students & kindergartners, Israel, 10559
construction of economic locus of control scale, Ss aged 18 yrs & older, implications for organizational behavior, 13417
construction of Emotional Distress Scale, evaluation of emotional distress, 22–87 yr old patients with malignant blood diseases, 5351
construction of Hindi scale assessing emotional stability, 10–13 yr olds, India, 23439
construction of M Test, measurement of malingering, college students vs schizophrenic patients, 10784
construction of marital satisfaction scale, 20–60 yr old married couples, India, 23412
construction of measure to assess subjective response to stressful life experiences, psychiatric outpatients vs nonpatients, 21005
construction of metric scales, estimation of seriousness of punishable offenses, students, 8116
construction of ordinal scale, assessment of alcohol problems following treatment, alcoholics discharged from treatment program, 6-mo followup, 15462
construction of parallel version of perceptgenetic test, prediction of creativity, 10–11 yr olds vs 20–42 yr olds, 18933
construction of parent instrument & Individualized Language Awareness Testing at Beginning of Reading Instruction, assessment of metalinguistic awareness, kindergarten students, 1.5-yr followup, Belgium, 18675
construction of questionnaire to measure organizational development knowledge, organizational development practitioners, 13403
construction of rating scale, measurement of pioneering-innovating motive, professional personnel, India, implications for socioeconomic transformation, 23267

construction of reliable & valid questionnaire, measurement of impulsivity, 5285
construction of religious attitudes scale, 26244
construction of revised Raven Coloured Progressive Matrices, assessment of effect of laterality of lesions & language impairment, patients with left vs right brain damage vs aphasia, 12195
construction of scale for assessment of patient participation in treatment & relationship to outcome, hospitalized patients with personality or schizophrenic or schizoaffective or major affective or conduct or adjustment disorders, 2866
construction of scale measuring attitudes toward handgun control, licensed drivers, 16183
construction of scale to assess dimensions of family functioning, college students & married 25–75 yr old parents, 13397
construction of self report performance measure, 21–60 yr old male commercial pilots, 23480
construction of self report questionnaire to identify social problems, surgical & medical patients & psychiatric outpatients & social work clients, 18937
construction of short form of Halstead Category Test, assessment of organic brain impairment, brain damaged 18–69 yr olds, 28933
construction of short form of Self Report Inventory for Depression, 156
construction of Social Recovery Inventory, alcohol & drug abusing 34 yr old male, 173
construction of state of consciousness interview schedule, assessment of intrapsychic functioning & uniqueness of ethnic identity, Black community mental health council patients, conference presentation, 23415
construction of Substance Abuse Attitude Survey, assessment of attitudes in medical & professional education, physicians & health professionals, 121
construction of teacher rating form, kindergartners through 2nd graders, 23104
construction of Teacher Role Survey, assessment of expectancies for internal vs external control in teaching, teachers enrolled in graduate education courses, 25924
construction of Wagner Preference Inventory II, measurement of neurobehavioral preference, college students, 5348
construction of 2-part questionnaire, measurement of role conflict & job satisfaction & situational anxiety & meaning of work, Black industrial workers, Africa, 20988
content-oriented strategy based on behavioral consistency notion, development of selection tests, 20852
development & construct & discriminant validities of Parental Locus of Control Scale, parents with vs without parenting problems vs with behaviorally or emotionally disturbed school age children, 28936
development & content validity of set of assessment instruments, estimate of functioning in independent living skills, physically or mentally handicapped students, implications for training objectives, 13411
development & evaluation of Attitudes Toward Women Scale, adolescents, 26211
development & evaluation of behaviorally referenced rating system for heterosocial skills, college students, 8113
development & evaluation of Borgess Interaction Assessment, screening & identification of psychosocial risk, infants assessed at birth & 1 mo & 1 yr of age, 10841
development & factor & item analysis of shortened version of Questionnaire on Resources & Stress-Short Form, assessment of stress & social support, parents of handicapped & mentally retarded & motorically & sensory impaired 8 mo–47 yr olds, 13460
development & factorial validity of Personality Priorities Inventory for Adolescents, 7th–12th graders, 28942
development & internal consistency & validity of Job Interview Self-Statement Schedule, assessment of social-evaluative anxiety in job interview, college & graduate students, 28961
development & psychometric properties of test of interpersonal competence for employment, assessment of knowledge of interpersonal skills in employment setting, mildly retarded 14–52 yr olds, 26194
development & psychometric properties of Pragmatism scale, 21025
development & reliability & validity of survey to identify rehabilitation & accommodation needs, long term patients in psychiatric hospital, UK, 13413
development & reliability & validity of Individual Scale assessment of willingness to publicly behave differently than others, college students, 2904
development & reliability & validity of Test of Integrated Process Skills, measurement of science process skill achievement, middle & high school students, 2555
development & reliability of Awareness and Expression of Anger Indicator, 18–60 yr old medical patients, implications for chronic pain research, 5293
development & reliability of psychiatric interview scale, assessment of interview performance & training, 4th-yr medical students in psychiatry rotation, 158
development & reliability of psychological assessment instrument, evaluation of physical & mental deterioration, frail elderly patients, 23422
development & reliability of rating questionnaire, measurement of love styles, college students, 13421
development & reliability of scale to assess satisfaction with parent education programs, parents, 23467
development & reliability of Social Competence Questionnaire, college students, 4992
development & test-retest reliability & construct validity of health locus of control scale, hospital physicians & nurses & patients, 2922
development & validation of attitude scale, measurement of attitudes toward pupil profiling, teachers, 31333
development & validation of Children's Self-Report Psychiatric Rating Scale, clinical & normal 6–13 yr olds, 16122
development & validation of general causality orientations scale, measurement of autonomy & control & impersonal orientations, college students, 13407
development & validation of Home Musical Environment Scale, 2nd graders & their parents, implications for music education, 10789
development & validation of Job Perception Scales, assessment of job satisfaction, employees and supervisors & employed business students, 8075
development & validation of Landau social emotional climate scales, assessment of instructional characteristics & teacher-pupil & pupil-pupil relationships, 13151
development & validation of My Class Inventory, measurement of classroom psychosocial environment & identification of needed changes, elementary school students & teachers, 10525
development & validation of Positive Sex Role Inventory, assessment of sex role characteristics considered positive for counseling psychologist employment settings, college students, 29000
development & validation of Power Apprehension Scale, measurement of concerns about power of self vs others, college students, 28986
development & validation of Simon-Dole Listening Comprehension Test, measurement of listening comprehension as predictor of reading comprehension, 5–7.2 yr olds tested in kindergarten vs 1st grade, 25902
development & validation of 3 personality scales included in National Health & Nutrition Examination Survey Epidemiologic Follow-up Study, 20–96 yr olds, 26203
development & validity & reliability of simulated moral dilemmas, measurement of stealing behavior & moral judgment, 7–16 yr olds, 2897
development & validity & reliability of symptom rating scale, assessment of depression & mixed neuroses in psychodiagnostic interview, 18972
development & validity & reliability of Archetypal-9 Test, measurement of alexithymia, surgical & pain patients, 2880
development & validity & reliability of Computers and Robots Attitude Questionnaire, 13–16 yr old secondary school students, 7766
development & validity & reliability of Knowledge of Child Development Inventory, adolescent & adult females, 23449
development & validity & reliability of Sexual Self Efficacy Scale-Form E, diagnosis of erectile disorders, 21–65 yr olds with vs without sexual dysfunction, 28979

development & validity & reliability of Teacher Stress Inventory, teachers of exceptional students, 15897
development & validity of attitudes toward college inventory, prediction of college attendance, 13–19 yr old economically disadvantaged students, 18644
development & validity of Counselor Perception Questionnaire, measurement of cognitive growth during counselor supervision, counselor trainees, 8051
development & validity of differential anxiety & depression inventory, trait & interactional perspective in assessment of anxiety & depression, college students, 26206
development & validity of Multidimensional Measure of Children's Perception of Control, 3rd–9th graders, 123
development & validity of Pseudoautonomy & Peer-Group Dependence scales, assessment of grandiosity & idealization, adolescent psychiatric inpatients & high school students, 28974
development & validity of quality of life questionnaire, multidimensional measurement of response to ecological domains, volunteers with mean age of 38 yrs, 13414
development & validity of questionnaire for nursing research methods course, college students, 20825
development & validity of scale to measure Protestant work ethic ideology, full-time workers, Australia, 2892
development & validity of scales, measurement of normative & coercive & remunerative power, high school teachers, operationalization of A. Etzioni's concepts of organizational power, 13434
development & validity of Smoking Self Efficacy Questionnaire, measurement of self efficacy for resisting urge to smoke, cigarette smokers with mean age of 39.6 yrs, 16128
development of & psychometric data for Multidimensional Anger Inventory, male vs female 40–63 yr old factory workers, 26245
development of Achievement Motive Questionnaire, measurement of achievement motive & sport performance, adults engaged in weekly athletic activities of majoring in or attending classes in physical education, 26209
development of action tendency job satisfaction instrument, management seminar attendees & managers & employed college students, 28960
development of Adolescent Activities Checklist, assessment of pleasant vs unpleasant activities & relationship to depression, 8th–12th graders, 20985
development of assessment measures of children's analogical thinking modifiability, 4–6.5 yr old disadvantaged & regular & special education kindergartners & mentally retarded 10–16 yr olds, 13471
development of auditory pursuit tracking as screening test, measurement of occupational hearing loss, male 16–21 yr olds with congenital blindness vs college students vs 37–54 yr old workers with noise-induced hearing loss, 21001
development of behavior-observation instrument, assessment of supervision in educational programs for mentally retarded children, female 25–36 yr old school supervisors, 28591
development of brief self report measure of Type A behavior pattern, 20–71 yr old patients referred for coronary angiogram, 18925
development of coding system to operationalize Gestalt therapy formulation of experiential organization, couples, 23451
development of comprehensive & upper secondary school tests, Sweden, 10533
development of Comprehensive Object Relations Profile, measurement of object relations concepts & differential diagnosis, schizophrenic vs borderline vs neurotic Ss, 23418
development of Computer Aptitude Literacy & Interest Profile, assessment of computer related abilities, 12–60 yr olds, 26225
development of Consultation Situations Inventory, assessment of consultant interview skills, graduate psychology students, 12857
development of criterion test & assessment of construct validity, measurement of clinical problem solving ability for selection purposes, medical school students, conference presentation, 18632
development of divorce impact questionnaire, assessment of perceptions about children's reactions to divorce, parents of 3rd or 5th graders from disrupted vs intact homes, 10825
development of Drug & Alcohol Information Survey, college students, 16138
development of family-of-origin scale as adjunct to family therapy, measurement of perceived family mental health, 16142
development of Feeding Interaction Report-Scale and Treatment, assessment of infant's oral motor performance & parent-child interaction, 2–20 mo olds & their parents, 5340
development of findings scales from Psychic Sociocommunicative Findings Sheet & psychodynamic interpretation, establishment of neurotic patterns of interaction, patients with neurotic or psychosomatic complaints, 26239
development of forced-choice questionnaire, measurement of schizophrenia, adult patients, 16119
development of functional time estimation scale, measurement of ability to estimate task duration, learning disabled vs nonhandicapped elementary school students, 8064
development of Gender-Stereotyped Attitude Scale for Children, kindergartners & 1st & 2nd & 4th graders, 2918
development of Geriatric Psychiatry Knowledge Test, assessment of knowledge of geriatric psychiatry, aged, 23477
development of German version of Wilson-Patterson Conservatism Scale, measure of conservatism, students, 163
development of Hamburg Rating Scale for Psychic Disturbances, heart surgery patients, 8072
development of How I See Myself scale, assessment of self esteem, 7th–8th graders, 10803
development of Infant Tenderness Scale, measurement of mother's perception of infant's physiological & contact needs, 15–32 yr old mothers, 13396
development of instrument for measurement of perceptions of stressors in children's lives & experiences with & emotional reactions to these stressors, 3rd–6th graders vs professionals, 26201
development of instrument measuring fears about psychotherapy, clients, 10824
development of Junior High Life Experiences Survey & scoring strategies, assessment of life stress & prediction of maladjustment, 7th & 8th graders, 168
development of Life Philosophy Scale, measurement of general & situational locus of control at work, factory employees at all hierarchy levels, 8070
development of Likert-type scale, measurement of attitudes toward nuclear disarmament & correlates, college students & ROTC cadets, 16153
development of male & female versions of sexual behavior inventory, adult couples, 10782
development of measure of attitudes toward nurses, physicians & medical educators & nurses & medical students, 2893
development of measure of attitudes toward working with computers, white collar employees from manufacturing organizations, 20891
development of Multimethod Job Design Questionnaire, interdisciplinary measurement of job design, supervisory & nonsupervisory employees, 2873
development of new forms of Armed Services Vocational Aptitude Battery, 18–23 yr old recruits at Air Force base, 23470
development of Offer Self-Image Questionnaire translation, adolescents, West Germany, 2920
development of Operant Supervisory Taxonomy & Index, assessment of supervisory behavior, theater & bank managers, 21000
development of pay satisfaction questionnaire, measurement of satisfaction with pay level & benefits & raises & structure & administration, professional & managerial & technical employees, 20996
development of Preschool Behavior Checklist, screening emotional & behavioral problems, 26–58 mo olds, 21009
development of problem solving questionnaire, 16149
development of Prose Quantification System based on teacher ratings, judgment of quality of 5th graders' prose & transfer recall, elementary school teachers, 18666
development of questionnaire, assessment of social & cultural & psychological factors of coronary heart disease & stroke, 30–69 yr olds in clinic screening, Japan, 10802
development of questionnaire, measurement of dietary restraint & disinhibition & hunger, 17–77 yr old dieters vs free eaters, 5344
development of quickly scored in-basket exercise, prediction of 1st-level supervisory performance, 23–64 yr old 1st-line supervisors, 28956

development of ranked activities daily living scale, function ability, poststroke patients, 5298
development of Rasch-type loneliness scale, employed & disabled & jobless adults, 10792
development of rating scale, identification of physical & cognitive & emotional & interpersonal requirements of athletic activities, US Naval Academy midshipmen, 20998
development of rating scales, assessment of content & style of careers counseling interviews, 13465
development of Reflections of Self & Environment, assessment of self actualization & creativity, adult students, 13402
development of revised Family Stress Checklist, determination of risk factors associated with child abuse or neglect & appropriate intervention services, pregnant females & their partners, 24794
development of scale for measurement of attitudes toward management of mentally retarded children, parents, India, 28932
development of scale to assess locus of control, 5th–6th graders, Mexico, 18940
development of self report questionnaire, measurement of distress & assertive behavior in interpersonal relations, phobic outpatients, 28928
development of self report questionnaire, measurement of ego strength, 6th graders, 8050
development of SES-Composite Index, measurement of SES in developmental outcome studies, infants, 2869
development of Sexual Psychopathology Scale from F. Thorne's Sex Inventory, measurement of sexual aggressiveness, college students vs convicted sex offenders, 13426
development of short neuropsychological screening battery, identification of cerebral dysfunction, brain damaged vs normal 9–14 yr olds, conference presentation, 5329
development of Single Parenting Questionnaire, assessment of parenting factors that relate to child adjustment, divorced custodial parents, 5342
development of social psychopathy scale & self monitoring & anxiety, male vs female American college students, US & West Germany, 13462
development of test battery measuring respiration & startle response & Y-maze activity & heart rate & body temperature, assessment of nicotine effects, 4 inbred strains of mice, 21003
development of tools to facilitate participation in residential evaluation procedures, moderately mentally retarded, 18952
development of Venereal Disease Health Belief Scale for assessment of educational needs, US & Caribbean Black college students, 166
development of vocational interest inventory, identification of single & cross-disciplinary interests, male vs female secondary school students, 10532
development of 3 scaled adjective lists congruent with C. E. Osgood's 3 dimensions of meaning, applications to measurement of occupational interests, 28955
developmental test based on STYCAR sequences developed by M. D. Sheridan, neurodevelopmental assessment, children under 3 yrs of age, 10786
experimental evaluation of pictures for projective tests, psychiatric patients, 13442
factor analysis of job satisfaction variables, 20–63 yr old teachers of mentally retarded & learning disabled & emotionally disturbed & severely handicapped students, 25720
finding appropriate source for retrieval of sample survey or development of instrument, bibliography, 26143
historical review of development & construction & validity of MMPI, 26199
internal external locus of control scale, dimensionality of locus of control concept, college students, France, 8065
inventory for assessment of pathology in separation-individuation process, patients with borderline personality, 2877
issues in neuropsychological assessment & test construction & performance on Tactual Performance Test, brain damaged adults, literature review, 18989
item sampling & selection & analysis methods in development of unipolar 20-item helplessness scale, 18927
item weighting for improved efficiency of diagnostic scales, 10820
length of survey & provision of structured vs unstructured space for comments, improving survey response, hotel guests, 10685
methodological issues in data collection for instrument development in nursing, 26236
methodological problems in construction & measurement of values & aspirations questionnaire, adults, Poland, 1980, 16159
negatively keyed items in personality & attitude scale construction, careless responses & problems in factor & cluster analysis of data, 16173
norms & reliability & preliminary validity of Subjective Anger Scale, measurement of propensity for anger responsiveness, adults, New Zealand, 10806
objects & methods & objectives of epidemiological surveys in mental health, 13469
parental collaboration in development of Parental Coping Scale, measurement of ways of coping with birth of chronically disabled child, parents of 2–12 mo olds with vs without Down's syndrome, 23423
pretesting item & examinee sampling errors in construction of norm-referenced test, analysis & selection of objective test items, 28639
projective assessment of self & other perceptions, 5332
psychometric properties of C. W. King & J. O. Summer's self designating scale of opinion leadership & construction of revised scale of consumer behavior influences, cable TV subscribers, 23420
psychometric properties of revised Self Consciousness Scale, college students, implications for use with other populations, 10834
range of response categories in closed-answer format, behavioral reports & judgments regarding TV usage, adults, 26242
reanalysis of data & revision of administration & scoring procedures for occupational motivation & morale scale, Army personnel, 112
recommendations & teacher training for development of individualized & standardized educational tests, 31331
reliability & validity & factor structure of instrumental activities of daily living measure, screening for impaired functional capacity, aged community residents, 23429
reliability & validity of Cognitive Triad Inventory, measurement of negative perceptions of self & world & future, depressed patients, 28931
reliability & validity of PPVT revision, intelligence screening, 3.5–8 yr olds, implications for pediatrics & elementary education, 135
reliability & validity of screening procedure, mental development, children up to 3 yrs old, 18929
reliability & validity of short screening devices constructed from individual assessment instruments, 5352
reliability of revised form of Tennessee Self-Concept Scale, deaf & hard of hearing 12–21 yr olds, 18950
research design choices of sampling characteristics & measure characteristics & developmental processes in marketing research, meta-analysis, 16112
revision & evaluation of method for assessment of symptoms related to internalization & externalization & somatization, 3–15 yr olds, 8054
revision of Eysenck-Withers Personality Inventory, measurement of extraversion & neuroticism, educable mentally retarded students with mean age of 14.9 yrs, Canada, 18628
revision of Frieburg Personality Inventory, adults aged 16 yrs & older, 5299
short-item "catch phrase" vs traditional statement-form questions approach, measurement of personality characteristics underlying social attitude patterns, 2930
simplified method of test construction utilizing knowledge of item difficulty levels, 164
Singer-Loomis Inventory of Personality, test of cognitive style on basis of perception of environment & behavior using Jungian typologies, adults, 5337
social network data items in annual General Social Survey, 118
strategies for development of structured oral licensure examinations, psychologists, 15497
suggestion for 2-factor dimensionality in assessment of labor union commitment, criticism of 4-dimensionality in questionnaire, by M. F. Gordon et al, 28952
test preparation & practice effects, test item characteristics & directions & format used in test construction, meta-analysis, 26238

validity & reliability of attitudes toward work scales, measurement & prediction of work schedule preferences, utility company workers, 16131
validity of Bell Alcoholism Scale of Adjustment, acceptance of illness nature of alcoholism, 16–73 yr old alcoholic patients, 8049
validity of scale measuring job motivation & satisfaction, Army soldiers, 13389
vertical vs horizontal answer sheet formats, scores on professional certification test, adult examinees, 28959
9-Affective Dimensions scale, multidimensional measurement of affective responses to music, junior high & high school & college students, 10781
Test Equating [See Score Equating]
Test Interpretation
adult vs adolescent vs mixed interpretive approaches, clinical accuracy ratings of MMPI protocols, 12–18 yr old inpatients rated by clinicians, 2883
automated interpretation of neuropsychological tests, 10760
Barnum effect in Luscher Color Test interpretation, college students, 16140
bivariate uniqueness analysis, uniqueness of pairs of scores on profile tests, 28966
computer-based test interpretation, comments on article by J. D. Matarazzo, 20446
computerized clinical psychological test interpretations, 19878
computerized scoring & interpretation package, K-ABC Automated System for Scoring & Interpreting Standardized Tests, 13343
development of Psychological Testing Report Form as alternative to narrative report of psychological assessment, 9647
effectiveness & relation to total test score of item response theory based appropriateness measures, differentiation among cooperative vs noncooperative vs random response patterns, 10th graders, 7745
high vs low undifferentiated scores on Strong Campbell Interest Inventory & definition of J. L. Holland's construct of differentiation, 23174
high vs medium vs low level of interest-appropriate experience, interpretation & validity of vocational interest test scores, high school juniors, 20813
history & development & rationale of computer assisted psychological test interpretation, 10767
impact of administration & automated scoring & interpretation of MMPI in health care delivery, medical patients, 26187
implications of large WISC/WISC-R Verbal-Performance IQ discrepancies, 6–16.9 yr olds, 19575
interpretation of Draw-A-Person test & ethnic identity, 7–9 yr olds, Nigeria, 19686
interpretation of results from multiscore test batteries, 114
issues of computer-based test interpretation, reply to comments by R. D. Fowler & J. N. Butcher, 20456
maximum likelihood vs robust estimation vs Rasch model of person analysis, estimation of examinee ability & identification of measurement disturbances, 5283
measurement error & instrument selection & score cutoff standards, assessment of stability of discrepancy score classification decisions in defining severe underachievement, computer simulation of hypothetical cases, 31355
method of categorizing WISC-R scores for educational assessment, bilingual learning disabled vs normal Mexican American 7–14 yr old students, 31383
method of profile analysis, interpretation of scores on Kaufman Assessment Battery for Children, illustrative case of high-functioning male preschooler, implications for educational diagnosis, 15931
methods of interpretation of human figure drawing tests, school children, 2928
microcomputers in administration & scoring & interpretation of psychological tests & professional & ethical & legal issues, 26181
microskills vs mental practice training, test interpretation skills, counselor trainees, 10180
multiple raw score vs single factor score regression, degrees of freedom & interpretation of results & loss of predictors on quality of life questionnaire, metropolitan residents, New Zealand, 28943
multivariate tests, computer-based interpretation of uniqueness of pairs or sets of scores in profile, 28967
need for caution in interpretation & provision of tables of statistically significant differences in subtest scaled scores on Test of Reading Comprehension, 28599
need for caution in interpretation of VIQ-PIQ differences in WPPSI, French speaking children, Canada, 16114
need for understanding of reliability coefficients & standard error of measurement in interpretation of scores of Luria Nebraska Neuropsychological Battery, 10797
negatively keyed items in personality & attitude scale construction, careless responses & problems in factor & cluster analysis of data, 16173
new scoring for General Health Questionnaire, measurement of chronic illness vs good health, 136
problems with standard scores for various levels of Vineland Adaptive Behavior Scales, mentally retarded individuals, 26248
psychodiagnostic test administration & interpretation as defined by legislation, involuntarily admitted psychiatric patients & females requesting abortions & patients with drug-related problems, Italy, 9188
reliabilities & duration quotients of clinically derived WISC-R subtest composites, 2889
reliability of methods for estimation of raw score standard error, interpretation of achievement & ability test scores, 18631
schizophrenia-like Rorschach results, relatives of schizophrenic vs brain damaged patients, 30233
self vs peer descriptions using Adjective Check List, interpretation of moderately elevated MMPI scores of normal Ss, male vs female college students, 8073
simultaneous percepts & fusion responses & contamination by influence in contaminated responses on Rorschach, 1803
standardized psychoeducational tests in screening program, prediction of reading & math ability-achievement score discrepancies on WISC-R vs Peabody Individual Achievement Test, 1st–5th graders, 15895
statistical base rates vs probability scales vs random assignment, improvement of diagnostic capability of Diagnostic Inventory of Personality & Symptoms, psychiatric patients, 28920
statistical procedure for determination of uniqueness of test scores in test profile in multivariate chi-square distribution, applications in computer-based test interpretation programs, 29016
stimulus response modalities as confounding factors in interpretation of measurement of successive & simultaneous styles of information processing, children, clinical & research implications, 28925
teacher-prepared vs district-wide standardized vs statewide assessment tests, educational decisions, beginning teachers, 23112
test interpretation & delivery of test results to client & followup, counselors, 20636
use of projective space in Sceno-Test protocols & free drawings, 6–15 yr old psychiatric patients, 2848
utility of combining Millon Clinical Multiaxial Inventory high point code data & MMPI 89/98 code type, refinement of interpretation of MMPI assessment, psychiatric patients, 23398
validity & reliability of verbal vs figural divergent thinking test & unique vs unusual ideas in obtaining originality scores, psychometric properties of ideational originality, gifted vs talented vs nongifted 5th–8th graders, 7773
verbal/nonverbal factor structure of Woodcock-Johnson Tests of Cognitive Ability, subtest interpretation comparison with WISC-R, 1st vs 3rd vs 5th vs 8th vs 12th graders, 5002
Test Items
accuracy of content representation, common-item equating with nonrandom groups, 18911
chi-square vs Angoff delta plot vs pseudo item response theory, detection of criterion bias of high school aptitude test data, 15940
compendium of test items in psychosocial assessment, 13440
design & application of task specification chart, assessment of item difficulty variances & Ss' response errors, 7th–9th graders, Israel vs US, 20796
development of adaptive item pools for Armed Services Vocational Aptitude Battery, recruits at Air Force base, 23469
evaluation of self disclosure items on Lutheran Youth Research Inventory, Indonesian college students, 31365
group ability & discrimination of item response distribution, 10830

historical perspective & immediate concern for altering context in which test items appear, literature review, 26180
inclusion of humorous test items in multiple choice grammar test, test performance & anxiety, 8th graders, 15922
item analysis with ELECTRE algorithm, establishment of validity in test scale, 23401
literal vs applied test questions, assessment of conceptual comprehension, college students, 31386
method for measurement of test item bias in education, 2590
MMPI critical item list, differentiation of borderline personality disorder from other personality disorders, 24–47 yr old psychiatric patients, 3911
questions regarding item composition of MacAndrew Alcoholism scale, 2919
semantic differential scale vs B. Bloom's Taxonomy of Educational Objectives, classification of test questions, junior college faculty members, 28620
test item phrasing, validity of attitude scales, 4th–6th graders, 20795
validity of MMPI subtle vs obvious test items, 18–72 yr old psychiatric patients, implications for test construction & psychometric theory, 16141
validity of number of options on multiple-choice test as assumption of proportionality, rate of performance, candidates for university admission, 20797
Test Normalization [See Test Standardization]
Test Norms
assessment of contemporary normative data, MMPI, 18–99 yr olds, 26200
assessment of norms of Bayley Scales of Infant Development, 12 mo olds, 28935
Brief Symptom Inventory college level norms, college students vs older adults vs younger adolescents, 13129
continuously adjusted age norms, estimation of WAIS IQ scores from Shipley-Institute of Living Scale for Measuring Intellectual Impairment, 16–64 yr old psychiatric patients, 10846
development of updated normative data for K-F index of MMPI, assessment of malingering, normal adults, 28987
factor structure & norms of Maslach Burnout Inventory, 20–62 yr old nurses, Great Britain, 28950
linear transformation equations, development of nonnormalized T-score tables based on contemporary normative MMPI data, 23510
mathematical model for cross sectional development of psychometrical intelligence, 8–65 yr olds, implications for age norms & scoring on intelligence tests, 10766
normalization of WPPSI, 4.3–6.3 yr olds, Spain, 26240
normative data for MMPI, 18–99 yr olds, 1983, 5295
normative data for neuropsychological measures, nondisordered 18–69 yr olds, 5272
normative data for Wechsler Memory Scale–Revised, 9.6–15.5 yr olds, 28939
normative data in Group Embedded Figures Test, group measurement of field dependence/independence, 15–24 yr old male automotive mechanical apprentice tradesmen, 18946
norms of original vs new version of Crawford Small Parts Dexterity Test, 20–35 yr olds, 20337
reliability & age norms for impulsiveness questionnaire, female vs male 16–87 yr olds, 20991
reliability & normative data for Simple Rathus Assertiveness Schedule, high school & college students & criminals, 8091
reliability & psychometric properties of Carlson Psychological Survey & applicability as personality screening test, male adolescent offenders, 29009
representativeness of WISC vs WISC-R vs WAIS IQ norms, use as criterion of mental retardation diagnosis, 9432
revised norms of Slosson Intelligence Test IQs vs PPVT standard scores, 30–89 mo old Black rural Head Start children, 20818
test norms & reliability of Group Embedded Figures Test, measurement of field dependence, accountants vs liberal arts vs business students, 18976
test norms for Harvard Group Scale of Hypnotic Susceptibility Form A, West Germany, 10788
validity & reliability & construction of adult norms for Nine Hole Peg Test, assessment of finger dexterity, 20–94 yr olds, 5316
validity & reliability of norms for Sport Psychology Quiz, college students & faculty, 10816
Test Reliability
administration & analysis vs Rasch & normal ogive models & reliability & validity of British Ability Scales, 9.6–10.5 yr old students, Australia, 20822
client satisfaction with & test reliability of Spanish vs English versions of Client Satisfaction Scale, Hispanics vs non-Hispanics, replication of research of R. E. Roberts, 23414
comparison of measures of cognitive styles associated with depression, college students, 2875
consistency & variation among Type A behavior measurement instruments, 40–49 yr old males at risk for coronary heart disease, 119
construct validity & reliability of Porter Needs Satisfaction Questionnaire, educators, 7768
construction & reliability & validity of Group Environment Questionnaire, assessment of group cohesion, sports teams, 20987
construction & reliability of Overt Aggression Scale, assessment of aggressive behavior, child & adult psychiatric patients, 13476
construction & validity & reliability of Dutch mood adjective checklist Amsterdamse Stemmingslijst, 127
correlations among self report anxiety & depression scales, male vs female college students, 8062
criterion validity & difficulty levels & internal consistency reliability estimates of Degrees of Reading Power test, prediction of reading abilities, 15949
development & internal consistency & validity of Job Interview Self-Statement Schedule, assessment of social-evaluative anxiety in job interview, college & graduate students, 28961
development & item content & reliability & validity of economic beliefs scale, 19–72 yr olds, 2887
development & reliability of Awareness and Expression of Anger Indicator, 18–60 yr old medical patients, implications for chronic pain research, 5293
development & reliability of psychological assessment instrument, evaluation of physical & mental deterioration, frail elderly patients, 23422
development & reliability of rating questionnaire, measurement of love styles, college students, 13421
development & validity & reliability of outcome-oriented evaluation instrument, effectiveness of North Carolina Drug Education School, 13140
development & validity & reliability of Family Functioning in Adolescence Questionnaire, 14–18 yr olds, 160
development & validity & reliability of Knowledge of Child Development Inventory, adolescent & adult females, 23449
development & validity & reliability of Teacher Stress Inventory, teachers of exceptional students, 15897
development of & psychometric data for Multidimensional Anger Inventory, male vs female 40–63 yr old factory workers, 26245
development of Comprehensive Object Relations Profile, measurement of object relations concepts & differential diagnosis, schizophrenic vs borderline vs neurotic Ss, 23418
differences in estimation of symptoms in rating scale for depression, physicians vs depressed inpatients, 22047
educational background & reported well-being, Eysenck Personality Inventory test-retest reliability coefficients, aged, 8071
evaluation of Halstead-Reitan Neuropsychological Test Battery indices of brain dysfunction, 20–40 yr old male chronic schizophrenics, 13399
evaluation of Millon Adolescent Personality Inventory, 18932
evaluation of Occupational Aptitude Survey and Interest Schedule, assessment of aptitudes & interests for career exploration, secondary students, 20814
experimenter induced response set, sensitivity of creative thinking as measured by Torrance Tests of Creative Thinking, graduate students, 2901
Eysenck Personality Inventory & psychoticism scales vs self report & peer ratings of 5-factor model, 24–96 yr old females vs males, 21007
factor analysis & validity & reliability of Strain Questionnaire, measurement of behavioral & cognitive & physical stress, 17–58 yr olds, 145

factor analysis of items in teacher ratings on Children's Behavior Rating Scale, identification of cognitive deficits, 5–15 yr olds in regular & special education classrooms, 23127
factor structure & reliability of Waksman Social Skills Rating Scale, screening for social skills treatment programs & their evaluation, kindergarten through high school students with vs without emotional disturbances, 15947
factorial & construct validity of Science Teacher Inventory of Need, secondary school science teachers, Malaysia, 7739
formula for assessment of reliability of correlation coefficients in test-retest designs, 10864
Goodenough Harris Drawing Test, assessment of field dependence/independence, 1st vs 3rd graders, 18983
guessing in multiple choice tests, reliability of transformation of intelligence test scores to deviation IQs, 13477
interest accuracy of Satz-Mogel short form & Modified WAIS-R short form, 16–72 yr old psychiatric patients, 120
internal consistency & short-term test-retest reliability of Smell Identification Test, adult males & females, 20990
internal consistency & temporal stability, Child Abuse Potential Inventory, at risk vs neglectful vs abusive parents, 13443
internal consistency of Causal Dimension Scale, measurement of causal attributions of depression, nursing students, 2865
internal consistency of Kansas Marital Satisfaction Scale, female participants in community childbirth education classes, 2916
internal consistency reliability & convergent validity of Stress Processing Report, measurement of stressful thinking styles & psychological & physiological symptoms, respondents, 23421
internal consistency reliability estimates of subscales of Luria Nebraska Neuropsychological Battery, 18–86 yr old psychiatric & brain damaged patients, 10821
internal consistency reliability of Category test & Speech Sounds Perception test & Seashore Rhythm test of Halstead-Reitan Neuropsychological Test Battery, psychiatric & brain damaged patients, 13444
interrater & internal reliability of cognitive therapy scale, assessment of therapist competence, cognitive behavioral therapists, 8063
interrater & test-retest reliability of Scale for Assessment of Negative Symptoms, chronic schizophrenic 20–45 yr olds, 23459
interrater reliability & internal consistency & factor structure & discriminant validity of Cognitive Therapy Scale, evaluation of competence in treating depression, cognitive therapists, 21022
item & reliability & factor analyses of English vs Chinese version of General Health Questionnaire, bilingual college students, Hong Kong, 5294
latent trait analysis, internal consistency of Beck Depression Inventory, 20–60 yr old inpatient alcoholics, 122
muscle tension & skin temperature reliability of Psychophysiological Stress Profile, 23–52 yr old hospital patients, 26217
out-of-level vs on-level Gates MacGinitie Reading Tests, score differences & reliability, 4th–5th grade poor readers, 5014
parallel-form reliability of Wechsler Memory Scale, geriatric patients with suspected dementia, 5315
positive reminiscence preceding Geriatric Depression Scale, scores & test-retest & interexaminer reliabilities, nursing home residents, 5291
previous experience with pain & pain perception during labor & reliability of McGill Pain Questionnaire, 17–38 yr old females, 151
psychometric assessment of measures of scripts in consumer memory, schematics & aschematics, 5338
psychometric evaluation of Health Self Determinism Index, measurement of motivation in health behavior, randomly selected adults, 13406
psychometric properties & concurrent validity & test-retest reliability of Nurses' Assertiveness Inventory, nurses, 10819
psychometric properties of C. W. King & J. O. Summer's self designating scale of opinion leadership & construction of revised scale of consumer behavior influences, cable TV subscribers, 23420
reliabilities & duration quotients of clinically derived WISC-R subtest composites, 2889
reliability & age norms for impulsiveness questionnaire, female vs male 16–87 yr olds, 20991
reliability & concurrent validity of forms of Developing Understanding of Self & Others Affectivity Assessment Device vs California Test of Personality, 1st graders, 13391
reliability & concurrent validity of self report measures of depression & anxiety & social desirability, college students, 21020
reliability & concurrent validity of trait & state forms of Multiple Affect Adjective Check List, male vs female 14–16 yr olds, 23462
reliability & construct validity of learning style questionnaire, college students, 23458
reliability & construct validity of Maslach Burnout Inventory, assessment of emotional exhaustion & depersonalization & personal accomplishment, advanced & graduate education students, 23468
reliability & construct validity of semantic differential format of Learning Style Inventory, undergraduate nursing students, 15919
reliability & dimensionality of Women as Managers Scale, female business communication students, reply to criticism of D. Ilgen & C. Moore, 10791
reliability & distribution & mean & variance scores, revised version of Psychoticism scale of Eysenck Personality Questionnaire, 17–70 yr olds, 2885
reliability & factor analysis of H. Cleckley's criteria, identification of psychotherapy, institutionalized mentally ill offenders, 10787
reliability & factor structure of Mother-Child Relationship Evaluation, assessment of parenting attitudes, mothers & fathers, 23492
reliability & factorial validity of Multidimensional-Multiattributional Causality Scale, measurement of achievement & affiliation locus of control, college students, 15929
reliability & factorial validity of Self Concept as a Learner measure & subscales, 7th graders, Australia, 7740
reliability & factorial validity of Student Development Inventory & subscales, college students, 7759
reliability & generalizability of Fear Survey Schedule & Fear Questionnaire across samples & gender & nations, measurement of phobic dimensions, review of research, 116
reliability & internal consistency & construct & convergent & discriminant validity of Perceived Support Network Inventory, counseling center clients vs college students, 23463
reliability & internal consistency of Behavioral Assessment Scale of Oral Function in Feeding, severely & profoundly handicapped & developmentally disabled students, 13450
reliability & normative data for Simple Rathus Assertiveness Schedule, high school & college students & criminals, 8091
reliability & performance on Southern California Visual Figure-Ground Perception Test, 18–81 yr old females, 13453
reliability & psychometric characteristics of Negative Self-Evaluation Scale for Children, sampling differences, 2926
reliability & psychometric properties of Carlson Psychological Survey & applicability as personality screening test, male adolescent offenders, 29009
reliability & validity & factor structure of revised Wechsler Memory Scale & subtests, identification of memory disorders, college students & general medical & alcoholic patients with organic brain syndrome, 2896
reliability & validity & interscorer agreement & psychometric properties of Anomalous Sentences Repetition Test & parallel versions of test, differential diagnosis between organic brain dysfunction & psychotic depression patients, 29006
reliability & validity & item analysis of Simplified Health Questionnaire, detection of school maladjustment, junior high school students, 18678
reliability & validity of alternate forms of PPVT-R & relationship to WAIS-R, learning disabled 18.3–37.6 yr olds referred from state rehabilitation agency for evaluation, 29001
reliability & validity of assessment of perceived self efficacy & its relation to mathematics task performance & mathematics self concept, 9–10 yr olds, 28628
reliability & validity of balanced attributional style questionnaire, 131
reliability & validity of Beck Depression Inventory, differentiation between depression & neuroticism, psychiatric patients & college students, Netherlands, 13400
reliability & validity of Behavior Objective Checklist, determination of individualized education objectives, preschool to 6th grade psychiatric patients in residential educational program, 2576

reliability & validity of Child Behavior Checklist & related scales, school-based assessment of social competence & behavior problems, female 9 yr old & male 8 & 10 & 12 yr olds, 13144
reliability & validity of Children's Depression Inventory & Child Depression Scale & Personality Inventory for Children, measurement of depression & anxiety & self esteem, 3rd–6th graders & their parents & teachers, 13458
reliability & validity of Children's Drug-Use Survey, 4th–6th graders in western community vs 9–12 yr old Native Americans, 18970
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
reliability & validity of Cognitive Triad Inventory, measurement of negative perceptions of self & world & future, depressed patients, 28931
reliability & validity of Collaborative Practice Scales, assessment of degree of professional collaboration & impact on patient care, 21–39 yr old nurses & 35–49 yr old doctors, 23491
reliability & validity of computer attitude scale, kindergarten through 12th grade teachers enrolled in microcomputer staff development courses, 15916
reliability & validity of confidence & popularity scales of Self-Attitude Inventory, assessment of self esteem, 13–17 yr old Catholic males, 23457
reliability & validity of English & Spanish language proficiency measures, assessment of listening comprehension & speaking ability, Spanish- & English-speaking Hispanic kindergartners through 3rd graders, 15928
reliability & validity of extended version of Objective Measure of Ego Identity Status, college & high school students, 2890
reliability & validity of Form B of Coopersmith Self Esteem Inventory concurrent with peers' sociometric choices & teachers' rankings of popularity & ratings of self esteem, 4th–7th graders, 15888
reliability & validity of Hemodialysis Stressor Scale, measurement of stress associated with hemodialysis, Ss with end-stage renal disease, 26235
reliability & validity of Hopelessness Scale for Children, 6–13 yr old psychiatric inpatients, 19944
reliability & validity of McMaster Family Assessment Device, assessment of family functioning, family members & employees & psychiatric inpatients, implications for family therapy, 21010
reliability & validity of microcomputer-based McDermott Multidimensional Assessment of Children, classification of exceptionality & development of individualized educational programs, children, 25909
reliability & validity of modified Hamilton Rating Scale for Depression, 18–61 yr old psychiatric inpatients, 5319
reliability & validity of Modifiers & Perceived Stress Scale, measurement of perceptions of stressful life events & anticipation of & responsibility for events & amount of social support, adult males, 28980
reliability & validity of Myers-Briggs Type Indicator in clinical & counseling & research settings, review of studies from 1975, 2874
reliability & validity of Myers-Briggs Type Indicator items, personality assessment, adult Ss, 13470
reliability & validity of nurses evaluation rating scale, assessment of salient dimensions of psychopathology & nursing care requirements, psychiatric patients, 23464
reliability & validity of Ohio Work Values Inventory, public school administrators, 25914
reliability & validity of pain behavior checklist, measurement of behavioral consequences of pain & factor structure of pain behavior, 16–60 yr old chronic headache sufferers, 18974
reliability & validity of Perkins-Binet Tests of Intelligence for Blind-Form U, 3rd & 5th & 7th & 9th graders with low vision, 5303
reliability & validity of Personality Style Inventory, assessment of Jungian personality types, college students, 18996
reliability & validity of Portuguese- & Spanish-language translation of revised Janis-Field Feelings of Inadequacy Scale, assessment of self concept, 12–19 yr olds, Brazil & Ecuador & Paraguay & Uruguay & Venezuela, 18938
reliability & validity of Positive Behavior Subscale of Social Performance Survey Schedule, college students, 147
reliability & validity of quality of life index, assessment of health & occupation & self acceptance, graduate nursing students vs 24–75 yr old dialysis patients, 13416
reliability & validity of self report & interview measures, DSM-III Axis II personality disorders, 18978
reliability & validity of self report ego strength questionnaire & correlation with 16PF subtest & school conduct, 16124
reliability & validity of short screening devices constructed from individual assessment instruments, 5352
reliability & validity of sociological surveys & self report questionnaires & structured interviews, measurement of intimacy, 5349
reliability & validity of Southern California Postrotary Nystagmus test, normal vs abnormal school age children & normal vs high risk infants, 13412
reliability & validity of Spanish translation of Physical Anhedonia Scale, detection of predisposition to schizophrenia, 19–23 yr old females, Spain, 10833
reliability & validity of types of scoring criteria for conservation tasks, kindergartners & 1st–6th graders, 23446
reliability & validity of Unpleasant Events Schedule, measurement of frequency & aversiveness of stressful life events, normal adults & depressed Ss, 146
reliability & validity of 3 tests of visual-motor integration, prediction of learning disabilities, kindergartners, 25887
reliability & validity of 30 Geometrical Figure Test & 30 Face Test, assessment of effect of ECT on nonverbal memory, depressed patients, 18939
reliability of abbreviated form of full Schedule for Affective Disorders & Schizophrenia, differential diagnosis & measurement of severity, unipolar depressed vs paranoid schizophrenic vs nonparanoid schizophrenic patients, 28969
reliability of alternate forms of Analytical Reading Inventory & Basic Reading Inventory & Ekwall Reading Inventory, 4th graders, 23113
reliability of Bilingual Background & Bilingual Self Rating Questionnaires, 2867
reliability of Boehm Test of Basic Concepts, Hispanic vs non-Hispanic kindergartners, 15930
reliability of Clinical Analysis Questionnaire, simultaneous assessment of normal & pathological traits, 16189
reliability of Competition Knowledge Test, measurement of competitive behavior, 13429
reliability of computerized administration of MMPI, 17–69 yr old psychiatric patients, 16171
reliability of family tree questionnaire, assessment of family history of drinking problems, inpatient alcohol abusers, 13437
reliability of group performance test of handedness, college students, 8415
reliability of items on State-Trait Anxiety Inventory, discrimination between actual vs retrospective anxiety, Ss with athletic backgrounds, 23482
reliability of Kaufmann Assessment Battery for Children subtest composites, 2917
reliability of Launey-Slade Hallucination Scale, measurement of disposition toward hallucination, college students, 16123
reliability of MMPI, male Spanish speaking federal prisoners, 2925
reliability of Modified Rathus Assertiveness Schedule, 7th graders, 26205
reliability of Personal History Inventory for Children, assessment of functionality of children's support systems, teachers & school age children from intact & divorced families, 28988
reliability of Psychological Inventory of Personality & Symptoms, college students, 18966
reliability of public school version of AAMD Adaptive Behavior Scale, educational placement, teachers & 16–21 yr old trainable mentally retarded students, 2554
reliability of Pyramid Scales, criterion-referenced measure of adaptive behavior, developmentally disabled persons, 10812
reliability of rating scales, measurement of adaptive processes, adolescent psychiatric patients vs diabetics vs high school students, 20984
reliability of revised form of Tennessee Self-Concept Scale, deaf & hard of hearing 12–21 yr olds, 18950

reliability of scale for assessment of thought/language & communication vs endogenomorphic schizophrenic axial syndrome scale, assessment of language & thought disorders, patients with schizophrenia vs mania, conference presentation, 23447
reliability of scales to assess stages of marital conflict, 19–28 yr old married couples, 28946
reliability of self completion vs interview administered Short-Form Alcohol Dependence Data Questionnaire, 20–53 yr old alcoholics, Brazil, 13427
reliability of Self-Directed Learning Readiness Scale, measurement of self directed readiness & life satisfaction, adults age 60 yrs & older with low educational attainment, conference presentation, 23098
reliability of self report measures of alcohol consumption, 18–99 yr olds, 18999
reliability of short form of Interpersonal Style Inventory, assessment of interpersonal behavior & impulse control, high school seniors, 23456
reliability of signed version of Parent As A Teacher Inventory, measure of childrearing expectations, deaf parents of normally hearing 2–7 yr olds, 23481
reliability of standard psychiatric rating scales of mood & affect, 18–44 yr old male schizophrenic inpatients, 8058
reliability of Standford Achievement Test-Hearing Impaired Version, Black vs White vs Hispanic primary to secondary school students, 25941
reliability of stroke care information test, assessment of knowledge of stroke consequences, family caretakers of stroke victims, 23427
reliability of student course & teacher evaluation instrument, college students, 20815
reliability of Swedish version of Illness Behavior Questionnaire, assessment of somatic syndromes, 20–70 yr old patients, Sweden, 18971
reliability of 55- vs 25- vs 15-item Attitudes Toward Women Scales, male & female college students & their mothers & grandmothers, 28940
rescaling & reliability & validity of grade equivalent units of Degree of Reading Power test, assessment of readability of reading materials for 1st grade through graduate school, 28590
retest correlations for Rorschach test variables, hospitalized patients with symptoms of depression &/or helplessness, conference presentation, 8074
review of normative & reliability & validity & other psychometric data on Career Orientation Placement & Evaluation Survey, assessment of values & relation to vocational motivation, 25927
revision & internal consistency & intercorrelations & sex role identity correlations of Scales for Investigation of Dual Career Family, 25–45 yr old married females with 1 child under 12 yrs old, 23431
selling orientation/customer orientation scale, assessment of salespeople's perceptions of buyer-seller interactions, purchasing professionals, 8093
split half reliability of Hand Test, psychiatric patients, 16186
stability of Armed Services Vocational Aptitude Battery over several sessions, males & females of military service age, 5317
stability of Clifton Assessment Procedures for Elderly, clinical diagnosis, 67–93 yr old females with wide range of cognitive impairments & physical disabilities, 23461
stability of Franck Drawing Completion Test & effect of occupational status, assessment of unconscious gender identity, 20–34 yr old males, 7-yr followup, Sweden, 29911
stability of MMPI code types, psychiatric patients, 22056
stability of WISC-R IQ scale & subtest scores, juvenile court sample of neglected youth, 23441
standardization & reliability of subtests of motor-skill performance measure, age groups up to 72 yrs, 18988
statistical norms & reliability of Children's Depression Inventory, 8–16 yr olds, 16180
statistical technique for improvement of split half reliability estimates of Rorschach, premedical college students & clinical outpatients, 23487
structure & reliability & scoring system of German version of Social Interview Schedule, 18943
test & interrater reliability of bedside cognitive screening tests, diagnosis of delirium & dementia, 16164
test norms & reliability of Group Embedded Figures Test, measurement of field dependence, accountants vs liberal arts vs business students, 18976
test-retest reliability & concurrent validity of mental stress test & indices of reactivity to stress, measurement of cardiovascular change, males, 19363
test-retest reliability & convergent validity of peer nomination & R. C. Roistacher's sociometric rating scale, preschool & kindergarten students, 13410
test-retest reliability & criterion validity of commercial basal mastery reading tests, measurement & study/reference & comprehension & vocabulary skills, 4th–6th graders, 10561
test-retest reliability for verbal fluency test, patients with dementia syndrome, 8061
test-retest reliability of Beck Depression Inventory & significance of life events scores, college students, 19000
test-retest reliability of Diagnostic Interview for borderline personality disorder, psychiatric patients, 11966
test-retest reliability of Freehand Script Maze, therapeutic script awareness in transactional analysis, college students, 5304
test-retest reliability of Hand Test, institutionalized mentally retarded 19–69 yr olds, 9466
test-retest reliability of Ishihara's Tests for Colour-Blindness, normally sighted vs color blind 8–13 yr olds, 5326
test-retest reliability of personality vs symptom scales of Millon Clinical Multiaxial Inventory, measurement of treatment outcomes, psychiatric patients assessed at admission vs before discharge, 23466
test-retest reliability of rape index, measurement of arousability to rape cues, rapists, 16130
test-retest reliability of Schedule of Recent Experiences, 18–60 yr olds in Army active military reserves, 10823
test-retest reliability of self reported estimates of alcohol consumption during pregnancy, recovering female alcoholics, 1409
test-retest reliability of sex role attitude scale, 18–49 yr old male college students, 8068
test-retest reliability of Spanish version of Junior Eysenck Personality Questionnaire, children & adolescents, Spain, 28990
test-retest reliability of WISC-R verbal & performance & full scale scores, educable mentally retarded & learning disabled 1st–12th graders, 20824
test-retest reliability of 3 short forms of McCarthy Scales of Children's Ability, estimation of general cognitive index scores, 5.3–6.3 yr olds, implications for screening for developmental disabilities, 25915
test-retest stability for WAIS-R, male psychiatric & neurological patients, 162
test–retest reliability of Schedule for Affective Disorders & Schizophrenia–Lifetime Version, diagnosis of major depression, 20–43 yr old females living near nuclear facility, 26193
training in test taking, internal consistency & predictive validity of mathematics achievement test, Hispanic community college students, 7764
utility & reliability & validity of measures of self control, 4th–6th graders & teachers & parents, 16169
validity & reliability & construction of adult norms for Nine Hole Peg Test, assessment of finger dexterity, 20–94 yr olds, 5316
validity & reliability & factor analysis of Children's Depression Scale, male vs female 10–13.8 yr olds, 26190
validity & reliability & factor structure of Global Assessment of Recent Stress Scale, male 25–65 yr old heavy smokers or diabetics, 5314
validity & reliability & stability of handedness assessment, measurement of reaching & object manipulation & complementary bimanual action, male vs female 6–13 mo olds, 28984
validity & reliability & utility of counselor rating scales, review of 3 counseling journals, 1974–84, 8102
validity & reliability of Anxiety Sensitivity Index vs fear & anxiety frequency measures, prediction of fearfulness & anxiety disorders, college students vs 20–71 yr olds with agoraphobia vs anxiety disorders, 10827
validity & reliability of attitude scale & clinical rotation in rheumatology, measurement & improvement in attitudes toward arthritis, nursing students, 28985

validity & reliability of Children's Action Tendency Scale & Children's Assertive Behavior Scale & Children's Assertiveness Inventory, 4th–5th graders, 16172
validity & reliability of cognitive & affective computer attitude scales, students & teachers & other educational personnel, implications for educational planning, 7741
validity & reliability of Combat Exposure Scale & Posttraumatic Stress Disorder Scale, male Vietnam combat veterans, 20993
validity & reliability of Crandell Cognitions Inventory, assessment of self reported frequency of depressive thoughts, depressed vs nondepressed psychiatric patients, 26204
validity & reliability of Eating Disorder Inventory, assessment of behavioral & psychological traits of anorexia & bulimia, 10793
validity & reliability of fear of accidental death & injury scale, male vs female White vs non-White 12th graders & college students, 128
validity & reliability of Heterosocial Assessment Inventory for Women, measurement of dimensions influencing social behavior, single female college students, 20999
validity & reliability of Intermediate Booklet Category Test, diagnosis of learning disabilities, 9–14 yr old learning disabled vs regular education students, 26195
validity & reliability of Level of Supervision Inventory classification instrument, assessment of rehabilitation needs & recidivism risk, offenders in halfway houses, 23416
validity & reliability of measure of authoritarian personality, police officers & other adults, 8078
validity & reliability of norms for Sport Psychology Quiz, college students & faculty, 10816
validity & reliability of Pictorial Self Concept Scale, hearing impaired 4–8 yr olds, 5297
validity & reliability of print awareness test, assessment of understanding of function of print, 3–5 yr old prereaders & 2nd grade poor readers from middle- or upper-middle-class backgrounds, 10536
validity & reliability of quality of life index, measurement of satisfaction with nursing care & personal control, cancer vs diabetic vs colostomy patients, 13452
validity & reliability of questionnaire, measurement of autonomous vs dependent style of behavior, 9th & 10th graders & 2nd yr technical students, 7770
validity & reliability of scale to measure belief in lunar effects, male vs female 17–63 yr olds, implications for construct validity of belief in paranormal phenomena, 28995
validity & reliability of self assessment questionnaire for patient educators, 1st–3rd-yr family practice medical residents, 13456
validity & reliability of Shepherd Scale, differentiation between Christians vs non-Christians, college students, 5325
validity & reliability of Stages of Concern for Exercise Scale, compliance in work-site exercise program, 17–66 yr old employees, 5311
validity & reliability of use of language in assessment of pain, literature review, 26188
validity & reliability of verbal vs figural divergent thinking test & unique vs unusual ideas in obtaining originality scores, psychometric properties of ideational originality, gifted vs talented vs nongifted 5th–8th graders, 7773
validity & sensitivity of nonverbal objective measures based on continuous observation vs self report, assessment of labor pain behavior, primiparae giving natural childbirth, 13398
validity & test-retest reliability of Jenkins Activity Survey, assessment of coronary prone behavior, 40–49 yr old males, Czechoslovakia, conference presentation, 8109
validity & test-retest reliability of semantic differential Personal Involvement Inventory, measurement of consumer behavior, college & graduate business students & clerical & administrative staff, 10847

Test Scores [See Also Cutting Scores, Intelligence Quotient, Standard Scores]

academic & demographic factors, performance on obstetrics & gynecology subject exam, medical students, 15516
adapted vs nonadapted physical science text, test scores, learning disabled 7th graders, 15844
addition of "don't know" answer to Palmore's Facts on Aging quizzes, response accuracy & quiz validity, college students, 8055
analysis of scores on Embedded Figures Test, 16–22 yr old secondary & technical school students, Poland, 2566
anxiety & depression as measured by MMPI & Taylor Manifest Anxiety Scale, WAIS scores, 15–78 yr old acute psychiatric inpatients, 30114
background knowledge, test scores & performance on Nelson-Denny Reading Test, college students, 20800
changes in scores on locus of control of behavior scale during behavioral therapy, prediction & prevention of relapse of stuttering, adult stutterers, 10-mo followup, 25227
comparison of test scores obtained on WAIS & WAIS-R in upper ranges of IQ, medical students, 18967
computer software for application of distribution counting vs general purpose sorting algorithms to sorting of test scores, 26267
computerized vs paper-&-pencil version of arithmetic reasoning test & ability, mean test scores, 18–25 yr old military recruits, 28977
development of equations for estimates of full MMPI scale scores for Improved Readability Form for use with cognitively impaired, hospitalized psychiatric patients, 28924
differences in elevations in K-corrected vs uncorrected MMPI T scores, psychiatric vs medical patients vs nonpatients, literature review, 28964
distributive justice & prior knowledge of test score distribution, learning motivation & writing test performance, high school students, 23011
effectiveness & relation to total test score of item response theory based appropriateness measures, differentiation among cooperative vs noncooperative vs random response patterns, 10th graders, 7745
error analysis & scoring accuracy of Self Directed Search: A Guide to Educational and Vocational Planning, 9th graders, 10523
family income & SAT scores, college attendance & educational attainment, college students, 2-yr followup, 10401
formula for evaluation of abnormality of WAIS-R Verbal-Performance IQ discrepancies, comment on R. W. Payne & H. G. Jones's study, 5335
grade level & standard scores on Wide Range Achievement Test vs Woodcock-Johnson Psycho-Educational Battery's subtests, learning disabled vs nonreferred regular education elementary school students, 2493
high hostility scores on MMPI while in medical school, prediction of coronary disease & mortality, physicians, 25-yr followup, 22804
high vs low undifferentiated scores on Strong Campbell Interest Inventory & definition of J. L. Holland's construct of differentiation, 23174
implications of large WISC/WISC-R Verbal-Performance IQ discrepancies, 6–16.9 yr olds, 19575
Introversion–Extraversion & General Occupational Themes scales score differences of Strong-Campbell Interest Inventory, Hispanic vs Anglo male vs female college students, 24558
language & speech intervention, clinical progress & psychological test results, 5–13 yr olds with language or psychomotor disorders, 28021
linear transformation equations, development of nonnormalized T-score tables based on contemporary normative MMPI data, 23510
lunar phases, personality test scores, college students, attempted replication of study by R. Davenhill & F. N. Johnson, 6420
maladjustment & carelessness & indecision as potential causes of inconsistency in MMPI scores, college students, 23399
method of categorizing WISC-R scores for educational assessment, bilingual learning disabled vs normal Mexican American 7–14 yr old students, 31383
minimax vs Rasch procedure, determination of passing scores for subtests when passing score for total test is known, 13139
multiple raw score vs single factor score regression, degrees of freedom & interpretation of results & loss of predictors on quality of life questionnaire, metropolitan residents, New Zealand, 28943
need for caution in interpretation & provision of tables of statistically significant differences in subtest scaled scores on Test of Reading Comprehension, 28599
neuropsychological test scores & ratings of treatment compliance & predicted outcome, hospitalized male alcoholics, 7489

out-of-level vs on-level Gates MacGinitie Reading Tests, score differences & reliability, 4th–5th grade poor readers, 5014
personality characteristics, WAIS subtest scores, graduate & postgraduate students, 6415
personality factors as assessed by 16PF, American College Test scores, college honor students, 2434
polychotomous item response model, detection of inappropriate test scores, 26207
rank order vs unit vs critical incident vs regression methods of weighting predictors, composite scores in concurrent vs cross validity job analysis studies, college housing residents, implications for personnel psychology, 5354
reliability & distribution & mean & variance scores, revised version of Psychoticism scale of Eysenck Personality Questionnaire, 17–70 yr olds, 2885
reliability & validity of scores on essay tests, elementary school teachers, 4976
scores on Family Environment Scale, 27–56 yr old mothers of 9 yr olds, New Zealand vs US, 21841
scores on McGill Pain Questionnaire, patients with low back vs musculoskeletal pain with vs without worker's compensation, 27624
scores on Raven Standard Progressive Matrices, high vs low ability students in 1st–5th grades vs 8 yr olds in school for deaf/mute, Peoples Republic of China, 18620
separate answer sheets with vs without prior practice vs answering directly in booklet, performance on Iowa Test of Basic Skills, 3rd graders, 10564
standard scores on WISC-R vs Kaufman Assessment Battery for Children, gifted 5th–6th graders, 15923
standardized psychoeducational tests in screening program, prediction of reading & math ability-achievement score discrepancies on WISC-R vs Peabody Individual Achievement Test, 1st–5th graders, 15895
statistical procedure for determination of uniqueness of test scores in test profile in multivariate chi-square distribution, applications in computer-based test interpretation programs, 29016
study methods, test scores on content area examinations, college students in reading course, 10416
teacher's ratings of vocabulary & comprehension & mathematics & verbal intelligence vs scores from Progressive Achievement Tests & PPVT-R, 8.6–10.5 yr old students, Australia, 15938
validity of equipercentile assumption in selection & pretest scores, comments on article by S. Power, 5016
verbal reinforcement, WAIS scores, White college students with high vs low anxiety, 9127
vertical vs horizontal answer sheet formats, scores on professional certification test, adult examinees, 28959
WAIS vs WAIS-R IQs & congruence with composite & subscale scores of American College Testing entrance examination scores, college students, 4999
WISC-R vs WAIS Performance scale scores, deaf adolescents, 22229

Test Standardization

age & year of birth cohort & standardization, scores on Wechsler intelligence tests, 28989
construction & standardization of visuomotor test, assessment of effects of visuomotor ability, 4–6 yr olds from Head Start programs, Puerto Rico, 28927
correction of speeded subtest scores from answer sheets of Armed Services Vocational Aptitude Battery, current service applicants vs 1980 youth sample, 21023
development of standardized IQ scores for MA range below 5.3 yrs on 1972 version of Stanford Binet, severely & profoundly retarded adults, 9427
English standardization of Boehm Test of Basic Concepts-Form A, measurement of mastery of concepts required to achieve in 1st yr of school, 3.5–7.5 yr olds, Great Britain, 28643
standardization & factorial validity of Jenkins Activity Survey, measurement of coronary prone behavior, male 45–59 yr olds with coronary heart disease vs risk factors, East Germany, 13474
standardization & reliability of subtests of motor-skill performance measure, age groups up to 72 yrs, 18988
standardization & validation of battery of clinical neuropsychological tests, patients with aphasia, 28993
standardization of Battery of Attitudes for Programmers, factorial test of abilities related to success in computer programing & systems analysis, 18–35 yr olds with different levels of exposure to data processing, Italy, 13464
standardization of modified version of Miniature Toys Test, language development in assessment of self related vs detached-from-self play, 18 mo to 4.5 yr olds, 26208
standardization of R. H. Rosenman's structured interview for Type A behavior, Czechoslovakia, 5308
standardization of writing speed measure & large print version of WISC-R coding subtest, 3rd–10th graders, implications for testing learning disabled children, 28948

Test Taking

academic competence belief level, frequency of negative thought content vs subjective meaning attached to thoughts & anagram & mathematics test performance, female college students, 20716
answer changing behavior on objective tests, student test takers, 15885
answer-until-correct format of multiple choice test of spatial reasoning, operation of partial knowledge, secondary school students, UK, 31228
attitudes toward achievement testing, behavior disordered students in regular vs self contained classes vs normal students in 3rd–6th grade, 15864
audiovisual aids for assistance in test taking strategies, students with learning disabilities, 28519
Bayesian procedure for estimation of ability & difficulty parameters of Rasch's multiplicative Poisson model for misreading of achievement tests, students, 28614
effectiveness & relation to total test score of item response theory based appropriateness measures, differentiation among cooperative vs noncooperative vs random response patterns, 10th graders, 7745
effort manipulated by monetary reward & aversive representations, test performance, high school students with low vs high test anxiety, 22997
free vs assigned seating during exam, answer copying, college students, 25918
need for consideration of characteristics of psychometric tests, measurement of impact of gerontological nursing, elderly patients, 10814
relaxation/cognitive therapy &/vs study skills training, test anxiety & academic performance, test-anxious college students, 31319
repeated study & retesting on reading assignments, acquisition & retention of rote vs conceptual material, slow vs fast learning college students, 7750
spontaneous use of test taking skills on reading achievement tests, 3rd graders with learning disabilities, 2586
study & test taking skills & unrealistic expectations & belief in negative self statements & Type A behavior, high vs low achieving college students with high vs low test anxiety, 31224
suitable mood & attuning for task, performance on grammatical reasoning test, psychology vs engineering college students, 333
test anxiety, test performance & cognitive self appraisal, anxious college students enrolled in statistics course, 15748
test preparation conditions, performance on analytical ability items of Graduate Record Examination, test applicants, 5008
test taking skills & strategies, achievement on standardized reading tests, elementary school students, 10423
test-taking training, standardized achievement test-taking skills, learning disabled 2nd & 3rd graders, 20784
testing spatial abilities in different languages, bilingual 12–40 yr old students proficient in English & Arabic or Hausa or Yoruba, 2587
testwiseness as learned & inherited cognitive ability, implications for educational shift to test-taking skills, 10271
training in test taking, internal consistency & predictive validity of mathematics achievement test, Hispanic community college students, 7764
training programs with testwiseness vs test-taking strategies, test performance, elementary through high school students, meta-analysis, 10375
use of notes & textbooks during examinations, test performance, psychology college students who were candidates for degree honors, 28469

Test Validity
administration & analysis vs Rasch & normal ogive models & reliability & validity of British Ability Scales, 9.6–10.5 yr old students, Australia, 20822
administration of French version of Association of Methodology & Documentation in Psychiatry Psychopathology & Somatic scales, extraction of 17-item anxiety scale, patients, France, 16125
approaches for validation of National Teacher Examinations, assessment of competency, teachers, 25898
Auditec NU-6 word lists, performance intensity functions, 13–77 yr olds with cochlear disorders vs retrocochlear lesions, 8092
awareness of objective measure & completion of performance test, self rating in retrospective pretest-posttest design & response shift phenomenon, college students, 20977
Barnum effect in Luscher Color Test interpretation, college students, 16140
Bayley Scales of Infant Development, interobserver agreement & descriptive utility & prediction of success in conditioning programs, nonambulatory profoundly mentally retarded 2–28 yr olds, 13475
Beck Depression Inventory, measurement of general psychopathology vs depression, male college students vs psychiatric patients, 28962
bibliography of research & development & implementation of meta-analysis & validity generalization techniques in educational & industrial studies, 2950
California Achievement Test as criteria, criterion-related validity of PPVT-Revised, elementary school students, 2588
clinical correspondence of complete MMPI vs abbreviated MMPI-168, male psychiatric patients, 26219
clinical utility & validity of psychological inventory of personality & symptoms, measurement of psychopathology based on DSM-III criteria, 20–66 yr old psychiatric patients, 18992
color preference & MMPI scores, chronic alcohol & drug addicts, 30257
comparison of WISC-R & subsequent WAIS-R IQ scores, institutionalized mentally retarded Ss tested at 12–15 & 15–21 yrs old, implications for educational placement, longitudinal study, 10556
concurrent & predictive validity of WISC-R & McCarthy Scales of Children's Abilities & Tests of Cognitive Ability from Woodcock-Johnson Psycho-Educational Battery, academic achievement, 1st graders, 2-yr longitudinal study, 10552
concurrent predictive validity of neuropsychological instruments & intelligence measures, prediction of academic achievement, 6.5–8.5 vs 8.5–11 yr olds with reading disabilities, 23114
concurrent validity of adaptation of WISC-R for deaf children & Hiskey-Nebraska Test of Learning Aptitude, prelingually deaf 6.8–16.3 yr olds, 18973
concurrent validity of Bracken Basic Concept Scale, evaluation of language & academic readiness, kindergartners through 2nd graders in regular vs remedial education, 4977
concurrent validity of Child Behavior Checklist, 6–11 yr olds referred to child psychiatry outpatient department, 2881
concurrent validity of Children's Adaptive Behavior Scale & Adaptive Behavior Inventory for Children vs Adaptive Behavior Scale-School Edition, educable mentally retarded & slow learning 6–10 yr olds & their parents & teachers, 31335
concurrent validity of Comprehensive Tests of Basic Skills & teacher's ratings, achievement in 5 curricular areas, 4th–5th grade teachers, 20805
concurrent validity of PPVT-R with Comprehensive Tests of Basic Skills-Form U, 6.3–11.4 yr old elementary school students, 7742
concurrent validity of Vineland Adaptive Behavior Scales-Classroom Edition & Vineland Social Maturity Scales & their mean scores, mentally retarded 7.5–18 yr olds, 26192
consistency & variation among Type A behavior measurement instruments, 40–49 yr old males at risk for coronary heart disease, 119
construct & concurrent & discriminant validity of Career Decision-Making Self Efficacy Scale, college students, 10828
construct & concurrent validity of nonverbal scale of Kaufman Assessment Battery for Children & its presentation using pantomime or gestures vs American sign language, severely hearing impaired 7–12 yr olds, 13457
construct & empirical validity of Baby Behavior Questionnaire & Toddler Behavior Questionnaire, measurement of infant behavior differences, 3 mo vs 11–15 mo olds, 18951
construct reliability & validity of MCCP, parental control behavior, parents, France, 169
construct validity of irritability & emotional susceptibility scales, 23419
construction & reliability & validity of Group Environment Questionnaire, assessment of group cohesion, sports teams, 20987
construction & validity & reliability of Dutch mood adjective checklist Amsterdamse Stemmingslijst, 127
construction & validity of Levels of Attribution & Change Scale, assessment of levels & loci of causal attributions about self select problem, college students, 10822
construction & validity of locus of control questionnaire, college students, France, 28944
construction & validity of pre- & postlabor forms of Schroeder Labor Locus of Control Scale, primigravidous females who had vs had not attended childbirth classes assessed prior to vs 6–18 hrs following delivery, 23476
construction & validity of rating scale, measurement of voice & pronunciation quality, Dutch-speaking Ss, 130
content analysis of Rokeach Dogmatism Scale, invalidity of scores for Bible believers, conference presentation, 8057
content relevance & coverage of 3 standardized tests of grammatical ability, 16156
content validity, children's version of Family Environment Scale, 3rd & 7th graders, 13455
content validity of GSM-1 questionnaire, measurement of inclination toward mysticism, college students, 8088
convergent & discriminant validity of Body Esteem Scale, assessment of body awareness, college students, 23430
convergent & discriminant validity of ethnic attitude measures &/vs role & perspective taking tasks, White 2nd–4th graders, 18968
convergent & discriminant validity of Mental Processing scales of Kaufman Assessment Battery for Children, assessment of cognitive ability, 1st graders, 10519
convergent & divergent validity of Revised Children's Manifest Anxiety Scale, gifted children, 2911
convergent validity & predictive ability of MMPI Psychopathic Deviate subscales, 17–57 yr old male offenders, 1-yr followup, 10783
convergent validity of Multidimensional-Multiattributional Causality Scale with Mathematics Attribution Scale, assessment of relationship of effort & ability to school success & failure, 14–18.1 yr old talented high school students, 7769
convergent validity of TAT & Test of Humorous Phrases, psychodiagnostic implications, 5288
convergent validity of 4 innovativeness scales, college students, 23437
correspondence between Arbeitsgemeinschaft fuer Methodik und Dokumentation in der Psychiatrie system & Comprehensive Psychopathological Rating Scale, depressive & manic & schizophrenic 15–77 yr olds, 26255
criteria for evaluation of WAIS-R short forms, 5336
criterion-related validity of Kansas Marital Satisfaction Scale, 17–91 yr old married vs recently separated females, 18985
criterion-related validity of self report inventories, prediction & measurement of heterosocial skillfulness, male college students, 18944
criterion validity & difficulty levels & internal consistency reliability estimates of Degrees of Reading Power test, prediction of reading abilities, 15949
criterion validity of Ball Aptitude Battery, prediction of success, carpenters & horticulturists in training & accountants & production workers & school teachers, 13409
criterion validity of new internal external locus of control scale vs Rotter's scale, job satisfaction, employees, 8101
cross cultural validity & factor analytic similarity of WAIS subtest scores, workers referred for psychiatric evaluation, Mexico, 16150
cross cultural validity of Developmental Test of Visual-Motor Integration, mildly retarded 11–12 yr olds, Japan, 8114

cross cultural validity of learning disability index for WISC-R, Mexican American vs Papago learning disabled children, analysis of S. P. Mishra's study, 5309
cross-validation of Back Pain Classification Scale, chronic low back pain & headache patients, 18982
cross validation of instrument for determination of control anxiety, paranoid schizophrenic 23–55 yr olds, 5339
cross validation of objective tests used to measure authoritarianism & psychoticism & Machiavellian views & neuroticism, college students, England, 28938
cross validation of short forms of WAIS-R, geriatric patients with suspected dementia, 16158
cutoff scores & Connors 10-item Abbreviated Teacher Rating Scale, diagnosis of attention deficit disorder with vs without hyperactivity, 2nd & 3rd grade teachers, 1-mo followup, 15946
defective validity of Altemeyer authoritarianism scale, adults, Australia, 23472
Denver Developmental Screening Test, biologically vulnerable 4–12 mo olds, 21016
description & application of Levitt Conscious Preference-Rejection Test, discrimination of violent vs nonviolent defendants, male offenders, 8086
determination of age & sex & racial test bias of subscales of Personality Inventory for Children, adolescents & children referred for evaluation for behavior & emotional problems, 13430
development & construct & discriminant validities of Parental Locus of Control Scale, parents with vs without parenting problems vs with behaviorally or emotionally disturbed school age children, 28936
development & internal consistency & validity of Job Interview Self-Statement Schedule, assessment of social-evaluative anxiety in job interview, college & graduate students, 28961
development & item content & reliability & validity of economic beliefs scale, 19–72 yr olds, 2887
development & validation of Children's Self-Report Psychiatric Rating Scale, clinical & normal 6–13 yr olds, 16122
development & validation of general causality orientations scale, measurement of autonomy & control & impersonal orientations, college students, 13407
development & validation of Simon-Dole Listening Comprehension Test, measurement of listening comprehension as predictor of reading comprehension, 5–7.2 yr olds tested in kindergarten vs 1st grade, 25902
development & validity & reliability of outcome-oriented evaluation instrument, effectiveness of North Carolina Drug Education School, 13140
development & validity & reliability of Family Functioning in Adolescence Questionnaire, 14–18 yr olds, 160
development & validity & reliability of Knowledge of Child Development Inventory, adolescent & adult females, 23449
development & validity & reliability of Teacher Stress Inventory, teachers of exceptional students, 15897
development & validity of attitudes toward college inventory, prediction of college attendance, 13–19 yr old economically disadvantaged students, 18644
development & validity of quality of life questionnaire, multidimensional measurement of response to ecological domains, volunteers with mean age of 38 yrs, 13414
development & validity of questionnaire for nursing research methods course, college students, 20825
development of & psychometric data for Multidimensional Anger Inventory, male vs female 40–63 yr old factory workers, 26245
development of Comprehensive Object Relations Profile, measurement of object relations concepts & differential diagnosis, schizophrenic vs borderline vs neurotic Ss, 23418
development of easy-to-administer WAIS-R short forms for test-retest situations, 22–79 yr old psychiatric inpatients, 18942
diagnostic validity of Luria-Nebraska Neuropsychological Battery-Children's Revision vs WISC-R, 8–12 yr olds in neurological vs psychiatric groups, 20986
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
discriminant & convergent validity of cognitive & somatic anxiety questionnaire, distinction between cognitive vs somatic modes of anxiety, individuals in stress & anxiety self management course, 8111
discriminant validity of Arrow Dot subtest of Id/Ego/Superego Test, 12–18 yr old delinquents vs secondary school students, Nigeria, 8097
discriminant validity of Brief Symptom Inventory for screening, drug abusers in rural outpatient treatment, 2913
discriminant validity of free-response self description method for personality assessment, 15–25 yr olds, 23485
discriminant validity of Paragraphs About Leisure, measurement of satisfaction of psychological needs provided by leisure activity, stamp collectors vs naive college students, 29005
discriminative & concurrent validity of parent-child version of Areas of Change Questionnaire, assessment of parent-adolescent relationships, families with alcoholic vs depressed father, implications for family therapy, 16143
divergent thinking test scores, creative performance, gifted vs nongifted 5th–8th graders, implications for criterion-related validity of divergent thinking tests, 31371
empirical vs conceptual Rorschach validation studies, literature review, 18921
evaluation of Millon Adolescent Personality Inventory, 18932
evaluation of Occupational Aptitude Survey and Interest Schedule, assessment of aptitudes & interests for career exploration, secondary students, 20814
explicit instructions to be creative, divergent thinking & discriminant & convergent & predictive validity of maximal performance test scores, gifted vs talented intermediate school students, 28636
expressed vs inventoried occupational interests using Strong-Campbell Interest Inventory scales, female college students, 10514
factor analysis & validity & reliability of Strain Questionnaire, measurement of behavioral & cognitive & physical stress, 17–58 yr olds, 145
factor analysis & validity of Self Description Questionnaire vs peer rating of others' self concept, college students, 11821
factor analysis of Common Beliefs Survey & 18–71 yr old medical patients, replication of study by J. L. Bessai, 21021
factor analysis of Multiple Affect Adjective Check List, college students, 23438
factor analytic model approach, investigation of correspondence between test length & validity, 23484
factor structure & concurrent validity of union commitment scale, Black vs White miners, South Africa, 16135
factor structure & cross cultural validity of R. D. Hare's psychopathy scale, identification of psychopathy, 20–60 yr old prisoners, England, 8103
factor structure & validity of student ratings vs teacher self ratings, evaluation of student progress & teacher effectiveness, high school teachers & students, 25886
factor structure of Illness Behavior Questionnaire, measurement of abnormal illness behavior & validity as diagnostic tool, 29010
factor structure of Motivation Analysis Test, comments on article by C. Cooper & P. Kline, 18926
factorial & discriminant validity of Center for Epidemiological Studies Depression scale, assessment of self esteem & trait & state anxiety & depression, parents in family support programs for child abuse & neglect, 16166
factorial & predictive validity of Carlson Psychological Survey, male adolescent offenders, 2886
factorial structure of Multidimensional Health Locus of Control Scale, rehabilitation patients, replication of study by R. J. Hartke & J. T. Kunce, 16185
factorial validity of Physical Estimation & Attraction Scales, college students, 10832
figure-ground reversal of test items in Developmental Test of Visual-Motor Integration & Motor-Free Visual Perception Test, visuo-motor & visual-perceptual performance, normal vs spastic cerebral palsied 5–8 yr olds, 13439
Finnish Pain Questionnaire, differentiation of descriptions of pain, male coronary heart disease vs female low back pain patients, 16147
Goodenough Harris Drawing Test, assessment of field dependence/independence, 1st vs 3rd graders, 18983
guidelines for competent practice of computerized test administration & interpretation, 10768
Hamilton Rating Scale for Anxiety vs Melancholia Scale, measurement of pre- & postoperative anxiety, 34–69 yr old cardiac patients, 1- & 3- & 6-mo followups, Denmark, 18924

high vs medium vs low level of interest-appropriate experience, interpretation & validity of vocational interest test scores, high school juniors, 20813
historical & contemporary perspectives in validity of IQ testing, evaluation of mental retardation, 14754
historical review of development & construction & validity of MMPI, 26199
internal consistency reliability & convergent validity of Stress Processing Report, measurement of stressful thinking styles & psychological & physiological symptoms, respondents, 23421
interrater reliability & concurrent validity of Expanded Glasgow Outcome Scale & Stover-Zieger scale, assessment of recovery outcome, 5–79 yr olds with severe head injury, 20995
interrater reliability & concurrent validity of Family Resource Questionnaire, assessment of social support, 43–87 yr old stroke patients, 2884
interrater reliability & internal consistency & factor structure & discriminant validity of Cognitive Therapy Scale, evaluation of competence in treating depression, cognitive therapists, 21022
item analysis with ELECTRE algorithm, establishment of validity in test scale, 23401
item content & respondent classification & score stability & referent person stereotyping of new vs F. E. Fiedler's version of Least-Preferred Coworker Scale, measurement of leadership effectiveness, college students, 23413
item sampling & selection & analysis methods in development of unipolar 20-item helplessness scale, 18927
item weighting for improved efficiency of diagnostic scales, 10820
job offers rejected randomly vs by best candidates, validity of personnel selection tests & utility per person selected, 15964
latent class models, estimation of validity of multiple choice test item having more than 1 correct alternative, 10844
maternal depression & sex & child psychiatric status, ratings of child on & validity of Child Behavior Checklist, mothers of 93–155 mo old psychiatric outpatients, 16134
MMPI validity scales, differentiation of malingering & dissimulation, college students, 28983
MMPI 27/72 code type & Millon Clinical Multiaxial Inventory high point codes, identification of fearfully vs conforming vs ambivalently dependent personality subgroups, psychiatric patients, psychodiagnostic implications, 8085
Modified Cooper-Harper decision-tree rating scale vs 5 design variations of same, estimation of mental workload in aircraft-simulator, pilots, 23479
MPPI 24/42 code & code type & Millon Clinical Multiaxial Inventory high point codes, identification of & discrimination among personality disorders & clinical syndromes, patients, 8048
multitrait-multimethod matrix procedure, convergent & discriminant validity of subscales of Career Maturity Inventory Attitude Scale, 9th graders, 15943
operationalization & convergent validity & elaboration of Communication Competency Assessment Instrument, evaluation of communication behaviors appropriate to settings, college students, 8107
parent & teacher ratings of stress response patterns & psychiatric evaluation of DSM-III childhood disorders as criteria, validity of Stress Response Scale in diagnostic assessment, 5–14 yr olds with possible emotional disorders, 2876
passage dependency of multiple-sentence reading test items, assessment of reading comprehension, 51–73 yr olds with vs without aphasia, 16165
perceptions of staff as fair vs tyrannical & validity of Prison Life Questionnaire, prisoners, 15441
performance on Kaufman Assessment Battery for Children, normal vs dyslexic 8.4–12.4 yr olds, 20804
pilot study of Family System Test, quantitative 3-dimensional measure of family relationships, families assessed after completion of therapy, 26213
predictive & congruent validity of sentence completion test of grammatical forms, use of standard vs nonstandard English during spontaneous conversation, 15.7–23.4 yr old Black males, 16163
predictive & construct validity of Writing Apprehension Test, assessment of writing apprehension & prediction of test performance, college students, 10553
predictive validity of Career Decision Scale, measurement of longitudinal career indecision patterns, high school seniors, 4-yr followup, 5305
predictive validity of scale developed by R. W. Bortner, assessment of Type A behavior & mortality rate, 35–64 yr old twins & singletons, Finland, 6-yr followup study, conference presentation, 8083
principles of case law & validation of traditional & alternative personnel selection procedures for demonstration of job relatedness, 10587
professional & legal guidelines for court decisions on criterion-related validity of paper-and-pencil tests in personnel selection, 13181
psychometric characteristics & validity of language & articulation tests, reply to criticism by J. R. Muma, 2905
psychometric comparisons & validity & interrater reliability & rating bias of behaviorally anchored vs summated rating scale, instructors' performance, college students, 7760
psychometric principles & test validity, clinical utility of norm-referenced language & articulation tests, comments on article by R. McCauley & L. Swisher, 2907
psychometric properties & concurrent validity & test-retest reliability of Nurses' Assertiveness Inventory, nurses, 10819
psychometric properties of C. W. King & J. O. Summer's self designating scale of opinion leadership & construction of revised scale of consumer behavior influences, cable TV subscribers, 23420
race/ethnicity, scores on Buss-Durkee Hostility & Guilt Inventory & Form A of Holtzman Inkblot Technique, Black vs Hispanic vs White male forensic patients, 18979
regression vs linear equating short form models of WISC-R, psychiatric vs special education 6–16 yr olds, 18993
reliability & concurrent validity of forms of Developing Understanding of Self & Others Affectivity Assessment Device vs California Test of Personality, 1st graders, 13391
reliability & concurrent validity of self report measures of depression & anxiety & social desirability, college students, 21020
reliability & concurrent validity of trait & state forms of Multiple Affect Adjective Check List, male vs female 14–16 yr olds, 23462
reliability & generalizability of Fear Survey Schedule & Fear Questionnaire across samples & gender & nations, measurement of phobic dimensions, review of research, 116
reliability & normative data for Simple Rathus Assertiveness Schedule, high school & college students & criminals, 8091
reliability & validity & factor structure of revised Wechsler Memory Scale & subtests, identification of memory disorders, college students & general medical & alcoholic patients with organic brain syndrome, 2896
reliability & validity & interscorer agreement & psychometric properties of Anomalous Sentences Repetition Test & parallel versions of test, differential diagnosis between organic brain dysfunction & psychotic depression patients, 29006
reliability & validity & item analysis of Simplified Health Questionnaire, detection of school maladjustment, junior high school students, 18678
reliability & validity of Addiction Severity Index, adult alcohol & drug abusers, 148
reliability & validity of alternate forms of PPVT-R & relationship to WAIS-R, learning disabled 18.3–37.6 yr olds referred from state rehabilitation agency for evaluation, 29001
reliability & validity of assessment of perceived self efficacy & its relation to mathematics task performance & mathematics self concept, 9–10 yr olds, 28628
reliability & validity of balanced attributional style questionnaire, 131
reliability & validity of Beck Depression Inventory, differentiation between depression & neuroticism, psychiatric patients & college students, Netherlands, 13400
reliability & validity of Behavior Objective Checklist, determination of individualized education objectives, preschool to 6th grade psychiatric patients in residential educational program, 2576
reliability & validity of Child Behavior Checklist & related scales, school-based assessment of social competence & behavior problems, female 9 yr old & male 8 & 10 & 12 yr olds, 13144

reliability & validity of Children's Depression Inventory & Child Depression Scale & Personality Inventory for Children, measurement of depression & anxiety & self esteem, 3rd–6th graders & their parents & teachers, 13458
reliability & validity of Children's Drug-Use Survey, 4th–6th graders in western community vs 9–12 yr old Native Americans, 18970
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
reliability & validity of Cognitive Triad Inventory, measurement of negative perceptions of self & world & future, depressed patients, 28931
reliability & validity of Collaborative Practice Scales, assessment of degree of professional collaboration & impact on patient care, 21–39 yr old nurses & 35–49 yr old doctors, 23491
reliability & validity of computer attitude scale, kindergarten through 12th grade teachers enrolled in microcomputer staff development courses, 15916
reliability & validity of confidence & popularity scales of Self-Attitude Inventory, assessment of self esteem, 13–17 yr old Catholic males, 23457
reliability & validity of English & Spanish language proficiency measures, assessment of listening comprehension & speaking ability, Spanish- & English-speaking Hispanic kindergartners through 3rd graders, 15928
reliability & validity of extended version of Objective Measure of Ego Identity Status, college & high school students, 2890
reliability & validity of Form B of Coopersmith Self Esteem Inventory concurrent with peers' sociometric choices & teachers' rankings of popularity & ratings of self esteem, 4th–7th graders, 15888
reliability & validity of Hemodialysis Stressor Scale, measurement of stress associated with hemodialysis, Ss with end-stage renal disease, 26235
reliability & validity of Hopelessness Scale for Children, 6–13 yr old psychiatric inpatients, 19944
reliability & validity of McMaster Family Assessment Device, assessment of family functioning, family members & employees & psychiatric inpatients, implications for family therapy, 21010
reliability & validity of microcomputer-based McDermott Multidimensional Assessment of Children, classification of exceptionality & development of individualized educational programs, children, 25909
reliability & validity of modified Hamilton Rating Scale for Depression, 18–61 yr old psychiatric inpatients, 5319
reliability & validity of Modifiers & Perceived Stress Scale, measurement of perceptions of stressful life events & anticipation of & responsibility for events & amount of social support, adult males, 28980
reliability & validity of Myers-Briggs Type Indicator in clinical & counseling & research settings, review of studies from 1975, 2874
reliability & validity of Myers-Briggs Type Indicator items, personality assessment, adult Ss, 13470
reliability & validity of nurses evaluation rating scale, assessment of salient dimensions of psychopathology & nursing care requirements, psychiatric patients, 23464
reliability & validity of Ohio Work Values Inventory, public school administrators, 25914
reliability & validity of pain behavior checklist, measurement of behavioral consequences of pain & factor structure of pain behavior, 16–60 yr old chronic headache sufferers, 18974
reliability & validity of Perkins-Binet Tests of Intelligence for Blind-Form U, 3rd & 5th & 7th & 9th graders with low vision, 5303
reliability & validity of Personality Style Inventory, assessment of Jungian personality types, college students, 18996
reliability & validity of Portuguese- & Spanish-language translation of revised Janis-Field Feelings of Inadequacy Scale, assessment of self concept, 12–19 yr olds, Brazil & Ecuador & Paraguay & Uruguay & Venezuela, 18938
reliability & validity of Positive Behavior Subscale of Social Performance Survey Schedule, college students, 147
reliability & validity of quality of life index, assessment of health & occupation & self acceptance, graduate nursing students vs 24–75 yr old dialysis patients, 13416
reliability & validity of self report & interview measures, DSM-III Axis II personality disorders, 18978
reliability & validity of self report ego strength questionnaire & correlation with 16PF subtest & school conduct, 16124
reliability & validity of short screening devices constructed from individual assessment instruments, 5352
reliability & validity of sociological surveys & self report questionnaires & structured interviews, measurement of intimacy, 5349
reliability & validity of Southern California Postrotary Nystagmus test, normal vs abnormal school age children & normal vs high risk infants, 13412
reliability & validity of Spanish translation of Physical Anhedonia Scale, detection of predisposition to schizophrenia, 19–23 yr old females, Spain, 10833
reliability & validity of types of scoring criteria for conservation tasks, kindergartners & 1st–6th graders, 23446
reliability & validity of Unpleasant Events Schedule, measurement of frequency & aversiveness of stressful life events, normal adults & depressed Ss, 146
reliability & validity of 30 Geometrical Figure Test & 30 Face Test, assessment of effect of ECT on nonverbal memory, depressed patients, 18939
repeated exposure to behavior approach-avoidance tests, validity of treatment outcome measurement, 20960
rescaling & reliability & validity of grade equivalent units of Degree of Reading Power test, assessment of readability of reading materials for 1st grade through graduate school, 28590
review of normative & reliability & validity & other psychometric data on Career Orientation Placement & Evaluation Survey, assessment of values & relation to vocational motivation, 25927
review of revised edition of Wide Range Achievement Test & its validity for achievement assessment, 31385
revised Slosson Intelligence Test vs WISC-R norms, 6–14.7 yr old Black & White students referred for placement in special education classes vs classes for gifted & talented, 28637
risk for psychiatric illness assessed by & validity of Iowa Discriminant Index, 1st-degree relatives of endogenously vs nonendogenously depressed patients, 24736
scores on PPVT-R & Wide Range Achievement Test, 71–175 mo olds referred for special education services, 7774
screening of Diagnostic Analysis of Reading Errors, differentiation among special populations, learning disabled vs emotionally disturbed vs gifted vs regular education 13–16 yr olds, 31382
Seashore Tonal Memory Test & Halstead-Reitan Neuropsychological Test Battery, discrimination of degree of impairment & right vs left lesions, Ss with focal or diffuse cerebral lesions, 18956
selection & validation of reading test, prospective Civil Service employees, 5323
self report measures, planning & management of educational & habilitation services, mentally retarded Ss, 20543
simulation of paranoia under hypnosis while taking MMPI, detection by MMPI validity measures, female college students, replication of research by P. Wilcox & J. G. Dawson, 18913
social validity of divergent thinking tests, judgments of creativity of gifted & nongifted 5th–8th graders, 29–41 yr old teachers, 20817
stability of A. Bannatyne's recategorization of WISC-R subtest, children with learning disabilities, 18919
stability of Franck Drawing Completion Test & effect of occupational status, assessment of unconscious gender identity, 20–34 yr old males, 7-yr followup, Sweden, 29911
standardization & validation of battery of clinical neuropsychological tests, patients with aphasia, 28993
standardized condition vs neutral response option, validity of Clinical Analysis Questionnaire, psychiatrically classified vs normal adults, 21008
test-retest reliability & convergent validity of peer nomination & R. C. Roistacher's sociometric rating scale, preschool & kindergarten students, 13410
test-retest reliability & criterion validity of commercial basal mastery reading tests, measurement & study/reference & comprehension & vocabulary skills, 4th–6th graders, 10561
test-retest reliability of dichotic listening task, measurement of lateralization of receptive language, 33–65 mo olds, 28958
test validity, assessment of driving behavior, professional drivers, 157
test validity in contemporary educational measurement, 18670

trends that influenced development of test validation, 20982
use of inappropriate cutoff scores, validity of Personality Inventory for Children Intellectual Screening & Adjustment scales, 4–5 yr olds, reevaluation of original study, 2891
use of Rasch scales in measurement of work satisfaction & climate & stresses, employees, 10799
usefulness of LISREL computer program, testing empirical structure of psychological/educational instrument, 3rd graders & expert judges, Australia, 31372
usefulness of Piers-Harris Children's Self Concept Scale, 8–15 yr olds, Australia, 20989
utility & reliability & validity of measures of self control, 4th–6th graders & teachers & parents, 16169
utility of Child Abuse Potential Inventory, screening for physical child abuse, untreated male spouse abusers in military, 16162
utility of Maslach Burnout Inventory, family practice physicians, 23471
validation & cross cultural comparison of Facts on Aging Quiz, assessment of factual knowledge on aging, college students, Canada, 8090
validation by factor analysis of quality of life scale, elderly, France vs England, 26218
validation of components theory of reading ability based on verbal coding efficiency model of reading skill, 13415
validation of Florida Kindergarten Screening Battery, preschool developmental screening test, multi-ethnic kindergartners, Canada, 23121
validation of Hawaiian idiom vs US mainland forms of High School Personality Questionnaire, 12–17 yr old Americans of Hawaiian descent, Hawaii, 21752
validation of learning disability index, mentally retarded & learning disabled children, 2924
validation of Wingate Sport Achievement Responsibility Scale, distinction between sport-specific vs locus of control attributions, adult athletes, 2598
validity & adaptation of Jenkins Activity Survey & structured interview methods, assessment of coronary prone behavior, adults, East Germany, conference presentation, 8115
validity & diagnostic utility of Bannatyne recategorization assessment procedure for WISC-R subtest scores, Black learning disabled 5.4–10 yr olds, 31321
validity & diagnostic utility of Diagnostic Interview Schedule vs Psychiatric Diagnostic Interview, 18–82 yr old psychiatric inpatients, 2929
validity & improvement of Armed Services Vocational Aptitude Battery composites, personnel selection & classification, enlisted Army personnel, 23460
validity & interobserver reliability, World Health Organization schedule for Standardized Assessment of Depressive Disorders vs DSM-III vs Research Diagnostic Criteria vs Newcastle vs melancholia scales, depressive inpatients, Denmark, 18923
validity & psychometric characteristics of Diagnostic Interview for Borderline, 16–55 yr old hospitalized patients vs outpatients with borderline personality disorder vs schizophrenia vs other personality disorder, 18953
validity & psychometric evaluation of Attributional Style Questionnaire, 14–17 yr olds, Netherlands, 16118
validity & reliability & construction of adult norms for Nine Hole Peg Test, assessment of finger dexterity, 20–94 yr olds, 5316
validity & reliability & factor analysis of Children's Depression Scale, male vs female 10–13.8 yr olds, 26190
validity & reliability & factor structure of Global Assessment of Recent Stress Scale, male 25–65 yr old heavy smokers or diabetics, 5314
validity & reliability & stability of handedness assessment, measurement of reaching & object manipulation & complementary bimanual action, male vs female 6–13 mo olds, 28984
validity & reliability & utility of counselor rating scales, review of 3 counseling journals, 1974–84, 8102
validity & reliability of Anxiety Sensitivity Index vs fear & anxiety frequency measures, prediction of fearfulness & anxiety disorders, college students vs 20–71 yr olds with agoraphobia vs anxiety disorders, 10827
validity & reliability of attitude scale & clinical rotation in rheumatology, measurement & improvement in attitudes toward arthritis, nursing students, 28985
validity & reliability of Children's Action Tendency Scale & Children's Assertive Behavior Scale & Children's Assertiveness Inventory, 4th–5th graders, 16172
validity & reliability of cognitive & affective computer attitude scales, students & teachers & other educational personnel, implications for educational planning, 7741
validity & reliability of Combat Exposure Scale & Posttraumatic Stress Disorder Scale, male Vietnam combat veterans, 20993
validity & reliability of Crandell Cognitions Inventory, assessment of self reported frequency of depressive thoughts, depressed vs nondepressed psychiatric patients, 26204
validity & reliability of Eating Disorder Inventory, assessment of behavioral & psychological traits of anorexia & bulimia, 10793
validity & reliability of fear of accidental death & injury scale, male vs female White vs non-White 12th graders & college students, 128
validity & reliability of Heterosocial Assessment Inventory for Women, measurement of dimensions influencing social behavior, single female college students, 20999
validity & reliability of Intermediate Booklet Category Test, diagnosis of learning disabilities, 9–14 yr old learning disabled vs regular education students, 26195
validity & reliability of Level of Supervision Inventory classification instrument, assessment of rehabilitation needs & recidivism risk, offenders in halfway houses, 23416
validity & reliability of measure of authoritarian personality, police officers & other adults, 8078
validity & reliability of norms for Sport Psychology Quiz, college students & faculty, 10816
validity & reliability of perceptual rating systems, assessment of voice quality, patients with vocal fold nodules or polyps, 28930
validity & reliability of Pictorial Self Concept Scale, hearing impaired 4–8 yr olds, 5297
validity & reliability of print awareness test, assessment of understanding of function of print, 3–5 yr old prereaders & 2nd grade poor readers from middle- or upper-middle-class backgrounds, 10536
validity & reliability of quality of life index, measurement of satisfaction with nursing care & personal control, cancer vs diabetic vs colostomy patients, 13452
validity & reliability of questionnaire, measurement of autonomous vs dependent style of behavior, 9th & 10th graders & 2nd yr technical students, 7770
validity & reliability of scale to measure belief in lunar effects, male vs female 17–63 yr olds, implications for construct validity of belief in paranormal phenomena, 28995
validity & reliability of self assessment questionnaire for patient educators, 1st–3rd-yr family practice medical residents, 13456
validity & reliability of Shepherd Scale, differentiation between Christians vs non-Christians, college students, 5325
validity & reliability of Stages of Concern for Exercise Scale, compliance in work-site exercise program, 17–66 yr old employees, 5311
validity & reliability of use of language in assessment of pain, literature review, 26188
validity & reliability of verbal vs figural divergent thinking test & unique vs unusual ideas in obtaining originality scores, psychometric properties of ideational originality, gifted vs talented vs nongifted 5th–8th graders, 7773
validity & sensitivity of nonverbal objective measures based on continuous observation vs self report, assessment of labor pain behavior, primiparae giving natural childbirth, 13398
validity & test-retest reliability of Jenkins Activity Survey, assessment of coronary prone behavior, 40–49 yr old males, Czechoslovakia, conference presentation, 8109
validity & test-retest reliability of semantic differential Personal Involvement Inventory, measurement of consumer behavior, college & graduate business students & clerical & administrative staff, 10847
validity & theory verification of Teacher Concerns Questionnaire, preservice & inservice teachers, 10551
validity & use of Detroit Tests of Learning Aptitude & Woodcock Johnson Psycho-Educational Battery, evaluation of learning disabled students, 25895

validity & usefulness of Jones Irrational Beliefs Test, female college students & mental health professionals & psychotherapy clients, 2932
validity & usefulness of WAIS-R & WISC-R & Wechsler Preschool & Primary Scale of Intelligence short forms, literature review, 18997
validity generalization & meta-analysis in employment testing, 10835
validity of academic dimensions of self concept scale relative to scales of Maslach Burnout Inventory, elementary education graduate students, 15898
validity of Adjustment Scale of Personality Inventory for Children as screening measure, identification of behavior disorders, normal vs behavior disordered vs learning disabled 1st–6th graders, 28608
validity of Adolescent Problems Inventory, measurement of social competence in situations related to antisocial behavior, 14–18 yr old Black vs White incarcerated males, 20997
validity of Arizona Heart Institute Cardiovascular Risk Factor Questionnaire, assessment of predictor variables EKG & treadmill examinations, male & female physicians, 13408
validity of attitudes toward bilingual educational scale, measurement of intergroup differences, students & teachers & their families, 7762
validity of auditory response cradle & crib-o-gram techniques, assessment of hearing loss, 1–5 mo olds, 20263
validity of Ball Aptitude Battery, academic achievement prediction, male & female Black & Hispanic & White 12th graders, 7753
validity of Basic Achievement Skills Individual Screener, assessment of academic abilities, 1st–8th graders vs high school students & beyond, 23100
validity of behavioral avoidance slide test, assessment of bodily injury fears, high vs low fear female college students, 8100
validity of Cassel Type-A Personality Assessment, identification of coronary prone individuals, 18–83 yr olds, 23433
validity of Child Behavior Checklist, screening for maladjustment & assessment of psychosocial needs, 6–16 yr olds with epilepsy, 24886
validity of Children's Assertive Behavior Scale by L. Michelson & R. Wood, Black vs White male vs female 3rd–5th graders, 28611
validity of Children's Depression Scale & its parent-report version, 12–16 yr olds, 8106
validity of Cognitive Deficit subscale of Symptom Check List-90, prediction of outcome, 1st-episode schizophrenic inpatients, 3- & 6- & 12-mo followup study, 10843
validity of Diagnostic Achievement Battery, measurement of academic abilities, 6–14 yr olds, 15913
validity of Diagnostic Interview Schedule-Version III, 2912
validity of ecological attitudes scale, adults not involved in environmental groups, 16043
validity of Eppendorfer Mood & Drive Scale, assessment of effect of therapy & course of affective psychosis, 16170
validity of Everyday Spatial Activities Test, assessment of spatial experiences & application to academic aptitude & achievement & vocational behavior, college students, 23123
validity of Fear Questionnaire, agoraphobic 18–62 yr olds, diagnostic implications, 10815
validity of first-rank symptoms vs 9th International Classification Diseases vs DSM-III vs Research Diagnostic Criteria vs P. Berner's axia syndromes criteria, psychodiagnosis & prognosis, delusional 16–61 yr olds, Austria, 6–9 yr followup, 18984
validity of G. A. Foulds & A. Bedford's Delusions-Symptoms-States Inventory, psychiatric inpatients, 8095
validity of General Behavior Inventory, diagnosis of cyclothymia, 15–21 yr old offspring of bipolar patients, 26222
validity of General Health Questionnaire vs Self Report Questionnaire, assessments of non-psychotic psychiatric disturbance in primary care settings, patients attending primary care units, Brazil, 18964
validity of Geriatric Depression Scale vs Dysthymic scale of Millon Clinical Multiaxial Inventory vs Beck Depression Inventory, measurement of depression, male alcoholic patients, 10842
validity of global assessment scale, description of patient characteristics & measurement of change after short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 1312
validity of Hamilton Rating Scale for Depression vs Bech Rafaelsen Melancholia Scale vs Montgomery Asberg Depression Rating Scale, 20–60 yr old depressed inpatients, 26228
validity of Holistic Living Inventory, measurement of growth, 18–59 yr olds, psychotherapeutic implications, 29002
validity of instrument for faculty assessment of knowledge & ability, medical residents, 10535
validity of interview rating scales, discrimination between depression & anxiety, 7–14 yr old hospitalized medical patients, 8066
validity of Ishihara's Tests for Colour-Blindness, color blind vs normally sighted 7–15 yr olds, 5327
validity of Jenkins Activity Survey, measurement of Type A behavior & presence of coronary heart disease, male 40–65 yr olds in 2 ethnic rural communities, Israel vs US, 5341
validity of K. O. Fagerstrom's Tolerance Questionnaire, measure of nicotine tolerance & physical dependence to cigarettes, smokers, 26229
validity of Kansas Parental Satisfaction Scale, married mothers & fathers, 28968
validity of Kaufman Assessment Battery for Children Global Mental Processing scales vs Stanford-Binet Intelligence Scale Form L-M, gifted children, 26254
validity of Kaufman Assessment Battery for Children, 2.5–5 yr olds, 18959
validity of Kendrick Battery for the Detection of Dementia in the Elderly, elderly patients with dementia vs depression, 13432
validity of key informants vs health surveys, estimation of health risk behavior, reply to comments by R. E. Overstreet & I. Rootman, 8059
validity of key informants vs health surveys, estimation of health risk behavior, comments on article by E. Deaux & J. W. Callaghan, 8099
validity of Language Identification Screening Test, 4.8–6.4 yr old kindergartners, 25919
validity of Lennox-Wolfe Self-Monitoring Scale, prediction of shrewd & pragmatic behavior style & relationship to shyness & sociability, freshmen college students, 10807
validity of MacAndrew Alcoholism Scale & sociodemographic variables, screening for problem drinking & drug use, 9th–12th graders, 5353
validity of Matching Familiar Figures Test vs clinical ratings of behavior, measurement of impulsivity, hospitalized 12.5–17.4 yr old psychiatric patients, 153
validity of Matson Evaluation of Social Skills with Youngsters, social-emotional problems & self concept, mildly mentally retarded & learning disabled & visually impaired deaf 8–19 yr olds, 21006
validity of Measure of Epistemological Reflection, assessment of intellectual development using qualitative cognitive structures described by W. G. Perry, college students & graduate students, 18621
validity of microcomputer-administered Marital Adjustment Test, 20–52 yr old married couples, 5324
validity of Millon Clinical Multiaxial Inventory drug abuse scale, 18–55 yr old drug abusers, 10796
validity of MMPI subtle vs obvious test items, 18–72 yr old psychiatric patients, implications for test construction & psychometric theory, 16141
validity of modified Career Decision Scale, measurement of speciality indecision, medical school students, 18400
validity of modified version of test developed by C. Semenza et al, assessment of selective conceptual deficits, employees of mental health facility vs schizophrenic vs affective disorder patients, 10810
validity of nonverbal drawing techniques vs verbal report, description of pain location, 4.5–14 yr olds, 18969
validity of objective personality tests, differential diagnosis, neurotic vs alcoholic vs schizophrenic Ss, 5333
validity of Pain Disability Index, discrimination between high vs minimal level of disability, 22–70 yr olds with chronic low back pain, 18977
validity of PGI Health Questionnaire, assessment of neuroticism, neurotic psychiatric outpatients, 29007
validity of questionnaire, assessment of depression, clinical patients, 26210

validity of questionnaire, assessment of negative attitudes toward medication, relatives of schizophrenic patients, 2902
validity of repertory grid measure of integrative complexity, measure of personal constructs used in forming impressions of people, college students, 18935
validity of restraint scale vs eating behavior questionnaire, assessment of dietary restraint, college students, 18994
validity of Revised Social Anhedonia Scale & social adjustment & psychosis proneness, male vs female college students, 149
validity of scale measuring job motivation & satisfaction, Army soldiers, 13389
validity of scoring systems of PREMIE vs Brazelton Neonatal Behavioral Assessment with vs without additional preterm items, low birth weight preterm infants in acute & recovery stages of cardiorespiratory illness, 16184
validity of Sensing-Intuition & Thinking-Feeling scales of Myers Briggs Type Indicator as measure of cognitive style, employed students in business administration, implications for management personnel, 21015
validity of Sensing Intuition Scale of Myers Briggs Type Indicator assessed by correlation with Sensation Seeking Scale & arousal seeking tendency instrument, adult grocery shoppers, 2888
validity of Separation/Individuation Test of Adolescence, 9th–11th graders & college students, 23452
validity of short form of Maternal Behavior Rating Scale on interactive behavior, mothers & mentally retarded 1–3 yr olds, 28982
validity of short form of Speech Sounds Perception test of Halstead-Reitan Battery, geriatric patients with Alzheimer's disease or mixed dementia or pseudodementia, 13438
validity of Social Interest Scale & Scale of Social Interest, male alcoholic inpatients, 26234
validity of statistically derived prediction instruments & sample selectivity, recidivism, criminals, 8104
validity of Street Survival Skills Questionnaire, measurement of adaptive behavior for independent living, mentally retarded 18–55 yr olds, 26214
validity of Strub-Black Mental Status Examination vs Wechsler Memory Scale, assessment of memory performance, brain damaged vs routine medical patients, 16176
validity of structured pediatric psychosocial interview, measurement of affective dimensions, healthy vs hemophilic 6–16 yr old males, 20262
validity of subtypes using Norwegian Basic Aphasia Assessment, 22–80 yr olds with aphasia, 29003
validity of Swedish version of Comprehensive Psychopathological Rating Scale, schizophrenic & depressive 18–80 yr old patients, Sweden, 23486
validity of Symptom Check List-90, assessment of psychosis, male prisoners awaiting trial, Great Britain, 29008
validity of teacher ratings of classroom behavior, differentiation of attention deficit disorders, 7.2–11.5 yr olds with attention deficit disorder with vs without hyperactivity, 7693
validity of translation of A. L. Holland's measure of communicative abilities in daily living, aphasic patients, Italy, 5328
validity of translation of General Health Questionnaire & Clinical Interview Schedule, detection of minor psychiatric disorders, general practice clients aged 18 yrs & over, Italy, 16132
validity of translation of Morningness-Eveningness Questionnaire, assessment of personality type & correlation with body temperature, 18–27 yr olds, Japan, 18954
validity of verbal scale of A. G. Wesman's Personnel Tests for Industry, assessment of work performance, psychiatric aides from state hospitals, meta-analysis, 18941
validity of Vragenlijst Recent Meegemaakte Gebeurtenissen, measurement of recent life events & altered health status, 2927
validity of W. D. Well's vs C. Leavitt's commercial profit scales, prediction of responses to advertisements, target audience, 8119
validity of WAIS short form subscales as estimate of WAIS-R Full Scale IQ, brain damaged patients, 2914
validity of Wonderlic Personnel Test, brief assessment of IQ, psychiatric patients, 10794
validity of Woodcock-Johnson Achievement & Aptitude clusters & Broad Cognitive Ability Score, assessment of cognitive ability & academic achievement, 13–16 yr old behavior disordered males, 10550
validity of written tests of cognitive ability, measures of personnel selection, law enforcement personnel, 26220
validity of 24-item instrument, assessment of teacher behavior, elementary school students, 13128
validity of 3 questionnaire tool, prediction of potential "against medical advice" discharges at time of psychiatric admission, adults from inpatient substance abuse ward, 21024
validity scale for SHARP consumer satisfaction scales, 13–81 yr old former patients of community health center & psychotherapy, 5346
validity to behavioral criteria, free-vs fixed-format self report personality assessment method, male high school students & army officer candidates, 2878
verbal/nonverbal factor structure of Woodcock-Johnson Tests of Cognitive Ability, subtest interpretation comparison with WISC-R, 1st vs 3rd vs 5th vs 8th vs 12th graders, 5002
Visual-Aural Digit Span Test as criterion, validity of sequential processing factor of Kaufman Assessment Battery for Children, reading disabled 8.3–12.4 yr olds, 2894

Testes
desipramine, painful postcoital testicular retraction, 44 yr old male with major depression with melancholia, 22591
lesions of hypothalamic circuits, gonadal regression induced by short-day photoperiods, male golden hamsters, implications for circadian control of pineal gland & melatonin production, 21455
psychological profile as pretreatment indicator of survival after chemotherapy, males with testicular cancer, 12191
training of testicular self examination, continuation of cancer detection skills, 25–35 yr old males, 6-mo followup, 22613

Testes Disorders [See Endocrine Sexual Disorders]
Testimony (Expert) [See Expert Testimony]
Testing [See Also Content Analysis (Test), Cultural Test Bias, Difficulty Level (Test), Educational Measurement, Item Analysis (Test), Item Content (Test), Item Response Theory, Minimum Competency Tests, Rating, Repeated Measures, Scaling (Testing), Scoring (Testing), Test Administration, Test Bias, Test Interpretation, Test Items, Test Reliability, Test Standardization, Test Validity]
awareness of objective measure & completion of performance test, self rating in retrospective pretest-posttest design & response shift phenomenon, college students, 20977
comprehensive makeup examinations to replace missed regular examinations, college students, 2570
computerized testing, evaluation of verbal comprehension vs spatial-visual reasoning & memory abilities & learning & attention & psychomotor skills, 23443
microcomputer-assisted testing, instructional environment, 28418
professional experience & time spent in applied work vs research, attitudes toward use & application of psychometric tests, psychologists, Ireland vs other European countries, 28339
proposal for development of national teacher examination devised by multidisciplinary experts & provision of incentives to remain in teaching profession, 25934
suggestions for improvement of vision tests for driving licenses, 10571
use of tests as component of process to identify & provide merit raises to outstanding teachers in Master Teacher Program, US, 25906
visual standards for driving & testing procedures used, survey of 26 countries, 10566

Testing (Job Applicants) [See Job Applicant Screening]
Testing Methods [See Also Adaptive Testing, Cloze Testing, Essay Testing, Forced Choice (Testing Method), Multiple Choice (Testing Method), Q Sort Testing Technique, Scaling (Testing)]
advantages of multiple choice vs free response testing techniques, 4988
development of tools to facilitate participation in residential evaluation procedures, moderately mentally retarded, 18952
individual vs group decision, preference for oral examination vs difficult written examination with text vs moderately difficult written examination without text, college students, 21905
item order, achievement test scores & perception of test difficulty, college students, 13142
multiple choice vs multiple true-false test items, measurement of learning of complex instructional objectives, college students, 18649

semidirect componential testing vs integrative & discrete point testing vs oral interview, oral fluency evaluation in 2nd language education, 15904
test-retest policy, test anxiety, college students in introductory psychology, 15894
Testosterone
activation of testosterone-sensitive cells, inhibition of extinction in conditioned food aversions, male vs female rats, 13964
alcohol consumption prior to & during gestation, serum progesterone & testosterone & plasma & pituitary luteinizing & follicle-stimulating hormones, female rats, implications for role of progesterone in alcohol-related placental enlargement, 26697
behavior disorders & plasma testosterone, male adolescents with abnormal rate of sexual development & psychopathological syndrome, 9497
delta-9-tetrahydrocannabinol &/vs testosterone proprionate, copulatory behavior & plasma testosterone or hypothalamic dopamine or serotonin levels, castrated vs intact male mice, 5934
estradiol &/vs dihydrotestosterone, odor-induced ear wiggling by estrous females, male vs female intact vs gonadectomized rats, 21620
estradiol benzoate, plasma testosterone & estradiol & luteinizing hormone & follicle-stimulating hormone levels, male-to-female transsexuals, 5857
estradiol with vs without progesterone or testosterone, menstrual cycle & sexual motivation & activity, male & female Macaca fascicularis, 3337
estrogen &/vs androgen administration, sexual arousal vs physiologic response & interpersonal aspects of sexual behavior, premenopausal females who had hysterectomies with vs without oophorectomy, 20415
ethanol & testosterone level, aggressive behavior towards male intruder, male mice, 13972
ethanol, dihydrotestosterone metabolism in liver, rats, 16729
experimental territorial intrusion, plasma testosterone levels, male song sparrows, 8434
food deprivation with vs without food reward following copulation & testosterone, copulatory behavior, castrated male rats, 23880
gonadectomy & neonatal or yearling estradiol or testosterone treatment, courtship behavior & sexual attractivity, red-sided garter snakes, 23951
hyperprolactinemia induced by ectopic pituitary grafts & sc implants of testosterone vs estradiol & dihydrotestosterone, availability of active testosterone metabolites & inhibition of copulatory behavior, long term castrated male rats, 19376
intracranial testosterone, courtship behavior, male Canadian red-sided garter snakes, 8536
iv estradiol vs testosterone, mating behavior, ovariectomized female vervet monkeys, 642
male castration & testosterone replacement & role of plumage & male sexual behavior, female mate preference, mallards, 29351
menstrual cycles, hot flashes & plasma estradiol & testosterone levels & sexual activity, 41–56 yr old perimenopausal females, 23853
neonatal castration & testosterone, preference for approach & interaction with sexually active male or estrous female, ferrets, 8486
neonatal vs adult exposure to testosterone vs estradiol with vs without castration vs ovariectomy, intermale aggression, male vs female mice raised in same-sex litter, 26745
normal testosterone concentration & levels before & during castration, scent marking behavior, male gerbils, 8427
plasma testosterone level, severity of disorder & sexual dysfunction, depressed male patients, 30244
platelet MAO activity & estrogen & progesterone & testosterone serum levels, adult drug-free depressed inpatients, 17403
pre- vs postmilitary flight status, serum levels of cortisol vs testosterone, 20–45 yr old Air Force pilots vs nonpilots of fighter vs cargo planes, 19361
prenatal & early postnatal testosterone, development of urinary behavior from birth to adulthood, male & female beagles, 683
prenatal exposure to nicotine, male gonadal axis & sexual dimorphism of saccharin preference, rats, 21546
presentation of erotic vs sexual vs aggressive vs stressful vs neutral motion pictures, saliva testosterone concentration, 19–24 yr old males, 5731
prolactin & testosterone levels in venous blood, males with stage 2 alcoholism, 6658
pubertal testosterone, development of sexual & aggressive behavior, castrated vs intact mice, implications for effect of Y chromosome on pubertal testosterone, 24025
serum prolactin & luteinizing hormone & testosterone & estradiol levels, 24–37 yr olds with paranoid schizophrenia & delusions of homosexual content, 27357
serum testosterone levels, dominance rank & aggression, male vervet monkeys, 8430
sex steroids, urine marking activity, male vs female & neonatally androgenized female mice, 658
social factors, seasonal variations in plasma testosterone levels, male lesser mouse lemurs, 23856
strain differences & testosterone, inheritance of left vs right turning preferences, male vs female rats, 16393
tamoxifen vs testolactone & dihydrotestosterone vs aromatized testosterone, sexual functions, normogonadotrophic oligozoospermic vs eugonadal vs agonadal 21–46 yr old males, 30731
testosterone administration, precopulatory behavior, castrated rats, conference presentation, 11215
testosterone, CNS sensitivity to hexobarbital, castrated male rats, 16458
testosterone implants, song parameters, adult & juvenile castrated canaries, 23981
testosterone levels, caffeine-induced increases in locomotor activity & social investigation, rats, 3298
testosterone or antiandrogen injections & sexual experience, circulating testosterone & aggressive & sexual behavior, male rats, 24039
testosterone propionate treatment during middle vs late gestation vs neonatal period, masculine copulatory behavior & ex copula phallic responses, male vs female rats, 14047
testosterone, sexual functioning, 42 yr old lepromatous male with testicular atrophy, 9897
testosterone, strength of imprinting to red box vs stuffed jungle fowl, chicks, 13959
testosterone vs dihydrotestosterone &/vs estradiol, copulatory & chemoinvestigatory responses to receptive females, male hamsters, 24013
testosterone vs estradiol vs sc vs intravaginal progesterone, proceptive & receptive tongue flicking & mount refusal, ovariectomized female marmosets, 3299
threshold doses of testosterone, ejaculatory performance, cynomolgus vs rhesus monkeys, 21629
tritiated testosterone injections, steroid accumulation in ventral hyperstriatum & magnocellular nucleus of anterior neostriatum voice control areas, male & female gonadectomized bay wrens, 21485
winter, plasma testosterone levels & competition for food, male & female blackbirds, 11129
yohimbine, sexual behavior, castrated vs intact male & female rats treated vs not treated with testosterone, 23948
Tests [See Measurement]
Tests (Achievement) [See Achievement Measures]
Tests (Aptitude) [See Aptitude Measures]
Tests (Intelligence) [See Intelligence Measures]
Tests (Personality) [See Personality Measures]
Tests (Statistical) [See Statistical Tests]
Testwiseness
contribution to measurement error & cultural differences & independence from general intelligence & facility for training, testwiseness, 5013
personality & cognitive characteristics, development of testwiseness, college students, 15776
study & test taking skills & unrealistic expectations & belief in negative self statements & Type A behavior, high vs low achieving college students with high vs low test anxiety, 31224
testwiseness as learned & inherited cognitive ability, implications for educational shift to test-taking skills, 10271
testwiseness clues within teacher-made multiple choice tests, college students, 4978
training in test taking, internal consistency & predictive validity of mathematics achievement test, Hispanic community college students, 7764

training programs with testwiseness vs test-taking strategies, test performance, elementary through high school students, meta-analysis, 10375
Tetrahydrocannabinol
chronic cannabis treatment, learning of maze task & open field behavior & DRL responding, rats, 16807
chronic morphine vs delta-9-tetrahydrocannabinol followed by acute ip injection, analgesic & heart rate response, male rats, 21526
delta-tetrahydrocannabinol, tolerance to hypothermic effects & reduced brain histamine & clomipramine-induced withdrawal symptoms, male rats, 21617
delta-9-tetrahydrocannabinol & personality, pain threshold/tolerance & vibration perception, female college students who used cannabis, 5891
delta-9-tetrahydrocannabinol &/vs testosterone proprionate, copulatory behavior & plasma testosterone or hypothalamic dopamine or serotonin levels, castrated vs intact male mice, 5934
exposure to delta-1-tetrahydrocannabinol, prostaglandin synthesis & arachidonate release, human lung fibroblast cells, 23943
generalization of response to delta-9-tetrahydrocannabinol, male rats, 8606
high affinity cannabinoid binding sites in brain membranes labeled with 3H-5-trimethylammonium delta-8-tetrahydrocannabinol, guinea pig ileum & rat brain membranes, 19478
iv vs sc administration of tetrahydrocannabinol & structural alterations, antinociceptive activity measured by tailflick responses, male mice, 16707
marihuana cigarette containing tetrahydrocannabinol vs placebo cigarette, plasma luteinizing hormone levels & pulse rate & intoxication, female menopausal 50–56 yr olds, 26710
medicinal value of marihuana & tetrahydrocannabinol, 25330
phencyclidine &/vs delta-9-tetrahydrocannabinol, complex operant behavior, patas monkeys, 29483
prochlorperazine vs delta-tetrahydrocannabinol vs nabilone vs levonantradol, attenuation of cyclophosphamide-induced taste aversions, male mice, implications or evaluation of cancer chemotherapy drugs, 21541
repeated ip injections of tetrahydrocannabinol, delayed vaginal cornification & onset of estrus & ovulation, female rats, 16622
smoking single marihuana cigarette, perceptual motor performance on driving-related tasks & plasma tetrahydrocannabinol levels, 22–33 yr old males, 626
tetrahydrocannabinol & serotonin-negative & dopamine-positive substances & defense conditioning, EP in cerebral cortex & visual differentiation, cats, 26703
3-isobutyl-1-methylxanthine & delta-9 tetrahydrocannabinol-vs cannabinol vs cannabidiol, quasi-morphine withdrawal syndrome, male rats, 19427
Text Structure
client education about cerebral angiography via standard text vs text prepared in light of information processing, retention & memory of text, patients & nonpatients, 12638
comprehension & conceptual structure of translations of Ovid's "Metamorphoses" & Grimms' "German Folk Tales", 29531
comprehension of anaphoric relations in stories, 3rd vs 6th graders, 10413
conceptually ill-formed text & representations of text as problem in text processing systems, 8013
congruence between reference fields & name order in learning miniature artificial language, English speaking 3.6–4.6 yr olds & Fijian 3.5–6 yr olds, 19580
consecutive explanatory vs parallel descriptive text structures, retelling of text or its reproduction, patients with brain damage vs receptive vs motor aphasia, 6832
depth of processing vs idea unit level vs text organization, proportion recalled vs estimated recall of prose text, college students, 325
designing of written texts for information users, 5958
development of text-parsing program for reduction of variability in text units for use in linguistic or artificial intelligence, conference presentation, 18871
discourse structure, short term memory in understanding anaphora, college students, 8243
discourse text structure analysis & micro- & macrostructure & story grammar techniques, implications for reading & recall instruction, 20683
dissolution of text in written language, elderly female suffering from cerebral atrophy, implications for continuum in cognitive complexity, 1591
field dependence-independence, reading comprehension of literary vs expository text types, 6th graders, 20715
fill-justified vs ragged right margin text, reading speed & comprehension, college graduate students, 26288
grapheme patterns & orthographic structures in child vs adult reading texts, implications for study of children's reading & spelling strategies, 10389
height of target propositions & elaboration, free recall of target propositions within paragraphs, college students, 23633
hierarchical vs linear text structure & pictorial vs verbal format & scope of information, learning, 10 vs 13 vs 16 yr olds, implications for education, 4838
hierarchically vs linearly organized text material, learning, 10 vs 13 vs 16 yr old students, 7627
high vs low level proposition in text structure, oral vs silent reading rate & comprehension & cognitive processes, college students, 16324
highlighted vs cloze conjunctions vs typical text format, expository text comprehension, 5th & 7th graders with high vs medium vs low reading skill, Canada, 28477
illustrations in Ginn vs Lippincott beginning reading materials, picture dependence & spoken vs written language model of text construction, 10332
illustrative details, recall of main points in simple vs factual passages, college students, 714
inserted question aids &/vs E provided macro structure of passage, text recognition, 2nd vs 5th vs 9th graders, 14170
intersentential constraints, performance on natural vs modified cloze test, college students, 727
lack of structural constraints, ability to use context & category cues to search associative memory for episodic information, 2nd vs 5th graders & college students, 788
map construction vs map study procedures vs question-answering vs rereading text organization teaching method, recall of expository passages, 6th graders, 22926
map features represented by labels with vs without symbols vs mimetic drawings & verbal information, recall of text, good vs poor 5th–6th grade readers, support for conjoint retention hypothesis, 28410
meaning & grammatical relationships implied by cohesion in text, miscues in oral vs general reading & recall of cohesive & central items, male 6th grade poor readers, 15765
ontogenesis of text production ability & development of postconcrete operational stages of cognitive & linguistic functioning, 862
oral reading & listening to easy vs hard expository text, comprehension & recall, good vs poor 6th grade readers, 23008
oral vs silent reading of own vs peer dictated vs adult written stories, free recall & inferences, 1st–3rd graders with different decoding abilities, 10399
organization & recall of strongly vs weakly scripted story narratives, 5 vs 10 yr olds, 844
original vs revised grammatical structure, recall & comprehension of basal reader stories, 2nd graders, 18465
paragraph organization & topic structure of text, sentence reading times & comprehension, college students, 8213
paraphrases vs annexes vs examples, perception of a correspondence between key sentences & schemas, 14.5–15.2 yr olds, 6092
passage presented on printed page vs computer with vs without textual manipulations grouped by reading ability, 10372
position & type of headings, recall & retrieval from familiar & unfamiliar text, 11–12 vs 14–15 yr olds, 24129
prior knowledge & information ordering & reading ability & style, immediate vs delayed recall of unfamiliar information, 8th graders, 2424
properties vs order of presentation of characters & events in narratives, referent assignments, college students, 8221
rapid serial visual presentation of texts varying in difficulty, reading comprehension, college & graduate students, 296
reading & writing activities, awareness of expository text structure, elementary school students, 22943

reading ability & grade & study time, processing & reading & learning from text in immediate vs delayed recall paradigm, 5th vs 8th vs 11th graders vs college students, 6047
reading ability, solving of story problems in pictorial format vs matching problems in verbal vs telegraphic format, 3rd–7th graders, 7644
reading of narrative vs expository story passages, ability to answer text-based inference &/vs paraphrase questions, 3rd graders, 23015
reading of relevant text material with higher vs lower order questions preceding vs following text, degree of required attention, college students, 13626
repetition & levels & categorization & processing strategy, retention of technical text, college students, 29122
script context in reading, word recognition in lexical decision making, college students, 5474
sentences segmented by phrase vs clause with new vs given information, reading speed, 286
signals to organization of text, recall, college students, 29141
specific vs general objectives & target information high vs low in content structure of text, secondary task RT & reading time & free recall, college students, 10954
stereotypes & expectations, answer sheet of Vocational Preference Inventory, format of 14–50 yr olds, 28963
structure provided during acquisition & recall of textual material, recall & recognition, field independent vs dependent college students, 29136
test on typewritten pages vs CRT screen, reading time between vs within pages as measure of continuous vs discontinuous skill acquisition & expression, college students, 11007
text characteristics, reading rates for text scanned across TV monitor, college students, 5409
text characteristics, reading rates for text scanned across TV monitor, 14–76 yr old with low vision, 6814
text organizational vs traditional instructional techniques, comprehension of narrative vs expository passages in intact vs scrambled structures, 6th graders, 15707
text structure & other factors, learning, 7626
text structure & presence of goal-directed behavior, delayed vs immediate recall of stories, 5504
text structure, learning text, 10 vs 13 vs 16 yr olds, 3416
text structure, short- & long-term retention for prose, elementary education majors, 21196
time structure in story, free recall, 16318
use of questions &/vs highlights vs straight text format, effectiveness of computer assisted instruction, college & graduate students, 31212
visual word recognition model combining word identities & visual features with retinal & spatial & word- & sentence-centered coordinate systems, 29091

Textbooks [See Also Programed Textbooks]
adapted vs nonadapted physical science text, test scores, learning disabled 7th graders, 15844
analysis of college methodology textbooks for suggestions for teaching reading comprehension to children, 22889
analysis of number & types of reading events portrayed in 5 basal reading series for 1st–8th grades, 22946
authorities cited most frequently in introductory psychology textbooks, 2374
child-study movement, music textbooks & education, 31190
content analysis & coverage of research ethics & experimental participants' rights in introductory & social psychology textbooks, implications for psychology education, 15513
content analysis of leading introductory psychology textbooks, 12960
coverage of individual psychology in introductory psychology textbooks published from 1974–82, 28346
coverage of psychology in introductory educational psychology textbooks, 4845
degree & type of reading comprehension instruction in social studies texts & teachers' editions, 4th & 6th graders, 18461
evaluation of preprimer basal reading series using N. S. Johnson & J. M. Mandler's story grammar, 1st graders, 31182
evaluation of textbooks used for cultural & racial & religious diversity & sex roles & social class & labor characteristics, urban community colleges, 20670
grapheme patterns & orthographic structures in child vs adult reading texts, implications for study of children's reading & spelling strategies, 10389
historical analysis of content of educational psychology textbooks, 1954–83, 4831
historical review & listing of school psychology journals & texts & newsletters, 1930–85, bibliography, 31324
illustrations in Ginn vs Lippincott beginning reading materials, picture dependence & spoken vs written language model of text construction, 10332
insight in learning in psychology texts, chimpanzees, comments on W. Kohler's 2-stick experiment & replication studies, 31219
list of general textbooks on history of psychology, India & Indonesia & Japan & Korea & Malaysia & Pakistan & Peoples Republic of China & Philippines, 18855
misconception & misrepresentation of behaviorism in psychology textbooks, 4870
misconceptions & errors in behavioral statistics textbooks, 10320
multiformula readabilities of content textbooks in 6th–9th grades, implications for conceptual density & comprehension performance, 4848
objective index-based textbook evaluation, selection of introductory psychology texts, 31172
oversimplification of behavior analysis laboratory techniques in textbooks, 4839
precision teaching vs study guide methods of physical science text adaptation, test performance, high- vs middle- vs low-achievement learning disabled 7th graders, 10487
presence of women & sex role attitudes portrayed in management textbooks, 23205
problems & errors in report on S. E. Asch's classic lines experiment in H. Gleitman's introductory psychology textbook, 20708
procedure for selection of textbooks for classroom use, teachers, 12999
quantitative & qualitative illustrated portrayal of females & minority groups in elementary science texts, 22969
rated distortion of Adlerian individual psychology in introductory textbooks, Adlerian teachers & practitioners, implications for psychology education, 15714
readability & interest & coverage of textbooks on education of children with behavioral disorders &/or emotional disturbances, 18441
reading difficulty of required textbooks & reading comprehension ability, determination of minimum reading ability, teacher education program applicants, 25747
reading texts as introduction to culture of literacy, preschool students, Australia, 28422
rescaling & reliability & validity of grade equivalent units of Degree of Reading Power test, assessment of readability of reading materials for 1st grade through graduate school, 28590
textbook usability estimate checklist, reading comprehension, students, 20672
treatment of Afro-American females in psychology-of-women college textbooks, 15632
treatment of industrial/organizational psychology in introductory psychology textbooks, 12941

Texture Perception
backward masking, vibrotactual perception of number of line segments in target, adult Ss, 21046
classification of multielement patterns by form & texture vs global & local shape, selective attention, 18–35 yr olds, 13562
confounding of illusory depth with illusory lightness & texture differences in illusory figure patterns, college students, 23562
detection & discrimination of Gabor signals in 2 paradigms, determination of signal's relative importance for spatial vision, Ss with normal vision, 10908
dominance of vision vs touch, texture perception, college students, 21052
evaluation by touch with vs without sight, tactile attributions of textiles, college students enrolled in textile courses, 8155
patterns with different line orientation & length, orientation sensitivity vs discrimination of different texture orientation at retinal locations, 17–35 yr olds, 237
real-time visual processing theory, analysis of perceptual groupings of textures & boundaries & emergent segmentations, 26312

use of vision &/vs touch, judgment of roughness of abrasive papers, right handed college students, 13514
visually similar stimuli varying in temperature & tactile quality, preferences for & time spent with stimulus, domestic chicks, 26395
Thailand
Buddhist textual conceptions vs religious & social & historical context of sexual division of labor vs sex roles, Thailand, 11591
kinship, maintenance of ethnic identity, Yunnanese vs overseas Chinese, Thailand, 21832
place utility expectations & migration intentions, Egypt vs Kenya vs Philippines vs Thailand vs US, 29805
social background variables & urban social contacts & knowledge & evaluations of alternative destinations & mobility plans, rural-urban mobility behavior, household members, Thailand, 29788
social marketing strategies in family planning program, Thailand, 4607
Thalamic Nuclei
cortical & subcortical afferent inputs to intralaminar nuclei, cats, implications for directed eye movement & orienting behavior & visually guided behavior, 5688
lesions of ventrolateral nucleus of thalamus, projection of sensory cortex to motor cortex, cats, 26595
local cooling of parietal or frontal or motor cortex, EPs in pulvinar or lateral posterior or medial dorsal thalamic nuclei, cats, implications for functional organization of corticothalamic system, 29291
operant conditioning of forelimb movements, 2-deoxyglucose uptake in reticular nucleus of thalamus, female rats, 5717
real vs induced stimulus movement, pulvinar cell response, monkeys, 16421
stationary vs moving visual stimuli & animal's behavior, neural responses in subdivisions of pulvinar, rhesus monkeys, 29290
transection of mammillothalamic tracts, performance of discriminations based on representational vs dispositional memory, male rats, 11260
vagal electrical stimulation during wakefulness vs slow wave sleep vs paradoxical sleep, neuronal activity in thalamic nuclei, male rats, 26587
Thalamotomy
bilateral thalamic surgery, rapid speech rate, 45 yr old patient with Parkinson's disease, 7316
Thalamus [See Also Geniculate Bodies (Thalamus), Thalamic Nuclei]
ablation of telencephalon with vs without removal of thalamus, learning of inhibitory avoidance response to shock, male rats, 26607
adenosine transport sites in thalamus & hypothalamus & superior colliculus, rats, 504
anatomical & electrophysiological & behavioral & clinical research, evaluation of diencephalic mechanisms of pain sensation, literature review, 19314
attention, facilitation of neural mechanisms permitting responding to significant input illustrated by electrical thalamic stimulation, cats, 5780
chromatic properties of retinal afferents in thalamus & tectum, frogs, 21310
chronic nicotine administration, adrenergic & muscarinic binding sites in cerebral cortex vs corpus striatum vs hypothalamus/thalamus vs brain stem vs heart ventricles, male rats, 26759
chronic treatment with ACTH & alpha-melanocyte stimulating hormone & gamma-2 MSH, impaired reversal learning, rats with bilateral lesions of parafascicular area, 26716
cortex & thalamus & basal ganglia, model of production of spoken language & subcortical aphasia, 1541
delta sleep-inducing peptide-like immunoreactivity in brain regions & thalamic tissue, complex maze behavior, male rats, 26506
dorsal hippocampal vs dorsomedial thalamic lesions, short & long term memory during delayed alternation & passive avoidance tasks & interference effects, male rats, 21470
equal & unequal pulse tests, poststimulation excitability & refractory periods for brain stimulation reward in mediodorsal thalamus, male rats, 26480
escapable vs inescapable shock, noradrenaline & 3-methoxy-4-hydroxyphenylethyleneglycol levels in hypothalamus & amygdala & thalamus, male rats, 11236
gustatory thalamocortical projections, conditioned taste aversion, male rats, 8394
hippocampal & mammillo-thalamic amnesias with vs without confabulations patients, 4 case reports, 27534
intracortical microstimulation, neuronal EPs & distribution of sensory & motor cortex projection fibers vs terminals from thalamus to motor cortex, cats, 26589
lesioning of dorsomedial & parafascicular area of thalamus, pinning or social play behavior, juvenile rats, replication of experiment by J. Panksepp & W. W. Beatty, 13948
lesions of lateral zona incerta of subthalamus, classically conditioned bradycardia, rabbits, 13929
lesions of thalamus & olfactory bulb, conditioned aversion to sucrose vs citric acid vs quinine vs lithium, male rats, 8505
morphine injections into habenula & dorsal posteromedial thalamus, analgesia for tonic pain assessed by formalin test, male rats, 29398
morphology of vasopressin & oxytocin neurons in paraventricular & supraoptic nucleus, changes in hypothalamo-neurohypophyseal system, 10–93 yr olds & brains from patients with senile dementia of Alzheimer type, 24894
neuropeptide Y injected into paraventricular nucleus, food & water intake, satiated & brain cannulated rats, 19504
rebound sleep following deprivation, 5-hydroxyindoleacetic acid & 5-HT concentrations in dorsal raphe nucleus & thalamus, male rats, 16504
retention of pictorial stimuli, 28 yr old male with thalamic tumor & amnestic disturbances, 12212
serial brain lesions & varying amounts of practice, acquisition & retention of specific learning tasks, male rats, 5803
thalamic EPs associated with endogenous late positive component of cerebral EPs using discriminative aversive conditioning, cats & patients with intractable pain, 11157
urethane anesthesia & alertness & immobilization stress, chemical sensitivity of thalamic neurons to acetylcholine & noradrenaline, rats, 5753
visual conditioning vs nonassociative training, neuronal discharge along tectofugal pathway & in nucleus rotunda & ectostrictum & heart rate, pigeons, 23838
Thalidomide
social & educational experiences, 21–23 yr olds with congenital malformations stemming from maternal use of thalidomide, 6734
thalidomide vs pentobarbital, neuronal activity in preoptic area during wakefulness & slow wave vs REM sleep, cats, 654
Thanatology [See Death Education]
Theatre [See Also Drama]
communication as therapy in E. Albee's "The Lady from Dubuque", 24080
production of emotional responses & GSR assessment of emotionality, 3rd yr theater college students, USSR, 18535
psychoanalytic interpretation of adolescent development in play Frei Lui de Sousa, Portugal, 3379
psychoanalytic view of innocence of children & effects of R. Wagner's operas on A. Hitler, comments on works by A. Miller, 26102
Theft [See Also Shoplifting]
alcoholism, 16–66 yr olds convicted of bank robbery, 30289
attribution of causal & moral responsibility of victims of rape vs robbery, male vs female college students, India, 6363
behavioral intervention, nonconfrontational stealing, school age children, literature review, 18018
categories of armed robbery, Canada, 1981–84, 3988
development & validity & reliability of simulated moral dilemmas, measurement of stealing behavior & moral judgment, 7–16 yr olds, 2897
motivation & freedom from sanction & moral freedom & opportunity, purchase of stolen goods, high school & college students, implications for theft reduction policy, 14237
onset of illness & sexual activity & stealing behavior & bulimia, females with anorexia nervosa, conference presentation, 24956
perceived incidence & seriousness & personal responsibility & causal attributions & consequences of school theft, 4th–8th & 10th grades, 13025
personnel selection inventory as part of preemployment hiring procedures, passage of routine polygraph exams & shrinkage losses due to theft, retail drugstore employees, 3-yr study, 20847

Thematic Apperception Test
convergent validity of TAT & Test of Humorous Phrases, psychodiagnostic implications, 5288
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
reliability of TAT & Rozenzweig Picture Frustration Study, rapid prediction of undisciplined behavior, pilots & cadets, 8067
Theology [See Religion]
Theophylline
chlordiazepoxide vs L-PIA, discrimination of caffeine or theophylline from saline, male rats, implications for benzodiazepine & adenosine mechanisms, 11303
discrimination of caffeine & theophylline & cross generalization, male rats, 21562
inhibition of adenosine receptor by methyl xanthines, taste perception, college students, 2967
nicotinic acid vs xanthinol nicotinate, memory, 35–45 vs 55–65 vs 75–85 yr olds, 26699
steady-state therapeutic theophylline serum levels, lithium renal clearance, 20–37 yr olds, 13970
theophylline vs R-phenylisopropyl-adenosine, CNS sensitivity, long sleep vs short sleep mice fed ethanol-containing diet, conference presentation, 16765
theophylline, 24-hr rhythms of sleep-wake & subjective sleepiness, 20–30 yr old males, implications for role of xanthines in sleep disorders, 19352
Theoretical Orientation
age & sex & type of practice & treatment orientation, prescribing practices for psychiatric symptoms, psychiatrists, 28298
analysis of tasks & phases in consultation as way of integrating information from different theoretical positions & individual consultation styles, 22680
anthropomorphism from psychoanalytic & cognitive psychology & philosophy of science points of view, 20945
birth order, acceptance vs rejection of race concept, physical anthropologists, 11818
C. Roger's psychoanalytic vs H. Kohut's humanistic theoretical orientations, implications for counseling, comments on article by E. Kahn, 20938
changes in psychoanalysis & psychotherapeutic theory & technique due to theoretical trends, conference presentation, 14992
client & therapist characteristics, equal theoretical probability of success across modalities of psychotherapy, 1736
cluster analysis of eclectic vs cognitive behavioral vs behavioral vs psychoanalytic vs humanistic training orientations, clinical psychology training programs, 31096
collaboration between systems medicine & systems therapy, 22384
comparison of theories of M. Klein vs D. W. Winnicott vs M. Milner vs H. Guntrip vs M. Khan with Jung's approach, conference presentation, 13324
compensation & recoding as framework for aging & memory research, 29118
contextualist philosophy of social psychology, 6314
contribution of E. Erikson to expansion of psychoanalytic theory in direction compatible with A. Adler's individual psychology, 26114
contribution of K. Jaspers & K. Schneider to "Heidelberg school" of psychiatry, 6945
contributions of adaptational interactional approach to classical psychoanalysis, 12383
contributions of K. Horney to psychotherapy, 30580
current developments in psychoanalytic theories of self, conference presentation, 14498
current eclectic & depth psychology & analytical & systems & behavioral orientations, psychotherapy, US, 7013
demographics & professional activities & theoretical orientation & career satisfaction, attitudes toward clinical practice & theory, clinical psychologists, South Africa, 28327
development of Copenhagen School of Phenomenology & etiological view of behavior, hermeneutical approach to behavior, implications for personality psychology, 30043
distinct patterned sequences of statements in psychotherapy, gestalt-dynamic vs Jungian vs behavioral deconditioning vs client centered vs relationship-dynamic vs rational-emotive therapists, 25136
dynamic vs biologic dualism in psychiatric residency training, 2256
eclectic model of practice, psychophysiological disorders resulting from arrested developmental progression, 30 yr old male with ulcerative colitis & 39 yr old female suffering from posttraumatic depression, 22416
eclectic psychotherapy, 24689
eclecticism & integration & comprehension, counseling theory & practice, implications for counselor training, 15531
ecological perspective in community & residential child & youth & family services, conference presentation, bibliography, 30884
ethical & ideological issues in understanding behavioral disorders, 12096
evolution toward eclective psychotherapy orientation, psychologist treating 19 yr old female schizophrenic, 25118
evolutionist approach to psychopathology & nosology of mental disorders, 30112
existence of differences in person variables & perspectival approach to psychological functioning, comments on article by M. E. Hyland, 26122
fundamental differences between psychoanalysis & psychiatry, 30594
history of family therapy & trends in clinical expediency & techniques & methodology & form, 12493
human relatedness concept incorporating facilitating environment & other aspects of D. Winnicott's theory, psychotherapy, 13 yr old female with school phobia & her family, implications for social casework clinical practice, 22691
identity of process between philosophical activities of L. Wittgenstein & therapeutic activities of S. Minuchin's family therapy, 25205
impact of sex & professional certification status & theoretical orientation, attitudes toward & prognoses of elderly patients, psychiatrists, 18394
influence of assumptions of atomism & epistemology on thinking in parapsychology, 7930
interdisciplinary professional background & orientation & practice & trends, members of American Society of Clinical Hypnosis, 20433
Lacanian view of unconscious & transference & psychoanalyst's interpretation, comments on work by M. M. Gill & I. Z. Hoffman, 20943
learning style, preference for experiential vs rational vs behavioral vs client-centered counseling approach, clients, 4636
life history & personality & perspective of critical psychology, analysis of personal history & therapeutic methods, 9752
Logical Learning theory as Kuhnian anomaly, 7969
Marxist vs critical rationalist vs phenomenological philosophical approaches to psychology, East vs West Germany, 18859
meta-theoretical assumptions, attributions of patient responsibility for problem cause & therapeutic change, clinicians with psychodynamic vs cognitive-behavioral vs family systems vs eclectic orientations, conference presentation, 30582
metaphor as measure for change in psychology, comments on analysis by G. Gholson & P. Barker, 26104
metaphor in psychology & physics, reply to comments by E. Farrell, 26107
metatheoretical perspective of developmental contextualism, interdisciplinary framework for life course & life span research, 29552
methodological solipsism in psychology, comments on article by J. A. Fodor, 7951
methodological vs genuine positivism in history of psychology, 18848
multi-model approach to examination of clinical data that incorporate Freudian drive-defense conflict & self psychological & object relations perspectives, 45 yr old male with narcissism, 25156
need to formally define new area of psychocardiology, 30512
non-reductionist ethology & approach to biological foundations of psychological processes in comparative psychology, 28855
patterns of conceptualization & intervention for psychodynamic vs cognitive behavioral vs family systems vs eclectic orientations, treatment plan costs, therapists, 22370
perceptions of actual vs ideal therapeutic community, staff members of therapeutic milieus with psychoanalytic vs biological vs rehabilitative orientations, 30926
practice preferences, clinical psychologists, South Africa, 4727
prescriptive vs exploratory psychotherapy, therapist's use of verbal response modes, psychotherapists & their clients, 9717

principles of M. Erickson's multisystem model of eclectic therapy, literature review, 4295
problems in implementation of comprehensive systems approach in district psychiatric center, effect of staff behavior on patient's symptoms, supervisor & psychiatric team & 44 yr old male outpatient, 10040
problems with specific/nonspecific hypothesis in psychotherapy research & psychotherapeutic outcomes, 25099
psychiatrist's theoretical orientation, multidimensional analysis of facial expressions in photographs, 25–50 yr old psychiatric patients in subacute or chronic depressive state, 1880–1900 vs 1920–40, 27334
psychiatrist's theoretical orientation, multidimensional analysis of facial expressions in photographs, 25–50 yr old psychiatric patients in subacute or chronic phase of manic psychosis, 1880–1900 vs 1920–40, 27333
psychoanalytic perspective to family therapy, narcissistic/borderline couples, 9783
psychology as historical phenomenon & emphasis on cognition as opposed to activity, 28877
psychotherapy based on critical psychology, male patient with psychosomatic disorders & difficulty holding job, 9685
psychotherapy based on critical psychology, 26 yr old passive female with fainting spells caused by anxiety, 9741
rational vs intuitive therapeutic orientation, intermediate treatment, social workers, 25453
research orientation & self image, sociologists vs educators vs political scientists vs psychologists, 2207
research vs service orientation, educational psychologists, 22877
scientific style & consumer research, 7915
social imagery & realism & human action, family therapy theory, 9791
Soviet psychological view of US behaviorism, 18832
summary of causes of crisis looming in psychotherapy, comments on analysis of R. Langs, 27769
synthesis of philosophies & psychoanalytic humanistic & behavioristic theories, 2796
systemic model, interpretation & treatment of psychosomatic illness, 9597
systems' theory depersonalization of individual & consequent alteration of theoretical approaches in family therapy, 12481
temporality & theoretical positivism vs historicism in psychology, 13304
theoretical & clinical approaches to psychodynamics & psychotherapy of patient with narcissistic personality disorder, O. Kernberg vs H. Kohut, 22393
theoretical models & interventions used in therapy, nurse psychotherapists, 22436
theoretical orientation & personality, behavioral vs psychodynamic vs humanistic psychotherapists, 22861
theoretical orientation & therapeutic style & treatment process of J. Mann's time-limited psychotherapy vs H. Davanloo's short term dynamic psychotherapy, 22426
theoretical orientation opinions & psychoanalytic model in treatment, psychiatrists, 12391
theoretical orientation, peer reviews & evaluations of peer reviewers, staff members of college counseling centers, 4730
theoretical plurality & unity in psychology, 15
theoretical premises & techniques of Family Study Center of Milan vs Family Therapy Institute of Rome, family therapy training, Italy, 12794
therapist's theoretical knowledge & methods & techniques, psychoanalytic process, 27754
total person perspective of nursing psychotherapy, 22820
view of analyst's personal myth in psychotherapy & therapeutic relationship, Freud vs Jung, 7011

Theories of Education

application of Adlerian theory to education, 2406
authoritarianism vs self teaching educational theories, comments on article by J. Agassi, 20648
changes in educational theory & breakthrough of contemporary educational ideas, 4809
competition & fairness & work ethic as philosophical tenets in special education, classroom environment, learning disabled students, 13089
concepts of deviance vs out-of-family placement in educational sociology theory, comments on H. Kupffer's essay, 2290
contributions of neo-Romantic thinking & Freirian idea of consciousness raising to nihilism in education, reply to V. A. Howard & M. Stanley & J. F. Soltis, 25706
crisis due to inability to meet societal expectations & lack of secure foundation, higher educational system, Great Britain, 31126
individual education, literature review, 2393
interdisciplinary vs Marxist principles in education, handling of deviant behavior in elementary schools, 4835
need for educationally grounded theory of learning disabilities, 17534
nihilism as element in recent educational thought, 25705
nihilism in educational thought, comments on article by C. A. Bowers, 25710
nihilism in educational thought, comments on article by C. A. Bowers, 25716
objectives & curriculum & philosophy of individual education, literature review, 2360
paradigm shift in composition theory, writing instruction, 28437
philosophical differences between early childhood education & special education, implications for school psychologists, 20646
philosophy & theory of individual education & results of its implementation in schools, 2409
psychological & educational & social perspectives on peer tutoring, 20673
pyramid taxonomy of reading theory, 20645
radical perspective in social studies curriculum & instruction, 10365
Renzulli model for education of gifted, remedial & special education, 10502
social Darwinism & scientific deterministic model in teacher education, 20655
sociological vs group dynamic approaches to education & learning, 15584
theory-to-practice model & curriculum development, music education, 12982

Theories [See Also Related Terms]

alternative theories of educational administration, New Zealand, 28374
analysis of D. Bohm's developing postmodern thought & proposal for postmodern vision of reality & A. N. Whitehead's philosophy of prehensive wholeness, conference presentation, 16067
analysis of religion of antiquity in N. D. Fustel de Coulanges's "La Cite Antique", E. Durkheim's theories of social morphology & solidarity in "The Division of Labor in Society", 974
anxiety as expression of inner conflict & flight & avoidance behavior, comments on J. Boehme's theory, 9348
application of E. Durkheim's arguments to critique of L. Kohlberg's theory of morality, 14133
application of R. C. Abelson's structural theory of emotions, Southcottian & Shabbatean messianic movements, 29791
applications of micropsychology to mass media production of "microscenarios", 709
assessment probability & empirical dependence of utility, claims regarding violations of axiom of J. von Neumann & O. Morgenstern, 23345
assumptions necessary & unnecessary to risk homeostasis theory, traffic accident risk, criticism of F. P. McKenna's work, 10572
biochemical hypothesis, etiology of schizophrenia, 9283
Chinese vs English verbal stimuli, short term memory capacity explained by chunking & articulatory loop theories, 21194
classification schema & current theories & recent developments, adaptation to chronic disease, 20117
cognitive approach to causation of emotions, support for structural theory, 17263
comments on circularity of B. F. Skinner's definition of reinforcement, 39
comparison of state dependent risk attitudes & utility functions, 23347
concept of fit in contingency theory studies of organizational behavior, 2691
concept of "instinctoid" in A. H. Maslow's theory of need, 16077
concept of minimal meaningful context & interconnection between psychological theory & unique societal constellation in development of psychology, 18857

conception & formulation & development stages of scientific creativity, 5205
conception of psychophysical problem & theory of interactionism developed by K. Popper, 11830
concern for appropriateness & self esteem & social behaviors & attribution of causes of drug usage, college students, 14446
connectivist & parallel-distributed-processing models from cognitive vs associationist traditions, 23593
contributions of E. Jacobson to psychoanalytic theory of development, 3406
contributions of E. Jacobson to psychoanalytic theory of development, comments on presentation by S. Tuttman, 3400
contributions of W. James & G. H. Mead & C. H. Cooley to social psychology & symbolic interaction, 19786
controversial issues in emotion theory, implications for cognitive self theory, 17242
controversial issues of psychoanalytic theory & drive theory, 2776
counseling & self organization paradigm, 12685
criticisms of quantum mechanical theory of psi phenomena, 2757
cultural pluralism approach to recruitment of culturally diverse graduate psychology students as means of increasing generalizability of psychological theories & hypotheses, 2238
definition of psychological organism, 23344
development & reliability of rating questionnaire, measurement of love styles, college students, 13421
development of general theory of psychoanalysis within framework of critical psychology, analysis of case of J. Gammelgaard, 5180
development of neogrammarian school of thought in linguistics, 19th century, Germany, 24048
development of theories of emotion since 1960's, 13703
development of theory for Rorschach Test, professional contributions of W. Klopfer, 16161
development of theory of behavioral & cognitive consistency based on personal identity, college students, 14494
Differential K Theory & delay of reproductive effort & extraversion & neuroticism, Mongoloids vs Caucasoids vs Negroids, 24568
differential K theory as potential explanation for group & individual differences in life history & social behavior & physiological functioning & family planning, 17266
differential sex role development theory of C. Gilligan, counseling implications, 11505
distinctiveness & interpersonal consensus & consistency, causal attribution, analysis of H. H. Kelley's theory, literature review, 1160
elaboration on social constructionist theory, reply to comments by G. Nettler & A. Kukla, 20937
emergent paradigm shift from mechanistic scientific thought to more holistic & subjective psychology, implications for counseling & psychotherapy, 10689
emotions in interpersonal relations, implications for interdependence theory, 17208
emotions theory analysis of coping & social support & mental disorders, implications for stress-buffering phenomena, 17430
empirical & theoretical methods in psychology, 28846
epistemology & ontology in works of G. Bateson vs H. R. Maturana, biological foundation of social & behavioral sciences, 9
epistemology & substantive theory in psychology, 20931
evaluation of achievement motivation theory, initial task choice, reply to criticisms of D. Sohn, 11795
evaluation of cognitive theory & achievement motivation theory of J. W. Atkinson, prediction of initial task choice, comments on study by W. H. Cooper, 11847
evidence & assumptions relevant to risk homeostasis theory, traffic accident risk & prevention, reply to G. S. Wilde's criticism, 10569
expected utility theory of rationality, criticism of arguments of M. Allais, 23336
experimental research & psychological theories of action, 20939
explicate & implicate order in computer memory, 16085
fear & avoidance behavior & theories of anxiety, 22103
feminist phase theory, evaluation model for women's studies in anthropology & history & literature & psychology, 15586
generation & test of theory of storage & retrieval processes in memory, 5507
historical & psychoanalytic & behavioral & social, theoretical views of child abuse & aggression, conference presentation, 24770
history & ideas of A. N. Leontiev's theory of activity, implications for Marxian psychology, 16079
history of developmental theories, 6002
humans as mental & spiritual entities with physical nature, 28864
ideology of conformity, implications for family therapy, comments on theory of H. R. Maturana, 12429
impact of sociological & anthropological & linguistic perspectives, vitality & cross cultural applicability of psychological theories, 28879
implicate order in physics & philosophy & theology, reply to comments by R. J. Russell & G. F. Chew & D. R. Griffin & T. Peters, 16055
implicit theories & evaluation of group process & performance, college students, 19797
inconsistency claim of F. Ramsey & proof of framing illusion of L. J. Savage & expected utility model of J. von Neumann & O. Morgenstern, analysis of gambling options, 23349
integration of nativist theory of language development with sociolinguistic theory of language practice, 29635
intentionality & deficiency theories of schizophrenia by E. Bleuler & G. Huber & W. Janzarik, 9310
interaction between research in & theories of culture & cognitive sciences, 29081
interpersonal theory, client-therapist relationship in counseling & psychotherapy, comment on C. J. Gelso & J. A. Carter's interpretation, 9736
justice standards & theories of moral development, 8677
key word "manipulation" in exploration & analysis of critical aspect of implicit leadership theory, 13246
linear vs systems theoretical approaches, family therapy, 1839
logotherapy & theory of personality & psychotherapeutic techniques & theories of learned helplessness & depression of V. Frankl, 1800
Marxian psychologist L. S. Vygotsky's theory of higher-level mental functions, 16066
mechanist world views & concept of human development, comments on paper by R. M. Lerner & M. B. Kauffman, 16881
mechanist world views & concept of human development, reply to comments by T. S. Kendler, 16885
need for examination of attribution theories & their impact on study of interactional behavior, 1115
need for ideology & legitimation in society & organizational theory, 20827
need for pluralism & unity in psychology, comment on R. A. Dixon's view, 18808
needs of humans as individuals vs as members of social & political groups, comments on political theory of C. Bay & H. Marcuse, 1955–83, 6249
perceptive resolution processes, theories of J. A. Fodor & Z. W. Pylyshyn & M. T. Turvey et al, 2966
philosophic background & psychological approaches to & methodological aspects of happiness, 1177
philosophical criteria for theories of psychology, 6
Piaget's theory of relationalism as structuralism & theories of relations compatible with holism, 7954
position of R. D. Laing on definitions of insanity, 9223
potential for further development of K. Jaspers' psychopathological theory, 9190
practicality of holistic self psychology & variant of structured theory which involves component of nontraditional structure of self, treatment implications, 27770
prominent developmental & family & life cycle theories in social work & need to find linkages toward more holistic theory, conference presentation, 18220
proposal for reconstruction of psychosomatic theory, 30815
psychoanalytic & anthropological/existential theories, 59 yr old female with manic delusional psychosis, 6466
psychological theory of educational productivity of H. J. Walberg & relation to science education, 28372
psychophysical concepts of Prince A. Auersperg, 29340
publication vs communication theory & research in mass media, 707
quantum theory & person centered therapy, 12684

rationalist vs empiricist approaches to psychological theory of Piaget vs N. Chomsky vs Skinner, 47
role of theory in ecological study of memory, comments on article by D. Bruce, 8246
scientific constructs of bisexuality & relationship to homosexuality, 24436
self-in-relation perspective on aspects of existing theories of depression, implications for women, 27317
self intervention vs determinism & analysis of behavior, reply to comments by B. N. Waller, 1204
self intervention vs determinist-behavioristic account of self control, comments on paper by P. F. Secord, 1212
situationally-specific & cross-situationally general behavior & history, person-situation debate, 9083
social construction of emotion, 29999
social constructionism & knowledge of world, comments on article by K. J. Gergen, 20940
social constructionist movement in modern psychology, comments on article by K. J. Gergen, 20944
social systems framework for theory & treatment of morbid grief reaction, 14599
socialization theories of morality vs L. Kohlberg's moral development, 11382
status & solidarity as dimensions of language variation & choice, cultural hegemony vs working class & minority community practices, Spain, integration of sociolinguistic & social theory, 29520
status of theory & relationship to practice in learning disabilities field, 30337
structural theory of emotional relationships, 17198
structure determinism theory of H. Maturana, implications for family therapy, 12486
structure determinism theory of H. R. Maturana, implications for family therapy, 12438
structure vs agency problem in concept of power in group relations, comments on theoretical frameworks of S. Lukes & A. Giddens, 24478
summary of E. B. Huey & L. S. Vygotsky's work on inner speech & oral language & reading, 4810
symbolic interaction vs negotiated order theories & behavior in complex organizations, 18777
systems theory approach to functioning & communication, families in therapy, 17903
systems theory conceptualization of chronic pain, 1554
theoretical conceptualizations & therapies for treatment of bulimia, 14950
theoretical explanations of drug dependence, literature review, 12072
theories & Freudian thought on pathogenesis, 5184
theories & influence of A. Gramsci & F. Basaglia in psychiatric reform movement, Italy, 25066
theories of fatherhood & fathering practices, 21822
theories of Jung & H. Werner, implications for foundational studies in art education & art therapy, 14953
theories of V. Frankl & development of logotherapy, 7088
theory of "basic" disorders in psychiatry developed by G. Huber & revised according to dynamic structured theory, 1315
theory of psychological reversals, crisis counseling, 13317
theory of psychopathology of K. Jaspers, 6511
theory of self, radical criminology, 17130
theory of sense perception of W. Wundt, 8180
theory of wholeness & implicate order & postmodern consciousness, critique of theory by D. Bohm, conference presentation, 16074
types & theories of placebo phenomenon, control theory model of placebo effects, 22367
use of grounded theory in organizational research, 31527
use of term "envy" in interpersonal situations & economics, 23338
validation of components theory of reading ability based on verbal coding efficiency model of reading skill, 13415
visuoperceptual vs linguistic vs articulographomotor subtypes of learning disabilities, 8–12 yr olds & adults, 15-yr longitudinal study, replication of 1st author's study, 17533

Theory Formulation

common sense & logical necessity & psychological theorizing, 18856
conceptualizaton of construct & development of measurement instrument, chronic self destructiveness, college students & 24–71 yr old business women & 20–95 yr old Veterans Administration patients, 13428
constraints in L. Ripple's problem formulation strategy in research & alternative strategies, 16095
constructionist metatheory & resolution of dilemmas in psychology of gender, 10732
constructionist position of epistemology of psychological knowledge, 10725
contributions of A. N. Leont'ev to development of psychology, USSR, 16060
current developments in psychoanalytic theories of self, conference presentation, 14498
development of Freedman-Leary-Coffey Interpersonal System, group psychotherapy clients, conference presentation, 17944
development of organizational buying theory, 18805
development of sensory-motor theories of learning, 5378
development of work adjustment model as framework for vocational psychology, 2605
educational taxonomies, development & confirmation of process hierarchy theory of learning & cognition, 15579
followup & prospective & retrospective research, theoretic formulations, hyperactive children, 6724
formation of theories concerning empirical science in relation to psychology of perception, 5195
formation of theory in psychology of unconscious, 5203
Freudian & Jungian theories of self & theory building in psychoanalysis, conference presentation, 14504
historical-theoretical analysis of evolution of Vygotsky's concept of activity in psychology, USSR, 18879
influence of L. Wittgenstein's analytic philosophy of language on P. Watzlawick's theory of clinical psychology, 25052
influence of W. Klopfer on development of author's logical learning theory, personality assessment, 17267
integration of family system & individual development perspectives, differentiation & individuation & identity formation, adolescents & young adults, 11537
interpersonal relations & role of anxiety, H. S. Sullivan's interpersonal theory of psychiatry, 27733
latent variable methodology in theory construction & testing, management research, 13341
model of changing roles of females, social psychological ambivalence & developmental alienation, 14391
model of perception & reproduction of tone sequences, college students, 19088
personal history of author & development of idiodynamics, 30041
phenomenology of J. Sartre in R. D. Laing's theory of etiology of schizophrenia, 30097
psychological individuation & drug choice, male chronic drug abusers, 12112
role of human-environment systems, conceptualization of security circuit in human brain, 26499
role theory & concept of role strain, implications for health care, 29995
strategies for theory formulation, 10731
theoretical model & analytical dimensions of task complexity, implications for study of human behavior in organizations, 23158
theories of school learning & correlates of learning disabilities, model of learning disabled students as dissociated learners, 17516

Theory of Evolution

adaptations of feeding behavior to environment & evolutionary advantages of social behavior & development of intelligence, nonhuman primates, 11109
assimilation of Darwinism in developmental psychology & J. Piaget's interpretation of evolutionary theory, 16878
beak sizes & character displacement, ground finches, 351
consciousness in evolution as environmental adaptation & development of self through symbols & role taking, 19664
development of L. H. Morgan's social evolutionary theory, 26
ecological approach to memory research, 3043
environmental & cultural factors & molecular basis of evolution, 23789
environmental context & biological first principles & optimal foraging theory, food aversion learning, animals, 13748

evolution of consciousness & program for hastening spiritual transition, conference presentation, 29177
evolution of homosexual orientation, comments on D. J. Futuyma & S. J. Risch's argument, 6294
evolutionary biological view of origins of psychic conflict & adaptive function of repression in development, 11542
evolutionary perspective of human consciousness as catalyst for global survival, 29180
evolutionary psychiatry & triune brain, 16415
evolutionary theory & political thinking & human consciousness in collective affairs, 27076
gradualism vs natural selection & adaptation in C. Darwin's theory of evolution & its relevance for psychology & development, 16059
group fissioning & expansion & kinship & ethnocentricism, human tribes vs macaque troops, implications for human evolution, 19794
human evolution as determined by interaction of biology & culture & role of self, comments on work of M. Csikszentmihalyi & F. Massimini, 26116
human evolution as determined by interaction of biology & culture & role of self, comments on work by M. Csikszentmihalyi & F. Massimini, 26106
human evolution as determined by interaction of biology & culture & role of self, comment on work of M. Csikszentmihalyi & F. Massimini, 26123
human evolution as process of interaction among telenomies of intrasomatic genetic & extrasomatic cultural memories & individual psychological selection, 26101
move to savannah in hominid evolution, development of cooperative foraging & reciprocal exchanges of information & resources, 5653
polygynous vs monogamous mating system, nutritional constraints on sexual selection for optimal body weight, male vs female primates, 5650
potential value & impact of C. Darwin's evolutionary theory on developmental psychology, 16870
primitive psychic parasitism & insights of M. Klein & biological concept of fetal placental parasitism proposed by A. Giard, 2758
religious & socioeconomic & symbolic aspects, acceptance vs rejection of theory of evolution, nonfundamentalists vs fundamentalist Protestants vs Catholics, 8944
semiotics of space in neolithic art & genesis of cerebral hemispheric asymmetry, USSR, 29304

Theory Verification
ability in mental puzzles based on geometry knowledge & selection tasks & essay writing tasks, college students, support for theory of intelligence of K. Raaheim, 3029
anxiety-over-errors vs -competence, reflective & impulsive behavior, 8–11 yr olds, 8919
awareness & stimulus valence, affective information processing, college students, implications for R. B. Zajonc's hypothesis, conference presentation, 289
cognitive developmental vs social learning theory, interrelationship of sex role attitudes & behavior & personality traits, college students, 6287
Core Conflictual Relationship Theme Method, verification of Freud's concept of transference, 4326
educational taxonomies, development & confirmation of process hierarchy theory of learning & cognition, 15579
experimental question of validity of Freud's theoretical hypotheses in psychoanalysis, 27775
Genevan vs Cattell-Horn conceptions of intelligence & early implementation of numerical solution aids, 4–7.9 yr olds, 19640
helplessness induction task, judgment of amount of control responses had over outcome, college students, failure to support "cognitive deficit" theory of learned helplessness, 11801
learned helplessness & depression, self directed punitive behavior, male college students, support for learned helplessness model of depression, 1118
locus of control & personality & academic major & verification of J. L. Holland's theory of vocational preference, college students, England, 18633
perception of egocentric distance of targets, 18–36 yr olds, test of theory of binocular distance perception, 5406
precued choice vs simple RT, test of F. C. Donder's subtraction method, college students, 13507
properties of perceived riskiness of gambles, graduate business students, West Germany & US, failure to support R. D. Luce's proposed measures of risk, 30024
random variability & Stroop phenomenon & cognitive processes & RT durations, implications for empirical verification of theory, 18917
reattribution of failure instructions, task performance, college students, support for attributional reformulation of learned helplessness theory, 3697
response force requirement, rate of change in response magnitude, 20–31 yr olds, confirmation of linear system theory prediction, 8245
sensory modality of mental imagery, eye movements & spoken predicates, college students, test of neurolinguistic programing theory of R. Bandler & J. Grinder, 8140
structural change vs scale differences within vs between organizations, doctorate-granting universities, test of P. M. Blau's theory of structural differentiation, 26015
test of J. L. Holland's theory on career choice & personality & job satisfaction, 14–16 yr olds, implications for occupational guidance, Dominica, 18660
thought & schema complexity, attitude polarization, college students, support for work of P. W. Linville & A. Tesser & C. Leone, 29090
validity of M. Deutsch's theory of cooperation & competition or goal linkage, interdependence in organizations, organizational employees, 20895

Therapeutic Abortion [See Induced Abortion]

Therapeutic Camps
Adventure Etc. health promotion program, self esteem & locus of control & family dynamics, chronically ill & disabled adolescents, 25544
participation in Outward Bound Program, self concept, 16–31 yr olds, 17987
rehabilitation camps to promote social adaptation, psychiatric patients, 20540
rehabilitative camps of psychiatric health services, patients, Poland, 20489
residential outdoor educational camp program, children with learning disabilities, 13059
wilderness camp, community coping & social skills, adult chronic psychiatric patients, 6-mo followup, 18178

Therapeutic Community
adaptation to structured clinical milieu, acute schizophrenic patients, 7310
adolescent sexuality & countertransference issues, therapeutic community staff, 2117
changes in attitudes toward corporal punishment & in behavior & symptoms, 10–17 yr olds in residential community for maladjusted children tested at entrance & after 3 terms, 15369
cognitive & psychosocial & physical & vocational rehabilitation in residential transitional treatment program, residents with traumatic head injury, 15405
cognitive therapy, psychiatric depression, 21 yr old female in inpatient therapeutic community, 25473
curative process in therapeutic community, 30955
day hospital as therapeutic community, psychiatric patients, 7399
development & characteristics of therapeutic community for substance abuse, 28232
effectiveness of milieu therapy, psychopathic males with mean age of 11 yrs, 7432
evolution in theory & current trends in milieu therapy, 30950
group & therapeutic community principles, emotional disturbances, 15–20 yr old American immigrants vs kibbutzim, Israel, 4399
individual & family psychotherapy & use of therapeutic communities, schizophrenia, 16–44 yr old patients, 5-yr followup, conference presentation, 27756
interpersonal relationships, milieu therapy, children & youth, 7409
milieu therapy & psychotherapy, mentally ill patients in rehabilitation institutions, Cuba, 30949
milieu therapy in nursing unit, 40–70 yr old patients with Alzheimer's disease, 10012
milieu therapy, management of violence, children, 7414

milieu therapy, resocialization, minors in correctional institutions, 10148
milieus, 2 community residential alternatives to psychiatric hospitalization, conference presentation, 30871
morning routine, staff member in residential treatment center for emotionally disturbed children, 7449
occupational therapy in therapeutic community of psychiatric hospital, 15353
perceptions of actual vs ideal therapeutic community, staff members of therapeutic milieus with psychoanalytic vs biological vs rehabilitative orientations, 30926
person-centered cognitive perceptual style vs inanimate thing-centered style, level of need for treatment, drug addicts in drug free therapeutic community vs methadone maintenance program, 31024
privacy in parent-infant relationship & in milieu therapy, 7415
psychiatric ward admission, therapeutic milieu & other patient & staff reactions, 32 & 33 & 34 yr old male homosexuals with acquired immune deficiency syndrome or delusions of having disease & 27 yr old female drug abuser, 4669
psychotherapeutic techniques used in child psychiatric clinic run on therapeutic community principles, Poland, 7431
role in patient care in therapeutic milieu, psychiatric nurses, 7405
Spring Lake Ranch therapeutic community as cost-effective approach to residential care & treatment, 25529
therapeutic aspects of regression in hospital large group meetings with staff, inpatients of acute psychiatric treatment setting, 18250
therapeutic community in rural setting, young drug addicts, 7483
therapeutic community principles & impaired ego functions, pathological behavior, patients with schizophrenia or organic brain syndrome or mania or depression or personality disorders, 12716
therapeutic dynamics of church community, 7311
use of Ward Atmosphere Scale as objective means of evaluation of milieu therapy, emotionally disturbed 5–16 yr old residents & staff of residential facility, 20510
verbal interaction in suburban therapeutic communities, drug free lifestyle vs relapse to street crime & illicit drug use, drug addicts, 2183
work of International Federation of Educative Communities in development of residential & foster & day care & therapeutic communities & other child services, 30881
Therapeutic Devices (Medical) [See Medical Therapeutic Devices]
Therapeutic Outcomes [See Treatment Outcomes]
Therapeutic Processes [See Also Psychotherapeutic Processes]
acceptance of recommendation of discontinuation of life support, family of 32 yr old female with severe head injuries, case report, implications for management of bereaved family, 25513
age & sex variables, patient preference, 17–56 yr old female nursing students, implications for quality of care, 25363
analysis of doctor-patient interactions, effectiveness of medical treatment, 1997
arterial hypertension & life stress & anxiety due to visit to doctor's office, 1605
Balkan folk healing techniques & importance of patient/practitioner relationship, 20449
biomedical vs biophysical medicine curriculum, skill at identification & documentation of patients' psychological data & predisposing risk factors, medical students, 10195
body image & culture shock, illness & doctor-patient relationship, North African immigrants, France, conference presentation, 7332
brown vs white nursing staff uniforms, nocturnal disturbed behavior, visually impaired male 34–86 yr old hospitalized patients with Alzheimer's disease or stroke or schizophrenia or Huntington's chorea or alcoholism, 22735
computer use in consultation & ratings of physician just seen vs ideal physician, recent hospital outpatients, 22610
concept of integration in medical/psychiatric & other scientific fields & impact of technology, implications for rehabilitation & psychopathology & professional relationships, 12311
conflicts in relationships & parallels to relationship between patient's parents, therapists & direct care staff in residential adolescent treatment facility, 12725
contribution of J. G. Sheehan's approach-avoidance theory, client-clinician relationship & therapeutic processes in treatment of stuttering, conference presentation, 25341
culture change & assimilation, sexuality & gynecological treatment & contraception, North African Islamic immigrants, France, conference presentation, 7312
culture shock & health & body language in doctor-patient communication, immigrants, France, conference presentation, 6201
death orientation & attitudes toward communication with terminally ill patients, medical students & physician's assistants & family physicians, 27705
defensive splitting & nursing staff countertransference, borderline patients, 10083
deficiencies of organic-systemic vs functionalist vs developmental vs conflict models of doctor-patient communication, 4230
dentists' technical competence vs staff interpersonal skills vs office organization vs financial practices, satisfaction, dental consumers, implications for marketing, 30799
development of psychological skills & processes in medical practice, general practitioners, 25696
differences in occurrence & semantic content of speech during self touching in medical interview, 21–76 yr old patients & physicians, 15236
doctor-patient communication, Hong Kong, conference presentation, 7307
doctor-patient dialog & interaction, dyslexic children in institution for prepsychotic & autistic patients, 28136
doctor-patient relations & emotional stress & behavioral eccentricity & neurotic complaints & therapy or medical treatment attitudes & fixed attitudes, patients with neuroses vs kidney transplant, 6461
doctor-patient relationship & attitudes toward profession, oncologists, Israel, 25615
doctor-patient relationship & role of family in diagnostic & drug treatment process, hypertensive patients, 15157
doctor-patient relationship, female vs male 3rd vs 4th yr medical students, Cuba, 31039
doctor-patient relationship, general practitioners & North African immigrant workers, France, conference presentation, 7317
doctor's support for immigrant families with disabled children, England, 24596
effects of denying death to terminally ill hospital patients, doctors & patients, 2087
ethical & legal dilemmas of confidentiality in psychiatrist-patient relationship, patients prone to dangerous acts, 15543
ethnographic approach to family & larger social context, understanding patients' illness behavior & noncompliance, illustrative cases, physicians, 18168
examiner familiarity, test performance, language-handicapped preschool & school age students, implications for assessment, 14786
feedback about neuropsychological assessment findings, psychiatric patients & their families, 17300
formation of coalition in triadic relationship, physicians & their aged patients & accompanying relative, 20443
hard vs soft outcomes & patient vs doctor satisfaction in obstetric care, conference presentation, 25372
helpful staff behaviors & coping patterns, parents of children in pediatric intensive care unit, 15373
holistic health practices & spiritual aspects of illness & spiritual role of physician, 18167
humanistic qualities & patient care, stress, physicians, criticism of article by C. Clements, 18338
image of physicians, doctor-patient relationship, North African immigrants, France, conference presentation, 7320
implementation of new ward-round/consultation procedure, team member participation & discussion, hospital medical & nonmedical staff & psychiatric patients, 7416
importance of alliance between treatment team & family during treatment, hospitalized severely disturbed child, 20529
inclination toward affective vs instrumental behavior toward patients, primary care practitioners, 22805
incorporation of preferences in therapeutic decision making, satisfaction & service utilization, physicians & their patients, 15256
information from youth clinic questionnaire, communication between patients & physicians, hospitalized 10–25 yr olds, 30974

information giving & withholding in therapeutic relationship, physicians & their patients, 15259
inservice training in behavior therapy, independent ward activities & interpersonal interaction, psychiatric nurses, 25507
intercorrelations of scores on empathy instruments, simulation of patient-medical student interactions, 2nd-yr medical students, 18151
level of emotional disturbance, emotional reactions to resident work rounds, patients in teaching hospital, 22737
male socialization vs traditional hospital intervention, attitudes toward death, 51 & 52 yr old terminally ill males & husband of dying wife, 10117
malpractice risk & patient communication, physicians, 4788
management problems & reactions of family & ward personnel, hospitalized 16 yr old male with aplastic anemia, 25508
materiality & comprehension & recollection & unconscious issues, ability to give informed consent to physician, patients, 24414
model based on service delivery roles & organizational factors, school psychologist-client relationship, 22915
need for communication & positive staff attitudes in institutional environment, elderly patients, 30967
need for personal relationship in hospital, medical patients & personnel, 12723
need to be aware of helping vs overinvolvement with patients, therapists, 28334
norms as features of social structure vs as interactional accomplishments, behavior during interviews, medical residents & female patients, 30812
orientation & paradoxical perspective on patients & doctor-patient relationship, medical interns & residents, 20610
paternal vs individualist model of ethical decision making in counseling, counselors & their clients, 20496
paternalism & need to be aware of psychodynamics underlying ill-advised patient decisions, physicians, 28328
paternalistic vs egalitarian physician style & patient's anxiety, responsiveness to suggestions & perceptions of treatment & physician distress, 16–43 yr old female elective abortion patients & their physicians, 18156
patient participation in treatment decisions, chronically vs acutely ill patients, implications for informed consent, 20451
patient's pain & ability to anesthetize, stress reactions, dentists, 4588
patients' views on medical students & care quality, university operated community health center patients aged 16–92 yrs, 25356
perceptions of counselor touch conditions in counselor-client interaction, male vs female 19–65 yr old counselors vs clients, 10058
perceptions of medicine & drug administration methods & religious beliefs & use of folk medicine, treatment compliance, Moslem immigrants from North Africa, France, conference presentation, 7181
permission & guidance strategies, understanding of instructions & advice giving during consultations with general practitioners, medical patients, 28066
personality & adequacy of information received from physician, adoption of Moerman diet, patients with Hodgkin's disease or breast cancer, 12262
personnel's sex role values & bias, client comfort & prognosis & importance of problems, 19–65 yr old alcohol treatment agency personnel & their male vs female alcoholic clients, 31030
physician dress style, attitudes & therapeutic relationship, 12–21 yr old female vs male patients, 25668
physician recognition of ethnomedical vs biomedical complaints, primary care patients, Appalachia, 20457
physician's approach to sexually transmitted diseases & traumatic problems of sexual intercourse, lesbian & homosexual adolescents, 18160
positive supervisory feedback for appropriate interactions, staff & client behavior, institutional staff & mentally retarded 8–17 yr olds, 10119
professional background & age & sex, attitudes toward physical treatment & psychological proximity between staff & patients, 20–60 yr old psychiatric nurses & nursing assistants, 18401
provider continuity, pregnancy complications & patient satisfaction, pregnant 17–36 yr olds, implications for family practice, 25355
psychiatric clerkship, attitudes & therapeutic approaches toward & diagnostic assessments of mental health patients, 25–28 yr old medical students, 22851
psychoanalytic concept of "the other" as model for understanding spoken & body language in doctor-patient relationship, immigrants, France, conference presentation, 6926
psychoanalytic factors, relationship with own child as patient, health professionals, 4768
psychoanalytic factors, treatment of own child, health professionals, criticism of E. S. Levin's study, 4754
psychosocial issues of readiness & appropriateness of vision prostheses & aids, visually impaired individuals, 10131
rate & content of naturally occurring interaction patterns, nurses & 10.2–22.7 yr old profoundly multiply handicapped inpatients, 2075
reactions to preoperative interviews with their physicians & types of concerns expressed, 16–52 yr old elective surgery patients, 2007
religion & cultural differences, surgical procedures, North African immigrants, France, conference presentation, 7413
religion & cultural factors & language barrier, hospital medical treatment, North African immigrant workers, France, conference presentation, 7418
rights & responsibilities models of moral development & judgment, nurse-patient relationships & ethics, nurses, 2280
scheduled activities with vs without supervision program, time engaged in training residents, staff members of residential facility & their 4.5–6 yr old mentally retarded patients, 15390
sex of physician, physician-patient relationship, physicians & patients, 15565
social control vs patient compliance model for analysis of medical management, problem pain patient, 1697
somatic view of doctor-patient relationships in nuclear medicine, 1973
staff-patient interactions, reinforcement of dependency, aged nursing home residents, implications for staff intervention, 7446
staff sexual anxiety & management of sexual issues & problems, disturbed adolescents in inpatient treatment programs, 28173
staff to patient ratio & interactions in dining room, behavior during lunch & dinner, 7–13 yr old psychiatric inpatients, 10109
standard & standard care plan for restraint & seclusion, psychiatric patients, implications for nursing, 15384
therapeutic approach to patients with somatization disorders, physicians, 25376
therapeutic interactions, physicians & their outpatients, 9646
time spent waiting for doctor & in assessment & active involvement with doctor, adult & child patients in multidisciplinary diabetes clinic, implications for patient education, 15252
training & research in Balint groups, technique to facilitate doctor/patient relationship, general practitioners, 18340
training in doctor-patient communication based on Rogerian theory, behavior during & outcome of diagnostic consultation & patient's willingness to discuss personal problem, general practitioners, 10184
transference in humanistic doctor-patient relationship, internist in small town, 1981
use of informal term "gomer" to describe 52–91 yr old hospitalized patients, internal medicine hospital staff, 25498
use of videotapes to teach ethical principles in surgeon-patient relationship & barriers to effective doctor-patient communication & behavior, surgical curriculum, 25697
value attached to physicians' emotional expressivity vs neutrality, preferences regarding physician behavior in medical encounter, health sciences students as consumers, 18142
videotaped vignettes & student responses, instruction in effects of physician's values & stereotyped attitudes on doctor/patient relationship, medical students, 31079
3rd-party judgments & interview rating scales, measurement of recall & interpretation of commitment to information in medical consultations, patients attending general practitioners, Great Britain, 9678

Therapeutic Social Clubs
dual disabilities, diagnosis & treatment in a psychosocial rehabilitation club, Ss with primary psychiatric & secondary alcoholism disorders, 1722
Therapeutic Techniques (Psychother) [See Psychotherapeutic Techniques]
Therapist Attitudes [See Also Psychotherapist Attitudes]
acceptance of referral of patients from public sector, psychiatrists & psychologists & social workers & nurses in private practice, 12822
attitudes on concept of good psychotherapy, psychologists, Norway, 12791
attitudes toward & instrumental & conceptual use of psychotherapy research, psychologists involved in work with children, 18354
attributions of behavior of schizophrenic patients, 20–58 yr old hospital vs alternative-care staff, 12869
barriers to effective therapy & strategies to overcome them when working with low income Black families, family therapists, 9776
epistemological positions of concepts of reality & illness & symptomatology, psychotherapists, 2236
female gender role sensitivity in marriage & family therapy practice, 25207
level of education vs length of professional experience, attitudes toward theory development, experienced therapists vs recent occupational therapy graduates, 25690
meta-theoretical assumptions, attributions of patient responsibility for problem cause & therapeutic change, clinicians with psychodynamic vs cognitive-behavioral vs family systems vs eclectic orientations, conference presentation, 30582
positive vs negative evaluative dispositions & information on patient's therapy progress, clinical impression, clinical trainees, 20593
professional & educational background & perceptions of acceptance of themselves & their programs by hospital personnel & community members, family therapists working in hospitals, conference presentation, 18270
racial & ethnic stereotyping as defensive mechanism in interracial therapeutic relations & need to accept patient's individuality, 16 & 24 & 28 & 35 yr old Black male & female & Puerto Rican female clients & their White female therapists, 22421
ratings of self & other on structural analysis of social behavior scales, prediction of psychotherapeutic outcomes from interpersonal styles, therapists & clients, 17873
reactions to therapist's 1st pregnancy, psychotherapy clients, 27786
relaxation vs placebo concentration therapy & therapist bias, tension or mixed migraine-tension headache, 18–45 yr old females, implications for controlled outcome research methods, followup study, 1902
role & interaction of therapist & family values in family therapy, 25201
sex role attitudes, physicians & psychologists & social workers & nurses & occupational therapists working as psychotherapists, 25646
stages of development & acceptance of concept of stages in family therapy models, family therapists, 17968
therapist attitudes & misunderstanding of survivor terminology, misdirected psychiatric treatment, Holocaust survivors & their children, reprint, 30513
therapist's & patient's religious affiliation, attraction to & prognostic expectations & diagnosis of patients, 30–60 yr old psychologists with vs without religious affiliation, 12387
use of formal procedures & role of therapist's values in assessment in family therapy, 25197
Therapist Characteristics [See Also Therapist Attitudes]
affective & behavioral & cognitive/attributional models of verbal expression, 1st session of family therapy, 2 parent families with referred 10–19 yr old adolescents & their male vs female therapist trainees, 22458
affective & cognitive processes & role of regression & empathy & counteridentification & countertransference in psychological perceptive ess, psychoanalysis, 25125
analyst's sensory perceptions & theoretical knowledge & experience & countertransference, object & process of interpretation in psychoanalysis, 27766
androgyny, quality of psychotherapeutic relationships, androgynous vs masculine vs feminine 26–40 yr olds, 27823
anxiety & confidence level before vs after first clinical practicum, White female graduate students with speech-language pathology major, 20630
authoritarianism vs reciprocity in analyst-client & analyst-trainee relationship, 7550
behavioral treatments & therapist characteristics, weight loss, obese adults, 3-mo & 2-yr followups, 9839
behaviors during treatment of 25–50 yr olds with agoraphobia by in vivo exposure, behavior therapists, 25237
characteristics & evaluation of clinical practicum performance, supervisors & their failing vs average vs outstanding speech-language clinicians, 20579
characteristics & qualifications & practices & clients & training satisfaction & aspirations, clinical psychologists in independent private practice, 2253
client & counselor sex & client level of cognitive differentiation, client perceptions of analogue counseling session, 18–46 yr old male vs female college students, 9712
client & therapist characteristics, equal theoretical probability of success across modalities of psychotherapy, 1736
complexity of roles & their interaction, child psychiatrists who are fathers, 31094
consulting room space as expression of analyst's personality & element of analytic frame, 30573
coping methods & personal characteristics related to coping & self change, 18–91 yr old psychotherapists & counselors vs layperson, 25670
decision to stop charging specific fees, psychotherapeutic process, Jungian therapist who follows Hinduism, 7556
destructive resistance & reaction to patient's threat to leave treatment, psychoanalyst, 22429
dispositional vs situational vs psychological vs physical attributional style, psychoanalysts vs behavior therapists vs nontherapist college students, 31104
distinct patterned sequences of statements in psychotherapy, gestalt-dynamic vs Jungian vs behavioral deconditioning vs client centered vs relationship-dynamic vs rational-emotive therapists, 25136
"dumb spot" in countertransference, psychoanalysts, 18343
endowment of therapist's gaze & appearance with object relational significance & meaning to self development, psychotherapy patients, 25124
gossiping & countertransference in relation to empathy, psychotherapists, 10198
impact of sex & professional certification status & theoretical orientation, attitudes toward & prognoses of elderly patients, psychiatrists, 18394
individual characteristics & support systems, leadership attainment, 36–74 yr old female occupational therapists, 12866
informing clients of biases in marital therapy, therapists, 4799
interactional & client & therapist characteristics, treatment of transfer cases, therapist trainees & their 25 & 29 yr old female patients, case report, 27819
interrater reliability & internal consistency & factor structure & discriminant validity of Cognitive Therapy Scale, evaluation of competence in treating depression, cognitive therapists, 21022
locus of control similarity between clients & therapists, therapeutic process & expectations & outcome, therapists & their clients, 17797
need for utilization of clients subjective reality & therapists abilities, understanding of dreams as attempt to understand other's inner world, 27812
paternalistic vs egalitarian physician style & patient's anxiety, responsiveness to suggestions & perceptions of treatment & physician distress, 16–43 yr old female elective abortion patients & their physicians, 18156
patient-therapist cognitive match, psychotherapy outcome, therapists & their patients, 17821
perceived counselor power & trustworthiness & client motivation, prediction of change in self concept, college students, 23103
personal construct theory, personal styles & psychiatric treatment based on constructive alternativism, clients & therapists, 17752
perspective on A-B research of J. C. Whitehorn & B. Betz, literature review, 4803
placebo groups, control of treatment variables & therapist traits vs states in psychotherapy research, 20320

plan concept of brief psychotherapy & therapeutic progress & therapist behavior, patients, conference presentation, 22432
process of termination of analysis & activation of regressive forces, psychoanalyst who lost most chronic patient, conference presentation, 17881
psychotherapist characteristics & patient relations, effective therapy, 7060
psychotherapy practice, interpersonal functioning & psychological impact, psychotherapists, literature review, 22824
psychotherapy supervision, unresponsiveness, psychotherapists, 2228
ratings of self & other on structural analysis of social behavior scales, prediction of psychotherapeutic outcomes from interpersonal styles, therapists & clients, 17873
reactions to therapist's 1st pregnancy, psychotherapy clients, 27786
reciprocal interaction & behavioral responses evoked in therapist, clinical patients & therapists, comment on article by G. Schamess, 9750
role & personal values & impact on society, family therapists, 17964
short term psychosocial casework & caseworker characteristics, client satisfaction, 19–57 yr old Chicano clients, 28118
situational countertransference generated by response by therapist with severe personal distress, 27828
social power theory in psychotherapy process, female vs male therapists, 17784
superego of psychoanalytic institution & psychoanalyst's social responsibility & ideal neutrality, psychoanalysis & countertransference, psychoanalysts, 31091
terminal illness & death of analyst's mother, process of psychoanalysis with regressed depressed male homosexual patient, psychoanalyst, 22431
theoretical orientation & personality, behavioral vs psychodynamic vs humanistic psychotherapists, 22861
therapist assertiveness in psychotherapy & importance in limit-setting, 13–16 yr old hospitalized behaviorally disordered delinquents, 28167
therapist behavior change during game, patient-patient & patient-therapist interactions, hospitalized chronic schizophrenic patients, 28183
therapist behavior, noncompliance in behavior modification, socially aggressive 3.8–13.1 yr olds, 12528
therapist empathy, outcome of focal dynamic therapy, psychiatric outpatients with affective vs borderline vs dependent personality disorders, 1760
therapist gender, psychotherapeutic processes, female clients, 9721
therapist personality traits, prediction of counselor effectiveness, literature review, 4802
therapist pregnancy & subsequent maternity leave, planning for & use of alternate therapists familiar with patient & issues surrounding leave, female 30 yr olds with depression & personality disorder, 30581
therapist's & patient's religious affiliation, attraction to & prognostic expectations & diagnosis of patients, 30–60 yr old psychologists with vs without religious affiliation, 12387
therapist's disclosure of religious values & beliefs, intimacy of self disclosure, Jewish vs Christian male college students as clients, 1750
therapist's media exposure, transference, therapy patients, 6989
therapy effectiveness, professional vs paraprofessional therapists, literature review, 2211
treatment by male doctors, female patients with hysteria, 20308
treatment of pathological emotional attachment to older female & transference reactions toward older female therapist, 23 yr old male, 17877
use of hypnosis & self perceptions of therapeutic style, psychologists vs medical practitioner members of Australian Society for Clinical & Experimental Hypnosis, Australia, 18351
use of regression & self analysis & words as powerful action in psychoanalysis, psychoanalysts, 25147

Therapist Effectiveness [See Therapist Characteristics]
Therapist Experience [See Therapist Characteristics]
Therapist Patient Interaction [See Psychotherapeutic Processes]
Therapist Personality [See Therapist Characteristics]
Therapist Role

artificial nutritional support & role of psychiatrist, psychological stress, 30–60 yr old females, 18145
barriers to effective therapy & strategies to overcome them when working with low income Black families, family therapists, 9776
characteristics of effective supervisor & roles & responsibilities & need for formal standardized training programs, occupational therapy student supervision, 22–56 yr old therapists & 20–49 yr old students, 25627
complexity of roles & their interaction, child psychiatrists who are fathers, 31094
family belief systems & developmental stages & boundary & hierarchy issues, family therapist role & therapeutic processes, stepfamilies, 4387
group therapy, self image & esteem & perceptions, implications for therapist role, 30634
guidelines for use of relaxation training procedures & skills & therapist role, biofeedback clinicians, 25262
lifestyle & sensory & physiological changes & increased illness, role in vocational rehabilitation of elderly, occupational therapists, 7465
need & recommendations for influencing health related public policy, family therapists, 2282
pains & stress inherent in psychotherapeutic role, implications for training psychotherapists, literature review, 12825
problems in treating clients with addictive behavior, therapists, 18335
procedures for treatment of incest cases, therapists, 17743
psychiatrist's role in assessment & treatment & as advocate, mentally retarded children & their families, 27810
psychotherapist's duty to protect patient's potential victims from harm, case law, 24371
religious beliefs & convictions about afterlife & psychotherapist's role, death anxiety as a counseling issue, 27802
role & ethics in marriage counseling, therapist & divorcing couples, 12453
role in child custody disputes & termination of parental rights, therapists, comments on view of W. Bernet & U. C. Schoettle, 22833
role in treatment team, plastic surgery patients & plastic surgeons & psychologists, 28033
role in work evaluation, occupational therapists, 7462
role of personal disclosure by therapist as therapeutic tool & changing gender stereotyped behavior, male & female patients, 9737
role of psychologist in medical hospital, Israel, 10086
role of speech therapist & tutor, speech development, preschool students with underdeveloped speech, USSR, 7736
roles & responsibilities in multidisciplinary pain clinics, psychologists, 15496
roles & technical terms in communication, psychoanalysts, 28322
social systems model of J. W. Getzels & E. G. Guba, role conflicts & responsibilities in fieldwork experience, occupational therapy student trainees, 20601
therapeutic techniques for occupational therapist's role in assessment & diagnosis, alcohol dependent patients after detoxification, 25604
therapist role & relaxation groups in occupational therapy, development of self help tools & social networks, female clients, 25565
therapist role in using painting & body image exercises in occupational therapy, 6 yr old female victim of multiple sexual assaults, case report, implications for child psychiatry, 25541

Therapist Trainees

anxiety & confidence level before vs after first clinical practicum, White female graduate students with speech-language pathology major, 20630
clinical value of self awareness seminar, psychotherapy students & psychotherapists, 28312
concept of triadic relationships in family therapy theory & practice, family therapy trainees, 2219
development of professional self image in psychotherapeutic training, narcissistic implications, 4736
developmental model of clinical supervision, psychology supervisee, 12861
deviations in framework of analytic relationship, analytic process, analysts in training, 4767
dreams, transference toward authority figures & supervisors, 24–39 yr old female student therapists, 10242
framework of training analysis, criticism of R. Langs's study, 4787

group supervision model, treatment of cases of immediate crisis or in which minimal progress had been made, advanced trainees in family therapy, 1849
interactional & client & therapist characteristics, treatment of transfer cases, therapist trainees & their 25 & 29 yr old female patients, case report, 27819
knowledge of psychotherapy fees, evaluations of therapist & client in role-played therapy session, graduate clinical vs college students, 20574
methods of supervision of student directed individual & group psychotherapy sessions, clinical supervisors, 10199
micro-videoanalysis training system & peer evaluations to facilitate family therapy training, students in professional interviewing course, 28316
need for examination of sexual beliefs & attitudes during training in order to handle sexual material presented by client, therapists in training, 31033
peer supervision in family therapy training, family therapy student supervisors, 12802
perspective on characterological problems in relationship with psychotherapist trainees, supervisors, 31117
positive vs negative evaluative dispositions & information on patient's therapy progress, clinical impression, clinical trainees, 20593
psychoanalysis & social psychology & group dynamics in group therapy training technique, group psychotherapist trainees, 31112
psychotherapeutic process & reaction to therapeutic milieu, student therapists & delinquent clients, 9731
ratings of student directed language remediation session, clinical supervisors, 10249
regression & fantasies of persecution during psychoanalytic training, analyst trainees, 15470
social systems model of J. W. Getzels & E. G. Guba, role conflicts & responsibilities in fieldwork experience, occupational therapy student trainees, 20601
supervision of family therapist supervisors, family therapists in training for supervision of other therapist trainees, 28299
supervision, signs of transference in dreams, female 26–31 yr old student-therapists, 4774
systems vs individual emphasis in family therapy institute training models, family therapist trainees, Italy, 31097

Therapists [See Also Related Terms]
assessment of continuing education needs, activity therapists, 31087
client-therapist fit & interview in psychotherapy, therapists acting as clients & therapist trainee, 17827
divorce mediation & legal & personal conceptions, 18386
divorce mediation as cooperative opportunity between lawyers & therapists, 15549
emotional reactions to war, treatment of physical injuries & emotional stress reactions, treatment teams, Israel, 7559
guidelines for use of relaxation training procedures & skills & therapist role, biofeedback clinicians, 25262
history of family relationships & mediation of parent-child disputes, mediators, 1865
need & recommendations for influencing health related public policy, family therapists, 2282
need to be aware of helping vs overinvolvement with patients, therapists, 28334
perceived expertness & attractiveness & trustworthiness & willingness to seek counseling from paraprofessional vs professional therapist, college students, 10200
pregnant therapist, transference in therapeutic relationship, illustrative cases of schizophrenic 29 & 31 yr old males, 27757
procedures for treatment of incest cases, therapists, 17743
relationship between expectations & preferences prior to interaction, behaviors during interaction, therapists, 12406
roles in developing family health orientations in community services, family therapists, 2021
self consciousness, concordance between self report vs clinical ratings of depression & anxiety, 19–61 yr old psychiatric inpatients, 24626
therapy effectiveness, professional vs paraprofessional therapists, literature review, 2211
validity & reliability of screening test, identification of children of alcoholics, 10th–12th graders & experienced therapists & social work & family therapy students & health professionals, prevention implications, 13454

Therapy [See Treatment]
Therapy (Drug) [See Drug Therapy]
Thermal Acclimatization
temperature acclimation, swimming behavior, carp, 5766
thermal acclimation & exposure to ambient temperatures, sleep wakefulness cycle, male hamsters, 3240

Thermoreceptors
cold nociceptive stimuli on skin, discharge activity of mechanothermal nociceptors, cats, 26578
stimuli presented to labial vs lingual loci vs fingertips, perception of warmth vs cold, college age Ss, implications for oral contribution to thermoregulation, 199

Thermoregulation (Body)
aminophylline & cold effects, regulation of body temperature, 6–9 vs 23–26 mo old rats, 16481
atropine administration during heat stress, heating rate & weight & fecal loss, male rats, implications for heat stroke, 26572
beta-endorphin vs alpha-melanocyte stimulating hormone vs melanocyte stimulating hormone release inhibiting factor, dextroamphetamine induced paradoxical behavioral thermoregulation, male rats, 16837
body temperature circadian rhythm, preference for warmer vs cooler environment during night vs day, male rats, 23845
brain homeothermy during sleep & wakefulness, human Ss, conference presentation, 29318
cold-pressor test, thermographic response, female anorexic patients, 9592
collapse from heatstroke misdiagnosed as hysteric reaction, 18 yr old military recruit who died after 4km night march, 11857
daily estradiol vs progesterone injection, antidipsogenic & thermogenic response to icv prostaglandin, ovariectomized rats, 14054
dextroamphetamine, hypothermia & thermoregulation, 2 inbred strains of mice, 21592
dextroamphetamine vs thyrotropin releasing hormone vs CG 3703, circadian thermoregulation cycles & hemoglobin & serum iron levels & relation to dopaminergic system, nutritionally iron deficient male rats, 26760
electrical self stimulation of hypothalamus, deterioration of thermoregulation following prolonged exposure to cold, 9.5 vs 29.5 mo old male mice, 3251
energy expenditure & rate of water evaporation & thermal conductance & colonic temperature, preferred ambient temperature, male mice, 13844
fenfluramine, thermogenesis by activation of brown adipose tissue via mitochondrial guanosine diphosphate binding, female rats, 29451
hypothalamic dopaminergic pathways in thermoregulation, literature review, 29282
intraseptal injection of arginine vasopressin, thermoregulation, rats, 8516
medial hypothalamic lesions & exposure to chow vs cafeteria diet, hyperphagia & weight gain & thermogenesis in brown adipose tissue when exposed to cold, obese rats, 21444
obesity induced by parasagittal hypothalamic lesions, brown adipose tissue reactivity to thermogenic stimuli, female rats, conference presentation, 21442
phenylpropanolamine, brown adipose tissue thermogenesis & weight loss, rats, 5948
presence vs removal of ventral scent pad, transfer of body heat to object marked & thermoregulation, male gerbils, 11259
selection of ambient temperature for sleep, body temperature, obese vs lean mice, 3126
slow-wave sleep & shallow torpor & hibernation as homologous states of decreased metabolism & body temperature, conference presentation, 5716
thermal preferences & resulting colonic temperatures, genetically obese vs lean mice, 23790
thermal-sensitivity system as model for humans, monkey vs 19–25 yr old humans, 19349
thermal-sensitivity system as model for humans, monkeys vs 19–23 yr old humans, 19353

time spent in shade & physiological factors of thermoregulation, Brahman vs Shorthorn vs Brahman/Hereford-Shorthorn cross steers, 479
Theta Rhythm
characteristics of hippocampal theta rhythm in running vs lever-pressing tasks, male rats, 13790
EEG measured theta activity during theta-dominated wake vs REM sleep, male mice, 23839
scopolamine, spontaneous behavior & hippocampal theta rhythm, rats, conference presentation, 8554
Thinking [See Also Abstraction, Autistic Thinking, Divergent Thinking, Inductive Deductive Reasoning, Inference, Logical Thinking, Magical Thinking, Reasoning]
action vs symbol manipulation vs thought, mathematical activity, 26340
analysis of W. K. Hofstee's betting model of social science, social perception, 11758
approaches to thought & creativity, 5467
cognition & convergent & divergent thinking & achievement, male vs female 10th graders in rural school, India, 24156
creative role of homospatial thinking in visual art, art students, 13637
developmental levels for perceptual sensitivity to form & visual memory & thinking flexibility, painting aptitude, 9–10 yr old students, 31233
forms of thought in psychotherapy, 12414
Freinet free-text technique, development of creative thinking, 10–11 yr old students, 15-mo study, 2365
general abstract-concrete model of creative thinking, 21959
history & principles behind thinking skills/cognitive education programs for children & application to adult programs, 28443
importance of intensity of involvement in thinking & suggestions for increasing involvement, 12931
instructions to think about stimulus person, judgments about statements of behavioral intentions toward stimulus person & RT, college students, 3717
interaction of operative & semantic & reflexive compartments in cognitive processes & performance, 8211
mental activity, corona pictures produced from electrography method of Kirilian photography, adults, implications for use of electrography in psychological research, 29278
native language instruction of L. Andarova, development of theoretical thought, students, 2371
operational thinking, 12–21 yr old volleyball players, 14177
positive vs negative thinking, competence in achievement vs social interaction situation, college students, 27179
quiet classroom, development of thought processes in reading & arithmetic & art & play, children, 7666
restoration of thinking to its human context as spiritual task of nuclear age, 14246
self regulation, concurrent cognitive processing, college students, 10968
SES & individual differences, structure & sequence of formal & postformal thought, 13.7–14.7 vs 16.7–17.9 vs 19–21.6 vs 40.5–52.2 yr olds, 814
sight & thought, counter-examples to ratiomorphic theories of perception, 23552
structure of thinking process in chess game, 10953
think-aloud vs thought-listing cognitive assessment methods, cognitive content variables & problem solving & anxiety, highly math anxious college students, 4904
thinking & memory retrieval processes, regional cerebral blood flow, adults, 11168
thoughts on evidence for existence of causal relation in medical vs technical case, nurses vs mechanics & electricians & engineers & welders, 23616
Thiopental
sodium thiopental, nonstructured interviews, schizophrenic patients with positive vs negative symptoms, conference presentation, 24704
Thioridazine
bromocriptine mesylate, serum prolactin levels, 18–50 yr old psychiatric outpatients with thioridazine-induced hyperprolactinemia, 25276
chronic administration of thioridazine vs fluphenazine, apomorphine-induced stereotypical gnawing behavior, male rats, implications for treatment & prevention of tardive dyskinesia, 16638
computer assisted observational method for quantifying drug-induced stereotypic behavior illustrated by thioridazine & apomorphine, male rats, 8014
enlargement of brain lateral ventricles, clinical response to haloperidol vs thioridazine & psychopathology scores from rating scales, schizophrenic & schizoaffective psychotic patients, 9944
molindone vs thioridazine, treatment-emergent symptoms & behavioral changes, aggressive hospitalized 6–11 yr olds vs adolescent inpatients, 22544
nortriptyline & tranylcypromine vs amitriptyline & thioridazine vs thioridazine & clorotepine, patients with inhibited vs anxious vs atypical depression, 7217
penfluridol vs haloperidol vs thioridazine, tics, patients with mean age of 10.3 yrs, conference presentation, 15174
pigmentary retinopathy following thioridazine treatment, 51 yr old female with paranoid schizophrenia, 25295
profiles of mesoridazine & thioridazine, implications for drug therapy, 30782
retinopathy & tardive dyskinesia following low-dose thioridazine, 67 yr old male with bipolar disorder, 18031
thioridazine induced inhibition of sexual response, males vs females, 1951
thioridazine, serum prolactin level & occurrence of prolactin secreting pituitary chromophobe adenoma, male 42 yr old with paranoid schizophrenia, case report, 28004
thiothixene vs haloperidol vs thioridazine in oral concentrate vs intramuscular form, rapid tranquilization, acutely disturbed 18–65 yr olds in psychiatric emergency service, 27950
trifluoperazine vs thioridazine vs chlorpromazine, visual figural aftereffect, paranoid schizophrenic patients, 18070
Thiothixene
thiothixene vs haloperidol vs thioridazine in oral concentrate vs intramuscular form, rapid tranquilization, acutely disturbed 18–65 yr olds in psychiatric emergency service, 27950
thiothixene, 18–55 yr olds with borderline vs schizotypal personality disorder, 30730
Third World Countries [See Developing Countries]
Thirst
food & water deprivation, foraging behavior in hostile environment, rats, 23881
food vs water deprivation vs glucoprivation vs intracellular vs extracellular dehydration, lateral hypothalamus self stimulation at eating & drinking sites, rats, 21376
free access to water & subsequent thirst & drinking patterns, body fluid changes, healthy 20–31 yr old males, 26543
hypodipsia induced by quinine adulteration of water supply, food intake following insulin injections, male rats, 13910
lithium at lower therapeutic levels, thirst & polyuria, patients attending lithium clinic, 18071
subfornical organ, body fluid homeostasis, conference presentation, 21340
systemic vs icv naloxone, opiate receptor action in hunger & thirst induced by food deprivation & glucoprivic stress & food & water intake, male rats, 16753
water deprivation for 0–21 hrs & percussive stimulus, thirst drive strength & magnitude of startle reflex, male rats, 8463
Thoracic Nerves [See Spinal Nerves]
Thorax
diagnostic procedures & psychiatric management, female 20 & 21 & 39 yr old patients with thoracic outlet syndrome following automobile accident, 17602
Thorazine [See Chlorpromazine]
Thought Content [See Cognitions]
Thought Control [See Brainwashing]
Thought Disturbances [See Also Amnesia, Autistic Thinking, Confabulation, Delusions, Fantasies (Thought Disturbances), Fugue Reaction, Magical Thinking, Memory Disorders, Obsessions, Perseveration]
ability to interpret proverbs as method of studying speech & thought disturbance, schizophrenic patients, 9261
assessment of thought disorder, patients with psychotic depression vs chronic paranoid schizophrenia, reply to comments by S. R. Kay, 27281

assessment of thought disorder, patients with psychotic unipolar depression vs chronic paranoid schizophrenia, 27282
boundary disturbances, 15–33 yr old depressed vs borderline vs schizophrenic hospitalized patients, 3957
factor analysis of item scores on 2 clinical rating scales, assessment of distinction between disorders of thought structure vs thought content, patients with schizophrenic vs nonschizophrenic disorders, 22121
history & linkages between terms primary process & thought disorder in psychoanalytic literature, 17386
interrater reliability of N. J. Andreasen's thought & language & communications disorder scale vs Brief Psychiatric Rating Scale, psychiatric inpatients & patients with schizophrenia vs affective illness, 28941
lexical cohesion & formal thought disorder during vs after psychotic episodes, schizophrenic vs schizoaffective vs manic patients, 24701
linguistic characteristics of impaired train of thought or irrelevant speech, 57 yr old male with aneurysm who experienced frontotemporal craniotomy, case report, 27538
low vs high haloperidol dosage, thought vs non-thought disordered schizophrenic patients, 7274
methodological & conceptual issues in assessment of thought disorder, patients with psychotic depression vs chronic paranoid schizophrenia, comments on article by M. L. Carter, 27319
normal bias vs response competition vs distractibility theories & processes & symptoms of thought disorder, 18–59 yr old psychiatric inpatients, 9320
performance on conceptual speeded inference tasks requiring different abstraction processes, paranoid vs nonparanoid patients with schizophrenia, 24697
positive & negative thought disorders & reference failures, speech performance, manic vs schizophrenic inpatients, 27306
psychopathological & prognostic aspects of stages & symptoms, formal thought disorders, schizophrenia, 24642
reflexive thoughts & curing, patients with hysteria, 20289
reliability of scale for assessment of thought/language & communication vs endogenomorphic schizophrenic axial syndrome scale, assessment of language & thought disorders, patients with schizophrenia vs mania, conference presentation, 23447
risk for thought disorder, 5–16 yr olds with psychotic mothers vs hospitalized with psychosis vs nonpsychotic behavioral problems, 6472
ruminative thinking, diagnosis of melancholic vs nonmelancholic depression, inpatients, 19968
speech & thought disorders, schizophrenia, comments on proposal by E. Chaika, 3868
speech & thought, schizophrenia, reply to comments by I. Lanin-Kettering & M. Harrow, 3822
subliminal stimulation of unconscious symbiotic fantasies, pathological thinking & nonverbal behavior & self esteem, 18–65 yr old hospitalized schizophrenic males, 9272
thought disorder & major clinical variables, formerly hospitalized 18–40 yr olds with mania, 2–4 yr followup, 17350
understanding schizophrenic symptoms through modern art & literature, 14653

Threat
crime as environmental stressor & attitudinal & behavioral reactions to threat of criminal attack, 17481
cultural & physical characteristics of environment & sex, reports of situational threat & anxiety, 12 vs 15 vs 18 yr olds, Hungary vs India vs Sweden vs Yemen, 6145
external threat, group business decision-making processes in management simulation game, graduate business students, 5077
interpersonal threat, size & shape of personal space, college students with Type A vs Type B personalities, 3775
perception of threat, tolerance for cold water-induced pain, college students, 11188
selective processing of threat cues, generalized anxiety, anxious outpatients, 3883
voluntary attention vs involuntary processes occuring without awareness, danger information processing, anxious vs nonanxious individuals, 24678

Threshold Determination
air-bone thresholds & gap distributions, 18–26 yr olds, implications for clinical utility, 3008
event-related potential, measurement of auditory thresholds, 20–28 yr olds, 5707
light adaptation conditions & intertrial interval & measurement orientation of sinusoidal grating stimulus, orientation discrimination in signal detection, 19079
statistical properties of threshold estimation from forced choice psychometric functions, 19020
thermal thresholds, 36–73 yr olds with motor neuron disease, 24922

Thresholds [See Also Auditory Thresholds, Critical Flicker Fusion Threshold, Dark Adaptation, Olfactory Thresholds, Pain Thresholds, Sensory Adaptation, Vibrotactile Thresholds, Visual Thresholds]
age, threshold for electroshock seizure, mice, 19331
concentrations of sucrose & sodium chloride & citric acid & temperatures, recognition threshold of capsaicin in ethanol & water, 18–35 yr olds, 21059
electric shock with vs without morphine vs preinduction shock, tonic immobility termination thresholds, chickens, 11233
empty intervals in discrimination learning, temporal thresholds & response bias, male cats, 29205
response effort & stimulation current, self stimulation train duration thresholds, male rats, 5782
selective delta antagonist ICI 154,129 vs nonselective antagonist naloxone vs irreversible selective mu antagonist beta-fNA, alteration of threshold response to etorphine, rats, 19507

Thromboses
acute psychotic states & agitation, predisposition to thromboembolic & cardiovascular disorders, 1577

Thumbsucking
child-centered play therapy, 4 yr old female with thumb sucking & extreme hair pulling tendencies, implications for school counseling, 9689
development & persistence of thumbsucking, adults, 20027
noncontingent vs contingent competing response &/vs habit reversal therapy, reduction of fingernail-biting & hair pulling & eye rubbing & squinting & thumbsucking & other nervous habits, 27–67 yr olds, 27916
play therapy, thumbsucking & hair pulling, 4 yr old female, implications for school counseling, case report, 28606

Thymoleptic Drugs [See Tranquilizing Drugs]

Thyroid Disorders [See Also Goiters, Hyperthyroidism, Hypothyroidism, Thyrotoxicosis]
incidence of dysthyroidism found with routine thyroid function tests, geriatric patients, 18273
incidence of past thyroid disease & thyroid medication use & abnormal serum thyroxine levels, elderly patients with Alzheimer's disease, 20241
lithium & thyroxine, rapid cycling manic depression influenced by changing thyroid status, 37 yr old male, 22516
presence of antithyroid antibodies & lack of pharmacotherapy data, depressed psychiatric patients, criticism of article by C. B. Nemeroff et al, 22594
presence of antithyroid antibodies & pharmacologic histories, depressed psychiatric patients, reply to criticism of M. B. Stein, 22569
thyroid function, response to lithium & carbamazepine, depressed patients, 1927
thyroxine & thyroid hormone resin uptake & thyroid stimulating hormone levels, 23–62 yr old panic attack patients with or without phobias, 24633

Thyroid Hormones [See Also Thyroxine, Triiodothyronine]
ACTH therapy, thyroid hormone & serum cortisol levels, 4–22 mo olds with infantile spasms, 18066
antithyroid antibodies, 13–29 yr olds with prominent depressive symptoms, 1344
dexamethasone suppression test, thyroid stimulating hormone response to thyroid releasing hormone, patients with schizoaffective disorder of depressed vs manic type vs schizophrenia vs endogenous depression, 6594
thyroid medication &/vs vitamins, IQ, institutionalized profoundly mentally retarded adults, 4477
thyroid releasing hormone-induced changes in thyroid stimulating hormone & prolactin & growth hormone, 19–69 yr olds with depression or alcoholism or schizophrenia or adjustment disorder, 24613

thyrotropin-releasing hormone, thyroid-stimulating hormone & clinical symptoms & prolactin levels, 26–63 yr old patients with acute major depressive disorder & unipolar & bipolar disorder in remission, 9277
thyrotropin releasing hormone, thyroid stimulating hormone response, depressed patients, literature review, implications for use as neuroendocrine/psychiatric marker, 22082
thyroxine & thyroid hormone resin uptake & thyroid stimulating hormone levels, 23–62 yr old panic attack patients with or without phobias, 24633
Thyroid Stimulating Hormone [See Thyrotropin]
Thyroidectomy
total vs partial thyroidectomy, psychiatric morbidity & plasma calcium & inorganic phosphate levels, adult patients, 7-yr followup, 28031
Thyrotoxicosis
thyrotoxicosis & cyanocobalamin deficiency, development of acute organic psychosis, 64 yr old female, 4158
Thyrotropic Hormone [See Thyrotropin]
Thyrotropin
acute vs chronic administration of clomipramine vs amitriptyline, prolactin & growth hormone & thyrotropin plasma levels, depressed inpatients, conference presentation, 12551
amitriptyline, thyroid-stimulating hormone & thyrotropin-releasing hormone, 45–84 yr old patients with endogenous depression, 18074
dexamethasone suppression test & thyrotropin releasing hormone stimulation test, differential diagnosis, 18–92 yr old depressed patients, 14626
dexamethasone suppression test, thyroid stimulating hormone response to thyroid releasing hormone, patients with schizoaffective disorder of depressed vs manic type vs schizophrenia vs endogenous depression, 6594
dexamethasone suppression test vs thyrotropin releasing hormone test vs Newcastle II depression rating scale, diagnosis, depressed patients, 14622
dextroamphetamine vs thyrotropin releasing hormone vs CG 3703, circadian thermoregulation cycles & hemoglobin & serum iron levels & relation to dopaminergic system, nutritionally iron deficient male rats, 26760
dosage & administration methods for cholecystokinin & bombesin & thyrotropin releasing hormone & calcitonin, food & water intake, golden hamsters, 14025
ECS-induced grand-mal seizures, thyrotropin-releasing hormone levels in hippocampus & striatum & other brain regions, male rats, 16514
ECS vs subconvulsive shock, thyrotropin releasing hormone in hippocampus & pyriform cortex & amygdala, male rats, 16513
ECT, serum prolactin & thyrotropin levels, depressed 18–74 yr olds, 27690
ethanol &/vs thyrotropin releasing hormone, locomotor activity, neonatal rats treated with 6-hydroxydopamine & 5,7-dihydroxytryptamine, 16569
factors affecting basal thyrotropin plasma level response to thyrotropin-releasing hormone tests, male vs female depressed 18–66 yr olds on lithium, conference presentation, 7187
imipramine &/vs lithium, free vs bound thyroxine quotients & thyrotropin-stimulating hormone secretion, recurrent major depressive 20–65 yr olds, conference presentation, 15200
methylphenidate & thyrotropin releasing hormone & dexamethasone suppression test responses, 20–55 yr olds with recurrent unipolar depression, 18103
neurotensin & somatostatin & thyrotropin releasing hormone in brain tissue & CSF, 20–86 yr old schizophrenic & Huntington's chorea patients, 6445
prevalence of major depression & usefulness of dexamethasone suppression test & thyrotropin-releasing hormone stimulation test in diagnosis, 20–86 yr old gynecological cancer patients, 22249
responsiveness to iv thyrotropin-releasing hormone, 18–39 yr old bulimic & anorexic in- & outpatients, conference presentation, 24955
serum cortisol & beta-endorphin & norepinephrine & thyroid-stimulating hormone & cholesterol & anxiety & stress appraisal & coping style, postoperative psychosis, male patients undergoing aortic valve replacement assessed pre- & postsurgery, 22623
specificity of thyrotropin releasing hormone test for depression, serious cocaine abusers, conference presentation, 3978
synthesis & receptor actions & function as hormone & neurotransmitter & pharmacological agent, thyrotropin releasing hormone, literature review, 21300
thyroid releasing hormone-induced changes in thyroid stimulating hormone & prolactin & growth hormone, 19–69 yr olds with depression or alcoholism or schizophrenia or adjustment disorder, 24613
thyrotropin-releasing & thyrotropin-stimulating & dexamethasone suppression tests, differential diagnosis of affective disorders, 15–76 yr old depressed patients, 1275
thyrotropin-releasing hormone analog DN-1417, positive symptoms revealed in Brief Psychiatric Rating Scale & EEG recordings, schizophrenic 24–41 yr olds, 30758
thyrotropin-releasing hormone analog, regulation of receptors for thyrotropin-releasing hormone, rats, 3327
thyrotropin releasing hormone as therapeutic agent, Alzheimer's disease, 15211
thyrotropin-releasing hormone as therapeutic agent, Alzheimer's disease patients, 18091
thyrotropin releasing hormone-induced & basal levels of thyroid stimulating hormone, 19–71 yr old inpatients with depression vs schizophrenia vs adjustment disorder vs alcoholism, 6476
thyrotropin-releasing hormone stimulation test, thyroid-stimulating hormone & prolactin response, 23–36 yr olds with panic disorder, conference presentation, 22110
thyrotropin releasing hormone test, prediction of depression, 11969
thyrotropin-releasing hormone, thyroid-stimulating hormone & clinical symptoms & prolactin levels, 26–63 yr old patients with acute major depressive disorder & unipolar & bipolar disorder in remission, 9277
thyrotropin releasing hormone, thyroid stimulating hormone response, depressed patients, literature review, implications for use as neuroendocrine/psychiatric marker, 22082
thyrotropin releasing hormone, thyrotropin stimulating hormone response & basal hormone levels, unipolar & bipolar depressed patients, 14660
thyrotropin releasing hormone vs MK-771 vs DN-1417, morphine abstinence syndrome, morphine dependent male mice, implications for treatment of drug withdrawal symptoms, 23939
thyrotropin response to thyrotropin-releasing hormone, family with 2 affectively ill & 6 phenotypically well members, implications for diagnosis, 30134
thyroxine & thyroid hormone resin uptake & thyroid stimulating hormone levels, 23–62 yr old panic attack patients with or without phobias, 24633
utility of thyrotropin releasing hormone & dexamethasone suppression test, diagnosis of depression, conference presentation, 30108
Thyroxine
imipramine &/vs lithium, free vs bound thyroxine quotients & thyrotropin-stimulating hormone secretion, recurrent major depressive 20–65 yr olds, conference presentation, 15200
incidence of past thyroid disease & thyroid medication use & abnormal serum thyroxine levels, elderly patients with Alzheimer's disease, 20241
interaction between thyroxine & estradiol, control of feeding, ovariectomized female rats, 21423
lithium & thyroxine, rapid cycling manic depression influenced by changing thyroid status, 37 yr old male, 22516
organic brain syndrome & marginal hypothyroidism & response to psychotropic medication & levo-thyroxine, 52 yr old male with depression & 65 yr old female with paranoid psychosis, case reports, 27963
serum thyroxine & urine concentrating ability & adenylate cyclase inhibition, development of nephrogenic diabetes insipidus & hypothyroidism, patients receiving lithium, 30791
Tics
applied relaxation, stress-related exhalation tic, 27 yr old male, 1- & 3- & 6- & 12-mo followup, 20336
auditory hallucinations & atypical tic disorders, 10 & 15 yr old male patients, 24661
differential diagnosis, tricotic hyperkinesis vs Tourette's syndrome, children, 6849

dosage level of clonidine, atypical tic disorder following methylphenidate treatment, 11 yr old female with attention deficit disorder, 1923
etiology & assessment & differential diagnosis & drug & other treatment of tic disorders, behavioral consultation with parents & teachers of 9 yr old female with head shaking tic, 12 & 18 mo followups, 30692
etiology & treatment of multiple tic symptoms, young adults with symptoms since childhood, 1562
habit-reversal method, self inhibiting tics, 18 yr old male, 20342
haloperidol, tic disorders, 6.3–8.2 yr olds with language disorders, 22532
penfluridol vs haloperidol vs thioridazine, tics, patients with mean age of 10.3 yrs, conference presentation, 15174
physiological differential diagnostic criteria, psychogenic tics, children, 9619
Time [See Also Interresponse Time]
alternative digital method for teaching time telling skills, children, 12950
BASIC program for real time experimental control & data collection with TRS-80 microcomputer, 13364
college time duration & change & structure, content & nature of psychotherapy issues in mental health services, college students, 13134
cue location & temporality & other factors, food aversion learning, reply to criticism by I. P. Stolerman, 13751
cue location & temporality & shock vs illness as aversive stimulus, food aversion learning, criticism of L. G. Sullivan's study, 13750
discrete vs continuous models of temporal properties of information processing, humans, 8220
history of lengthening of psychoanalysis as therapeutic modality, 12410
minimal vs lengthy delay between simulated vs in vivo instruction, community fast food restaurant performance, 8 & 13 yr old males with severe mental handicaps, 10138
personality & time constraints, psychomotor tasks performance, 18–24 yr olds, 19038
predictive factors of time expenditure with hospital patients, social workers, 18216
preferred allocation of time, teachers, 15620
presentation of aversive red vs blue bead & obstruction of right or left eye & sotalol administration, time for optimal long term memory processes, male chicks, 16345
presentation of time on clock faces vs digitally, calculation of time differences, college students, 5456
priorities & time allocation patterns, female occupational therapists in physical impairment & rehabilitation & psychiatry & pediatrics areas, implications for job satisfaction, Israel, 12820
rates & ratios of teacher approval & time usage & student attentiveness during piano lessons, preschool age through adult piano students & teachers, 4852
rehearsal independency of temporal memory, prior performances, 18.1–30.0 vs 60.3–85.8 yr olds, 8751
research strategies allowing separation of age & cohort & time effects, general developmental model, 29566
role of time in adjustment to divorce, children & families, literature review, 3408
space & time parameters, defining psychiatric services & techniques in treatment of severe psychoses, Italy, 12349
structure of communication during cooperative problem solving with vs without time limitation, 16–18 yr olds alone vs in pairs, 6089
temporal characteristics of eye movements & assumed processing during reading, college students, 5410
time & membership in self help support group, coping behaviors & distress, patients with genital herpes, 25425
time & memory & remembrance in mourning experience, perspectives of Freudian theory & M. Proust's writings & W. Benjamin's social psychology, 11846
time constraints, ability to use relevant information during problem solving, college students, 21144
time delay in word vs design recognition, adults with mean ages of 30.6 vs 64.3 yrs, 21708
time limits & task types, quality & quantity of group performance & patterns of group interaction, college students in 4-person groups, 1128
time structure in story, free recall, 16318
time use for physical child care, mothers with physically handicapped vs normal 3–5 yr olds, 22618
time, values of treatment regimens & compliance, patients, 20442
training in multiple-cue probability strategies & time pressure vs self paced problem solving, cognitive control & matching, college students, 21159
waiting conditions, psychological stress & anxiety, application of mathematical model, 18790
Time Estimation
absorptive vs attentional listening, hypnotic time estimation, 16339
acquisition of estimation of fixed time interval & RT, occipitocentral EEG activity, 23–34 yr olds, 16404
atropine vs marihuana, time estimation, 23–32 yr old male experienced marihuana smokers, 8549
attentional deployment & prospective vs retrospective conditions & task demands, perceived duration, 17–39 yr olds, 26290
degree of mental disturbance, time estimation, 20–52 yr olds with major affective disorder, longitudinal study, 9343
development of functional time estimation scale, measurement of ability to estimate task duration, learning disabled vs nonhandicapped elementary school students, 8064
diurnal mood variations & body temperature changes & time estimation, depressed 43–71 yr olds, 27356
exposure to red vs blue vs white light, time estimation & eyeblinks & skin conductance & pulse & heart rate & EEG, college students, 29326
free social interaction vs waiting expectancy vs ability to see others' time judgment, time judgment, college students, 19787
hemispheric utilization during timing task assessed by EEG period analysis, college students, 21308
internal structure of time estimation task, 8–70 yr olds, 14184
knowledge of results, learning effect on time estimation, college students, 19145
motor inhibition & time-interval estimation tasks & personality inventories, measurement of impulsivity, male college students, 2845
psychophysical scaling of duration & verbal vs magnitude time estimation, iconic & short term memory, 17–42 yr olds, 29154
route angularity, time & distance estimates, 2nd vs 3rd vs 4th graders, implications for environmental planning, 29611
size of visual display, estimation of duration of video game play, college students, 26289
stability of time estimations, chronic vs subchronic schizophrenic 22–50 yr olds, 1–2 yr study, 19997
successive vs simultaneous presentation of red luminous targets, perceived duration, college students, 10935
time estimation, nonhandicapped vs learning disabled 4th–6th graders, 20078
time interval estimation with vs without vs after static load held in right hand, 17–23 yr olds, 5396
Time Limited Psychotherapy [See Brief Psychotherapy]
Time Out
acceptability ratings for differential reinforcement of incompatible behavior vs positive practice vs time-out, child behavior therapy techniques, college students, 15114
brief time out with vs without contingency delay, aggression & disruption, normal & mildly & severely retarded 3–15 yr olds with behavior disorders, 22497
consensus vs behaviorally based parenting groups, preference for reinforcement vs time out vs negotiation techniques, parents, 9–18 mo followup, 30674
environmental conditions & intrapsychic variables & duration & perceived intent & expectation, effects of sensory deprivation in psychiatric seclusion vs solitary confinement, patients vs prisoners, 27710
movement suppression time out, suppression of self injurious & dangerous & inappropriate poking behavior, psychotic & moderately & severely retarded 9–21 yr olds, 15112
perceptions of seclusion & time out, 5–13 yr old emotionally disturbed residents of treatment facility, 7433
ratings of time out vs differential reinforcement vs overcorrection vs shock, treatment of self injurious behavior, parents of autistic vs other handicapped vs nonhandicapped children, 1888

sex & level of retardation & effectiveness of reinforcement & punishment & DRO & lemon juice therapy & time out, self injurious & stereotyped behavior, profoundly mentally retarded Ss over 16 yrs old, includes bibliography, 15095
Time Perception [See Also Time Estimation]
ability to adapt to delay & judgment of duration, 1.5–7 yr olds, 858
ability to adapt to delay & judgment of duration, 1.5–7 yr olds, criticism of study by V. Pouthas & A.-Y. Jacquet, 808
assumption of binary logic, model for analysis of qualitative logic in time concepts, adolescents, criticism of paper by J. Crepault, 848
atropine vs marihuana, time estimation, 23–32 yr old male experienced marihuana smokers, 8549
awareness of time order of events in terms of temporal sensations, B. Russell vs F. Brentano, 7965
change & continuity vs limits & choices vs tempo in experience of time, 196
cognitive mediation processes, reconstruction of social events read about, college students, 3721
comprehension of relationships between time & speed & distance, comments on study by F. Wilkening, 810
comprehension of relationships between time & speed & distance, 5 vs 8 vs 10 yr olds vs adults, 875
constructionism viewpoint & role of temporality & reflexivity & self concept in states of consciousness, 29175
deep vs shallow level of processing & list length, time perception, kindergarten vs 2nd vs 4th vs 6th grade students, support for attentional & storage size time perception models, 29580
development of time sense, 847
developmental acquisition of time &/vs speed &/vs distance concepts, comments on study by I. Levin, 811
distortion of time sense during & after traumatic experiences, 6423
dose of propranolol vs chlordiazepoxide, conditioned timing behavior, male rats, 24022
experimental design, study of developmental acquisition of time &/vs speed &/vs distance concepts, reply to comments by J. Crepault, 837
experimental methods, ability to adapt to delay & judgment of duration, 1.5–7 yr olds, reply to criticism by J. Crepault et al, 857
experimental methods, comprehension of relationships between time & speed & distance, reply to criticism of J. Crepault et al, 874
Hoagland hypothesis, time perception & body temperature, literature review, 13531
implications of scale model environments as simulation of experiential space-time relativity, 28830
judgment of time &/vs speed &/vs distance, 3rd vs 6th vs 9th vs 12th graders vs college students, 836
locus of control & semantic evaluation of time & drawings, adults, 5392
model for analysis of qualitative logic in time concepts, adolescents, 806
model for analysis of qualitative logic in time concepts, adolescents, reply to criticism by J. Montangero et al, 807
music training & age, discrimination of tempo change & direction & musical style, 7–18 yr old string students, 4872
organization of sentences & thematic information, remembered duration of interval & memory & comprehension of prose material, college students, 317
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, criticism of J. Montangero's study, 809
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, 845
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, reply to criticisms by J. Crepault et al, 846
perceived time course of emotion, 4–6 yr olds, China vs UK, 757
perception of time & development of self & ego, 30015
perception of time, patients with schizophrenia & paraphrenia & paranoia & affective psychosis & Korsakoff's syndrome & drug intoxication, 30154
perception of time vs velocity in music, 4–8 vs 10–12 yr olds, 3414
perceptions of self & time, psychotic patients, 17375
prior word presentation, judgment of presentation duration in word identification task, secondary & college students, 19647
production or reproduction of metrical vs nonmetrical temporal patterns, college students, 13511
reflectiveness vs impulsiveness, maintenance of delay of gratification & time concept, male vs female 6 vs 7 vs 9 vs 10 yr olds, 8734
rehabilitation, development of concepts of spatial & temporal relationships, children with cerebral palsy, 4695
stimulus aspects of situation, judgment of duration, adults, 19031
temporal perception & production skills, classifications as normal vs language impaired, language impaired 5–8.5 yr olds, 1503
time perception & development of self & ego, comments on article of G. H. Fenchel, 30034
time representation by linear vector using sentence comprehension task, 19–30 yr olds, 21160
Time Perspective
conception of future & its expression in optimistic or pessimistic terms, 12 & 15 & 18 yr olds, Sweden, 29669
development of time sense, 847
experience of time, prisoners, 4687
future time perspective assessed on differentiation & programing dimensions, 17–18 yr olds, 6043
memory for time of news events occurring 6 mo to 20 yrs prior to study, 22–67 yr olds, implications for time scale effects, 19131
past & present experiences & anticipation of future, religious maturity, aged, 17002
past & present in interpretation of therapeutic transference & dreams, 30608
perception of self & perceptions of past & present & future, 10–12 yr old males vs females with asthma, 1620
ritual structure & time conventions, legitimation of work in alternative communities, 973
study-phase retrieval model of temporal coding, basis for accurate judgment of relative recencies of 2 events, college students, 5509
temporal dysfunction of volition & habituation & performance subsystems, occupational behavior, schizophrenic patients, 3900
temporal sequencing of familiar vs unfamiliar events, 4 vs 5 vs 6 yr olds, 8729
time perspective & affect & mode of thinking, judgment of happiness in reminiscing, college students, 11848
time perspective, attributions for achievement vs failure, 10th graders, 951
time representation by linear vector using sentence comprehension task, 19–30 yr olds, 21160
Time Series
accuracy of momentary time sampling vs partial interval recording, estimation of absolute behavioral levels & relative change, 20965
assessment of trends & time series data in clinical practice utilizing C statistic analysis, 19026
bootstrap analysis methods, assessment of standard error & statistical accuracy & complicated data structures, implication for FORTRAN, 10861
effectiveness of community action group protest against bank, 5-yr longitudinal study, implications for use of interrupted time series analysis in community psychology research, 977
emitted duration & rate of behavior, accuracy of momentary time sampling with time series data, criticism of study by A. R. Brulle & A. C. Repp, 28901
induced anxiety, cluster analysis of heart rate changes in time sequence, 8454
interval length & sampling pattern, momentary time sampling & measurement error, moderately vs severely vs profoundly mentally retarded adults in institutional settings, 26154
missing data, statistical analysis of simulated clinical time-series data in behavioral research, 13493
ordinal time series analysis, organizational behavior & public policy inputs & impacts, 19008
problem of auto correlation & behavioral time series, 8129
procedure for statistical estimation of power spectral density from EEG time series data, 13496
statistical tests for serial correlation & time series analysis resulting from repeated measures designs, 5363
time series analysis of self ratings of mood & upper respiratory infection, female college students, implications for menstrual cycle, 24882
time series analysis of stress factors, 30 yr old male with migraine, 2-yr longitudinal study, 4198

use of cohort analysis, time series analysis of syndicated audience research, 26073
validation of time-sampling methodology, genetic analysis of courtship behavior, drosophila, 3130
Timidity
attribution style in interpersonal vs noninterpersonal success vs failure situations, depression & loneliness & shyness, college students, 3694
group social skills & problem solving training, conversation & peer relationship skills, shy 12–14 yr olds, 9806
incidence of bulimia & relationship to shyness, college females, 1638
institutional factors & resident psychological characteristics, responsiveness to social reinforcement & wariness & outerdirectedness, institutionalized mentally retarded under 27 yrs old, 28189
number of friends & popularity, female vs male normal vs aggressive &/vs withdrawn 4th–5th vs 6th–7th graders, 29695
positive thought processes & social skills training by school counselors, loneliness & shyness, children, 31359
psychosocial stage variables & friendship expectations, aggressive vs withdrawn vs popular female 11–12 yr olds, 29719
self vs others' perceptions of failure due to lack of ability vs effort, shy vs nonshy college students, 21940
social learning vs experiential thematic interaction treatment approaches, shy Ss, 17754
validity of Lennox-Wolfe Self-Monitoring Scale, prediction of shrewd & pragmatic behavior style & relationship to shyness & sociability, freshmen college students, 10807
Tinnitus
auditory brain stem response, 23–78 yr olds with central vs peripheral subjective tinnitus, 12243
clinical characteristics & comprehensive behavioral management program, complex tinnitus, depressed male musician, 20344
correlation between dizziness symptoms & anxiety, 20–78 yr olds with tinnitus, 27571
factor analysis, self rated complaint behavior & related-otological symptoms, tinnitus patients with mean age of 50.4 yrs, 12221
high aspirin-induced blood level of salicylate, hearing music as form of tinnitus, 70 yr old female with otosclerosis & rheumatoid arthritis, 22219
methodology & hearing threshold, loudness matches in sensation level, 18–78 yr olds with tinnitus, implications for methodology, 22269
monaurally presented intense pure tones, tinnitus, hearing Ss, 20185
personality variables, etiology & onset & chronicity & treatment of tinnitus & presence of related medical problems, 28–84 yr old male patients, treatment implications, 6771
progressive muscular relaxation training, tinnitus, 28–76 yr old patients, 1879
relaxation & imagery therapy, tolerance & self ratings of loudness, 60 yr old male with tinnitus, 1-yr followup, 9833
symptoms & occurrence of tinnitus, hearing impaired patients, 1597
Tiredness [See Fatigue]
Tissues (Body) [See Also Connective Tissues, Membranes, Myelin Sheath, Nictitating Membrane, Olfactory Mucosa, Skin (Anatomy)]
fenfluramine, thermogenesis by activation of brown adipose tissue via mitochondrial guanosine diphosphate binding, female rats, 29451
Toads
extract containing chemical cues from damaged conspecifics, alarm reaction, western toad vs Cascades frog tadpoles, 419
Tobacco (Drug) [See Nicotine]
Tobacco Smoking
abstinence rate & relapse & smoking effects following 5-day plan to stop smoking, male vs female participants, 1-yr followup, Finland, 10163
acquisition-based approach to primary prevention, cigarette smoking, 6th–12th graders, 3–4 yr longitudinal study, 4701
active vs placebo effects of aversion &/vs restricted environmental stimulation therapy, smoking cessation, 21–67 yr old smokers, 28261
addictive aspects of smoking base cocaine paste mixed with tobacco & marihuana, 6665
alcohol &/vs nicotine, acquisition & recall task, college student smokers, 26700
alcohol consumption, cigarette smoking, male 30–35 yr old narcotic addicts in methadone maintenance program, 28254
ammonium chloride vs sodium bicarbonate-induced changes in nicotine elimination rate, nicotine intake, healthy 28–55 yr old cigarette smokers, 16557
anxiety & other emotional states & smoking & alcohol consumption & Type A behavior, cardiovascular disorders, conference presentation, literature review, 27655
apparatus for measurement of pressure exerted by human lips on cigarette filter during normal smoking, 26147
assessment of process of self cure, ex-smokers who quit on own vs current smokers who failed, 25586
attitudes toward smoking & smoking education & relationship between smoking & medical conditions, smoking vs nonsmoking public school teachers, 1973 vs 1982, 12895
biological monitoring, self report of cigarette smoking, 8th & 9th graders, 8663
brand advertising, primary demand for cigarettes, 1961–65 vs 1971–75, West Germany, 10678
brief group treatment with hypnotic & cognitive & behavioral interventions, maintenance of smoking cessation, 21–67 yr olds, 12772
buprenorphine, cigarette smoking, male 24–32 yr olds with history of heroin abuse, 22173
changes in cigarette smoking prevalence & behavior & nature of cigarettes, US, 1955–83, 24456
cigarette advertising & media coverage of smoking & health, 2738
cigarette rod length, puff volume & duration & carbon monoxide delivery, 23–40 yr old smokers, 14412
cigarette smoking & Stroop conflict solving, psychophysiological correlates, 20–51 yr old males, 5738
cigarette smoking, rapid visual information processing, male college students who are experienced smokers, 11290
clinical symptoms & treatment, tobacco-alcohol amblyopia, patients, 14853
cluster analysis & development of typology of smoking relapse episodes, ex-smokers, 12783
co-occurrent use of cigarettes & alcohol & coffee, healthy male vs female 16–70 yr olds, 24444
cognitive & pharmacological tailoring of smoking cessation programs, 20559
comprehension of health risks, smoking behavior, physically vs psychiatrically based medical professionals vs general public, 3658
concomitant ethanol & caffeine intake & smoking, alcoholics in alcohol treatment program vs social drinkers, implications for treatment outcome, 20073
concordance for excessive smoking & alcohol & caffeine consumption during pregnancy, identification of families at risk, spouses, Israel, 27540
confounding effects of environment & diet, saliva thiocyanate values, ex-smokers, 12113
consultation project & group therapy, smoking behavior, implications for psychosomatic medicine, 7496
content & impact of smoking education booklet published by Tobacco Institute, adolescents, 15226
contingent reinforcement & monitoring, smoking reduction & cessation, 21–51 yr old female hospital employees, 28260
controlled delivery of cigarette smoke with vs without local airway anesthesia, cigarette craving & smoking satisfaction, smokers, 21897
correlates of initiation of smoking behavior, males & females assessed in grades 4–6 & at 16–21 yrs of age, implications for smoking cessation & prevention programs, longitudinal study, 27125
demographic & personality correlates & low vs high stress situations, preference for cigarette smoking, medium-light smokers, 6309
determinants of weight gain after smoking cessation, 22784
development & course & neuro-ophthalmological findings, patients with tobacco-alcohol amblyopia, 22169

development & validity of Smoking Self Efficacy Questionnaire, measurement of self efficacy for resisting urge to smoke, cigarette smokers with mean age of 39.6 yrs, 16128
disease model & marketing & smoking control, 14414
economic reality of tobacco sector & health policy issues, 21895
effectiveness of psychosocial approaches to smoking prevention, literature review, 31012
efficacy of behavioral smoking cessation program, males with chronic pulmonary &/or cardiac disease, 2194
efficacy of smoking prevention programs, children & adolescents, literature review, 25766
environmental factors & client characteristics & process variables & smoking cessation treatment approaches, outcomes of treatment for tobacco dependency, male vs female smokers, 28263
environmental smoking cue, subjective smoking urge ratings & related physiological & behavioral & cognitive responses, college student smokers, 27127
environmental vs genetic factors, smoking habits & alcohol use, adult twins reared apart as children, Finland, conference presentation, 3137
evaluation of current smoking prevention strategies & proposal for self control skills model, adolescents, 12663
evaluation of smoking prevention programs, coping skills & modification of attitudes, adolescents, 4722
fascination with death as seen in smoking, modern capitalistic society, 1109
full scale vs truncated rapid smoking vs puffing aversive treatments & counseling, smoking cessation & heart rate as indicators of aversion, 18–45 yr old smokers, 28262
graded inhalation of tobacco smoke, cigarette smoking behavior, 18–37 yr old smokers, 27113
health locus of control & health beliefs & social support & use of nonsmoking areas & objecting to smoking by others, abstinence & relapse after minimal intervention, 15–71 yr old ex-smokers vs recidivists vs continuing smokers, 1-yr followup, 7488
home correspondence smoking cessation program, 16–35 yr old pregnant females who were current smokers or who quit at pregnancy onset, 7479
hospitalwide smoking discouragement program, attitudes toward smoking & sale of tobacco products & smoking rate in specified areas, hospital patients & employees & visitors, 25481
incidence of smoking & chewing tobacco & other drug usage, male 7th–10th graders, implications for addictive processes, 12110
incidence of smoking, Mensa club members, Australia, 14413
inhaled vs iv nicotine, role of nicotine in tobacco dependence, male 20–36 yr old tobacco smokers with history of drug abuse, 16653
knowledge of statistics & perception of health risks of smoking, male vs female college statistics students, 3651
length of longest prior abstinence, cessation following social-learning-based treatments, adult smokers, 4702
level of nicotine intake & autonomic responses on normal smoking day vs after period of deprivation, 19–33 yr old male smokers, 26688
lifestyle changes & severity of cardiac event & belief of relation between smoking & cardiac problems, current smoking habits, military veteran patients who had myocardial infarction or coronary bypass surgery, 27664
limitations in organizational efforts to prevent or control smoking, 14926
Lois Lane as Marlboro smoker in Superman II film, attitudes toward smoking, adolescent females, 14108
long vs short term effectiveness of smoking prevention programs, adolescents, literature review, 1979–83, 18333
low vs moderate vs high nicotine content cigarettes, smoking behavior, baboons, implications for study of behavioral aspects of cigarette smoking, 26737
marketing & promotion, cigarette manufacturers & tobacco lobbying groups, 16049
mass media antismoking advertising campaign, effectiveness of hospital-based smoking cessation clinic, 18–65 yr old male smokers, 25592
methodology & smoking & elevated serum cholesterol, coronary heart disease, morbidity & mortality, 24962
monitoring by supportive nonsmoking partner in behavioral couples therapy, partner's smoking behavior & cessation, 36 yr old oncology nurse, 25582
multicomponent cognitive behavioral smoking program with vs without spouse attendance at spouse support program, smokers & their spouses, 1–12 mo followup, 15456
nicotine chewing gum & group therapy vs group therapy alone, smoking cessation, 18–75 yr old smokers, 15453
nicotine chewing gum, smoking cessation rehabilitation, 15450
nicotine content, number of cigarettes smoked, heavy smokers, 3655
nicotine fading as nonaversive alternative in elimination of smoking, smokers, 12775
nonmedical drug & tobacco smoking, medical students, 4766
number & duration & intervals between puffs, changes in puffing behavior & relation to alveolar inhalation & nicotine content, 16–78 yr old cigarette smokers, 16577
observation of persons smoking on video, smoking rate, sedative vs stimulant smokers, implications for environmental cues, 17189
parental expectations & social perceptions & attributions of female smokers, 17–40 yr old female smoking vs nonsmoking nursing students vs student teachers, 14408
partner support &/vs perceived availability of general support &/vs presence of smokers in social networks, smoking cessation & maintenance, smokers in smoking cessation programs, 31023
peer & parental influence & expectations for success, decision to start smoking, male vs female 6th–11th graders, 24171
peer influences, onset of cigarette smoking, 7th–12th graders engaged in persistent vs minimal cigarette smoking, 6121
peer support & job stress, smoking intensity & cessation, male members of kibbutzim aged 35 & older, Israel, 9082
perceived addiction & expectancy of success & defensive attribution, intention to quit smoking, smokers, 1-yr followup, 18318
perceptions of advertisements for cigarettes, 6 vs 8 vs 10 vs 12 vs 14 vs 16 yr olds, 24109
personality attributes & risk of alcohol & cigarette & marihuana & cocaine involvement, 12 vs 15 vs 18 yr olds, 3-yr followups, 21780
personality characteristics, adult cigarette smoking patterns, male vs female adults assessed at 12–15 & 15–18 yrs old, longitudinal study, 19675
personality traits & intellectual level & platelet MAO, 18 yr old male tobacco smokers, 17190
pre-abstinence smoke intake & smoking motivation, prediction of cigarette withdrawal severity, 21–74 yr old smokers, 24459
prevalence & usage patterns of cigarette smoking, patients in medical vs psychiatric facility of VA medical center, 18260
preventive health behavior & values, cigarette smokers, 6306
profiles for insight into smoking behavior for improvement of antismoking education, 7th–12th graders, 4863
properties of alpha-bungarotoxin binding sites in fetal brain membranes, humans, implications for cigarette smoking, 26532
proportion of smokers & long- & short-term attitudes & reactions toward smoking during antismoking campaign, 12–15 yr olds, 2-yr followup, Sweden, 904
psychological variables, development of smoking habit, twins born before 1956, conference presentation, 3141
public health strategies, facilitation & maintenance of smoking cessation, literature review, 25593
puff characteristics of cigarette smoking behavior, smoke deliveries of tar & nicotine, 21–75 yr old medical patients, 11713
rate of cigarette smoking & attitudes toward smoking as a health risk, 18–84 yr old smokers vs nonsmokers, 17180
reasons for smoking, males who are heavy smokers, 12075
reports of parents' & development of children's smoking behavior & attitudes, Ss at 11–12 vs 15–16 vs 18–19 yrs old & their parents, 11526
role of school in prevention & cessation & regulation of smoking, adolescents, 18672
self efficacy, prediction of relapse following voluntary smoking cessation, adults who had quit smoking 1 yr earlier, 28269
self help smoking cessation programs, employees, literature review, 2693
self management & aversive strategies, smoking cessation & control, literature review, 25585
self modeling & cognitive factors, amount of tobacco consumed, cigarette smoking college students, 27124

self reports of marihuana & cigarette smoking vs physiological measures of expired air carbon monoxide & saliva thiocyanate, 7th & 9th–12th graders, 11378
skills-building smoking prevention methods, 6th graders assessed 6- & 15-mo post intervention, 25438
smoking & distraction, sensory & slow cortical EPs during task performance, female adults, 26691
smoking & other coping strategies & personality, male & female smoking vs nonsmoking college students, 27126
smoking as social & cultural tradition, France, 14407
smoking behavior & belief about positive & negative consequences & moral attitudes & peer smoking & parental smoking, prediction of self initiated smoking cessation, high school students, 26902
smoking behavior, 21–75 yr old patients with neoplasms vs endocrine vs blood vs circulation vs respiratory vs digestive vs genitourinary disorders, 24949
smoking cessation program, 43–63 yr olds with chronic obstructive pulmonary disease, 7501
smoking habits, secondary school students, Malaysia, implications for health education, 24235
smoking-induced nausea, cortisol release & ACTH secretion, male cigarette smokers, 14052
smoking topography, differences in expired air carbon monoxide levels, smokers who smoked equal number of daytime cigarettes, 27112
smoking 1 cigarette, finger vasomotion & heat loss & pulse amplitude, 21–29 yr old heavy vs light vs nonsmokers, 21589
social bonding & differential association theory, initiation & cessation of tobacco use, 7th–12th graders, 3-yr longitudinal study, 17013
social history of cigarette smoking & advertising, female smokers, 16044
social learning theory, explanation of maintenance or cessation vs initiation of cigarette smoking, junior & senior high school students, 3-yr longitudinal study, 24196
social pressures & social skills training approaches, prevention of drug abuse & tobacco smoking, adolescents, literature review, 28224
social support & health beliefs, smoking behavior, hospitalized cardiovascular patient smokers vs ex-smokers, 6773
stages of behavior change & prevention of relapse, patients with addictive disorders of alcoholism or smoking or obesity, 27886
strategies used & variables, success in stop-smoking contest, community participants, 12769
stress &/vs cigarette smoking, heart rate & blood pressure, female college students, 11285
subjective expected utility & initiation of smoking & drinking, 7th & 9th graders with internal vs external locus of control, 1-yr longitudinal study, 6101
task vs nontask & smoking vs nonsmoking conditions, cortical EP amplitudes, female smokers, 19332
temporal patterns of smoking topography in natural environment, 20–30 yr old smokers, 17184
tobacco abuse & dependency in substance abuse treatment system, US, 28251
tobacco accessibility & societal permissiveness toward consumption, smoking behavior, implications for intervention, 1108
tobacco smoking & use of psychoactive substances & natural narcotics & alcohol, 15–22 yr old male technical & high school students, Egypt, 14240
tobacco smoking, responses to electrical stimulation & pain thresholds, female vs male 18–48 yr old habitual smokers, 3656
traditional didactic vs group oriented format & group effect & size, smoking cessation, adults, 10160
treatment construct validity of programs for prevention of smoking, adolescents, literature review, 25063
usefulness of self efficacy & outcome expectation measures, prediction of smoking status in controlled smoking treatment programs, chronic heavy smokers, 10158
validity of K. O. Fagerstrom's Tolerance Questionnaire, measure of nicotine tolerance & physical dependence to cigarettes, smokers, 26229
values & health behavior & social desirability, female college student smokers vs nonsmokers, application of W. J. Conroy's value change strategies & replication of C. M. Kristiansen's study, Great Britain, 27118
work vs recreation periods, rate of cigarette smoking, 20–35 yr olds, 6308
world use of narcotic drugs & tobacco & coca & alcohol, reprint of 1853 article, 27117
Tobago [See Trinidad and Tobago]
Toes (Anatomy) [See Feet (Anatomy)]
Tofranil [See Imipramine]
Toilet Training
automated reward potty chair for toilet training, implications for use with mentally retarded, 8003
behavioral training package, toilet training, institutionalized profoundly retarded incontinent females, 9834
coercive toilet training, encopresis & subsequent psychiatric symptomatology, children, 6132
training to cue mothers of need to eliminate, 3.1–6.6 mo olds, 14131
Token Economy Programs
basic vs strict point-based token economy, aggressive behaviors, mentally retarded 12–17 yr old male offenders in community-based residential setting, 18184
control in evaluation of point economy programs, mentally retarded male adolescents in community-based residential setting, reply to design criticism by D. M. Baer, 18185
developments in token economies in psychiatric institutions vs mental health service system, implications for deinstitutionalization, 25532
FI reinforcement, exercise, obese vs nonobese 5th grade males, 27892
home-school token system used by school counselors, 3rd & 5th grade males, 31380
meals as free time in token economy program, reinforcement for performance, hospitalized chronically mentally ill patients who had previously had meals as token events, 22717
reinforcement theory & origins & development of token economies, 20361
reinforcers & motivational techniques in university reading center tutoring program, 6–14 yr olds with reading difficulties, 28522
role of occupational therapist in token economy system, behaviorally disordered adolescents with mild to moderate degree of mental impairment, 18023
self vs teacher management of token reinforcement, time on task & out-of-seat behavior, 8–12.3 yr olds in special classrooms at health camp, 23080
successive approximation & token economy system, school refusal, 12 yr old male, 9840
tightening of point economy, physical & verbal aggression, mentally retarded male adolescents in community-based residential setting, comments on design of study by G. C. Denkowski & K. M. Denkowski, 18177
token economy program, attendance at literacy course, semiliterate prison inmates, 4692
token economy programs in rehabilitation programs, juvenile delinquents, 4691
token economy treatment, 13–62 yr olds with severe brain injury & disturbed behavior contraindicating rehabilitation in ordinary setting, 6–39 mo followup, 20345
Token Reinforcement [See Secondary Reinforcement]
Tolerance
categorization vs particularization approach to prejudice, 1141
mental strain, psychophysiological tolerance to vibration, 3205
perceived causes of & concerns over consequences & tolerance of child's bedwetting, mothers of children with primary or secondary enuresis, 27511
relaxation & imagery therapy, tolerance & self ratings of loudness, 60 yr old male with tinnitus, 1-yr followup, 9833
Tolerance (Drug) [See Drug Tolerance]
Tolerance for Ambiguity
locus of control & social anxiety & intolerance for ambiguity, career development, Asian American college students, literature review, 25951
lotteries with varied center & range probability intervals, ambiguity seeking vs avoidance, college graduates, 3020

path-goal leadership theory, leadership & role conflict & ambiguity & job satisfaction & anxiety, male salespeople, 26017
pictorial stimuli & social cognition measures, tolerance for ambiguity, deaf 1st–4th graders, 20121
reading proficiency in English & ability to perceive ambiguity & mental ability, English- vs Hebrew speaking college students who spoke English as 2nd language, US vs Israel, 18519
Tone (Frequency) [See Pitch (Frequency)]
Tongue [See Also Taste Buds]
distinct projection areas from tongue nerves in frontal operculum revealed with EP mapping, anesthetized monkeys, 21313
frequency of vibrotactile stimuli, lingual detectability, 19–27 yr olds, 13529
lingual vibrotactile threshold vs suprathreshold values, 18–28 yr olds, 13526
lingual vibrotactile thresholds vs suprathreshold magnitude exponents, 18–28 yr olds, 2963
magnitude-estimation response pool, production of lingual vibrotactile magnitudes, 18–40 yr olds, 19040
oral stereognostic ability & lip & tongue diadokokinetic skills, 8 yr olds to young adults, implications for diagnosis of speech disorders, 12153
stability of vibrotactile fusion thresholds of tongue & hand, adult males trained in psychophysical techniques, 1-yr study, 13525
stimuli presented to labial vs lingual loci vs fingertips, perception of warmth vs cold, college age Ss, implications for oral contribution to thermoregulation, 199
tongue strength & alternate motion rates, 16–64 yr olds with neuropathologic types of dysarthria, 24890
Tonic Immobility
alpha-adrenergic receptor agonists vs antagonists, duration of tonic immobility, chickens, 16652
auditory signal with vs without pup exposure, freezing reaction, lactating vs virgin female rats, 23848
bilateral dorsal vs unilateral dorsolateral spinal cord lesions, incidence of contact defensive immobility, male albino rabbits, 11263
cage level & aisle, fear responses, individually caged laying hens, 8341
desipramine & subsequent neuroleptics or antiadrenergic drugs, immobility time in behavioral despair test, rats, 16566
diazepam vs apomorphine vs haloperidol, audiogenic immobility reaction & open field locomotion, male weanling rats, 645
electric shock with vs without morphine vs preinduction shock, tonic immobility termination thresholds, chickens, 11233
estrus & estrogen-progesterone treatment with vs without vaginal stimulation, tonic immobility & dorsal immobility response & lordosis, ovariectomized vs intact female rats, 23902
inductions & duration of tonic immobility, hens with sham-operations vs total removal of telencephalon, 612
morphine & naloxone, tonic immobility & dorsal immobility, male rats, 5937
neuroleptics with antidepressant activity vs inactive chlorprothixene isomer vs clozapine vs imipramine, immobility in forced swimming test, male rats, implications for treatment of human depression, 21515
nicergoline, tonic immobility responses, chicks, 26668
prolonged & mainly hypertonic immobility, dogs vs pups of Arkansas line of nervous pointers, 21219
Top Level Managers
assistance in management of colleges & universities, retired senior executive volunteers, 25750
conceptual framework for selection of effectiveness & efficiency & adequacy of finances management concerns, nonprofit organization executives, 28733
corporate power & social status & market position, selection of board members & subsequent corporate interlocks in regional network, chief executive officers in manufacturing corporations, 28735
cultural systems in bureaucratic organizations, chief executive officer & vice-presidents of Bell Telephone Co, 20868
development of comprehensive set of 16 measures of willingness to take risks, top level business executives, 26227
differences in national culture & management style & work attitudes & behavior patterns, chief executive officers, US vs Japan, 15986
dimensions of planning systems, company effectiveness, business executives, 26028
employee training, training & development executives, US, 28683
exercise of power, bounded vs unbounded organizational decision making, senior managers, 31489
females' lifestyle differences & motivation & values & behavior, career & management development, male vs female managers, implications for employee benefits package, 5079
institutional sector & social origins & age & education & income & social contacts, attitudes toward economic policies, industrial vs nonindustrial executives & owners of large fortunes, US, 17238
internal structure of Jenkins Activity Survey, assessment of Type A behavior, business executives, 16121
interpersonal skills & leadership experience & need for achievement factors in management development, chief executives, Great Britain, implications for organizational effectiveness, 25993
intuitive ability, top- vs middle- vs lower-level managers, 31444
job characteristics & organizational climate, top managers from public vs private sector, Israel, 23233
management training & development strategies & organizational change & crisis, senior managers of chemical companies, 15978
methods for enhancement of communication between corporate executives & their co-workers, 28727
organizational change & transformational leadership, middle & senior level managers, US, 28759
organizational climate, social power bases, marketing executives, 7831
organizational performance, choice of outside vs inside successors to replace chief executive officers of New York Stock Exchange companies, 13199
personality, organizational culture & style, top executives, 23220
pitfalls in management planning, senior mental health administrators vs corporate executives, 7822
problems vs opportunities as motivation & organizational performance, recommendations for strategic decision processes, experienced executives vs college students, 13202
retrospective vs living case study method in executive education programs, 28721
stage of organization life cycle, priorities, top level managers from manufacturing firms vs college students in simulation study, 13226
strategies for dealing with automation training problems, executives, 28755
synergism among personal & situational & behavioral factors, effective leadership, executives, 28752
task uncertainty, initiating & search behavior, upper vs lower level school central office administrators, 10604
Topography
attractiveness & perceived security of parking lots adjacent to commercial vs multifamily residential structures, college students, 23308
consensus based on appraisal characteristics or visual features vs contrast components such as individual evaluation style, landscape preference, college students, 26039
temporal patterns of smoking topography in natural environment, 20–30 yr old smokers, 17184
Torticollis
ethanol, dystonia, patients with spasmodic torticollis vs Meige syndrome vs neuroleptic induced vs torsion dystonia, implications for treatment, 1517
psychotherapy emphasizing psychoanalytic concepts & historical view, torticollis spasticus, 22427
Tortoises [See Turtles]
Totalitarianism
attitudes toward totalitarianism & government & intrusion of privacy & comparison with G. Orwell's "1984," urban parochial college students, 10433
Touch [See Tactual Perception]
Touching [See Physical Contact]
Tourette Syndrome [See Gilles de la Tourette Disorder]
Towns
growth & decline patterns of small town settlement structure, 1900–30 vs 1930–40 vs 1940–60 vs 1960–80, US, 6175

Toxic Disorders [See Also Alcohol Intoxication, Carbon Monoxide Poisoning, Drug Induced Congenital Disorders, Lead Poisoning, Mercury Poisoning, Narcosis, Thyrotoxicosis, Toxic Encephalopathies, Toxic Hepatitis, Toxic Psychoses]
antidotal strategies based on symptoms, phencyclidine intoxication, 1920
atropine, neurotoxicity & brain damage resulting from interaction between lithium & stress-induced increases in cholinergic activity, 15207
cranial nerve palsy induced by lithium therapy, 27 yr old male with manic depression, 25326
development of reflex modification test, assessment of sensory processing & reflex behaviors following toxic exposure, humans & animals, conference presentation, 5310
exposure to pesticides during military service, toxic neurasthenia, Vietnam veterans, Australia, 17595
exposure to toxins, audiological & cortical response, 32–64 yr old painters & printers & gasoline truck drivers & workers exposed to jet fuel, conference presentation, 1514
nerve conduction vs automated techniques, assessment of cutaneous sensations in peripheral toxic neuropathies, conference presentation, 24869
neuropsychological assessment, personal injury litigation involving head injury or toxic environments or physical disease or malpractice, 24409
neurotoxins, selective vulnerability & degeneration of long & large axons, intoxicated humans & experimental animals, conference presentation, 6883
occupational exposure to Otto Fuel II, morbidity & mortality rates, Navy torpedomen's mates, 2595
psychopathological characteristics, toxic oil syndrome food poisoning, Spain, implications for role of psychologists & psychiatrists in managing effects of disasters, 30424
role in epidemic of mysterious gas poisoning, press & medical community, Jordan, 1572
toulene or n-hexane or trimethyltin, memory, macaques & pigeons, implications for animal model of environmentally-induced memory impairment, 16620
1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine & 1-methyl-4-phenyl-pyridinium ion & Paraquat, parkinsonian symptoms & brain dopamine, frogs, 16552
Toxic Encephalopathies
diagnosis & treatment of lead encephalopathy, 8 yr old Black female with sickle cell anemia, 9942
diphenylhydantoin encephalopathy, 26 yr old female with epilepsy, 7177
paranoid delusional syndrome, male patient with toxic encephalopathy due to ingestion of bismuth salts, 14899
Toxic Hepatitis
toxic hepatitis as side effect induced by antidepressants or phenothiazines or antiepileptics or anxiolytics or other neuroleptic drugs, psychiatric disorders, 30726
Toxic Psychoses
chronic schizophrenia & neuroleptic malignant syndrome, 31 yr old male, case report, elaboration on J. L. Levenson's case presentation, 27286
ethylene oxide withdrawal delirium, 19 yr old male hospital employee, 1552
occupational exposure to toluene, development of irreversible schizophreniform psychosis, 29 yr old male, 19926
steroid-tricyclic interaction, toxic psychoses, agitated & depressed 50 yr old female treated with prednisone for temporal arteritis, 1934
Toxicity
computer methodology for neurotoxicity testing, humans, conference presentation, 23386
conditioned taste aversion procedure as index of drug toxicity, 14044
conditioned vs unconditioned visual or taste aversion to naturally toxic insects vs noxious chemicals, wild birds, evidence of strategy for prevention of poisoning & starvation, 13719
EEG as cross species indicator of neurotoxicity, conference presentation, 5664
electrophysiological analysis of response to pairs of stimuli, assessment of peripheral nerve function in evaluation of neurotoxicity, humans, conference presentation, 23373
EPs as index of toxic insult to nervous system, assessment of neurotoxicity, humans, conference presentation, 23357
ethanol, toxicity of propoxyphene, male rats, conference presentation, 16563
evaluation of behavioral motor deficits in neurotoxicity screening, conference presentation, 24981
extrapolation from animal to human endpoints & hazard identification in neurotoxicology, 5230
hereditary hyperbilirubinemia, changes in cerebellar neurotypic & gliotypic proteins & in morphology & behavior, Gunn rats, implications for biochemical indicators of neurotoxicity, 19334
microcomputer-based system for testing for neurotoxicity, assessment of cognitive & sensory & motor functioning, conference presentation, 23365
National Institute for Occupational Safety & Health neurobehavioral testing & research in neurotoxic hazard evaluations, conference presentation, 23355
nicotine tartrate & antihistamines & pentylenetrazole, toxicological responses, female rats, 5932
occupational exposure to Otto Fuel II, morbidity & mortality rates, Navy torpedomen's mates, 2595
paraldehyde & ethanol vs chloral hydrate, determination of toxic & depressant actions assessed by dosage for lethality & anesthetic action, male Swiss-Webster vs CF1 mice, 23971
phenothiazine derivatives, immune response & cytotoxicity, 5920
portable laboratory microcomputer-based system, measurement of sensory EPs & neurobehavioral data in field testing of neurotoxicity, humans, conference presentation, 23385
pre- & postnatal exposure to methylazoxymethanol, ECS thresholds & locomotor activity & neuronal development, pregnant rats & their offspring, implications for developmental model of neurotoxicity, conference presentation, 29433
successive administration of viloxazine & dosulepin, cardiotoxicity, 41–82 yr olds with endogenous & involutional depression, 7240
toxic salivary concentrations of carbamazepine & phenytoin, epileptic mentally retarded hospitalized & community-based clients, 25264
types & phases of epidemiological studies in neurotoxicity research, conference presentation, 23359
Toxins [See Poisons]
Toy Selection
ability to discriminate males from females, toy choice & aggression & peer playmate selection as sex typed behaviors, 21–40 mo olds, 29694
masculine vs feminine vs neutral toy choice, sex typed vs non-sex-typed social play behavior, male & female 51–63 mo olds, 8821
parental toy-choice preferences & stereotyping, child toy preferences & sex role typing, 18–32 yr old parents & their 2–3 yr olds, 11531
planning activities & selecting & using toys, developmental problems, children with handicaps, 10485
preschool play center environment & free play materials, free play activity & social vs nonsocial behavior & positive vs negative social interaction, male vs female preschool children, 24219
socially stereotyped masculine vs feminine toys & play behavior, male vs female 14–35 mo olds, 925
toy selection & visual discrimination tasks, sight-word reading skills, autistic female 5 yr old & male 13 yr old, implications for reading instruction, 28555
Toys [See Also Educational Toys]
behavior modification with operant training, increase of toy play, children with profound mental handicaps, 9850
evolution of the teddy bear based on human propensities to elicit nurturance & affection, 27184
Lekotek toy play library as resource center, developmental progress, children with handicaps & their families, US, 10504
play with stereotypically masculine vs feminine toys, motor activity level & vigor of play, male vs female 14–28 mo olds, 26929
role of toys vs social environment, development, children, 8681
sex stereotyping in children's toy advertisements, college student raters, implications for sex role development, 5157
social & cognitive & symbolic play forms & toys, 36–71 mo olds needing early educational intervention, 10480
social-cognitive development & toys, children, 8655
toy requests & age & sex differences, toys received from parents at Christmas, 9–76 mo olds, 19653

toys & play behaviors, children, literature review, 8894
toys as conditioned reinforcers & stereotypy, 13–15 yr old severely retarded & 22–26 yr old profoundly retarded males, 9439
toys that emitted vibration or light or sound, play & stereotyped behavior, profoundly handicapped children, 20090
typologies of descriptive vs empirically based play materials, education, handicapped children, 10510
use of dolls & toys as infantilization, 74–98 yr old geriatric hospital residents, 20522
variability of flight patterns of projectiles from toy guns, control of projectile's destination, children, implications for consumer safety, 20925
Trachea
interrater reliability of intelligibility ratings of oral reading & continuous discourse speech from esophageal & tracheoesophageal speakers, raters experienced vs inexperienced with alaryngeal speech, 27525
Tracking [See Also Rotary Pursuit, Visual Tracking]
air temperature & time-on-task period, unimpaired pursuit tracking performance, male college students, 21367
antimotion sickness drugs, tracking under static vs dynamic conditions & visual fixation ability during motion, college students, implications for transportation systems, 12581
apparatus & procedure for study of sonar tracking of horizontally moving targets, big brown bats, 11113
development of auditory pursuit tracking as screening test, measurement of occupational hearing loss, male 16–21 yr olds with congenital blindness vs college students vs 37–54 yr old workers with noise-induced hearing loss, 21001
development of visuomanual sinusoidal tracking, 5–9 yr olds vs adults, 849
feedback & divided attention instructions & similar vs different types of task pairs, dual-axis position tracking, college students, 203
length of retention interval & intertrial interval, tracking in serial learning or delayed discrimination task, male rats, 11054
muscular contractions & motor perception in tracking behavior, adults with cerebral palsy, 14920
sleep deprivation & age & altitude & workload, cognitive & mental arithmetic performance & problem solving & tracking, 30–39 vs 60–69 yr olds, 16485
task parameters, individual differences in pursuit & compensatory tracking performance, Royal Air Force pilots, Great Britain, 13176
visually guided head movement, African chameleon, 13843
zone of functional comfort in multiparameter compensatory tracking task, stress & job performance, implications for design of data display devices, 10654
Tractotomy
ventricular size &/ vs dexamethasone suppression test, prediction of outcome of severe endogenous depression following stereotactic subcaudate tractotomy, patients with manic-depressive psychosis, 1-yr followup, 25079
Traditionalism [See Conservatism]
Traffic Accidents (Motor) [See Motor Traffic Accidents]
Trainable Mentally Retarded
behavioral remediation program, oral reading errors & comprehension, moderately mentally retarded 11–17 yr olds, 31299
concerns & hopes & fears concerning life skills development of their trainable mentally retarded adolescents, parents, conference presentation, 24846
conversation training & natural school contexts, generalization of training, moderately & severely retarded 10–13 yr olds, 28540
conversational responses to listeners' request for clarification, speaking vs nonspeaking mentally retarded 23–56.6 yr olds, 30313
development of tools to facilitate participation in residential evaluation procedures, moderately mentally retarded, 18952
differential clinical & EEG & radiological characteristics, institutionalized mildly to severely mentally retarded patients with epilepsy, conference presentation, 30061
direct prompting & modeling, reciprocal interactions & generalization, cerebral palsied & mentally retarded 4 yr olds & their 6.8–8.1 yr old siblings, 6-mo followup, 25200
discrimination of unreinforced probes in matching & mismatching task, mildly & moderately retarded 16.3–18.9 yr olds, 24835
discrimination shift learning & response inhibition, moderately & severely mentally retarded 12–16 yr olds, 9469
employment & residential status, educable or trainable mentally retarded young adults who left or graduated from school between 1981–83, 14760
entitlement to more than 12 yrs of school, trainable mentally retarded 10th grader, case law, 1032
factors impacting employment status, parents of educable- or trainable- or severely mentally retarded young adults, implications for community-based vocational instruction & job placement, 31004
imipramine, depressive symptoms, moderately mentally retarded 22 yr old female, case report, 30727
in vivo training with vs without simulation, acquisition & generalization of grocery item selection, 17–20 yr olds with moderate & severe mental retardation, 22754
institutional vs integrated residential care services, social & community participation, moderately to severely mentally retarded 20–50 yr olds, Sweden, conference presentation, 12622
instructional modeling, mental imagery learning skills, mildly to moderately mentally retarded vs learning disabled 4–16 yr olds, 15827
interview & scale, characterization of psychiatric problems & behavior disturbances, moderately & mildly mentally retarded 18–45 yr olds, 22204
manic bipolar affective disorder & thyrotoxicosis & neuroleptic induced catatonia, 50 yr old moderately retarded female referred to community mental handicap service, 9921
manifestations of "sense of ownership" & development of personal self, 3.3–5.7 yr old mildly & moderately retarded children, 30321
movement suppression time out, suppression of self injurious & dangerous & inappropriate poking behavior, psychotic & moderately & severely retarded 9–21 yr olds, 15112
neuroleptics, seizures, 24–80 yr old mentally handicapped inpatients, 30741
observational learning & direct training, matching-to-sample discriminations, moderately to severely retarded 19–25 yr old males, 24831
parent involvement in behavioral treatment program, weight loss, obese moderately retarded adults, 9830
peer-related social competence & individual social behaviors & language development & MA & teacher-rated social competence & behavior problems, developmentally delayed 1.3–6.3 yr olds, 4063
perceptions of sheltered workshop program, mildly vs moderately vs severely retarded employees, 10129
personality traits, moderately mentally retarded Gypsy vs non-Gypsy 18–19 yr olds, 17519
Pez Candy Dispenser, delivery & fading out edible reinforcers, moderately retarded special education students, 10496
physical & emotional health & social competence, mildly & moderately retarded adolescents in school for educably retarded, implications for school health services, 31289
picture-prompt card training, public transportation problem solving skills, moderately mentally retarded 18–20 yr olds, 4-mo followup, 15444
pimozide, behavioral adjustment & discrimination learning, moderately & profoundly mentally retarded Ss with mean age of 15.7 yrs, 18120
procedures for guiding attention to complex stimuli, stimulus overselectivity, trainable mentally retarded 11.7–16.7 yr olds, 9464
reliability of public school version of AAMD Adaptive Behavior Scale, educational placement, teachers & 16–21 yr old trainable mentally retarded students, 2554
responses to contingent query requests for clarification, young adults with autism or pervasive developmental disorders vs mild to moderate mental retardation, 1484
self recording procedure, attending to task & academic productivity, 15 & 17 yr old male students with moderate mental retardation & schizophrenia, 10491
short term memory capacity, mildly vs moderately retarded vs normal beginning students vs 3rd–4th graders, 6692
simulation procedures for teaching menstrual care skills, moderately & severely mentally retarded 17–21 yr old females, 18303

social skills training &/vs interpersonal problem solving training, social competence, moderately & mildly mentally retarded 44–81 yr olds, 28196
stress levels, families with preschool moderately & severely retarded vs nonhandicapped children, New Zealand, 30339
supported work model, competitive employment placement & training & retention, moderately & severely retarded clients, 28203
teaching techniques using musical instruments, creativity & self expression & socialization & musical competence, mildly to moderately mentally retarded children & adolescents, conference presentation, 20791
therapeutic amenorrhea induced by lynestrenol vs norethindrone, 15–44 yr old moderately to severely mentally retarded females, 2-yr followup, 18084
training in computational & shopping skills, moderately & mildly mentally retarded 32–53 yr olds, 28202
training in Tower of Hanoi problem, immediate posttraining performance & maintenance & generalization of improved performance, mildly vs moderately retarded institutionalized young adults, 4070
transfer stimulus control, acquisition & maintenance of productive intraverbal behavior, mentally retarded 13–16 yr olds, replication of S. J. Braam & A. Poling's study, 18014
verbal self instruction training vs modeling & imitation learning, acquisition & maintenance of independent living skills & generalization learning, institutionalized trainable mentally retarded 17.2–60.4 yr olds, 2141
vocational interests & actual work & self perceived motivational factors, job satisfaction, mildly to moderately mentally retarded 38–80 yr olds in residential facility, Israel, 12752
Training [See Education]
Training (Clinical Methods) [See Clinical Methods Training]
Training (Clinical Psychology Grad) [See Clinical Psychology Grad Training]
Training (Community Mental Health) [See Community Mental Health Training]
Training (Graduate Psychology) [See Graduate Psychology Education]
Training (Mental Health Inservice) [See Mental Health Inservice Training]
Training (Motivation) [See Motivation Training]
Training (Personnel) [See Personnel Training]
Training (Psychiatric) [See Psychiatric Training]
Training (Psychoanalytic) [See Psychoanalytic Training]
Training (Psychotherapy) [See Psychotherapy Training]
Trains (Railroad) [See Railroad Trains]
Tranquilizing Drugs [See Also Amitriptyline, Chlordiazepoxide, Chlorpromazine, Chlorprothixene, Diazepam, Fluphenazine, Haloperidol, Loxapine, Meprobamate, Mesoridazine, Minor Tranquilizers, Molindone, Neuroleptic Drugs, Oxazepam, Perphenazine, Phenothiazine Derivatives, Pimozide, Prochlorperazine, Promazine, Reserpine, Thioridazine, Thiothixene, Trifluoperazine]
alprazolam &/vs gefarnate, peptic ulcers, 17–74 yr old patients, 27987
alprazolam vs amitriptyline, depression, inpatients & outpatients with shortened REM latency, 12579
animal models for study of anxiolytic agents, literature review, 14061
antianxiety drugs & novel environments, exploratory behavior as means of assessing sensitivity & specificity of anxiolytic treatment, mice, literature review, 3283
antianxiety drugs, management of stress factors influencing coronary heart disease, conference presentation, 12595
antidepressant & anxiolytic drug therapy, children with conduct or attention deficit disorder or enuresis or school phobia or depression or obsessive compulsive disorders, 30779
antiepileptic vs psychotropic vs psychotropic & neuroleptic & thymoleptic & anxiolytic drugs, adults & children with epilepsy or paroxysmal EEG activity, 7206
antipsychotics vs stimulants vs anxiolytics vs antimanics, self injurious behavior, mentally retarded, literature review, 1955
anxiogenic agents vs amphetamine vs benzodiazepines, social interaction in familiar environment with novel partner, male rats, 23978
anxiolytic & anxiogenic drugs & manipulations of neural pathways, performance on social interaction test of anxiety, model for prediction of efficacy of anxiolytic drugs, 20386
anxiolytic drugs vs GABA agonists & antagonists vs benzodiazepine antagonists, punishment-induced barpressing for sucrose on random interval reinforcement, male rats, 8597
anxiolytics & benzodiazepines, intracranial self stimulation behavior as means of studying neuronal substrates of anxiety, literature review, 3301
apomorphine vs dextroamphetamine, stereotyped behavior & activity level & binding of spiroperidol, male rats with experimentally induced diabetes mellitus, 11333
benzodiazepines vs barbiturates vs novel anxiolytic vs anxiogenic drugs, anxiety & experimentally induced seizures, animals, literature review, 3311
benzodiazepines vs phenobarbital vs anxiolytics, food intake & hyperphagia & receptor binding, male rats, 21492
bromocriptine mesylate, antihypertensive & anxiolytic effect, male vs female normotensive vs genetically hypertensive rats, implications for strain-dependent dopaminergic receptor activity, 5854
buspirone dosage levels, plasma renin activity & heart rate, male rats, 16821
buspirone with vs without flurazepam vs triazolam, sleep pattern & daytime function, 21–60 yr olds with chronic insomnia, 25323
carbamazepine, female 31 yr old depressed bipolar patient with history of manic switching with tricyclic antidepressants, case report, 27985
carbamazepine, increased metabolism & decreased clinical efficacy of haloperidol, manic depressive 22 yr old female, 15135
carbamazepine, inhibition of erythrocyte sodium-potassium adenosine triphosphatase by ammonium metavanadate, manic depressive females, 1942
carbamazepine, male 20 yr old with Kluver-Bucy syndrome with rage attacks, case report, 27998
carbamazepine, mania, patients with manic depression or schizoaffective psychosis, conference presentation, 7159
carbamazepine, patients with bipolar affective vs schizoaffective disorder, 22528
carbamazepine, plasma levels & EEG activity & manic symptoms, patients with manic depressive vs schizoaffective psychosis, conference presentation, 15128
carpipramine, psychomotor inhibition & depression, 20–40 yr olds with schizodepressive psychosis or defective schizophrenia, conference presentation, 7199
CGS 8216 vs RO 15-1788, sedative effects of CL 218-872 vs chlordiazepoxide, male rats, 11293
change in attitudes toward tranquilizers, 18–74 yr olds, 1970–79, 30710
chlordiazepoxide & sodium amylobarbitone, partial reinforcement extinction effect in runway & Skinner box, rats, 670
chlordiazepoxide vs diazepam vs zopiclone vs CGS 9896, locomotor activity & acquisition of conditioned fear, male mice, 11334
CNS stimulating & depressant & neuroleptic & tranquilizing drugs & cholinergic & cholinergic blocking drugs, conditioned avoidance responses, gerbils vs mice vs rats, 29446
CNS stimulating vs antipsychotic vs anxiolytic vs antidepressant drugs, traumatic edema in ear pinna, rats, 5896
concentration of trazodone & its metabolites & isomers in brain areas & receptor binding as indicator of anxiolytic action at benzodiazepine vs alpha-2-adrenergic receptor sites, male rats, implications for mechanism of therapeutic action, 29476
effects of antipsychotics & antidepressants & antianxiolytic drugs on brain & nervous system & behavior & their clinical effectiveness, 29458
efficacy & side effects of zimeldine vs doxepin hydrochloride, depressed in- & outpatients, 25315
interactions of buspirone & TVX Q 7821 with 5-hydroxytryptamine receptor binding sites in brain membranes, bovines, 29465
latent structure analysis, effect of chlorprothixene & diazepam & seduxen on paired associate learning, conference presentation, 5365
lithium & haloperidol or carbamazepine or levotryptophan, patients with mania, conference presentation, literature review, 15202
maintenance therapy with fluspirilene vs oxyprothepine decanoate, 22–62 yr old schizophrenic patients, 7209

maprotiline, chronic tension headache, 16–52 yr old females with history of headache, 20387
meprobamate vs cocaine vs diazepam with vs without CGS8216 vs picrotoxin vs naloxone place preference or aversion, male rats, implications for use of place preference paradigm in evaluation of appetitive properties of minor tranquilizers, 24029
metoprolol, anxiety, 16–45 yr old patients suffering from moderate anxiety, 18041
non-benzodiazepine anxiolytics, benzodiazepine receptor modulation & therapeutic efficacy, conference presentation, 29400
nonsedating pyrazoloquinoline, discrimination of internal stimulus & anxiolytic activity, rats, 16556
paroxetine vs amitriptyline, somatic symptoms & moods & side effects, 18–60 yr olds with endogenous vs neurotic-reactive depression, 20375
pharmacological & clinical effects of busipirone vs benzodiazepines, conference presentation, 29482
pharmacological & clinical properties of zopiclone & suriclone, mice & rats & cats, conference presentation, 29432
pharmacological & neurochemical effects of tracazolate, conference presentation, 29463
phenylpiperazines, anxiolytic actions without interaction at benzodiazepine & GABA complex, animals & humans, conference presentation, 29450
phenylquinolines vs tracazolate, basal corticosterone levels vs corticosterone responses to novelty stress & activity of GABA-benzodiazepine receptor complex, male rats, 23963
protocol for use of sedatives & beta-adrenergic blocking drugs, anxiety, 7220
psychopharmacology of benzodiazepines as anxiolytics, 1904
psychotherapy vs anxiolytic vs antidepressant therapy & client characteristics, patients with functional vs organic postural vertigo, 17714
putative anxiogenic compounds & exposure to novelty stress, plasma corticosterone concentrations & GABA-benzodiazepine receptor activity, male rats, 24011
risks of antidepressants vs antipsychotics vs anxiolytics vs lithium during pregnancy, 15145
role of GABA in behavioral effects of anxiolytic drugs, literature review, 16784
sodium valproate & lithium vs carbamazepine vs oxcarbazepine, 18–63 yr old patients with manic syndromes, conference presentation, 15134
systemic vs intracranial sodium amylobarbitone vs intracranial procaine, rearing & ambulation, male rats, 26709
temazepam or triazolam vs other benzodiazepines, side effects involving agitation, 29–75 yr olds with insomnia, 15181
temazepam, 21–51 yr olds with insomnia, 18122
therapeutic effect & safety of alprazolam vs doxepin, primary unipolar depression, 18–70 yr old outpatients, 4464
toxic hepatitis as side effect induced by antidepressants or phenothiazines or antiepileptics or anxiolytics or other neuroleptic drugs, psychiatric disorders, 30726
tranquilizing vs antidepressant drugs, passivity resulting from unavoidable painful stimulation, rats, 11308
tripelennamine &/vs pentazocine, interresponse time rates of reinforcement for food reward, male rats, implications for illicit use of drug combination as substitute for heroin, 16643
underlying reasoning for effectiveness of antipanic medication, patients with panic disorder or agoraphobia, 27984
zopiclone vs pyrazoloquinoline CGS 9896 vs chlordiazepoxide, dose-related increases in punished drinking & leverpressing & food intake, male rats, 3321

Transactional Analysis

blocked development & script decisions & introjections & communication problems in unresolved abandonment & engulfment issues in transactional analysis, couples, 17806
bodily behaviors & life script in transactional analysis, 15025
contact & intimacy & need in transactional analysis, 7045
decontamination in transactional analysis with functional psychoses & borderline conditions, 9700
developmental stages of unhealthy competition, implications for transactional analysis, 14998
ego structures & transference in transactional analysis, 17852
elements of E. Berne's script therapy & script as complement to role in transactional analysis, 17814
miniscripts & structural & compound personality types, implications for transactional analysis, 17252
neurophysiological & behavioral aspects of Parent & Adult & Child personality structures in transactional analysis theory, 14217
organizational development & transactional analysis, personal growth & organizational climate, employees, 16018
paradoxical intervention strategies in transactional analysis, 15018
physiological psychology & model of personality & integration of functional ego states in neurobiological approach to transactional analysis, 25122
social vs psychological antileadership, transactional analysis group processes, 7048
test-retest reliability of Freehand Script Maze, therapeutic script awareness in transactional analysis, college students, 5304
therapeutic interventions & transactional analysis, therapeutic resistance, clients, 7083
transactional analysis, family systems therapy, 7119
transactional analysis in 2009, 17771
transactional analysis of father-daughter relations, female incest victims, 14976
transactional analysis, psychodynamics of nutritional nervosa, 7021
transactional analysis reparenting techniques, mental status & adaptive functioning, hospitalized schizophrenic adolescents & young adults, 18287
transactional script theory, etiology & treatment of pathological gambling, 22162
transactional systems analysis approach, failure to thrive with organic & psychological etiology, 6 mo old male & his parents & hospital staff, 18146
transference neurosis in transactional analysis & K. Mellor's developmental model of impasses, 17858
transitional objects, child ego state & personality development, implications for transactional analysis, 17880
visual & auditory impairments & level of functioning factors, teaching transactional analysis in senior citizen center, aged, 7363

Transcultural Psychiatry

application of sociobiological methods to transcultural psychiatry, 20288
clinical psychological data & semantic interpretation of symbolic cultural processes, alienated 20 yr old Turkish female suffering from chronic headaches & hysterical crises following marriage at age 15 & divorce 5 yrs later, Belgium, 30392
cross-cultural psychiatric research, South Africa, 3577
cultural psychiatry, therapeutic process, 34 yr old depressed native Canadian Indian with psychotic features, 9641
culture-bound syndromes that have migrated to industrialized countries vs classical disorders & phenomenology in classification of disorders, conference presentation, 11967
differences in psychiatric evaluation of patients from another culture, 4236
DSM-III & somatization disorder, psychiatric patients with somatic complaints, India, 17748
effects of race on counseling & psychotherapy, meta-analysis, 25090
ethnopsychiatric analysis of contemporary Corsica, France, 30527
impact of social anthropology on relationship between psychopathology & culture, 14556
issues discussed & resolutions made concerning mental health & South Africa's apartheid policy, conference presentation, 11588
levels of consciousness in insanity, Tabwa, Zaire, 30118
need for consideration of cultural context in diagnosis & treatment, 32 yr old paranoid Indian physician, 12023
need for cross cultural diagnostic system, reply to criticism by H. Schwartz, 22141
problems in cross cultural psychiatry, 21 yr old female with hysterical symptoms & 17 yr old male with acute catatonic psychosis & 13 yr old male with psychogenic seizures, case reports, Guam, 25025
psychiatric diagnosis across cultural boundaries, 1398
psychiatric diagnosis across cultural boundaries, comment on article by J. Westermeyer, 22115
transcultural factors, occupational therapy, 4683

Transfer (Learning) [See Also Positive Transfer]

acquisition & transfer of inhibitory stimulus control in serial feature-negative discriminations during conditioned suppression, albino rats, 13734

asymmetrical effects of Pavlovian excitatory vs inhibitory aversive transfer, Pavlovian appetitive responding & acquisition, rabbits, 5557
auditory vs visual stimulus & manual vs verbal response mode combinations & asymmetric transfer, single- & dual-task performance, right handed male college students, 23515
constants in curve fitting, measurement of learning & transfer, 187
cooperative interaction & processing strategy, text learning & transfer, college students, 7643
degree of convergence-divergence of hypothesis testing in practice on simulations of diagnostic problem solving, generation of new hypotheses, 10992
developmental processes in children's production of their native language, pronunciation & final stops in CVC English words, adult native speakers of English vs Polish vs Spanish vs Chinese, 717
exploration- vs instruction-based computer assisted training of procedural device knowledge, use of analogical reasoning from abstract vs concrete memory device representations, college students, 31194
exposure to pegword mnemonic technique &/vs hints vs learning instructions, recall of & use of keyword strategy on vocabulary task, college students, 23635
group monitoring of inductive problem solving, group-to-individual transfer of hypothesis testing processing strategies, college students, 10951
group seriation training, acquisition & transfer of serial learning, kindergartners, 29618
information & memorial processes, explanation & prediction of transfer-of-training effects, implications for military training, literature review, 5486
information processing system & associated cognitive controls & strategies for academic achievement improvement, children with learning disabilities, 15843
institutional similarity of family & work place & transferability of skills, implications for occupational guidance, 31409
instructional technology models, transfer of training, 12945
introductory courses in BASIC vs use of applications software, training transfer, college students, conference presentation, 20706
manipulation of movement efference & limb direction with vs without knowledge of results, acquisition & transfer performance & movement representation in memory, college students, 8242
matching & oddity discrimination tasks, transfer to new stimuli, pigeons & corvids, 26413
matching vs oddity discrimination with colors, transfer effects with new colors, pigeons, 26412
measurement hierarchy learning vs guided discovery vs exposition of principle vs refreshment of skill training methods, training transfer, 16 yr old school leavers in construction trades course, Great Britain, 28421
metacognitive & elaborative activity, cooperative learning & transfer, college students, 7640
monitoring through vocalizing vs nonvocalizing pairs vs individuals, transfer of problem solving skills, college students, 23624
negative transfer effect in conditioned suppression & nictitating membrane conditioning experiments, male rats & rabbits, replication of findings of G. Hall & J. M. Pierce, 5532
object vs photograph training, acquisition & transfer & generalization of category labels, severely retarded 5–21 yr olds, 18009
part-task training & methods of visual augmentation, instruction of simulated carrier landings, flight-naive male college students, 7797
perceptual learning approach to skill transfer for manual control, implication for use of flight simulators in teaching manual control skills, 10900
picture & printed vs spoken vs printed word matching, acquisition & retention of reading & transfer of matching-to-sample performance, mentally retarded children, 7716
reading by phonics or letter-training vs visual or word-training, transfer of learning, male vs female college students, implications for language teaching, 4873
session to session change of reinforcer ratios in concurrent VI schedules, determination of behavioral transfer function, homing pigeons, 8287
signal presentation procedure & negative reinforcement, brightness discrimination & transfer effects in transposition, goldfish, 23693
simultaneous vs serial feature negative discrimination procedures in conditioned suppression situation, transfer of inhibition, rats, 19208
strategies to guarantee training transfer, personnel trainers, 13212
student-centered strategies, promotion of transfer learning, special education students from resource room, 20761
tennis balls vs modified scarf juggling techniques, learning juggling & transfer of skills & time on task, college students, 13662
timing of leadership development training, transfer of learning to job, management training candidates, 31484
training in red/green color discrimination, acquisition of transfer to yellow/blue discrimination, goldfish, 29222
training in Tower of Hanoi problem, immediate posttraining performance & maintenance & generalization of improved performance, mildly vs moderately retarded institutionalized young adults, 4070
transfer of text-editing skill, computer naive 18–30 yr olds, 320
use of communication arts methods, students' application of skills learned in language arts classroom to specific content areas, content teachers, 31165
variation of parameters of ball & distance overarm throwing in practice sessions, performance on novel striking tasks, male vs female kindergartners through 1st graders, 14144
visual mask, hypnotizability & speed of information transfer from iconic to short term memory, high vs low hypnotic Ss, replication of research by R. E. Ingram et al, 16305
visualized braille reading on closed circuit TV & cross-modal transfer of learning, congenitally blind 12–50 yr olds who had light projections of 2–6 mo, 20171

Transfer Students
attitudinal & motivational vs cognitive-academic variables, prediction of transfer out of early French immersion programs, poor achieving 2nd–4th graders, Canada, 7588
previous educational transition, middle school transition adjustment assessed by measures of self esteem & self consciousness, 5th–6th graders before & after grade change involving change in schools vs same middle level school environment, 20744

Transferases
alcohol administration, gamma-glutamyl transpeptidase in brain, rats, implications for diagnosis of alcoholism & fetal alcohol syndrome, 8599
biological marker of fasting plasma serine levels & serine hydroxymethyltransferase activity, depressed patients with vs without psychotic features, 30238
choline-enriched diet, amnesic effects of anisomycin following passive avoidance training & choline acetyltransferase & tyrosine hydroxylase activity, 2–3 vs 14–16 vs 17–20 mo old male mice, 5903
ethanol during gestation, gamma glutamyl transpeptidase activity in sera, neonatal rats, implications for fetal alcohol syndrome, 8600
forebrain lesions, choline & dopamine & serotonin brain levels & avoidance conditioning & spatial discrimination, rats, implications for role of cholinergic system in human memory & Alzheimer's disease, 11252
gamma glutamyl transference &/vs glutamate pyruvate transaminases vs glutamate oxalacetate vs mean corpuscular volume, biochemical diagnostic sensitivity & specificity & predictive value, alcoholic patients, 27429
ganglioside, choline acetyltransferase activity & noradrenaline levels in cerebral cortex & acquisitional avoidance responses, rats with lesioned cholinergic forebrain nuclei, 13881
neurotransmitter deficits & reductions in choline acetyltransferase & monoamine activity in Alzheimer's disease, 27688
rational stress & dimethylnitrosamine administration, methyltransferase synthesis & tumor development, female rats, 29416

Transference (Psychotherapeutic) [See Psychotherapeutic Transference]

Transformational Generative Grammar
analysis of sociolinguistic grammars vs variable rules from perspective of N. Chomsky's criteria of adequacy for grammars & linguistic theory, 3350
transformational grammar as 1st-level theory & its psychological relevance, reply to criticism by E. Stabler, 8635

Transfusion (Blood) [See Blood Transfusion]
Transitional Objects
emotional attachment to soft objects & child rearing & child development, children & their mothers, longitudinal study, 16999
past & present occurrence & duration of attachment to transitional object in childhood, normal vs disturbed inpatient 12–21 yr olds, 9241
perception of object vs symbol & reliance on transitional objects & self soothing activities, Ss with borderline &/vs antisocial personality vs bipolar Type II vs probable borderline disorders, 1-yr followup study, 6488
transitional objects, child ego state & personality development, implications for transactional analysis, 17880
treatment as transitional object by mother, adolescent males with ego defect with borderline features, implications for psychoanalysis, 9246
videogames as transitional phenomena in adolescence, 21772
Translocation (Chromosome)
reciprocal translocation in heterozygous state, agonistic & aggressive behavior, male mice, 3142
Transplants (Organ) [See Organ Transplantation]
Transportation [See Also Air Transportation, Ground Transportation, Public Transportation]
antimotion sickness drugs, tracking under static vs dynamic conditions & visual fixation ability during motion, college students, implications for transportation systems, 12581
role in assessment & stabilization of critically ill & injured child during transportation to hospital, nurses, 15223
Transportation Accidents [See Also Air Traffic Accidents, Motor Traffic Accidents]
behavioral assessment & treatment, transportation accident-related posttraumatic stress disorder, 31 yr old male & 28 yr old female, 4442
psychiatric aspects of rail suicide, suicidal vs accidental railway death victims, England, 20063
Transsexualism
adjustment & sexual activities & marital stability, 24–50 yr old female to male transsexuals & their spouses, 3626
estradiol benzoate, plasma testosterone & estradiol & luteinizing hormone & follicle-stimulating hormone levels, male-to-female transsexuals, 5857
etiology of transsexualism, sisters 39 & 40 yrs old, 22163
heterosexual vs bisexual vs asexual vs homosexual orientation & erotic arousal with cross-dressing, male-to-female transsexuals, 27089
interpretation of origin & personality profile & treatment issues, transsexualism, 14946
methodological difficulties & outcome, sex-reassignment surgery, literature review, 20437
oral estrogen treatment, sexual physiology & behavior, 21–53 yr old presurgical male to female transsexuals, 4505
outcome of sex reassignment surgery, transsexuals vs transvestites vs effeminate homosexuals, literature review, 7337
probability & followup studies for identification of transsexualism, homosexual & feminine males, 19778
psychotherapy, female-to-male transsexual, case report, 30591
public opinion & surgical & endocrinological techniques & prevalence of transsexualism, Israel, 27412
Rorschach measures of aggression & object relations & reality testing & self-object differentiation & splitting, male college students vs borderline vs transsexual adults, 9394
sexual history & transsexual surgery, 74 yr old male, case report, 28034
transsexual personal experience, implications for narcissistic hypothesis, 20041
transsexualism vs transvestism & desire for sexual reassignment approval, social desirability response set & self report, homosexual vs heterosexual male patients, 30804
Transvestism
account of 3 yr program of analytic therapy, male transvestite patient, 14983
brief psychotherapy, femininity & cross dressing, 4–7 yr old male children of divorced parents, case reports, followup studies, 27827
coping styles, 20–70 yr old mates of transvestitic males, implications for sex therapy, 30310
diethylstilbestrol antiandrogenic treatment, 65 yr old male gender-dysphoric transvestite, 18037
feminine behaviors during childhood & adolescence, nuclear vs marginal male transvestites who had shown period of fetishism, 24753
outcome of sex reassignment surgery, transsexuals vs transvestites vs effeminate homosexuals, literature review, 7337
perceived parental sex role qualities & personality traits & influences on sexual orientation, 17–71 yr old heterosexuals & male & female homosexuals & male transvestites, 6285
transsexualism vs transvestism & desire for sexual reassignment approval, social desirability response set & self report, homosexual vs heterosexual male patients, 30804
Tranylcypromine
deprenyl vs tranylcypromine, platelet MAO inhibition, depressed outpatients, implications for therapeutic usage, 30780
imipramine vs phenelzine vs tranylcypromine, globus hystericus syndrome, 40–78 yr old females, case reports, 27941
imipramine vs tranylcypromine with vs without amitriptyline, resting metabolic rate, female depressed 34 & 51 & 53 yr old inpatients, 30725
ip injections of phenelzine vs isocarboxazid vs iproniazid vs tranylcypromine, duration of thiopentone-induced anesthesia, male rats, 21550
tranylcypromine, depression, 62 yr old female with evidence of Binswanger's encephalopathy, 1959
tryptophan, serum prolactin & neuromotor function & subjective mood & blood pressure & pulse, depressed patients before & during tranylcypromine treatment, 25313
5-HTP vs tranylcypromine, 20–65 yr old patients with major depression, 18089
Trauma (Emotional) [See Emotional Trauma]
Trauma (Physical) [See Injuries]
Traumatic Neurosis
psychoanalytic short therapy, traumatic neurosis, surgeon whose parents committed suicide during his childhood, 22404
Traumatic Psychosis [See Reactive Psychosis]
Traveling
experiential & behavioral criteria, perceptions of different tourist-related roles, 18–57 yr old experienced travelers, Australia, application of fuzzy set theory & multidimensional scaling, 9170
factors of attractiveness of different countries in tourism, comments on W. Husbands's study, 11845
international exchange program, clients' cultural awareness & self esteem & staff development, adolescent juvenile delinquents in residential care & staff members, Canada & US, 30968
personality characteristics, adolescent & young adult cross-country hitchhikers, 11493
pretour information booklet & intergroup contact, stereotyped attitudes in intellectual vs social vs political areas, Israeli tourists, Egypt, 11584
spatial skills in close-body & local & geographical/travel space, prediction of efficiency in travel, visually impaired 5–12 yr olds, 24915
utility of mood & quality questionnaires, assessment of needed improvement in tour services & programs, elderly clients of tour service, 13162
7-hr delay or advance of sleep due to transmeridian flight or night shift sleep displacements, phase shifts of circadian rhythms of rectal temperature & urinary norepinephrine secretion, 64 yr old male, 23861
Treatment Compliance
additional information about procedure, compliance with relaxation training, 18–63 yr old patients, 9813
administrative & psychological motivational & family factors & relationship with educator, prediction of utilization patterns & continuance in natural family planning program, Mauritius, 9972
age at 1st hospitalization & compliance with drug therapy & drug or alcohol abuse & other factors, multiple hospital admissions, psychiatric patients, 30932
appointment reminders & reduced response requirement, improvement of appointment keeping, hospital ambulatory pediatric clinic patients, 15093

behavioral & personality & social support factors, maintenance of improved health changes in exercise & weight loss & smoking cessation, postcoronary patients, 6759
behavioral strategies for patient compliance with drug therapy, health professionals, 12519
behavioral-tailoring vs psychoeducational intervention, neuroleptic medication compliance, 24.3–64.3 yr old male chronic schizophrenic outpatients, 4472
beliefs about causes of illness, treatment compliance, 17–67 yr old psychiatric clinic outpatients, 17799
characteristics & perceptions, 21–40 yr old patients refusing general hospital psychiatric inpatient treatment, South Africa, 2116
client attributes & therapist-client interaction characteristics during 1st interview, continuation of therapy, psychotherapy patients, 6–8 yr followup, 27764
client characteristics, psychotic patients who did vs did not comply with outpatient treatment, 2038
client vs service characteristics, prediction of continuation in community mental health treatment, 18–65 yr old chronic patients, conference presentation, 15265
clinical characteristics, hospitalized psychotic patients who refuse antipsychotic drug therapy, 1966
clinical clerkship including exposure to involuntary psychiatric treatment, attitudes toward right to refuse treatment, 22–38 yr old medical students, 10190
cognitive representations of illness, treatment compliance, hypertensive patients, 6-mo followup, 12333
community mental health centers vs dedicated drug treatment settings & type of counselors, treatment retention, primarily opiate vs nonopiate vs marihuana users, 25569
competency for decision making regarding acceptance of medical treatment, incompetent patients, case law, 1057
completion vs noncompletion of intensive self paced group exposure treatment program, treatment compliance & self motivation, clients with agoraphobia, 20356
compliance with referrals, patients in psychiatric emergency rooms, conference presentation, 10067
counseling techniques, reluctance & resistance, involuntary clients, 22699
counselor & client variables & type of therapy, client compliance with homework assignments, adult clients of community counseling agency, 30923
court ordered psychiatric treatment against patient's will & relation to right to refuse treatment, psychiatric patient, Canada, 9043
demographic & medical variables & attitudes & perceived beliefs of others & intentions toward medical regiment adherence, actual posthospitalization regimen adherence, 32–70 yr olds recovering from myocardial infarction, 25505
demographic & psychosocial characteristics, decision to dropout of vs remain in vs refuse membership in day care psychosocial rehabilitation program, chronically mentally disabled 20–55 yr olds, US, 25561
demographic characteristics, prediction of use of injectable vs oral antipsychotic medication, outpatients, conference presentation, 12576
demographics & personality & attitudes toward therapy, continuation in group behavior therapy program for self control, 18–60 yr old depressed females who completed vs dropped out of vs refused treatment, 9855
destructive resistance & reaction to patient's threat to leave treatment, psychoanalyst, 22429
development of barriers to adherence scale, measurement of compliance to insulin injection & glucose testing & dietary & exercise regimens, male & female 12–64 yr olds with insulin dependent diabetes mellitus, 22538
diabetes treatment mismanagement as unconscious expression of transference, 27 yr old ambulatory female & 23 yr old hospitalized borderline female undergoing psychotherapy, 9665
doctor-patient relationship & role of family in diagnostic & drug treatment process, hypertensive patients, 15157
ethical & medico-legal issues in treatment refusal, 33 yr old mildly mentally retarded male who adamantly refused kidney dialysis, 7343
ethnographic approach to family & larger social context, understanding patients' illness behavior & noncompliance, illustrative cases, physicians, 18168
evaluation of effectiveness of treatment interventions, medical treatment compliance, meta-analysis, 14959
factors associated with low compliance, patients referred to alcoholism clinic, 7495
factors in adherence to psychoactive medications, 18–65 yr old psychiatric outpatients, Israel, 9900
family empathy & affect & expression of feelings, patient's medication compliance & clinical outcome, families with member with bipolar disorder, 9889
family prognosis & treatment compliance & outcomes, physically abused children under 2 yrs old & their families, 2–6 yr followup study, 4625
forensic emergency psychiatry, comment on T. G. Gutheil's commentary on right to refuse treatment case of Rogers v Commissioner, 11673
general vs drug treatment specific psychotherapy role induction, return rates & attendance at future therapeutic sessions, 13–56 yr old applicants to community outpatient drug treatment center, 31028
geographical dimensions & family & concealment of infection & poor treatment compliance, tuberculosis, citizens, Puerto Rico, 30408
gross medical regimen noncompliance, 3–18 yr old cancer patients, 30498
health belief model questionnaire, prediction of drug compliance, health maintenance organization patients, 1918
hospital health education program, support for medical compliance, family members of patients with hypertension, 3-yr followup, 4664
illness behavior & characteristics, rehospitalized 18–60 yr olds with bipolar affective disorder, 20513
independence in daily life & family relations & self esteem, medication compliance, 9–17 yr old epileptics on phenobarbital regimen, 30729
informational letter, compliance & motivation for neuropsychological outpatient evaluation, aged, 4658
initial assessment interview with psychologist vs counselor, clinical re-attendance, 18–50 yr old alcoholic patients, 18334
instruction of relative in reinforcement & extinction strategies, antihypertensive compliance, male chronic schizophrenic 65 yr old, 22381
knowledge about hypertension, self reported treatment compliance, 65–100 yr old patients, 9676
legal aspects of right to refuse treatment, psychiatric hospital involuntary patients, 7443
limitation of right to refuse medication, committed psychiatric patients, case law, 1036
management of patient's refusal of medical treatment, psychiatric consultant, 6954
medical & ethical & legal considerations, hospital or nursing home patients who resist forced medical nutrition, 30807
medical & legal implications of refusal of treatment, involuntarily hospitalized psychiatric patients, 1082
medication refusal & legal & clinical issues, involuntary psychiatric patients, review of court decisions, 22589
medication's perceptual properties, treatment compliance & expectancies, patients, 18039
motivation & age & emotional state, treatment compliance, 16–56 yr old diabetic patients with continuous insulin infusion through sc microinjector, 15180
naltrexone, dysphoria, 28–39 yr old former opioid addicts, implications for treatment compliance, 4703
neuropsychological test scores & ratings of treatment compliance & predicted outcome, hospitalized male alcoholics, 7489
new vs conventional treatment modalities, patient compliance & psychodynamics, patients with insulin dependent diabetes for more than 5 yrs, 22607
operant conditioning model of reinforcement & punishment, medication adherence, patients with schizophrenia, 22526
paradoxical tactics in family therapy with involuntary court-referred patients, psychiatrists, legal implications, Italy, 30663
paternalistic vs civil libertarian perspectives of nonconsensual treatment, institutionalized psychiatric patients, 25518
patient competence & informed consent & factors in & functions of treatment refusal, psychiatric patients, 27692

perception of likelihood of negative events during dental treatment, attendance pattern & anxiety level, dental patients, 9984
perception of quality of professional consultation from community services, compliance with recommendation, parents of developmentally disabled children, 18182
perceptions of medicine & drug administration methods & religious beliefs & use of folk medicine, treatment compliance, Moslem immigrants from North Africa, France, conference presentation, 7181
phone vs mail prompting interventions, promotion of long term compliance with breast self examination, college faculty & staff members, implications for breast cancer prevention, 25061
positive self image & autonomous behavior as predictors of compliance with contraceptive use, female adolescents, 25371
potential bias in interpretation of children's reluctance to accept treatment regimen, interveners, 17705
predictors of compliance with lithium treatment, 21–74 yr old outpatients with affective disorders, 9884
procedures regarding civil commitment & regulation of treatment & criminal justice reforms & legalism, New South Wales Mental Health Act, 1983, Australia, 27084
psychometric & demographic & psychiatric assessment, factors associated with psychiatric day center underattendance, clients, 18237
psychosocial variables in refusal of cancer treatment, 13–17 yr olds & their mothers, 4551
reality therapy, improvement of patient compliance, medical patients, 30555
research & interventions in medication compliance, elderly patients, 15123
response to hemoglobinopathy screening & genetic counseling in prenatal care, mothers at risk for delivery of thalassemic child, 22632
right to refuse psychiatric treatment & drug therapy to maintain competency, competent psychiatric patients, 9669
right to refuse treatment & subsequent delayed medical care, mentally retarded 68 yr old institutionalized female with breast cancer, 4668
right to refuse treatment, civilly commited psychiatric patients, US, 25474
right to refuse treatment, involuntarily committed patients following successful insanity defense, 1081
self concept & locus of control & health attitudes, metabolic control, insulin-dependent diabetic 9–12 yr olds, 4491
self efficacy expectations & health beliefs & post adherence behavior & resourcefulness, fluid intake compliance, 20–68 yr old dialysis patients, 30836
self regulation vs compliance in patient-centered approach to management of medications, 14–54 yr old epileptics, 1915
SES & parent attendance at & instruction compliance during behavioral parent training program, family outcomes, families with noncompliant aggressive 2–15 yr olds, 1–3 yr followups, 20322
socially mediated factors, dietary regimen compliance intentions, diabetic patients aged 12 yrs and older, 22323
sociodemographic & clinical & historical & treatment variables, correlates of treatment adherence, completers vs noncompleters of inpatient alcohol abuse program, 2179
spouse support, compliance with cardiac rehabilitation program, male myocardial infarction patients & their wives, 15421
strategies for reassignment of homework to employ self statements for pain control, compliance, female college students, implications for counseling, 20311
subtherapeutic or lethal doses of anticonvulsants, sudden death, epileptic patients, implications for patient compliance in epilepsy, 27980
telephone prompting, attendance at therapy appointments in community mental health center, clients, 25392
therapist behavior, noncompliance in behavior modification, socially aggressive 3.8–13.1 yr olds, 12528
time, values of treatment regimens & compliance, patients, 20442
transiency of some psychiatric disturbances, compliance with followup, general hospital patients, comments on article by A. Burstein, 15389
treatment compliance & cooperation, implications for psychotherapeutic & medical & lifestyle change approaches, 14965
treatment structure, negativism & patterns of compliance in response to different types of requests, autistic children & 12.3–27.5 yr olds, 9680
urine ultraviolet fluorescent tests for riboflavin, assessment of medication compliance, 12546
waiting list contingency & reward, appointment keeping, parents of children in outpatient pediatric psychology clinic, 22673
written informed consent vs informal discussion about possibility of tardive dyskinesia, relapse or neuroleptic treatment noncompliance, chronic psychiatric patients, 1-yr followup, 4514
written message, facilitation of clinic attendance, alcoholic patients referred to alcoholism clinic, 22796

Treatment Dropouts

attrition patterns for psychosocial &/vs pharmacologic treatments, female primary nonbipolar depressives, 25054
client expectations & counselor attitudes & behavior, premature termination of counseling, college student clients & counselors in university counseling center, 15901
client's pretherapy traits &/vs process variables, dropout & change in psychotherapy, 19–54 yr old patients, 17833
demographic & psychosocial characteristics, decision to dropout of vs remain in vs refuse membership in day care psychosocial rehabilitation program, chronically mentally disabled 20–55 yr olds, US, 25561
demographic & sociocultural characteristics of demand for & use of special service for alcohol-related problems, 26–45 yr old 1st time users vs treatment terminators, 28264
factors related to conditioning treatment success vs failure vs dropout vs relapse, 5–15 yr old enuretic children, 22487
family SES & parental weight status & marital satisfaction, initial weight status & attrition & treatment outcome, 8–13 yr olds in behavioral weight loss program, 18012
intellectual vs neuropsychological factors, completion vs withdrawal from vocational training & therapy program, 21–30 yr old inpatient drug & alcohol abusers, 12761
long term use of flupentixol decanoate, dropout & intervening depressive syndromes, chronic schizophrenic outpatients, 25273
multidisciplinary pain management program, 22–74 yr old pain patients who completed vs did not complete program, 24–43 mo followup, 27704
parental expressed emotion & emotional over-involvement & warmth & positive vs critical comments, factors related to termination of treatment, hospitalized patients with anorexia nervosa or bulimia & their parents, 22736
personality & habits of abuse & social background, 21–30 yr old completers vs dropouts of program combining vocational training & therapy for alcohol & drug abuse, 18309
predictors of attrition, hypertension patients in experimental counseling group vs traditional care, 25235
presenting problem & number of contacts with counselor & attrition rate & need for specialized college counseling service, American vs international college students, 25884
referral source & symptomatology of caretaker, dropping out of treatment, 4–16 yr old outpatients at child psychiatric clinic, 12320
requirement of relative or close friend as treatment sponsor, attrition rate, applicants to methadone maintenance program, 31027
self termination of treatment, neurotic patients, 10033
type of marriage & family therapy & perceptions of marriages & personal lives, couples who did vs did not drop out of marriage & family therapy, 1824
validity of 3 questionnaire tool, prediction of potential "against medical advice" discharges at time of psychiatric admission, adults from inpatient substance abuse ward, 21024
videotaped preparation for psychotherapy program in various treatment settings, dropout rate, 18–53 yr old clients with high vs low severity ratings, 1817

Treatment Effectiveness Evaluation

accountability & evaluation of family therapy efficacy, research methodology & design, comments on D. G. Cross's study, 7105
alternating-treatments experimental design, comparison of effects of 2 or more treatments without confounding, 10758
alternatives to use of psychotherapy & placebo procedures as empirical equation for determination of efficacy of therapeutic procedures, 1729

analysis of doctor-patient interactions, effectiveness of medical treatment, 1997
anxiolytic & anxiogenic drugs & manipulations of neural pathways, performance on social interaction test of anxiety, model for prediction of efficacy of anxiolytic drugs, 20386
assessment of treatment implementation & processes & extratreatment influences & outcome variables in evaluation research, literature review, 106
audiological selection for & evaluation of cochlear implants, deaf patients, conference presentation, 4573
behavior engagement, outcome measure for efficacy of intervention efforts, preschool mentally retarded & handicapped & at risk & nonhandicapped children, 7141
client satisfaction with & test reliability of Spanish vs English versions of Client Satisfaction Scale, Hispanics vs non-Hispanics, replication of research of R. E. Roberts, 23414
clinical process & outcome methodology in investigation of systematic desensitization & psychophysiology, 21–37 yr old dental phobics, 27900
construct validity of cognitive vs behavioral treatments, depression, clients at college counseling center, 15108
control vs comparative designs in psychotherapy outcome research, 17763
cost-benefit analysis, hospital treatment program for pathological gambling, outpatients, 22730
cost effectiveness of psychotherapy, criticism of American Psychological Association's review, 4276
criteria used by N. S. Jacobson et al vs operational definition of high and state functioning to assess clinically significant response, chronic or severe agoraphobic 18–62 yr olds, 27915
criterion of efficacy of psychotherapeutic treatment methods, 15003
demand for accountability, family therapy effectiveness, Australia, 7102
determination of treatment effectiveness, behavior disordered students, meta-analysis of research literature, 2540
diagnostic classification in behavioral assessment of agoraphobia, treatment outcome, implications for standardized triple response measurement protocol for agoraphobic research, 27309
differential effectiveness of psychotherapeutic techniques, 17886
drug abuse & rehabilitation & treatment effectiveness, racial & ethnic minority group members, implications for research, literature review, 10161
early intervention efficacy, disadvantaged & at risk & handicapped children, literature review, 6976
early intervention models & problems in outcome evaluations, mentally handicapped children & their families, review of studies conducted in 5 countries, 1975–83, 4249
effect of "lost to followup" Ss on statistical validity of alcoholism treatment evaluation, alcoholic clients, 18320
effectiveness of controlled drinking treatment, alcoholics, reply to G. A. Marlatt's reply to criticism, 22800
effectiveness of milieu therapy, psychopathic males with mean age of 11 yrs, 7432
effectiveness of social skills training, male 15–17 yr olds in psychiatric hospital with diagnoses of conduct or adjustment disorder, 25489
effects from short term drug administration, taxonomy of prediction of therapeutic drug efficacy, animals & normal Ss & patients, 20392
efficacy of cognitive behavioral & self control intervention, reduction of pain & functional disabilities, rheumatoid arthritis patients, 1870
EMG scanning protocol as assessment tool for outcome measures of biofeedback treatment, chronic pain patients, 27890
ethical & legal guidelines for adherence to treatment protocols in family therapy outcome research, 18337
evaluation of brief inpatient family intervention, 15–45 yr old patients with schizophrenia or schizophreniform vs major affective disorder, 6-mo followup, 4381
evaluation of cochlear implants, prelingual vs postlingual deaf patients, 5-yr longitudinal study, conference presentation, 4550
evaluation of effectiveness of treatment interventions, medical treatment compliance, meta-analysis, 14959
evaluation of multimodal structured group treatment, 26–59 yr old clients with recurrent or chronic depression, 6-mo followup, 20323
evaluation of organization & objectives & treatment process in occupational therapy on forensic psychiatric unit, psychiatric patients, Canada, 15430
evaluation of organizational activities of public health clinics serving poor, indigent clients & clinic staff, 25443
evaluation of residential treatment facility, disordered delinquent 12–17 yr olds, illustration of interpretable research design without control group, 25480
factor structure of Nurse's Observation Scale for Inpatient Evaluation, assessment of psychiatric nursing practice, short term psychiatric patients vs long term psycho-geriatric patients, Holland, 23425
family-based management vs patient-based approach, compliance with neuroleptic therapy & course of schizophrenia, 18–45 yr old schizophrenic patients & their families, 2-yr longitudinal study, 4232
generalizability of psychotherapy & drug therapy outcome studies, solicited vs referred patient populations, 17731
historical factors & reasons for success of Alcoholics Anonymous, Blacks, 28240
hypnosis, monitoring of treatment progress & stability, patients with multiple personality disorder, 22604
importance of evaluation research for assessment of psychiatric treatment, 1703
individual & process & outcome variables, evaluation of family therapy effectiveness, 7108
inpatient treatment, symptoms & psychological functioning, female anorexia nervosa patients, conference presentation, 25522
interrater reliability of followup form, assessment of outcomes of short term dynamic psychotherapy, neurotic patients, 1774
issues in family therapy outcome research, 7115
issues in family therapy outcome research, comment on N. S. Jacobson's study, 7117
issues in family therapy outcome research, reply to D. P. Kniskern's criticism, 7114
length of treatment, effectiveness of psychotherapy, clients, meta-analysis, implications for peer review & 3rd party financial support of psychotherapy, 17818
loading dose of 30 mg/kg of slow release lithium carbonate, evaluation of accuracy & safety of achieving therapeutic level in 12 hrs, 19–66 yr old psychiatric inpatients, 1929
long vs short term effectiveness of smoking prevention programs, adolescents, literature review, 1979–83, 18333
mental health & behavioral & organizational development models for investigation of effectiveness of typical consultation interventions, meta-analysis, 25064
methodological issues & strategies of comparative outcome studies in psychotherapy, 17830
multidimensional approach to substance abuse program evaluation & economic impact, inpatients assessed 6 mo before vs 6 vs 12 mo posttreatment, 31017
multidisciplinary service & evaluation of team care programs, geriatric patients, 4596
multidisciplinary treatment approach to evaluation, placement decisions & recommended services obtained, nonabused & abused & neglected & failure-to-thrive children with mean age of 4.4 yrs old, 1-yr followup, 25050
multiple baseline approach, measurement of therapy efficacy, 77 yr old female patient with aphasia, 27715
need for caution in use of observational methods & proposed use of self report measures as indicators of behavior change, behavior therapy outcome research, comment on view of N. S. Jacobson, 30700
need for caution in use of observational methods & proposed use of self report measures as indicators of behavior change, behavior therapy outcome research, 30688
need for research on clinical success of hypnoanalysis, 12608
need for study of group process as means of eliminating therapy-specific confounds in evaluation of outcome, cognitive behavioral group therapy, literature review, 1895
perceptions of effectiveness of diagnosis & treatment & management of progressive dementia, physicians & family members of patient, 15234
plasma ratios of tryptophan & tyrosine to competing amino acids & serum drug levels, clinical effectiveness of imipramine with vs without desipramine, depressed patients, 25307

prediction of treatment outcome & development of expanded screening test, chronic pain outpatients, experimental replication, 25072
probe-earmold vs coupler vs functional measurement of hearing aid gain, 22–90 yr olds with moderate sensorineural hearing loss, 4598
problems & results of catamnestic studies in psychotherapy, 15004
problems in research & classification & assessment of sexual disorders & outcome of sex therapy, 30495
problems with observational methods vs self report measures & proposed multimethod assessment strategy as indicator of behavior change, behavior therapy outcome research, comments on view of N. S. Jacobson, 30684
program evaluation, effectiveness of hospices, 30808
randomized controlled trials, evaluation of speech therapy, patients with aphasia, criticism of article by D. Howard & T. R. Pring, implications for meta-analysis, 28013
randomized controlled trials, measurement of speech treatment effectiveness, patients with aphasia, 28016
repeated measures vs ANOVA techniques, evaluation of responses to therapeutic intervention, families, 1854
research on individual & group & family therapy outcomes, adolescents, literature review, 1813
role of outcome evaluation in deinstitutionalized movement, mentally retarded persons, 10016
self rating vs evaluation by others, assessment of effectiveness of trazodone vs amitriptylinoxide, depressed patients, 27935
single case study method, measurement of efficacy of speech therapy, patients with aphasia, 28025
specific vs placebo effects, scientific assessment of biofeedback treatment effectiveness, 27897
statistical client-baseline matching method & variable definition of recidivism, evaluation of effectiveness of 6 juvenile diversion programs, juvenile delinquents, 18302
structure & process & outcome evaluation of psychosocial treatment, conference presentation, 27724
subjective evaluation of effectiveness of cognitive behavioral group program, chronic low back pain patients, 1883
success of psychoanalysis, elderly patients, conference presentation, 27817
test-retest reliability of personality vs symptom scales of Millon Clinical Multiaxial Inventory, measurement of treatment outcomes, psychiatric patients assessed at admission vs before discharge, 23466
treatment effectiveness evaluations/generalization of social skills training using elements of deception, adolescent males, 23395
treatment outcome evaluation of social work services, 15308
use of single case designs with Markov chain analyses in research on stages of psychotherapy, 8137
use of Ward Atmosphere Scale as objective means of evaluation of milieu therapy, emotionally disturbed 5–16 yr old residents & staff of residential facility, 20510
utility of observational methods vs self report measures as indicators of change, behavior therapy outcome research, reply to comments by R. L. Weiss & P. Froman & J. M. Gottman, 30687
validity of global assessment scale, description of patient characteristics & measurement of change after short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 1312
4-session minimal therapist contact vs 15-session full therapist contact treatment program, 20–52 yr old couples in which females have lifelong global orgasmic dysfunction, 22501
Treatment Facilities [See Also Child Guidance Clinics, Clinics, Community Mental Health Centers, Halfway Houses, Hospitals, Nursing Homes, Psychiatric Clinics, Psychiatric Hospitals, Sanatoriums, Therapeutic Camps, Walk In Clinics]
awareness of & attitudes toward sexual assault treatment centers, 14–17 yr olds, 10018
cases of awards of attorney fees to prevailing parties & reforms in admissions procedures & guardianship, juveniles committed to mental health facilities, 24354
child psychotherapy in institutional setting, 4663
comparative floorplan analysis, development of spatial & organizational concepts for architectural design guidelines for health centers, Netherlands, 5147
court consideration of reimbursement of insurance claims by mental health facilities, 24353
demand models, forecasting alcoholism & drug abuse bed needs, 12767
failure to provide alternate treatment facilities under psychiatric reform legislation, mandating deinstitutionalization, Italy, 25385
juvenile detention court treatment facility truancy, females vs males adjudicated for status vs delinquent offenses, 27413
policy & practices of National Health Service drug dependence units, England & Wales, 15463
preferences for hiring clinical vs counseling psychologists, counseling center directors, 15477
psychological & psychophysiological dimensions of "office hypertension", hypertensive 29–65 yr olds with increased blood pressure in physician's office, 4133
sex distribution in care facilities, male vs female children, England & Wales, 15242
state of war, psychiatric morbidity & mental health treatment facilities & social adjustment, mental patients & civilians, Israel, 6618
Treatment Methods (Physical) [See Physical Treatment Methods]
Treatment Outcomes [See Also Psychotherapeutic Outcomes]
active vs placebo effects of aversion &/vs restricted environmental stimulation therapy, smoking cessation, 21–67 yr old smokers, 28261
acute response to methylphenidate challenge as predictor of treatment outcome with desipramine vs amitriptyline, depressed 47–95 yr olds, 27997
age & illness duration & number of hospitalizations & degree of pharmacoresistance & duration of acute episode, outcome of clozapine treatment, schizophrenic 16–57 yr olds, conference presentation, 15167
age at illness onset & diagnosis of manic phase & duration & severity of illness, efficacy of various drug treatments, manic depressive patients, 7160
analyst's mental picture of what patient can be, course & outcome of treatment, analysands, 17835
assessment of process of self cure, ex-smokers who quit on own vs current smokers who failed, 25586
autonomic functioning or attention prior to treatment, chronic schizophrenic 20–51 yr olds treated with amphetamine, 15127
baseline anxiety levels, prediction of behavioral therapy outcome, 18–79 yr old cancer chemotherapy patients, 12507
behavioral conjoint vs couples group treatment vs treatment of 1 partner, prediction of treatment outcomes, married couples, 22441
behaviorally oriented weight reduction program, self efficacy & weight loss, 21–65 yr old overweight females, 6-wk & 6-mo followups, 30680
biofeedback-behavioral program & internal vs external locus of control, success in headache regulation, headache patients, 25242
body image disturbances & dissatisfaction, prediction of relapse, bulimia nervosa patients, 6-mo posttreatment followup, conference presentation, 24897
brain abnormalities found through computerized axial tomography & response to neuroleptic medication, schizophrenic patients, 15122
bureaucratic regulations & staff's power in treatment setting, transference & countertransference issues, 31 yr old male in methadone maintenance program, 18315
case management services project, client outcomes, social work students & chronically mentally ill clients, implications for case management delivery, 25462
causes of failure of community based treatment program, 19–68 yr old psychiatric patients in kibbutz setting, Israel, 2033
changes in conversational skills & peer responses during social skills training, treatment outcome, unpopular 9.3–12.8 yr olds, 17980
characteristics at admission to chemical dependency program vs at 6-mo followup, 10–23 yr old White vs American Indian drug abusers, 18330
chlorpromazine & haloperidol, subjective responses early in course of therapy, schizophrenic patients, implications for short term outcome, 15146
client & therapist characteristics, equal theoretical probability of success across modalities of psychotherapy, 1736

client characteristics, prediction of treatment outcomes, adolescents & young adults discharged from specialized residential & day treatment facility for behavior disorders, 2–4 yr followup, 18268
clinical & demographic correlates to neuroleptic response, schizophrenic patients, 15188
cognitive behavioral treatments, clinical & behavioral & physiological outcomes, 23–63 yr olds with severe & chronic agoraphobia with panic attacks, 12523
cognitive factors, prediction of treatment outcome for depression, 60–88 yr old community residents, 9643
cognitive vs relaxation training group treatment program, treatment outcomes, cognitive vs noncognitive agoraphobic responders who were matched vs unmatched for mode of treatment, 27726
completion vs noncompletion of intensive self paced group exposure treatment program, treatment compliance & self motivation, clients with agoraphobia, 20356
concurrent & predictive validity of Millon Behavioral Health Inventory & correlation with MMPI & Beck Depression Inventory, prediction of treatment outcome, 22–80 yr old chronic pain patients, 10840
consistency & change on personality & symptom scales of Millon Clinical Multiaxial Inventory, alcoholic vs drug abuse inpatients, 1–3 mo followup, 12778
consistency of posttreatment drinking patterns, male alcoholics released from abstinence-oriented program, 4723
construction of scale for assessment of patient participation in treatment & relationship to outcome, hospitalized patients with personality or schizophrenic or schizoaffective or major affective or conduct or adjustment disorders, 2866
contingent parental praise before vs after treatment compliance response, mothers & author & their noncompliant 2.3–7 yr olds, 15111
day school programs, reintegration into regular school system vs residential placement & psychoeducational outcomes, children aged 5 yrs through adolescence with behavioral or emotional disturbances, 23048
demographic & phenomenologic variables, patients responding vs not responding to tricyclic antidepressants, 18095
demographic & social history & program participation variables, residential care facility program outcome, 11–18 yr olds, 28154
demographic & treatment & adjustment factors related to treatment expectations, treatment outcomes, male hospitalized psychiatric patients in VA general psychiatric service, 30937
demographics & nature of pain & treatment history, choice & outcome of 4 hospital-based pain management programs, chronic pain patients, 18262
denial & repressive style, information gain & rehabilitation outcome, 30–75 yr old myocardial infarction patients, 2164
determinants of outcome in child guidance cases, preschool & primary & secondary school age children, 25466
dexamethasone suppression test as indicator of treatment outcome, elderly patients who recovered from depression, replication of findings of A. Coppen et al, 30514
dexamethasone suppression test before antidepressant or ECT treatment, prediction of therapeutic outcome, patients with major depressive illness, 4229
dexamethasone suppression test, diagnosis of depression & prediction of rehabilitation outcome, stroke patients with mean age of 68 yrs, 7474
diagnostic classification in behavioral assessment of agoraphobia, treatment outcome, implications for standardized triple response measurement protocol for agoraphobic research, 27309
didactic vs facilitative behavior training programs, assertion training outcome and generalization effects, college students, 12529
difficulty of followup, posttreatment functioning, depressed patients, implications for presence of positive bias in treatment outcome evaluations, 1679
drinking behavior & outcome, male alcoholics, 10–12 yr followup, 17451
DSM-III depressive subtype, response to tricyclic antidepressants, outpatients with mild to moderate depression with & without panic attacks, 12586
duration of symptoms, long term outcome, patients with mania vs depression vs schizophrenia, 35–40 yr followup, 20282
eating patterns & psychiatric morbidity & occupational outcome, 7.2–13.5 yr olds at onset of anorexia nervosa, 8.7–15.3 yr followup, 14844
efficacy & side effects & efficiency of conventional vs multiple-monitored ECT, patients with major depressive disorder, 25058
environmental conditions & intrapsychic variables & duration & perceived intent & expectation, effects of sensory deprivation in psychiatric seclusion vs solitary confinement, patients vs prisoners, 27710
environmental factors & client characteristics & process variables & smoking cessation treatment approaches, outcomes of treatment for tobacco dependency, male vs female smokers, 28263
evaluation of baseline data & S selection & other experimental components, clinical utility of sexual fantasy alteration technique, criticism of S. R. Leonard & S. C. Hayes's study, 9842
evaluation of outcome of drug rehabilitation modalities, patients admitted to treatment programs 1969–73, 4-yr followup, 22797
ex-addict vs non-ex-addict paraprofessional counselors, treatment progress, methadone maintenance outpatients, 12762
factors associated with outcome of psychoanalysis, 14974
factors related to conditioning treatment success vs failure vs dropout vs relapse, 5–15 yr old enuretic children, 22487
factors related to length of hospital stay & treatment outcome, psychiatric patients, 2096
family prognosis & treatment compliance & outcomes, physically abused children under 2 yrs old & their families, 2–6 yr followup study, 4625
fantasy therapy, 10 yr old male with borderline disorder, 7035
frequency & treatment outcome, males in treatment vs recovering classified as Type I vs II alcoholics, 25608
grouping according to physiological & cognitive reactions to social interaction test, responses to relaxation therapy vs self instructional training, 20–60 yr olds with social phobia, 20354
haloperidol plasma levels & plasma prolactin & therapeutic efficacy, 19–53 yr olds with paranoid schizophrenia, 7207
hard vs soft outcomes & patient vs doctor satisfaction in obstetric care, conference presentation, 25372
illness self concept, prediction of response to EMG biofeedback, 18–57 yr old patients with chronic musculoskeletal pain, 7139
impact of neuroleptic drugs & characteristics, course of illness, 18–55 yr old schizophrenic patients 1 yr after hospital discharge, 25288
incidence of alcoholism & impact on treatment outcome, patients on methadone maintenance, followup study, 22787
incidence of phencyclidine intoxication & clinical pattern & treatment course, involuntary psychiatric patients, 9255
individual exposure treatment & marital adjustment, treatment outcome, married vs single agoraphobics, 2-yr followup, 9848
individual psychotherapy & behavior change, 1980–84, literature review, 22423
individual vs group social-learning approach treatment, 20–66 yr olds with major or minor depressive disorder, 27837
inpatient treatment, medical & socioeconomic & psychological goals & self identity & racial & group consciousness, Black alcoholics, 28248
interactions & client outcomes, cotherapists working with 18–23 yr old clients, 1781
language & speech intervention, clinical progress & psychological test results, 5–13 yr olds with language or psychomotor disorders, 28021
length of cognitive behavioral interventions, incidence of on-task vs passive vs disruptive off-task behaviors, 9–12.7 yr old aggressive males, 9844
life events, treatment & posttreatment course, 22–60 yr old nonpsychotic females with endogenous vs nonendogenous depression, 4253
loneliness & depression & social involvement, prediction of group counseling outcome measured by life satisfaction & mood & activity level, physically handicapped, 25177
majority vs minority status, outcomes of outpatient methadone maintenance vs drug free residential vs outpatient treatments, Blacks vs Whites vs Mexican Americans, 12763
marital adjustment & spouse participation, outcome of behavioral treatment & spouses' psychological functioning, agoraphobic females & their spouses, 20351

mass media antismoking advertising campaign, effectiveness of hospital-based smoking cessation clinic, 18–65 yr old male smokers, 25592
methylphenidate & dexamethasone suppression test & mood response, prediction of treatment response to zimelidine with vs without lithium, depressed 18–58 yr olds, 30742
multidisciplinary pain management program, 22–74 yr old pain patients who completed vs did not complete program, 24–43 mo followup, 27704
multimodal pain treatment program & MMPI subtest scores, prediction of treatment outcome, male chronic pain patients, 22377
network intervention involving art & writing & cooking & tenant groups to solve various presenting problems, self sustaining vs low income residents of inner city single-room occupancy hotel with mean ages of 44.2 vs 72.3 yrs, 22650
neurological soft signs & cognitive impairment, schizophrenic patients with good vs poor outcomes, 9281
neuropsychological test scores & ratings of treatment compliance & predicted outcome, hospitalized male alcoholics, 7489
number of Parents Anonymous Adult Program meetings attended by parents, number of positive behavioral ratings received by children at Child Care Program meetings, parents & their 4–14 yr old children, 17990
outcome & prognosis of anorexia nervosa & bulimia, long term followup, literature review, conference presentation, 25003
outcome measures & gainful employment as major goal of rehabilitation, severely disabled clients, 22742
outcome of sex reassignment surgery, transsexuals vs transvestites vs effeminate homosexuals, literature review, 7337
outcomes of institutionalization, long term inpatients with manic depressive psychosis vs schizophrenia, 2092
outline for treatment of anxiety disorders & meta-analysis of treatment outcome literature, psychiatrist & nominated experts, 22352
paradoxical intention vs graduated exposure vs progressive deep muscle relaxation training & consonance of treatment with primary reactivity patterns, treatment gains, severe & chronic agoraphobics, 27729
paternalistic vs egalitarian physician style & patient's anxiety, responsiveness to suggestions & perceptions of treatment & physician distress, 16–43 yr old female elective abortion patients & their physicians, 18156
patient characteristics & therapeutic techniques, crisis intervention outcome, 16–61 yr olds referred to psychiatric outpatient services, conference presentation, 24616
perceptions of family & peer experiences & schools & adult life, males admitted as adolescents to residential special school for maladjustment, followup study, 22722
personal experience, prediction of response to treatment for kidney failure, dialysis patients, 7340
plasma neuroleptic levels, prediction of treatment response, schizophrenic patients, 15198
positive correlation between dexamethasone suppression test normalization & clinical improvement, nonsuppressor vs suppressor patients with primary depressive illness, 17708
prediction of & actual outcome of & dropout rate from group social skills training program, 16–50 yr old socially anxious psychiatric patients, 20329
prediction of in-program failure, delinquent youths in community based rehabilitation program, 10145
prediction of treatment outcome & development of expanded screening test, chronic pain outpatients, experimental replication, 25072
predictive factors, outcome of psychogeriatric day care, elderly patients, 10017
premorbid social competence & psychiatric outcomes, male vs female 1st-time admission psychiatric patients with affective vs personality disorders vs neuroses, 22714
pretreatment somatization & stress & family support factors, rehabilitation outcome, 23–46 yr old naltrexone vs methadone patients in outpatient opiate addiction program, 18322
psychiatric hospital discharge, alcoholic patients, implications for prognosis, 5-yr followup, 4714
psychiatric treatment in burn unit & outcomes, 14–18 yr olds who had attempted suicide by self immolation, 9751
psychological & social outcomes of surgical treatment of obesity, S more than 100% overweight, 22636
psychological profile as pretreatment indicator of survival after chemotherapy, males with testicular cancer, 12191
referral & intervention & outcome of child abuse cases, 1973–77, Canada, 12041
reinforcement expectancies, alcoholism treatment outcome, former male inpatients, 1½yr followup, 22777
relaxation vs placebo concentration therapy & therapist bias, tension or mixed migraine-tension headache, 18–45 yr old females, implications for controlled outcome research methods, followup study, 1902
repeated exposure to behavior approach-avoidance tests, validity of treatment outcome measurement, 20960
response to 1st dose of psychotropic drug, prediction of treatment outcome following repeated administration, depressive & schizophrenic patients, conference presentation, 7263
responses to inpatient psychiatric treatment, foreign-born patients, US, 25379
self efficacy & concern ratings, multidisciplinary pain-management program treatment outcomes, 25–73 yr old chronic pain patients, 27530
SES & social problem solving skills & self esteem, behavior change following cognitive behavioral treatment, 4th–6th grade disruptive & aggressive boys, 15915
severity or duration of symptoms & psychological distress, treatment outcomes, patients with temporomandibular pain & dysfunction syndrome, 22385
short term psychosocial casework & caseworker characteristics, client satisfaction, 19–57 yr old Chicano clients, 28118
social adaptation, former group psychotherapy patients with schizophrenic psychosis, 4-yr followup study, 20325
social status, outcome of psychiatric illness, 15–55 yr old psychiatric patients, 2-yr followup, conference presentation, 17721
spiral conceptualization of phasic sequential process of improvement, 14 yr old female in residential treatment, case report, conference presentation, 28134
stress coping with vs without finger temperature vs temporal vasoconstriction biofeedback, headache activity & psychophysiological & personality variables, 17–56 yr old migraine headache sufferers, 25254
successful therapeutic intervention programs, infants & young mentally retarded children with cerebral palsy, literature review, 12337
temporary levodopa withdrawal, outcomes, Parkinson's disease patients, 1-yr longitudinal study, 22562
theory & practice of outcomes of family crisis intervention, 9801
time taken to locate client, treatment outcome, former alcoholic or drug abusing inpatients, 6-mo followup, 4699
treatment & nontreatment scheduling with multielement manipulations, self injurious behavior, 5.5 & 3.5 yr old handicapped & profoundly or severely mentally retarded females, implications for generality of treatment effects, 15089
treatment compliance & absence of physical disability & long term followup & maintenance antidepressant therapy, treatment outcomes, aged depressed outpatients, 24–63 mo followup, 12658
treatment construct validity of programs for prevention of smoking, adolescents, literature review, 25063
treatment expectation & posthospital adjustment, younger vs older psychiatric patients, 20512
treatment failure, patients with concomitant obsessive compulsive & schizotypal personality disorders, 22366
treatment outcome at discharge vs after 6-mo, patients with nonbipolar psychotic vs nonpsychotic major depression, 17325
treatment outcome, inpatients with cardiac phobia & depression, 2.5-yr followup, conference presentation, 24691
treatment variables, outcome behavior, alcoholic patients in hospital rehabilitation program, 6-mo followup, 10168
understanding of & participation in consultation with school psychologist & subjective perception of consultant, number of consultation contacts & rating of outcomes, elementary & junior high school teachers, 31142
use of survival methods, hazard of death & relapse following treatment as outcome measures, anorexic patients, 4–22 yr followup, conference presentation, 24921

usefulness of self efficacy & outcome expectation measures, prediction of smoking status in controlled smoking treatment programs, chronic heavy smokers, 10158
utility of Pain Assessment Index, prediction of surgical outcome or rehabilitation following nonsurgical treatment, chronic pain patients, 13387
validity of Eppendorfer Mood & Drive Scale, assessment of effect of therapy & course of affective psychosis, 16170
variables of premorbid functioning & family functioning & genetics, prediction of outcomes differentiated by 0–9 vs 10–19 vs 20 or more yrs followup interval, schizophrenic 16–55 yr olds, conference presentation, 14952
vocational rehabilitation assessment & prediction of success, vocational rehabilitation clients, 15413

Treatment Termination

acceptability of withdrawal vs continuation of apparently effective program for students with behavior problems, middle & high school students, 15595
crisis intervention approach, separation-individuation in termination of therapy, implications for social casework, 28128
dream images & positive vs negative termination of analytical relationship, analysands, 12357
ego development, problematic ward behavior & length of hospital stay & predictive ability of Washington University Sentence Completion Test, 13–28 yr old hospitalized psychiatric patients, 20506
group therapy setting & composition, intrapersonal dynamics & transference & countertransference & co-therapy & termination processes, 17–46 yr old females with multiple personality disorder, 4375
measurement of therapeutic benefit & outcome, 18–59 yr old psychoanalytic vs psychotherapy patients, 12416
medical practice model of termination, ending family therapy, 17933
MMPI Against Medical Advice scale, prediction of premature termination from inpatient alcohol treatment, hospitalized male alcoholics, 10837
modification of procedures for withdrawing life-sustaining treatment, incompetent patients with irreversible illness, case law, 1058
procedures & patterns of entry & exit in open ended groups, social workers & their group members, 17922
process of termination of analysis & activation of regressive forces, psychoanalyst who lost most chronic patient, conference presentation, 17881
rationale for suspending treatment in conjoint marital therapy, 17931
reasons for requesting discontinuation of hemodialysis treatment, 72 yr old male in renal failure, 28080
screen memories as criterion for termination of psychoanalysis, 7038
strategic therapy techniques in stabilization & termination stages of therapy, husband & wife & 15 yr old male with history of running away, 27832
termination of analysis, 14985
termination of therapy with nurse therapist, attempted suicide, 35 yr old Japanese female with chronic mental illness, implications for professional ethics, 1814
termination phase of psychoanalysis, female with narcissistic personality, 4363
termination phase of psychoanalysis, female with narcissistic personality, criticism of H. Warnes's study, developmental implications, 4319
treatment length restriction vs followup interview style, treatment outcome, 18–65 yr old alcoholics in outpatient treatment, 22791
7-wk termination process in long term therapy group, psychologist co-leaders & alcoholic group members, 25601

interactions between ethanol withdrawal- & physostigmine-induced tremors, male rats, 21516
sodium phenytoin vs carbamazepine vs ephedrine vs levodopa, methamphetamine-induced stereotyped behavior & tremor, male mice, 16669
1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine & 1-methyl-4-phenyl-pyridinium ion & Paraquat, parkinsonian symptoms & brain dopamine, frogs, 16552

Triadic Therapy [See Conjoint Therapy]

Trial and Error Learning
graded stimulus vs prompt fading vs trial & error training, visual shape discrimination, severely mentally handicapped 7–14 yr olds, implications for applied training procedures, 27929
graduated stimulus change & trial & error training procedures, discrimination learning, profoundly retarded adults, 24834

Tribes
ability to combine hunting & reproduction & mothering duties, females of Agta Negrito tribe, Philippines, 21883
archetypal & mythical roots of functional psychoses, aborigines, Australia, 6575
communications media, traditional oral communication, Warlpiri-speaking aborigines, Australia, revision of M. McLuhan's theory of information value & social change in Western & nonindustrial societies, 26971
conflicts between group members & potential joiners & kin-directed altruism & individual energy expenditure & sharing rules, optimal foraging group size, Inuit foragers, Canada, conference presentation, 3576
cultural symbolism of body & psychosomatic symptom formation in bodily space-time & health, Northern Yaka, Zaire, 30381
development of languages, French speaking 1–6 yr olds in Senoufo tribe subgroups, Ivory Coast, 24141
group fissioning & expansion & kinship & ethnocentricism, human tribes vs macaque troops, implications for human evolution, 19794
ideal marriage rules vs biological relatedness, application of kinship terminology in classification of marriages, Yanomamo Indians, South America, conference presentation, 3569
interpretation of dream images, male vs female Gurung tribe members, Nepal, 14285
levels of consciousness in insanity, Tabwa, Zaire, 30118
limited needs vs fitness maximization model, predictions of foraging behavior & allocation of time to hunting, Ache foragers, Paraguay, conference presentation, 3570
nondiscursive rhetorical levels of curing seance ritual, transformation of self & cultural construction of reality & action, Kaluli, Papua New Guinea, 29804
personality correlates of death anxiety, tribal vs rural vs urban male 14–18 yr olds, India, 29717
possession ritual as metonymic figuration of sacrifice & as therapy, Wolof, Senegal, 29811
ritual content & meaning, cultural & political expansion & intergroup contacts, members of tribal societies in Strickland-Bosavi area, New Guinea, 11592
role of leopard-skin chief in phenomenon of Nuer feud as creative solution to prisoner's dilemma, Africa, 3566
salutation rituals & social relations, 2 tribes, Cameroon, 24277
separate communities & autonomy & personal development & interpersonal relations, Bedouin females, Egypt, 19750
sociodemographic & clinical characteristics, hospitalized schizophrenic patients of Igbo origin, Nigeria, 5-yr followup, 6528
visual acuity, 10–20 vs 20–50 vs 50 yr olds & older of Gidra tribe, Papua New Guinea, 19612

Trichotillomania [See Hair Pulling]

Trifluoperazine
long term continuous vs discontinuous trifluoperazine vs cis-flupenthixol, dopamine receptor supersensitivity assessed by apomorphine-induced stereotypy & striatal radioactive spiperone binding, male rats, 16731
pimozide vs haloperidol vs trifluoperazine, hypothalamic self stimulation rate intensity functions, male rats, implications for role of dopamine receptor binding, 26702
trifluoperazine vs thioridazine vs chlorpromazine, visual figural aftereffect, paranoid schizophrenic patients, 18070

Trigeminal Nerve
capsaicin desensitization, trigeminal & olfactory & taste responses, male rats, 689
electrical stimulation of spinal trigeminal tract & naloxone vs morphine administration, cortical somatosensory EP & reflex movement amplitude & nociception, rats, 8470

electrical stimulation of trigeminal or facial nerve, eyelid reflexes, patients with primary or postparalytic facial hemispasms, 4126
high protein vs protein-free carbohydrate diet, dietary choice behavior, normal vs trigeminally deafferented rats, 8508
peripheral transection of trigeminal nerve, palatability responses to preferred vs unpreferred tastes, rats, 8497
sensory & autonomic & motor denervation, cholinergic involvement in trigeminal antidromic vasodilatation & plasma extravasation, male rats, 26598
Trigonum Cerebrale [See Fornix]
Trihexyphenidyl
prevalence of prescription of trihexyphenidyl & levodopa & amantadine, neurological vs psychiatric patients, Czechoslovakia, 7251
trihexyphenidyl withdrawal, extrapyramidal & parkinsonian patients, psychiatric patients receiving neuroleptic drugs, 4511
Triiodothyronine
blood levels of free fatty acids & beta-hydroxybutyric acid & triiodothyronine & noradrenaline as indices of starvation, female 18–39 yr olds with bulimia vs anorexia nervosa, 17648
dorsomedial hypothalamic nuclei lesions, diurnal patterns of plasma growth hormones, growth retarded male rats, 13918
triiodothyronine, learned helplessness in footshock paradigm, male rats, 29453
Trinidad [See Trinidad and Tobago]
Trinidad and Tobago
conceptualization of reactive depression, Trinidad & Tobago, 17381
mental health legislation, Trinidad vs Tobago vs other eastern Caribbean territories, 27074
Triplets
audiological & speech/language & psychological characteristics, identical deaf male triplets followed from age 2.5–5.5 yrs, 4105
frequency of physical training, maximum oxygen consumption, male 20 yr old monozygotic triplets, 13776
Trisomy [See Also Trisomy 21]
development & use of trisomy 16 model as animal model of human trisomy 21, mice, conference presentation, 17504
trisomy & autism, 3.4 yr old male, 1220
Trisomy 21
development & use of trisomy 16 model as animal model of human trisomy 21, mice, conference presentation, 17504
DNA sequences on chromosome 21, predisposition to trisomy 21, families with 1 normal offspring & 1 with trisomy 21, conference presentation, 17497
research methodology for identification of chromosomal factors, Down's syndrome, conference presentation, 17531
ring chromosome 21 without Down's syndrome phenotype, 14 mo old, conference presentation, 17517
Trochlear Nerve [See Cranial Nerves]
Truancy [See Also School Truancy]
incidence & consequences of truancy, junior high school students, 20757
juvenile detention court treatment facility truancy, females vs males adjudicated for status vs delinquent offenses, 27413
truancy & psychosomatic pains, 11 yr old intelligent male, 6769
Trucks [See Motor Vehicles]
Trust (Social Behavior)
age & trust of neighbors, perceived safety from crime, rural community residents, 9115
construct validity of Dyadic Trust Scale, measurement of trust, married couples, 18986
mastery & interpersonal trust & primary & secondary appraisals & coping & health status & psychological symptoms, 26–54 yr old spouses, 19792
positive vs negative socio-emotional behavior & communication effectiveness & use of group member competencies, high- vs low-trust 5 member groups, 21925
reliability of promises & 1st impressions, trust & cooperation, college students, 3713
scale measurement of predictability & dependability & faith factors of trust in marital & close relationships, married persons & couples, 27013
social ties & trusting others & perceived control & health status, enrollees of health maintenance organization, 3737
sociological viewpoint of concept of trust, 1131
supervisor's knowledge of subordinate performance & address of weaknesses & trust in supervisor, perceptions of fairness & accuracy of performance evaluations, telecommunications engineers, 23187
use of innocent deception in simulations utilized for teaching or research, trust, 22870
variables of trust promotion vs social interactions, adults & children, 16983
Tryptamine
bilateral rostral hypothalamic injections of 5,7-dihydroxytryptamine, hippocampal serotonin depletion & estrogen & food deprivation-induced locomotor activity, ovariectomized rats, 24044
fluoxetine vs methysergide, synergistic behavioral effects of intrathecal serotonin &/vs tryptamine injection, male mice, 662
pentametric distribution of platelet monoamine oxidase activity & tryptamine & phenylethylamine, 18 yr old males, Sweden, 16435
tryptamine, arterial blood pressure & heart rate, rats, 26694
5,7-dihydroxytryptamine-induced depletion of brain serotonin, amphetamine-induced locomotor & exploratory behavior, rats, 26666
Tryptophan
acute vs chronic clonidine treatment, whole blood serotonin & tryptophan levels, 8–45 yr old patients with Tourette syndrome, 18077
consumption of corn with low levels of tryptophan, suicide & homicide, replication of findings of A. R. Mawson & K. W. Jacobs, 27423
dietary tryptophan & social isolation, territorial aggression & locomotor activity & monoamine neurochemistry, male mice, 23997
dietary tryptophan, brain serotonin & 5-hydroxyindoleacetic acid, awake cats, 16430
dietary tryptophan restriction & age, levels of serotonin & norepinephrine in brain, rats, implications for human aging, 602
dominance, behavioral responses induced by fluoxetine vs quipazine vs tryptophan, male monkeys in stable social groups, 26727
hypomania following addition of levo-tryptophan to MAO inhibitor, 28 & 32 yr old depressed females, 12549
iv levotryptophan infusion, plasma prolactin & growth hormone levels, 24–42 yr old chronic schizophrenics receiving long term neuroleptic therapy vs healthy volunteers, 18044
levotryptophan as physiologic hypnotic before bedtime, 30–72 yr old male inpatients & outpatients, 7173
levotryptophan, bulimia, 4504
levotryptophan combined with ECT, seizure time, 72 yr old White male with depressive symptoms, 4259
levotryptophan in presleep auditory EP procedures, sleep latency, poorly sleeping males, 3328
levotryptophan, restless legs syndrome, 64 & 68 yr old males with chronic obstructive lung disease & chronic renal failure, 22583
lithium & haloperidol or carbamazepine or levotryptophan, patients with mania, conference presentation, literature review, 15202
methiothepin pretreatment & quipazine vs levo-5-HTP, serotonergic supersensitivity assessed by head twitch response, male rats, 19433
occurrence of side effects in phenelzine & tryptophan therapy, 28 & 57 yr old males & 31 yr old female with major depression & melancholia or bipolar depression, implications for use of serotonergic agents with MAO inhibitors, 25301
parachlorophenylalanine & fenfluramine pretreatment & tryptophan, 5-HT turnover & preference for protein diet, male rats, 14013
plasma ratios of tryptophan & tyrosine to competing amino acids & serum drug levels, clinical effectiveness of imipramine with vs without desipramine, depressed patients, 25307
plasma tryptophan & blackouts, male alcoholics, 27399
prostaglandin, neuronal tryptophan & serotonin uptake & release & serum tryptophan levels, male mice, 5871
tryptophan depletion, mood & performance on proofreading task while listening to dysphoric distraction, 18–25 yr old males, implications for role of low brain 5-HT in depression, 23907
tryptophan, serum prolactin & neuromotor function & subjective mood & blood pressure & pulse, depressed patients before & during tranylcypromine treatment, 25313

tryptophan, 18–64 yr olds with acute mania, 30709
valine with vs without tyrosine vs tryptophan, stress-induced increase in tryptophan uptake in opioid-induced analgesia, male rats, 29440
5-HT receptor antagonist, dextrolevo-5-HTP-induced response suppression in operant conditioning animal model of depression, male rats, 29428
5-HTP vs tranylcypromine, 20–65 yr old patients with major depression, 18089
Tubal Ligation
criteria for performing tubal sterilization, 23–38 yr old females at risk for committing child abuse & neglect, implications for professional ethics, conference presentation, 4564
elective interval & postpartum tubal sterilization, psychiatric morbidity & psychosexual & physical effects, female 23–45 yr olds, 1-yr followup, 7318
elective tubal sterilization, menstruation, females aged 20 & older, 6- vs 12-mo followup, 9965
substantive & processual & contextual factors, presurgical ambivalence before tubal ligation vs vasectomy, married females & their husbands, 28055
tubal ligation vs husband's vasectomy, preoperative ambivalence, married females, implications for preoperative counseling, 20464
Tuberculosis
clinical considerations in diagnosis of isoniazid-induced pellagra encephalopathy, necropsy cases of 35–72 yr old tuberculous schizophrenic patients, Japan, 20172
geographical dimensions & family & concealment of infection & poor treatment compliance, tuberculosis, citizens, Puerto Rico, 30408
Tumors [See Neoplasms]
Turkey
attitudes toward mentally ill patients, Turkish vs American psychiatrists & psychologists & social workers vs Turkish psychology undergraduates, 25634
diagnosis of mental disorders & stereotypes of symptomatology, psychiatrists & psychologists & social workers, US vs Turkey, 11922
need for achievement, bilingual Turkish-English speaking vs monolingual Turkish speaking vs English speaking college students, Turkey vs US, 28484
Turners Syndrome
cognitive & spatial abilities, 13–19 yr old Turner's syndrome patients with normal intelligence, 14855
hormonal replacement therapy & body image & anxiety about gender identity, development of anorexia nervosa, 17 yr old female with gonadal dysgenesis, 4211
incidence of neuropsychological deficits, 9–33 yr old females with Turner's syndrome, 14861
neuropsychological functioning, patients with Turner syndrome vs right- vs left- vs diffused-brain lesions, 27646
perceptual & constructional & nonverbal memory tasks, assessment of focal CNS dysfunction & speech lateralization in spatial deficits, 13–18 yr olds with Turner's syndrome, 20208
sex steroids, nonverbal memory processes, 8–18 yr olds with Turners syndrome & their 9–25 yr old siblings, 17588
Turner's syndrome & childhood depression, anorexia nervosa, female 17 yr old patient, 14858
Turnover [See Employee Turnover]
Turtles
air conducted &/vs vibratory stimuli applied to shell, brain stem evoked responses, box turtles, 3161
complex phototropotactic system, ability to find sea, hatching turtles, 5619
light adaptation, temporal summation & modulation in cones, turtles, 23799
mixing of red & green cone signals by photoreceptors in outer retina, turtles, 26515
spectral sensitivity in light adapted state, freshwater turtles, 13817
Tutoring [See Also Peer Tutoring]
development of tutoring network, learning disabled students, 10469
ethics & subject matter tutoring, learning disabled secondary school students, 10467
role of speech therapist & tutor, speech development, preschool students with underdeveloped speech, USSR, 7736
training in giving feedback to parents tutoring their 9.4–11 yr olds with reading deficits, parent involvement & children's reading levels & student behaviors, 3rd-yr female teacher trainees, 31144
tutor assistance vs self instruction training, alleviation of learned helplessness, learning disabled vs normally achieving female 4th graders, replication of study by J. Cullen & F. J. Boersmoa, 1492
tutoring in reading & mathematics & grammar by retirees, achievement, 2nd–12th graders, 15639
tutoring interventions, learning disabled 4th graders, literature review, 10503
2 yrs of tutoring, mathematics & reading achievement, disadvantaged 3rd & 6th graders, 22944
Tutors [See Teachers]
Twins [See Also Heterozygotic Twins, Monozygotic Twins, Siamese Twins]
age & sex, similarity of altruistic & aggressive tendencies, twin pairs, Canada, 23787
alcohol ingestion, psychomotor task performance & physiological measures, 18–34 yr old twins, 19473
challenge dose of ethanol, physiological responses, 18–53 yr old mono- vs dizygotic male twins, conference presentation, 3129
clinical analysis of physical & temperament development through drawings, male twins followed from 2 to 5.3 yrs of age, 3377
completed yrs of education, twins & their spouses & parents, Norway, 19308
demographic variables, risk of mortality, twins born 1886–1925, Sweden, longitudinal study, conference presentation, 3135
early mother-infant interaction, attachment behavior at 6 wks vs 3 vs 6 vs 9 mo, preterm twins vs singleton survivors of twins vs singletons & their mothers, 16989
environment vs genetics & age, drinking habits, male vs female 18–88 yr old twin pairs, conference presentation, 3136
environmental factors in childhood vs adulthood vs stress, anxious-neurotic vs neurotic depressive twin probands, 3945
environmental vs genetic factors, smoking habits & alcohol use, adult twins reared apart as children, Finland, conference presentation, 3137
ethanol metabolism, 18–34 yr old twins, 5720
formation of Twins Foundation for archival & research support, conference presentation, 3128
genetic & environmental factors, etiology of anxiety & depression, adult twin pairs, 24660
genetic epidemiology, criticism of J. S. Williams & H. Iyer's statistical model for analysis of twin family data, 13487
genetic factors & predisposition, male monozygotic vs dizygotic index twins with both schizophrenia & alcoholism, 17285
genetic factors vs environmental experiences, educational achievement, 17 yr old monozygotic & dizygotic twins, Australia, 13008
genetic influence, affective parameter of personality development, 5–19 yr old twin pairs, 29256
genetic vs nonshared environmental influences on alcohol drinking behavior, 20–60 yr old identical vs fraternal twins vs nontwin sibling vs unrelated adoptees reared together, 1106
genetics, etiology of Gilles de la Tourette disorder, same-sex pairs of twins aged 7–61 yrs with Tourette syndrome, 6847
genetics vs environment & cognitive abilities & auditory selective attention tasks, heart rate, twin pairs, 19652
gestational age & birth weight, mental development, at-risk twins at 2 & 6 yrs of age, longitudinal study, 876
hemophilia, personality formation, affected male child & healthy nonidentical twin in psychoanalysis, 7027
ingestive & grooming & agonistic & play & sexual behaviors & spatial proximity, cows & their twin vs single calves, 5627
linguistic environment & language development, twins vs 1st born singletons at 15 mo & 21 mo of age & their mothers, 19645
multiple regression model for analysis of twin data, 23496
parturient behavior & calf survival, single- vs twin bearing cows, 5622
potential genetic factors in morality tasks, schizophrenic vs neurotic twins with physical disorders, 30158
psychological challenge of video game & parental blood pressure, cardiac reactivity, 16–24 yr old monozygotic & dizygotic twins, 3127
psychological variables, development of smoking habit, twins born before 1956, conference presentation, 3141

relational shift of emotional separation through explicit communication, adult twins, literature review, 16970
temperament, infant twin pairs assessed as neonates vs at 6 mo, 19689
twin study of objectively assessed personality in childhood, reply to criticism of J. M. Haviland, 486
umbilical artery pH, cerebral dysfunction, 5–7 yr old twins, 6866
utility of heredity as differential diagnostic factor, twins with pure anxiety neurosis vs mixed anxiety/depression vs pure neurotic depression, 14662
Vmax values & serotonin uptake by platelets, twins with infantile autism or developmental language disorder, 19943
Tympanic Membrane [See Middle Ear]
Type A Personality [See Coronary Prone Behavior]
Type B Personality [See Coronary Prone Behavior]
Type I Errors
accuracy of Fisher vs Hotelling transformation of correlation coefficient, power & Type I error rate for small vs large sample sizes, 13479
comparison of Type I error rates & powers of 2-sample multivariate rank vs normal scores procedures vs Hotelling's T-2, 26286
computer simulation evaluation in tests of significance for correlation matrix based on cumulative distribution functions, 10876
control of type I & type II errors in statistical hypothesis testing & sample size, 10867
cumulation of Type I & Type II error probabilities in hypothesis testing research & use of tests of significance, applications to educational & psychological research, 26283
effects of violation of sphericity assumption with respect to Type I error rate of Quasi F, 21032
magnitude of dependency among litter mates & Type I error rate distortions from individual vs litter mean scores in open field testing, rats, 29185
selection of sample size & type I vs type II errors in statistical inference, comments on article by P. Koele, 10862
Type I error rates & power of ANOVA alternatives, testing mean differences under variance heterogeneity, 13500
Type I error rates vs power of rank transform & parametric ANCOVA procedures, implications for interpretation of educational tests, 10880
Type I errors in calculation of mean & standard deviations among age groups of Vineland Adaptive Behavior Scales, mentally retarded, comments on article by A. B. Silverstein, 26197
Type II Errors
control of type I & type II errors in statistical hypothesis testing & sample size, 10867
cumulation of Type I & Type II error probabilities in hypothesis testing research & use of tests of significance, applications to educational & psychological research, 26283
incidence of Beta or Type II error in psychiatric controlled clinical trials, 28896
ordinary least squares/moderated multiple regression & Type II errors in detection of moderator variable effects on relation between predictor & criterion variables, alternative regression procedure, 16215
selection of sample size & type I vs type II errors in statistical inference, comments on article by P. Koele, 10862
Typing [See Clerical Secretarial Skills]
Typists [See Clerical Personnel]
Typologies (General) [See Taxonomies]
Typologies (Psychodiagnostic) [See Psychodiagnostic Typologies]
Tyramine
alaproclate, pupillary response to tyramine vs phenylephrine vs pilocarpine eye drops, 17–58 yr old depressed patients, 1960
deprenyl vs tranylcypromine, pressor response to tyramine, depressed patients, 22595
MAO inhibitors & tricyclics vs levodeprenyl, protection against pressor response & hypertensive effect of oral vs iv tyramine, 27–62 yr olds with primary depression, 30765
Tyrosine
levotyrosine, restoration of amphetamine-induced acute decreases in brain norepinephrine, male rats, treatment implications for patients prone to psychomotor stimulant abuse, 24027
low frequency septal stimulation & behavioral testing, tyrosine hydroxylase activity in hippocampus, male rats, 29363
plasma ratios of tryptophan & tyrosine to competing amino acids & serum drug levels, clinical effectiveness of imipramine with vs without desipramine, depressed patients, 25307
tyrosine & exposure to shock vs no shock, norepinephrine metabolism in locus ceruleus & hippocampus & hypothalamus & behavioral deficits, male rats, 16495
Ulcerative Colitis
eclectic model of practice, psychophysiological disorders resulting from arrested developmental progression, 30 yr old male with ulcerative colitis & 39 yr old female suffering from posttraumatic depression, 22416
personality traits, ulcerative colitis vs Crohn's disease patients in remission, 14859
psychogenic factors, Crohn's disease & ulcerative colitis, patients, literature review, 1634
schizoaffective & cyclothymic symptoms, patients with ulcerative colitis, conference presentation, 25016
Ulcers (Gastrointestinal) [See Gastrointestinal Ulcers]
Ulnar Nerve [See Spinal Nerves]
Ultrasound
ultrasound diagnosis of fetal malformation & subsequent abortion, psychological reactions, 25–39 yr old females assessed 6–34 mo post-abortion, 9983
ultrasound production & lordosis before & after bilateral electrolytic lesions in lateral septum/bed nucleus & corticomedial amygdala & lateral habenula, female golden hamsters treated with estradiol benzoate & progesterone, 13930
unilateral auditory stimulation, detection of direction of ultrasound signals, bats, 5526
Unconditioned Reflex [See Unconditioned Responses]
Unconditioned Responses
conditioned vs unconditioned visual or taste aversion to naturally toxic insects vs noxious chemicals, wild birds, evidence of strategy for prevention of poisoning & starvation, 13719
Unconditioned Stimulus
cue similarity & US magnitude, appetitive differential conditioning of jaw movement response, rabbits, 367
ice water UCS, active avoidance conditioning, rats, 361
intracerebral electrostimulation of self stimulation zones, positive reinforcement in classical conditioning paradigm, rabbits, 5778
intragastric copper sulfate as UCS & role of vagus as mediator, taste aversion learning, vagotomized vs intact rats, 29372
pretrial UCS priming, acquisition & performance of eyeblink response, male rabbits, 19227
prior pairings of CS2 with UCS, nature of associations formed in serial compound conditioning, rats, 11065
qualitative changes in UCS, associability of previously conditioned stimulus, rats, 3087
rated belongingness of CS-UCS pairings, volunteer Ss, 8239
successive CS with vs without UCS pairing & sensitization, expectancy for UCS in eyelid conditioning, college students, 26366
UCS probability & associative process between CS/UCS during long interstimulus interval conditioning, contingent negative variation & electrodermal response & EEG, college students, 13861
Unconscious (Personality Factor)
acceptance of warded off impulses as necessary step in redressing intrapsychic conflict, 9748
analysis of Freud's forgetting of name Signorelli, explication of central concepts of J. Lacan's theory of unconscious, 28882
Balint-group episode technique, access to unconscious to work out conflict, patients with psychosomatic disorders, 9779
concepts around which E. Neumann's "The Great Mother" is structured, 7978
conscious construction & cognitive imagery & emotional experiences & autonomic arousal, 3065
definition & measurement of Freud's concept of unconscious content, 18816
discussion of Freud's writings on parapraxes, 20941
formation of theory in psychology of unconscious, 5203
Freudian theory of trauma & persecution vs unconscious involving instinct & fantasy, 6383
Freudian view of W. Blake's "The Book of Thel", 24071
historical perspective on cognitive vs psychoanalytic unconscious, 13299

interpretation of psychic reality & developmental influences & unconscious communication in psychoanalysis, 4351
Lacanian view of unconscious & transference & psychoanalyst's interpretation, comments on work by M. M. Gill & I. Z. Hoffman, 20943
Lacan's theory of linguistic unconscious & desire & dream analysis method by J. Laplanche & S. Leclaire, 30604
linguistic dimensions of Freudian unconscious as viewed by J. Lacan, 10728
materiality & comprehension & recollection & unconscious issues, ability to give informed consent to physician, patients, 24414
positive aspects of Jung's concept of shadow & training of analytical psychologists, 7514
role of unconscious in repetition of events, 1210
sacred unconscious & self actualization theory & evil, 19863
structural model of self & id & unconscious components of personality, 6389
theoretical descriptions of dynamics of unconscious & fantasy & creativity & deviance in games & play behavior, preschool age & young children, literature review, conference presentation, 29754
use of allegories & problem of resistance & movement toward primary processes in analysis, 25128
Underachievement (Academic) [See Academic Underachievement]
Underdeveloped Countries [See Developing Countries]
Undergraduate Degrees [See Educational Degrees]
Undergraduate Education
academic value of psychological research participation & debriefing, undergraduate college students, 20719
age & educational level, reflective judgment as indicator of intellectual development, 18–21 yr old college freshmen & 21 yr old juniors, 2.5-yr longitudinal study, 15763
American College Health Association recommendations for standards & practices in college health program, 15661
applied statistics course for bachelor's degree, employment in government & industry & business, college students, Brazil, 10369
attendance at 2-yr vs 4-yr college & student characteristics, earning of bachelor's degree, high school seniors & as college students, longitudinal study, 25800
attitudes & practices regarding hypnosis, college psychology departments, Great Britain, comments on article by B. J. Fellows, 22814
attitudes toward professionalism & college training for rehabilitation teaching & counseling & mobility instruction, state agency directors serving blind & visually impaired, 15614
attitudinal variables & demographic characteristics, participation in external undergraduate degree program, male adult students, 2416
breadth of academic program & depth of study outside science & grades, premedical vs nonpremedical students studying biology & chemistry, 15752
career planning & exploration exercises in industrial psychology course, 15705
classroom teaching method for name mnemonics, psychology students, 31216
content & objectives of undergraduate education, communication disorders & speech pathology & audiology, conference presentation, 25635
current practices & attitudes & concerns regarding hypnosis teaching & research, college psychology departments, Great Britain, 22818
explanatory text with emphasis on rote or conceptual learning of basic concepts of elementary probability, problem solving performance, college students, 28430
financial aid & family support & personal goals & intelligence & determination factors, college degree completion, American Indian 20–58 yr old college students, 7651
"gymkhana", psychology curriculum development & instruction, college students, Brazil, 7607
history of racial integration at Oberlin College, Blacks, 28370
hypnosis teaching & research in psychology departments, Great Britain, comments on article by B. J. Fellows, 22826
knowledge development & values & learning styles, graduate vs undergraduate occupational therapy students vs therapists, implications for professional education, 10183
learner-centered course design, college students in management course, 12968
need for humanities perspective in criminal justice education, 28429
negative noncontingent feedback outcomes & lecture content, teacher effectiveness & expressiveness, college students & their teachers, 20700
plans for college vs vocational training vs no plans, year 10 vs 11 vs 12 urban high school leavers, Australia, 31262
principles for facilitation of learning & group colleague interaction & consultation & educational supervision, 20661
proposal to include students from other disciplines in undergraduate & graduate level training programs, speech/language pathology & audiology, conference presentation, 25684
rated distortion of Adlerian individual psychology in introductory textbooks, Adlerian teachers & practitioners, implications for psychology education, 15714
reluctance toward hypnosis teaching & research in psychology departments, Great Britain, comments on article by B. J. Fellows, 22823
revision of multimodal college-level self help course, 10366
role of higher education institutions in training & professional development, school psychologists, 2330
teaching of hypnosis in college psychology departments, Great Britain, comments on article by B. J. Fellows, 22816
team teaching of radical behaviorism & cognitivism by college psychology & philosophy departments, 31197
use of computers in college psychology & social science education, 31166
utility of autobiographical time lines as teaching method, college instruction, 20693
Undergraduates [See College Students]
Underprivileged [See Disadvantaged]
Understanding [See Comprehension]
Underwater Effects
age-specific hospitalization & disability & mortality rates for diving-related vs stress-induced & other disorders, Navy enlisted divers vs nondivers aged 17 yrs & older, 11872
anxiety & environmental factors & performer skill level, manual dexterity task performance underwater, literature review, 28832

sex & age & urban vs rural residence, moral reasoning ability, 7th & 9th graders, 29564
smoking habits, secondary school students, Malaysia, implications for health education, 24235
social background variables & urban social contacts & knowledge & evaluations of alternative destinations & mobility plans, rural-urban mobility behavior, household members, Thailand, 29788
social class, logical & verbal abilities, 5 vs 9 vs 13 yr olds from urban vs suburban districts of Rome, Italy, 24146
social interactions in free-play settings, 28–32 mo olds in kibbutz vs urban setting, Israel, 8860
social networks, adjustment, aged living in urban single room occupancy hotels, 1-yr longitudinal study, 8827
social rank & urbanization & segregation, urban mortality, 969
social support & action outreach project, low income elderly residents in inner city single-room occupancy hotels, 30870
specific stress factors, city police officers, 7879
student ratings of psychology course content, agency preferences for educational background of entry level personnel, psychology students & urban vs rural human service agencies, 12856
symptomatology in rural vs urban areas, hospitalized patients with manic depressive psychosis, India, implications for prevalence rates, 24713
teacher & school & community characteristics, achievement as measure of quality of education, 4th–7th graders, 18530
threat of Halloween sadism as social construction of urban legend, children, review of news stories from 1958–83, 24747
time of day & strange situation procedure, security of mother/father/metapelet attachments, 11–14 mo olds in city vs kibbutz, Israel, longitudinal study, 6151
training in community living model & "The Bridge" urban outreach mental health program, psychiatric hospital readmission, psychiatric patients, 15304
trends in arrests for marihuana use in rural vs urban areas of North Carolina, 14–24 yr old offenders, 1976–80, 17178
urban barbershop as sex role socialization setting, Black male barbers as informants & fieldworkers, 19760
urban universities & community relations, college image & programs & faculty & student & community services, 20649
urban vs rural environment & religious identification & commitment, stress-buffering properties of moderate alcohol use, White rural residents vs White & Black urban residents, 24453
urban vs rural environment during upbringing, self concept, 14–20.5 yr olds, Nigeria, 8882
urban vs rural environments, risk of multiple sclerosis, adult patients, West Germany, 27604
urban vs small town & rural environment, social development, 3–7 vs 7–11 vs 11–14 yr olds, 8813
urbanism, misanthropy, respondents of general social surveys, partial support for subcultural urban theory, 24263
Urban Ghettoes [See Ghettoes]
Urban Planning
community design characteristics & mental health & social interaction, 31566
high population density & commercial development & building density, neighborhood satisfaction & safety, Chinatown residents aged 18 yrs & older, implications for development planning & policy, 20908
model of urban development based on theories of J. Fourastie & C. Clark, 5140
Urbanization
industrialization & urbanization & socioeconomic changes, roles & interrelationships, families, India, conference presentation, 6236
rapid population growth, fear of crime, adults in rural Western communities, US, 11579
Urinalysis
problems in monitoring urinary phencyclidine in drug rehabilitation settings, 31022
Urinary Function Disorders [See Also Urinary Incontinence]
anxiety & depression & psychosomatic complaints & behavior problems, parents & siblings of 4.7–18.1 yr olds with end-stage vs progressive renal disease, 27549
behavioral treatment, excessive daytime sleepiness & periodic cataplexy & nocturnal urinary frequency, 61 yr old female with multiple medical problems, 6- & 12-mo followups, 4436
neuroleptic drug induced tardive dyskinesia & subsequent development of fatal myoglobinuric renal failure, 45 yr old female with schizophrenia, 18076
paradoxical intention, urinary frequency associated with school attendance, 13 yr old male, 4456
self hypnosis & paradoxical techniques in psychotherapy, 43 yr old female with chronic psychogenic urinary retention, 1-yr follow-up, 20286
Urinary Incontinence
age & sex, prevalence of nocturnal enuresis according to DSM-III criteria, 4–16 yr olds, 9632
alarm therapy, enuresis, children, 30533
behavior modification, diurnal enuresis, 6 yr old male, 4-mo followup, 25221
behavior therapy, nocturnal enuresis, adults, 9864
behavioral therapy, 5.5 & 6 yr old male & female with diurnal enuresis & encopresis, 18003
behavioral training package, toilet training, institutionalized profoundly retarded incontinent females, 9834
changes in platelet imipramine binding, 9–17 yr olds with nocturnal enuresis, 6901
coping strategies, urinary incontinence, community dwelling aged males, 27652
count alarm system in home, nocturnal enuresis, children, 9847
diagnosis & treatment of enuresis & insomnia, literature review, 6842
diagnosis & treatment, 3–12 yr olds with nocturnal enuresis, 12248
EEG characteristics, enuresis, 3–18 yr olds, 14824
enuresis alarm, 5 yr old with athetoid cerebral palsy & nocturnal enuresis, 15110

extinction of somatic & automatic & EEG orienting responses, retention & learning ability, 5–33 yr olds with nocturnal enuresis vs symptomatic epilepsy, 9603
factors related to conditioning treatment success vs failure vs dropout vs relapse, 5–15 yr old enuretic children, 22487
family therapy & behavior modification, encopresis & enuresis, 7 yr old with parents who excluded long-standing marital conflict from therapeutic domain, 4397
lithium carbonate, urinary or urgency incontinence, 44–73 yr old females, 25318
nocturnal enuresis & treatments, literature review, 1680
parental & child attitudes & self concept, 5–14 yr olds with primary nocturnal enuresis, 25010
paternal castration gesture, enuresis, 15 yr old male, implications for castration anxiety, 17422
perceived causes of & concerns over consequences & tolerance of child's bedwetting, mothers of children with primary or secondary enuresis, 27511
physiology & theories of control for diurnal enuresis, 17599
referral from general pediatric to mental health services, case of 10 yr old female with enuresis, 22628
stop-start vs pad & buzzer training, nocturnal enuresis, 5–12 yr olds, 25218
treatment outcomes, neurotic vs organic vs familial enuresis, children, 6947
urinary incontinence, self esteem, 60–83 yr old females, 12280
Urination
creative concentration measurements & patterns of urinary excretion & water metabolism, 28–55 yr olds with self induced water intoxication & psychosis, 17433
ECT, urinary excretion of 3-methoxy-4-hydroxyphenylglycol & clinical state, patients with endogenous depression vs schizophrenia vs anxiety, 27717
lithium at lower therapeutic levels, thirst & polyuria, patients attending lithium clinic, 18071
lithium citrate with vs without neuroleptics &/vs tricyclic antidepressants, renal function & lithium ion clearance, psychiatric patients, 27977
polydipsia & polyuria, medication-free schizophrenic patients, 9289
prenatal & early postnatal testosterone, development of urinary behavior from birth to adulthood, male & female beagles, 683
prevalence & personality correlates & anxiety, avoidant paruresis, male college students, 1602
serum thyroxine & urine concentrating ability & adenylate cyclase inhibition, development of nephrogenic diabetes insipidus & hypothyroidism, patients receiving lithium, 30791
Urine
alteration of photoperiod & food deprivation, presence of urinary chemosignals & age of puberty in females, house mice, 3224
ammonium chloride vs sodium bicarbonate-induced changes in nicotine elimination rate, nicotine intake, healthy 28–55 yr old cigarette smokers, 16557
androgen-dependent urinary compounds added to castrate urine vs urine of intact male mice, frequency of estrous cycle, female mice, 26537
atriopeptin II, diuresis & urinary sodium concentration & osmolality & salt appetite, hydrated vs sodium-depleted male rats, 26660
ethanol, presence in urine of fractions which inhibit benzodiazepine receptor binding, males with vs without family history of alcoholism & rats, 26755
food deprivation, attraction to airborne female urinary odors vs food odors, male mice, 13900
life events & state of liver, blood ethanol & acetaldehyde & urinary harman concentrations, alcoholics with vs without alcoholic relatives, 22182
light-dark cycle, urinary excretion patterns & hormone regulaton of fluid belance, female dogs, 21339
male vs female pup urine odors, differential maternal attention & arousal of maternal licking, primiparous vs nonmaternal female rats, 11116
preferences for combinations of water & urine as means of detection of reproductive status, intact vs castrated male & estrous vs nonestrous female kangaroo rats, 5631
psychosocial stimuli, physical fitness & depression & anxiety & urine level of 3-methoxy-4-hydroxyphenylglycol & normetanephrine & metanephrine, 23–46 yr old males, 580
salience of & sensitivity & responses to conspecific urine, male & female captive degus, 21250
seasonal variation in urinary excretion of calcium & magnesium & phosphate, 20–75 yr old manic melancholic patients on vs not on lithium treatment, 15163
social status, reproduction & release of urinary chemosignals associated with sexual maturation, female house mice, 13762
urinary free cortisol levels, male violent offenders vs recidivist arsonists, 20068
urinary 3-methy-4-hydroxyphenylglycol relative to peripheral catecholamine activity & self reported depression, normal 23–46 yr old physically active vs sedentary males, 29339
vomeronasal chemoreceptor organ removal, changes in response to urine odor due to surgery vs extinction, male guinea pigs, 11240
Urogenital Disorders [See Also Amenorrhea, Dysmenorrhea, Endocrine Sexual Disorders, Genital Disorders, Gynecological Disorders, Hermaphroditism, Hypogonadism, Infertility, Klinefelters Syndrome, Male Genital Disorders, Menstrual Disorders, Pseudocyesis, Sterility, Turners Syndrome, Urinary Function Disorders, Urinary Incontinence]
EEG & EMG & visual EPs, adult patients with chronic renal failure & dogs treated with heparin, 1583
guidelines for treatment with psychotropics, patients with kidney failure, 22557
health center program for assistance in coping, families of children with bladder exstrophy & other rare disorders, Norway, 2009
life events & psychiatric symptomatology & ego development, glycemic control & biomedical variables, insulin dependent diabetic 18 yr olds & older with vs without proliferative diabetic retinopathy, 20173
norepinephrine-epinephrine ratio, patients with renal transplants at high risk for suicide, comparison with data of R. B. Ostroff, 22006
onset of disease, assessments of quality of life, end-stage renal disease patients & their spouses, 6784
pain perception & postoperative consumption of narcotic analgesics, patients with analgesic nephropathy due to excessive phenacetin use, 12620
prevalence of major depression & usefulness of dexamethasone suppression test & thyrotropin-releasing hormone stimulation test in diagnosis, 20–86 yr old gynecological cancer patients, 22249
quality of life, patients undergoing renal dialysis vs transplantation, 1987
smoking behavior, 21–75 yr old patients with neoplasms vs endocrine vs blood vs circulation vs respiratory vs digestive vs genitourinary disorders, 24949
urologic cancer treatment, sexual functioning, implications for sexual counseling, 10002
Urogenital System [See Cervix, Female Genitalia, Gonads, Kidneys, Ovaries, Penis, Testes, Vagina]
Uterus [See Cervix]

Vacation Benefits [See Employee Leave Benefits]
Vacationing
factors of attractiveness of different countries in tourism, comments on W. Husbands's study, 11845
job satisfaction & involvement & organizational commitment & turnover intention & life satisfaction before vs following vacation, technical & administrative & clerical & service personnel, 31525
role of social psychology in visitor evaluation research, 9085
vacation satisfaction, adult vacationers, 11819
Vagina
dream associations of broken china & vagina, female with creative & sexual inhibitions, 17810
estrus & estrogen-progesterone treatment with vs without vaginal stimulation, tonic immobility & dorsal immobility response & lordosis, ovariectomized vs intact female rats, 23902
natural copulation vs artificial vaginal stimulation & pelvic neurectomy, pupil diameter, female rats, 21464
subjective vs estimated duration & intensity & vaginal blood flow & latency of self induced orgasm in the laboratory, females, 23852
systematic digital stimulation of vaginal walls, vaginal eroticism & orgasmic response, coitally experienced females, replication of study by H. Alzate & M. L. Londono, 29909

vaginal eroticism & female orgasm, literature review, 29910
vaginal musculature contractions, sexual arousal, 18–38 yr old females, 3635
vaginal pulse amplitude, physiological measurement of sexual arousal during sleep vs erotic conditions, females, 19366
vaginal self stimulation perceived as pressure vs pleasure, pain tolerance vs detection thresholds, female 28–56 yr olds, 5399
vaginal stimulation & strychnine, analgesia at spinal cord, female rats, 16774
vagino-cervical stimulation, sociosexual behaviors, behaviorally estrous female rats with vs without pelvic nerve transection, 5596
Vaginismus
current techniques & recent developments in treatment methods, males & females with orgasmic dysfunctions or vaginismus or premature ejaculation or erectile dysfunction, literature review, 20281
Vagotomy
abdominal vagotomy & liver denervation vs sham operation followed by ip glucagon & epinephrine, meal size, male rats, 21390
cholecystokinin octapeptide, food intake & gastric emptying, normal vs vagotomized males, conference presentation, 20465
cholecystokinin vs bombesin vs caerulein, serum pancreatic polypeptide induced satiety, vagotomized male rats, 21465
intragastric copper sulfate as UCS & role of vagus as mediator, taste aversion learning, vagotomized vs intact rats, 29372
proglumide vs saline with vs without food preload, food intake, normal vs vagotomized rats, conference presentation, 19498
subdiaphragmatic vagotomy, food & water intake in taste aversion paradigm, female rats, 13945
vagotomy, anorectic effects of 5-HT, male rats, 21374
vagotomy, body weight & feeding activity & food passage & digestibility & satiety effects of bombesin & cholecystokinin octapeptides, female domestic fowls, 3265
vagotomy, pyloric cholecystokinin binding & receptor sites, 19409
ventromedial hypothalamic lesions with vs without vagotomy, sham feeding, female rats, 13920
Vagus Nerve
differences in neuroanatomical connections between facial & vagal gustatory systems, catfish, implications for parallel systems in vertebrates, 503
heptic vagotomy &/vs coeliac ganglionectomy, delayed eating response to insulin vs glucose injections, male rats, 26604
icv vs ip administration of ceruletide vs cholecystokinin, satiety through ventromedial hypothalamus vs abdomen, rats, 690
individual differences, visual recognition memory & cardiac vagal tone, 6 mo olds, 24094
vagal electrical stimulation during wakefulness vs slow wave sleep vs paradoxical sleep, neuronal activity in thalamic nuclei, male rats, 26587
vagotomy, pyloric cholecystokinin binding & receptor sites, 19409
veratrine, antinociception action assessed by vagal afferent system, male rats, 5924
Validity (Statistical) [See Statistical Validity]
Validity (Test) [See Test Validity]
Valium [See Diazepam]
Values [See Also Ethnic Values, Personal Values, Social Values]
action involvement theory of intrinsic value development, 29685
age & role salience, prediction of value satisfaction in career decision making, male vs female 17–81 yr old college students, implications for career counseling, 23169
assumption of stability of occupational value structures, career decision makers, criticism of commonality hypothesis, 7793
basic philosophies of curriculum & teachers, intermediate level teachers, Sweden, 15725
cognitive vs affective perceptions of life values, males with high vs normal income vs wives of high income males vs females with normal income, 3710
computer-aided learning program & attitudes toward professionalism & values & personality, education students & teachers & college staff, implications for teaching styles, 10319
creativity & values & anxiety & level of aspiration, prediction of need achievement, male vs female high school students, India, 13014
cultural value conflicts in counseling, Taiwan vs US, 18230
culture & personality & values & resistance to modernization, findings incompatible with theory of cultural evolution & professional retreat from research, Filipinos, Philippines, literature review, 26968
depictions of class & sex roles in children's & adolescents' literature, cultural mores, 1950's, Australia, 29532
emotional range, value orientation, college students, support for cognitive view of emotionality, 30047
empirical analysis of operating values in humanistic or confluent education, 2296
employment vs unemployment, self concept & values & affective reaction, job need & expectancy & locus of control & causal attributions, 15–18 yr old school leavers, 2-yr longitudinal study, Australia, 31402
family size & rural vs nonrural environment, attitudes about value of children, 35–65 yr old mothers & their college age daughters, 17085
females' lifestyle differences & motivation & values & behavior, career & management development, male vs female managers, implications for employee benefits package, 5079
group dynamics & values of guards, inmates' rehabilitation, correctional officers, 7468
harmonious career values within decision scheme, occupational preference, high school students, 29682
human occupation model, identification of self esteem & locus of control & interests & values & roles & habits & feelings of efficacy, dysfunctional 14–18 yr olds hospitalized with psychosocial problems, 4696
ideology & motivation & involvement in issues, contemporary youth, 771
immigration & other social & geographic factors in cleanliness values & energy consumption, 1900–40, 29785
importance & impact of values regarding freedom & responsibility & love & truth to therapeutic setting, 1739
Jungian & transformational perspectives on conflict of good vs evil, conference presentation, 28871
Korean Airlines plane tragedy & alternate value positions, US vs USSR, 19700
methodological problems in construction & measurement of values & aspirations questionnaire, adults, Poland, 1980, 16159
musical & aesthetic education, development of value system in individuals, 4864
negotiation & influence of values, therapist & family, 15034
normal & normative values of ethics in behavioral sciences, 7925
pair comparison vs appreciation method, analysis of value systems, 13492
preventive health behavior & values, cigarette smokers, 6306
problem of values in organizational development research & practice, 31505
psychoanalytic view of values & culture, consciousness state, conference presentation, 26377
Q sort of attitudes representing value congruencies regarding future, Ss from 47 countries, 24561
relationship between values & attitudes about reality, epistemological consistency & disciplinary trends, activist psychologists & college students, comments on articles by G. A. Kimble & by L. Krasner & A. C. Houts, 14528
review of normative & reliability & validity & other psychometric data on Career Orientation Placement & Evaluation Survey, assessment of values & relation to vocational motivation, 25927
role & interaction of therapist & family values in family therapy, 25201
role of humanistic & scientific value systems in psychological research, comments on articles by G. A. Kimble & by L. Krasner & A. C. Houts, 13309
role of values in science of psychology, comments on article by G. S. Howard, 26112
role of values in science of psychology, reply to criticism of H. H. Kendler, 26109
sensory-emotional vs evaluative vs aesthetic models, value system, 1170
SES & intelligence, occupational values, male vs female 14 yr olds, 880
subjective importance of appointment, punctuality, college students, 30021

terminal vs instrumental values, managers vs internal & external organizational development agents, 31446
theory of objective knowledge of K. R. Popper, role of humanism & values in psychological research, comments on articles by G. A. Kimble & by L. Krasner & A. C. Houts, 13302
theory of reality construction at family/society interface, socialization, children, 11474
TV presentations, values & attitudes, adults, implications for validity of activation-&-consistency hypothesis, 711
use of formal procedures & role of therapist's values in assessment in family therapy, 25197
use of time & space, reinforcement of collective orientation vs individualism & self expression, Black Head Start vs White middle & upper middle class preschool teachers & their students, 2380
utility of J. Garreau's concept of 9 Nations of North America & value basis of geographic segmentation, implications for marketing, 23319
value differences & relation to participation in programs serving mentally retarded, 18–74 yr old volunteers, 30885
value-free vs value-laden view of science, behavioral vs nonbehavioral psychologists, 10225
value systems, psychotherapeutic processes in hospital context, patients vs psychiatrists, 28158
values & ethical positions & attitudes, new students in law vs medicine vs psychology vs publicity at city vs Catholic universities, Argentina, 10445
values & health behavior & social desirability, female college student smokers vs nonsmokers, application of W. J. Conroy's value change strategies & replication of C. M. Kristiansen's study, Great Britain, 27118
values & locus of control & perceptual motor skills, 13–15 yr old male delinquents, implications for occupational therapy, 12071
values & motivation & self esteem & personality traits, scholastic rejection & failure, 6th graders, 4882
values attached to stereotypical masculine vs feminine vs neutral behaviors in male vs female children, college students vs 10–11 yr olds, US vs Great Britain, 26908
values framework intervention models, coping with drug abuse, 25574
values, future medical practice, male vs female vs internal medicine vs family practice residents, 10247
values in science of psychology, 20
wisdom vs knowledge orientation of social thought, Alcoholics Anonymous members vs alcoholism treatment professionals, 4716
Valves (Heart) [See Heart Valves]
Vandalism
school attitudes & perceptions of school environment & leisure activities & personality, self reports of vandalism, 8th–11th grade vocational students, 15797
sex differences, graffiti & person-environment relationships, literature review, 1436
Variability (Response) [See Response Variability]
Variability (Stimulus) [See Stimulus Variability]
Variability Measurement [See Also Analysis of Covariance, Analysis of Variance, Standard Deviation]
FORTRAN computer program, computation of standard errors of indirect effects in Joreskog covariance structure model, 5372
FORTRAN program for Johnson-Neyman statistical technique, determination of group differences while controlling for influence of independent variables, 23504
partialling vs variance-isolation procedures as models of variance of correlated variables, 5356
Variable Interval Reinforcement
access to collateral water drinking & wheel running, leverpressing & wheelrunning on VI schedule, male rats, 19211
amount of food delivered on VI schedule as test of conservation model by J. Allison & R. Mack, linear relation between autoshaped leverpressing & polydipsia, male rats, 29198
amphetamine, response rate in VI reinforcement paradigm, male rats, 8548
brief cue prior to reward, sign tracking & response rate to VI schedule, rats, 13746
caffeine & levo-N6-phenyliso-propyladenosine, leverpressing on VI reinforcement schedule, male rats with damage to hippocampal system, 5768
change from VI schedule to multiple VI extinction schedule, lever pressing & wheel running, male rats, 19210
concurrent chains procedure with FR vs VI reinforcement schedules, choice & percentage reinforcement, pigeons, replication of author's earlier experiment, 16351
dose of dextroamphetamine sulfate, operant performance under VI 4-min vs VI 20-min schedules of reinforcement, female rats, 24008
frequency of unavoidable shocks, suppression & facilitation of barpress response, rats, 8284
handling time of large vs small food items, choice behavior in concurrent VI & fixed-cumulative-duration schedules, pigeons, lack of support for optimal foraging theory, 26408
levels of aggregates, proportion of time allocated to 1 component of concurrent VI/VI schedule, pigeons, 8294
morphine dependence & prior & subsequent naloxone & nalorphine administration, response to VI schedule of food presentation, monkeys, 13958
multiple VI 60 VI 60 vs multiple VI 60 extinction with stimuli on operanda, positive contrast behavior, male rats, 26389
Pavlovian S-R contingencies, behavioral mass, pigeons, 5564
preference between differently delayed reinforcer rates, homing pigeons, 23666
preference for lever vs rod for obtaining reinforcement under VI schedule, male rats, 19224
response force requirement, rate of change in response magnitude, 20–31 yr olds, confirmation of linear system theory prediction, 8245
retention interval of 60 days, sequence performance in complex operant conditioning, pigeons, 11086
session to session change of reinforcer ratios in concurrent VI schedules, determination of behavioral transfer function, homing pigeons, 8287
subintervals of successive vs delayed or memory discrimination in VI schedules of food reinforcement, sensitivity to reinforcement following delayed stimulus control, homing pigeons, 23681
unrelated contingency rewards, delay of transference of changeover responses, rats, 8278
variable time schedules, maximization of overall reinforcement, pigeons, 8282
varied multiple VI reinforcement schedules with discriminative stimuli, interresponse time distributions, homing pigeons, 16360
VI food reinforcement schedules &/vs water deprivation, rate of drinking response & key pecking, pigeons, test of simple schedules equation of R. J. Herrnstein, 8469
VI reinforcement schedules for right vs left responses, measurement of stimulus discriminability, pigeons, 13713
VI 15 sec vs 5 min vs extinction schedules, spatiotemporal patterns of keypecking, pigeons, 26403
15 vs 60 sec component multiple VI schedules, sensitivity of reinforcement, pigeons, 26411
Variable Ratio Reinforcement
FR vs VR reinforcement schedules & delay of reinforcement, indifference point in choice behavior, pigeons, 19220
methylphenidate dosages, operant responding under VR FI reinforcement schedule, male hyperactive 6–10 yr olds, 20411
Vascular Disorders [See Cardiovascular Disorders]
Vasectomy
substantive & processual & contextual factors, presurgical ambivalence before tubal ligation vs vasectomy, married females & their husbands, 28055
tubal ligation vs husband's vasectomy, preoperative ambivalence, married females, implications for preoperative counseling, 20464
Vasoconstriction
smoking 1 cigarette, finger vasomotion & heat loss & pulse amplitude, 21–29 yr old heavy vs light vs nonsmokers, 21589
Vasoconstrictor Drugs [See Amphetamine, Angiotensin, Methamphetamine, Methoxamine, Norepinephrine, Serotonin, Tryptamine, Tyramine]
Vasodilation
classical conditioning vs biofeedback therapy, induction of vasodilation, 14–61 yr olds with idiopathic Raynaud's disease, 1-yr followup, 22494

sensory & autonomic & motor denervation, cholinergic involvement in trigeminal antidromic vasodilatation & plasma extravasation, male rats, 26598
Vasodilator Drugs [See Also Nicotinic Acid]
diazepam with vs without nimodipine, rectal temperature & muscular coordination, male mice, 26648
dihydroergotoxine vs naftidrofuryl therapy, elderly with senile dementia, US & Europe, 7276
EEG analysis of efficacy of naftidrofuryl, memory & attention & concentration & mood, 46–68 yr old healthy Ss vs patients with chronic cerebrovascular disease, 18027
electrical stimulation of hippocampus vs pentoxifylline with vs without choline, spatial maze performance & speed of hippocampal kindling & neuronal plasticity, 3 vs 26 mo old male rats, 16460
flunarizine, recovery of cerebral function assessed by EEG, dogs with experimentally induced cardiac arrest, 26756
nifedipine, Tourette's syndrome, 22 yr old male, case report, 27938
nimodipine, EEG, 29–74 yr olds with cerebral ischemia, 27990
piracetam &/vs pentoxifylline, psycho-intellectual performance, aged Ss with onset of slight to moderate mental deterioration, 20408
verapamil, depressed 32–58 yr olds, conference presentation, 15147
verapamil, phenelzine-induced hypomania, depressed 48 yr old female, 30719
Vasopressin
absence of brain vasopressin, brain development & behavioral defects, Brattleboro rats, conference presentation, 19305
ACTH analog & desglycinerarginine-vasopressin, light & dark adaptation, human Ss, 8565
alcohol withdrawal, vasopressin & osmolality & ethanol & sodium & creatinine levels in plasma & urine, 24–74 yr old alcoholics vs abstinent alcoholics, 17453
antivasopressin serum injections into dorsal & ventral hippocampus & dorsal septum, memory & passive avoidance behavior, male rats, implications for vasopressin treatment of memory disorders, conference presentation, 29484
arginine vasopressin, acquisition & extinction of conditioned avoidance response, male mice of A vs Balb/C vs other inbred strains, 21523
arginine vasopressin, age related changes in temporal memory, rats, 16713
arginine vasopressin, cyclic adenosine monophosphate responses of cerebral cortex to noradrenaline vs forskolin vs 2-chloro-adenosine, 6 inbred mouse strains, 26715
arginine vasopressin icv, motor processes, male Brattleboro rats homozygous for diabetes insipidus trait vs Long-Evans male rats, 21487
arginine-vasopressin, kindling of convulsive seizures, male rats, 16598
arginine vasopressin, learned avoidance behavior & memory & stress, rats, 16680
arginine vasopressin, spontaneous activity, male rats pretreated with atropine, 11288
arginine-8-vasopressin injection into caudate nucleus, mechanism for interaction with nigrostriatal dopamine system, male rats, 16822
blood-born vasopressin & complex brain performances & stress, conference presentation, 3202
chronic injections of arginine-8-vasopressin, tolerance effects on spontaneous motor activity, male rats, 29408
chronic vs acute vasopressin injections, learning & memory assessed by active avoidance task, rats, 8546
CSF & plasma arginine vasopressin concentrations, 2–82 yr old patients with neurological & psychiatric disorders, 1238
CSF levels of arginine vasopressin & somatostatin & oxytocin & beta-endorphin, males with Alzheimer's disease, 30453
daily vasopressin replacement therapy, learning in positive reinforcement program, rats with hereditary hypothalamic diabetes insipidus, 21542
desglycinamide arginine vasopressin, memory disorders, 33–72 yr olds with organic brain syndromes, 15150
desglycinamide-arginine 8-vasopressin vs ACTH 4-10, cardiac orienting reflex & activity in novel open field setting & habituation, rabbits, conference presentation, 29427
desglycinamide-9-arginine-8 vasopressin, learning & memory, patients with Alzheimer's disease & dementia associated with alcoholism, 15171
dexamethasone pretreatment & human corticotropin releasing factor &/vs lysine vasopressin, cortisol & ACTH response, normal 23–30 yr olds, 19510
dexamethasone suppression test & serum growth hormone & plasma vasopressin & homovanillic acid levels, 18–73 yr old endogenous vs nonendogenous depressive in- & outpatients, 3939
difficulty of delayed reinforcement autoshaping & desglycinamide arginine vasopressin, rate of acquisition of lever touch response & adjunctive responding, male rats, 14024
factors in inactivation of vasopressin after icv injection, mice, 16714
hypertonic saline, stress-induced analgesia, male rats with vs without hypophysectomy vs Brattleboro rats, 14069
icv administration of vasopressin antagonist peptide, memory enhancing qualities of arginine vasopressin, male rats, 8534
intraseptal injection of arginine vasopressin, thermoregulation, rats, 8516
ip hypertonic saline, arginine vasopressin release & learned behavior, rats, 16681
lysine-vasopressin, memory performance, 18–58 yr old monozygotic twins, 16621
lysine vasopressin vs vasopressin fragment, ethanol preference & intake, male Brattleboro rats homozygous & heterozygous for diabetes insipidus, 24017
lysine-8-vasopressin, mood & daily growth hormone & cortisol & melatonin & prolactin levels, depressed 37–67 yr olds, 22603
morphology of vasopressin & oxytocin neurons in paraventricular & supraoptic nucleus, changes in hypothalamo-neurohypophyseal system, 10–93 yr olds & brains from patients with senile dementia of Alzheimer type, 24894
neonatal administration of monosodium glutamate, arginine vasopressin-induced analgesia, female rats, 23942
open field response to acoustic stress as measure of emotional reactivity, vasopressin deficient Brattleboro rats with hereditary hypothalamic diabetes insipidus, conference presentation, 19392
oxytocin & lysine vasopressin, tolerance to hypothermic effect of ethanol, male albino mice, 21606
passive avoidance behavior, CSF levels of arginine vasopressin, male rats, 13849
passive avoidance behavior, 35 vs 60 vs 120 day old male rats homozygous for diabetes insipidus vs heterozygous, implications for role of vasopressin in learning & memory, 3143
physiological state of decreased activation, potentiation of arginine vasopressin secretion, long term meditation vs nonmeditation 22–31 yr olds, 23872
posttraining & pretest effects of ACTH vs epinephrine vs vasopressin vs endorphin & naloxone, retention of inhibitory avoidance, female rats, 19457
role of serotonin & desglycinamide-arginine-vasopressin & denervation of hippocampus, ethanol tolerance, male rats, 600
sc vs icv doses of arginine vasopressin, EEG, rats, 26652
stress induced by confinement & noise & dexamethasone injections, plasma levels of ACTH & oxytocin & vasopressin, rhesus monkeys, 16476
subcutaneous arginine vasopressin & role of dorsal noradrenergic bundle, aversive conditioning, rats, 14058
urinary & plasma vasopressin & mood changes, postpartum females, 581
vasopressin & oxytocin concentration in CSF, schizophrenic patients receiving no drug therapy vs neuroleptic drug treatment, 20376
vasopressin deficiency & restraint &/vs intermittent shock & stress, susceptibility to development of stomach ulcers, 6 vs 18 wk old rats, conference presentation, 19390
vasopressin, memory, humans & animals, literature review, 24035
vasopressin, noradrenaline-induced cyclic adenosine monophosphate accumulation in brain slices, rats, implications for animal learning & behavior, 3294
vasopressin vs vasopressin fragment, genetic influence on vasopressin deficiency & ethanol intake, genotypes of Roman High Avoidance rats, 23950
vasopressin vs vasotocin vs pressinoic acid, brightness discrimination task performance, males rats, 21479

vasopressin with vs without vasopressin antagonist peptide, retention of inhibitory avoidance responding, male rats, 16691
1-desamino-8-dextro-arginine vasopressin, memory, male college students, 21609
1-desamino-8-dextro-arginine vasopressin, 18–37 yr olds with chronic schizophrenia, 18065
1-desamino-8-dextroarginine vs arginine vasopressin with vs without 1-deaminopenicillamine-2-(o-methyl)-tyrosine ABP, conditioned taste aversion, male rats, implications for neural receptors, 23941
3-4-diaminopyridine vs pramiracetam vs centrophenoxine vs piracetam vs aniracetam vs lysine vasopressin, hippocampal cholinergic neuronal activity assessed by choline uptake, male rats, 16794
Velocity
acceleration &/vs accuracy task demands, right vs left hand differences in motor skill, right handed females, 23835
adapting velocity & luminance of high contrast drifting grating, movement aftereffect velocity & duration, 20–40 yr olds, 8166
average movement velocity, RT & spatial accuracy, 21–24 yr olds, 206
comprehension of relationships between time & speed & distance, comments on study by F. Wilkening, 810
comprehension of relationships between time & speed & distance, 5 vs 8 vs 10 yr olds vs adults, 875
developmental acquisition of time &/vs speed &/vs distance concepts, comments on study by I. Levin, 811
direction- & velocity-specific responses from beyond classical receptive field in middle temporal visual area, owl monkeys, 26478
duration of stationary vs velocity of moving visual stimulus, neural responses in Areas 17 & 18 cortical cells, anesthetized & paralyzed cats, 29268
experimental design, study of developmental acquisition of time &/vs speed &/vs distance concepts, reply to comments by J. Crepault, 837
experimental methods, comprehension of relationships between time & speed & distance, reply to criticism of J. Crepault et al, 874
inertia added to head, eye & head positions & velocities during eye-head tracking task, 20–35 yr olds, 21050
judgment of time &/vs speed &/vs distance, 3rd vs 6th vs 9th vs 12th graders vs college students, 836
maximum smooth pursuit eye velocity relative to target velocity, 20–56 yr olds, 234
movement speed & amplitude, accuracy of elbow flexion movement, college students, 204
optokinetic background, perception of velocity of visually tracked moving objects, 18–31 yr olds, 242
pattern vs flicker vs coherent drift thresholds, upper spatial & temporal limits of velocity perception, author & naive S, 222
peak velocity & amplitude of voluntary independent movements of right vs left arm & effects of added weight, adults, 23518
perception of time vs velocity in music, 4–8 vs 10–12 yr olds, 3414
perception of velocity change, 2998
psychological load & speed, tractor operation errors in simulated field, tractor operators, 7896
reference velocity discrimination for central & peripheral vision, just noticeable differences in velocity, 20–45 yr olds, 23560
segmentation & coupling in complex sequences of drawing movements & velocity gain factor, adult Ss, 13530
stimulus velocity vs contrast vs spatial frequency, lower temporal limits of movement perception, author & naive S, 221
variability of kinematic & EMG timing parameters & average movement velocity, premotor & motor RTs, 20–35 yr olds, 23519
variation in motion speed, perception of actual speed & motion & ocular pursuit & image displacement, college students, 13537
varying retinal eccentricity of moving dot vs horizontal vs vertical line segments with same features as stationary background elements, conspicuity, adult Ss, 21104
velocity of moving bar stimuli & masking of all but most sensitive part of receptive field, neural responses in geniculate & Area 17 & 18 cortical cells, cats, 29267
velocity of moving bar stimuli, responses of X- & T-cells in lateral geniculate nucleus, anesthetized & paralyzed cats, 29288
word "fast" vs "slow" & "smashed" vs "hit" in inquiry about filmed accident, estimate of speed of car, 1st–8th graders & college students, 26838
Venereal Diseases [See Also Gonorrhea, Syphilis]
development of Venereal Disease Health Belief Scale for assessment of educational needs, US & Caribbean Black college students, 166
educational program, recognition of social & peer pressures leading to early sexual involvement & parental reinforcement of knowledge, 11–15 yr olds & parents, implications for prevention of sexually transmitted diseases, 18150
physician's approach to sexually transmitted diseases & traumatic problems of sexual intercourse, lesbian & homosexual adolescents, 18160
sexual abuse, vaginitis, 8 & 12 yr old females with Candida albicans & Gardnerella vaginalis infections, 3980
sexual behavior, development of sexually transmitted disease, adolescents, 17008
Venezuela
attitudes toward & positions & disturbances & duration of sleep, Ss aged 50 yrs & older, Australia vs Greece vs Italy vs Mexico vs Spain vs Venezuela vs US, 11043
ethnobotanical & chemical analysis of Indian snuffs, Piaroa Indians, Venezuela, 17181
formation of behavior therapy unit in general hospital, patient treatment & physician training, Venezuela, 10076
intentions & social support & accessibility of contraceptive services, contraceptive behavior, 15–45 yr old females, Venezuela vs Kenya vs Philippines, 29919
reliability & validity of Portuguese- & Spanish-language translation of revised Janis-Field Feelings of Inadequacy Scale, assessment of self concept, 12–19 yr olds, Brazil & Ecuador & Paraguay & Uruguay & Venezuela, 18938
sex & SES & age, family structure & sexual stereotypes & sex roles, 4.5–12.5 yr olds & college students, Venezuela, 29727
Ventricles (Cerebral) [See Cerebral Ventricles]
Ventricles (Heart) [See Heart Ventricles]
Verbal Ability
age differences & verbal ability, response patterns to FI schedules of reinforcement, Ss aged 6 mo to 1.5 vs 2.5–4 vs 5–6.5 vs 7.5–9.5 yrs, 8699
age vs verbal ability, understanding of story as literature vs conversation, 3–5 yr olds, 29620
analytic & cognitive psychological & information processing paradigms, examination of verbal test performance, 16294
assessment of emotions & fantasy & elaboration & analogies & unusual perspective as verbal creative strengths & achievements, male vs female undergraduate psychology vs journalism students vs amateur actors, Brazil, 30051
auditory vs visual stimulus & manual vs verbal response mode combinations & asymmetric transfer, single- & dual-task performance, right handed male college students, 23515
Boston Naming Test, measurement of recognition-cued word-finding ability, 60–85 yr olds, 19616
comprehension & production of explicit vs implicit directive forms, 3 vs 4 vs 5 yr olds, 8791
concept of communicative competence, functional proficiency vs accuracy in 2nd language use & American Council on Teaching of Foreign Languages guidelines, 15708
degree of acculturation & cognitive style, performance on verbal & nonverbal intelligence tests, Anglo vs Mexican American 4th–5th vs 8th vs 12th graders vs college students, 14157
discourse ability & cultural influences on classroom communication & cognitive schema, development of literacy in English, bilingual Hispanic & minority group children, review of research, 21696
dominance of linguistic vs semantic organization, verbal information processing abilities, bilingual 13–18 yr olds, 3459
English interpretation of message of Chinese poem, writing confidence & experimentation with language choices & relationship between language & thought, students, 15700
good vs poor story comprehension, use of cohesive structures in spoken narratives, language disordered vs normal 7.5–10.5 yr olds, 12150
higher level general neuropsychological & verbal/academic skills vs lower level sensory & motor abilities, brain-impaired 9–14 yr olds, 30438

hormones, spatial ability & verbal fluency & perceptual speed & accuracy, male vs female 12.7–23.2 yr olds with congenital adrenal hyperplasia, 20230
hypnosis vs simulation vs waking conditions, verbal & figural creativity, female college students, 5517
lateral location of brain damage, WISC IQ & Verbal & Performance scales scores, 5.4–15.1 yr olds with cerebral palsy, 12199
localized cerebral lesions, scores on Verbal Concept Attainment Test, brain damaged patients, 20120
mathematical & verbal skills, computer aptitude, 12–14 yr old male vs female 8th graders, 28480
model of proficiency in English & obtaining responses to requests & reading achievement, Hispanic & Black 3rd grade 2nd language learners, 18533
narrative vs procedural discourse & task complexity, referential usage impairment & related comprehension & cognitive deficits, 27–55 vs 64–76 vs 77–92 yr olds, 26869
Oral Language/Verbal Ability & Broad Reasoning clusters of Woodcock-Johnson Tests of Cognitive Ability, overcompensating suppressor effects & student abilities appraisal, learning disabled 7.3–11 yr olds vs gifted 7.3–12 yr olds, 31357
orbital frontal lesions secondary to leukotomy, language functioning, schizophrenic patients, 28073
parent-offspring & sibling resemblances for verbal & visuospatial components & total IQ scores, families from manual vs nonmanual social groups, 8384
perceptual strategies & verbal performance & psychopathology & Rorschach response, dyslexic children with mean ages of 8.1 & 9.4 & 10.1 yrs old, 24830
performance & strategies used to obtain correct solution in subject/verb & indefinite article grammatical problems, 16–17 yr olds with Broca's vs Wernike's vs amnesic aphasia, 24942
performance on verbal analogy & classification problems assessed by process execution, college students, 271
reading behavior & prose recall, 18–32 vs over 65 yr olds with average vs high verbal ability, 29639
reliability & validity of English & Spanish language proficiency measures, assessment of listening comprehension & speaking ability, Spanish- & English-speaking Hispanic kindergartners through 3rd graders, 15928
right vs left handed segregation of verbal & spatial tasks, task-hemispheric integrity effect & time sharing efficiency in concurrent task performance, right handed males, 19318
semantic-lexical disintegration, performance on tasks of classificatory activity, patients with aphasia vs right vs left hemisphere brain damage without aphasia, 27560
sensory & perceptual & motor abilities, receptive language abilities, developmental dysphasic 5–9 yr olds, 20104
social class, logical & verbal abilities, 5 vs 9 vs 13 yr olds from urban vs suburban districts of Rome, Italy, 24146
spatial & verbal & mathematical ability & feminist & mathematics attitudes, prediction of achievement in statistics course, male vs female graduate students, 25905
spatial & verbal & mathematical ability assessed by microcomputer games, male vs female adolescents, 19625
speakers' language proficiency, language vs trait evaluation of females speaking Chinese as 2nd language, native Chinese speakers as language or trait judges, 14480
spelling ability for classes of words & verbal comprehension, phonologically dysgraphic 66 yr old female, 24848
structural complexity of stories & vocabulary ability, recall & organization of narrative retellings, learning disabled 7–12.5 yr olds, 20085
structural constituents of sentence completion test items, processing procedures & skill components in verbal comprehension, 6th graders & college students, Israel, 23465
syntactic abilities in production vs comprehension tasks, fluent Wernicke's aphasic 56 yr old male, case report, 27619
tasks requiring verbal processing & asymmetric motor skills, lateral asymmetry in finger localization, right handed 4.9–6.1 yr old females, 3478
use of mnemonics using imagery & imaginal vs verbal thinking ability, memory for story & faces & names, mnemonist, 8255
verbal ability, denial of true vs partially false vs totally false statements, college students, 14083
verbal-intellectual deficits, emotional adjustment as measured by MMPI, male patients with left hemisphere damage, 6767
verbal-performance discrepancies on WISC-R, performance on Luria-Nebraska Neuropsychological Battery-Children's Revision, learning disabled 8–13 yr olds, 10800
vertical vs horizontal-frontal vs -lateral object arrangements, use of correct spatial terms in descriptions, 3–10 yr olds vs college students, 8715
visual & auditory acuity & personal adjustment & academic achievement, verbal & nonverbal scores on New South African Group Intelligence Test, college students, South Africa, 25922
Western Aphasia Battery, differential classification based on primary aspects of language functioning, Ss with aphasia, 18981
Woodcock-Johnson Psycho-Educational Battery Oral Language/Verbal Ability vs Broad Reasoning/Reasoning clusters, learning disabled 2nd–5th graders with different mathematics &/vs reading abilities, 15820
writing speed & general intelligence & social class, linguistic & semantic & ideational factor structure of verbal fluency, male & female 11–18 yr olds, 16917
Verbal Communication [See Also Articulation (Speech), Conversation, Handwriting, Manual Communication, Oral Communication, Pragmatics, Written Communication]
abilities in expression of explicit & implicit meaning, preschool children, 6091
age differences & social interactions, pain expression, 2–24 mo olds receiving immunization injections, 750
age, primary process content & use of drive & concrete & emotional words & lexical diversity in spontaneous fantasy narratives, male vs female 2–11 yr olds, 29658
ambiguous use of word "tact", criticism of Skinner's "Verbal Behavior", 23348
application of rules of conversational commenting, college students, 732
application of Skinner's framework of maladaptive functional relations in verbal behavior, assessment & treatment of behavior problems, clinic clients & practitioners, 4424
automated telephone treatment program, attention to & understanding of verbal messages over the phone, 37–68 yr old aphasic males, 15412
awareness & avoidance of problem solving set in verbal conditioning, 3042
bilateral otitis media with effusion & hearing loss, IQ & verbal comprehension & expression & reading ability & behavior problems, children diagnosed at age 5 yrs & followed up at ages 7 & 11 yrs, 17670
coding & communicative setting, recall & verbal reports of unfamiliar places, college students, 21185
construction & legitimization of teacher & student experience through educational discourses, development of critical pedagogy based on cultural processes, 25768
context of task demands & knowledge of factors affecting listening performance, redundancy in descriptions of pictures for imaginary peer listeners, 1st vs 5th graders, 24152
conversational responses to listeners' request for clarification, speaking vs nonspeaking mentally retarded 23–56.6 yr olds, 30313
counselor's verbal response modes & perceptions of empathy, counselors & clients, 15306
deep-elaborative vs shallow-reiterative cognitive processing & verbal behavior during counseling, college student clients, 27814
development of computer system for observation of multiple channels of communication, assessment of verbal & nonverbal & physiological aspects of interactions, therapists & clients, 13326
development of verb phrase & predication as cohesive devices in narrative, 2–5 yr olds, 29582
disfluency variables & language measures & articulation, 1st–3rd vs 4th–6th grade possible clutterers vs stutterers, 1501
distribution of pronouns & terms of address in interviews & letters & speeches in Socialist Unity Party's publication "Neues Deutschland", German Democratic Republic, 19527
English interpretation of message of Chinese poem, writing confidence & experimentation with language choices & relationship between language & thought, students, 15700
factor structure of formal dynamic cognitive characteristics & verbal & nonverbal signaling, 16–34 yr olds, 5465

factual & nonfactual elements, language, 3351
father absence, family verbal problem solving, families with delinquent vs nondelinquent 12–17 yr old males, 3971
female/male language differences on children's TV & attributional consequences, college students, 14080
fixed code theory of relation between language form & meaning & use, implications for legal processes, 3349
functional independence of mands & tacts, 3.4–5 yr olds, 8754
functionalist perspective of emotion & preverbal development of emotions, infants vs preschool age children vs school age children, literature review, 26882
generality vs specificity bias, observational skills in verbal & nonverbal modes, college students, literature review, 3041
history & psychological significance of verbal game "playing the dozens", young adolescents from different ethnic groups, 3486
information processing performance & susceptibility to external distraction, discourse failure, manic vs schizophrenic patients, 24645
linguistic patterning as indicator of synthetic mental activity, 30–42 yr olds vs Ss over 75 yrs old with vs without Alzheimer's disease, 20143
listener's developmental level, communicative interaction during play, mildy developmentally delayed vs nonhandicapped children with mean ages 6.3 & 5.3 yrs respectively, 20086
live supervision, verbal & nonverbal behavior in family therapy, family therapist supervisors, 7098
managerial attributions & observed verbal behavior, managers & subordinates, 20869
maternal language teaching & filial language learning & verbal interactions in home, 18–35 mo olds in dyads, 6075
mathematical vs psychorhetorical analysis of comprehension & memory of persuasive vs demonstrative discourse, 16296
model for interpretation of verbal predictions, college students, 291
mother-infant interaction in play situation, verbal communication & cognitive skills, abused vs nonabused 8–25 mo olds & their mothers, 24743
number of persons being taped & degree of intervention & nature & degrees of freedom in instructions & intervention & comfort in environment & task variables, generation of verbal reports, college students, 28488
palliative vs sedative linguistic form, influence attempts, dyads, 27136
perception of argumentativeness & verbal aggressiveness of superiors, argumentativeness & job satisfaction, subordinates in organizations, 23264
physical attractiveness stereotyping in verbal messages & sexism on TV commercials, college students, 21882
positive verbal suggestions about health & longevity during state of relaxed responsiveness, mortality rate, elderly nursing home residents, 27887
processes involved in verbal slips of tongue or Freudian slips, 26767
program with daily parental oral reading, vocabulary & verbal comprehension, nursery school children, 18501
programed concept training, performance on definition vs exemplification vs example identification questions, college students, 16287
rating of facilitating verbal activities with children, childcare workers & their colleagues & other educators, 15376
rehabilitation therapy with semantic divergent techniques, volume & variability of verbal performance, 24–65 yr olds with aphasia, 10139
relational shift of emotional separation through explicit communication, adult twins, literature review, 16970
religion & cultural factors & language barrier, hospital medical treatment, North African immigrant workers, France, conference presentation, 7418
religious beliefs & cultural & language barriers, psychotherapeutic processes, North African immigrants, France, conference presentation, 7039
role of discourse in treatment of juvenile delinquents, social workers & educators & vocational trainers, 4634
self rated proficiency & difficulty & language of thought when speaking vs listening vs reading vs writing nondominant language, bilinguals, 24057
semantic analysis of sentence structure & speech sequences, language therapy & psychotherapy, children, 4546
sensorimotor development & pragmatic & communication skills, transition from preverbal to verbal communication, children with Down's syndrome assessed at 13 mo & 2 & 3 yrs of age, longitudinal study, 27478
sensory modality of mental imagery, eye movements & spoken predicates, college students, test of neurolinguistic programing theory of R. Bandler & J. Grinder, 8140
shared verbalizations & foreign language, communication with analyst, multilingual 7 yr old female, 7049
symbolic play, language comprehension & narrative competence, children, literature review, 3401
symbolism of verbal & nonverbal communication, 5974
textual & information-theoretic indexes, rhetorical criticism of communication style, 8641
topic maintenance in Japanese narratives & conversational interaction, 720
transfer stimulus control, acquisition & maintenance of productive intraverbal behavior, mentally retarded 13–16 yr olds, replication of S. J. Braam & A. Poling's study, 18014
use of word "tact" in Skinner's "Verbal Behavior", reply to comments of U. T. Place, 23353
verbal & nonverbal aspects of group storyreading & literacy socialization, 3–5 yr old students, 2350
verbal & nonverbal communication, functional & dysfunctional families with adolescents seeking vs not seeking counseling, 14542
verbal & nonverbal social cues & signaling of expectations, teaching-learning events in classrooms, teachers & students, 2459
verbal ability, denial of true vs partially false vs totally false statements, college students, 14083
verbal expression of gratitude as expression of social inequality, Tamil speakers, South India, 26959
verbal interaction in suburban therapeutic communities, drug free lifestyle vs relapse to street crime & illicit drug use, drug addicts, 2183
verbal interactional analysis techniques, analysis of negotiations with perpetrators in hostage taking & barricades & suicide attempts, police psychological personnel & trainers, 13158
verbal practice training with vs without modeling, consistent response to form & direction of client anger, graduate students in mock counseling sessions, 10202
verbal/vocal vs nonverbal cues, communication of hostile dominant vs hostile submissive vs friendly dominant vs friendly submissive interpersonal styles, male college students, 6344
views of L. Vygotsky on verbal regulation of thinking skills, relevance for parents & educators, 16945

Verbal Comprehension [See Also Listening Comprehension, Reading Comprehension, Sentence Comprehension]

ability for understanding of instructions & communication of steps in sequence & rephrasing of verbal messages, 6 & 7 yr olds with learning disabilities, 3-yr longitudinal study, 20082
ability to interpret proverbs as method of studying speech & thought disturbance, schizophrenic patients, 9261
ability to recall & summarize prose passages, 18–26 vs 64–70 yr olds, 24119
acquisition & assessment of language comprehension skills, young normal hearing vs hearing impaired children, 24968
affirmative vs negative context, understanding of "to know" & "to think" & modality of belief, 4–5 yr olds, France, 790
agrammatism in terms of speech comprehension & psychological theories & problems of telegraphic speech & relationship between paragrammatism & sensory aphasia, case illustrations of soldiers who suffered head wounds, 27585
allegory vs metaphor comprehension assessed by multiple choice matching task, 6 vs 8 vs 10 vs 12 yr olds, 29659
assessment of foreign language comprehension, Turkish 7–11 yr olds, Denmark, implications for educational diagnosis, 7756
audio information presented with vs without visual cues & age, language comprehension, 30–79 yr olds, 14174
auditory training, speech perception & comprehension, hearing impaired 1st–3rd graders, 4926
automated telephone treatment program, attention to & understanding of verbal messages over the phone, 37–68 yr old aphasic males, 15412

bilateral otitis media with effusion & hearing loss, IQ & verbal comprehension & expression & reading ability & behavior problems, children diagnosed at age 5 yrs & followed up at ages 7 & 11 yrs, 17670
comprehension & interpretation of metaphors, college students, 11362
comprehension & production of explicit vs implicit directive forms, 3 vs 4 vs 5 yr olds, 8791
comprehension & recall of stories, children, literature review, 29605
comprehension of actional vs experiential passive verbs, 1st & 3rd & 6th graders vs preschoolers, 867
comprehension of "ask" & "tell", children, comments on evidence & criticisms of C. Chomsky, 29656
comprehension of indefinite pronouns & quantifiers in pragmatic contexts in comic strips, profoundly hearing impaired 7–23 yr olds, 22345
comprehension of indirect requests in unstructured conversation vs prefaced by instructions clarifying illocutionary force, mentally retarded vs autistic adults, 11887
comprehension of nonverbal metaphoric similarity, figurative language production & comprehension, 5 vs 7 vs 10 yr olds, 29593
comprehension of physical action vs mental verb passives, 4–11 yr olds, 8761
comprehension of Polish metaphoric phrases, 19–45 yr old applied linguistics & Polish philosophy & psychology students, Poland, 29511
computerized testing, evaluation of verbal comprehension vs spatial-visual reasoning & memory abilities & learning & attention & psychomotor skills, 23443
consecutive explanatory vs parallel descriptive text structures, retelling of text or its reproduction, patients with brain damage vs receptive vs motor aphasia, 6832
contextual meanings, constraint of lexical access & word recognition, college students, implications for language comprehension, 29080
development of explanation & its expression in storytelling & comprehension of narrative sequences, 5–10 yr olds, 24155
development of natural language processing system with modular knowledge sources, 8032
event-related potentials during verbal comprehension task, college students, 29269
feedback of listener understanding of communication, understanding of message ambiguity & communicative performance, preschool age children, 6083
good vs poor story comprehension, use of cohesive structures in spoken narratives, language disordered vs normal 7.5–10.5 yr olds, 12150
impairment of ability to name visually presented stimuli with comprehension of corresponding names, 69 yr old female with optic anomia, 6844
integration of fricative-vowel syllable information across nonlinguistic sounds, adult Ss, 24060
language comprehension vs spatial discrimination tasks, hemispheric asymmetries in visual EPs, normal 22–37 yr olds, 3156
left basal ganglia infarctions following stroke, auditory vs written language comprehension deficits, 15–70 yr old aphasic patients, 1663
literal & nonliteral meanings in comprehension of idioms, 23597
literal vs applied test questions, assessment of conceptual comprehension, college students, 31386
literal vs pragmatic factors, sensitivity to contextual appropriateness conditions for & comprehension of French adverbs, 34–75 yr olds with vs without aphasia, 27583
mathematical vs psychorhetorical analysis of comprehension & memory of persuasive vs demonstrative discourse, 16296
memory ability word recall & recognition & verbal fluency & language comprehension, 50–68 yr olds with Alzheimer's disease, 1604
narrative vs procedural discourse & task complexity, referential usage impairment & related comprehension & cognitive deficits, 27–55 vs 64–76 vs 77–92 yr olds, 26869
number correct vs weighted scores scoring conventions for Token Test & Reporter's Test, auditory comprehension vs expressive language skills, kindergartners through 9th graders, 25920
order of acquisition of intonation comprehension involving different groupings & nucleus placements & context-wide vs -limited tones, male vs female 10 yr olds vs college students, 8717
order of enunciation of objects & properties of actions to be drawn, order in which objects are drawn, kindergarten & elementary school students, 19592
performance on comprehension & verb-choice & definition tasks, assessment of presuppositions of "know" & other cognitive verbs, 3 vs 4 vs 7 yr olds vs college students, 8685
positive vs explicit vs implicit negative comparisons, completion of picture based on grammatical subject vs object of sentence, English- vs Italian-speaking 7–10.3 yr olds, 8733
prepositions & verb aspect in narrative understanding, college students, 19530
presentation of high frequency environmental print with varying amounts of nonprint information, matching print to signified object & use of verbal labels, language disordered 3.5–6.1 yr olds, 12148
presentation of objects at same height vs with smaller object higher than bigger one, comprehension of "big", Spanish- vs English-speaking 3.2–4.3 vs 5.4–5.9 yr olds, Spain vs England, 8737
priming effect & depth of automatic spreading activation in pronunciation vs lexical decision, college students, 29072
production & comprehension of work order, 26–77 yr old agrammatic speakers, replication of studies by F. M. Saffran et al & M. F. Schwartz et al, 27597
reading ability, language comprehension & production & grammaticality, 8 yr olds, implications for assessment of reading disabilities, 14171
receptive language processing & ear advantage, 7.5–13.5 yr olds with Down's syndrome, 1475
self perception of comprehension of literal vs nonliteral utterance in story, 7 vs 10 yr olds vs college students, 21676
self rated proficiency & difficulty & language of thought when speaking vs listening vs reading vs writing nondominant language, bilinguals, 24057
source of story vs set vs passage length vs content, detection of logical inconsistencies in oral communication, kindergartners & 1st graders, 24142
speech errors as way of understanding fundamental aspects of cognitive processing of language, college students, 29106
speech vs text output from computer terminal, understanding instructions for electronic mail application, 17–29 yr olds, 10944
spelling ability for classes of words & verbal comprehension, phonologically dysgraphic 66 yr old female, 24848
structural complexity of stories & vocabulary ability, recall & organization of narrative retellings, learning disabled 7–12.5 yr olds, 20085
structural constituents of sentence completion test items, processing procedures & skill components in verbal comprehension, 6th graders & college students, Israel, 23465
structure of lexicon & lexical accessing, implications for computer models of language & perception & comprehension, 2827
syntactic & prosodic cues to sentence boundaries, RT on identification of completed status of sentences, English- & Hebrew-dominant college students, Israel, 14085
syntactic abilities in production vs comprehension tasks, fluent Wernicke's aphasic 56 yr old male, case report, 27619
traditional vs rich vs extended/rich vocabulary instruction & frequency of instructional encounters, verbal processing skills, 4th graders, 10359
understanding of legal language & relationship to sense of fairness & view of legal professionals of most important concepts to understand, juvenile delinquents & probation officers & attorneys & judges, Canada, 17133
use of pragmatic information & contextual constraints, pronoun assignment, 19–37 vs 57–84 yr olds, 29624
use of world knowledge on discourse integration vs lexical decision task, incorporation vs compartmentalization of new information, college students, 5471
verbal comprehension & perceptual organization & cognitive differentiation, learning disabled vs neurologically impaired 6–11 yr olds, 24824
verbal vs visual presentation, recall & text comprehension, 5–6 yr olds, 11441

voice onset time identification of synthetic speech stimuli "ga" & "ka", aphasic 44–83 yr olds, Japan, 27586
3-stage model, serial processing in metaphor comprehension, college students, 23604
Verbal Conditioning [See Verbal Learning]
Verbal Fluency
ability to decide on superordinate category membership, measurement of retrieval failure in verbal fluency tasks, 67–92 yr olds with vs without senile dementia, 27528
application of technology to acquisition of language & conversational ability, 3–7 yr olds with cerebral palsy & female 48 yr old with dysarthria, 9960
ascribed status & lexical diversity & accent, perceived status & solidarity & control of speech style, college students, 19813
basic & subordinate level naming of objects in outline drawings, 50–66 yr olds with agrammatic Broca's aphasia vs 55–65 yr old fluent aphasia, 27507
cognitive & 1st & 2nd proficiency variables, prediction of ability to make 2nd language grammaticality judgments & correct deviations, French-speaking college students in English classes, Canada, 5970
cognitive development training, verbal fluency & word recognition ability, 5th graders in bilingual classes, 18506
Comprehension & Similarities & Vocabulary subtests of WAIS & verbal fluency test, assessment of frontal lobe impairment, Parkinsonian vs left or right frontal lobe damaged patients, 24943
consonant attraction, linking at phonetic syllable level & verbal fluency, native English-speakers vs German-speaking learners of English, 14090
dichotic presentation of Dutch words, hemispheric lateralization & 2nd language proficiency, near- vs nonbilinguals, Netherlands, 5710
disfluency variables & language measures & articulation, 1st–3rd vs 4th–6th grade possible clutterers vs stutterers, 1501
electroglottographic & acoustic waveforms of onset of voicing in stuttered vs fluent utterances, 21–48 yr old stutterers, 4080
fluency & comprehension level, comprehension of sentences in isolation vs at end of paragraphs with vs without adherence to given-new structure, aphasic 23–80 yr olds, 17564
functional language program based on characteristics of standard early language environment, language ability, hearing impaired 10–12 yr olds, 7690
head movements & speech dysfluencies, 20–30 yr old hospital staff members, 14088
homogeneous vs heterogeneous pictured items within 1 vs several semantic categories, response latencies & confrontation-naming performance, fluent vs nonfluent 27–78 yr olds with aphasia, 12299
instruction in regulated respiration technique with vs without help, verbal fluency in laboratory vs over phone & taped vs not taped, 15–37 yr old stutterers, 20099
intensive inpatient relaxation & breathing exercises & speech therapy, maintenance of fluency, 22–54 yr old stammerers, 25–61 mo followup study, 1970
measurement of daily verbal behavior & active basic vocabulary, 5–15 yr olds, 873
memory & use of schemata & social contextual interactions, language comprehension & production, male dyslexic school age children, 6679
memory ability word recall & recognition & verbal fluency & language comprehension, 50–68 yr olds with Alzheimer's disease, 1604
participation in precision fluency shaping model of therapy, manipulation of vowel duration to achieve fluency, adult stutterers, 1971
progressive supranuclear palsy, verbal fluency, 66 yr old male, 20192
right hemisphere stroke, dysfluency characterized by verbal reiterations & automatisms, 50 yr old right handed male, 20111
self rated proficiency & difficulty & language of thought when speaking vs listening vs reading vs writing nondominant language, bilinguals, 24057
semantic classification of basic vs superordinate vs function relations, 17–78 yr olds with fluent vs nonfluent aphasia, 20207
semidirect componential testing vs integrative & discrete point testing vs oral interview, oral fluency evaluation in 2nd language education, 15904
sequential unimanual tapping task, speech fluency & hand performance, 16–54 yr old male left vs right handed stutterers vs nonstutterers, implications for cerebral dominance, 20100
Spanish speech samples made by range of native & nonnative speakers & rater characteristics, affective & evaluative language attitudes & affective response to speaker & social distance, native Spanish speakers, 9106
Spanish vs English phonological & syntactic structure, frequency & location fluency breakdown, 50 yr old male bilingual stutterer, 1499
speech disfluencies, interruptive behavior, mothers interacting with own vs unfamiliar 4–5.9 yr old stutterers vs nonstutterers, 4087
speech disfluencies, speech rate in dyadic conversations, 4–5.9 yr old stutterers vs nonstutterers & their mothers, 4088
speech therapy, speech fluency & elective & narrative language, 18–71 yr olds with Broca's vs Wernicke's vs amnestic aphasia, 28028
stuttering as involuntary loss of control of fluent speech, comments on W. H. Perkin's definition, 30343
stuttering as loss of control over speech fluency, therapeutic implications, reply to comments by R. Martin & S. Haroldson, 30346
syntactic abilities in production vs comprehension tasks, fluent Wernicke's aphasic 56 yr old male, case report, 27619
temporal parameters of acoustic waveform for word-initial /p/ & /b/, preschool & school age stutterers, 1504
test-retest reliability for verbal fluency test, patients with dementia syndrome, 8061
Verbal Learning [See Also Nonsense Syllable Learning, Paired Associate Learning, Serial Anticipation (Learning), Serial Learning]
adjunct questions & objectives, retention of verbatim & semantic information & concepts & principles in prose learning setting, literature review, 4847
auditory vs visual presentation of words, word learning & immediate & delayed recall, medical students, 21169
categorization level, sight word learning & recall, 5.9–6.7 prereading 1st graders, 4887
classical conditioning & individual differences of social reinforcement responses in vicarious verbal conditioning, high school students, 21174
connectionist models of perception & production of words & positive feedback, 7996
context effects & encoding specificity, verbal discrimination learning, college students, 11015
contextual knowledge & self- vs other-selection of computer command names, recall of context knowledge & names, 18–60 yr olds, 26362
EEG, measurement of cognitive functions during verbal memory span testing, children with epilepsy, 1623
grammatical exercises, learning verbal material, hearing impaired 7–8 yr old students, 10508
homogenous vs heterogenous word lists presented twice, prediction of recall during 1st vs 2nd presentation, college students, 13694
instructions to expect spatial/locational vs verbal/event posttest, recall of map-prose information, high school students, 13141
interaction of physostigmine & scopolamine, verbal learning, college students, conference presentation, 5875
list organization, item recognition RT, college students, 11004
morning vs afternoon, incidental visual memory for words & ability to solve verbal analogies, normal vs learning disabled vs educable mentally retarded children, 6691
nonsense-syllable stems with varied accessibility of segment & feature categories & place/manner articulation of possible suffixes, learning of suffixing & phonological rules, college students, 13650
picture of sentence's subject or object or no picture, story learning & recall, 3–5 yr olds, 11414
proactive interference & development of verbal learning & retention, normal vs mentally retarded 4th vs 6th vs 8th graders, 9418
prose & list learning, free recall, meta-analysis of list & prose learning literature, 8248
recall of word lists while happy vs sad, college students, replication of study by G. H. Bower et al, 13700

referent object familiarity, verbal learning, sighted college students vs congenitally blind 24–60 yr olds, 20239
self control of actions & self regulation, simple verbal learning, students & mentally retarded Ss, implications for improvement of scholastic instruction, 31292
serial anticipation vs complete presentation method, retention of erroneous responses in verbal learning, 4th–6th graders, 8688
single exposure of new word in conversation vs story vs paired with definition, initial phase of word learning, 4–11 yr olds, 816
subjective organization, temporal contiguity of recall in multitrial sequence, male college students, 13688
verbal memory failure, individuals with mild vs moderate Alzheimer-type dementia, 1616
verbal paired associate learning, abstinent chronic male alcoholics, 12123
word finding problems, 2 yr old male, implications for child lexical organization & form & meaning acquisition, Netherlands, 818
Verbal Meaning [See Also Word Meaning]
ability to interpret proverbs as method of studying speech & thought disturbance, schizophrenic patients, 9261
ambiguous use of word "tact", criticism of Skinner's "Verbal Behavior", 23348
consecutive explanatory vs parallel descriptive text structures, retelling of text or its reproduction, patients with brain damage vs receptive vs motor aphasia, 6832
conversation & iterative knowledge & intersubjectivity, 19534
depth of processing vs idea unit level vs text organization, proportion recalled vs estimated recall of prose text, college students, 325
development of color naming, young children, 6044
irony in psychotherapeutic processes, 12411
literal & nonliteral meanings in comprehension of idioms, 23597
literal content of verbal message vs intended level of vocal intonation, encoding of paralinguistic affect, male vs female 6th graders, 26850
nonverbal oppositional moves & presuppositional claims & semantic basis & violation of local social norms, arguments, 6–7 yr olds in classroom reading groups, 6137
participants' vs analyst's hearing of conversational utterance, interpretation of conversational meaning, 24049
processes involved in verbal slips of tongue or Freudian slips, 26767
semantics & pragmatics of locative expressions & their meaning, implications for artificial intelligence & linguistics, 21635
sexual arousal & level of sex anxiety, sexual double entendre responses to asexual stimuli, college students, 8222
use of conceptual base & interpretive processes, ranking sentence in terms of representation of meaning vs excellent vs poor interpretation of proverb, college students, 5459
use of word "tact" in Skinner's "Verbal Behavior", reply to comments of U. T. Place, 23353
verb form & semantic sense & duration, selective imitation & paraphrasing of perfect, 4.4–5.9 yr olds, 827
Verbal Reinforcement [See Also Praise]
contingency reinforcement of cooperation vs contingency of cooperation involving verbal feedback, basic behavior, severely retarded children, 9867
correspondence training & verbalization reinforcement & indiscriminable contingencies, maintenance of target classroom behaviors, 4 yr old preschool students, 28506
physical & verbal stroking in transactional analysis, withdrawn social behavior, 70 yr olds & older from skilled-care nursing home, 7044
positive vs negative verbal reinforcement, cognitive task performance, extraverted vs introverted college students, partial support for J. A. Gray's theory, 30004
role of blank, verbal reinforcement contingencies, college students, Japan, 5477
verbal reinforcement, WAIS scores, White college students with high vs low anxiety, 9127
Verbal Stimuli
categories of information in picture-text procedural instructions, performance on assembly tasks, college students, 273
closed vs open class words, interference effects in nonword classification, college students, 3033
complexity of verbal task, EEG activation in left vs right hemisphere, adults, 5711
continuous visual & aural presentation of nouns, forgetting rates & long term retention in word recognition & modality identification tasks, 3rd & 4th graders vs college students, 14164
critical stimulus durations, verbal & nonverbal visual discriminations of 100 percent accuracy, adults, 19030
dichotic vs visual presentation of word pairs with pre- vs postvocalic minimal phonemic contrasts, RT, 57–84 yr olds with severe aphasia, 4190
frequency in language & visual clarity of verbal stimuli, response latency in word-nonword classification task, college students, 29105
gated speech stimuli, anticipatory coarticulation of vowel gestures, apraxic vs dysarthric 51 vs 29 yr olds, 6706
generation effects for high vs medium vs low frequency words vs nonwords, college students, criticism of L. A. McElroy & N. J. Slamecka's study, 19147
horizontal vs vertical word orientation & letter symmetry & report order variables, left vs right visual field word recognition, right handed college students, 5665
lists of words embedded in ridiculous vs logical story, free recall & rates of learning, amnesic 43 & 46 yr old males, 20187
measurement of individual differences, visual vs verbal consumer information processing, college students, 7909
monaural vs binaural presentations of spoken words, asymmetry of evoked alpha & theta EEG responses, right handed 20–30 yr olds, 5690
nonword spelling & biasing, 9–11 yr olds vs college students, 801
nonwords with vs without function vs content word as 1st syllable, lexical decision RT & nonword interference, Dutch speakers, replication of lexical hypothesis on agrammatism of D. C. Bradley et al, 5464
number of familiar items & their syllabic complexity, capacity & acoustical aspects of short term memory for Chinese vs English words & idioms, native Chinese speakers, test of chunking & acoustical loop hypotheses, 21195
number of repetitions of relevant vs irrelevant & phonetically related vs irrelevant cues, problem solving, female vs male 8–12.4 yr olds, 19584
photographs of stimulus persons with vs without verbal trait descriptors, recall of trait information, college students, 10973
photographs presented alone vs followed by unrelated vs related verbal information, subsequent picture recognition, college students, 11031
place of articulation vs consonant transition duration in series of consonant-vowel syllables, left- vs right-hemisphere auditory evoked responses, right-handed college students, 5697
presentation of single words on card forming simple declarative sentences vs word strings, recall of words, 3rd grade skilled vs unskilled readers, replication of J. T. Glithrie & S. J. Tyler's study, 8709
presentation of words in 1st vs 2nd languages, acoustic vs semantic coding in long term memory, 18–30 yr old Hindi- or Nyanja-English bilinguals, 5973
pseudohomophone-word vs nonword-word primed letter strings, lexical activation for word recognition based on use of grapheme-grapheme rules vs phonology, adults, 21168
role of explicit vs implicit material in information retention & recognition process, 7–14 yr olds, 831
RT to monaurally presented verbal stimuli, 3.9–4.2 yr olds, implications for right hemispheric superiority, 26819
scopolamine hydrobromide, free recall & recognition of dichotically presented nouns, female Ss, 5838
strategies for serial order recall of items in texts, high school students, 8730
test-retest reliability of dichotic listening task, measurement of lateralization of receptive language, 33–65 mo olds, 28958
verbal stimuli presented with unrelated vs thematically-related materials, prediction for retroactive interference effects in recognition memory, college students, 5491
verbal vs visual-perceptual or phonetic stimulation of right vs left hemisphere, event related potential amplitudes & reading & spelling ability, dyslexic children, 6675
verbal vs visual presentation, recall & text comprehension, 5–6 yr olds, 11441

visual presentation of secondary words during easy vs medium vs hard mental arithmetic problems, long term storage of attended vs unattended information, college students, 307
word vs syllable training, production of target phonemes in trained vs generalization contexts, severely & profoundly hearing impaired 6.2–12.3 yr olds, 7299
Verbal Tests
analytic & cognitive psychological & information processing paradigms, examination of verbal test performance, 16294
pictorial & verbal expression using Fairy Tale Test, schizophrenic 10–15 yr olds, 19992
validity of Reynell Developmental Language Scales & Stanford-Binet Intelligence Scale & PPVT, prediction of WISC-R scores 4–8 yrs later, 3 & 5 yr olds, 26246
Verbalization [See Oral Communication]
Verbs
acquisition of morpheme "-ing" & overgeneralization of progressive form to stative verbs, 4.2–6.5 yr olds, 839
affirmative vs negative context, understanding of "to know" & "to think" & modality of belief, 4–5 yr olds, France, 790
child language theory & children's acquisition of tense & aspect, comments on attempt by R. Weist et al to adopt linguistic theory as psychological theory, 860
comprehension of actional vs experiential passive verbs, 1st & 3rd & 6th graders vs preschoolers, 867
comprehension of "ask" & "tell", children, comments on evidence & criticisms of C. Chomsky, 29656
comprehension of physical action vs mental verb passives, 4–11 yr olds, 8761
development of verb phrase & predication as cohesive devices in narrative, 2–5 yr olds, 29582
event & verb tense & presence of context, attribution of coreference of personal pronouns with verbs "to say" & "to ask," Ss with mean ages of 5.5 vs 7.0 vs 8.5 yrs, 6077
goals in teaching & learning phrasal verbs in English as a foreign language, 31175
individual differences in spelling strategies for orthography of verbs, 16–18 yr olds, Netherlands, 21632
judgments of grammaticality of transitive verbs in sentence pairs, 3–4 yr olds, 29612
performance on comprehension & verb-choice & definition tasks, assessment of presuppositions of "know" & other cognitive verbs, 3 vs 4 vs 7 yr olds vs college students, 8685
prepositions & verb aspect in narrative understanding, college students, 19530
semantic & morphological nature of verb usage, educable mentally retarded 8.6–9.6 vs 10–12.6 yr olds, Israel, 1486
spontaneous use of Dutch verbs "ask" & "make known" & "tell," young children, Netherlands, 8749
"teaching grammar" of communicative functioning of passive voice, teachers of English as foreign language, 4841
use of verbs in naming causality in interactions between speakers & role of measuring technique, Afrikaans- vs English-speaking college students, South Africa, replication of experiment by R. Brown & D. Fish, 19539
variety & frequency of own vs other's mother's input, lexical coding & acquisition of inflectional & syntactic use of verbs, male between 2.3–2.7 yrs old & female between 1.5–1.9 yrs old, 8720
verb form & semantic sense & duration, selective imitation & paraphrasing of perfect, 4.4–5.9 yr olds, 827
verb pattern information, usage of verbs having to do with giving, high school & college students & professionals who spoke English as 2nd language, Hong Kong & Australia, 18527
Verdict Determination [See Adjudication]
Vergence Movements [See Eye Convergence]
Verification (of Theories) [See Theory Verification]
Vernier Acuity [See Visual Acuity]
Vertebrates [See Also Amphibia, Baboons, Bats, Birds, Blackbirds, Budgerigars, Canaries, Carp, Cats, Cattle, Chickens, Chimpanzees, Cichlids, Deer, Dogs, Dolphins, Doves, Ducks, Electric Fishes, Fishes, Foxes, Frogs, Geese, Gerbils, Goats, Goldfish, Gorillas, Guinea Pigs, Hamsters, Horses, Lemurs, Lizards, Mammals, Marsupials, Mice, Monkeys, Norway Rats, Opossums, Pigeons, Pigs, Primates (Nonhuman), Quails, Rabbits, Rats, Rodents, Salamanders, Salmon, Sea Gulls, Seals (Animal), Sheep, Snakes, Squirrels, Sticklebacks, Toads, Turtles, Wolves]
bleaching of rhodopsin in isolated retina & background light & test flashes, responses of photoreceptors & increment thresholds, skates, conference presentation, 540
cerebral lateralization & evolution of brain morphological asymmetries, lower vertebrates, 519
neuroethology underlying behavior, vertebrates, 502
role of spinal cord & cerebellum, control of locomotor behavior, lower vertebrates & mammals, 5682
Vertigo
correlation between dizziness symptoms & anxiety, 20–78 yr olds with tinnitus, 27571
equilibrium tests for & role of limbic system in vertigo of psychosomatic vs olfactory origin, psychiatric & traumatized patients, 12216
evaluation & outcome, patients presenting to emergency room with psychogenic or physically or drug-induced dizziness, 20198
eye movement model based on gaze center in parapontine reticular formation, interpretation of pathological patterns, vertiginous patients, conference presentation, 1576
psychotherapy vs anxiolytic vs antidepressant therapy & client characteristics, patients with functional vs organic postural vertigo, 17714
spontaneous & positional nystagmus & caloric reactions & vertigo, 12.8–67.8 yr olds with vestibular neuronitis, 1-mo & 1-yr followups, conference presentation, 1640
vertigo & changes in blood glucose levels & nystagmus, 19–65 yr olds with insulin-dependent diabetes mellitus, conference presentation, 1587
Vestibular Apparatus [See Also Semicircular Canals]
anatomy & physiology of vestibular system, 13841
assessment of vestibular function, children, implications for clinicians, 14127
caloric nystagmus test, measurement of vestibular function, 17–50 yr olds, conference presentation, 1525
computer-based diagnosis & drug treatment, vestibular disorders, conference presentation, 1962
difficulty in driving due to disorder or interpretation of information from vestibular system, 43–62 yr olds, 22313
ethanol, visual-vestibular interaction during active & passive head movements, 11272
heart rate conditioning as assessment technique, hearing threshold with vestibular apparatus, normal vs fenestrated deaf pigeons, 19414
lesions of interstitial nucleus of Cajal, vestibular horizontal canal neurons, cats, 26602
mediation of horizontal canal signals to ipsilateral medial rectus motoneurons by vestibular nuclear neurons, anesthetized vs decerebrate albino rabbits, 21306
pure tone audiograms & speech discrimination & nystagmus, 21–49 yr old helicopter pilots, conference presentation, 490
rotational magnification of corrective spectacles, gain of vestibulo-ocular reflex, 22–74 yr olds with myopia vs hyperopia, 20127
single vs multifrequency sinusoids technique, evaluation of vestibulo-ocular reflex & semicircular canal function in rational testing, 19–62 yr olds, 26545
slow & constant velocity rotations tilted at various angles from vertical, responses of neurons sensitive to static tilt in vestibular nuclei, decerebrate cats, 23916
spontaneous & positional nystagmus & caloric reactions & vertigo, 12.8–67.8 yr olds with vestibular neuronitis, 1-mo & 1-yr followups, conference presentation, 1640
spontaneous electrical activity in efferent vestibular system, activity level in vestibular primary afferents, spinalized toadfish, 26500
stimulation of peripheral optokinetic vs rotatory nystagmus, modulation of visuo-ocular reflex, 25–34 yr olds, 19078
time constants & gains, vestibulo-ocular reflex from primary nystagmus, 2 mo to 11 yr olds vs 18–31 yr olds, 26801

vestibular & otoneurological functioning, 15–75 yr olds with acoustic neuromas, conference presentation, 1649
vestibular compensation following placements of posterior vermectomy & uvulonodulectomy, squirrel monkeys, 16529
vestibular disorders, developmentally delayed 3.5–5.5 yr olds with vs without otitis media, 4196
vestibular dysfunction, academic performance, learning disabled 8–12 yr olds, 17526
Vestibular Nystagmus [See Nystagmus]
Vestibular Stimulation [See Somesthetic Stimulation]
Veterans (Military) [See Military Veterans]
Vibration
air conducted &/vs vibratory stimuli applied to shell, brain stem evoked responses, box turtles, 3161
dissociation between joint position sense & vibratory sense, 53 yr old female & 61 yr old male with compressive cervical myelopathy, 30457
inhibitory effect of acupuncture, vibration-induced finger flexion reflex, 22617
local vibration applied to gastrocnemius soleus &/vs tibialis anterior muscles, pre- & postsynaptic inhibition at motoneuronal level & inhibition of H-reflex, 18–37 yr olds, 26512
low frequency sinusoidal & random whole body vibration, wakefulness assessed by EEG, 22–38 yr olds, 23890
mental strain, psychophysiological tolerance to vibration, 3205
temporal integration & resonant frequency & structure & reliability, detection of auditory thresholds at high frequency level, college students, 5432
therapeutic vibration techniques, mentally & physically handicapped, 4262
vibration exposure of hand, acute impairment of skin mechanoreceptive units, healthy Ss, 23894
whole-body vibration, sensorimotor performance with conventional helicopter stick vs arm-side controller in position vs force control modes, right handed 23–40 yr olds, implications for design of instrument flying controls, 29035
Vibrotactile Thresholds
airpuffs delivered to hairy dorsum vs glabrous thenar eminence on hand, RTs & detectability, 29–45 yr olds, 19042
backward masking, vibrotactual perception of number of line segments in target, adult Ss, 21046
exposure to lingual vibrotactile magnitude estimation procedure, magnitude production, college students, 19039
frequency of vibrotactile stimuli, lingual detectability, 19–27 yr olds, 13529
lingual vibrotactile threshold vs suprathreshold values, 18–28 yr olds, 13526
lingual vibrotactile thresholds vs suprathreshold magnitude exponents, 18–28 yr olds, 2963
magnitude-estimation response pool, production of lingual vibrotactile magnitudes, 18–40 yr olds, 19040
menstrual cycle, vibrotactile sensitivity, 18–26 yr old females, 3187
pulse number & contactor size, lingual vibrotactile thresholds, college students, 29034
single-session repetitive judgments, magnitude estimation scales for lingual vibrotactile sensation, college students, 13872
stability of vibrotactile fusion thresholds of tongue & hand, adult males trained in psychophysical techniques, 1-yr study, 13525
vibration exposure of hand, acute impairment of skin mechanoreceptive units, healthy Ss, 23894
vibratory stimuli of varying frequency & duration applied to glabrous vs hairy skin of hand, quality of sensations & detection vs vibration thresholds, 22–34 yr olds, 8148
vibrotactile sensitivity & stress pattern recognition, 26–32 yr olds with hearing impairment, 24885
Vicarious Experiences
cognitive scripts & vicarious learning, organizational behavior, 2650
positive vs negative vicarious reinforcement, development of assertive behavior in covert modeling paradigm, female high school & junior college students, 15106
vicarious traumatization, 10 yr old son of Vietnam veteran suffering from posttraumatic stress disorder, 11997
Vicarious Reinforcement [See Vicarious Experiences]
Victimization
abuse-provoking characteristics, institutionalized mentally retarded clients with mean age of 29 yrs, implications for staff training, 25516
age & race & marital status & sex & residential & household characteristics, risk of homicide victimization, lifestyle approach analysis of homicide rates, 14714
alcohol-related social victimization, adult victims of drinkers, 14694
alternative classification system, assessment of psychological impact of criminal victimization, 60–87 yr old victims, 1121
attributions of victim responsibility, liberal vs conservative college students, 19831
child pornography & sexual exploitation of children, conference presentation, 24810
child sexual abuse, traumatic sexualization & betrayal & stigmatization & powerlessness, victimized children, 9375
content of seminar on sexual victimization, college students, 15713
dynamics of victim-bully relationship in school, implications for intervention, 15783
emotional reactions to patient assault, nurses, 15515
fear of crime & mental health, elderly, implications for counseling & treatment, 14957
handwriting psychology & automatic writing under hypnosis, identification & specification of traumatic experiences, 20 yr old female victim of attempted rape, conference presentation, 6666
incidence of physical or verbal abuse or harassment, psychologists in private practice, 31118
interrelationship of abuse events & family relations & life contexts & self identity in process of adjusting to judgments of others about abuse, victims of sexual abuse, implications for treatment, 30525
modified operant differential reinforcement by mother, excessive verbal ruminations & negative emotional responding, 5 yr old female victim of sexual molestation, case report, 30691
perceived vulnerability of self vs average person vs college student vs friend to victimization, college students, 19827
personal characteristics & reported behaviors & consequences of formal sexual harassment charges, complainants, 5122
psychodynamic functioning & role in family & ability to protect their children & utilize treatment, mothers of incest victims, 14719
psychotherapeutic treatment, refugees submitted to torture, 27755
self perception of victimization, impact & fear of crime, victims, 14361
sex differences & role patterns, sexual or physical abuse victimization, females & their violent mates, 14743
stages in victimization process & development of coping strategies, battered wives, 14717
systematic torture & forced exile & symptomatology & use of hypnosis & family therapy & compassionate therapies to foster human dignity, Salvadoran torture victim refugees, Costa Rica & Nicaragua & US, 22383
term gender in relation to gender role & identity & gap & criminalization of sex, 27100
therapist attitudes & misunderstanding of survivor terminology, misdirected psychiatric treatment, Holocaust survivors & their children, reprint, 30513
victimization & police intervention & disposition, incidents of domestic violence, 24745
victimization & salience & attribution, attitudes toward different forms of criminal sanctioning, community residents & legal & correctional personnel, support for work of A. L. Stinchcombe et al, 24364
victimization experiences & mental health problems, females 18 yrs & older, 11874
victims of auto accidents vs crime, psychological management, comments on E. Dlugokinski, 22360
Video Display Terminals [See Video Display Units]
Video Display Units
ambient illumination color & foreground/background color pairings, choice reaction time task on color CRT, male & female Ss, 23558
bifocal lens dimensions & clear vision range & operation of video display unit, bifocal wearers, 28828

biofeedback training vs video game training, impulsivity & locus of control & self concept, 15–18 yr old incarcerated juveniles, conference presentation, 7463
bit errors during simulated transmission of teletext codes, requests for retransmission & evaluations of image quality & utility, government employees, Canada, 20899
computer supported reading vs reading text on paper, reasoning task, college students, implications for man-machine systems design, 2695
delays in teletext service response time, negative reaction, government personnel, 31550
design of video display terminal workstations & operator posture, conference presentation, 7887
development & use of image magnifier system, visually impaired preschoolers to 4th graders, 24951
display screen size & resolution, legibility of CRT graphics in automated job performance aids, 18–26 yr old Air Force maintenance training pipeline students, 13257
emotional reactions, preferences for individual video games, adolescents & college students, implications for design of computer games & computer-based training, 23297
ergonomics, design of office automation terminals & workstations, conference presentation, 7882
evaluation of types of information presentation in video screen work, operators of video display units, 2700
eye movements & performance & luminance & visual comfort using visual display terminals, 13259
fluorescent lighting & illumination from visual display units, saccadic eye movements across text, 20–35 yr old females, 23300
forward & backward blocking in contingency judgment, students playing video games, 3056
health implications of work with CRTs, literature review, 13155
home video games, family life & interactions, families, 11623
information need & channel orientation, prediction of videotex adoption, newspaper readers, 29496
lighting & legibility & visual comfort, data presentation on computer display screen, conference presentation, 7890
luminous contrast & character shape & text layout & color, legibility of video display terminals, conference presentation, 7898
newly owned videogames, leisure activities & school work & peer interactions, 9–16 yr olds, 24172
posture & keyboard & visual display terminal parameters, research workers, 31551
reading from microfiche vs video display terminals with negative vs positive appearing images & printed paper copy, fatigue & performance, humans, 23291
recent developments & educational uses for interactive videotape & videodisc technology, 28460
scale & angle & character style of text on CRT, proofreading speed & accuracy, experienced CRT users, human factors implication, 26310
set size, color matching using CRT displays, laboratory staff, 23296
sex typing of & attitudes toward computers & videogames, male vs female kindergartners through 12th graders & college students, 21800
Skylink self-service airline ticketing terminal, man machine design & ergonomics, conference presentation, 5245
spacing & categorical vs alphabetical organization of words on computer menu displays, search time, college students, 18886
spatio-temporal factors & learning ability & fatigue & attention, number search on CRT matrix, implications for personnel selection, 13183
strategy for determination of optimal colors & phosphors & surrounding ambients for CRT displays, 23292
transmission bandwidth reduction & image quality, interpretability of digital electro-optical imagery displayed in soft copy format, Army image interpreters, 2699
use of video display units, visual discomfort level & visual function, data preparation & word processing personnel, 16030
variety of tasks & cognitive style, effectiveness of alternative information presentation on CRT, 2701
video technology in corporate personnel training, 31416
videogames as transitional phenomena in adolescence, 21772
visual display technology & work organization, worker disablement, Australia, 10573
visual display unit data-entry task, performance & physiological indices of arousal, 20–22 yr olds, 10648
60-minute periods of stressful CRT tasks, cognitive performance & motivation regulation, employees, 2668

Videotape Instruction

behavior modification & video feedback & self criticism, teacher training program, student teachers, 31159
criteria for reviewing videotapes used in mediation training, 15553
cultural information transmitted by written script &/vs videotape vs audiotape, learning, inservice teachers, Puerto Rico, 25723
effectiveness of automated Mastery Model, training of skills in WAIS-R administration, graduate clinical psychology students, 4731
micro-videoanalysis training system & peer evaluations to facilitate family therapy training, students in professional interviewing course, 28316
recent developments & educational uses for interactive videotape & videodisc technology, 28460
simulation exercises & videotapes, development of group leadership skills, 31073
teaching laboratory & videofeedback in learning, 4853
use of videotapes to teach ethical principles in surgeon-patient relationship & barriers to effective doctor-patient communication & behavior, surgical curriculum, 25697
videotape of vs attendance at preoperative class vs brief individual preparation by nurse, 3–12 yr olds scheduled for minor surgery, 15397
videotaped vignettes & student responses, instruction in effects of physician's values & stereotyped attitudes on doctor/patient relationship, medical students, 31079

Videotape Recorders

process notes & audio & video recordings of sessions in psychotherapy training, 20586

Videotapes

assurance of confidentiality &/vs videotape recording of interview &/vs interviewer's sex, depth of self-disclosure, male vs female college students, 11769
creative drama & videotape playbacks, self & group observational skills & awareness & insight, 11 & 12 yr old females in therapy group, 30666
mastery vs coping videotapes, anxiety & disruptive behavior, 5–7 yr olds undergoing restorative dental procedure, 28053
perception of performance immediately after therapy session vs after viewing video of own performance, speech therapy students, 12843
reactions to videotape of primary family interview vs videotape of family therapists' feedback, perception & judgment of family relationships, psychotherapists & family members, 4386
reliability of videotape-assisted recall of affect in counseling process research, college students, 4639
traditional preparation procedure with vs without videotaped modeling preparation, anxiety reduction & coping style & psychological preparation, 4–16 yr old hospitalized patients undergoing cardiac catheterization, 27885
video consultation method, family practitioners, illustrative case example of 42 yr old patient, 25682
videotape as information source for discussion of classroom activities, parents & teachers, 23033
videotape behavioral test of interpersonal competence for children, responses to positive vs negative vs combined assertion scenes, emotionally disturbed 9–11 yr old males, 11941
videotape cameras & recording & playback, controlling & confronting disruptive classroom behavior, learning disabled students, 13102
videotape feedback, abnormal eating & table manners, 14–28 yr olds with anorexia nervosa, implications for treatment & prognosis of anorexia, conference presentation, 25084

Vietnam

diagnosis & treatment of posttraumatic stress disorder with vs without substance abuse, Vietnam combat veterans aged 34 & 35 & 40 yrs old, 25053
psychohistorical interpretation of war in Vietnam & role of President Johnson, 11558

Vigilance

ACTH 4-9 analog, memory & vigilance, depressed patients aged 50 yrs & over, 27954

amnesia & vigilance, clouded consciousness, 17–33 yr olds in "wake-up" phase following severe brain trauma, 9556
cardiovascular & noncardiovascular sympathetic nervous system responses to vigilance task, adults with borderline vs established hypertension, 20148
dose of chlorpromazine or prothiaden or diazepam, vigilance performance on discrimination of acoustical clicks with visual feedback, male 20–21 yr olds, conference presentation, 13993
duration of daytime & nighttime duty & caffeine effect on overnight work periods, vigilance performance, 20–26 yr old male military shiftworkers, 18728
ethanol consumption vs toluene vs trichloroethylene inhalation, blood concentrations & vigilance performance in monotonous conditions, male Ss, conference presentation, 13957
local vigilance & neurophysiology, etiology of mental illness, implications for neuropsychiatry, 24666
methylphenidate, mood & event-related potentials & memory scanning & vigilance, normal 8–14 yr olds, 16752
model of vigilance, probability of detection of attacking sea gull, lapwing & golden plovers, 26467
neurophysiological & psychopharmacological aspects of memory dysfunction & vigilance in aging & dementia, 17661
neutral vs environmental asthmatic vs asthma-related vs phobic as stressful visual stimuli, psychophysiological arousal & respiration & vigilance, asthmatic patients vs nonsmoking skin divers, 30358
noise, performance of visual vigilance task, introverted vs extraverted college students, 6392
scopolamine, vigilance & new learning & memory & physiologic & behavioral change, 42–73 yr olds with Alzheimer's disease, implications for medical evaluation of cholinergic system, 24720
scopolamine, vigilance performance, adults, comment on findings of E. D. Caine et al & K. Wesnes & D. M. Warburton, 21499
shoal size, vigilance during feeding, minnows, 5608
sleep deprivation with vs without incentive, auditory vigilance performance, graduate students, 5520
state dependent nature of auditory brain stem potentials, 525
sustained attention & effort on low event rate vigilance task, 16–36 yr olds with vs without closed head injury, 9512
trichloroethylene or chlorpromazine, vigilance performance on discrimination of acoustical clicks with visual feedback task, healthy Ss, conference presentation, 14064
vigilance & neurobiology, etiology of mental illness, comments on theory of W. P. Koella, 24724
vigilance & neurobiology, etiology of mental illness, comments on theory of W. P. Koella, 24650
vigilance in defensive behavior, Downy woodpeckers, 465
vigilance, psychopathology of mental illnesses, animals & psychiatric patients, comments on theory of W. P. Koella, 24646
vigilance, psychopathology of psychiatric disease, comments on theory by W. P. Koella, 24714
1st 20–35 min of vigilance task, decline in performance, implications of vigilance studies in design of jobs & equipment, 26376

Vineland Social Maturity Scale
concurrent validity of Vineland Adaptive Behavior Scales-Classroom Edition & Vineland Social Maturity Scales & their mean scores, mentally retarded 7.5–18 yr olds, 26192

Violence [See Also Family Violence]
alcohol expectancy vs alcohol content vs anger provocation, interest in viewing neutral vs erotic vs violent vs violent-erotic slides, male college students, 24446
application of general theory of conflict & violence, internal & external political conflict, preindustrial societies, 14261
archetypal symbols & violent behavior in analysis & parental psychopathology & resistance to child's treatment, psychoanalysis, violent 11 yr old male, case report, 25155
assessment of school violence, implications for intervention, 15896
battery of personality tests, male violent vs nonviolent offenders, 1459
categories of armed robbery, Canada, 1981–84, 3988
causation theories & suggestions for lessening violence during soccer matches, Africa, 14701
characteristics, assaultive male psychiatric patients who did vs did not provide visible cues of potential violence, 12114
clinical & ethical issues in prosecution of psychiatric patients for assaults on staff, criticism of paper by L. A. Phelan et al, 29876
clinical & ethical issues in prosecution of psychiatric patients for assaults on staff, reply to criticism by T. G. Gutheil, 29889
court-ordered structural reforms, inmate-inmate & inmate-guard violence, prisoners & guards, 30992
crisis prevention & intervention training for dealing with upset patients, staff in minimum & medium & maximum security areas of psychiatric hospital, 15381
demographic characteristics & violent behavior & civil commitment, 18–85 yr olds admitted to acute psychiatric care unit, 1973 vs 1983, 18271
description & application of Levitt Conscious Preference-Rejection Test, discrimination of violent vs nonviolent defendants, male offenders, 8086
determinations of dangerousness, approval of involuntary commitments, case law, 27021
emotional reactions to patient assault, nurses, 15515
ethical & legal dilemmas of confidentiality in psychiatrist-patient relationship, patients prone to dangerous acts, 15543
experience of family & dating violence, 15–20 yr olds, 12103
frequency of violent or fear-inducing behavior associated with psychiatric hospital admission, psychiatric patients, 10113
Gestalt therapy & drawing, 10 yr old male with negative identity formation & learning disabilities & violent behavior, 6923
guidelines for coping with aggressive & violent children, residential school staff, 15834
history of attempted suicide, violence of crime, offenders awaiting court evaluation or assessment of pretrial competency, 22160
illegitimate police violence against juvenile crime victims or witnesses or perpetrators, implications for police training, 10597
incidence of assaultive behavior in hospital settings, patients, 15362
incidence of assaults in psychiatric vs nonpsychiatric hospital, surveyed hospital staff, 2112
incidence of physical or verbal abuse or harassment, psychologists in private practice, 31118
intimacy & domestic violence & reports to police, boyfriends/girlfriends & husbands/wives & ex-husbands/ex-wives, 20023
intoxication of character in short stories, attribution of nonviolent vs violent acts, male & female college students, 24504
IQ & social withdrawal, dangerousness, male prisoners, 24774
left vs right hemisphere superiority assessed by Verbal IQ-Performance IQ score differential, violent behavior, juvenile delinquents, 24807
legal & psychiatric perspectives in 3rd party witnesses of act of violence & subsequent distress, children, 24383
long-acting propranolol, assaultive behavior, 27-75 yr olds with organic brain disease, 25294
maternal condemnation of TV violence during mother & child TV viewing, perceptions of violence & aggressive behavior, 61–73 mo olds, extension of research by B. F. Fontes, 3521
milieu therapy, management of violence, children, 7414
MMPI, detection of malingering amnesia, males charged with capital or 1st-degree murder, 1444
mother-son relationships, mothers & their sons who committed violent vs nonviolent felonies from father absent families, 12060
parental representations & authentic oedipal conflict & "fundamental" vs pathological violence, drug addiction & juvenile delinquency, France, 27397
patterns of violent acts, patients with injuries deliberately inflicted by another, Ethiopia, 17461
perceived prevalence of courtship violence on college campuses, college directors of counseling centers & housing systems & students, 1410
personality correlates, males who committed murder while intoxicated vs sober, 6652
playing violent vs nonviolent video games, direction & type of aggressive ideation, aggressive vs nonaggressive 2nd–6th graders, 8845
political violence & history of nonviolent sanctions, 1074
population size & density, crime & divorce & violence & public assistance, 14253
positive reinforcement privilege distribution system, reduction of violence, patients in forensic psychiatry facility, 28143
prediction of violence, psychologists, implications for adjudication & expert testimony, 11667

prosecution for assault of mental health professionals, illustrative case of male 54 yr old psychiatric inpatient, 9046
provocation by target & intimates vs strangers as criminals & harmful outcome dimensions of violence, moral evaluation of incidents, 17–62 yr olds, application of weighted multidimensional scaling, 27460
psychiatric hospital admission & assaultive & fear-inducing behaviors, psychiatric patients, 20528
psychoanalytic view of violence & war as derivative of desire to redress grievances over power & shame rooted in infancy, 10698
psychological sources & social conditions & cultural preconditions, violence against subgroups by governments & powerful groups, 6184
psychoticism & extraversion & neuroticism & intelligence & personal space, violent vs non-violent delinquents, 24765
race & sex & psychiatric symptoms & violent behavior, incarceration vs hospitalization, adolescents, 1700
residential treatment as acculturation, violent youth, 7436
role of guns in aggression & violence in culture, US, implications for psychiatry, conference presentation, 17102
role of TV news, provision of knowledge about violence, 8 vs 11 yr olds, Northern Ireland, 3487
sensation seeking & extraversion & neuroticism & psychoticism, curiosity about morbid & sexual events in media & live sports, male vs female college students, 28849
SES & educational status, willingness to participate in nonviolent protest vs civil violence to eliminate racial discrimination, test of "new urban Black" vs social marginality hypothesis, 29887
stadium facilities & quality of play & winning team, crowd behavior & related offenses at soccer matches, 16–29 yr old spectators, Scotland, 5019
stress reactions following shooting incident, police officers, Canada, 21859
temperament & social & familial & economic factors, development of antisocial & violent behavior, youth, conference presentation, 27443
TV action level vs violent content, aggressive vs prosocial behavior, 39–75 mo old males, 17009
type of offense & clinically predicted dangerousness as bases for classification, juvenile delinquents, 4038
urinary free cortisol levels, male violent offenders vs recidivist arsonists, 20068
viewing exciting & partly violent movie, behavioral & endocrine reactions, male 12 yr olds scoring high vs low on Sennton neurotic scale who had vs had not visited psychiatric clinic, implications for importance of social support, 8809
violence & intimate family relations, implications for family therapy, 9784
violence & mythical figure Samson & maternal relations, case illustration, 5199
violence & perversion, comments on A. Lussier's interpretation of fetishism, 3965
violence in mass media, motivation & behavior, 5955
violent episodes & sex bias & character roles, portrayal of physical violence on TV programs, Australia, implications for study of effect of TV violence viewing on aggressiveness in children, 14079
violent film viewing, level of anxiety & subsequent aggression, preschool children alone vs with silent adult vs with adult making antiaggression comments, 6104
24-hr urinary cortisol levels & norepinephrine to epinephrine ratios, 31–57 yr old males who were violent vs nonviolent parasuicides, implications for suicide prevention, 24797

Viral Disorders [See Also Encephalitis, Herpes Simplex]
borna disease virus, etiology of affective disorders, 21–63 yr old patients, 9185
Borna virus antibodies in blood serum, psychiatric patients, 9201
CSF & serum antibodies to common viruses, 21–64 yr old chronic schizophrenic patients, 22064
cytomegalovirus antibodies in CSF, chronic vs acute schizophrenic males, implications for role of cytomegalovirus infection in etiology of schizophrenia, 14656
evidence for retroviral infection in etiology, schizophrenia, reply to comments by L. E. DeLisi & P. S. Sarin & R. Gurnoff et al, 14586
evidence for retroviral infection in etiology, schizophrenic patients, comment on T. J. Crow's assertion, 14590
examination stress & loneliness, herpesvirus latency, 1st-yr medical students, 11189
incidence of serum antibodies to neurotropic viruses, 15–96 yr old psychiatric patients, 22065
misdiagnosis, 16 yr old female with rabies misdiagnosed as psychiatric disturbance, conference presentation, 6865
piracetam, depth of consciousness loss & psychic function recovery, patients with acute viral neuroinfections, 4517
slow virus etiology for schizophrenia & multiple sclerosis, 1241
viruses, development of childhood psychosis, male school age children, 4 case reports, 22010

Virgin Islands
attitudes toward time & work ethics & values & organizational conflict, US Virgin Islands & West Indies, conference presentation, 18780
functional meanings of & behavior associated with success & satisfying expectations of family & friends & joy, classroom achievement motivation, male vs female high school students, Virgin Islands, 20733
linguistic analyses of Creole & English in experimental writing program, 17–20 yr old honors & remedial college students, Virgin Islands, 28417
sociocultural factors & achievement motivation, 7th–12th graders, Virgin Islands, 25814

Virginity
parental behavior, monogamously housed vs virgin male vs female vs individually housed male Long-Evans rats, 26421

Vision [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Linear Perspective, Monocular Vision, Stereoscopic Vision, Visual Discrimination, Visual Field, Visual Perception, Visual Thresholds]
aperture shading by amplitude filters, optical transfer function of diamond shaped apertures, 28908
assessment of visual motor development & performance on Bender Visual Motor Gestalt Test vs Development Test of Visual Motor Integration, gifted 6.5–10.9 yr old elementary school students, 28616
cognitive skills & visuomotor performances, diabetic 45–64 yr olds, 30432
computational attention in visual short-term memory, graduate students, 21187
contextual constraints & parafoveal visual information in reading, college community members, 2957
direct electrical nerve stimulation, rehabilitation of visual nerve function, 13–55 yr olds with opticochiasmal brain tumor & inflammation & trauma, 12616
dynamic model of color contrast usage, enhancement of visual clarity, aged, 4679
eye transplants & lesions of ventral optic pathway & midbrain/hindbrain junction & telencephalon, impact of visual system on skin camouflage reaction, salamanders, 13939
measurement of static & dynamic aspects of neuron sensitivity in visual system, 544
optometric visual training, academic performance, Ss with vision disorders, 6772
optometric visual training, inpatient children with cerebral palsy, 4563
research in visual pigments & labile scoptic visual system & contributions of H. J. Dartnall, fish, literature review, conference presentation, 491
sensory integration therapy, postrotary nystagmus & equilibrium reactions & visual-motor integration, reading disabled children, 27732
skill level & vision & proprioception in simple 1-handed catching, 18–32 yr olds, 21047
suggestions for improvement of vision tests for driving licenses, 10571
time spent watching TV from furniture & room area & screen width, viewing distances & angles & visual angles, 1 mo to 63 yr olds, 11391
use of video display units, visual discomfort level & visual function, data preparation & word processing personnel, 16030
visible vs informational persistence, iconic memory, college students, 26361

visual patching of one eye, saccadic magnitude & postsaccadic drift in unseeing eye, monkeys, 3243
visual standards for driving & testing procedures used, survey of 26 countries, 10566
visual stimuli, orientation & attack behavior, experienced & ingestively naive garter snakes, 406
visuomotor control of grasping process, pigeons, 16392
Vision Disorders [See Also Eye Disorders]
cerebral hypoxia or ischemia, visual deficits, 3 mo to 17 yr olds who had suffered perinatal or postnatal hypoxic events, conference presentation, 1655
common visual dysfunctions, reading ability, children, 12245
detection & remediation of visual problems, learning & delinquent problems, juvenile delinquents, 1694
EEG pathology, deficits in optical-spatial perception, developmentally delayed 4–10 yr olds with spastic diplegic vs hemiparetic cerebral palsy, 6755
evaluation of visual disorders, preschool & primary age children with hearing impairments, 1563
microangiopathic syndrome of encephalopathy & hearing loss & retinal arteriolar occlusions, 23 & 30 yr old females, 20212
ophthalmological characteristics, visually impaired schoolchildren, implications for education & vocational guidance, 6778
optometric visual training, academic performance, Ss with vision disorders, 6772
prevalence of defects in visual acuity by social class & sex, 10 vs 11 yr olds in 1970 vs 1958 birth cohorts, Great Britain, implications for screening programs & ophthalmic services, 12283
protocols for measurement of visual stimuli, implications for diagnosis of vision problems using visual EPs, 12178
saccadic eye movements, 42–64 yr old patients with ocular muscle weakness, 14888
standardized test methods & viewing conditions, screening for congenital & acquired color vision defects, 22226
suprathreshold vision vs contrast sensitivity function, 20–40 yr old patients with acute vs artificially depressed optic neuritis, 27495
text characteristics, reading rates for text scanned across TV monitor, 14–76 yr old with low vision, 6814
Vision Disturbances (Hysterical) [See Hysterical Vision Disturbances]
Visions (Mysticism) [See Mysticism]
Visitation (Institution) [See Institution Visitation]
Visual Acuity
autogenic training, visual acuity, nearsighted 18–35 yr old males, 7080
beginning vs skilled readers, perceptual span & eye movements, 7–11 yr olds & college students, 21724
behavioral & optical & anatomical investigation of spatial visual acuity across range of luminance, wedge-tailed eagle, 29294
contrast sensitivity vs Snellen visual acuity tests, prediction of ability to discriminate distances for images of highway signs, 19–30 vs 55–79 yr olds, 19063
detail & accuracy & eye movements, eidetic imagery, 6–10 yr old eidetikers vs noneidetic imagers vs nonimagers, 26858
determination of luminance contribution function for spatial location in hyperacuity tasks, adult Ss, 23529
development & assessment of monocular vs binocular acuity vs stereoscopic vision, 0–11 mo olds, 794
development of visual acuity, 2–10 wk old kittens, 13827
distribution of visual acuity, eye patients, 5422
dynamic 3 alternative tracking paradigm, measurement of vernier acuity, 1–14 mo olds, 24136
EPs elicited by vernier offsets vs other cues to hyperacuity, 25–37 yr old males, 13830
equiluminance, vernier acuity, adults, 10929
estimation of acuity for sinewave luminance gratings, determination of reliability & individual differences in visual EP measurements of visual acuity, 17–25 wk olds, 24144
extraversion & psychoticism & self assurance & cardiac rate & frontalis EMG, CFF as index of visual acuity, females vs males, 10921
level of knowledge about newborn's visual ability, 16–39 yr old mothers, 11609
luminance levels of light sources with linear vs continuous spectrum, visual acuity, 252
modified Landolt C-ring test, measurement of effect of laser filters on visual acuity, soldiers, 13600
moire pattern resulting from aliasing by foveal cone mosaic, human Os, 5423
normative data for visual acuity & luminance- & size-difference thresholds, pigeons, 29277
ovulation vs menstruation, visual acuity assessed through letter identification, 18–30 yr old females, 13852
prevalence of defects in visual acuity by social class & sex, 10 vs 11 yr olds in 1970 vs 1958 birth cohorts, Great Britain, implications for screening programs & ophthalmic services, 12283
responses of single neurons in striate cortex & estimation of threshold levels in spatial-resolution tasks, anesthetized paralyzed Old World monkeys, 13820
spatial frequency & retinal eccentricity & distance from fixation point, stereo & vernier acuities within spatial channels, adult Ss, 21114
spatial frequency model for hyperacuity, 23538
spatial interference in periphery, vernier acuity scaled to estimates of cortical magnification factor, experienced Os, 13570
spatial interference, vernier acuity, 27–43 yr olds with unilateral amblyopia associated with strabismus &/vs anisometropia, 14860
spatial separation & retinal eccentricity, 2 dot vernier acuity, adult Ss, 21069
tachistoscopically presented target, visual lobe size & foveal acuity & search performance on card sorting task, 15–40 yr olds, implications for visual inspection performance in industry, 5403
target luminance, precision & accuracy in specifying oculocentric direction of targets, adults, replication of research by H. W. Leibowitz, 26304
visual & auditory acuity & personal adjustment & academic achievement, verbal & nonverbal scores on New South African Group Intelligence Test, college students, South Africa, 25922
visual acuity, road accident histories, drivers aged 16–44 vs 45 & older, Great Britain, 8169
visual acuity, 10–20 vs 20–50 vs 50 yr olds & older of Gidra tribe, Papua New Guinea, 19612
visual EP in response to counterphase grating stimulation, measurement of grating acuity, 1–53 wk olds, 29631
visual EPs & visual acuity, neurologically normal vs abnormal premature infants, 12260
Visual Contrast [See Also Brightness Contrast, Color Contrast]
apparent contrast of sinusoidal grating in simultaneous presence of peripheral gratings, adult Ss, 23543
binocular vs monocular spatial contrast sensitivity, implications for G. T. Fechner's brightness paradox, 220
compression of luminance into variable number of sample bars, measurement of contrast sensitivity for sinusoidal gratings, 10907
contrast & orientation & binocularity, pattern EPs, adult Ss, 13593
contrast reversal of checkerboard pattern of variable check size & contrast, pupillary responses, adult female Ss, 13594
contrast sensitivity to interference fringes in 10–65 cycles/degree range, adult Ss, 13597
contrast sensitivity vs Snellen visual acuity tests, prediction of ability to discriminate distances for images of highway signs, 19–30 vs 55–79 yr olds, 19063
contrast thresholds for detection of sinusoidal gratings appearing within 1-dimensional random noise, adult female cats vs humans, 29262
contrast thresholds for detection of vertical sinusoidal test grating tracked during & after 3-hr inspection of high contrast adapting grating of same spatial frequency & orientation, adult Ss, 29049
cortical magnification vs spatiotemporal frequency vs contrast, displacement thresholds for oscillating grating, human Os, 5425
counterphase lightness induction, college students, 23582
development of contrast constancy, 6 vs 12 wk olds, 11452
eccentricity dependency of contrast matching & oblique masking, adult Ss, 23574
equivalent-noise model for detection & discrimination of low contrast signals, human Ss, 13532
hemispheric &/or hemiretinal differences in contrast sensitivity & oblique effect, adult Ss, 21091
illusory contours, size illusions, college students, implications for principle of size contrast, 13580

intramodal matching procedure, determination of equal contrast sensitivity contours for monocular & binocular vision & wide luminance range, adult Ss, 16244
luminance & contrast, direction of ambiguous apparent motion, adult Ss, 26301
method for specification of intensity of self-luminous point & line targets & deduction of resulting retinal illuminance, 21123
model of retinal inhomogeneity, prediction of contrast sensitivity for circular homogeneous or inhomogeneous sinusoidal targets, 16257
monocular viewing of high contrast checkerboard that reversed in contrast at rate of 10 Hz, transfer of pattern electroretinograms from viewing to occluded eye, adult Ss, 13569
multiplication circuit for microcomputer, variable-contrast sinusoidal luminance gratings, 5234
negative contrast stimuli at various background luminances, motor RT, adults, 13560
noise gratings of various spatial frequency bandwidths & central frequencies, contrast & modulation detection, 227
nystagmoid oscillation, contrast sensitivity function, normal Ss subjected to retinal image motion equivalent to that of Ss with congenital nystagmus, 21076
parallel vs 2-alternative forced choice method of constant stimuli of orthogonal orientations, visual contrast discrimination thresholds, adult Ss, 26327
pattern vs flicker vs coherent drift thresholds, upper spatial & temporal limits of velocity perception, author & naive S, 222
perceived contrast in fovea vs periphery, adults, 23537
peripheral field stimulation during monocular vs dichoptic viewing, spatial contrast sensitivity, human Ss, 13573
point flashes & background illumination, generation of propagating inhibition, adult S, 29061
prediction of distance of underwater target detection, experienced divers, 21080
simultaneous &/vs sequential presentation of contextual & focal stimuli, assimilation & contrast of perceived length of parallel lines, college students, 21089
sinusoidal & square wave grating contrast, steady-state accommodation, strabismic without amblyopia vs amblyopic vs former amblyopic 17–27 yr olds, 30375
slow vs rapidly flickering sinusoidal gratings that reverse phase, contrast & spatial frequency sensitivity, aged vs young Ss, 29643
spatial &/or temporal sampling rate, apparent visual contrast of sinusoidal gratings, humans Ss, conference presentation, 2993
spatial contrast perception, 53–76 yr olds with Alzheimers disease, 17640
spatial frequency combinations over 4 octave range, contrast sensitivity, practiced & naive adult Ss, 13568
spatial frequency vs exposure duration of gratings at various eccentricities, spatial contrast sensitivity & temporal integration functions in foveal vs peripheral vision, experienced Ss, 21323
stimulus velocity vs contrast vs spatial frequency, lower temporal limits of movement perception, author & naive S, 221
suprathreshold spatial frequency & contrast dependencies of enhancement effect, adults, 19075
suprathreshold vision vs contrast sensitivity function, 20–40 yr old patients with acute vs artificially depressed optic neuritis, 27495
transfer of information between neighboring retinal areas following presentation of spatially limited optical stimuli, examination of local character of spatial frequency channels, 25–27 yr olds, 23564
uncertainty model & use of maximum likelihood decision rule, visual contrast detection & discrimination, 21111
variations in interfering & inducing grating spatial frequency & contrast & phase, grating-induction magnitude, adult Ss, 29052

Visual Cortex

amphetamine, depth perception, cats with visual cortex ablations, 21443
attentional mechanisms in posterior parietal cortex & frontal eye fields, rhesus monkeys, conference presentation, 3154
binding of radioactive serotonin to serotoninergic receptors in visual centers & frontal cortex, dark-reared & monocularly light deprived rats, 11140
binocular deprivation, subcortical contribution to synaptic density in visual cortex, cats, 3241
central mechanisms underlying pattern vision, rhesus & Japanese monkeys, conference presentation, 3157
clonidine administration during monocular deprivation, CSF levels of norepinephrine metabolites & ocular plasticity in visual cortex, kittens, 29459
color cell groups in foveal striate cortex, rhesus monkeys, 26530
complex vs social vs isolated rearing environments, morphology of spine synapses in occipital cortex, male rats, 8484
cortical & subcortical afferent inputs to intralaminar nuclei, cats, implications for directed eye movement & orienting behavior & visually guided behavior, 5688
cortical neural response to dynamic random dot stereograms lacking depth cues other than disparity, monkeys, conference presentation, 3167
development of cooperatively coupled cell assemblies in visual cortex, mammals, conference presentation, 3172
direction- & velocity-specific responses from beyond classical receptive field in middle temporal visual area, owl monkeys, 26478
duration of stationary vs velocity of moving visual stimulus, neural responses in Areas 17 & 18 cortical cells, anesthetized & paralyzed cats, 29268
electrical stimulation of noradrenaline containing neurons in locus ceruleus, restoration of neuronal plasticity of visual cortex, juvenile & adult cats, 19398
execution vs suppression of goal-directed saccades to peripheral target with vs without fixation spot, single unit activity in prelunate gyrus, rhesus monkeys, 26494
functional properties of visual & eye-movement-related neurons of area 7a, rhesus monkeys, conference presentation, 3169
iontophoretic application of GABA & N-methyl-bicuculline, visual responses of striate cortical neurons, 6–13 day old kittens, conference presentation, 3177
mechanisms of control for activities of relay neurons in dorsal lateral geniculate nucleus, rats, conference presentation, 3159
neonatal visual cortex ablation, density & size of retinal ganglion cells, rabbits at 3 vs 4 vs 8 mo old, 21469
neuroanatomical projections from striate cortex, visual system, tree shrew, 13811
neuronal activity in auditory & visual & motor cortex during classical conditioning & extinction, cats, 5676
neuronal organization in striate cortex receptive field, kittens, 11145
occipital vs parietal lobe lesions, identification of primary visual cortex, monkeys, discussion of 19th century research by D. Ferrier & H. Munk, 23917
origins of V1 to V4 projections from striate to prestriate cortex, rhesus monkey, 23841
pattern motion, direction-selective adaptation of neurons in middle temporal visual cortex, owl monkeys, 26517
photic responsiveness of cells in medial bank of lateral suprasylvian cortex, cats, conference presentation, 3176
relationship between & characteristics of visual pathways mediating stereopsis vs binocular rivalry, 29303
responses of segment of primary visual cortex, monocularly deprived vs normal rabbits, 13937
responses of single neurons in striate cortex & estimation of threshold levels in spatial-resolution tasks, anesthetized paralyzed Old World monkeys, 13820
responses of striate cortex cells to gratings of increasing numbers of cycles centered on cells' receptive fields, cat & monkey, 13796
role of cortical cells from area 17 in visual persistence, cats, 5674
role of visual experience, activation of critical period for monocular deprivation in visual cortex, cats reared in total darkness from birth to 4–5 mo of age, 8480
selective attention to stimuli at 1 location in visual receptive field, neuronal activity in visual cortex & identification of properties of object, monkeys, 8398
sensitivity to different face stimuli of neurons in cortex & superior temporal sulcus, macaque monkeys, 23794
simulations of monocular & binocular brightness data in support of real-time perceptual processing theory, 2973
spatial frequency & orientation tuning of striate cortex cells as predictor of receptive field shape, cat, 13836

striatal cortex neurons, conversion of small stimulus changes to response changes in spatial frequency discrimination thresholds, cats, 21283
strobe rearing, direction-selective neuronal activity in posteromedial lateral suprasylvian visual area of cortex, cats, 16500
superior colliculus removal, visual perception & orientation response, rats & hamsters, literature review, 608
textured stimulus moving in preferred direction superimposed upon textured or grating stimulus moving in different directions, responses of complex cells in striate cortex, cats, 13812
topographic distribution & organization of visual & auditory neurons, male rhesus monkeys, conference presentation, 3174
velocity of moving bar stimuli & masking of all but most sensitive part of receptive field, neural responses in geniculate & Area 17 & 18 cortical cells, cats, 29267

Visual Discrimination

ability to discriminate mirror-image obliques, orientation selective color aftereffects, children, 8772
adaptation to high-contrast grating, degradation of discrimination for test gratings at angle to adapting grating, naive vs experienced Os, 2995
advertisements, conspicuity of routing information in railway station scenes, college students, 26056
area, distance for visually resolving grid gratings, college students, 29059
assembly language & method for programing of real-time experiments employing visually presented verbal stimuli for Apple II computer, 28887
basal forebrain lesions, choice accuracy in working memory task vs spatial discrimination in reference memory task, male rats, 23920
bilateral cold-induced lesions of inferotemporal cortex, learning & visual discrimination, female monkeys, 5797
blue cones & pathways with vs without transient tritanopia, wavelength discrimination & contour-rendering properties, 517
brightness of flashers, visual discrimination, 8174
capacity limitations in parallel visual processing of letters, college students, 21094
categorical shape & color coding, pigeons, 19235
cerebral hemispheric asymmetries for visuospatial abilities, male monkeys with left vs right unilateral occipital lobectomy & splenial transection, 5798
chance vs structure in visual patterns & subjective probability, college students, 2999
collicular lesions, visual discrimination assessed by computer video actograms of head movement, hamsters, 19412
compound sinusoidal gratings with fundamental & higher frequency components, prediction of phase discrimination performance, application of model of human spatial vision, 21106
conditions & methodology for sensing hyperacuity thresholds of 1 sec, 13563
configurational effects & alternatives, perceptual discrimination, college students, 10927
contextual effects, ability to discriminate line segments, 3 mo olds, 796
contrast sensitivity vs Snellen visual acuity tests, prediction of ability to discriminate distances for images of highway signs, 19–30 vs 55–79 yr olds, 19063
cues, reliability vs validity in utrocular identification, adults, 5413
decision rule & memory variance & criterial noise, line orientation discrimination, 21122
degrees of speed stress, error tendencies in early processing of same-different judgments of letter pairs, adult Ss, 26318
detectability of phase shifts in 2-dimensional images as function center frequencies & bandwidths, adult Ss, 23536
detection & discrimination of Gabor signals in 2 paradigms, determination of signal's relative importance for spatial vision, Ss with normal vision, 10908
development of automated apparatus for study of successive & simultaneous visual discrimination, pigeons, 10740
development of geometrical model of visual discrimination & mental transformation, effect of angular disparity & degree of symmetry on determination of polygon orientation, experienced Os, 23571
development of visuomotor coordination, reaching for flat vs convex vs concave objects, 3–11 mo olds, 3450
developmental differences in speed of visual information processing, 6–13 yr olds vs adults, 851
dim violet bar vs random-dot stereograms superimposed on bright yellow background, depth perception mediated by blue-sensitive mechanism, 508
discrimination of blank trials vs small targets presented tachistoscopically within blind hemifield, 70 yr old male with right occipital lobe infarction, 24994
dorsal supraoptic decussation lesions before vs after monocular training, interocular transfer, pigeons, 19404
equivalent-noise model for detection & discrimination of low contrast signals, human Ss, 13532
eye gaze & eye movements away from target, accuracy of visual discrimination, mildly mentally retarded 17–25 yr olds, 27468
formerly encoded & presently needed information, recognition achievement & visual discrimination, support for theory of levels of processing, 11030
foveal &/vs parafoveal letter presentation, same-different judgments, college students, evidence for criterion-inertia model, 13566
functional features & discriminability of visual stimuli, parallel processing & visual search rate, college students, 13592
graded stimulus vs prompt fading vs trial & error training, visual shape discrimination, severely mentally handicapped 7–14 yr olds, implications for applied training procedures, 27929
grafts of embryonic frontal cortex vs occipital tissue implanted in damaged occipital cortex, brightness vs pattern discrimination, rats, 23929
gratings of different spatial frequencies with static noise & grating masks, detection & discrimination of visual grating targets, 21119
horizontal vs vertical word orientation & letter symmetry & report order variables, left vs right visual field word recognition, right handed college students, 5665
impulsivity in guessing on visual task on basis of partial information & clues, 13–54 yr old patients with left vs right frontal vs temporal vs fronto-temporal lobectomies, 14876
individual differences, visual recognition memory & cardiac vagal tone, 6 mo olds, 24094
interstimulus interval & heterogeneity of difference, speed of same-different judgments of visual patterns, college students, 13567
intervals between visual displays, discrimination of target & interference effects, college students, 21077
irrelevant stimulus attributes, retrieval time for relevant stimulus attribute in sequential "same-different" judgment task, college students, 5468
lateral hypothalamic stimulation, acquisition & reversal & extinction & visual discriminative learning task, male mice, 19394
learned visual discrimination task with experimentally provoked environmental confusion, RT, severely mentally retarded, 20091
left-right spatial discrimination, letter production & performance on reading readiness tests, kindergartners & 1st graders, 10408
left visual field advantage for discrimination of faces vs hands vs airplane silhouettes, 18–30 yr olds, 26479
limited attentional capacity processes in dual-task paradigm, detection of automatic targets & event-related brain potentials, college students, 344
low-resolution eidetic image of flower patterns, discrimination between flowers with different shapes or patterns, bees, 3105
matching & delayed matching-to-sample performance, measurement of visual processing time & selective attention to & memory for visual cues, 35–45 vs 46–59 vs 60–70 yr old male alcoholics vs 39–70 yr old male Korsakoff patients, 24795
measurement of mental workload by dual task method & auditory & visual discrimination tasks, 8145
monocular processing involving edge-detecting mechanisms, stereopsis, 2991
name codes vs physical features of noise letters, visual discrimination RT, college students, implications for discrete vs continuous information processing models, 253
neural network model of multistable perception, 23553
noise letters preceding target letter by stimulus onset asynchronies, choice RT, female college students, 2978
nonsimultaneous presentation of dichoptic stimuli & length of interstimulus intervals, binocular rivalry, 238

object hypotheses induced by E, organization of fragmented figures, college students, 29057
object structural characteristics, cardioidal strain perceived as growth, college students, 21099
occlusion of left vs right eye, performance of visual pattern discrimination task, homing pigeons, 16471
optical phase transfer functions & pupil diameter, discrimination of spatial phase, 215
pairs of sinusoidal gratings with different spatial frequencies, visual discrimination performance, experienced Os & college students, evidence of interactions between spatially tuned mechanisms, 21107
parallel vs 2-alternative forced choice method of constant stimuli of orthogonal orientations, visual contrast discrimination thresholds, adult Ss, 26327
part vs whole visual motor preference, phonics vs whole word reading approach, reading disabled & nondisabled elementary school readers, 25765
perception of traffic signs containing conflicting symbol & direction information, college students, 26038
performance on visual letter string matching, left- vs right-parietal lesion patients, implications for reading disorders, 22257
periarcuate vs periprincipalis lesions, visual discrimination & conditional associative learning, male monkeys, 21458
position quantization by receptive fields, spatial frequency discrimination at low frequencies, 2980
presentation of scrambled visual stimuli to left vs right visual hemifield, face perception, right handed Ss, 8183
presentation of simple colored shapes, determination of capacity to process compound stimulus information, 3 mo olds, test of L. B. Cohen's hypothesis, 19620
proofreading familiar vs unfamiliar passages, detection of spelling errors, college students, 3026
randomness in spatial frequency content of stimuli on successive trials, determination of thresholds for spatial interval discrimination, adult Ss, 13574
raster sampling, visual discrimination of simple monochrome edges & sinusoidal gratings, 2988
real or false Chinese character presented to left vs right visual half-fields, RT on orthographic & phonological & semantic processing tasks, right handed Chinese college students, 5694
rearing under red illumination for 1st 3 mo of life, color discrimination at 5 mo of age & increment threshold spectral sensitivity at 1.4 yr, monkeys, 23879
recognition of laterally inverted mirror images, blind vs sighted children vs rhesus monkeys, 9531
reference velocity discrimination for central & peripheral vision, just noticeable differences in velocity, 20–45 yr olds, 23560
remediation of hypothesized component deficits &/vs known academic deficits, effect size on Standard Diagnostic Reading Test, 8–11 yr olds with learning disabilities, 13121
response- vs stimulus-reinforcer pretraining, negative vs positive stimulus discrimination control, rats, 5573
response production & inhibition, event related EPs assessed by manipulation go/no-go paradigm, 20–29 yr olds, 11165
retinal illuminance & boundary length & speed of step movements vs pulse width vs pulse movements of retinal image, perception of hue with colored targets, 8171
sensitivity to displacement of luminance patterns, adult Ss, 23528
sequential-mechanisms models, assessment of 2-point threshold performance & role of physiological mechanisms in spatial & intensity visual discrimination tasks, 21083
serial search by focal attention, discrimination among different combinations of linear orientations, experienced & naive Ss, 16267
signal vs nonsignal light flashes of different duration, intensity discrimination, cats, 11067
simultaneous vs delayed conditions, learning of audiovisual cross-modal conditional discrimination task, pigeons, 16348
single vs complex sinusoidal gratings presented to left vs right visual field, contrast sensitivity & subthreshold summation effects & adaptation aftereffects & spatial frequency discrimination, right handed Ss, 21297
single vs dual elements presented simultaneously vs sequentially, 1-key matching task, female pigeons, 26406
small cue-response site separation, visual pattern discrimination, macaque & rhesus monkeys, 26414
spatial & temporal frequency, meridional variations in spatial displacement detection, 22–26 yr old males, 2992
spatial proximity of sequentially vs randomly displayed points & tendency to track moving points, suppression of visible persistence & estimation of number of points seen simultaneously, college students, 10911
speed of inspection task, cerebral dominance, 18–25 yr olds, conference presentation, 5696
split chiasm & fading procedures, interocular transfer of visual pattern discrimination, cats, 8507
stimulus presentation frequency, brightness discrimination & generalization, college students, test of adaptation-level vs signal detection theories, 13590
stimulus strength & sensory pathways, accuracy of detection & identification, 21120
striatal cortex neurons, conversion of small stimulus changes to response changes in spatial frequency discrimination thresholds, cats, 21283
study time & subsequent familiarization with black & white patterns, visual recognition memory, infant pigtailed macaques, implications for human infant memory development, 29194
subjective zero reflectance & equal stimulus spacing & contraction biases in 1st judgments of lightness, college students, 21113
sudden presentations of target/nontarget stimulus consisting of green & red spots of light, 1st saccadic responses, adult Ss, 13576
tactual vs visual habituation & discrimination of form, 4–5.7 mo olds, 16957
target letter with compatible vs incompatible noise, EMG & choice RT in letter discrimination task, adults, implications for response competition, 19062
temporal frequency discrimination at & above detection threshold using low & medium spatial frequencies, adult Ss, 29044
temporal interval between presentations, discriminability of 2 tones or 2 lines of different lengths, review of 5 contemporary models of perceptual memory, 13517
tetrahydrocannabinol & serotonin-negative & dopamine-positive substances & defense conditioning, EP in cerebral cortex & visual differentiation, cats, 26703
theorems of detection-based interpretation of visual resolution, predicted vs observed performance in simple vs 1-of-m signal detection vs recognition tasks, 21070
thermal superiority in left vs right hemisphere, verbal vs nonverbal visual discrimination, right handed high school students, 14191
toy selection & visual discrimination tasks, sight-word reading skills, autistic female 5 yr old & male 13 yr old, implications for reading instruction, 28555
uncertainty model & use of maximum likelihood decision rule, visual contrast detection & discrimination, 21111
unilateral lesions of basal forebrain induced by ibotenic acid, cortical cholinergic activity & ability to learn serial reversals of visual object discrimination tasks, marmosets, 21461
upper- vs lowercase print, identification of real words vs unpronounceable vs pronounceable nonwords, psychology students, 725
upright vs angular presentation of letters in right vs left hemifield, discrimination & mental rotation RTs, reading disabled 11–13 yr olds, 14751
verbal RT to presence vs absence of target letter in various size arrays as measure of utilization of Gestalt grouping principles, 20 vs 69 yr olds, 21701
visual analysis/synthesis & construction of geometric figures, spastic 7–9 yr olds, 9588
visual attention, stimulus identification, college students, support for serial vs parallel encoding models, 5415
visual discrimination learning, common tree shrews, 23678
visual discrimination of contour curvature, experienced Ss, 13598
visual discrimination training with 2- vs multiple-choice & distraction, stimulus generalization performance, mentally retarded adults, 14758
visual field mapping on 8 axes, graduate engineering students, Hong Kong, 13792
visual information processing deficits, 18–52 yr olds with chronic schizophrenia, 11955

visual lateral asymmetries due to hemispheric specialization, college students, 8181
visual masking, spatial frequency discrimination thresholds, experienced adult Ss, 13583
visual recognition memory, infant pigtailed monkeys, 3086
visual simulation requirements, aircraft aspect recognition sensitivity, 21–46 yr olds, 5129
visual-spatial ability, acquisition of pattern recognition game skill, college students, 23639
visuomotor running patterns, visual pattern discrimination learning, rats, 19183
6-hydroxydopamine lesions in nucleus accumbens, alternation behavior & spatial discrimination & reversal learning in extinction paradigm, adult male rats, 29376
Visual Displays [See Also Video Display Units]
alphabetic vs nonalphabetic suffix, serial recall of letters presented with Optacon visual display, college students, conference presentation, 13673
angle-arm length, angle estimation & orientation contrast, college students, 3003
apparent slant of moving vertical pattern horizontally across TV screen, 20–44 yr olds, 13549
artificial intelligence & connectionist model, visual recognition of Origami objects, 8024
auditory/lipread vs auditory/graphic presentation of word lists, processing of lipread & heard speech vs graphic information, 259
bit errors during simulated transmission of teletext codes, requests for retransmission & evaluations of image quality & utility, government employees, Canada, 20899
cartoon film depicting triangles & circle moving in & around diagram of house, perception of personal & interpersonal action, college students, 14109
computer menu hierarchy levels & database size & distance between items in data structure, performance effectiveness in supervisory task, male college students enrolled in ROTC, 20903
development of visual speech training aid for vowel acquisition, hearing impaired, implications for differentiation of male vs female vs child utterances, 20435
discrete control model of operator function, design of computer-based visual displays, 28820
evaluation of types of information presentation in video screen work, operators of video display units, 2700
flashing green phase just before amber leading to red traffic signal, stopping & crossing decisions & collisions, licensed drivers, Israel, 5024
grade level & field dependence & degree of figure-ground separation in stimulus presentation, recognition of computer-generated pictures on monochrome monitors, 2nd–4th graders, implications for instructional software design, 31167
graphic interactive structural modeling option as visual problem-structuring & knowledge-organization technique, complex unstructured decision making, 31548
graphical vs numerical format with vs without pressure in display of unfolding hurricane-tracking scenario, optional stopping performance, college students, 13265
helmet-mounted stereoscopic vs biocular display as advanced simulator, training performance, military pilots, 16036
implied velocity & acceleration of dot pattern displays, memory shifts, college students, 21176
low detail black & white line drawings vs high detail color photographs & time between initiation & completion of image display, evaluation of simulated teleshopping presentations, Os, 13281
metric & nonmetric models for standard printer scatterplots, 19015
noise correlation, detectability of disk signals in medical imaging, adults, 23557
number & size of advertisements, conspicuity of routing information in railway station, college students, 16026
optimum conditions for producing captioned TV, deaf 4th–6th graders & high school students, 17643
perception of traffic signs containing conflicting symbol & direction information, college students, 26038
pictorial interfaces, facilitation of interaction with microcomputer database system, 13250
presentation of time on clock faces vs digitally, calculation of time differences, college students, 5456
prior social categorical knowledge & visual cues, social judgments, college students, 1142
rapid serial visual presentation of texts varying in difficulty, reading comprehension, college & graduate students, 296
reading from microfiche vs video display terminals with negative vs positive appearing images & printed paper copy, fatigue & performance, humans, 23291
reading paper vs computer displayed passages, self paced reading time & comprehension, college students, 13505
size of visual display, estimation of duration of video game play, college students, 26289
spatially & temporally modulated stimuli of sinusoidal gratings presented in Maxwellian view, accommodative responses, experienced Os, 21109
stimulus parameters, legibility of character- & word-stepped text visual displays, college students, 5255
use of content area text illustrations to facilitate & support learning, elementary school students with learning disabilities, 31284
use of questions &/vs highlights vs straight text format, effectiveness of computer assisted instruction, college & graduate students, 31212
validity of mean squared error measure vs weighted error, quality criterion for pictures reproduced for human viewing, 26276
verbal vs symbolic traffic signs, RT, college students vs 65–77 yr olds, implications for highway safety, 8736
visual analysis of geneograms, mental health professionals & college students, implications for transgenerational work, 25183
visual display stimulating both short- & long-range motion-detecting processes simultaneously, adult Ss, 26319
visual displays, recall by row vs column in large capacity memory, college students, test of P. M. Merikle's display-instruction compatibility hypothesis, 21170
zone of functional comfort in multiparameter compensatory tracking task, stress & job performance, implications for design of data display devices, 10654
Visual Evoked Potentials
ACTH 4-9 analog doses, visual event related EPs, healthy 22–37 yr old males vs females, 26739
age & sex & interstimulus interval, augmentation & reduction of occipital visual EPs, 7–9 vs 13–15 yr olds, 5670
age & sex hemispheric asymmetry, binocular pattern reversal EPs & EEG power from occipital scalp, 5–14 yr olds, 29264
aging & enriched environment, performance in radial maze & recovery function of visual EP, 7–8 vs 30–33 mo old male rats, 29217
aging & visual stimulation, P3 component of visual event related potential, 8–90 yr olds, 6021
amitryptiline, pre- vs posttest visual EPs & pain thresholds, patients with major depressive episode, 15183
antagonizing effects of 2-phenylpyrazolo(4,3-c)quinolin-3(5H)-one, diazepam-induced pharmacological & electrophysiological & biochemical effects, rats, 3322
auditory & visual stimuli, abnormal event related EPs, 26–66 yr olds with Huntington's disease, 30454
brief stimulus duration, amplitude of visual EPs with verbal vs non verbal tasks, male college students, 21105
brightness of flashers, visual discrimination, 8174
carbidopa/levodopa administration, movement velocity & RT & tremor & visual evoked responses & electroretinography, 59–72 yr old healthy volunteers, 673
changes in retinal image & pupil size during ocular accommodation, amplitude of pattern reversal visually evoked responses, 20–29 yr olds, 522
cognitive complexity & cerebral sensory interaction assessed by visual & auditory & bimodal EPs, right handed Navy recruits, 5728
contrast & orientation & binocularity, pattern EPs, adult Ss, 13593
direct & peripheral stimulation, visual evoked responses, 21288
disturbances of function of nonspecific brain systems, visual EPs, patients with closed head injuries, 9621
duration of stationary vs velocity of moving visual stimulus, neural responses in Areas 17 & 18 cortical cells, anesthetized & paralyzed cats, 29268
EEG & EMG & visual EPs, adult patients with chronic renal failure & dogs treated with heparin, 1583

EEG spectral analysis & visual EPs & photic-driving as correlates of personality & memory, 18–30 yr olds, 3204
EPs elicited by vernier offsets vs other cues to hyperacuity, 25–37 yr old males, 13830
estimation of acuity for sinewave luminance gratings, determination of reliability & individual differences in visual EP measurements of visual acuity, 17–25 wk olds, 24144
flash visually evoked cortical potentials, albino 1–7 mo olds, 19576
flicker & movement constituents of pattern reversal response, adult Ss, 23572
flickering flash stimulation, visual evoked response, cerveau isole & midpontine pretrigeminal cats, 3267
frontal vs midcortical lesions, photically evoked after-discharge & spontaneous open field activity, rats, 21447
hypnotic hallucination conditions of stimulus diminution vs enhancement vs elimination, visual EPs, 18–33 yr olds with high- vs low-hypnotizability, 549
inexpensive simple circuit for sine wave generator, application to visual evoked response experiments, 26139
language comprehension vs spatial discrimination tasks, hemispheric asymmetries in visual EPs, normal 22–37 yr olds, 3156
lateralized light flashes, visual EPs during RT tasks, 20 & 23 yr olds with collosal agenesis, 9606
levodopa & carbidopa, monocular visual evoked potential latency, 44–86 yr olds with parkinson's disease vs arteriosclerotic Parkinsonism, 25328
low vs high spatial frequency, face selective responses of neurons in cortex in superior temporal sulcus, macaque monkey, 21322
monocular deprivation, pattern electroretinograms & tectal surface EPs, pigeons, 16455
occipital & central scalp visual stimulation, visual EPs, infant & juvenile chimpanzees & infant gorilla, 5667
pattern motion, direction-selective adaptation of neurons in middle temporal visual cortex, owl monkeys, 26517
personality traits, stimulus control mechanisms in auditory & visual EPs, college students, 3217
pharmacological vs high frequency electrical stimulation of midbrain raphe & locus ceruleus, recovery cycles of EPs to light in visual cortex, rats, 5774
predictability of cuing stimuli & visually triggered vs self paced saccades, electrical activity preceding ocular motor performance, 20–43 yr olds, 16429
presentation of two visual stimuli, contour orientation sensitivity assessed by visual EPs as indicator of precortical processing, cats, 11174
protocols for measurement of visual stimuli, implications for diagnosis of vision problems using visual EPs, 12178
pulses of light to right vs left eye, electroretinographic EP circadian rhythm, dark-adapted crayfish with bisected cerebral ganglion, 21437
random dot stereograms & binocular contrast stimuli, visual EP components, adults with normal vision, 11170
repeated stimulation & personality type, response variability assessed by pattern reversal & flash EPs, 40–49 yr old males, 5681
responses of striate cortex cells to gratings of increasing numbers of cycles centered on cells' receptive fields, cat & monkey, 13796
resting EEG & visual EPs, patients with chrome hypopituitary dwarfism or diabetes insipidus, conference presentation, 12296
self paced saccades to visual target vs total darkness, spike potential of presaccadic EPs, 23–38 yr olds, 23793
sexual arousal, visual EPs, male students, conference presentation, 3168
simple vs oddball choice RT vs lie condition vs equiprobable stimuli & subject expectation in visual task, event related EPs, adults, 3171
sound & light, average EPs & response amplitude, male vs female 4–13 & 20–40 yr olds, 526
source derivation procedure of pattern reversal stimulation, visual evoked responses, 19–24 yr old males, 3150
spontaneous & evoked electrical activity & EEG, 22–39 yr olds with schizophrenia, 1323
stimulus eccentricity & noncephalic vs linked mastoid site, visual EPs, adults, 5706
successive presentations of checkerboard pattern, delayed EPs, 22–79 yr old patients with multiple sclerosis, 6851
transient vs steady-state checkerboard pattern reversal, pattern electroretinograms & visual EPs, patients with macular & optic nerve lesions, 9562
use of funduscope & alignment laser, alignment of visual axis with predetermined fixation point, rhesus monkeys, 5215
varied intensity visual stimuli, augmenting-reducing component of visual event related EPs, adults, 21319
velocity of moving bar stimuli & masking of all but most sensitive part of receptive field, neural responses in geniculate & Area 17 & 18 cortical cells, cats, 29267
velocity of moving bar stimuli, responses of X- & T-cells in lateral geniculate nucleus, anesthetized & paralyzed cats, 29288
visual- & somatosensory- & brain stem auditory EPs, measurement of severity of clinical involvement, 9–37 yr old patients with Friedreich's ataxia, 1621
visual EP in response to counterphase grating stimulation, measurement of grating acuity, 1–53 wk olds, 29631
visual EPs & skin conductance & EMG levels & psychoticism, 1st-degree relatives of schizophrenics vs neurotics, 3824
visual EPs & visual acuity, neurologically normal vs abnormal premature infants, 12260
visual EPs, determination of extent of visual field, normal vs corpus callosum sectioned cats, 501
visual EPs from hyperstriatum ventrale pars caudale, male zebra finches, 492
visual EPs to full- vs half-field stimulation, 21–71 yr old patients with Huntington's disease & their 13–62 yr old 1st-order offspring, 6790
visual EPs vs EEG, elderly patients with senile dementia of Alzheimer's type vs nonorganic psychiatric disorders, 3799
visual stimulation in continuous performance task, P300 amplitude of event related potentials, depressed 19–66 yr olds, 19909

Visual Feedback

blindfolded practice & proprioceptive vs visuospatial feedback, learning gross motor skills, 11–12 yr olds, 6056
concurrent vs delayed visual monitoring vs motor rehearsal, cognitive representation & behavioral reproduction of observed modeled action pattern, college students, 23626
dependence on instantaneous visual feedback during open- vs closed-loop steering in lane change maneuver, 20–36 yr olds, 10649
ethanol, visual-vestibular interaction during active & passive head movements, 11272
praise of E & performance binary visual feedback with vs without knowledge of progress, retraining of upper extremity movement, 71 yr old male with cerebrovascular accident hemiplegia, 12757
visual feedback, hemispheric alpha asymmetries & processing strategies, right handed 29 yr old male, 515

Visual Field

anisotropic distribution of preferred direction & visual field location, optic nerve fibers, squirrels, 493
attentional orienting, lexical decisions within visual half-fields, college students, 13555
ball color, horizontal perimetry detection, college students, 13565
central vs extrafoveal CFF, humans, 5405
centrally fixated stimulus, recognition of faces vs random shapes presented to left vs right visual field, right handed college students, 512
commissurotomy, encoding of spatial patterns presented concurrently to 2 hemifields under maximal perceptual load, epileptic 30 yr old male, 14846
contralateral lesions of parietal lobe, unilateral visual neglect & wave P300, 49–80 yr olds, 14862
cortical magnification vs spatiotemporal frequency vs contrast, displacement thresholds for oscillating grating, human Os, 5425
decline in extrafoveal letter perception, college students vs aged, 24120
detection of single lines in temporal & nasal visual fields, 28–42 vs 57–70 day old infants, 14165
discrimination of blank trials vs small targets presented tachistoscopically within blind hemifield, 70 yr old male with right occipital lobe infarction, 24994
feed-forward control by peripheral vision, view maintenance head movement response, college students, 10898

foveal &/vs parafoveal letter presentation, same-different judgments, college students, evidence for criterion-inertia model, 13566
hemispheric functional specificity, discrimination of temporal vs spatial visual stimuli to left vs right visual field, right handed Ss, 26481
horizontal vs vertical posture, estimation of line bisection point, right handed college students, implications for role of gravitational coordinates & apparent spatial locus of events, 13540
horizontal vs vertical word orientation & letter symmetry & report order variables, left vs right visual field word recognition, right handed college students, 5665
intensity-dependent spatial summation in visual image-processing mechanism, implications for lateral inhibition, 23540
left visual field advantage for discrimination of faces vs hands vs airplane silhouettes, 18–30 yr olds, 26479
localization of flickering visual fields in depth plane behind nonflickering fields, 29064
monocular nasalward & temporalward visual field movement at 4 retinal sites, optokinetic nystagmus, strabismic amblyopic Ss, 30481
perceived contrast in fovea vs periphery, adults, 23537
perception of afterimages viewed in shadowed or occluded visual fields in dark, Os, 223
perceptual processing modes in functional visual fields, college students, 5419
peripheral field stimulation during monocular vs dichoptic viewing, spatial contrast sensitivity, human Ss, 13573
peripherally presented target embedded in homogeneous competing background, binocular vision lobe size & shape & visual search processes, 21–28 yr olds, 19060
point flashes & background illumination, generation of propagating inhibition, adult S, 29061
position in visual field vs spatial frequency vs contrast, lower threshold for motion of gratings, human Os, 5408
presentation of picture of face to left vs right visual field & male vs female faces as distractor stimuli & stimulus duration, laterality of face perception, college students, 29043
presentation of vertically written word to left vs right visual field & spelling-to-sound regularity, word identification, right handed Ss, 8402
randomly placed & oriented words presented in fixed time, top-to-bottom & left-to-right vs right-to-left scan for rhymed target words, right handed college students, 16413
rapid fading during voluntary fixation on images in right hemifield, 33 yr old female with 2 yr history of migraines & left parieto-occipital region tumor, 9549
reference velocity discrimination for central & peripheral vision, just noticeable differences in velocity, 20–45 yr olds, 23560
retinal illuminance during color-matching of monochromatic lights in 10° field, visibility curves, 19–67 yr old Os, 5414
retinal location, temporal frequency characteristics, human Os, 3178
role of peripheral vision in safe driving, literature review, 8177
simultaneous allocation of attention to several locations in visual display, college students, 13550
single numbers or nonnumbers presented in left vs right visual field, number-nonnumber classification, right handed 17–33 yr olds, 13635
single vs complex sinusoidal gratings presented to left vs right visual field, contrast sensitivity & subthreshold summation effects & adaptation aftereffects & spatial frequency discrimination, right handed Ss, 21297
source derivation procedure of pattern reversal stimulation, visual evoked responses, 19–24 yr old males, 3150
spatial frequency vs exposure duration of gratings at various eccentricities, spatial contrast sensitivity & temporal integration functions in foveal vs peripheral vision, experienced Ss, 21323
spatial interference in periphery, vernier acuity scaled to estimates of cortical magnification factor, experienced Os, 13570
speech dominance & visual half field task performance, 13–56 yr old epileptic patients, 20247
stimulation of central visual field with radically expanding dot program, perceived self motion, college students, 5400
stroboscopically presented noise patterns' rate & duration & size & discrete spatial shifts in central & peripheral visual field, motion perception, adult Ss, 26328
tachistoscopically presented target, visual lobe size & foveal acuity & search performance on card sorting task, 15–40 yr olds, implications for visual inspection performance in industry, 5403
target luminance, precision & accuracy in specifying oculocentric direction of targets, adults, replication of research by H. W. Leibowitz, 26304
transfer of information between neighboring retinal areas following presentation of spatially limited optical stimuli, examination of local character of spatial frequency channels, 25–27 yr olds, 23564
unilateral visual agnosia, 64 yr old right handed male with right occipital temporal vascular lesion, 14870
verbal presentation of abstract vs concrete material, visual half fields recognition task & GSR & lateral eye movements as indicator of brain asymmetry for memory retrieval, adults with left vs right side predominance, 13788
verbal vs nonverbal central fixation, visual field & cerebral hemisphere superiority in word recognition, college students, replication of study by W. F. McKeever & M. D. Huling, 19342
visual display stimulating both short- & long-range motion-detecting processes simultaneously, adult Ss, 26319
visual EPs, determination of extent of visual field, normal vs corpus callosum sectioned cats, 501
visual field mapping on 8 axes, graduate engineering students, Hong Kong, 13792
visual field training, restitution of visual fields, 56–66 yr old patients with homonymous hemianopia vs quadrantanopia resulting from occipital lesions., 28192
visual stimulus intensity & complexity, bimanual vs unimanual RTs, 20 yr old acallosal male, 14878
wearing chemical protective clothing during exposure to heat & humidity, signal detection over visual field, 18–35 yr old male Army soldiers, 16032

Visual Hallucinations

complex visual hallucinations, 32–80 yr old patients with homonymous hemianopia, 1588
hypnotic hallucination conditions of stimulus diminution vs enhancement vs elimination, visual EPs, 18–33 yr olds with high- vs low-hypnotizability, 549
neurobehavioral symptoms & auditory & visual hallucinations following caudate hemorrhage & treatment, 54 & 58 yr old hypertensive females, 2–3 yr followup, case reports, 30385
side effects from Tylenol & Feldene & Flexeril & Ativan & imipramine, 67 yr old female with auditory & visual hallucinations, 7161

Visual Masking

alphabetical pre-masks, identification of target words, adult Ss, 8168
amplitude quantization & white Gaussian image noise, accuracy of visual signal detection, 21072
backward masking & presentation to right vs left visual field, perception of single letters, 10931
detection of Chinese strokes & characters in visual noise, college students naive vs experienced in Chinese pictographic calligraphy, 23583
developmental differences in speed of visual information processing, 6–13 yr olds vs adults, 851
dichoptic priming effects, ambiguous picture processing, college students, 29053
eccentricity dependency of contrast matching & oblique masking, adult Ss, 23574
gratings of different spatial frequencies with static noise & grating masks, detection & discrimination of visual grating targets, 21119
interaction with immediate context information, perceptual representation, college students, 23556
interference in short term visual memory, backward masking, schizophrenic 18–55 yr olds, 11954
lateral interference & perceptual grouping, visual perception, college students & 19–40 yr olds, 207
lateral masking & letter reversal, same-different judgments for letter pairs, college students, 19068

lowered contrast sensitivity, transition from perception of independent flashes to perception of beta movement in stroboscopic stimulation, 18–21 yr old females, 5411
masking & spatial & spectral correlations, perception of 2 images combined, 29039
metacontrast & paracontrast procedure, visual information processing & transfer, hypothetically schizotypic college students, 17387
optical distance of virtual image display, detection & recognition of small targets at infinity, 18–26 yr olds, implications for spatial disorientation & visual acuity of pilots, 28822
pattern masking of pictures to prevent conscious representation, interpretation of ambiguous pictures presented supraliminally, college students, 26322
positive vs negative vs mixed psychotic symptoms, interstimulus interval in backward masking in visual information processing, bipolar vs schizophrenic patients, 17349
presentation of target & masking stimuli to opposite cerebral hemispheres, interhemispheric visual masking, college students, 13541
random-dot mask presented at intervals, perception of shape moving behind a slit, practiced vs naive Ss, 213
retinal eccentricity, contour interaction estimates, 3004
spatial frequency masking, strategies in detection task performance, 21115
stimulus variability vs similarity in lateral & pattern masking, visual accuracy in target identification, college students, 23539
temporal characteristics of visual letter noise, facilitation vs interference of reaction time to target letter, female college students, 23547
temporal frequency of sinusoidal mask grating, threshold elevations for spatially localized test stimuli, adult Ss, 19069
transfer of attributes from test to masking stimulus during backward masking, college students & staff, 5424
uniform field flicker masking of visible persistence at range of spatial frequencies, examination of role of low-level visual deficit in reading disabilities, reading disabled 12 yr olds, 17530
visual mask, hypnotizability & speed of information transfer from iconic to short term memory, high vs low hypnotic Ss, replication of research by R. E. Ingram et al, 16305
visual masking, spatial frequency discrimination thresholds, experienced adult Ss, 13583
Visual Perception [See Also Autokinetic Illusion, Binocular Vision, Brightness Perception, Color Perception, Critical Flicker Fusion Threshold, Dark Adaptation, Eye Fixation, Face Perception, Interocular Transfer, Monocular Vision, Stereoscopic Vision, Texture Perception, Visual Acuity, Visual Contrast, Visual Discrimination, Visual Field, Visual Thresholds]
ability &/vs color vs monochrome &/vs photograph vs line drawing form, perceptions of biological pictures, 13–14 yr olds, 26857
ability to detect relational invariants & perceive stimulus elements as single pattern of figures, newborns, 8691
absolute judgment & varying response time on light position task, performance & speed accuracy trade off, college students, 5407
age differences, visual attention, infants, 26-wk longitudinal study, conference presentation, 11454
alphabetical pre-masks, identification of target words, adult Ss, 8168
amplitude quantization & white Gaussian image noise, accuracy of visual signal detection, 21072
analysis of short-range visual processes in apparent motion, adult Ss, 13538
Antarctic isolation, inversion perception conformity, males exposed to long term winter vs short term summer isolation, implications for regression to primary process thinking as response to isolation, 23530
aperture shading by amplitude filters, optical transfer function of diamond shaped apertures, 28908
apparent displacement of lines & dots in parallel line figure, college students, implications for basis of Poggendorff effect, 23541
apparent motion, generation of perception of occlusion, naive Ss, 26302
apperceptive visual agnosia due to carbon monoxide poisoning, male patient, conference presentation, 12176
arm length & spatial separation between & size of angles & practice, degree of misalignment in modified version of Morinaga's illusion, college students, 23575
artificial alteration of optical properties of eye, behavior & visual cognition & oculomotor adaptation, 2969
artificial intelligence & connectionist model, visual recognition of Origami objects, 8024
assessment of visual cues in inaudible infant cues, deaf vs hearing females with previous infant care experience, 14880
asymmetry of hemispheric activation during complex visuomotor performance, male vs female 20–41 vs 50–80 yr olds, conference presentation, 5703
attention to vertical & horizontal & oblique patterns & tilted body positions, gravitational & retinal factors in perception of orientation, 3–7 mo olds, 11426
backward masking & presentation to right vs left visual field, perception of single letters, 10931
ball color, horizontal perimetry detection, college students, 13565
bifocal lens dimensions & clear vision range & operation of video display unit, bifocal wearers, 28828
bilateral removal of occipital lobe, visuomotor behavior, female rabbits, 11243
brief familiarization experience with object, sensitivity to familiar size as information for distance of objects under monocular vs binocular viewing conditions, 7 mo olds, 21703
Broca-Sulzer effect, stimulation parameters & RTs & neuropsychological correlates, literature review, 2985
caloric stimulation, visual neglect & lateral gaze test performance, 38–78 yr olds with left-sided visual neglect following stroke, 17657
capability of achromatic system of transient responding, response to comments by S. H. Schwartz, 8175
capacity to detect proprioceptive-visual relations uniting self motion with visual display of that motion, 3 vs 5 mo olds, 8693
carotenoid content & transmission of light & distribution patterns & functions of cone oil droplets, 19 species of birds, conference presentation, 506
changes in curve geometry, magnitude estimates of road-like perspective curvature, adult drivers, implications for human factors, 13551
characteristics & measurement of & factors effecting night visual performance, Air Force flight surgeons, 23576
cigarette smoking, rapid visual information processing, male college students who are experienced smokers, 11290
classification of multielement patterns by form & texture vs global & local shape, selective attention, 18–35 yr olds, 13562
cognitive & motivational factors, perceptual organization in viewing reversible stereogram, college students, 16265
complete vs partial visual information, accuracy of aimed movements to visual targets, 1.5–8 yr olds, 26813
complexity of objects, construction of mental representation of objects from successive views, graduate students & staff members, 13516
concreteness vs imageability of laterally displayed words, performance on visual lexical decision & comparison & recognition tasks, adults, 13542
conditions of illumination, visual perception & optic phenomena, 16241
confounding of luminous flux with topological factors in visual perception, comments & replication of study by L. Chen, 16266
continuous visual control vs short term motor memory for guiding locomotion & action in space, college students, replication of & comments on study by J. A. Thomson, 26291
continuous visual control vs short term motor memory for guiding locomotion & action in space, reply to comments of D. Elliott, 26297
cross modal transfer of form from vision to touch & from touch to vision, 4–5 mo olds, 26867
cueing of spatial position of target letter, recognition accuracy, college students, 21121
decline in extrafoveal letter perception, college students vs aged, 24120
depth & observation distance compensation process, distortion of polar perspective, college students, 26299
detection & remediation of visual problems, learning & delinquent problems, juvenile delinquents, 1694

detection of appearance & disappearance in briefly interrupted complex visual patterns, groups with mean age of 20.3 vs 68.4 yrs, implications for neural model, 13584
detection of single lines in temporal & nasal visual fields, 28–42 vs 57–70 day old infants, 14165
development & sign-based perceptual abilities, deaf 5–9.9 yr olds, 20164
development of mechanisms for analyzing visual inputs into bands of spatial frequency, 6 vs 12 wk olds vs adults, 11407
development of methodology for auditory analog to visual memory-search task, college students, 19028
development of sustained visual attention & associated respiratory sinus arrhythmia, 14–26 wk old infants, 19632
development of visual-motor coordination, males vs females, 817
diazepam vs chlorpromazine vs pentobarbital vs dextroamphetamine, visuomotor coordination, marmosets, 16610
dichoptic priming effects, ambiguous picture processing, college students, 29053
differences in verbal & nonverbal IQ & visuomotor perception, normal vs dyslexic 2nd graders, 16947
differently oriented lines in patterns, duration of fragmentary &/vs unitary afterimages, 19–27 yr olds with perfect vision, 214
discrimination of letters & random dot patterns, pigeons vs humans, 5534
dissociation of fin position & shaft extent in Müller-Lyer figures, novice Ss, 19070
distance perception with holographically reconstructed objects, adult Ss, 13553
dominance of vision vs touch, texture perception, college students, 21052
dominance of visual perception vs kinesthetic vs vestibular cues, judgment of horizontal & vertical to maintain posture, 60–94 yr old fallers living independently, 8679
drift-correcting perturbation method & stimulus with dark surround, transient channel visual system, 10934
driver expectancy & pedestrian clothing characteristics & detection criterion, nighttime pedestrian visibility, 20–58 yr old drivers, 2702
duration & size of peripheral vs foveal targets during scotopic vs mesopic vs photopic stimulation, duration of visual presentation in probe matching task, adult O's, 29048
duration of stimulus luminance, visual information acquisition & short term memory, comments on model by G. Sperling, 29084
dynamic geometrical structure of optical flow, importance of retinal center & periphery in pickup of optical information for controlling stance, Os, 13831
early light adaptation, young vs middle aged vs old adults, 21118
EEG index of visual attention, normal adults & 60 yr old male with panic attacks, 532
efferent control of circadian rhythms, horseshoe crabs, conference presentation, 29252
emotional stress, visuomotor responses, human Ss, 5394
endoocular scatter, 51–89 yr olds with intraocular lenses, 16245
evidence for different visual systems in perception & imagery, patients with impaired visual perception & imagery due to bilateral posterior cerebral lesions, 17617
eyepress, secondary deviations & ocular translations of apparent motion, 2972
familiarization-novelty preference, pattern-line effect, 3–4 mo olds, 24148
fatigue, performance on visual-auditory dual task, 18–21 yr old males, support for K. Vervaeck's hypothesis of parallel processing, 288
field dependence, judgments of magnitude of assimilation vs contrast Delboeuf distortions, high school students, 8781
fine orientation discrimination & shape constancy, 4 mo olds, 16911
fixation on center of rotating spiral for short adaptation periods, motion components of long vs short term aftereffects, college students, 13558
fleet readiness training using visual &/vs motion simulator capability, helicopter performance, Navy replacement pilots, 5047
fornix transection following pre-operative training, memory of running recognition task with visual-spatial configurations, monkeys, 3256
functional measurement of apparent rarefaction of retina, 29038
general computational mode of perception of visual objects & space, mammals, literature review, 19064
global vs local figural variations, transfer of visual illusion decrement, college students, 23565
graded scale for audiometric testing, evaluation of hearing disability & audiovisual handicaps for compensation, 20–70 yr olds with noise-induced hearing loss, 6859
group dynamics, autokinetics, group therapy participants, 1828
handedness & familial sinistrality & handwriting posture, performance on dichotic listening & divided visual field tasks, male vs female college students, 26491
hemispheric &/or hemiretinal differences in contrast sensitivity & oblique effect, adult Ss, 21091
history of application of mathematical group theory to study of visual spatial perception, 5397
horizontal vs vertical posture, estimation of line bisection point, right handed college students, implications for role of gravitational coordinates & apparent spatial locus of events, 13540
hypnotic susceptibility & interference, frequency of Necker cube apparent reversals, college students, 23649
identification of parafoveally presented letter flanked by confusable vs nonconfusable letter on foveal vs peripheral side, college students, examination of basis for confusability-asymmetry interaction, 13544
illusions of apparent visual explosion & fusion, adult Ss, 23544
image displacement & movement aftereffect, motion perception, comments on study by H. Wallach, 23568
imagery vs sentence strategy instructions, auditory & visual processing modality, 1st & 2nd graders, 11463
individual differences in visual & linguistic skills necessary for learning to read, kindergartners, 1-yr longitudinal study, 15731
inducing elements in brightness domain, perception of illusory contours of type described by G. Kanisza & F. Schumman, psychophysically experienced Ss, 13579
interaction with immediate context information, perceptual representation, college students, 23556
internal representation of environment & information source & amount & updating, visual sampling behavior, college students, 29087
intraventricular hemorrhage & respiratory distress syndrome & visual attention skills, low birth weight preterm 7 mo olds, 14857
introduction of probe flash at other than expected location in visual field, RT , college students, 10917
introversion vs extraversion & neuroticism, nervous system response to visual RT & signal detection task, male college students, 16231
investigation of inhibitory effect associated with externally controlled covert orienting in visual space, college students & staff, 13520
judgment of whether click precedes or follows onset of light with degrees of luminance vs precedes or follows light termination, continuous measurement of visible persistence, adults, 13596
knowledge concerning object & scene & event in conscious propositional form vs stored representations of past visual or phylogenetic experience, visual perception, 23569
language & visuospatial abilities, brain damaged vs learning disabled young adults, 19880
lateral interference & perceptual grouping, visual perception, college students & 19–40 yr olds, 207
left vs right cerebral hemisphere, recognition of geometric shapes, 25–45 yr olds, 8396
lexical decision & models of visual recognition of bisyllabic words, college students & staff, 10906
lighting & relationship to size & distance & task complexity & personal variables, visibility of visual tasks, visually impaired, 1590
literary view of auditory & visual perception of sea, 19029
local & global determinants of recognition of vector patterns under transformations, 22–51 yr olds, 2975
luminance during presentation of pictorial & digital stimuli, reduction of amount & retrieval rate of available information & subsequent memory, college students & adult Ss, 13571
luminance reduction & role of intrinsic noise in visual system, short & long term picture memory, comments on article by G. Loftus, 21117

luminous contrast & character shape & text layout & color, legibility of video display terminals, conference presentation, 7898
masking & spatial & spectral correlations, perception of 2 images combined, 29039
mathematical concepts of & structures in geometric psychology, anatomical & neurophysiological & Gestalt properties of visual form perception, 29045
mathematical description of visual world, 16262
mathematical model of vision through refraction of multifrequential rays, 29051
measurement of static & dynamic aspects of neuron sensitivity in visual system, 544
meditation, visual perception & thresholds, experienced meditators, 16249
memory vs perception condition, magnitude estimates of line length & polygon area, college students, 193
mental rotation & visual familiarity, college students, test of automatic broadening & mental rotation hypotheses, 21095
metastable apparent-motion displays, local analysis vs global effects in motion perception, naive Ss, 26325
model of neural networks that encode visuospatial information for storage & reconstruct mental images from storage, 11141
modification of figural extremities, reduction & reversal of Morinaga misalignment effect, college students, 8170
monaural & visual occlusion, adjustment of auditory & visual localization, young barn owls, 23888
motion patterns visually presented as configurational vs S-relative change, motion perception & role of vector analysis & process combination, college students, 251
movements in or out of view & articulation & rotation of body/head, neuronal cell responses in superior temporal sulcus, juvenile male macaque monkeys, 21318
multiple spatial frequency channel models, predictions for summation & uncertainty effects on detection of gratings containing simple vs compound spatial frequencies, 21096
multiple stimuli in perception of distance & depth & visual motion, conference presentation, 8161
musical reading, literature review, 5395
narrowing of visual field or increased velocity of optokinetic stimulus, nystagmus on foveal area vs peripheral retina, 10928
negative priming effect & superimposed vs spatially separate Stroop color word list-reading task, selective attention & response inhibition, 18–50 yr olds, 29109
noise gratings of various spatial frequency bandwidths & central frequencies, contrast & modulation detection, 227
nonlinearity in visual perception of form, 13587
normal vs analytical attitude, estimates of reduction lightness in transparent surfaces, college students, 232
nulling "real" against opposed "apparent" motion, examination of neural movement channels, 26311
numerical rating method with achromatic colors, investigation of Fuchs phenomenon, adult Ss, 16259
numerical size perceptual processing for digits & for words written in Hindi vs English, 23–35 yr old Indians studying in US, 23617
optical distance of virtual image display, detection & recognition of small targets at infinity, 18–26 yr olds, implications for spatial disorientation & visual acuity of pilots, 28822
optically imposed postsaccadic retinal image slip, adaptive oculomotor modifications, rhesus monkeys, 29319
orientation & length of Hebrew letter strings, lexical decision RT, college students, Israel, 10970
overselectivity in feature processing & processing of visual & verbal materials, 17691
part-task training & methods of visual augmentation, instruction of simulated carrier landings, flight-naive male college students, 7797
pattern masking of pictures to prevent conscious representation, interpretation of ambiguous pictures presented supraliminally, college students, 26322
pattern structure & transformation, pattern perception, 4 mo olds, 16923
pattern vs flicker vs coherent drift thresholds, upper spatial & temporal limits of velocity perception, author & naive S, 222
perceived position of briefly presented target, saccadic eye movements, 231
perception of afterimages viewed in shadowed or occluded visual fields in dark, Os, 223
perception of position & of size for Muller-Lyer illusion figures, optometry students, 23546
perception of reversal of Necker cube, Bereitschaftspotential, male students, 21294
perception of shapes as same vs different, 11–66 yr old right vs left brain damaged patients, 9596
perception of structure from motion, adult Ss, 13591
perception of velocity change, 2998
perceptual processing modes in functional visual fields, college students, 5419
perceptual scission of surface lightness & illumination & Gelb effect, college students, 13575
perceptual visual responses & heart rate, 3 mo olds, Spain, 29628
positive affect & visual access, process & outcome of bilateral negotiation, male college students, 21904
practice of tasks, recovery of verbal & visuospatial functioning, alcoholic males, 12047
predictive validity of early visual measures, assessment of subsequent cognitive outcome, preterm infants tested from 6–40 mo & at 6 yrs, 161
preferred angle of vision when looking down, 18–23 yr olds, implications for work station design, 28819
presentation duration & attention, illusory recombination of words & letter strings, college students, 16269
presentation of target letter in either vs both of 2 locations in visual display, RT task with divided attention, female college students, 2979
prior knowledge, detection & identification of visual signals in static noise, experienced Os, application of signal detectability theory, 21073
psychopathology & neuroticism & hallucinatory predisposition, perceived visual patterns in changing random dot pattern, adults, 29046
purple or black or orange or white background, subjective brightness of figures, college students, 5402
quantitative & structural factors in judgment of pattern complexity, college & graduate students, 26314
rapid presentation of series of color photographs, determination of which photograph appeared within black outline rectangle, college students, investigation of illusory conjunction of pictures & forms, 10918
reaction time histograms obtained from achromatic stimuli, studies by S. H. Schwartz & M. S. Loop vs K. Kranda, 8178
real-time visual processing theory, analysis of perceptual groupings of textures & boundaries & emergent segmentations, 26312
recency effect, perception of ambiguous figures, college students, 29063
retinal eccentricity, contour interaction estimates, 3004
reversible lesion in inferotemporal vs prefrontal cortex, electrical activity & performance on visual short term memory task, macaques, 8499
role of superior colliculus in visual perception, rats & hamsters, literature review, 498
role of visual experience, activation of critical period for monocular deprivation in visual cortex, cats reared in total darkness from birth to 4–5 mo of age, 8480
rotating vs stationary targets with rotating vs stationary random dot mask, judgment of form & motion of object, adult Ss, 16258
rotational magnification of corrective spectacles, gain of vestibulo-ocular reflex, 22–74 yr olds with myopia vs hyperopia, 20127
saccadic eye movement as behavioral response & component of more complex perceptual behavior, 8172
salience of rotation & translation movement as stimulus & extraction of shape information from stationary vs moving stimuli, 7 hr to 11 day olds, 3463
scaling of dot dispersion from directional rank order data, college students, 16254
selective attention, disambiguating ambiguous figures, college students, 3000
selective attention to stimuli at 1 location in visual receptive field, neuronal activity in visual cortex & identification of properties of object, monkeys, 8398
separate activation vs coactivation in simple letter detection task, RT, college students, 3001

shift in subjective straight direction, sensory & motor effects of pressure on outer canthus of eye, naive vs nonnaive Ss, 23533
shift of attention to cued spatial location, RT to subsequently presented target light, college students, 13588
sight & thought, counter-examples to ratiomorphic theories of perception, 23552
sign presentation factors & driver characteristics, road sign perception & registration, drivers, 31395
simulations of monocular & binocular brightness data in support of real-time perceptual processing theory, 2973
size & distance & visual angle perception creation of paradox through standard descriptions of visual spatial experiences, 19071
size-distance relationship in perceptions of art, preferences & interest & duration of looking, college students, 14098
size ratio & orientation & familiarity, matching of simultaneously presented patterns with respect to shape, adult Ss, 23555
slow vs rapidly flickering sinusoidal gratings that reverse phase, contrast & spatial frequency sensitivity, aged vs young Ss, 29643
small head/body tilts, displacement of visual subjective vertical, college students, 2989
spatial & energy relationships & feature similarity, perception of Glass patterns, 240
spatial distribution of visual attention, reanalysis of data & comments on study by P. Podgorny & R. N. Shepard, 26308
spatial distribution of visual attention, reply to comments of B. Crassini, 26326
spatial frequency masking, strategies in detection task performance, 21115
spatially separated illusory squares in timed sequence, apparent motion of illusory surface, experienced Ss, 26324
speed of feature extraction processing in visual system, 19–30 yr olds, 16255
spot spacing & timing, adaptation to apparent motion, adult Ss, 21068
stimulation of peripheral optokinetic vs rotatory nystagmus, modulation of visuo-ocular reflex, 25–34 yr olds, 19078
stimulus complexity & rule usage, visual perspective-taking task, preschoolers vs 1st vs 3rd vs 5th graders vs college students, 6058
stimulus control of eye orientation & effect on learning, 3.4–4.2 yr olds, 24154
stimulus duration & contrast & frequency, visual persistence, reading disabled 7.4–11.1 yr old males, 6695
stimulus duration & interstimulus interval, perception of random-dot 2-frame apparent motion, adult Ss, 26303
stimulus duration, partial report performance, college students, 16272
stimulus familiarity & similarity, perceptual interaction in processing of 2-word displays, college students, 16293
stimulus motion durations &/vs angular rates, central & peripheral vision displacement thresholds during tracking, 17–45 yr old males, 23548
stimulus velocity vs contrast vs spatial frequency, lower temporal limits of movement perception, author & naive S, 221
subjective balance of pictures, college students, 21101
successive vs simultaneous presentation of red luminous targets, perceived duration, college students, 10935
superior colliculus damage, visual perception & orientation response, rats & hamsters, literature review, 607
superior colliculus lesions & previous exposure to platform, ability to locate hidden platform in swimming pool, male rats, 11253
superior colliculus removal, visual perception & orientation response, rats & hamsters, literature review, 608
symmetry theory of contextual effects, perceived shape of ambiguous figures, 23561
tachistoscopically presented emotionally aggressive vs nonaggressive words, perceptual defense, female vs male patients with right vs left temporal lobe epilepsy, 6812
task demands & spatial frequency composition of stimuli, role of cerebral hemispheres in face perception, college students, 13586
temporal frequency & stimulus intensity, visual responsiveness, infants at 4 & 6 mo, 838
temporal vs spatial separation of letters, fast-same effect in matching task, college students, 216
test anxiety & visual vigilance, college students rated as high vs low test anxious, 3732
theory of sense perception of W. Wundt, 8180
topological structure in perception of apparent motion, naive Ss, 26307
trifluoperazine vs thioridazine vs chlorpromazine, visual figural aftereffect, paranoid schizophrenic patients, 18070
turning windmill pattern, lateral actions of inner plexiform layer of retina, carp, 23834
up vs down vs left vs right judgment of location of features of naturalistic & geometric shapes, college students, 16252
use of size-distance invariance hypothesis vs head-motion procedure, indirect measurement of perceived distance, college students, 13554
use of vision &/vs touch, judgment of roughness of abrasive papers, right handed college students, 13514
valuation of apparent density of filter on bicolored background, college students, 16260
variation in motion speed, perception of actual speed & motion & ocular pursuit & image displacement, college students, 13537
variations in spacing & number of elements, perceptual salience of form vs material, college students, 21092
vector analysis of rotary motion perception, college students, 23579
verbal & modality-specific coding in tactual-to-visual & visual-to-visual matches, 7–8 yr olds vs 20–28 yr olds, 19610
verbal tasks & nonverbal hiding game, prediction of another person's line of sight & field of view, 3 vs 4–7 yr olds, 14138
verbal vs nonverbal forms of visual cancellation task, unilateral visual neglect, right- vs left-brain damaged patients, 9515
violations of intradimensional additivity in dissimilarity judgments of pairs of rectangles, 10–60 yr olds, support for metric for bounded response scales, 23570
visibility of buildings, perceived distance to buildings, college students, 2986
visibility while driving at night, motor vehicle & pedestrian involved traffic accidents, 28660
vision & audition & olfaction, localization of prey, golden hamsters, 429
visual boundaries & object perception & reaching, infants, comments on article by C. von Hofsten & E. S. Spelke, 16956
visual concept generalization test, ability to form & generalize visual concepts among art reproductions, urban & rural 1st–5th graders, 15889
visual control of step length during running over irregular terrain, male experienced long-distance runners, 26300
visual cues & odor of alcohol during interviews with drivers, accuracy of sobriety estimates, graduate student interviewers, 24789
visual defects associated with reduced pigmentation of retinal pigment epithelium, mice mutants, conference presentation, 29254
visual depth perception, 7 mo old opossums, 16343
visual feedback with vs without prior knowledge of its availability, speed of visual information use during rapid target pointing task, male college students, 21079
visual imagery, concurrent visual perception, college students, 2976
visual influence & lipreading ability, 2.4–6.8 vs 16–32 yr olds, replication of work by D. W. Massaro, 16936
visual memory development, face recognition, 7–15 yr olds, 19591
visual noise & information-losing neural transformations & visual sensitivity, literature review, 21074
visual processing of dots in square or circle frame locating them on vertical vs horizontal vs oblique axes, graduate & college students & staff, evidence of internal frame of reference in visual perception, 26306
visual similarity, picture categorization, college students, 13641
visual stimulation & concurrent counting task, speed of discovery of alternative organization of ambiguous geometric figures & subsequent reversals, college students, 244
visual stimulus intensity & degradation & stimulus-response compatibility & practice, vocalization latency in letter naming task, college students, 21081
visual word recognition model combining word identities & visual features with retinal & spatial & word- & sentence-centered coordinate systems, 29091
visualized braille reading on closed circuit TV & cross-modal transfer of learning, congenitally blind 12–50 yr olds who had light projections of 2–6 mo, 20171

visuomotor performance, 17–63 yr old Huntington's disease patients & offspring at risk, 6827
visuospatial memory, 57–85 yr olds with dementia, 1558
volitional emphasis &/vs recent processing of relevant information, control of covert attentional focus in visual processing, college students, 29062
warning cue, attentional selectivity in visual RT task, college students vs 51–81 yr olds, 3444
word relevancy & display load, physical & semantic & controlled processing of nontargets in visual target detection task, college students, 10959
word vs pseudoword lists with priming, recognition & perceptual identification, alcoholic males with vs without Korsakoff's psychosis, model of amnesia, 24877
words arranged in distinctive vs same visual patterns, recall performance, college students, 23622
3-dimensional model representation of shape movements, visual recognition of arm movements, 8182
Visual Perspective [See Linear Perspective]
Visual Receptive Fields
contribution of differential blue cone excitation to distinctness of borders in small visual fields, adult Ss, 23532
diameter of concentric circular background, responses of X & Y cells of dorsal lateral geniculate nucleus to flashing test probe modulated at 2 Hz, cats, 21295
direction- & velocity-specific responses from beyond classical receptive field in middle temporal visual area, owl monkeys, 26478
duration of stationary vs velocity of moving visual stimulus, neural responses in Areas 17 & 18 cortical cells, anesthetized & paralyzed cats, 29268
eye movements & inducing frequency & test-field height & inducing-field height & inducing-amplitude & test-field luminance & test-field width, grating induction, 13552
functional measurement of apparent rarefaction of retina, 29038
global pattern/randomness threshold, orientational anisotropy in visual system, humans, 16256
just noticeable inhomogeneity criterion for determination of wavelength discrimination functions, adult Ss, 23551
model of retinal inhomogeneity, prediction of contrast sensitivity for circular homogeneous or inhomogeneous sinusoidal targets, 16257
neuronal organization in striate cortex receptive field, kittens, 11145
optimization of uncertainty relation for resolution in space & spatial frequency & orientation by 2 dimensional visual cortical filters, 13548
position quantization by receptive fields, spatial frequency discrimination at low frequencies, 2980
responses of striate cortex cells to gratings of increasing numbers of cycles centered on cells' receptive fields, cat & monkey, 13796
retinal ganglion cells suppressed tonically vs transiently by contrast in receptive field, cats, 23819
role of cortical cells from area 17 in visual persistence, cats, 5674
selective attention to stimuli at 1 location in visual receptive field, neuronal activity in visual cortex & identification of properties of object, monkeys, 8398
spatial acuity of posteromedial lateral suprasylvian cell neurons, adult cats, 3151
spatial frequency & orientation tuning of striate cortex cells as predictor of receptive field shape, cat, 13836
spatial frequency & retinal eccentricity & distance from fixation point, stereo & vernier acuities within spatial channels, adult Ss, 21114
stationary vs moving visual stimuli & animal's behavior, neural responses in subdivisions of pulvinar, rhesus monkeys, 29290
Stiles-Crawford effect, blowfly, 23836
turning windmill pattern, lateral actions of inner plexiform layer of retina, carp, 23834
velocity of moving bar stimuli & masking of all but most sensitive part of receptive field, neural responses in geniculate & Area 17 & 18 cortical cells, cats, 29267
velocity of moving bar stimuli, responses of X- & T-cells in lateral geniculate nucleus, anesthetized & paralyzed cats, 29288
Visual Search
attention as mediator of serial processing function of human brain in visual search tasks & relation to present generation computer processing style, 21154
brief cue prior to reward, sign tracking & response rate to VI schedule, rats, 13746
contact lens wearing, eyeblink frequency during visual search task, college students, 10936
familiar 3-letter words vs similar nonwords, visual search for letter strings, college students & faculty members, 23545
functional features & discriminability of visual stimuli, parallel processing & visual search rate, college students, 13592
instructions & a priori expectations, time & distance correlations in scanning of mental images, college students, evidence for S. Kosslyn's analog theory of mental imagery, 26309
number of randomly positioned capital letters displayed, RT & errors in target present decision during visual search, adult Ss, 19061
persistence vs nonredundancy vs systematic ordering comprehensive search skill on invisible displacements task, 16 vs 24 mo olds, failure to support Piaget's theory, 24153
practice on digit or letter targets, incorrect target-present & correct target-absent responses in visual search when digit other than target was present, college students, 13559
regular vs random order, visual letter or digit search, college students, extension of work of N. W. Ingling & J. Jonides & H. Gleitman, 229
search for visible vs hidden objects & interpretation of errors, 9 mo olds, 3464
search task & mnemonic precedence as analogue of AB error in infants, 31–70 yr olds with amnesia, 27661
selectivity of visual information processing in search vs nonsearch conditions, 19–27 vs 65–90 yr olds, 24147
serial position curves for RT & accuracy in visual search for individual array items, college & graduate students, test of model of overlapping processing of characters, 26313
serial search by focal attention, discrimination among different combinations of linear orientations, experienced & naive Ss, 16267
spacing & categorical vs alphabetical organization of words on computer menu displays, search time, college students, 18886
spatio-temporal factors & learning ability & fatigue & attention, number search on CRT matrix, implications for personnel selection, 13183
stimulus control in visual scanning, hyperactive 5.7–13.4 yr olds, 4079
stimulus duration & contrast & frequency, visual persistence, reading disabled 7.4–11.1 yr old males, 6695
tachistoscopically presented target, visual lobe size & foveal acuity & search performance on card sorting task, 15–40 yr olds, implications for visual inspection performance in industry, 5403
task demands & E expectations, increase in time to scan object in visual mental image, college students, 26316
verbal RT to presence vs absence of target letter in various size arrays as measure of utilization of Gestalt grouping principles, 20 vs 69 yr olds, 21701
visual attentiveness & search behavior & duration of independent mobility, performance on object permanence task, 8–10 mo olds, 16921
visual search for object surrounded by objects of similar shape or color, analysis of color & shape confusions that affect task difficulty, 3–5 yr olds & children with mean ages of 6.9 vs 9.8 yrs old, 19618
visual vs rotary pursuit task, cardiac responses, college students, 23868
Visual Stimulation [See Also Dichoptic Stimulation, Illumination, Photopic Stimulation, Prismatic Stimulation, Scotopic Stimulation, Stereoscopic Presentation, Tachistoscopic Presentation, Visual Displays, Visual Feedback]
acoustic vs visual prepulse & intense light flashes vs noise bursts, eye blinking during attention-directing acoustic vs visual foregrounds, infants vs college students, 16867
active vs passive modality effects with silently presented tactile input, recency recall, college students, 11013
adaptation to rotation simulation, three-dimensional motion aftereffect, college students & authors & naive S, 239

adaptation to stroboscopic motion, perception of temporal order of adjacent visual stimuli along same axis, 208
adapted cuing technique, enhancement of oral stimuli in increasing correct speech responses, 5.5 yr old with dyspraxia, 25342
advertisements, conspicuity of routing information in railway station scenes, college students, 26056
age differences & auditory vs visual mode of presentation, paired associate learning, 2nd–5th graders, 19598
alphabetic vs nonalphabetic suffix, serial recall of letters presented with Optacon visual display, college students, conference presentation, 13673
alphabetical vs ideographical presentation of digits, perception of physical & numerical size, college students, 5416
ambivalent visual-vestibular & vestibulo-somatosensory stimulations, perceived self motion, 17–38 yr olds, 19050
artificial alteration of optical properties of eye, behavior & visual cognition & oculomotor adaptation, 2969
attended vs unattended lists of whole & smaller constituent letters, recall by order of report vs temporal pairs vs letter size & sensory retention, female 18–51 yr olds, 21177
auditory &/vs visual stimulation, work output on stationary bicycle, severely retarded 22–30 yr olds, 15084
auditory vs visual presentation & suppression of vocal vs visual activity, sentence memory & retention of wording & meaning, high school & college students, 29138
auditory vs visual presentation of grouped lists, recall, adults, 5488
auditory vs visual presentation of words, word learning & immediate & delayed recall, medical students, 21169
auditory vs visual stimulus & manual vs verbal response mode combinations & asymmetric transfer, single- & dual-task performance, right handed male college students, 23515
binocular adaptation to & monocular viewing of similar stimuli, strength of McCullough effect & color aftereffects, 2996
blur & spatial frequency & luminance, rod & frame task, college students, 16246
brief stimulus duration, amplitude of visual EPs with verbal vs non verbal tasks, male college students, 21105
Broca-Sulzer effect, stimulation parameters & RTs & neuropsychological correlates, literature review, 2985
color stimulation added early vs late vs omitted, performance on sustained concept vs vigilance task, hyperactive 1st–6th graders, 20792
continuous visual & aural presentation of nouns, forgetting rates & long term retention in word recognition & modality identification tasks, 3rd & 4th graders vs college students, 14164
continuous vs flashed targets for motor coordination, manual pointing &/vs eye movement RTs & speed-accuracy tradeoff & variation in range effect, 15–21 yr olds, 23526
contrast thresholds for detection of sinusoidal gratings appearing within 1-dimensional random noise, adult female cats vs humans, 29262
critical stimulus durations, verbal & nonverbal visual discriminations of 100 percent accuracy, adults, 19030
crossed vs uncrossed RTs to visual stimulus & performance of dichotic listening task, 21 yr old female with agenesis of corpus callosum, implications for bilateral speech representation, 4164
deficit in naming visually presented objects with neither aphasia nor perturbation in perceptive & associative processing of visual information, 70 yr old with left occipital infarction, 14834
diameter of concentric circular background, responses of X & Y cells of dorsal lateral geniculate nucleus to flashing test probe modulated at ? Hz, cats, 21295
dichotic vs visual presentation of word pairs with pre- vs postvocalic minimal phonemic contrasts, RT, 57–84 yr olds with severe aphasia, 4190
distance between stimulus & eye vs horizontal distance from trunk of S, perceptual aftereffect & distance perception, normal Ss, 8173
drift-correcting perturbation method & stimulus with dark surround, transient channel visual system, 10934
duration of delay & hue vs linear stimuli, performance on matching-to- sample task, pigeons, 11092
duration of stationary vs velocity of moving visual stimulus, neural responses in Areas 17 & 18 cortical cells, anesthetized & paralyzed cats, 29268
electronic device design for production of simultaneous random dot cyclopean & monocular visual stimuli, 26158
equivalent-noise model for detection & discrimination of low contrast signals, human Ss, 13532
eye movement responses to single vs multiple targets, 20–35 yr olds, 2982
flashes of light & eidetic imaging, electroretinograms & autonomic responses, college students, 3209
flickering flash stimulation, visual evoked response, cerveau isole & midpontine pretrigeminal cats, 3267
ganzfeld stimulation, skin conductance levels & labile imagery & enhanced psi performance, college students, 20928
genotype & early unconditional & acquired visual stimulus preferences, expression of acquired learning & behavioral development, Japanese quail chicks, 5652
geometrically rotated text for Macintosh computer, stimulus preparation for perception & learning & memory experiments, 5246
hemispheric functional specificity, discrimination of temporal vs spatial visual stimuli to left vs right visual field, right handed Ss, 26481
high intensity light vs noise vs cold stimulation, systolic & diastolic blood pressure, 25–40 yr old males, 23843
hypnosis, learning & recall of visually presented material, high- vs low-hypnotizable college students, 5523
impairment of ability to name visually presented stimuli with comprehension of corresponding names, 69 yr old female with optic anomia, 6844
induction of functional retinal projections & neurophysiological recordings, somato-sensory system, newborn hamsters, 21298
inexpensive simple circuit for sine wave generator, application to visual evoked response experiments, 26139
interocularly intermittent exposures of equal duration & retinal luminance, apparent depth displacement of moving object, adult Ss, 13556
letters vs digits vs geometric shapes as stimulus symbols, steadiness & flexibility of attention, deaf vs hearing 1st–12th graders, 6779
light pulses vs optokinetic stimulation, vestibular nuclear neuron activity, green frogs, 21286
light vs tone as feature-positive stimulus, generalization & strength of CR, rats, 377
lights out after exposure to optokinetic stimulus, afternystagmus decay, 21–35 yr olds, 228
locus of control & semantic evaluation of time & drawings, adults, 5392
matrices of letters vs familiar vs unfamiliar shapes presented at different interstimulus intervals, passage of information from sensory storage to short term memory, college students, 19154
Maxwellian optics laboratory automation using personal computer for experimental control for psychophysical instrumentation & data gathering, conference presentation, 18885
measurement of individual differences, visual vs verbal consumer information processing, college students, 7909
multiple stimuli in perception of distance & depth & visual motion, conference presentation, 8161
multiplication circuit for microcomputer, variable-contrast sinusoidal luminance gratings, 5234
naming process in learning auditory-visual & visual-visual conditional discriminations, mentally retarded 19–25 yr olds vs nonretarded 5 yr olds, 24837
narrowing of visual field or increased velocity of optokinetic stimulus, nystagmus on foveal area vs peripheral retina, 10928
neural network model of multistable perception, 23553
neutral vs environmental asthmatic vs asthma-related vs phobic as stressful visual stimuli, psychophysiological arousal & respiration & vigilance, asthmatic patients vs nonsmoking skin divers, 30358
nonsimultaneous presentation of dichoptic stimuli & length of interstimulus intervals, binocular rivalry, 238
number pairs presented with vs without rectangle, recall, adults, 5505
Octanoate during visual or somatosensory stimulation, activation of brain pathways, rats, implications for brain anatomy, 5927
optokinetic background, perception of velocity of visually tracked moving objects, 18–31 yr olds, 242
parallel vs orthogonal gratings, storage & discrimination of spatial frequency information, human Ss, 5417

perception of brightness in time-dependent stimuli, 10909
periodic linear acceleration stimuli, conjugate & vergence eye movements, males lying in supine position on large-stroke vertical vibration platform, England, 21116
peripherally presented target embedded in homogeneous competing background, binocular vision lobe size & shape & visual search processes, 21–28 yr olds, 19060
pirlindole, change in flash vs pattern cortical EPs, 31–43 yr old males, 3273
pleasing vs aversive auditory vs visual stimuli, sequencing decisions in forced choice paradigm, college students, 19168
precise visual target information, throwing accuracy, male vs female college students, 19034
preexisting associations between visual stimuli & food, stimulus-reinforcer interaction in inhibitory conditioning, pigeons, 13744
presentation of erotic vs sexual vs aggressive vs stressful vs neutral motion pictures, saliva testosterone concentration, 19–24 yr old males, 5731
presentation of target letter in either vs both of 2 locations in visual display, RT task with divided attention, female college students, 2979
presentation of two visual stimuli, contour orientation sensitivity assessed by visual EPs as indicator of precortical processing, cats, 11174
printed contextual information in form of sentence vs isolation with superimposed noise, word recognition, normal-hearing Ss, 5442
prior exposure to play with visual reinforcers, tactile exploration of visual reinforcement following operant responding, 1–2 yr olds, 19590
protocols for measurement of visual stimuli, implications for diagnosis of vision problems using visual EPs, 12178
psychophysical vs computational approach, study of optical transformations resulting in perceived self vs object motion, 13533
random dot stereograms & binocular contrast stimuli, visual EP components, adults with normal vision, 11170
raster sampling, visual discrimination of simple monochrome edges & sinusoidal gratings, 2988
reaction time histograms obtained from achromatic stimuli, studies by S. H. Schwartz & M. S. Loop vs K. Kranda, 8178
reaction times to lateralized flashes of light, assessment of interhemispheric transfer of information, 32–51 yr old commissurotomy patients, 23832
real vs induced stimulus movement, pulvinar cell response, monkeys, 16421
relation of random dot stereo illusion to Anstis-Howard-Rogers effect, adult Ss, 16248
repeated stimulation & personality type, response variability assessed by pattern reversal & flash EPs, 40–49 yr old males, 5681
repeated-stimulus superiority & inferiority effects, RT in identification of letters & digits, college students, 26323
role of visual experience, activation of critical period for monocular deprivation in visual cortex, cats reared in total darkness from birth to 4–5 mo of age, 8480
separate activation vs coactivation in simple letter detection task, RT, college students, 3001
short term memory for content & position of visual stimuli, 20–70 yr olds with aphasia, 30342
sign stimuli using dummies with male coloration & female shapes & male & female postures, courtship & aggressive behavior, male 3-spined sticklebacks, conference presentation, 19280
signal vs nonsignal light flashes of different duration, intensity discrimination, cats, 11067
simultaneous allocation of attention to several locations in visual display, college students, 13550
simultaneous visual & auditory signals, short term memory, pigeons, 5556
simultaneous vs sequential presentation of visual stimuli, immediate ordered recall, college students, 26359
sine vs Gaussian random waves & instructions to fixate on target with vs without simultaneous mental arithmetic, smooth vs saccadic component phase lag in visual tracking, 16261
source derivation procedure of pattern reversal stimulation, visual evoked responses, 19–24 yr old males, 3150
spatial frequency gratings, iconic formation, schizophrenic 18–45 yr old males, 30216
spatial pattern sequentially outlined in sound system with vs without visual cues, measurement of audiospatial processing, 18–44 yr olds, 19090
stationary vs moving visual stimuli & animal's behavior, neural responses in subdivisions of pulvinar, rhesus monkeys, 29290
stimulation of peripheral optokinetic vs rotatory nystagmus, modulation of visuo-ocular reflex, 25–34 yr olds, 19078
stimuli presented in auditory &/vs visual modalities, detection & recognition performance, sonar operators, 23294
stimulus color & sign tracking with interfood clock, keypecking, pigeons, 16356
stimulus eccentricity & noncephalic vs linked mastoid site, visual EPs, adults, 5706
stimulus size & location, active vs passive smooth eye movements, 20 to 40 yr olds, 21112
storage of numbers in auditory & visual short term memory, digit-span recall, college students, 302
stroboscopically presented noise patterns' rate & duration & size & discrete spatial shifts in central & peripheral visual field, motion perception, adult Ss, 26328
subliminally presented visual symbiotic gratification & magic of believing messages, academic achievement, graduate students, 13003
superimposition of grating within 1-dimensional visual noise of different orientation, tilt illusion, adult Ss, 29037
suppression of subvocal speech, text processing during auditory vs visual presentation, 6th graders, 16952
theorems of detection-based interpretation of visual resolution, predicted vs observed performance in simple vs 1-of-m signal detection vs recognition tasks, 21070
time delay in word vs design recognition, adults with mean ages of 30.6 vs 64.3 yrs, 21708
toys that emitted vibration or light or sound, play & stereotyped behavior, profoundly handicapped children, 20090
transient vs steady-state checkerboard pattern reversal, pattern electroretinograms & visual EPs, patients with macular & optic nerve lesions, 9562
varied intensity visual stimuli, augmenting-reducing component of visual event related EPs, adults, 21319
velocity of moving bar stimuli & masking of all but most sensitive part of receptive field, neural responses in geniculate & Area 17 & 18 cortical cells, cats, 29267
velocity of moving bar stimuli, responses of X- & T-cells in lateral geniculate nucleus, anesthetized & paralyzed cats, 29288
verbal vs visual-perceptual or phonetic stimulation of right vs left hemisphere, event related potential amplitudes & reading & spelling ability, dyslexic children, 6675
verbal vs visual presentation, recall & text comprehension, 5–6 yr olds, 11441
vestibular semicircular canal &/vs visual stimulation in occupational therapy, 5–9 yr olds suffering from attention deficit disorder with hyperactivity, 1-yr followup, 7452
videotaped conversation between males & females, recognition memory for visual vs verbal information, male vs female college students, Sweden, 5492
visual attention, EEG mapping using permutation-paired Fisher test, 21–48 yr old males, conference presentation, 26493
visual conditioning vs nonassociative training, neuronal discharge along tectofugal pathway & in nucleus rotunda & ectostrictum & heart rate, pigeons, 23838
visual information processing, planning of sensorimotor action in locomotor pointing situation, 8151
visual noise & information-losing neural transformations & visual sensitivity, literature review, 21074
visual stimulation & eye movements, electrical activity in nucleus reticularis tegmenti pontis, juvenile monkeys, 29266
visual stimulation in Pavlovian fear conditioning procedure, associative learning, infant rats, 26402
visually presented VCV nonsense syllables, identification of visual phonemes, hearing impaired 22–62 yr olds, 4180
visually triggered movements of right index finger, cerebral potentials, 29–43 yr olds, 5712
visually vs auditorily oriented residential vs day schools, vocal & verbal RTs in tasks of increasing phonetic complexity, 7–14 yr old hearing impaired students, 13072

voiced naming of probe letter before vs after visual presentation of probe letter, spatial & iconic memory, college students, 13681
word relevancy & display load, physical & semantic & controlled processing of nontargets in visual target detection task, college students, 10959
Visual Thresholds [See Also Critical Flicker Fusion Threshold]
ACTH 4–9 analog ORG 2766, temporal thresholds for processing rapidly presented single letters, 50–72 yr olds with dysthymic or major depressive disorder, 20380
adaptational mechanisms in chromatic facilitation, adult male, 5420
alpha vs nonalpha activity in EEG, detection threshold of acoustic & visual stimuli, conference presentation, 3146
analysis of short-range visual processes in apparent motion, adult Ss, 13538
anesthetic phencyclidine vs ketamine, auditory & visual thresholds & RTs, baboons, 26701
bleaching of rhodopsin in isolated retina & background light & test flashes, responses of photoreceptors & increment thresholds, skates, conference presentation, 540
brightness matching & cancellation techniques, strength of Ehrenstein illusion in negative vs positive contrast, trained adult Ss, 16268
chromatic adaptive conditions, displacement thresholds for motion detection, 5401
compression of luminance into variable number of sample bars, measurement of contrast sensitivity for sinusoidal gratings, 10907
conditions & methodology for sensing hyperacuity thresholds of 1 sec, 13563
contrast thresholds for detection of sinusoidal gratings appearing within 1-dimensional random noise, adult female cats vs humans, 29262
contrast thresholds for detection of vertical sinusoidal test grating tracked during & after 3-hr inspection of high contrast adapting grating of same spatial frequency & orientation, adult Ss, 29049
cortical magnification vs spatiotemporal frequency vs contrast, displacement thresholds for oscillating grating, human Os, 5425
decreased adaptation of increased stimulus duration, discrimination of luminance increments & decrements, 2974
determination of absolute thresholds for monochromatic lights vs direct comparison matching just above threshold, measurement of scotopic visibility curves, adult Ss, 13546
determination of thresholds for anaglyphic dynamic random element stereograms that reverse in depth, 27–34 yr olds, 16271
dextroamphetamine, auditory & visual RT & detection thresholds, baboons, 16654
diazepam vs triazolam, auditory & visual thresholds & RT & duration of drug effect, male baboons, 24002
differences in 2-pulse measurement of temporal integration in fovea vs peripheral retina, adult Ss, 16251
dim violet bar vs random-dot stereograms superimposed on bright yellow background, depth perception mediated by blue-sensitive mechanism, 508
double judgment forced choice vs rating scale paradigms, response biases & attentional shifts in identification vs detection of thresholds, 21093
elementary stimuli presented at increment threshold luminance & with suprathreshold stimuli, foveal inhibition, 28 yr old male, 29060
equiluminance, vernier acuity, adults, 10929
failure of ability to report direction of apparent motion when array of random dot displacement exceeds limiting value, naive & experienced Ss, 13535
flashblindness data, prediction of visual thresholds & adaptation following microsecond exposures to electron beam, 10926
global pattern/randomness threshold, orientational anisotropy in visual system, humans, 16256
just noticeable inhomogeneity criterion for determination of wavelength discrimination functions, adult Ss, 23551
light adaptation, temporal summation & modulation in cones, turtles, 23799
light vs dark field adaptation, temporal threshold for perception of grey/white spots at intersection of Hermann grid, implications for retinal adaptation & role of ganglion cells, 16270
low luminance levels, detection of light & flicker in peripheral visual system, 3005
measurement of incremental redness or greenness thresholds for bichromatic mixtures, determination of red-green antagonism at color threshold & in perceptual hue cancellation, adult Ss, 21066
meditation, visual perception & thresholds, experienced meditators, 16249
moire pattern resulting from aliasing by foveal cone mosaic, human Os, 5423
noise gratings of various spatial frequency bandwidths & central frequencies, contrast & modulation detection, 227
normative data for visual acuity & luminance- & size-difference thresholds, pigeons, 29277
parallel vs orthogonal gratings, storage & discrimination of spatial frequency information, human Ss, 5417
parallel vs 2-alternative forced choice method of constant stimuli of orthogonal orientations, visual contrast discrimination thresholds, adult Ss, 26327
patterns with different line orientation & length, orientation sensitivity vs discrimination of different texture orientation at retinal locations, 17–35 yr olds, 237
perception of brightness in time-dependent stimuli, 10909
peripheral field stimulation during monocular vs dichoptic viewing, spatial contrast sensitivity, human Ss, 13573
position in visual field vs spatial frequency vs contrast, lower threshold for motion of gratings, human Os, 5408
randomness in spatial frequency content of stimuli on successive trials, determination of thresholds for spatial interval discrimination, adult Ss, 13574
rearing under red illumination for 1st 3 mo of life, color discrimination at 5 mo of age & increment threshold spectral sensitivity at 1.4 yr, monkeys, 23879
reference velocity discrimination for central & peripheral vision, just noticeable differences in velocity, 20–45 yr olds, 23560
responses of single neurons in striate cortex & estimation of threshold levels in spatial-resolution tasks, anesthetized paralyzed Old World monkeys, 13820
retinal illuminance during color-matching of monochromatic lights in 10° field, visibility curves, 19–67 yr old Os, 5414
scotopic background stimulation, photopic increment thresholds, adult Os, implications for cone-rod interaction, 13543
sequential-mechanisms models, assessment of 2-point threshold performance & role of physiological mechanisms in spatial & intensity visual discrimination tasks, 21083
signal-to-noise ratio of neural representations of visual stimuli, 18–36 vs 60–76 yr olds, 16951
spatial frequency combinations over 4 octave range, contrast sensitivity, practiced & naive adult Ss, 13568
spatial separation & retinal eccentricity, 2 dot vernier acuity, adult Ss, 21069
spatial vs temporal position vs eye-of-origin dimensions, selectively sensitive mechanisms of near-threshold pattern perception, 21086
stimuli with difference-of-Gaussian luminance profiles, measurement of depth-increment thresholds within postulated spatial channels as function of depth from fixation plane, adult Ss, 13534
stimulus motion durations &/vs angular rates, central & peripheral vision displacement thresholds during tracking, 17–45 yr old males, 23548
stimulus strength & sensory pathways, accuracy of detection & identification, 21120
striatal cortex neurons, conversion of small stimulus changes to response changes in spatial frequency discrimination thresholds, cats, 21283
suprathreshold vision vs contrast sensitivity function, 20–40 yr old patients with acute vs artificially depressed optic neuritis, 27495
tachistoscopic presentation of letters of alphabet, perceptual thresholds & performance & interhemispheric integration in recognition of letters, schizophrenic 18–34 yr olds, 19917
target spatial location uncertainty, foveal luminance increment detectability, normal & amblyopia Ss, 16242
temporal frequency of sinusoidal mask grating, threshold elevations for spatially localized test stimuli, adult Ss, 19069
test exposure duration, detection thresholds for mixed color test stimulus, males with normal color vision, 21102
theories of illuminant adaptation & limitations of color constancy, 13599

variation of spatial & temporal frequencies & orientation of motion, sensitivity to shearing & compressive motion in random dots, adult Ss, 26320
variations in interfering & inducing grating spatial frequency & contrast & phase, grating-induction magnitude, adult Ss, 29052
vertical disparity tolerance in random dot stereograms, O's with normal acuity & stereo vision, 29055
vertically displaced peripheral gratings, grating detection, adult Ss, 2997
visual masking, spatial frequency discrimination thresholds, experienced adult Ss, 13583
visual motion thresholds for sinusoidally modulated shearing motion of random dot display, monkeys vs human Ss, 13802

Visual Tracking
aging, psychomotor reminiscence & mirror tracking & rotary pursuit task, male vs female 57–86 yr olds, 3473
atropine injections, pursuit tracking performance under 2 light conditions 30 vs 150 min postinjection, 22–31 yr old males, implications for performance of military personnel in tactical situations, 26721
continuous vs flashed targets for motor coordination, manual pointing &/vs eye movement RTs & speed-accuracy tradeoff & variation in range effect, 15–21 yr olds, 23526
development of visuomanual sinusoidal tracking, 5–9 yr olds vs adults, 849
dextroamphetamine vs chlordiazepoxide vs alpha-flupenthixol, tracking of visual cue in food reinforced VR conditioning paradigm, male rats, 11292
dynamic 3 alternative tracking paradigm, measurement of vernier acuity, 1–14 mo olds, 24136
eye movement responses to single vs multiple targets, 20–35 yr olds, 2982
fixation on stationary point vs tracking of moving target, magnitude of Pulfrich stereoeffect, humans, 16264
functional properties of visual & eye-movement-related neurons of area 7a, rhesus monkeys, conference presentation, 3169
illness characteristics & history, smooth pursuit eye tracking & performance on neuropsychological tests & brain morphology, 23–42 yr olds with schizophrenia, 17309
inertia added to head, eye & head positions & velocities during eye-head tracking task, 20–35 yr olds, 21050
intertask redundancy & spatial proximity of task displays & degree to which task displays constitute single object & resource demands, dual-task integrality, college students, 10922
maximum smooth pursuit eye velocity relative to target velocity, 20–56 yr olds, 234
measurement of accuracy of perceptions of motions colinear with eye movements, college students, 23578
motor vs perceptual localization of visual target fixated by saccade or pursuit eye movement, male college students, 23550
optokinetic background, perception of velocity of visually tracked moving objects, 18–31 yr olds, 242
patterns of looking behavior, 40 wk old postconceptional full-term vs low birth weight infants, 8792
saccadic movement & pursuit tracking, marker of susceptibility to schizophrenia, 12–19 yr olds of schizophrenic mothers, 30184
sine vs Gaussian random waves & instructions to fixate on target with vs without simultaneous mental arithmetic, smooth vs saccadic component phase lag in visual tracking, 16261
single vs multiple target presentations, eye movements, adults, 13561
spatial proximity of sequentially vs randomly displayed points & tendency to track moving points, suppression of visible persistence & estimation of number of points seen simultaneously, college students, 10911
stimulus motion durations &/vs angular rates, central & peripheral vision displacement thresholds during tracking, 17–45 yr old males, 23548
stimulus size & location, active vs passive smooth eye movements, 20 to 40 yr olds, 21112
suppression of involuntary tracking eye movements in absence of fixation target, 2990
visual pursuit abilities, mentally retarded vs cerebral palsied vs learning disabled 3–10 yr olds, 22208
visual vestibular interaction, smooth-pursuit tracking, 20–60 yr old psychotic vs schizophrenic in- and outpatients, 9270

Visually Handicapped [See Also Blind, Partially Sighted]
ability to comprehend verbal humor & to perform Piagetian visual-spatial task, function of left vs right hemispheres, visually impaired 7–15 yr olds, 27672
application of capsule paper process to production of tactual maps, visually impaired persons, 25536
attitudes toward professionalism & college training for rehabilitation teaching & counseling & mobility instruction, state agency directors serving blind & visually impaired, 15614
brain lesions, patients with cerebral visual disturbance as part of infantile encephalopathy, implications for role of hypoxia &/or ischemia in etiology, conference presentation, 1657
brown vs white nursing staff uniforms, nocturnal disturbed behavior, visually impaired male 34–86 yr old hospitalized patients with Alzheimer's disease or stroke or schizophrenia or Huntington's chorea or alcoholism, 22735
caloric stimulation, visual neglect & lateral gaze test performance, 38–78 yr olds with left-sided visual neglect following stroke, 17657
chance encounter with stranger, determination of social perception of disability, mothers of visually impaired infants under 3 yrs old, 17589
Community Adjustment Program, adaptive living & social skills, visually impaired mainstreamed adolescents, 7730
development & use of image magnifier system, visually impaired preschoolers to 4th graders, 24951
DRO & monetary restraint procedures, reduction of stereotypic responses, visually impaired mentally retarded 7–9 yr old students, 13055
epidemiology of visual impairment, developmentally disabled clients in regional centers, US, 17659
expressive language test, identification of language disorders, visually impaired 6–12.5 yr olds, 25940
figure-ground reversals, visual functioning, visually impaired 9.3–14.5 yr olds, 6766
individualized program for general reading readiness skills, braille reading, mainstreamed visually impaired students, Israel, 25881
interdisciplinary rehabilitation approach by occupational therapist & orientation & mobility specialist, blind & visually impaired adults, 25543
involvement in education, parents of preschool visually handicapped, 18581
itinerant instruction by counselors & orientation & mobility specialists & rehabilitation teachers, visually handicapped persons, 25534
learning pillow, visually impaired children, implications for multisensory teaching, 15839
lighting & relationship to size & distance & task complexity & personal variables, visibility of visual tasks, visually impaired, 1590
master of arts program, competence in academic instruction & orientation & mobility & instruction of severely/profoundly handicapped blind children, teachers, followup study, 25733
mental retardation or learning or other concomitant disabilities & educational needs, visually impaired Rocky Mountain/Great Plains residents from birth to 21 yrs old, 25863
method for assessment of ability to use closed circuit TV reading machine, Ss with substantial vision loss, 25562
microcomputers, development of writing & Braille-Edit word processing skills, visually handicapped students, 25868
occupational classifications & salaries, severely visually impaired adults, 17606
parent-child interaction & methodological issues, visually impaired parents with sighted children, bibliography, 17693
psychoanalytic interpretation, attitudes toward blind & visually impaired, 9600
psychological adjustment assessed by intellectual functioning & personality characteristics & social development & psychopathology, visually handicapped children & adolescents, literature review, 17546
psychosocial issues of readiness & appropriateness of vision prostheses & aids, visually impaired individuals, 10131
reliability & validity of Perkins-Binet Tests of Intelligence for Blind-Form U, 3rd & 5th & 7th & 9th graders with low vision, 5303

sight-loss support group, meeting information needs, people facing sight loss & doctors who help them, 9765
social skills training, visually handicapped children, 4600
spatial skills in close-body & local & geographical/travel space, prediction of efficiency in travel, visually impaired 5–12 yr olds, 24915
state-level data, blind & visually handicapped school children, implications for improved data collection & special education, 24960
structure of volunteer program for blind & visually impaired, social service agency, 25402
summer program, retention of previously learned skills, multiply handicapped students on vacation from residential schools for blind, 25880
systemic training in spatial concepts, children with low vision, 13079
team membership & practice patterns of multidisciplinary Visual Assessment Team, evaluation of disabilities, visually handicapped children, England, 22616
timed vs untimed test administration, performance on SAT, visually & hearing impaired & physically & learning disabled vs nonhandicapped high school students, 25894
Tourette syndrome & atypical pervasive developmental disorder & Ganser syndrome, 15 yr old visually impaired & mentally retarded male, implications for link between symptoms of schizophrenia & Tourette syndrome, 1528
treated vs untreated visual defects, intelligence & reading & mathematics & athletic ability, 10 yr olds, 12284
utility of optokinetic nystagmus & preferential looking & visual EPs as clinical diagnostic techniques, low birth weight premature infants with visual impairments, 17636
validity of Matson Evaluation of Social Skills with Youngsters, social-emotional problems & self concept, mildly mentally retarded & learning disabled & visually impaired deaf 8–19 yr olds, 21006
Vitamin C [See Ascorbic Acid]
Vitamin Deficiency Disorders [See Also Pellagra, Wernickes Syndrome]
B vitamins, nervous system & mental & physical disorders, literature review, 24579
B vitamins, nervous system, criticism of literature review by D. A. Bender, 24583
biotin deficient diet & CNS dysfunction & biochemical changes, rats, 21601
diet-induced vitamin K deficiency, locomotor activity in circular track & open field & radial arm maze, male rats, 13884
phenotype, motor activity & maze & discrimination learning following thiamine deficiency, mice, 23784
severe thiamine deficiency, ethanol-induced intoxication & hypothermia, rats, implications for tolerance to ethanol in chronic alcoholics, 3234
thiamine deficiency, development of neuropathological lesions & comparison with Wernicke's syndrome in chronic alcoholism, 20265
thyrotoxicosis & cyanocobalamin deficiency, development of acute organic psychosis, 64 yr old female, 4158
vitamin D deficiency, basal pain thresholds & analgesic effects of morphine in hot-plate test, rats, 16456
Vitamin Therapy
biotin, parenteral hyperalimentation, 34 yr old male with severe depression, 22554
gluten-free diet & vitamin E, spinocerebellar degeneration & malabsorption due to celiac enteropathy, 47 yr old male, implications for etiology, 20422
nutritional supplementation, preschool children with developmental impairment or behavioral disorders, 18036
pyridoxine &/vs magnesium, efficacy assessed by behavior vs urinary excretion of homovanillic acid vs EP recordings, autistic 3–14 yr olds, 30753
restoration of biochemical imbalances, treatment of dyslexia, illustration of male 6th grader, 9872
thyroid medication &/vs vitamins, IQ, institutionalized profoundly mentally retarded adults, 4477
vitamins E & C & methionine & butulated hydroxytoluene vs sodium selenite & vitamin E, patients with Spielmeyer-Sjogren disease, 1949
Vitamins [See Also Ascorbic Acid, Choline, Nicotinic Acid]
B vitamins, nervous system & mental & physical disorders, literature review, 24579
B vitamins, nervous system, criticism of literature review by D. A. Bender, 24583
gluten-free diet & vitamin E, spinocerebellar degeneration & malabsorption due to celiac enteropathy, 47 yr old male, implications for etiology, 20422
intake & functional measurements of vitamin B6, institutionalized mentally retarded, 28146
nutritional hypervitaminosis A, hysterical reactions, Eskimo peoples, 14621
plasma prealbumin & vitamin A & B levels, 65–99 yr old females admitted to psychiatric hospital, 30951
sulbutiamine, long term retention of leverpress conditioning & changes in hippocampal cholinergic activity, male mice, implications for role of thiamine deficiency in memory disorders, 21558
tetrahydrofolate vs vitamin B12, tetrahydrobiopterin biosynthesis, human & rat brain samples, implications for treatment of senile dementia, 29274
urine ultraviolet fluorescent tests for riboflavin, assessment of medication compliance, 12546
vitamin B6 administration, clinical & biochemical results, infants with Down's syndrome, 3-yr longitudinal study, 9883
vitamin B6 administration, cortical auditory EPs, children with Down's syndrome assessed at 1 & 3 yrs old, 3-yr longitudinal study, 9434
Vocabulary [See Also Anagrams, Antonyms, Homographs, Homonyms, Sight Vocabulary, Slang, Synonyms]
activity level & language ability, achievement scores, children 1st assessed in 2nd grade, 2-yr followup, implications for educational intervention for hyperactivity, 10424
age of acquisition & meaningfulness of word, word associations availability, 9th graders, 11410
age, primary process content & use of drive & concrete & emotional words & lexical diversity in spontaneous fantasy narratives, male vs female 2–11 yr olds, 29658
avoidance of synonyms in scientific discourse, 7920
category & dramatization activities in interactive vocabulary instruction, 22954
cognitive development, language & vocabulary acquisition of object names, 17–19 yr olds with Down's syndrome, 14–21 mo longitudinal study, 4058
concept of definition instruction, vocabulary, 4th graders, 10376
contextual analysis vs semantic mapping vs keyword instructional strategy, recall of vocabulary definitions, high-achieving 4th graders vs low-achieving 4th & 5th graders, 4857
contextual framework & word familiarity, episodic memory, 19–29 vs 65–79 yr olds, 24122
dictionary or concept vocabulary instruction, comprehension of basal stories, average vs above average 5th grade readers, 31220
ethnography & participant observation, determination of vocabulary & topics & attitudes in intragroup communication & social identity, Haida Indian & White residents of Haidaville, Alaska, 24052
exposure to pegword mnemonic technique &/vs hints vs learning instructions, recall of & use of keyword strategy on vocabulary task, college students, 23635
familiarity with component words, ability to produce productive vs associative vs groping 2-word positional patterns beyond lexically-based patterns, female 1.3 & 1.5 yr olds, 29583
family influence with vs without day nursery attendance, development of noun vocabulary, 2.5–3 yr olds, Czechoslovakia, 11429
general vocabulary knowledge &/vs Black language "sounding" skills, figurative language comprehension, Black vs White 7th graders, educational implications, 15735
heterographic homophones, application as educational & psychological research tool, 28915
incidental vocabulary learning from written context, middle grade students, critique of study by W. E. Nagy et al, 8832
keywords, learning native language vocabulary, college students, 12963
manual direct select communication board, generalization of acquired vocabulary, preschool severely handicapped learners, 18604

measurement of daily verbal behavior & active basic vocabulary, 5–15 yr olds, 873
perceptually & nonperceptually based components in semantic activation during word recognition, college students, 13655
production of new words for objects vs actions, 1.7–2.1 yr olds, implications for semantic-phonological interaction in speech processing, 19581
program with daily parental oral reading, vocabulary & verbal comprehension, nursery school children, 18501
recall of high frequency words from lexicon, college students, evidence for frequency-ordered lexicon, 29129
single exposure of new word in conversation vs story vs paired with definition, initial phase of word learning, 4–11 yr olds, 816
suggestions for basal reading vocabulary instruction, 7619
teacher-made examples to elicit student-generated examples based on experience, vocabulary building, 7591
traditional vs rich vs extended/rich vocabulary instruction & frequency of instructional encounters, verbal processing skills, 4th graders, 10359
twin status, adaptation of conventional syntax & vocabulary, identical twin females observed from 2–3.8 yrs old, 29626
understanding of science terms, 9 vs 13 vs 17 yr old students, 7652
use of vocabulary instruction in reading education, 1st–5th grade teachers, 20666
vocabulary & performance on word association task in German vs English, 7th–9th graders in 3rd yr of English instruction, West Germany, 18518
vocabulary development, prediction of later academic & linguistic achievement, 4 yr old deaf children of deaf vs hearing parents, 4145
1-parent vs 2-parent families & parental educational attainment, mathematics achievement & word knowledge, 13 & 18 yr old junior high & high school students, 25821

Vocal Cords
auditory response in vocal motor neurons, male zebra finches, 16388
shape of electroglottography waveform, voice of female patients with vocal nodules, 20137
stridor induced by disorder of vocal cords & associated emotional factors, 12 & 18 yr old female patients, 4149
validity & reliability of perceptual rating systems, assessment of voice quality, patients with vocal fold nodules or polyps, 28930

Vocalization [See Also Animal Distress Calls, Animal Vocalizations, Crying, Infant Vocalization, Laughter, Subvocalization, Voice]
attentional change & vocalization during interaction with mothers, infants observed at 15 & 18 mo, 6055
computer analysis of voiceprints, diagnosis of tardive dyskinesia, psychiatric patients who had been treated with long acting phenothiazines, 6741
Fourier structural analysis of lip-contours for articulation of isolated spoken vowels, 719
number of persons being taped & degree of intervention & nature & degrees of freedom in instructions & intervention & comfort in environment & task variables, generation of verbal reports, college students, 28488
perception of vocal placement of vowels & sentences, graduate & college students serving as speakers & listeners, 5438
positive practice overcorrection specific learning objectives, stereotypic vocalizations & social behavior, autistic 8.7 yr old, 4959
potential of voice as curative factor in psychotherapy, 9688
recall & recognition schema theory, learning in-tune singing, children, 11466
symptomatology of aphasia with recurrent utterance, implications for anatomical-clinical correlations & prognosis & therapy, 27606
visual stimulus intensity & degradation & stimulus-response compatibility & practice, vocalization latency in letter naming task, college students, 21081

Vocalization (Infant) [See Infant Vocalization]
Vocalizations (Animal) [See Animal Vocalizations]
Vocational Adjustment [See Occupational Adjustment]
Vocational Aspirations [See Occupational Aspirations]
Vocational Choice [See Occupational Choice]
Vocational Counseling [See Occupational Guidance]

Vocational Counselors
reliability of scholastic success predictions, vocational guidance counselors vs teachers of high school students, France, 25889
testimony in court cases involving social security claims for disability, vocational experts, 17117
vocational & career counseling competency requirements, 10298
5 lead questions in career counseling, career counseling practitioners, 28675

Vocational Education [See Also Cooperative Education]
adjustment assessed by teacher ratings & self report of attitudes toward vocational training, apprentices from children's homes, 18482
Career Assessment Inventory, measurement of interest in realistic occupations & occupational uncertainty & preferences, noncollege bound 11th graders in vocational/technical vs nonvocational/technical programs, counseling implications, 18569
career education & guidance in private vocational schools, 10334
collaborative model of training community developmental disabilities associates, 28321
college vocational education curricula for high-technology needs for office work, 10328
development of university Life-Planning Program, coping with transition from secondary school to postschool life, learning disabled students, 23092
factors influencing dropout rates in postsecondary vocational education programs, minority females receiving welfare, implications for remedial programs, 12998
home vs career-commitment attitudes & realistic vs fantasized career choices, male vs female vocational education vs college preparatory seniors, 10440
independent career education at fashion design & merchandising college, 10343
independent school & social & economic role of vocational education, implications for occupational guidance, 10534
Life-Centered Career Education, transition from school to work, handicapped students, 23051
measurement hierarchy learning vs guided discovery vs exposition of principle vs refreshment of skill training methods, training transfer, 16 yr old school leavers in construction trades course, Great Britain, 28421
occupational training goals of independent vocational schools, 10331
personality & habits of abuse & social background, 21–30 yr old completers vs dropouts of program combining vocational training & therapy for alcohol & drug abuse, 18309
personality vs social support factors, nontraditional vocational enrollment, female vocational students, 15790
plans for college vs vocational training vs no plans, year 10 vs 11 vs 12 urban high school leavers, Australia, 31262
programs assisting vocational development, literature review, 7613
proposed government extension vocational services programs, rural adolescents living in Adalucia Region, Spain, 5037
role of tutor & contradictions in Young Persons Training Program, unemployed youth, New Zealand, 28701
United Township High School vocational program, transition from high school to outside world, special education high school students, 23070
vocational education programs in correctional institutions, handicapped juvenile offenders, 28208
vocational training, later work careers, substance abusers, 5-yr followup, 25581
vocational transition model, preparation for transition to adulthood & employment, handicapped youth, 4969

Vocational Guidance [See Occupational Guidance]
Vocational Interests [See Occupational Interests]
Vocational Maturity
career aspirations & confidence & work & job knowledge, 2nd vs 8th grade prelingually deaf residential school students, 7695
Career Assessment Inventory, measurement of interest in realistic occupations & occupational uncertainty & preferences, noncollege bound 11th graders in vocational/technical vs nonvocational/technical programs, counseling implications, 18569
construct & concurrent & discriminant validity of Career Decision-Making Self Efficacy Scale, college students, 10828
construct validity of J. O. Crites's career maturity model & Career Maturity Inventory, 6th–11th graders, 23489

failure to develop career maturity, Vietnam veterans with posttraumatic stress disorder, conference presentation, 24637
grade & age & SES & mental ability & sex, attitudinal career maturity, high school students of mixed European & African descent, South Africa, 31267
information-giving & decision making strategies & values action vs didactic presentations & group discussions, personal & vocational development, Black college freshmen in evening school, 28594
interaction of individual attributes & contextual features in career development, adolescents, implications for vocational development intervention, 26946
level of occupational knowledge & crystallization of vocational self concept, prediction of school-to-work transition difficulty, college & graduate students in business schools, 10459
life history information, vocational decision making & identity & maturity, male vs female college students, 18546
maturity inventories & multidimensional instruments & special population measures, career counseling, Portugal, 7790
multitrait-multimethod matrix procedure, convergent & discriminant validity of subscales of Career Maturity Inventory Attitude Scale, 9th graders, 15943
noninterpreted vocational tests, vocational attitudes & self concept, 13–15 yr old high school students, 2573
parent effectiveness training, parental childrearing attitudes & children's career maturity & GPA, rural parents & their kindergartners through 12th graders, 6-mo followup, 1016
person-environment compatibility, vocational stability, 21–35 yr old workers, examination of J. L. Holland's theory, 10581
predictive & construct validity of experimental measures of career maturity, 11th graders, 1-yr followup with criterion measures, 18684
process & personality theories of career choice & development, Black males, implications for career education & vocational guidance, 18711
self actualizing vs status quo vocational realism & socialization contexts, females, implications for counseling, 28668
small-group counseling vs career course, career decidedness & maturity, 17–34 yr old college students, 28595
student curriculum focus, career maturity, 9th–12th graders with academic vs business vs technical vs general educational concentration, Canada, 23034
vocational identity as evolving self & occupational concepts, ego-identity formation & vocational development, male vs female college students in combined bachelor of science program, 18399
Vocational Mobility [See Occupational Mobility]
Vocational Preference [See Occupational Preference]
Vocational Rehabilitation
application of computer technology to assessment phase of vocational rehabilitation, 12738
application of microcomputers, communication & computer access & vocational rehabilitation, handicapped persons, 12740
career counseling & education program, transition from prison to community life, ex-offenders from halfway house, 15407
case service costs & client earnings, comments on study by R. T. Walls et al, 22745
client characteristics & life skills training programs, refugees & non-job-ready employment center clients, Canada, 7461
community-based vocational habilitation services, maintenance in competitive employment through follow-up process, institutionalized handicapped 13–21 yr olds, 22640
community subsidized work program, 17–19 yr olds deaf-blind due to rubella, 7453
computer applications, career exploration & decision making in vocational rehabilitation, 12753
computer applications, enhancement of employment opportunities, handicapped persons, 12741
correctional goals & work programs, jail staff members & inmates, India, 15403
description & evaluation of community based competitive employment preparation program for developmentally disabled, mentally retarded or learning disabled 18–59 yr olds, 28099
development of community-based procedure for smooth transition from school to work, severely disabled students, case study of 18 yr old moderately mentally retarded male, 22667
developmental bibliotherapy, transition from school & home to career & independent living, disabled adolescents, annotated bibliography, 23071
external & self control cue strategies, maintenance of vocational skills, mentally retarded employees, 10144
family participation, vocational rehabilitation, 18291
focus on meaningful work & independent living skills, special education programs in secondary schools, implications for teachers, 23093
funding increase through diversification of independent living services, persons with severe disabilities, implications for rehabilitation facilities, 28206
funding increase through diversification of independent living services, persons with severe disabilities, implications for rehabilitation facilities, comments on article by J. S. Phillips et al, 28193
funding increase through diversification of independent living services, persons with severe disabilities, implications for rehabilitation, comments on article by J. S. Phillips et al, 28205
historical & legislative overview & current issues in transition from school to work & role of rehabilitation counseling, disabled students, 31001
intellectual vs neuropsychological factors, completion vs withdrawal from vocational training & therapy program, 21–30 yr old inpatient drug & alcohol abusers, 12761
job seeking skills training, mentally & emotionally disabled clients, 18305
lifestyle & sensory & physiological changes & increased illness, role in vocational rehabilitation of elderly, occupational therapists, 7465
measurement of performance, vocational rehabilitation counselors, comments on W. S. Sather's model, 4747
methodological considerations in study of vocational & social integration, disabled youth, Norway, 12745
minimal vs lengthy delay between simulated vs in vivo instruction, community fast food restaurant performance, 8 & 13 yr old males with severe mental handicaps, 10138
minimum wage criterion, evaluation of case service costs & economic independence, vocational rehabilitation clients in various handicapped groups, 22772
model for measurement of performance, improvement of state & federal program planning, vocational rehabilitation counselors, 4786
nature of employment, paraplegic & quadriplegic employees, implications for vocational rehabilitation, 18306
nonsheltered vocational skill training techniques, autistic adolescents & young adults, 2134
on-the-job vocational training strategies, management of behavior problems & adjustment to community-based competitive employment, 25–27 yr old autistic employees, 25559
partial task training strategy, productivity & on-task behavior, institutionalized profoundly retarded 18–19 yr olds, 10127
perceived needs for training in psychiatric rehabilitation, vocational rehabilitation counselors, 2249
placement guidelines for employment of vocational rehabilitation counselors, hearing-impaired job candidates, 2616
placement into unsubsidized competitive employment, job retention, mentally retarded Ss, 6-yr followup, 12760
rehabilitation through prolonged education in trade schools, severely handicapped students, 12-yr longitudinal study, 20546
response-contingent prompting & reinforcement in behavioral training program, prevocational work performance, blind & severely retarded 21–22 & 24 yr old females, 25545
role in work evaluation, occupational therapists, 7462
social skills training, vocational interpersonal skills & alcohol use & inpatient hospitalizations & job stress, 51 yr old male, 24-mo followup, 28194
supported work model, competitive employment placement & training & retention, moderately & severely retarded clients, 28203
theoretical perspectives of midlife stage of adult development, implications for vocational rehabilitation of disabled, 30998
trait-factor approach & vocational rehabilitation counseling, 22766
United Township High School vocational program, transition from high school to outside world, special education high school students, 23070

use of self instructional package to teach job tasks, 28 & 38 yr old mentally retarded employees, 10143
vocational education programs in correctional institutions, handicapped juvenile offenders, 28208
vocational rehabilitation assessment & prediction of success, vocational rehabilitation clients, 15413
vocational training, competitive employment in nonsheltered, work environment severely retarded & autistic adolescents & young adults with limited English proficiency, 25542
work activity environments & structure & referral goals & patient performance of Clinical Vocational Assessment Program, psychiatric in- & outpatients, 4690
work attendance, nonhandicapped vs mentally retarded 19–45 yr olds, implications for training, 10135
working for wages via vocational training, social behavior & perceived competence & independent living skills, severely mentally retarded adults, 18295
Vocational School Students
criterion validity of Ball Aptitude Battery, prediction of success, carpenters & horticulturists in training & accountants & production workers & school teachers, 13409
educational field of study, socio-political attitudes, 18 yr old high school students from vocational vs academic school, experimental replication & extension, Sweden, 15780
home vs career-commitment attitudes & realistic vs fantasized career choices, male vs female vocational education vs college preparatory seniors, 10440
measurement hierarchy learning vs guided discovery vs exposition of principle vs refreshment of skill training methods, training transfer, 16 yr old school leavers in construction trades course, Great Britain, 28421
method of teaching comparison of metric measurements, problem solving abilities, male 9th–10th graders in vocational high school, 15656
motivational aspects of scholastic capacities & interests, development of cognitive processes, vocational students, 13038
personality vs social support factors, nontraditional vocational enrollment, female vocational students, 15790
school attitudes & perceptions of school environment & leisure activities & personality, self reports of vandalism, 8th–11th grade vocational students, 15797
Vocational Schools [See Technical Schools]
Vocations [See Occupations]
Voice [See Also Crying, Infant Vocalization]
acoustical measurements vs clinical ratings, severity of vocal pathology, 6.1–11.5 yr olds with vocal nodules, 9481
alterations in speaking rate, recognition of familiar male voices, 5446
articulatory & voicing characteristics, 49–68 yr old dysarthric vs dyspraxic males, 12149
construction & validity of rating scale, measurement of voice & pronunciation quality, Dutch-speaking Ss, 130
differentiation between voice recordings made by patients when they were vs were not depressed, music conservatory vs college students, 19087
electroglottographic & acoustic waveforms of onset of voicing in stuttered vs fluent utterances, 21–48 yr old stutterers, 4080
expressive language ability & rhythm & pitch perception & vocal range & midpoint, mentally retarded 21–37 yr olds, 14762
fundamental frequency during reading episode & phonetograms & pubertal stages & endocrine analysis, prediction of voice puberty, 8–9 yr old female singers, conference presentation, 765
identifiability of male vs female voices in line-up after 1-wk retention period, implications for testimony involving voice identification, 5444
identification of intonational & facial expressions of emotions, patients with organic lesions of right vs left hemisphere, 20188
interval between original & interpolated lure vs target voice presentations, identification of target voice in voice line-ups, college students, 23591
potential of voice as curative factor in psychotherapy, 9688
prenatal learning of preference for mother's voice, neonatal competence, neonates, 8740
recognition of familiar voices presented forward vs backward, males vs females 25 yrs old & younger vs 26–45 yrs old vs 46 yrs old & older, 5445
shape of electroglottography waveform, voice of female patients with vocal nodules, 20137
validity & reliability of perceptual rating systems, assessment of voice quality, patients with vocal fold nodules or polyps, 28930
vocal expression of emotion, literature review, 16849
voice analysis as indicator of activation component of bargaining process in industrial marketing, 26052
voice characteristics, paranoid schizophrenic inpatients, 9299
Voice Disorders [See Dysphonia]
Voles [See Rodents]
Volunteer Civilian Personnel
coping behavior & anxiety & dealing with blood donations, volunteers, replication of study by D. G. Kaloupek, 1993
sociability work as distinct & important form of labor, female volunteer workers, 17151
use of parental & other volunteer help with reading, primary school head teachers, UK, 10309
Volunteer Personnel [See Also Volunteer Civilian Personnel]
community volunteer group, assistance to psychiatric patients, former psychiatric patients in aftercare program, 2144
development & organizational issues of interaction training & assessment program, church volunteers & aged & ill & handicapped, 18226
development of project RENEW in-home respite program to provide at-home companionship for frail elderly, trained volunteers, 30908
employment & other extradomestic activities, integration into social networks & secondary associations, working class females, literature review, 14268
hospice volunteer training, death anxiety & attitudes & locus of control, hospice volunteers, 28314
integration of volunteer public service tasks with conscious educational growth, 31137
organizational & attitudinal factors, prediction of retention & turnover, 13–80 yr old community volunteer service workers, Israel, 10209
Peace Corps integrated experience-based program of language & technical & cross-cultural training, volunteers, 5043
program goals & training procedures for volunteers & services of senior citizen day care center, frail elderly, 4615
self administered helping beliefs inventory, applicant screening for volunteer counselor training, experienced counselors vs members of recreational clubs with no experience but interested in helping others, 18965
social linkages, organizational commitment & participation in voluntary organizations & churches, survey of Southern Baptists, 11735
standardized protocols for involvement in hospices, volunteers, 30824
structure of volunteer program for blind & visually impaired, social service agency, 25402
structured activities vs friendship, mental health, volunteers over 60 yrs old & socially isolated 51–91 yr olds, New Zealand, 15274
value differences & relation to participation in programs serving mentally retarded, 18–74 yr old volunteers, 30885
voluntary organizations for deaf, England, implications for usefulness to psychologists, 22668
volunteer functions & roles & considerations in social services, aged, 7365
Volunteers (Experiment) [See Experiment Volunteers]
Vomeronasal Sense
experimentally-induced inability to detect chemical cues, predatory striking & envenomation, prairie rattlesnakes, 5747
exposure to vaginal odor, selective attention & discrimination between female animals, male hamsters with destruction of vomeronasal vs olfactory epithelium, 21463
methodology for collection of psychophysical data on nasal chemosensory systems, fish & insects & reptiles & birds & rats & rabbits & mice & bats & cattle & dogs, literature review, 23822
removal of vomeronasal organ with vs without subsequent olfactory bulbectomy, catnip reaction, cats, 13926
removal of vomeronasal organs, excretion of male vs female chemosignals that accelerate vs delay puberty in young females & maternal processes, male vs female mice, 23923
vomeronasal chemoreceptor organ removal, changes in response to urine odor due to surgery vs extinction, male guinea pigs, 11240

Vomit Inducing Drugs [See Emetic Drugs]
Vomiting
anxiety & food intake of standardized test meals without vomiting, females with bulimia nervosa, conference presentation, 24976
behavior modification & medical therapy, treatment of frequent vomiting & rumination, 6 mo old, 12503
diagnosis & characteristics of rumination, hospitalized 5–18 mo olds, 5-yr followup, implications for psychosocial development, 6862
disorientation & stomach pH, vomiting during space flight, astronaut candidates, 9624
efficacy of self induced vomiting & purging, prevention of weight gain, bulimic female adults, conference presentation, 24930
incidence & characteristics & treatment of nausea & vomiting, teenagers during 1st trimester of pregnancy, 27529
mood & hunger, eating retention or bingeing & purging, bulimic females, conference presentation, 24883
neuropathy with dementia & retinitis pigmentosa & dysautonomia, 59 yr old female & other family members, 20217
neurophysiological mechanisms & clinical features & role of vomiting in anorexia nervosa & bulimia & mental handicaps & pregnancy, literature review, 27631
neuropsychological assessment of Wernicke's encephalopathy induced by hyperemesis gravidarum treated by iv feeding without vitamin supplementation, pregnant 19 yr old, 12213
personality factors & anticipatory nausea/vomiting, cancer patients receiving chemotherapy, 20420
prevalence & somatic concomitants of anticipatory nausea & emesis, cancer patients receiving chemotherapy, 4480
reported severity of vomiting soon after vs 6 mo after gastric bypass surgery for obesity, 22–59 yr olds, implications for validity of retrospective reports of symptoms, 4592
role of opioid neurotransmission mechanism, rumination, 25 & 33 yr old females, 17557
stimulus deprivation & relaxation training, nausea & vomiting associated with hyperemesis gravidarum, 19 yr old female in 7th wk of gestation, 20366
stomach distention vs caloric density of meals vs oropharyngeal vs esophageal stimulation, rumination, profoundly retarded institutionalized 18–34 yr olds, 28064
systemic naloxone actions & role of endogenous opiates, nausea & vomiting in motion sickness, college students exposed to rotational motion stressor, 27498
Voting Behavior
ability to define terms liberal & conservative, voting behavior, 1077
analysis of voting decision making process in multi-person experimental game, 11779
assimilation effect, perceptions of political parties on left-right dimension, voters, Sweden, 3606
attitudes before vs after municipal elections, female vs male voters 18 yrs & older from agricultural vs industrial towns, Spain, 1979, 27082
attribution of causes of electors' intentions to vote for Ss' own preferred party vs other parties, voters, 14362
behaviorism vs field theory, prediction of voting behavior, voters, Sweden vs US, 17112
candidate gender & physical attractiveness & office prestige & responsibility & vote characteristics, outcomes of mayoral or county clerk elections, college students, 24396
decision model of union voting behavior, employees, 28807
definition of sophisticated voting & situations of plurality, 17121
demographic & educational background & decision making behavior, sincere vs strategic voters, Israel, 29872
discriminant function analysis, voting patterns & interest & knowledge & support for initiative petitions, signers vs nonsigners, 9044
economic conditions & noneconomic variables, electoral outcomes, methodological implications for prediction & explanation in political science, 6266
faculty characteristics & satisfaction with college conditions & participation in governance, voting in collective bargaining elections, college faculty, 22878
identification with political parties vs economic concerns, voting behaviors, voters, Italy, 6242
ideological identifications of self & candidate, candidate choice, voters in 1980 presidential election, US, 29879
individual & collectivist economic concerns & assessments of government economic performance in areas of inflation & unemployment, voting behavior, voters, Norway, comparison with US data, 6261
mathematical proofs of importance of approval voting, 2953
model of primary voting behavior, voters, 6262
newscaster's facial expression, viewer voting behavior, college students & other adults, 29501
party identification & perceptions of national & personal economic conditions & noneconomic issues, voting behavior during 1983 general election, Great Britain, 6269
political influence of televangelists, United Methodists & Southern Baptists under vs over age 65 yrs, 14377
political involvement & alienation & values & voting behavior, elderly, US vs West Germany vs UK vs Japan vs France, 9031
precampaign partisanship & features of campaign environment, uses & effects of mass media in voting decisions, registered voters, replication of experiment by S. H. Chaffee & S. Y. Choe, 27086
strict proportional power in voting bodies, model of randomized decision rule, implications for political processes, 29878
tenure of liberal V. Giscard d'Estaing vs socialist F. Mitterrand & economic conditions, stability of popularity function & voting behavior, France, 6257
time-series analysis of national vote totals &/vs cross-sectional analysis of individual survey responses, retrospective voting in response to economic conditions, literature review, 6255
timing & order of message presentation, voting preferences, voters, 27060
voting attitudes assessed by pollimeter attitude scaling device, voting behavior, voters, Israel, 29883
voting frequency & parenthood status, need for evaluative data in decision to support new school program, voters without vs with children in or not in public schools, 24386
Vowels
acoustic analysis of perceived diphthongs vs pairs of vowels in Maithili, Nepal & India, 5435
alternating & same 1- & 2-formant pulses at different amplitudes, vowel identification, 19081
categorical trends in imitation of synthetic vowels, replication of experiment by R. D. Kent, 21137
categorization & normalization of natural vowels produced by male vs female child, 2.8–3.4 yr olds, 19615
combination-sensitive neuron in auditory cortex, mustached bat, neuronal model for vowel normalization & representation in humans, 26527
development of visual speech training aid for vowel acquisition, hearing impaired, implications for differentiation of male vs female vs child utterances, 20435
Fourier structural analysis of lip-contours for articulation of isolated spoken vowels, 719
gated speech stimuli, anticipatory coarticulation of vowel gestures, apraxic vs dysarthric 51 vs 29 yr olds, 6706
higher formant frequencies & relative amplitude levels of 3-formant stimuli, identification of /i/ & /y/ & RT, college students, Finland, 5426
identification of whispered vs phonated isolated vowels, 22.2–32.8 yr olds, 5436
individual differences & temporal variation in frequency spectrum of Japanese vowels, male speakers, conference presentation, 728
integration of fricative-vowel syllable information across nonlinguistic sounds, adult Ss, 24060
interlist equivalencies for numeral & vowel/consonant multiple choice monosyllabic test, severely & profoundly deaf young adults, 13473
lip slit shapes, decoding of labial French vowels, conference presentation, 712
participation in precision fluency shaping model of therapy, manipulation of vowel duration to achieve fluency, adult stutterers, 1971
perception of vocal placement of vowels & sentences, graduate & college students serving as speakers & listeners, 5438
perceptually-based linear predictive analysis, analysis of naturally & synthetically produced vowels in psychophysical domain, 21354

peripheral & central processing model of vowel identification, adults, 267
phonetic change in received pronunciation of vowels in English, Great Britain, 1949–66, 5960
processing of short vs long vowels vs vowel digraphs, male 3rd–5th graders with reading disabilities, 20080
production of breathy vowels, male vs female English speakers, Great Britain, 29516
pulsation thresholds patterns of synthetic vowels, 21129
spectral center of gravity & model of auditory representation of American English vowels, 21141
stimulus-response compatibility & memorability in discrimination task, perception of isolated vs coarticulated vowels in CVC syllables on basis of category vs acoustic characteristics, college students, 13606
temporary vs permanent extrasyllabic consonants & rule of shwa insertion or deletion, inflectional processing, college students, 3354
training or enhancement of vowel duration cue, improved final fricative voicing perception, hearing impaired college students, 28026
visually presented VCV nonsense syllables, identification of visual phonemes, hearing impaired 22–62 yr olds, 4180
voicing onset time of initial consonant, discrimination of synthesized 5-formant CV syllables, 6–11 yr olds vs college students, 26822
vowel duration & final transition & voicing during closure, determination of voicing in final stop consonants, 3 vs 6 yr olds vs adults, 14194
vowel duration, loudness perception, support for B. Sharf's findings, conference presentation, 266
vowel normalization based on machine classifications of speaker vs phoneme information in short vowels occurring in constant context, male vs female Finnish speaking 20–45 yr olds, 8185
2-formant models of vowel perception, criticism of study by K. K. Paliwal et al, 256

Voyeurism
primal scene experience, development of voyeuristic tendencies & self stimulation habit, 26 yr old male, 4033

Wages [See Salaries]

Wakefulness
age specific preferences of early awakening & feeling worse in morning vs evening, 9–60 yr old schoolchildren vs college students vs employees, 742
buspirone with vs without flurazepam vs triazolam, sleep pattern & daytime function, 21–60 yr olds with chronic insomnia, 25323
clonidine, brain noradrenergic activity in wakefulness & paradoxical sleep, rats vs adults, 19447
hypnosis vs simulation vs waking conditions, verbal & figural creativity, female college students, 5517
low frequency sinusoidal & random whole body vibration, wakefulness assessed by EEG, 22–38 yr olds, 23890
nocturnal penile tumescence & penile responses to erotic stimulation in waking state, diabetics vs nondiabetics with sexual dysfunction, 6914
sleep vs wakefulness, bursting discharge pattern of unit activity, male rats, conference presentation, 3182
thalidomide vs pentobarbital, neuronal activity in preoptic area during wakefulness & slow wave vs REM sleep, cats, 654
vagal electrical stimulation during wakefulness vs slow wave sleep vs paradoxical sleep, neuronal activity in thalamic nuclei, male rats, 26587

Wales
consumer sovereignty & medical self-regulation & statistics on unnecessary surgery, Australia vs US vs England vs Wales, 7349
current trends in juvenile justice system, England & Wales, implications for social work, 2061
nonfatal medicinal self poisoning & psychotropic prescription rates, England & Wales, 18053
perceptions of seriousness of various crimes, general public & police officers, England & Wales, 24783
policy & practices of National Health Service drug dependence units, England & Wales, 15463
preventive utilization of medical services & lifestyle choices, lower SES 25–40 yr old mothers, Wales, 30830
psychiatric aspects of contempt of court, 17–74 yr old females in prison, England & Wales, 5-yr longitudinal study, 19732
retirement & unemployment, self esteem & alienation, coal miners, Wales, 10575
sex distribution in care facilities, male vs female children, England & Wales, 15242
social milieu in regionally based secure psychiatric units, hospital staff & forensic inpatients, England & Wales, 7417
suicides by opium & its derivatives, England & Wales, 1850–1950, 17450
traditional vs modern attitudes toward educational issues, secondary school teachers, England & Wales, 22902

Walk In Clinics
evaluation of University of Massachusetts mental health walk-in clinic, 18643

Walking
changes in stance & gait, development of reflexes for movements necessary for maintenance of body equilibrium assessed by leg muscle EMG, 1–8 yr olds, 24117
clinical & mechanical aspects & impact of haloperidol, gait abnormality, 36–66 yr olds with Huntington's disease, 30745
direction of turn, walking speed in curved paths, 19–30 yr olds, 10658
efficiency & preferred walking speed, blind pedestrians, 30376
group fitness program with fast walking & safe calisthenics, older blind adults, 9682
high vs low arousal conditions, kinematic characteristics of stepping motion, male 8 yr olds, 21683
loads of 20 vs 40% body weight carried using backpack vs doublepack, biomechanical parameters of walking gait, males, 7889
medical history & pain intensity, patterns of walking & pain behavior, patients with chronic low back pain, 4150
walking vs running, metabolic costs & gait patterns, males vs females, 3184

War [See Also Nuclear War]
attitudes toward maintenance & administration of occupied territories, leadership & psychopolitical & collective dimensions of psychohistorical process, public, Israel, 986
concerns about world affairs & war, gifted vs nongifted 6–10 yr olds, 29680
conditioning theory of posttraumatic stress disorder & Israeli invasion-induced anxiety, American college students, Lebanon, comments on article by P. A. Saigh, 3794
coping with fears of war & global threats, preschool age children, 26884
cross cultural differences, participation in warfare, females, 3562
death of father in war, bereavement behavior, 1–10 yr old normal kibbutz children, Israel, 11512
demographic characteristics & biopsychological responses, 17–58 yr old medical military personnel wearing chemical defense gear in simulated chemical warfare, 13178
dichotomization & differential bonding & differential projection as psychological drives toward war, conference presentation, 14258
emotional reactions to war, treatment of physical injuries & emotional stress reactions, treatment teams, Israel, 7559
ethics in combat psychiatry, psychiatrist treating soldiers in Vietnam, 12810
Israeli invasion, anxiety, American college students, Lebanon, comments on study by P. A. Saigh, implications for posttraumatic stress disorder, 3859
Israeli invasion, anxiety, American college students, Lebanon, reply to comments by R. G. Heimburg, implications for posttraumatic stress disorder, 3921
Israeli invasion, anxiety, American students, Lebanon, comments on study by P. A. Saigh, implications for posttraumatic stress disorder, 3551
model of mission accomplishment, assessment of simulated combat performance in computer simulated battle, Army officers, 7781
national conflict, national loyalty & awareness of national identity & politics, 9–15 yr olds, Northern vs Southern Ireland vs Jordan vs Iraq, 3514
need for prevention & mental health intervention in disaster preparedness, literature review, 18192
peace & aggressive instincts, implications for foreign & domestic policy, 1163

perceived importance of factors influencing outcome of Middle East conflict, Egypt & Israel, 14252
perceptions & recollection of program content & perceptions of media bias, hostile media phenomenon in TV coverage of Beirut massacre, pro-Israeli vs pro-Arab vs neutral college students, 3718
personal account by Track II diplomat to integrate family system concepts with international relations, 22451
pre- & postinvasion fear & anxiety & posttraumatic stress disorder, Ss with mean age of 15.1 yrs who did vs did not evacuate West Beirut following Israeli invasion, Lebanon, 3922
proposal to place constraints on scientific & technological development & view of war as factor in progress, comment on S. B. Sarason's assertions, 11568
psychoanalytic view of violence & war as derivative of desire to redress grievances over power & shame rooted in infancy, 10698
psychohistorical interpretation of war in Vietnam & role of President Johnson, 11558
psychological characteristics following combat experiences, military veterans, 19929
psychological research on war & peace, 3553
role of memories in ability to cope with loss, male & female Jewish survivors of Holocaust, 16880
role of psychiatry in promotion of world peace through conflict resolution & facilitation of spiritual development, 14263
serum levels of growth hormone & time spent in war zone, 18–33 yr old soldiers with battle fatigue, Iran, 21359
sociological 1st vs 2nd nature, destructiveness, humans, 1183
Spanish Civil War, development of culture & science & technology & social & political factors, Spain, 18821
state of war, psychiatric morbidity & mental health treatment facilities & social adjustment, mental patients & civilians, Israel, 6618
training in decision matrix model, triage & emergency treatment during simulated chemical warfare, combat medics, 28367
type of war trauma, intrusive imagery & hyperarousal & numbing & cognitive disruption dimensions of posttraumatic stress, Black vs White Vietnam veterans, 3869
war & threat of external aggression, emotional reactions & posttraumatic stress disorder, soldiers, Israel, 6619

Wasps

color pattern &/vs chemical cues, recognition of & response to male vs female conspecifics, territorial male wasps, 449
communication of status, female paper wasps, 5595
displacement from nests & release in open vs confined conditions at varied distances from nests, homing time & performance, worker wasps, 23754
dominance, longevity, paper wasp foundresses, 5625
kin relatedness to brood reared in nests, rearing behavior, worker social wasps, 4 yr study, 23748
ovariectomy & subsequent ecdysteroid decrease, dominance & nest building & egg laying behavior, female primitive social wasps, 29374
recognition of nestmates, male social wasps, 457
sex ratios & mechanisms for high insemination rates & arrhenotokous parthenogenesis, T. dendrolini & T. papilionis, 26465
social & intracolony aggressive behavior, adult females of 5 paper wasp species, 5603
visual & olfactory & chemotactile cues, prey location, tropical social wasps, 5633
weather, foraging patterns & cell stocking with prey & nesting & size of offspring, female wasps, 19302

Water Deprivation

acute food &/or water deprivation, muricide & appetitive behavior, male rats, 21407
chronic dehydration, cerebral glucose utilization, rats, 8475
food vs water deprivation vs glucoprivation vs intracellular vs extracellular dehydration, lateral hypothalamus self stimulation at eating & drinking sites, rats, 21376
food vs water reinforcement, odor based runway performance, food & water deprived male rats, 19195
glucose-saccharin solution consumption prior to testing, suppression of established schedule-induced drinking, water- vs food-deprived rats, 29206
pimozide vs spiperone, schedule-induced vs deprivation-induced drinking, male rats, 5922
pretraining access to saccharin vs distilled water vs saline & saccharin vs water with lithium chloride, conditioned taste aversion & neophobia, water deprived rats, 29192
primary dehydration of 1 vs 2 vs 3 percent body weight deficits, mental functions of different complexities, heat acclimatized 21–24 yr old males, India, 29338
prolonged food & water deprivation, activity level & startle magnitude, male rats, 29344
water deprivation, entrainment of circadian locomotor rhythms, male rats, 3237
water deprivation, food intake & sodium balance, male rats, 3245

Water Intake

acute food &/or water deprivation, muricide & appetitive behavior, male rats, 21407
amphetamine & sympathectomy of interscapular brown adipose tissue, food & water intake & body weight, female rats, implications for amphetamine anorexia, 21375
assessment of cognitive state using mini-mental state scores, 35–46 yr old hospitalized patients with syndrome of self induced water intoxication & schizophrenia, 1397
benzodiazepines, mechanisms of action at receptors & food & water & sodium intake, literature review, 3282
bidirectional transfer of water between mother & litter, maternal licking of pup anogenital region, sensitized virgin vs lactating female rats, 16373
circadian phase, clonidine-induced food & water intake, male rats, 14010
constant lighting, maternal behavior & food & water intake, female rats, 16482
creative concentration measurements & patterns of urinary excretion & water metabolism, 28–55 yr olds with self induced water intoxication & psychosis, 17433
dosage & administration methods for cholecystokinin & bombesin & thyrotropin releasing hormone & calcitonin, food & water intake, golden hamsters, 14025
drugs influencing serotonergic neurotransmission & raphe nuclei lesions, dominant-subordinate behavior in competition for water & water intake, male rats, 26571
ethanol & complete darkness & phase-shift in photoperiod, locomotor & cerebral activity & narcosis & water & food consumption, rats, 8583
ethanol, drinking response to hypertonic saline injections, male rats, 5867
fenfluramine following food deprivation & stress vs ip vs icv administration of quizazine & norfenfluramine following food vs water deprivation, food vs water intake, male rats, 16497
free access to water & subsequent thirst & drinking patterns, body fluid changes, healthy 20–31 yr old males, 26543
glucose-saccharin solution consumption prior to testing, suppression of established schedule-induced drinking, water- vs food-deprived rats, 29206
hypernatremic dehydration, 1.5 & 2.5 & 15 yr olds with severe psychomotor retardation, 17620
inhibitors of carbohydrate absorption & of lipid metabolism, food & water intake & meal patterns & size, genetically obese vs lean male rats, 26649
injection of catecholamine-blocking haloperidol vs propranolol into hypothalamus, food & water intake & motor deficits resulting from dopamine lesions, rats, 5949
intracranial prolactin, incubation behavior & food & water intake & body weight & gonad & reproductive tract tissue weight, ring doves, 8523
intraventricular administration of atrial natriuretic factors, spontaneous or angiotensin-II stimulated water or sodium intake, male rats, 26706
introduction of shock presented at fixed time of day, food & water intake & activity level, male rats, 23671
mouth presaturation by sweeteners neohesperidin dihydrochalcone vs thaumatin vs aspartame vs sucrose, water intake, male baboons, implications for animal model of sweetness perception & aftertaste, 21220
nephrectomy, pentobarbital-induced water intake, male rats, 3221
neuropeptide Y, feeding & drinking behavior, male rats, 665
neuropeptide Y injected into paraventricular nucleus, food & water intake, satiated & brain cannulated rats, 19504

neuropeptide Y injection to brain regions, food & water intake, male rats, evidence for hypothalamic sites of action for neuropeptides, conference presentation, 21599
nicotine tartrate & septal lesions, drinking & diuresis, male rats, 5750
noise, water intake & blood pressure, normotensive female rats, 21396
opioid antagonists ICI 154,129 vs ICI 174,864 vs agonist dextro-Ala2-dextro-leu5-enkephalin, food & water intake, male rats, implications for role of delta-opioid receptors in ingestive behavior, 23989
periodic water reinforcement schedules, induced vs entrained behavior, male rats, 29209
potency of cathinone vs dextroamphetamine, conditioned taste aversion & drug-induced adipsia, female rats, 23976
preference for beer with vs without ethanol vs water, female rats, 23665
procurement wheel running, rate of drinking, male rats, 3095
propranolol vs atenolol vs butoxamine, water intake, ovariectomized female rats, 5878
psychogenic polydipsia, water intoxication, 36–46 yr old psychiatric patients, 3932
REM sleep deprivation & lesions of suprachiasmatic nucleus, circadian rhythms of water & alcohol intake, male rats, 584
running speed, preference for water vs "near beer" as successive incentives, female rats, 29190
schedule-induced polydipsia & availability of water, water-intake volume regulation, rats, 21231
simultaneous peripheral & central infusions of angiotensin II, water intake, goats, implications for receptor systems for angiotensin II, 24041
subdiaphragmatic vagotomy, food & water intake in taste aversion paradigm, female rats, 13945
systemic vs icv naloxone, opiate receptor action in hunger & thirst induced by food deprivation & glucoprivic stress & food & water intake, male rats, 16753
vasoactive intestinal peptide with vs without water deprivation & angiotensin II administration, intake of water, male rats, 19456
water deprivation & injection of isoprenaline, food & water intake & drinking behavior, 5–10 vs 31 mo old & older rats of 3 strains, 5759

Weaning

conditioned aversion to saline solution during suckling period, association & generalization to feeding & drinking during & after weaning, 5-day old rats, 11066
early vs normal vs late weaning, formation of ulcers with gastric acid etiology vs stress-induced ulcers, rats, 21379
early weaning, adaptation to open field & avoidance conditioning & reactivity of hypophyseal-adrenal system, 21–30 day old rats, 16395
early weaning via bromocriptine-induced suppression of maternal milk, social & object & locomotor play, 5 wk old kittens, 8576
methysergide, suckling vs feeding, 20 vs 25 vs 30-day-old rat pups, 8611
milk deprivation via change in litter size or decreased access to lactating dam, weaning & development of independent ingestion & drinking behavior, Norway rat pups, 13909
premature weaning to solid food, acceleration of nursing-related taste aversion, rat pups, 26401
rate & duration of suckling & weaning, white-tailed vs fallow fawns from multiparous & primiparous female deer, test of predictions of parental investment & parent-offspring conflict theories, 23710
total vs partial separation from mare with vs without preweaning creep feed, vocalization & locomotor patterns & weaning stress, foals, 8347
weaning, prey catching, domestic kittens, 29247

Weapons

adoption of strategies creating linkages across time & games in Prisoner's Dilemma multisupergame, extension of results of R. Axelrod, implications for arms control & international relations, 24484
arms race & nuclear war initiation, response to criticism of T. F. Mayer, 24249
cooperative vs inverse reciprocity models, prediction of actions during strategic arms control talks, negotiators, US vs USSR, 1969–79, 29773
Multipurpose Arcade Combat Simulator, marksmanship training, Army personnel, 23181
personal motives & legal possession of firearms & crime, implications for gun control laws, 21852
positive vs negative personal evaluation & exposure to handguns described as home defense weapons vs weapons used in criminal assault, expression of hostility or aggression, male college students, 14454
racial prejudice resulting from image of criminals as young Black males, likelihood of gun ownership, White males, 26977
relationship between nuclear weapons level & war initiation, criticism of model of M. D. Intriligator & D. L. Brito, 24252
training & cost effectiveness of M1 Abrams tank driver-trainer tasks, 25960
viewing films "Protection in a Nuclear Age" vs "The Last Epidemic" vs reading J. Schell's "The Fate of the Earth," knowledge about & attitudes toward nuclear weapons & war, college students, implications for public education, 29508
Weaponeer marksmanship trainer, prediction of M16A1 rifle qualification performance, Army troops, 2618
yrs of experience & nature of offense, decision to draw firearm, police officers, 28785

Weather [See Atmospheric Conditions]

Wechsler Adult Intelligence Scale

age & year of birth cohort & standardization, scores on Wechsler intelligence tests, 28989
anxiety & depression as measured by MMPI & Taylor Manifest Anxiety Scale, WAIS scores, 15–78 yr old acute psychiatric inpatients, 30114
applicability of Shipley Institute of Living Scale to WAIS conversion to WAIS-R, minimum security prisoners, 28921
canonical analysis of MMPI clinical & validity scales & WAIS subtest scores, psychiatric patients, diagnostic implications, 9213
comparison of test scores obtained on WAIS & WAIS-R in upper ranges of IQ, medical students, 18967
comparison of WISC-R & subsequent WAIS-R IQ scores, institutionalized mentally retarded Ss tested at 12–15 & 15–21 yrs old, implications for educational placement, longitudinal study, 10556
content bias of WAIS-R Information subtest, 18–40 yr olds, US vs Canada, 124
continuously adjusted age norms, estimation of WAIS IQ scores from Shipley-Institute of Living Scale for Measuring Intellectual Impairment, 16–64 yr old psychiatric patients, 10846
correlations & discrepancy scores among Wechsler intelligence vs memory scale quotients, 16–50 yr old closed-head-injured patients, 18987
criteria for evaluation of WAIS-R short forms, 5336
cross cultural validity & factor analytic similarity of WAIS subtest scores, workers referred for psychiatric evaluation, Mexico, 16150
cross validation of short forms of WAIS-R, geriatric patients with suspected dementia, 16158
development of easy-to-administer WAIS-R short forms for test-retest situations, 22–79 yr old psychiatric inpatients, 18942
digits forward vs backward as separate components of Digit Span subtest of WAIS-R, 18–43 yr olds, psychodiagnostic implications, 5286
disparities in IQs derived from WAIS vs WISC vs Stanford Binet Intelligence Scale, institutionalized mentally retarded adolescents & young adults, 17532
effectiveness of automated Mastery Model, training of skills in WAIS-R administration, graduate clinical psychology students, 4731
factor analytic studies on WAIS-R, literature review, 18960
factor pattern of WAIS-R & relationship to Luria-Nebraska Neuropsychological Battery Intelligence Memory & Motor Scales, neurologically impaired patients, 28951
factor structure of WAIS & WISC & WISC-R & WPPSI, literature review, 5307
factor structure of WAIS-R, prisoners, 18945
formula for evaluation of abnormality of WAIS-R Verbal-Performance IQ discrepancies, comment on R. W. Payne & H. G. Jones's study, 5335

intercorrelations between WAIS-R Picture Arrangement & Comprehension subtests & measures of social characteristics, validity of WAIS-R subscales as measures of social behavior, college students, 23407
interest accuracy of Satz-Mogel short form & Modified WAIS-R short form, 16–72 yr old psychiatric patients, 120
MASTERY model, training for competent administration of WAIS-R, graduate students in clinical psychology, 20612
method for testing correlations between 2 measures derived from small samples, determination of equivalence of WAIS-R & WISC-R scores, deaf adolescents, 23495
Pearson product-moment correlations between WAIS-R & Wide Range Achievement Test, patients with suspected dementia, 9580
performance on WAIS & Woodcock Johnson Test of Cognitive Abilities, learning disabled college students, 23109
performance on WAIS, parents vs their children of European vs Japanese ancestry, Hawaii, reanalysis of data of J. C. DeFries et al from Hawaii Family Study of Cognition, 24140
personality characteristics, WAIS subtest scores, graduate & postgraduate students, 6415
principal components analysis of WAIS-R on matrix of intercorrelations between subtests, standardization sample vs 16–17 vs 70–74 yr olds, 26196
redundancies & unique variance of WAIS vs Halstead-Reitan Neuropsychological Test Battery, epileptic 16–66 yr olds, 20189
regression equations of H. E. Nelson & P. McKenna, assessment of premorbid Full Scale IQ on WAIS vs Schonell Graded Word Reading Test vs National Adult Reading Test, patients with Alzheimer's disease, 27575
relative efficiency of WAIS IQ & subtest variables, prediction of Halstead-Reitan Neuropsychological Battery performance level, psychiatric & brain damaged patients, 26232
reliability & validity of alternate forms of PPVT-R & relationship to WAIS-R, learning disabled 18.3–37.6 yr olds referred from state rehabilitation agency for evaluation, 29001
scatter vs discrepancy score profiles on WAIS subtests, mentally retarded 18–66 yr olds, 22201
score on WAIS-R 3 yrs after evaluation on WISC-R, adolescents referred for special education, implications for classification & placement of educable mentally retarded, conference presentation, 20826
Shipley-Institute of Living Scale scores as predictors of WAIS-R scores, adult Ss, 18980
Slosson Intelligence Test vs Henmon-Nelson Tests of Mental Ability as predictors of WAIS-R IQ, male inpatients, 18958
Stanford-Binet Intelligence Scale vs WAIS-R IQ scores, 21–55 yr olds, 29004
subtest &/vs IQ variables of WAIS, prediction of variance in Luria-Nebraska Neuropsychological Battery summary scales, 19–70 yr olds with variety of diagnoses, 26233
test-retest stability for WAIS-R, male psychiatric & neurological patients, 162
use of Luria-Nebraska Neuropsychological Battery, prediction of WAIS-R scores, neurologic & psychiatric patients, 26223
validity & usefulness of WAIS-R & WISC-R & Wechsler Preschool & Primary Scale of Intelligence short forms, literature review, 18997
validity of WAIS short form subscales as estimate of WAIS-R Full Scale IQ, brain damaged patients, 2914
verbal reinforcement, WAIS scores, White college students with high vs low anxiety, 9127
Verbal vs Performance IQ on WISC-R vs WAIS-R, White & Black male delinquents, 16103
WAIS age-decline-resistant vs -sensitive subtests, diagnosis of Alzheimer's disease, elderly patients, 6810
WAIS subtests, prediction of performance on Luria Nebraska Neuropsychological Battery, neurologic & psychiatric patients, 13385
WAIS vs WAIS-R IQs & congruence with composite & subscale scores of American College Testing entrance examination scores, college students, 4999
WISC-R vs WAIS Performance scale scores, deaf adolescents, 22229

Wechsler Intelligence Scale Children

age & performance on manipulative subscales of Spanish adaptation of WISC, male vs female 5.5–8.5 yr olds, Spain, 29581
age & year of birth cohort & standardization, scores on Wechsler intelligence tests, 28989
analysis of WISC-R data for placement in special education, learning disabled elementary school students, 2508
Bender-Gestalt vs Minnesota Percepto-Diagnostic Test-Revised, prediction of intellectual & academic performance assessed by WISC-R & Wide Range Achievement Test, 69–185 mo olds, implications for assessment of learning disabilities, 20820
cognitive processes & differences in sequential vs simultaneous processing scores assessed by Kaufman Assessment Battery for Children vs WISC-R, autistic 6–12 yr olds, implications for school performance, 31326
comparison of WISC-R & subsequent WAIS-R IQ scores, institutionalized mentally retarded Ss tested at 12–15 & 15–21 yrs old, implications for educational placement, longitudinal study, 10556
concurrent & predictive validity of WISC-R & McCarthy Scales of Children's Abilities & Tests of Cognitive Ability from Woodcock-Johnson Psycho-Educational Battery, academic achievement, 1st graders, 2-yr longitudinal study, 10552
concurrent validity of adaptation of WISC-R for deaf children & Hiskey-Nebraska Test of Learning Aptitude, prelingually deaf 6.8–16.3 yr olds, 18973
correlational analysis of Kaufman Assessment Battery for Children vs WISC-R, learning disabled 7.2–13.2 yr olds, 7761
correlational analysis of WISC-R & Raven Coloured or Standard Progressive Matrices, hearing impaired 6–16.5 yr olds, 2569
cross cultural validity of learning disability index for WISC-R, Mexican American vs Papago learning disabled children, analysis of S. P. Mishra's study, 5309
diagnostic validity of Luria-Nebraska Neuropsychological Battery-Children's Revision vs WISC-R, 8–12 yr olds in neurological vs psychiatric groups, 20986
disparities in IQs derived from WAIS vs WISC vs Stanford Binet Intelligence Scale, institutionalized mentally retarded adolescents & young adults, 17532
effectiveness of WISC-R & Aphasia Screening Test, prediction of overall results of comprehensive neuropsychological evaluation, 8–16 yr old psychiatric patients, 27379
factor analysis of WISC-R & Draw-A-Person & Peabody Individual Achievement Test vs Halstead-Reitan Neuropsychological Test Battery & Luria-Nebraska Neuropsychological Battery, 7–10 yr olds, 31379
factor analysis of WISC-R and Kaufman Assessment Battery for Children, 6.3–13.2 yr olds referred or diagnosed as learning disabled, 16145
factor structure of WAIS & WISC & WISC-R & WPPSI, literature review, 5307
hand procedures vs microcomputer, conversion of raw to derived scores on WISC-R in large vs small school district, 18645
identification of subgroups assessed by WISC-R, learning disabled students with mean age of 125.3 mo, 31376
implications of large WISC/WISC-R Verbal-Performance IQ discrepancies, 6–16.9 yr olds, 19575
indices of scatter for WISC & WISC-R scores, clinic-referred population, 18990
intercorrelations between WISC-R & Wide Range Achievement Test-Revised, learning disabled & mentally retarded 6–16 yr olds, 28644
method for testing correlations between 2 measures derived from small samples, determination of equivalence of WAIS-R & WISC-R scores, deaf adolescents, 23495
method of categorizing WISC-R scores for educational assessment, bilingual learning disabled vs normal Mexican American 7–14 yr old students, 31383
neuropsychological & academic achievement correlates, statistically abnormal WISC-R verbal-performance discrepancies, 9–15 yr old psychiatric inpatients, 10811
pantomimed administration of WISC-R, hearing impaired children, reply to criticisms made by J. P. Braden, 13420
pantomimed administration of WISC-R Performance scale, hearing impaired children, criticism of report by A. S. Courtney et al, 13401
predictive validity of Spanish translation of WISC-R, Puerto Rican 10.4–14 yr olds, Puerto Rico vs US, 28991

prejudice levels & accented speech of test taker, scoring of ambiguous WISC-R responses, 17–56 yr old test scorers & White vs Hispanic children, 23130
regression vs linear equating short form models of WISC-R, psychiatric vs special education 6–16 yr olds, 18993
reliabilities & duration quotients of clinically derived WISC-R subtest composites, 2889
revised Slosson Intelligence Test vs WISC-R norms, 6–14.7 yr old Black & White students referred for placement in special education classes vs classes for gifted & talented, 28637
score on WAIS-R 3 yrs after evaluation on WISC-R, adolescents referred for special education, implications for classification & placement of educable mentally retarded, conference presentation, 20826
SES & conceptual tempo, performance on WISC-R, male 4th graders, 11461
sex & intelligence & achievement deficiencies, mediating factors in Bannatyne & Acquired Knowledge recategorization of WISC-R scores, 9–14 yr old male vs female emotionally disturbed vs learning disabled students, 23106
stability of A. Bannatyne's recategorization of WISC-R subtest, children with learning disabilities, 18919
stability of IQs assessed by WISC-R, male vs female 6–16 yr old Whites vs Blacks vs Mexican Americans with learning disabilities or behavior disorders or mental retardation, 22202
stability of WISC-R IQ scale & subtest scores, juvenile court sample of neglected youth, 23441
standard scores on WISC-R vs Kaufman Assessment Battery for Children, gifted 5th–6th graders, 15923
standardization of writing speed measure & large print version of WISC-R coding subtest, 3rd–10th graders, implications for testing learning disabled children, 28948
standardized psychoeducational tests in screening program, prediction of reading & math ability-achievement score discrepancies on WISC-R vs Peabody Individual Achievement Test, 1st–5th graders, 15895
statistical analysis of Wechsler Intelligence Scale for Children, 154
test-retest reliability of WISC-R verbal & performance & full scale scores, educable mentally retarded & learning disabled 1st–12th graders, 20824
validity & diagnostic utility of Bannatyne recategorization assessment procedure for WISC-R subtest scores, Black learning disabled 5.4–10 yr olds, 31321
validity & usefulness of WAIS-R & WISC-R & Wechsler Preschool & Primary Scale of Intelligence short forms, literature review, 18997
validity of Reynell Developmental Language Scales & Stanford-Binet Intelligence Scale & PPVT, prediction of WISC-R scores 4–8 yrs later, 3 & 5 yr olds, 26246
verbal comprehension & perceptual organization & cognitive differentiation, learning disabled vs neurologically impaired 6–11 yr olds, 24824
Verbal vs Performance IQ on WISC-R vs WAIS-R, White & Black male delinquents, 16103
verbal/nonverbal factor structure of Woodcock-Johnson Tests of Cognitive Ability, subtest interpretation comparison with WISC-R, 1st vs 3rd vs 5th vs 8th vs 12th graders, 5002
WISC-R & Kaufman Assessment Battery for Children test performance, 6–12 yr olds with left vs right hemiplegia, 22294
WISC-R Vocabulary & Block Design & Similarities subtest, screening for gifted program, public school students, 20801
WISC-R vs WAIS Performance scale scores, deaf adolescents, 22229
WISC results categories suggested by A. Bannatyne, prediction of later reading achievement, kindergartners through 4th graders, 1970–75, Australia, 13145
Weight (Body) [See Body Weight]
Weight (Statistics) [See Statistical Weighting]
Weight Control
Adlerian approach to weight control therapy, group members, 15102
age & pretreatment body measurements, weight loss, 19–65 yr old obese females, 20283
ambulatory computer-assisted behavioral therapy, obesity, 30–50 yr old females, 4411
amine accumulation, aphagia & recovery of eating & weight regulation following 6-hydroxydopamine-induced damage to mesostriatal dopaminergic cells, comments on study by G. L. Willis & G. C. Smith, 16535
atropine administration during heat stress, heating rate & weight & fecal loss, male rats, implications for heat stroke, 26572
behavior modificatioa, eating & exercise & diet patterns, obese children, 12538
behavior modification, weight loss, obese females, 15080
behavior therapy, weight loss & lifestyle, obese 29 yr old male, 6-mo followup, 22511
behavioral & personality & social support factors, maintenance of improved health changes in exercise & weight loss & smoking cessation, postcoronary patients, 6759
behavioral treatments & therapist characteristics, weight loss, obese adults, 3-mo & 2-yr followups, 9839
behavioral weight loss program, memory impaired 64 yr old with chronic schizophrenia, case report, 27922
behaviorally oriented weight reduction program, self efficacy & weight loss, 21–65 yr old overweight females, 6-wk & 6-mo followups, 30680
client education & behavior modification, weight loss, hospitalized obese patients, Cuba, 30679
cognitive &/vs behavioral approaches, weight reduction & maintenance, 22–55 yr old females at least 10 percent overweight, 5- & 7-mo followups, 30682
current cognitive & behavioral approaches to weight control, Ss who lost at least 15 pounds in cognitive-behavioral obesity treatment program, 6–10 yr followup, 20367
degree of hypnotic susceptibility, response to hypnotherapeutic weight reduction treatment, 21–56 yr olds, 12597
development of questionnaire, measurement of dietary restraint & disinhibition & hunger, 17–77 yr old dieters vs free eaters, 5344
diet & exercise & behavioral therapeutic approach, weight loss, Black 26–29 yr old obese females, conference presentation, 25043
dieting & then bingeing as cognitive vs physiological, comments on article by J. Polivy & C. P. Herman, 20197
dieting & then bingeing as cognitive vs physiological, reply to comments by M. R. Lowe, 20224
disinhibition vs obesity & restraint hypothesis, dietary restraint, implications for understanding obesity & related eating disorders, literature review, 17658
doxepinhydrochloride &/vs behavior therapy, depressive symptoms & weight reduction, 18–60 yr old obese females, 27986
efficacy of self induced vomiting & purging, prevention of weight gain, bulimic female adults, conference presentation, 24930
efficacy of written instruction & lecture & goal setting, attainment of weight loss with stationary exercycles, moderately overweight 26–52 yr olds, 30689
effort justification in psychotherapy, weight loss, overweight Ss, 6982
family processes in health promotion & weight management, 17747
family SES & parental weight status & marital satisfaction, initial weight status & attrition & treatment outcome, 8–13 yr olds in behavioral weight loss program, 18012
financial contingencies for weight maintenance vs participation in skills training to reinforce behavioral changes, maintenance of weight loss, adults, 1-yr study, 27909
food intake & physical activity & metabolic rate & self motivation & mood states, prediction of weight loss in behavioral treatment program, 22–60 yr olds, 27880
group therapy, chronic concerns about body image & eating behavior & overweight & obesity, females, 17963
hypnotherapy in behavioral self management training, weight management & food intake control, 35 yr old obese female, 25338
hypnotherapy with vs without videotapes &/vs client characteristics, weight loss, 20–65 yr old overweight females assessed posttreatment vs 6-mo followup, 30794
lay therapist administered group therapy, weight control & coping behavior, obese essential hypertension patients from rural general practice setting, 27850
lifestyle & aerobic exercise & calisthenics, weight loss, obese 8–12 yr olds, 4418
long term weight recovery, altered norepinephrine metabolism, 17–29 yr oldd female anorexia patients, 9563

low calorie diet &/vs behavior therapy, weight loss &/vs mood change, obese females & males posttreatment vs 1-yr followup, 30699
measured vs self reported body weight, obese clients who completed behavioral weight control program with spouse, 4-yr followup, 9851
minimal intervention &/vs bibliography problem solving program as stepped approach, weight control, 28–62 yr old moderately obese adults, 3-mo followup, 17997
paraventricular nucleus vs sham lesions, short photoperiod-induced weight gain & adiposity & estrous cyclicity, female hamsters, 16521
parent involvement in behavioral treatment program, weight loss, obese moderately retarded adults, 9830
parent's weight & control vs child self control, weight loss, 8–12 yr olds, 3-yr followup, 22247
pharmacology of regulation of appetite & eating behavior, literature review, 8587
power-dependence in marital relations, weight loss, overweight 25–46 yr old married females who had been in diet program, 29830
preoperative depression vs weight, postoperative weight loss & depression, 18–57 yr old morbidly obese gastroplasty patients, 26-mo followup, 22243
properties of dopaminergic neural systems & predisposition to exhibit nonregulatory ingestive behavior, rats, 21312
psychological profiles, bulimic vs repeat dieter vs nondieter female college students, 22244
rapid vs gradual scheduling of family-based behavioral weight reduction sessions, weight loss, overweight 6–13 yr olds, 25261
regulation of body weight through adjustment in energy utilization & expenditure, literature review, 21343
self management vs therapist management, weight reduction, females, 7143
self reported attitudes & behaviors during weight maintenance vs loss vs gain, former clients of cognitive-behavioral program for obesity who lost 15 or more pounds, 6–10 yr followup, 18013
self reported desired weight & eating attitudes & depression & obsessional symptoms, 14–45 yr old anorexic inpatients assessed at hospital intake & discharge & 1-yr followup, conference presentation, 25477
sequential relationship between dieting & binge eating, 1626
theory of planned behavior, prediction of success in attempted weight reduction, female college students, 3768
trance & guided imagery in hypnotherapy, body image & weight maintenance, psychotherapy clients & students, conference presentation, 7288
validity of restraint scale vs eating behavior questionnaire, assessment of dietary restraint, college students, 18994
weight change following initial weight loss in cognitive-behavioral treatment program for obesity, adults, 6–10 yr followup, 30690
weight gain, cortisol & dehydroepiandrosterone, 17–34 yr old anorexia inpatients, conference presentation, 25378

Weight Perception
accuracy of perception of body weight & adjustment level assessed by personal & interpersonal characteristics, female 6th–7th graders, 19663
efferent & afferent signals, weight discrimination, 2961
frequency of lifts, weight selected & oxygen uptake & heart rate & rate of perceived exertion & subjective assessments of fatigue & confidence, female college students, application of psychophysiological method & ergonomic implications, 16450
psychophysical properties & nature of sensory systems mediating perception of force & weight, literature review, 26292

Weightlessness
plastic vs inert adaptation, work capacity during head-down tilt simulated weightlessness, 3230
prolonged weightlessness, otolith tilt-translation reinterpretation, astronauts, implication for preflight training, 13193

Welfare Services (Government)
attitudes toward child welfare education & services, male vs female educators & workers, 9037
cancellation of general assistance benefits, schizophrenic male who received benefits for 20 yrs, case law, 27056
commodity view of energy, family welfare & public health & government policy, 29902
community mental health center vs Medicaid programs, deinstitutionalization, mentally ill inpatients, 25408
diagnostic distribution of occupational disability welfare applications, patients referred for psychiatric evaluation with schizophrenia vs mania vs depression vs undiagnosed psychosis, 14628
education & practice in public vs voluntary vs emergent agencies, career experiences, 25–64 yr old female social welfare administrators, 2205
eligibility vs actual participation in food stamp program, Ss aged 65 yrs & older, 2030
employability as factor in determination of eligibility for income assistance, mentally ill applicant, case law, 1026
experiences with child welfare system & foster parents, male Native American who killed himself after 13 yrs as ward of government, Canada, 15266
factors influencing dropout rates in postsecondary vocational education programs, minority females receiving welfare, implications for remedial programs, 12998
feminist perspective on child welfare issues, minority female mothers, 9034
growth of private practice & for profit organizations in social welfare, 15233
human service programs & political economy of postindustrial societies, 14245
learning ability & occupational interest measures, prediction of success in occupational training & employment, female welfare recipients & participants of Work Incentive Program, 23165
Medicare payment system based on diagnosis-related groups, professional psychology practice & billing, 30491
participative vs nonparticipative public welfare agency environment, role perceptions & treatment outcome decisions for elderly clientele, social workers, Israel, 28125
policy development & research trends in work & welfare & Aid to Families with Dependent Children, 1930s–80s, 15246
professional standards & strategies for administration of social services in political context, social workers, 28336
reimbursement for services provided under Medicaid, mentally retarded & developmentally disabled & mentally ill patients, case law, 27043
reliance on public sector for economic support & remedies for structured dependency, elderly, Australia, 16988
short vs long term effect of group competency-based program, stress & mental health, single mothers on government assistance, 10031
testimony in court cases involving social security claims for disability, vocational experts, 17117

Wellness [See Health]

Wernickes Syndrome
abnormal brain stem auditory EPs & treatment with thiamine & abstinence, 42–70 yr old alcoholic patients with vs without Wernicke-Korsakoff syndrome vs cerebellar ataxia, 27400
antecedents & prevention of Wernicke-Korsakoff syndrome, Australia, 20048
etiology & symptoms & neuropsychological assessment & treatment, 30–71 yr olds with Wernicke-Korsakoff's syndrome, 3997
neuropsychological assessment of Wernicke's encephalopathy induced by hyperemesis gravidarum treated by iv feeding without vitamin supplementation, pregnant 19 yr old, 12213
pathophysiological & clinical & neuropathological aspects & treatment & prevention principles, Wernicke's encephalopathy, 14894
thiamine deficiency, development of neuropathological lesions & comparison with Wernicke's syndrome in chronic alcoholism, 20265

West German Federal Republic [See West Germany]

West Germany
academic development & performance, full- vs preterm infants, 13-yr longitudinal study, West Germany, 31239
behavior settings as cultural phenomena, formerly agricultural suburban communities, West Germany, 29809
behavioral industrial marketing research, West Germany vs US, 26051
brain & dementia research in gerontology, West Germany vs US & UK & France & Italy, 30407
brand advertising, primary demand for cigarettes, 1961–65 vs 1971–75, West Germany, 10678

changes in utilization during transition to community mental health care, schizophrenic patients, West Germany, conference presentation, 28087
characteristics & career opportunities, special education students, West Germany, 7700
clinical features & cross cultural differences in manifestations, schizoaffective psychosis, patients, Germany vs Japan, 17397
concept-specific semantic differential tests, affective meanings of 1st & 2nd & combined names, college students, West Germany, 19524
correlation of 4 conservatism questionnaires, prediction of humor responses, college students, West Germany, 28996
development of neogrammarian school of thought in linguistics, 19th century, Germany, 24048
developments and characteristics of academic training in psychology, German speaking countries, 4749
diagnosis & prevalence of hyperactivity, 5–12 yr olds, Australia vs Great Britain vs US vs New Zealand vs West Germany, 22271
diagnostic & therapeutic & instructional issues in mainstreaming, children with behavior problems, West Germany, 2534
disease concept & legal responsibility in crimes of passion & reformulation of law concerning insanity defense, West Germany, 14384
economic variables & opinions, consumers, implications for role of consumer surveys in forecasting, France & Italy & West Germany & UK, 26077
education & national liberalism & religious heterogeneity, anti-Semitism, public, US vs West Germany vs Austria vs France, 27085
environment vs social class, family socialization, West Germany, 3586
errors on percentage calculation tasks, 7th & 8th grade students in general education vs technical-scientific college preparation vs humanistic college preparation curriculums, West Germany, 31235
evaluative system of school, self evaluation & development of self concept, 12–16 yr olds, 1979–83, West Germany, 11490
experts' opinions on disruptive behavior in schools & availability of educational services, disruptive students, West Germany & France & Switzerland & Denmark & Belgium & Austria, 10441
feminist approaches to working class women & work, West Germany, 11696
forms of integrative preschool education, West Germany, handicapped, 13081
foundation of Association of German Child Psychotherapists as beginning of child & adolescent psychoanalysis, West Germany, 31077
group-serving attribution bias, description of altruistic vs antisocial behavior by in-group vs out-group member, West German vs Yugoslavian workers, West Germany, 11720
historical development & state of contemporary psychology, West Germany, 13285
incidence of child psychopathology & family dysfunction, 8–11 yr olds & families of Greek & Turkish migrant workers vs low & middle SES German children, West Berlin, 9336
incidence of mental disorders, West Germany, conference presentation, 24643
individual characteristics & same vs opposite sex & newcomer to vs previous attendance at preschool, preferred vs nonpreferred social relationships, 40–48 mo olds, Italy vs West Germany, 3482
inequities & psychological effects of federal compensation, victims of Nazi persecution, West Germany, 29888
influence of culture, psychoanalysis, French- vs German- vs English-speaking countries, 15002
information services for retrieval of psychological literature, West Germany, 15527
issues in & objectives of language maintenance programs, immigrant children, West Germany & Great Britain & Canada & Sweden & US, 12937
long-term care facilities as alternative to inpatient facilities, psychiatric patients, West Germany, 10073
marketing & production & division of labor & personnel practices & impact of alternative technology on capitalism, humanization of factory workplace, England & West Germany, 7842
Marxist vs critical rationalist vs phenomenological philosophical approaches to psychology, East vs West Germany, 18859
maternal sensitivity & quality of attachment, neonates to 1.5 yr olds, US vs West Germany, replication of study by M. D. Ainsworth et al, longitudinal study, 6125
modernization of teacher preparation & democratization of educational atmosphere, West Germany vs socialist countries, 7572
monthly & weekly distributions of suicide & age & sex & means, 1968–77, West Germany, 20037
multidisciplinary community & pediatric hospital program, management of child abuse, West Germany, 30945
need for gerontological/geriatric education for improved health care delivery, West Germany, 10222
occupation during adolescence & at disease onset, risk of multiple sclerosis, adult patients, West Germany, 27603
parental social values & family political communication, West Germany & US, 29853
partnership model & fusion techniques in media analysis, West Germany, 26085
personal values & ideals expressed as desire to emulate others, 14–17 yr olds, Austria vs France vs Switzerland vs England vs West Germany, 11541
political involvement & alienation & values & voting behavior, elderly, US vs West Germany vs UK vs Japan vs France, 9031
prevalence of psychiatric disturbances & utilization of psychiatric service, 15 yr old & older residents of rural areas, West Germany, 6621
problem of sociocultural integration, handicapped children & youth, West Germany, 6448
problems in adjustment & cultural assimilation, children of Spanish immigrants, West Germany, 8865
psychiatric treatment disposal, parasuicide patients, West Germany, 20480
psychological research on fathers, West Germany & Austria & Switzerland, 29836
psychology training, school psychologists, West Germany, 22876
quality of residential care, patients in nonpsychiatric nursing homes vs psychiatric group homes, West Germany, 22665
referral to inpatient psychiatric facility, male vs female schizophrenic patients of community mental health system, West Germany, 10075
relationship to Germany & Germans 50 yrs after Holocaust, Israel, 6169
reported Asian psychology journals in libraries, West Germany, 7923
research projects & services of Central Institute of Mental Health, West Germany, 17725
school educational programs for prevention of future alcoholism, learning disabled students, West Germany, 2538
scores on German version of Eysenck Personality Questionnaire, psychotic vs endogenous depressives vs normals, West Germany, 30164
size of hospital & patient admissions & physician/nurse relationship to patient & involuntary admission, incidence of attempted suicide & suicide, hospitalized psychiatric patients, 1950–59 vs 1967–76, West Germany, 15235
social change, 13–24 yr olds, West Germany, 1962–83, replication of O. D. Duncan's survey research instrument, 2799
social gerontology curriculum, social workers, West Germany, 10215
socialization in work force, females, West Germany, 5033
sociopsychological risk factors & etiology of cardiovascular disease, West Germany & Austria & Switzerland, implications for psychological treatment, literature review, 4156
special education & employment opportunities, handicapped, East vs West Germany, 20782
special education programs in primary & secondary schools, West Germany, implications for mainstreaming, 2522
test norms for Harvard Group Scale of Hypnotic Susceptibility Form A, West Germany, 10788
test standards of German adaptation of Self-Consciousness Scale by W. Heinemann, 17–42 yr olds, 5318
training & work settings & human resources & legal aspects of professional psychology & private health services, psychologists, West Germany, 20573
urban vs rural environments, risk of multiple sclerosis, adult patients, West Germany, 27604

use of computers in psychiatry, France & Germany & Italy & Sweden & Belgium & UK & US, 8000
use of gerontological knowledge in local policymaking, West Germany, 9053
user organization involvement & size & structural formality & management quality, supplier-customer relationship in new product development, machine tool manufacturers & their customers, Great Britain vs West Germany, 7871
vocabulary & performance on word association task in German vs English, 7th–9th graders in 3rd yr of English instruction, West Germany, 18518
1982 narcotic law concerning punishment vs treatment of addicted drug offenders, West Germany, 27078
West Indies [See Also Cuba, Jamaica, Puerto Rico, Trinidad and Tobago, Virgin Islands]
attitudes toward adolescent behavior problems & rating of impact on school & general social adjustment, 25–50 yr old parents & teachers & 14–15 yr old secondary school students, Barbados, 25848
attitudes toward time & work ethics & values & organizational conflict, US Virgin Islands & West Indies, conference presentation, 18780
demographic characteristics & categories of prostitution & social perception of others, prostitutes, Aruba, 27414
goal setting, productivity, females who performed home-based piecework, Caribbean, test of validity of goal setting theory, 18735
handedness, male vs female Black college students, US vs Caribbean, 13825
mental health legislation, Trinidad vs Tobago vs other eastern Caribbean territories, 27074
participation in "mourning" ritual, psychological symptoms, 18–45 yr old Spiritual Baptists, West Indies, 17723
perceptions of causes of poverty, male vs female 12–14 yr olds, Barbados vs Dominica, 24215
self report of depression & positive affect & psychoneuroticism, Curacaonian vs Aruban vs Dutch 13–20 yr olds, Netherlands-Antilles, 24166
test of J. L. Holland's theory on career choice & personality & job satisfaction, 14–16 yr olds, implications for occupational guidance, Dominica, 18660
West Pakistan [See Pakistan]
Whales [See Also Dolphins]
change & inter- & intraindividual variability in songs, humpback whales, 19-yr longitudinal study, 5624
food sharing with gulls, 6–9 yr old female killer whales, 23736
White Blood Cells [See Leucocytes]
White Collar Workers [See Also Accountants, Clerical Personnel, Management Personnel, Middle Level Managers, Sales Personnel, Secretarial Personnel, Top Level Managers]
development of measure of attitudes toward working with computers, white collar employees from manufacturing organizations, 20891
improvement of physical working conditions via promotion of job change, mental distress & job satisfaction, male vs female metal industry employees, 5-yr longitudinal study, 26021
job characteristics satisfaction, Mexican American blue vs white collar husbands vs wives, 26010
perceptions of relevant standards of pay equity evaluation & scaling & norms, white- vs blue-collar industrial personnel, Israel, 20880
small businesses & white-collar crime, Australia, implications for maintenance & development of advanced forms of capitalism, 24806
structural vs informational vs emotional support, job satisfaction & stress, Black clerical & technical & managerial personnel, 10628
Type A vs B behavior, job performance & psychosomatic complaints & career progression, francophone vs anglophone white-collar employees, Canada, 2624
White Noise
amplitude quantization & white Gaussian image noise, accuracy of visual signal detection, 21072
White Rats [See Rats]
Whites
academic achievement & self concept of ability & self esteem, Black vs White college bound students, 15750
academic achievement, adolescent White vs Black students, England, 23013
academic achievement differences, Black vs Hispanic vs White public vs Catholic high school students, 18520
acceptance & attitude toward childhood autonomy, Black vs White low SES mothers of 84–126 mo olds, 19715
age & race & educational level & occupation, incidence of physical & mental disorders, male Black vs White Navy personnel, 1974–79, 14558
age & sex & race of older adults, perceptions of aging, Black & White 1st–6th graders, 8875
age & sex & success & failure & monetary payoff & self esteem & locus of control, level of aspiration, American Indian vs White 12–18 yr old students, 8847
age & sex, sexual & contraceptive knowledge & attitudes & behavior & communication patterns & demographics, White vs Black vs Hispanic vs Asian 16–25 yr olds, 26925
alcohol history & attitudes toward drinking & treatment referral, Black vs White alcohol abusing & dependent patients in emergency room, implications for treatment & prevention, 28223
anti-Black prejudice & discrimination, elevated levels of neurotic symptomatology, 18–64 yr old urban Whites, South Africa, 6191
appropriateness of failure to help & source of helping request, willingness to help Black recipient, White female college students, 24506
attitudes & social networks & knowledge about contraception & reproduction, 13–20 yr old Mexican American vs White pregnant adolescents & mothers, 885
attitudes toward science & science education, 9 vs 13 vs 17 yr old Hispanic vs White vs Black students, 25856
attitudes toward South Africa & Blacks vs Whites, Whites vs Asian Indians, South Africa, implications for work of W. G. Sumner & T. W. Adorno et al, 24271
career planning attitudes, Chicano vs White junior & senior high school students, 18560
characteristics at admission to chemical dependency program vs at 6-mo followup, 10–23 yr old White vs American Indian drug abusers, 18330
classroom racial composition, cross-race & same-race friendships, Black & White 4th–7th graders, 7665
cognitive development, premature infants English- vs Spanish speaking families followed to 8 yrs of age, longitudinal study, 21693
commitment to involvement & expectations of significant others & other obstacles, utilization of senior centers, Black vs White male vs female aged of varying socioeconomic status, 28095
conceptions of femaleness & maleness, White & Black male vs female 17–74 yr olds, 6296

SES, self esteem & academic achievement & achievement orientation, Black vs White 5th graders, 2462
sex & race & academic class, student apathy measured by Purpose in Life Test, Black female vs male college students, 28500
sex & race & congenital heart disease & maternal smoking during pregnancy & maternal weight at delivery, growth rate, Black vs White children with Down's syndrome tested at birth & 4 mo & 1 yr & 7 yrs of age, 17505
sex & race, preferred traits of prospective infant, Black vs White male vs female 6th–7th graders, 11483
sex & racial differences, incidence of borderline personality, White vs Black vs Hispanic psychiatric inpatients, 6484
sex & SES, gross motor development, Black vs White infants during well-baby visits in 1st 2 yrs, longitudinal study, 26814
sex, odor identification ability, male vs female Whites vs Blacks vs Korean Americans vs native Japanese, US vs Japan, 23522
sex role attitudes, male vs female Black vs White college students, 19771
shifts in mix of occupations in economy & racial composition of occupations, occupational convergence, Black vs White females, 1910 vs 1930 vs 1950 vs 1960 vs 1970, 8965
social & geographical characteristics of pharmacy patronage, Blacks vs Whites aged 60 & older, 2737
social background & educational & athletic & career characteristics, Black vs White Division 1 college football coaches, 22906
social background & sex & academic vs athletic context, achievement goals & motivation & attribution of success or failure to ability vs efforts, Anglo vs Mexican American high school students, 20721
social group salience, interethnic cooperative-competitive behavior, Anglo American vs Hispanic college students, 19791
stability & change in self perception & achievement, Black 8th graders surveyed initially in 5th grade, 8849
stability of IQs assessed by WISC-R, male vs female 6–16 yr old Whites vs Blacks vs Mexican Americans with learning disabilities or behavior disorders or mental retardation, 22202
stress & coping behavior & psychological well-being, elderly Asians vs Caucasians, Canada, 16904
structured exploratory analysis of Raven Progressive Matrices & Vocabulary subtest of SRA Primary Mental Abilities Test, familial resemblance of cognitive abilities, White vs Japanese American families, 23780
student's race & assessment data indicating normal vs borderline/ambiguous vs mildly mentally retarded, psychoeducational expectations & diagnostic & placement decisions, school psychologists, 31340
suicide rates & external causes of death, 15–24 yr old females vs males from mountain vs northeastern states, US, 27235
teacher communication patterns, male vs female Black vs White kindergartners to 7th graders & Black vs White teachers, 18547
use of nicknames in Black vs major leagues, reflection of evolution of belief in folk heroes, baseball players, 1884–1950, US, 11599
utilization of nutrition site services, Black vs White 60–98 yr olds, 10019
validity of structured exploratory data analysis, familial & ethnic influences on cognitive abilities, criticism of article by S. Karlin & D. Carmelli, 23772
values & social activism & school desegregation, White Catholic vs Protestant vs Black Protestant male clergy, 19711
Wholistic Health [See Holistic Health]
Wide Range Achievement Test
Bender-Gestalt vs Minnesota Percepto-Diagnostic Test-Revised, prediction of intellectual & academic performance assessed by WISC-R & Wide Range Achievement Test, 69–185 mo olds, implications for assessment of learning disabilities, 20820
grade level & standard scores on Wide Range Achievement Test vs Woodcock-Johnson Psycho-Educational Battery's subtests, learning disabled vs nonreferred regular education elementary school students, 2493
intercorrelations between WISC-R & Wide Range Achievement Test-Revised, learning disabled & mentally retarded 6–16 yr olds, 28644
Pearson product-moment correlations between WAIS-R & Wide Range Achievement Test, patients with suspected dementia, 9580
reliability & validity & standardization of revised edition of Wide Range Achievement Test developed by S. Jasak & G. S. Wilkinson, 23132
review of revised edition of Wide Range Achievement Test & its validity for achievement assessment, 31385
scores on PPVT-R & Wide Range Achievement Test, 71–175 mo olds referred for special education services, 7774
validity & reliability & standardization & administration of revised edition of Wide Range Achievement Test developed by S. Jastak & G. S. Wilkinson, 23131
Widowers
caring for elderly widowed, daily lives, sons vs daughters, 1000
dating & sexuality, widowed or divorced 60–92 yr olds, 26883
demographic & psychological variables & patterns of bereavement, willingness to participate in support group, 50–89 yr old recent widows & widowers, longitudinal studies, 27862
dexamethasone suppression, 28–57 yr old recent widows & widowers with acute grief & anxiety, 27370
low self esteem & other factors, coping difficulties after 2 yrs of bereavement, widows & widowers aged 50 yrs & older, 2-yr longitudinal study, 27194
self help groups, mental health, under 40 to over 60 yr old widows & widowers, 30675

spousal bereavement & psychosocial interventions, physical health & psychological adjustment & mortality & morbidity, widows vs widowers, literature review, 25085
state of widowhood & bereavement, Blacks vs ethnic Chinese vs Southeast Asian refugees vs Haitian- vs Italian- vs Greek- vs Spanish-speaking groups, 8977
symptoms & syndromes & behaviors from 1 wk to 4 yrs following death of spouse, 20–76 yr old widows & widowers, 1245
Widows
age, housing behavior & attitudes, widowed vs married females over 50 yrs old living in metropolitan areas of southern states, US, 6422
caring for elderly widowed, daily lives, sons vs daughters, 1000
dating & sexuality, widowed or divorced 60–92 yr olds, 26883
demographic & psychological variables & patterns of bereavement, willingness to participate in support group, 50–89 yr old recent widows & widowers, longitudinal studies, 27862
dexamethasone suppression, 28–57 yr old recent widows & widowers with acute grief & anxiety, 27370
frequency of social support received from neighbors, 60–89 yr old widows living alone, 8880
geographic mobility & divorce & widowhood & remarriage, human females, England & Wales, 26990
grief process as social construct & as timetable vs guide, 50–75 yr old widows & professionals, 27877
incidence of hallucinations of deceased spouse, elderly widowed residents of nursing homes, 20524
lack of reporting of & awareness of limitations on generalizability from use of sampling procedures, empirical research on widowhood cited in Psychological Abstracts & Sociological Abstracts, 1973–83, 20963
low self esteem & other factors, coping difficulties after 2 yrs of bereavement, widows & widowers aged 50 yrs & older, 2-yr longitudinal study, 27194
self help groups, mental health, under 40 to over 60 yr old widows & widowers, 30675
social network & preparation & internal control, adjustment to widowhood, 49–83 yr old widows assessed immediately after death of spouse & 18 mo later, 9146
spousal bereavement & psychosocial interventions, physical health & psychological adjustment & mortality & morbidity, widows vs widowers, literature review, 25085
state of widowhood & bereavement, Blacks vs ethnic Chinese vs Southeast Asian refugees vs Haitian- vs Italian- vs Greek- vs Spanish-speaking groups, 8977
symptoms & syndromes & behaviors from 1 wk to 4 yrs following death of spouse, 20–76 yr old widows & widowers, 1245
Wilcoxon Sign Rank Test
power of Wilcoxon W test vs Student's t test, 16219
reliability of observations & sample size & shape & magnitudes of treatment effects, power of paired samples rank transform vs Wilcoxon's signed ranks statistic, 10854
Willpower [See Self Control]
Wine
consumption & preference for beer vs wine vs liquor, actual vs expected morbidity rates, survey respondents over 15 yrs old, Canada, 19783
wine vs beer vs distilled spirits of high vs low congener content & lithium chloride, aversion effects relative to ingestion-toxin controls, rats, 26663
Witchcraft
cultural beliefs, impediments to conventional therapy, 24 & 27 yr old Nigerian & Togoese females with atypical psychosis, UK, 9236
psychotherapy, 28 yr old client involved in white witchcraft, 7051
Withdrawal (Defense Mechanism)
IQ & social withdrawal, dangerousness, male prisoners, 24774
measurement of aggression & withdrawal & likeability as risk factors, adult schizophrenia, 1st & 4th & 7th graders, 3-yr longitudinal study, 1375
Within Subjects Design [See Repeated Measures]
Witnesses
analysis of lineup models for eyewitness identification, 21874
attention paid to staged theft & biased suggestive instruction, eyewitness identification of "criminals", witnesses, 11765
concerns about expert testimony regarding eyewitness reliability, experimental psychologists, 22806
controversial issue of giving expert testimony regarding eyewitness reliability, experimental psychologists, 22862
courtroom testimony on eyewitness identification issue, psychologists, 22832
criteria for competency in eyewitness testimony, children, 14383
environmental & intrapsychic factors in resistance to induction &/or hypnotic interview, victims of or witnesses to crime, 21208
experimental approaches in forensic psychology of eyewitness testimony, 9039
exposure to family violence, behavioral & social adjustment, 4–13 yr olds who were current or former residents of shelters for battered women, 17495
eyewitness nonidentification, mock-jurors' verdicts in actual robbery cases, college students, 6259
illegitimate police violence against juvenile crime victims or witnesses or perpetrators, implications for police training, 10597
illumination, recall & judgments of self accuracy & visual & voice identification of alleged rapist, college students, 29997
interviewing techniques, mildly mentally retarded 8–11 yr old witnesses, legal implications, 20081
Jungian psychological type, eyewitness memory for simulated accident & susceptibility to postevent information, college students, 21996
legal & psychiatric perspectives in 3rd party witnesses of act of violence & subsequent distress, children, 24383
legal testimony & witnesses, children, 14370
martial arts & creative writing & drawing, establishment of trusting relationship with police & hospital & social work personnel & treatment, victims of child molestation, conference presentation, 14955
misleading postevent information, descriptions of perceived vs suggested memories, college students, 19156
nonidentification vs identification eyewitness testimony & fingerprint evidence, perceptions of guilt, college students in mock juries, 17118
number of opposed vs unopposed prosecution vs defense witnesses & consistency of testimony & witness crime viewing conditions, witness credibility & verdict of guilty, college student mock jurors, 29982
potential solutions to problems due to use of uncorroborated eyewitness testimony in legal proceedings, 6252
prior knowledge & expectations for occurrences in shoplifting & recall vs recognition test instructions, reliability of testimony, 10 yr olds vs college students vs older adults as mock eyewitnesses, legal implications, 11432
question content, eyewitness performance & photograph identification, school age children vs college students viewing slides of mock crime, 26848
question order, eyewitness accuracy, 18–44 yr olds, 21943
repression sensitization & stress content of situation, recall of mock crime, college student eyewitnesses, 19152
retrospective evaluation of E. F. Loftus' book "Eyewitness Testimony", 29869
retrospective self awareness & accuracy-confidence correlation, eyewitness identification, college students, 3701
role of social science in legal proceedings & eyewitness experts in court, psychologists, 22839
stability & accounts of shooting incident, 15–32 yr old eyewitnesses, 4–5 mo followup, 22197
testing in same vs different room & spontaneous recall vs guided rehearsal of incident, facilitation of performance of eyewitness at line-up, housewives, 13651
waiver of rights & competency to testify & expert testimony issues, mentally ill & retarded defendants & witnesses, case law, 27035
witness confidence, perception of witness's credibility, mock jurors, 29996
word "fast" vs "slow" & "smashed" vs "hit" in inquiry about filmed accident, estimate of speed of car, 1st–8th graders & college students, 26838
wording of interrogatives, accuracy of eyewitness recollections, college students, 29978
Wives [See Also Housewives]
commencement of bisexu l activity, change in sexual behavior & relationship with spouse, 32–60 yr old wives, 24424

conjoint behavioral marital vs individual cognitive therapy, depression & marital discord, 23–50 yr old couples in which wife has diagnosis of unipolar major affective disorder without psychotic symptoms, 15079
coping styles, 20–70 yr old mates of transvestitic males, implications for sex therapy, 30310
demographic & personality variables, household responsibilities, middle class parents of 1st & 2nd graders, 3638
demographics & marital problems & sexual orientation & homosexual experiences before marriage, currently married & divorced bisexual females, 24422
determinants of work attachment, 34–38 yr old Black vs White married females, 2682
employment status of wives, attitudes toward females' roles & employment & political rights & sexual equality, husbands, 9074
environmental evaluation & perception of rural construction town, wives of construction workers, 20916
ethnicity & SES & employment status of wives, census respondents, Hawaii, 24265
existential group therapy, death anxiety in psychodynamic conflicts, 22 & 30 yr old battered wives, 1860
family support & marital satisfaction & farm functioning, self reported psychosomatic stress symptoms, wives of dairy farmers, 1515
historical & psychological & sociological aspects of wife abuse & attitude changes needed in psychology & psychiatry for effective treatment, US, 12035
historical legal & social status & theory of wife abuse & women's liberation, abused wives, 17462
husbands' job involvement & satisfaction & perception of organizational climate, wives' marital satisfaction, couples with children, 3579
husband's job, personal & life satisfaction, 21–60 yr old wives of commercial airline pilots, UK, 11608
husband's vs wife's characteristics & attitudes, fertility decisions & outcomes, married couples, 2-yr study, 29817
identification & treatment of sexual abuse by husbands, wives, 7084
incidence & social aspects of dowry deaths, brides, India, 6195
influence of F. Fordham on works of husband M. Fordham, 31069
information from police reports & extralegal factors, responsibility & prescriptive decision making in wife abuse cases, 23–36 yr old patrol officers, 11687
intimacy maturity & marital adjustment & gender role, wives vs husbands, 17093
length of marriage & marital adjustment & communication, neuroticism, wives vs husbands married for 1–46 yrs, 3592
marital & family status & personal attributes & job & family related factors, occupational mobility & earnings, married White females working part-time vs full-time, 7782
marriage therapy technique, extramarital sex, husbands & wives, 17956
methodological issues in comparative racial analysis of wife abuse, Black vs White wives, 14712
military-related stress, life satisfaction, military wives, 5026
multidisciplinary contributions to policy regarding shelters & services for battered wives & their children, New Zealand, 15282
perceived stress & coping strategies, 17–53 yr old female victims of marital violence, 14695
personality factors & mental health & happiness & communication, husbands vs wives, 17084
prestige associated with own & husband's occupation, marital satisfaction, 55–85 yr old employed vs retired wives of employed vs retired husbands, 17061
problem solving marital interactions, husbands with clinically depressed wives, 9216
psychological characteristics, infertile wives vs husbands entering in vitro fertilization program, 25370
psychosocial effects of occupational intermittent husband absence, wives of offshore oil rig workers, 11630
reactions upon learning of husband's bisexuality & subsequent consequences, 23–59 yr old wives of bisexual husbands, 24428
sex role orientation, depression, husbands vs working vs nonworking wives, 9066
sex typing & division of labor, marital satisfaction & attitudes across transition to parenthood, wives in last trimester of pregnancy, 6-mo longitudinal study, 19714
shared status vs nationality or ethnicity, motivation for international marriage, foreign wives of Nigerians, Nigeria, 26995
social & demographic characteristics & previous experience with domestic violence, decision to return to husband, residents of shelters for abused women & their abusers, 17442
social support & life events & depressive symptoms, married females, 1-yr prospective study, 30188
stages in victimization process & development of coping strategies, battered wives, 14717
subjective place utility expectations, migration decision making, low income husbands vs wives, rural Egypt, 29800
wives' employment, husbands' job & life satisfaction, couples in which husband & wife work vs husband only works, 17090
work vs home factors & sex role beliefs, depression, married working women, 1104

Wolves
body pitch & snout contact & mutual orientation, combative strategies & falling, wolf pups, 11106
performance on task requiring increasingly complex mechanical manipulations to obtain food, 10 wk old timber wolves vs malamutes, application of Piagetian developmental stages, 11061

Women [See Human Females]

Womens Liberation Movement
attitudes toward childbearing & rearing & women's liberation & personality characteristics, college students & 14–17 yr olds, replication of study by B. E. Lott, 3623
employment status & feminist orientation, self esteem, 40–50 yr old married mothers, 9075
ethical guidelines & feminist movement, female conference attendees, 3645
historical legal & social status & theory of wife abuse & women's liberation, abused wives, 17462
internal limitations to liberation movement from internalized sex role expectations & social behavior, females, conference presentation, 17160
women's liberation & socialization, criminal behavior, males & females, 6629

Word Associations
age of acquisition & meaningfulness of word, word associations availability, 9th graders, 11410
antonym word pairs, same-different decisions in good vs bad categorization task, college students, 277
associations & ratings of associations to negatively vs positively colored words, depressed Ss, 17380
associative relationships among words vs thematic context of discourse, sense activation in cross modal lexical decision task, college students, 8210
automatic vs controlled priming for orthographically vs phonologically vs semantically similar stimuli presented to left vs right visual field, lexical organization & access, right handed college students, 5669
awareness of subtle word association cues, success on judgment task requiring recognition of implications of target person's word associations, Ss varying in age & nationality & psychology training, 10960
bilateral vs unilateral ECT, priming effects & recovery of recognition memory & word completion ability, depressed patients, 322
elaborative processing & implicit vs explicit memory for new word associations, college students, 29150
extraversion & noise vs silence, cognition & mood during ganzfeld, adult Ss, 13295
identification of word association test words with sexual meaning, sexual responding, high vs low conservative college students, 24430
implicit vs explicit memory for new associations, repetition priming effects on word comparison completion performance, amnesic vs normal 20–81 yr olds, 12203
majority vs minority influence, originality of word associations, female college students, 24486
masking of word & picture primes & naming of word targets, semantic priming, college students, 26360
noise, recall of word lists having weak & strong associations, college students, 13692
number of semantic domains in blocked vs mixed presentation of relevant vs irrelevant word pairs, performance on semantic priming vs Stroop-like tasks, college students, 721

patterns of word association responses, institutionalized 60–95 yr olds with vs without dementia, 12276
ratings of associative strength between members of categorically related word pairs, 3rd vs 4th vs 6th vs 8th graders & college students, 6039
sentence priming, item-recognition judgments of occurrence of nouns in sentences, 18–25 vs 63–79 yr olds, implications for study of memory & aging, 11423
serum lithium levels, performance on successive word association tests & repetitions of common responses, patients with bipolar & unipolar & schizoaffective & cyclothymic affective disorders, 9929
sexual arousal & level of sex anxiety, sexual double entendre responses to asexual stimuli, college students, 8222
sorting frequencies & agreement between relation elements, perception of word relation similarity, 13693
structure of repetitions in association flows, normal vs brain injured vs schizophrenic adults, 11886
successive presentation of same free word association tests, frequency of repeated responses, adults, US vs France, 19533
syntagmatic vs paradigmatic free association style & long term memory activation, college students, 26367
use of analogy, reading of real vs nonsense words, kindergarten through 2nd grade students, 31186
vocabulary & performance on word association task in German vs English, 7th–9th graders in 3rd yr of English instruction, West Germany, 18518
word associations & categorical norms, graduate students, 26365
Word Blindness [See Alexia]
Word Deafness [See Aphasia]
Word Frequency
associative vs repetitive strategies, recall of high frequency vs rare words, college students, support for hypothesis of M. A. McDaniel & E. M. Kearney, 29132
continuous visibility of word, word frequency effect in recognition & speed of lexical decisions, college students, test of locus of frequency effect in verification model, 715
focal attention vs contextual theories, word recognition learning through visual exposure, 1st graders, 4891
frequency in language & visual clarity of verbal stimuli, response latency in word-nonword classification task, college students, 29105
generation effects for high vs medium vs low frequency words vs nonwords, college students, criticism of L. A. McElroy & N. J. Slamecka's study, 19147
high vs low family frequency words, literal & inferential social studies text comprehension, 5th graders, 10421
instructions & orienting task & memory tests, memory for words & word frequency, college students, 29128
intentional vs incidental paradigm, recognition of noun as function of imagery value, college students, 5485
nonwords & high vs low frequency Hebrew words & pointed vs unpointed spelling & semantic context & word length, phonological encoding in lexical decision task, college students, Israel, 13666
recall of high frequency words from lexicon, college students, evidence for frequency-ordered lexicon, 29129
retrospective reports of event-frequency judgments & processing theory, college students, 23610
use of word "whirling" in Rorschach tests, prediction of suicide & premature death, medical students, 20–35 yr followup, 4046
word frequency & other word variables in London-Lund Corpus of English Conversation, native speakers of English, implications for interpretation of psychological data, 5962
word frequency in delayed pronunciation task, lexical access &/vs word production stage, college students, 5449
word frequency vs inferiority disadvantage, detection of letters with vs without requirement to read for comprehension, college students, analysis of attentional factors vs unitization hypothesis, 10978
word length &/vs frequency, word recognition & lexical decision tasks, college students, 5460
Word Meaning
ability to define terms liberal & conservative, voting behavior, 1077
analysis of Signorelli case & importance assigned by Freud to word meanings, 17778
comprehension of causal connective "because" in increasingly complex sentences with vs without task instructions & modeling & memory props, preschoolers vs 1st vs 3rd graders, 6079
contextual meanings, constraint of lexical access & word recognition, college students, implications for language comprehension, 29080
event & verb tense & presence of context, attribution of coreference of personal pronouns with verbs "to say" & "to ask," Ss with mean ages of 5.5 vs 7.0 vs 8.5 yrs, 6077
high vs low family frequency words, literal & inferential social studies text comprehension, 5th graders, 10421
implicit meaning & new classification of words denoting feelings, 8638
lexical ambiguity & word recognition, 2nd vs 4th vs 6th graders, 19642
malapropisms vs semantic vs mixed lexical substitution errors, speakers, Italy, support for psychoanalytic theory, 29513
meaning frequency, activation & selection of meaning of ambiguous words in isolation, college students, 319
meaning of isolated word, lexical decision RT, college students, 3018
memorization vs continuation task conditions, semantic vs phonological representation of sentence & identification of probe words, college students, 29130
mental lexicon & contextual word meaning, sentence comprehension, 10984
number of semantic domains in blocked vs mixed presentation of relevant vs irrelevant word pairs, performance on semantic priming vs Stroop-like tasks, college students, 721
perceptually & nonperceptually based components in semantic activation during word recognition, college students, 13655
racial terminology in descriptions of individuals in manipulated photographs, adults from various social classes, evidence of cultural mechanisms supporting discrimination & acceptance of miscegenation, Colombia, 8960
replacement of word with pictured object in visually presented sentences, judgment of plausibility of sentence & recall, college age Ss, 29149
representation of substantive word meaning, autistic vs mentally retarded children, 6460
semantic context of word presentation, phasic voltage fluctuations in event related brain potentials, 5699
semantically negative vs positive words, auditory evoked responses & identification of brain region that discriminates positive & negative features, college students, 8397
sentence context, comprehension of meaning of ambiguous words, college students, 29517
teacher-made examples to elicit student-generated examples based on experience, vocabulary building, 7591
Word Origins [See Etymology]
Words (Form Classes) [See Form Classes (Language)]
Words (Phonetic Units)
ability to extract information from words presented below recognition & awareness thresholds, adults & college students, 276
ability to read regular & nonsense & exception words, dyslexic vs normal 6.5–14.3 yr olds implications for development of spelling-sound rules & word-specific associations, 27482
ability to recognize real words from orthographically correct vs incorrect pseudowords under visual vs aural vs bimodal conditions, reading disabled 8–11 yr olds, 22213
acceptance vs correction with joint labeling vs explanation from adults, word usage, children visited at home from 1.1–1.6 yrs old, 19583
acoustic-phonetic information in speech signal & context of meaningful vs semantically anomalous sentences, spoken word identification, college students, 5472
activation model of identification benefits for repeated words & pseudowords & memory, reply to comments by J. C. Johnston et al, 11020
additional practice & instruction, word comprehension in analogies, learning disabled 7th–8th graders, 7701
age, lexical decision making, young vs elderly adults, 3434
alphabetical pre-masks, identification of target words, adult Ss, 8168

associative relationships among words vs thematic context of discourse, sense activation in cross modal lexical decision task, college students, 8210
associative vs repetitive strategies, recall of high frequency vs rare words, college students, support for hypothesis of M. A. McDaniel & E. M. Kearney, 29132
attention to context information, memory for target words, 2nd vs 3rd vs 5th graders vs college students, 16906
auditory & visual repetition priming, organization of regular vs irregular morphologically related words in lexicon, college students, 21178
auditory priming & prior visual experience, recognition of words presented in white noise, 20–60 yr olds, 3010
auditory vs visual presentation of words, word learning & immediate & delayed recall, medical students, 21169
auditory/lipread vs auditory/graphic presentation of word lists, processing of lipread & heard speech vs graphic information, 259
automatic vs controlled priming for orthographically vs phonologically vs semantically similar stimuli presented to left vs right visual field, lexical organization & access, right handed college students, 5669
bizarre imagery & image interaction, brief & long term memory of word pairs, college students, implications for mnemonic learning, 13669
bizarre imagery, memory of word triplets, college students, 13677
books with riddles & jokes & puns & multiple meanings & rhymes & word games for language arts program, elementary school students, bibliography, 15724
Boston Naming Test, measurement of recognition-cued word-finding ability, 60–85 yr olds, 19616
category name cues with vs without extralist cues, recall of categorized word lists, college students, 29155
change in extra-item context from study to test, ability to think of previously studied words, college students, 29148
classification of word vs sound stimuli, English vs Afrikaans speaking 1st graders, South Africa, discussion of procedure by J. Downing & P. Oliver, 19573
codification & stimulus repetition, identification of words vs pseudowords currently vs after 1 yr, college students, 3032
cognitive processes in word recognition & recognition failure, 3023
concreteness vs imageability of laterally displayed words, performance on visual lexical decision & comparison & recognition tasks, adults, 13542
connection information distributor mechanism, programing parallel processing structures of words, 8017
connectionist models of perception & production of words & positive feedback, 7996
context of word pairs, retrieval processes in recognition memory tasks, female college students, 29147
context, word recognition, 3rd vs 5th graders vs college students, implications for spreading activation process & expectancy-based attention, 8793
continuous visibility of word, word frequency effect in recognition & speed of lexical decisions, college students, test of locus of frequency effect in verification model, 715
control of variables in lexical decision task, reaction times, 17–45 yr olds, 13682
creation of mental image to enhance memorization vs reading of word pairs, frequency judgment, college students, findings contrary to L. Hasher & R. T. Zacks' theory, 29093
dichotic testing, speeded discrimination task, right handed 22–39 yr olds, replication of study by J. C. Harriman, 26332
differential word recognition strategies in Braille reading, blind 12.1 yr olds & congenitally blind 22–30 yr olds vs sighted children with mean age of 10.5 yrs, 17652
duration of fixation on initial letter sequence of high vs low constraint words, lexical access during foveal & parafoveal viewing of words in reading, college students, 10971
duration of presentation of word list & encoding task, memory deficits assessed by recall, 18–29 vs 60–86 yr olds, 8716
encoding & retrieval processes, memory for conceptually isolated words, college students, 11021
exposure to novel monosyllabic nonsense word & referent, creation of lexical representations, 2.1–5.9 yr olds, 3420
factors that affect context formation & properties of context, college students, 13632
focal attention vs contextual theories, word recognition learning through visual exposure, 1st graders, 4891
frequency of qualifying words & expressions in research reports in social psychology, implications for validity of initial research, 3660
global cognitive development & sex & word abstractness, word recognition ability, 1st graders, 8804
heterographic homophones, application as educational & psychological research tool, 28915
Hiragana- vs Katakana-written word presentations, lexical decision RTs, nonnative vs native Japanese speakers, comments on model of Japanese Kana word processing by T. Hatta et al, 29098
horizontal vs vertical word orientation & letter symmetry & report order variables, left vs right visual field word recognition, right handed college students, 5665
immediate recognition test & cued recall & priming in word recognition, inference of predictable outcomes, college students, 13679
inverted letters vs letter order &/vs mirror-reversed words, word recognition RT, female vs male dextral vs sinistral school age children & adolescents & adults, 11412
length of stimulus onset asynchrony in semantic priming, target word recognition, college students, examination of dual process model vs C. A. Becker's verification model, 21173
letter vs word recognition, 3rd graders vs college students, implications for linguistic levels during reading, 26812
level of reading progress, nonlexical vs lexical substitution errors & phonological mediation on word reading tests, 6 yr olds, 28492
lexical analogy in interpretation of ability to read aloud nonwords embedded in words, male phonological dyslexic patient, comments on study by V. A. Bradley & M. E. Thomson, 6677
lexical decision & models of visual recognition of bisyllabic words, college students & staff, 10906
loci mnemonics vs progressive-elaboration instruction, memory & recall & recognition of concrete word series, college students, 23627
low vs medium vs high proportion effect during semantic priming, performance on lexical decision task, college students, 23595
mathematical model of immediate recall of word lists of different lengths, college students, 29151
meaning frequency, activation & selection of meaning of ambiguous words in isolation, college students, 319
memory for color of pictures & words, college students vs 58–78 yr olds, 3448
memory retention vs semantic categorization task, direction & magnitude of hemispheric differences in processing of words & pictures, right handed male college students, 510
misprimed words in lexical decision task, classification speed & accuracy & orthographic checking process, college students, implications for criterion-bias vs search model of mispriming errors, 284
model of Japanese Kana word processing, reply to criticism by R. Okada, 29082
monaural testing, grouping by location & auditory word discrimination, right handed 20–39 yr olds, 26331
negatively vs positively affected words, processing & RT, college students, replication of R. Hoosain & C. E. Osgood's study, 16298
nonwords with vs without function vs content word as 1st syllable, lexical decision RT & nonword interference, Dutch speakers, replication of lexical hypothesis on agrammatism of D. C. Bradley et al, 5464
novel vs familiar word pairs, stimulus seeking behavior, schizophrenic patients vs psychiatric aides, 3853
oculomotor behavior in reading isolated words, 19059
orientation & length of Hebrew letter strings, lexical decision RT , college students, Israel, 10970
orthographic syllable structure & phonological representation of words, RT & performance on syllable detection task, college students, 8186
orthographic vs semantic priming, word retrieval, college students, 5483
orthographically similar words vs nonwords separated by short stimulus onset, activation vs inhibition of recognition, adult Ss, 21171

perception & discrimination of neutral vs emotive word stimuli, depressed vs nondepressed college students, implications for Pollyanna hypothesis, 27364
personality traits, number of unpleasant words produced in missing letter task, 18–45 yr olds, 17260
phoneme recognition, automatic recognition of spoken words, conference presentation, 76
phonemic vs semantic partial information clues, guessing target words, 13–48 yr old patients with left vs right frontal vs temporal vs right frontal-temporal lobectomies, 14877
phonetic tendencies & consonant use in babbling & early words & phonological word-selection patterns, 16 mo olds, 7-mo study, 26871
pictures vs words & recall level, hypermnesia, college students, 13685
prelinguistic categories, ability to form basic-level semantic categories in habituation paradigm, 7 & 9 mo olds, 29641
presentation duration & attention, illusory recombination of words & letter strings, college students, 16269
presentation of pictures, learning to read words in Kanji script, kindergartners, 18485
presentation of single words on card forming simple declarative sentences vs word strings, recall of words, 3rd grade skilled vs unskilled readers, replication of J. T. Glithrie & S. J. Tyler's study, 8709
presentation of vertically written word to left vs right visual field & spelling-to-sound regularity, word identification, right handed Ss, 8402
presentations of stimuli words to left vs right visual field, RT for identification of English words & distinctions between open & closed class forms, English speaking adults, 26521
priming & long vs short term retention intervals, word fragment completion, college students, 308
printed contextual information in form of sentence vs isolation with superimposed noise, word recognition, normal-hearing Ss, 5442
prior word presentation, judgment of presentation duration in word identification task, secondary & college students, 19647
production of action vs object words, language-impaired 2.7–3.3 vs language-normal 1.4–2.1 yr olds, evidence for relationship between phonology & semantics, 4081
pseudohomophone-word vs nonword-word primed letter strings, lexical activation for word recognition based on use of grapheme-grapheme rules vs phonology, adults, 21168
reading by phonics or letter-training vs visual or word-training, transfer of learning, male vs female college students, implications for language teaching, 4873
reading vs self generation of word list, recall, college students, 10999
recall & recognition of words & nonwords & real-time network processing & adaptive resonance theory, 13660
recall of words with semantic vs self reference encoding question, 2nd graders through adults, 8774
recognition of derivational word forms on lexical decision task, agrammatic patients with Broca's aphasia, 27544
repeated practice reading stories, reading rate & comprehension & number of speech pauses & word recognition accuracy, less able 4th–6th graders, 10342
repetition & Japanese vs foreign loan words written in katakana script, RT in lexical classification task, Japan, 13627
repetition, word & pseudoword identification & memory, comments on article by T. C. Feustel et al & A. Salasoo et al, 11005
retrieval cues, recall of incidentally learned words, college students, 13672
sample word segment sizes & type/token ratios for oral language, 5–5.9 yr olds, 19606
script context in reading, word recognition in lexical decision making, college students, 5474
self generation vs reading of words at encoding & retrieval & repetition of generation operations, word recognition & memory & generation effect, college students, 5489
semantic & episodic priming, dissociative effects for lexical decisions & episodic recognition, college students, 19116
semantic & word categorization tasks, saccade-related brain potentials, right handed 20–36 yr olds, 19333
semantic context & intonational & coarticulatory & silent interval cues in reconstruction of missing words in speech perception, college students, 23584
semantic description vs rhyme vs outline drawing lexical access conditions, accuracy & speed in production of target words, 6–14 yr olds, 16964
semantic information in preceding test word, recognition RT, college students, 10974
semantic vs phonological processing skills, deep dyslexic-type errors in word recognition responses, 7–8.8 yr olds with severe reading disabilities, 6694
semantically negative vs positive words, auditory evoked responses & identification of brain region that discriminates positive & negative features, college students, 8397
semantically related vs unrelated sentence context conditions, recognition of open vs closed lexical vs obligatory prepositions vs verb particles, college students vs patients with Broca's aphasia, 9534
sentence constraint & cue validity, processing of expected vs unexpected congruous sentence completions, adults, 5473
sentence semantic & contextual information, word identification process, college students, 19121
severity of stuttering, recall & recognition of high visual imagery words in reading passages & hemispheric EEG alpha asymmetries, 12–44 yr old male & female stutterers, 20102
sex & developmental differences, organization strategies in free recall with categorizable & unrelated word lists, 1st vs 3rd vs 5th graders, 16914
signified vs probe word method, sentence comprehension, college students, 8642
situations with superior vs failing grade outcome & internal vs external locus of causality, written responses rated for affective dimensions of pleasantness vs arousal, implications for dictionary of affect in language, 19538
speech perception & word recognition & lexical access, 21135
speed & accuracy of lexical decisions, concrete vs abstract nouns, college students, 13668
speed of word encoding & lexical & semantic access, reading ability, college students, critique of study of processing speed by R. J. Chabot et al, 8233
spelling ability & sensitivity to morphonemic structure & word formational principles underlying English spelling, college students, 19523
spelling-to-sound regularity, pronunciation of low frequency words, criticism of articles by M. S. Seidenberg & Seidenberg et al, 21639
spelling-to-sound regularity, pronunciation of low frequency words, response to criticism of D. Norris & G. Brown, 21641
stimulus familiarity & similarity, perceptual interaction in processing of 2-word displays, college students, 16293
stimulus size, word & face recognition, right handed college students, 13564
strength of pronunciation rules & availability of lexical information, pronunciation of words & nonwords, college students, 14093
syntactic & semantic constraints, reduction of sensory input required for spoken word recognition, native speakers of Dutch, 3013
syntactic primes & subsequent lexical decisions, EPs at frontal & temporal & temporoparietal sites, right handed college students, 26520
tachistoscopic presentation of bilateral vs unilateral word pairs, processing performance right handed college students, 23815
tachistoscopically presented emotionally aggressive vs nonaggressive words, perceptual defense, female vs male patients with right vs left temporal lobe epilepsy, 6812
teaching methods for imagery of categories from interrogative words & for recall of some content words, hearing impaired children, 28579
time delay in word vs design recognition, adults with mean ages of 30.6 vs 64.3 yrs, 21708
TRACE II model of speech perception & interactions of phoneme & word perception, 10942
training with attentional cues, phonemic restoration illusion, adult Ss, 16282

unitization in familiar vs unfamiliar letter sequences & word superiority, performance on same-different RT tasks, adults, 13640
unitization process & word length effect in word superiority paradigm & prediction, 8204
upper- vs lowercase print, identification of real words vs unpronounceable vs pronounceable nonwords, psychology students, 725
use of word vs arbitrary letter to indicate right-left vs up-down orientation & location judgments, RT, college students, 29050
verbal vs nonverbal central fixation, visual field & cerebral hemisphere superiority in word recognition, college students, replication of study by W. F. McKeever & M. D. Huling, 19342
visual word recognition model combining word identities & visual features with retinal & spatial & word- & sentence-centered coordinate systems, 29091
word category size & strength frequency, retrieval processes in perceptual recognition & cued recall, college students, 313
word context, word naming & lexical decision, college students, 13619
word finding skills, dysnomic vs learning disabled vs normal 8–12 yr olds, implications for diagnosis of dysnomic learning disability, 9437
word imageability, word processing ability of right hemisphere using recognition memory task, right handed college students, 21182
word length &/vs frequency, word recognition & lexical decision tasks, college students, 5460
word length, recall of names of common objects in pictures, 4–10 yr olds, 16922
word list for computer assisted instruction in elementary school based on computer software programs, 7590
word list presentation rate, free recall, 3rd vs 6th graders, 19603
word pairs in text type vs adage & spoken sentence pairs of high vs low redundancy, key word intelligibility, listeners, 19526
word recognition in vocabularies of specific sizes, 18–30 yr olds, application of signal detection vs choice theory, 21190
word relevancy & display load, physical & semantic & controlled processing of nontargets in visual target detection task, college students, 10959
word vs syllable training, production of target phonemes in trained vs generalization contexts, severely & profoundly hearing impaired 6.2–12.3 yr olds, 7299
words & nonwords containing regular vs homographic spelling patterns, reading performance & decoding processes, dyslexic vs nondisabled good vs poor reading 3rd–4th graders, 14778
words arranged in distinctive vs same visual patterns, recall performance, college students, 23622
10- vs 25- vs 50-item word list auditory test with vs without pass-fail criteria, word recognition performance, hearing impaired adults, implications for test accuracy, 4192
Words (Vocabulary) [See Vocabulary]
Work (Attitudes Toward)
affective disposition, job attitudes & satisfaction, adults, 50-yr longitudinal study, 28804
attitudes toward job seeking & expectations of getting job & value of employment, job seeking behavior, unemployed 17 yr olds, England, 8914
attitudes toward world of work, female vs male 6th vs 9th vs 12th graders living under positive vs negative economic conditions, 23038
beliefs about work & demographic variables, managers, Iraq, 25977
career development path, images of aging & self & work, male vs female 50–60 yr old college professors, 12909
career plans & work values & job satisfaction, prediction of internal job transfer & turnover, hospital staff nurses, 15554
career stage, work patterns, 25–34 vs 35–44 vs 45–65 yr old professionals, 7874
college course choice & scores on Vocational Preference Inventory & Work Aspect Preference Scale, technical college students, Australia, 18663
concept of work, occupational therapy, 7460
conceptual differences in sociological vs psychological approach in attitudes toward work, 18702
construction of 2-part questionnaire, measurement of role conflict & job satisfaction & situational anxiety & meaning of work, Black industrial workers, Africa, 20988
culture change, attitudes toward & patterns of work & sex roles, Navajo females who chose to live vs were relocated off reservations, 14277
degree of belief in Protestant work ethic & work involvement, coping via involvement in & satisfaction from nonwork activities & psychological state, unemployed 27–47 yr olds, 30045
degree of professional work commitment, female college students, 20751
demographic variables & psychological beliefs, attitudes toward social security recipients, adults, 3549
development & validity of scale to measure Protestant work ethic ideology, full-time workers, Australia, 2892
differences in national culture & management style & work attitudes & behavior patterns, chief executive officers, US vs Japan, 15986
employment status & mental health & work involvement, 14.3–20.9 yr old school dropouts, New Zealand, 9160
factor structure of meaning of working, students & business & professional & industrial personnel, Israel, 31515
free format inventory, assessment of work & life values, Black student teachers, Zimbabwe, 13445
history of leisure & work, job satisfaction, unemployed persons, implications for occupational therapy, 28218
individual vs group pay incentives vs hourly wages, work role centrality, industrial workers, 28793
job perceptions & adjustment, working women, India, 2675
layoff of coworker & self esteem, affective states & productivity, college students, 5094
normative social influence & group cohesiveness, job perceptions & satisfaction, employees, 7870
orientations to work & community & gender roles & family, work alienation, 1980, comparison with 1947 data in F. Blauner's study, 28790
perception that work style leads to tenure or promotion or salary increase, congruency of work actions & intentions, college deans & departmental chairpersons & faculty members, 25758
perceptions & importance of work characteristics, car & steel industry personnel in different countries, 7855
personal work ethic &/vs low- vs high-effort training in mathematics & perceptual identifications, persistence, cheating on anagram task, college students, 334
philosophical/economical analysis of concept of work & its implications, 28677
Protestant heritage & emphasis on individualism & work ethic, contemporary theories of achievement & achievement motivation, US, 14288
Protestant work ethic & work involvement, depression & anxiety & general morale & financial stress, highly educated unemployed Ss, 15958
psychological androgyny, work attitudes & emotional independence, college students, 1164
relationship between work & psychological well-being & sense of community & family, 975
reliability & validity of Ohio Work Values Inventory, public school administrators, 25914
responses to coordination of work-family roles, implications for career development, 31414
ritual structure & time conventions, legitimation of work in alternative communities, 973
sex differences, work values, advanced undergraduate business students, implications for occupational development, 18700
social comparison model demonstrating perceptions & evaluations & reactions to tasks, employees, 23282
socialization, reactions toward work & life & well-being, male vs female high school students vs industry workers vs aged from kibbutz, implications for sex roles, 26916
sociobiological assumptions & gender-based inequities & enculturation of male/female division of labor, 21881
source competence &/vs locus of control &/vs social cues, perceived job scope, college business students, 16000
surprises in adjustment to work, recent college graduates, England, 28763

synthesized contingency approach to improvement of quality of work-life, teachers, 2322
technological development & meaning of work, workers, US vs West Germany vs Sweden vs Japan vs Israel, 2613
transition to low-employment society, meaning of employment & work, review of psychological research & role of psychologists, 5042
typology of patterns of work & family involvement, single- vs dual-earner couples, 9018
unemployment, work values orientation, 12–17 yr olds, US, 24188
validity of alternative models regarding commitment to profession & employing organization & consequent work attitudes, certified accountants, Canada, 31522
wives' employment, husbands' job & life satisfaction, couples in which husband & wife work vs husband only works, 17090
work & retirement & well-being, 58–63 yr old never married vs widowed vs divorced or separated males & females, 14496
work experiences & suggestions for positive vocational attainment, learning disabled 20–45 yr olds, 27467
work orientation & job involvement & assertiveness & burnout, 19–67 yr old secretaries, 10446
work shift & unit's work characteristics, work-attitude differences, registered nurses from emergency units, 4777
work values, advocated personality & behavior style in management, female employees without managerial responsibility, implications for personnel selection, 20865
Work Environments [See Working Conditions]
Work Load
adaptive skills & job adjustment, work flow, employees, 7873
assessment of expended effort in individual vs team work, 6324
different vs single cognitive tasks, mental work load & performance & work stress, 2625
exercise & physical work load & sleep loss & continuous work & time of day, cognitive performance, 18–24 yr old Marines, 15967
family poverty & conflict between mothers- & daughters-in-law & mothers' work load & labor conditions & sex of child, milk supply & availability, rural Punjabi children under 2 yrs old, India, 27011
frequency of industrial lifting, fatigue & stress, 21–34 yr old male industrial workers, implications for occupational safety, 23271
individual differences, subjective estimation of workload & resource capacity in dual task performance, female college students, replication of experiment by L. Lansman & E. Hunt, 8190
lifting & work load, physical strain, truck drivers, Sweden, 23261
mental strain, psychophysiological tolerance to vibration, 3205
methods to assess work load & cockpit design, aircraft pilots, 87
Modified Cooper-Harper decision-tree rating scale vs 5 design variations of same, estimation of mental workload in aircraft-simulator, pilots, 23479
need for change in procedures for assignment of cases, school psychologists, Denmark, 7771
paced vs unpaced versions of single vs dual tasks, workload ratings, Type A vs Type B 18–35 yr old males, 19843
perception of inequity in job complexity & supervisory behavior & compensation & security, attitudes & performance & absenteeism & turnover, data processing employees, 31529
physiological assessment of workload in simulated & actual flight, Air Force pilots, conference presentation, 20858
plastic vs inert adaptation, work capacity during head-down tilt simulated weightlessness, 3230
prolonged mental load, speed & acceleration of initial phase of pupillary reflex before vs after 6 hours of work, telephone exchange operators, 10631
rest, work curve characteristics, 5–6 yr olds, 3404
single vs dual information processing task performance & subjective estimation of mental workload, Type A vs Type B 18–35 yr old females, 13618
social interaction & negative emotions & work process control & job demands, work stress & satisfaction, comprehensive 1st–9th grade teachers, 25744
urinary cortisol & catecholamines & self assessed work load, sawmill workers, 23250
work in household & farming operation, farm children under 20 yrs old, 917
work load & task type & equipment design, errors, military air traffic controllers, 10651
zone of functional comfort in multiparameter compensatory tracking task, stress & job performance, implications for design of data display devices, 10654
Work Rest Cycles
continuous/sustained work & extended work schedules, performance & productivity, bibliography of research published between 1940–85, 16017
life space structure, representation & explanation of effectiveness of behavioral patterns of arranging work & personal life, workers, 1189
self determined vs variable-k with penalty rest break policy, productivity in task of riding ergometer, college students, 13192
speed of information & machine pacing & work-rest schedules, mental workload, experienced timber graders, 7875
Work Scheduling
alternate work schedules, productivity & leave usage & employee attitudes, employees of federal government agency, 28781
assignment to night shift for 1–3 vs more than 3 successive nights, circadian rhythms in deep body temperature & urinary excretion & alertness, 24–53 yr old nurses, 8426
dialogue-based communication, dynamic human-computer task allocation, 20898
ethics of workday routines & roles & power in relationship, physicians & patients, 20565
extended workdays, cognitive performance & ratings of fatigue & alertness during data entry job simulation, 22–27 yr old males, 15974
flexible scheduling vs standard fixed schedules, job satisfaction & perceptions of productivity, state employees, 23273
information technology & new forms of work organization, conference presentation, 23256
methodological problems in sustained job performance research, literature review, 13355
preferred allocation of time, teachers, 15620
psychophysiology & biorhythms & work rest cycles in spaceflight, health & work capacity, Salyut-6 & Salyut-7 crew members, USSR, 10598
work schedule flexibility & family life, 20894
Work Study Programs [See Educational Programs]
Work Week Length
critique of mathematical modeling of social issues, reduction of working hours, 2938
marital & family status & personal attributes & job & family related factors, occupational mobility & earnings, married White females working part-time vs full-time, 7782
Workday Shifts
analysis of clinical incidents & transference reactions, changes in patient care, evening shift psychiatric nurses, 31063
clockwise vs counterclockwise rotation of work shifts, sleep & stomach problems & cardiovascular risk factors, policemen, Sweden, 5100
continuous/sustained work & extended work schedules, performance & productivity, bibliography of research published between 1940–85, 16017
duration of daytime & nighttime duty & caffeine effect on overnight work periods, vigilance performance, 20–26 yr old male military shiftworkers, 18728
job-induced structural vs emotional interference, quality of family life, 25–34 yr old White male rotating-shift plant operators & their spouses, 5104
personality & circadian rhythms, expected vs subjective ratings of tolerance to shiftwork & adopted time disciplines, experienced permanent night nurses vs 1st-yr nursing students in nightshift training, 18336
shift work, circadian rhythms & sleep wake cycle & health & family & social life, 13234
shiftwork schedules, stress & psychosomatic complaints, male blue collar workers, 16007
validity & reliability of attitudes toward work scales, measurement & prediction of work schedule preferences, utility company workers, 16131
work hours & amount of physical activity & psychological factors, insomnia, 45–57 yr old workers in various occupations, conference presentation, 12254
work shift & unit's work characteristics, work-attitude differences, registered nurses from emergency units, 4777

Workers [See Personnel]
Working Conditions [See Also Job Enrichment, Noise Levels (Work Areas), Occupational Safety, Work Rest Cycles, Work Week Length, Workday Shifts]
attitudes toward & experiences with computerized office procedures, male vs female employees, 23257
attitudes toward job content & work environment & change in work methods 3 yrs after introduction of electronic production process, former newspaper compositors, 28795
attitudes toward joint union-management quality of work life programs, union officials & managers & rank & file employees, 15990
autonomous work groups, perceived autonomy & work attitudes & job satisfaction & organizational commitment & productivity & turnover, manufacturing employees, 26033
benefits of corporate response to family issues, 31477

contradictory demands & expectations of family & workplace, determination of class consciousness, female clerical workers, 14394
cultural conceptions of childhood & parenting & employment, family power relationships & childcare & household responsibilities, working mothers, 14312
degree of role strain & perceptions of work & child care & family environment, 20–42 yr old single vs married working mothers working full- vs part-time, 24285
depression & help with child care & housework & sex role orientation, effect of paid employment on psychological well-being, married vs divorced or separated Mexican American females, 8993
determinants of work attachment, 34–38 yr old Black vs White married females, 2682
development of taxonomy of competencies needed for pursuit of professional level, female faculty members, implications for career counseling, 7785
difficulties of pregnancy & maternity leave & combining childrearing with practicing psychiatry, full & part time female psychiatrists, 2276
divorce & maternal employment status, sex role attitudes, mothers & their 3–6 yr olds, 17080
early maternal employment, toddler development & parenting styles, 1st born 20 mo olds & their mothers & fathers, 1007
effectiveness of 2 stress reduction programs, emotional exhaustion & personal strain & absenteeism as indicators of occupational stress, 26–60 yr old working women, 30685
employment & other extradomestic activities, integration into social networks & secondary associations, working class females, literature review, 14268
employment status of wives, attitudes toward females' roles & employment & political rights & sexual equality, husbands, 9074
ethnicity & SES & employment status of wives, census respondents, Hawaii, 24265
family wage-earning status, relative importance of factors in job satisfaction, females vs males, 2666
feminist approaches to working class women & work, West Germany, 11696
feminization of teaching profession, female teachers, New Zealand, 1877–1920, 28375
impact of office automation, female workers, 7878
impact of "true woman" myth in 19th century & recent covert re-emergence, prejudice in women's work, 6286
importance of antenatal care counseling, employed pregnant females, 30805
individual characteristics &/vs opportunity structure &/vs Appalachian regional residence, conditions of employment & job characteristics & financial rewards, nonmetropolitan females 18 yrs & older, 7841

interrole conflict & spouse support, marital adjustment & verbal communication, 18–63 yr old working mothers, South Africa, 29849
job perceptions & adjustment, working women, India, 2675
job rewards & SES & wages & IQ & age, job mobility, 14–24 yr old females, 6-yr longitudinal study, 7784
job stress & environment & individual coping response & perceptions of stress, anxiety & depression & physical symptoms, full-time employed business & professional females, 16019
life value priorities, 22–69 yr old female homemakers vs career women, 1966 vs 1983, implications for counseling, 19858
marital & family status & personal attributes & job & family related factors, occupational mobility & earnings, married White females working part-time vs full-time, 7782
model & mentor program developed by university counseling centers, career women & female college students, 18626
mother's employment, development of sex role stereotypes, 5–7 yr olds, reply to article by L. M. Jones & J. L. McBride, 26878
need for approval & locus of control, male vs female adolescents from families with working vs nonworking mothers, 24214
nonfiction portrayal of home-work relationships, working females, analysis of women's magazines from 1975–82, US, 14398
occupational group & age, perception of self concept, 28–42 yr old females with careers, 17145
opinions on factors of success, female executives, 18743
organizational training program, employee tensions & discrimination as females enter management positions, 28706
orientation toward power & peer relations, homemakers vs working vs retired females, implications for social work practice, 24222
out-of-home day care, individual differences in attachment quality, working mothers & their 1–2.8 yr olds, 6240
outside-employment vs housework, life satisfaction, working- vs middle-class wives, 1101
paid employment, health, females over vs under age 40 with vs without children, England, 31398
perception of incidences of discrimination in workplace, professional females, 7863
perceptions of & satisfactions with job complexity, 25–54 yr old females employed in urban areas, 28791
prevalence of binge eating & bulimia, 18–32 yr old working women vs female college students, 1568
psychoanalytic view of dilemma of love &/or power, 28 & 30 & 35 yr old professional women, conference presentation, 24431
roles in marriage, social & psychological development, housewives & employed females, 8985
sex role identification & career achievement, working females, 17175
social role changes, dream content, working vs nonworking mothers, 19769
socialization in work force, females, West Germany, 5033
sort card system as psychotherapeutic tool, working females, 27842
time management training vs social support, modification of stress producing behaviors, 23–56 yr old females from dual earner families, 15100
work, physical & psychological health, males vs females, comments on article by L. T. Zappert & H. M. Weinstein, 28770
work, physical & psychological health, males vs females, reply to criticism by S. Chess, 28810
work values, advocated personality & behavior style in management, female employees without managerial responsibility, implications for personnel selection, 20865
work vs home factors & sex role beliefs, depression, married working women, 1104
Workmens Compensation Insurance
cases of mental illness caused by employment covered under Oregon worker's compensation insurance, 24363
evaluational psychological factors in alleged work-related psychological injury, application to compensation & civil litigation, 11647
MMPI profile vs Millon Clinical Multiaxial Inventory, diagnosis of personality disorder, Worker's Compensation patients, 10776
rationale for existence of components of psychiatric & psychological written report in worker's compensation process, 29873
review of cases of awards of psychiatric disability benefits due to physical injuries, workers as claimants, 24340
scores on McGill Pain Questionnaire, patients with low back vs musculoskeletal pain with vs without worker's compensation, 27624
workers' compensation for on-the-job physical injuries leading to psychiatric problems, case law, 27046
Worms
temperature or electrical shock, habituation of light-induced shortening reflex, food-sated leeches, 5758
Worship [See Religious Practices]
Wounds [See Also Self Inflicted Wounds]
incidence & body site location of wounds, Norway rats from stable vs unstable populations, 19242
Wrist
slow tracking vs rapid alternating vs torque-pulse movements vs wrist action tremor, discharge patterns of cerebellar nuclear & motor cortex & spindle afferent neurons, male rhesus monkeys, 29298
slow tracking with angular wrist position, EMG activity of forearm muscles, male rhesus monkeys, 29297
torque motor produced wrist extensions, EMG response to flexor carpi radialis muscles, adults, 11146
visuomotor task performance & intracortical microstimulation, identification of forelimb region of precentral cortex into wrist/nonwrist flexion/extension neuron populations, monkeys, 21430

dramatic context of Pied Piper themes, writing processes, 12 yr old students, 25798
early writing development research of J. Harste et al & D. Graves, preschool & elementary school students, 28472
education in written language systems, copying & free writing task ability, kindergartners, 10329
free choice writing activities, amount & content & form & purpose of writing, hearing impaired kindergartners, 28529
grapheme buffer & phoneme-grapheme conversion, writing & spelling impairment, 60 yr old male with pure dysgraphia, Italy, 1609
graphical & animated microcomputer instruction, reading & writing & communication skills, deaf 3.2–8.5 yr olds, 23090

history of & objections to individualized writing instruction, 2399
interactive vs reading-to-writing vs writing-to-reading models, evaluation of reading & writing skills, 2nd vs 5th graders, 20819
interrelation of word recognition & spelling & reading comprehension & writing skills in literacy acquisition, 1st graders, 2-yr longitudinal study, 29616
intersentential cohesive devices & compactness in writing samples, Dutch speaking 8–9 vs 10–11 yr olds, Belgium, 21740
journal writing, writing skills & personal learning & development, 28465
microcomputers, development of writing & Braille-Edit word processing skills, visually handicapped students, 25868
natural vs counternatural writing directions, writing ability & accuracy & length of written text copied from Arabic & English or Slovak texts, right vs left handed 13–15 yr olds, Israel vs Czechoslovakia, 16905
neuropsychological model based on information processing theory, writing & oral spelling skills & deficits associated with agraphia, 22319
nonverbal film of abstracts & orientations & codas in narration, 11–12 yr old Whites with language disorders, implications for therapy, 9491
oral non-standard English, written English, Mexican American 3rd & 6th graders, 2423
paradigm shift in composition theory, writing instruction, 28437
perceptions of process & characteristics of writing, writing achievement, high school seniors & college freshmen beginning writers, 25804
printing skills, cursive writing skills, 3rd graders, 2419
process-based writing instruction program, lower level 3rd graders, 20705
reading vs writing to dictation skills, evidence of dyslexia without dysgraphia, mentally retarded 10 & 11 yr old males, Italy, 24818
relaxation training, writing skills, 7th–8th graders, 22995
research on cognitive nature of learning to read & write, literature review, 11469
screening scale for detection of grammatical & transitional & lexical errors of cohesion in writing, learning disabled students, 25912
software programs, creative writing & thinking about stories, learning disabled children, 18589
spelling performance, patient with acquired dysgraphia vs 17 yr old female with developmental dysgraphia, 22218
standardization of writing speed measure & large print version of WISC-R coding subtest, 3rd–10th graders, implications for testing learning disabled children, 28948
status of writing, upper secondary school students, Sweden, 25813
story composition, 11.1–11.9 yr olds with learning vs reading disabilities, 2530
story grammar project & writing process studios & educational environment, reading-writing-communication connections, primary- & intermediate- & secondary-level hearing impaired students, 28578
sustained spontaneous writing classroom strategy, elementary students, 31170
systematic prompting system, increase of independent written language production, 14–15 yr old behaviorally disordered students, 13110
teaching of stages of writing process, language disabled 11 yr old male, 10492
traditional instructional methods & Piagetian theory, arithmetic & reading & writing & constructivism, primary school students, conference presentation, 20684
use of subordinate clauses & connectives in writing samples, 3rd & 5th graders, 18526
utility of word processor as teaching tool for learning to write, learning disabled 4th graders, 20779
utilization of grammatical & transitional & lexical types of textual cohesion in expository writing, learning disabled college students, 23062
word processors, spontaneous writing & structured editing tasks, 11–12 vs 13–15 yr old poor vs better writers, 14197
writing & linguistic awareness & cognitive development, annotated bibliography, 29660
writing & reading & art & through-the-air story production, literacy & writing development, hearing impaired 4.2–5.5 yr olds, instructional implications, 27545
writing instruction using word processor vs handwriting, acquisition of writing skills, 4th graders, 22977
writing speed & general intelligence & social class, linguistic & semantic & ideational factor structure of verbal fluency, male & female 11–18 yr olds, 16917

Written Communication

ability to understand deictic content of pronouns vs locatives vs motion verbs in oral vs written language vs picture selection tasks, 2nd graders, 21719
ability to write summaries of expository vs narrative prose, 4th–5th graders, 21734
alphabetical vs ideographical presentation of digits, perception of physical & numerical size, college students, 5416
anthropological & ethnographic study of written communication, Puerto Rican & Black junior high school students, 13049
category membership vs normative relative importance vs goal relatedness, perceived importance of information in writing task, college students, 28486
class discussion in 1-to-1 interaction, voluntary decisions to write, male vs female 4th graders, 10352
communicative functions of rhetorical structure & role in verbal art in Central Alaskan Yupik narrative & conversation, Eskimos, Alaska, 19542
comprehension & preferences for short form vs psychoeducational report vs question & answer format of psychological reports, parents of learning disabled or retarded or gifted children, 28653
computer analysis of readability, abstracts from occupational therapy journals, 22744
computer assisted self questioning strategies, reading & revision of own writing, 7th & 9th graders, 22936
computer assisted vs handwritten & typed psychoeducational reports, ratings of quality & staff time savings in rural setting, educator raters, 28627
computer transcription aid, deaf, 7988
content & impact of smoking education booklet published by Tobacco Institute, adolescents, 15226
conversational & personal & instrumental uses of literacy, deaf adults who sign vs hearing vs deaf 3–21 yr olds & their hearing vs deaf parents vs schoolteachers, 20205
cultural & educational causes, writing anxiety, psychotherapeutic implications, 22406
cultural information transmitted by written script &/vs videotape vs audiotape, learning, inservice teachers, Puerto Rico, 25723
dialogue journals & teacher-student interaction, language & think skills acquisition, hearing impaired students, 28575
diary writing as psychic strategy for coping with critical life events, young adolescents, 3511
different data models to present external view of database, performance & confidence in writing database queries, business graduate students, 10753
distribution of pronouns & terms of address in interviews & letters & speeches in Socialist Unity Party's publication "Neues Deutschland", German Democratic Republic, 19527
drawings & writings & interpretation of own writings, development of concept of writing system & meaning, 3.4–5.8 yr olds, Israel, 21736
free choice writing activities, amount & content & form & purpose of writing, hearing impaired kindergartners, 28529
frequency of male vs female characters & attributes & roles in creative writing, male vs female 1st–6th graders, 26945
guidelines for writing manuscript to be submitted for publication, school counselors, 25728
historical example of psychological assessment report, 30532
intersentential cohesive devices & compactness in writing samples, Dutch speaking 8–9 vs 10–11 yr olds, Belgium, 21740
journal writing as self counseling method in school counseling program, students, Nigeria, 31332
journal writing, writing skills & personal learning & development, 28465
linguistic information presented in American Sign Language vs fingerspelled vs printed English, serial recall, deaf signers vs hearing college students, 22283
linguistic patterns & syntactic complexity in written discourse, learning disabled college students, 9471
literal vs subliminal messages in written business communication, 10570

microcomputer system for collection of response times simultaneously with written protocols, 28913
natural vs counternatural writing directions, writing ability & accuracy & length of written text copied from Arabic & English or Slovak texts, right vs left handed 13–15 yr olds, Israel vs Czechoslovakia, 16905
paradigm shift in composition theory, writing instruction, 28437
perceptions of process & characteristics of writing, writing achievement, high school seniors & college freshmen beginning writers, 25804
poetry & diaries & short stories & songs as means of self expression, male vs female high school juniors vs seniors, 11535
portfolio writing assignment in developmental psychology course, college students, 15627
precorrected spelling & grammar in essay, judgment of student's SES & evaluation of essay quality, 3rd graders & teachers, 7650
predictive & construct validity of Writing Apprehension Test, assessment of writing apprehension & prediction of test performance, college students, 10553
presentation of simple objects & instructions to represent "how many" vs "what", representation of numerosity using materials vs drawing & writing, 5–6.8 yr olds, England, 14150
prior knowledge & cognitive-developmental vs academic lesson structure, production of narrative based on baseball pictures, 10th graders, 10363
procedures for written assessment of psychiatric complications of personal injury for those seeking damages from 3rd parties, psychiatrists providing consultations, 17114
process & lag in publication in referred journals, psychologist, 28355
psychiatric intervention by mail, 22 yr old female in suicidal crisis, 14942
rationale for existence of components of psychiatric & psychological written report in worker's compensation process, 29873
required writing assignments, achievement in chemistry, college students, 22951
self monitoring & correspondence training, independent story writing, 9.2–11.1 yr olds with disruptive classroom behavior, 2401
self report diaries vs traffic analyzer system recorded data of telephone communications, college students, implications for analysis of organizational communication & behavior, 20966
sensitivity to thematic representations of plot units vs specific content of stories in memeory, comprehension & generation of narrative, college students, 23858
simultaneous presentation of written & oral language in foreign language education, 31171
situational dimensions of register in English language government administrative letters & communicative competence required for comprehension, civil servants & college students, Nigeria, implications for college curriculum, 31199
story composition, 11.1–11.9 yr olds with learning vs reading disabilities, 2530
story grammar project & writing process studios & educational environment, reading-writing-communication connections, primary- & intermediate- & secondary-level hearing impaired students, 28578
teacher response & shaping & evaluation of oral & written communications, teachers & their 1st & 6th grade students, 13043
teaching of stages of writing process, language disabled 11 yr old male, 10492
therapeutic value of writing & poetry workshops conducted by social workers, aged, 7382
use of symptom list as normal practice & aid to care vs emotional disorder, patients, 25032
word processors, spontaneous writing & structured editing tasks, 11–12 vs 13–15 yr old poor vs better writers, 14197
writing & linguistic awareness & cognitive development, annotated bibliography, 29660
writing as tool in teaching social psychology, college students, 15717
writing workshops & topic selection processes, writing skills education, hearing impaired high school students, 28562
written communication of meaning in Hebrew vs English, 14095
written message, facilitation of clinic attendance, alcoholic patients referred to alcoholism clinic, 22796
written personal narratives vs assessments of clinical interviews & psychometrics & observations, assessment of environmental stress, 28–52 yr old scientists in Antarctic for 142 days, 28839
Written Language [See Also Cursive Writing, Handwriting, Letters (Alphabet), Numbers (Numerals), Paragraphs, Printing (Handwriting), Readability]
analysis & remediation of written language, hearing impaired children, 25020
child's direction of drawing prior to writing & history of drawing & painting from right to left vs left to right side, 3–6 yr olds, 26832
computer aids for writing, conference presentation, 18876
detection of Chinese strokes & characters in visual noise, college students naive vs experienced in Chinese pictographic calligraphy, 23583
dissolution of text in written language, elderly female suffering from cerebral atrophy, implications for continuum in cognitive complexity, 1591
education in written language systems, copying & free writing task ability, kindergartners, 10329
English interpretation of message of Chinese poem, writing confidence & experimentation with language choices & relationship between language & thought, students, 15700
in-class writing, oral & written language learning, bilingual 1st–3rd graders, 28416
left basal ganglia infarctions following stroke, auditory vs written language comprehension deficits, 15–70 yr old aphasic patients, 1663
motor training as teaching aid, children with reading & writing difficulties, 7722
presentation of high frequency environmental print with varying amounts of nonprint information, matching print to signified object & use of verbal labels, language disordered 3.5–6.1 yr olds, 12148
reading eye movement patterns, native Chinese vs English vs Chinese & English readers, 23573
semantic discourse & form & meaning, written language development, hearing impaired 10–15 yr olds, 27689
shorthand-type script for printed texts, increased reading speed, 5957
stenographic vs print word presentation, capacity of both hemispheres to detect same words, 22–71 yr old right handed stenographers, 13823
time course of phonological code activation in English vs Chinese writing systems, native speakers of English vs Cantonese, 5976
understanding of verbal & written language, 7 yr old language delayed female with bilateral hearing impairment, 4117
writing from dictation, 1st–3rd graders, implications for remedial speech training, USSR, 7707
Wryneck [See Torticollis]
X Ray Diagnosis [See Roentgenography]
X Ray Therapy [See Radiation Therapy]
Xylocaine [See Lidocaine]
Yoga
basic teachings of guru & elimination of stress, residents of Kripalu Yoga Ashram, 6977
Jungian interpretation of Kundalini yoga, 5176
progressive & systematic relaxation & neck rolls & mantra chanting & breathing techniques, 65–92 yr old depressed geriatric nursing home residents, 7426
yoga combined with psychotherapy vs drug therapy vs hypnosis vs drug rehabilitation, 14956
Young Adults
ability to recall & summarize prose passages, 18–26 vs 64–70 yr olds, 24119
activity duration, memory for activity performance, college students, vs elderly adults, 24133
age & sex differences, field dependence-independence, young adults vs aged, 24213
age & sex, sexual & contraceptive knowledge & attitudes & behavior & communication patterns & demographics, White vs Black vs Hispanic vs Asian 16–25 yr olds, 26925
age differences, use of abstract reference frame to infer spatial relationships, 2nd & 3rd vs 5th & 6th graders vs college students, 29610

age, error detection & correction ability in motor task, 18–21 vs 40–52 vs 60–79 yr olds, 29627
age, recall memory performance, 16–24 vs 58–81 yr olds, 3412
age, type of stress, college students & aged, 29557
application of social work practice to aid unemployed youth, 15–24 yr olds, Africa, 20492
attitudes to sugar & experience with sweet food, hedonic responses to sweetness in soft drinks, college students, Finland, 16238
attitudes toward gender appropriate roles & filial responsibility, females from 3 generations, US vs Japan, 29913
belief in 'just world', adolescents vs young adults, Great Britain vs South Africa, 11494
benefits of interaction, college students & aged nursing home residents, 930
case management, young adult chronically mentally ill patients, 25420
causal attributions for own vs another's cognitive & physical & social performance, young adult vs aged Ss, 26912
change in proportion of participation in coital relationships, college aged males vs females, 1900–80, 3624
client characteristics, prediction of treatment outcomes, adolescents & young adults discharged from specialized residential & day treatment facility for behavior disorders, 2–4 yr followup, 18268
communication performance & time on task & accuracy in placing objects on matrix boards, college students & 58–81 yr olds in dyads homogeneous vs heterogeneous for age, 11448
comprehension task vs pleasantness rating during learning of list of unrelated sentences, verbatim & inferential memory, college students vs elderly adults, 8795
correlates of initiation of smoking behavior, males & females assessed in grades 4–6 & at 16–21 yrs of age, implications for smoking cessation & prevention programs, longitudinal study, 27125
degree of sexual activity, sexual attitudes & social practices & choices of popular singers, female 8–17 yr olds vs 21–22 yr olds responding about own adolescence, 1973–83, conference presentation, 11510
dependency & family care, 18–22 yr olds with severe disabilities, 7329
detection of appearance & disappearance in briefly interrupted complex visual patterns, groups with mean age of 20.3 vs 68.4 yrs, implications for neural model, 13584
determination of games played in childhood as means of enhancing intergenerational communication, college students & their grandparents or elderly community residents, 3524
determination of health protective behaviors & needs, 17–22 yr old female college students, 24239
developmental changes, self reports of everyday memory abilities & difficulty of memory tasks, 3rd vs 6th vs 9th vs 12th graders vs college students, 24127
differences in accuracy & response bias & latency to controlled vs automatic semantic priming, 18–24 vs 60–77 yr olds, 21692
differentiated training program with criterion vs noncriterion apparatus, motor learning, male vs female 12–13 vs 15–16 vs 18–19 yr olds, 14189
direct vs plausibility retrieval strategies, memory, college students vs elderly college alumni, 13689
dogmatism & doctrinal orthodoxy & styles of religiosity, late adolescents & young adults, conference presentation, 8871
drug usage in high school, subsequent career decisions & personal living environment, 19–24 yr olds, 4-yr longitudinal study, 27123
drug usage, Spanish male & female 14–25 yr olds, 3483
education & working conditions, job satisfaction, 14–25 yr olds, Spain, 5113
education about aging & improvement of nursing home environment via intergenerational service-learning program, college students & nursing home residents, 10030
educational motives & instructional preferences, 18–35 yr old college students, 28775
ego identity & formal operations & egocentrism, 13–24 yr olds, 26935
ego identity status & separation-individuation, college students, New Zealand, 24195
etiology & prevention, drug use & abuse, adolescents & young adults, 31020
etiology & treatment of infantile dementia, 21 yr old male with Heller's disease, 6811
experience dependent recovery of cognitive functioning, 20–40 yr old alcoholics, 12770
factors impacting employment status, parents of educable- or trainable- or severely mentally retarded young adults, implications for community-based vocational instruction & job placement, 31004
family influences, career development & choice, young adults, implications for occupational guidance, literature review, 31413
forgetting rates in visual & auditory continuous recognition memory task, 18–23 vs 38–50 vs 60–74 yr olds, 26836
free vs context-cued recall of target words with relevant vs irrelevant elaborations, young adults vs elderly, 16946
frequencies of health practices & relation to hypertension & lung & colon-rectal cancer & senility & common cold, 20–39 vs 40–59 vs 60–89 yr olds, 22318
frequency of eidetic imagery, 20–94 yr olds, implications for life span approach, 26826
generalized schema & nodes as predictors of retention & recall of story & events of televised vs radio shows, preschoolers vs college students, 8738
heart rate & modification of blink reflex during warning interval of simple RT task as assessment of attentional selectivity, 5 vs 19–29 yr olds, 24089
high vs low degree of task structure & teacher leadership style, academic gain, 16–21 yr old dropouts & potential dropouts, 2414
historical development of youth-oriented political & religious & recreational organizations & psychological effects of membership, 1936–39, Spain, 8896
hospital based behavior modification program, aggressive & unmanageable behavior & outbursts of temper & court appearances & living situation, 14–25 yr olds with acting out or conduct disorder, 1–2 yr followup, 22727
housing expectations vs housing costs, financial commitment to home ownership, college students, 26064
impact of parental divorce, 18–21 yr old college students, 29820
individual differences in coping with unemployment, young adults, Australia, 5034
interaction dimensions & emotional atmosphere of support/discussion groups, lower SES 65–80 yr olds vs middle SES 18–20 yr olds, 29958
interlist equivalencies for numeral & vowel/consonant multiple choice monosyllabic test, severely & profoundly deaf young adults, 13473
intimacy & identity, male vs female 22–35 yr olds, 30039
length of residence & dominant vs weaker language usage, response times on Stroop tasks & development of intra- & interlingual interference, German-Swedish bilingual vs trilingual 14–19 yr olds, Sweden, 16-yr longitudinal study, 6073
life problems & level of problem drinking, 15–24 yr old driving-while-intoxicated offenders in mandatory rehabilitation program, 12074
listening to popular music, adolescents & young adults, implications for counseling, 950
logical vs empirical certainty & necessity, understanding Piagetian concepts of conservation & transitivity, college students vs 1st vs 3rd vs 4th vs 5th graders, 11437
map recall & learning strategies & performance, young adult vs middle aged vs aged females, 24158
memory & retrieval of proper names, 20–23 vs 40–59 vs 60–80 yr olds, 26815
nonsheltered vocational skill training techniques, autistic adolescents & young adults, 2134
oral iron therapy, short term memory & attention span, 14–24 yr old pregnant females, 30733
oral presentation of moral dilemma situation, recall of main idea &/or proposed solutions to situation, 19–32 vs 60–76 yr olds, 29578
orienting conditions, free recall & semantic & acoustic cued recall performance, 20–40 vs 60–80 yr olds, 24161
parental race-related socialization & motivation & academic achievement, Black 14–24 yr olds in 3-generation families, 6005
perception of curvilinear motion of ball exiting tube, 4.5–12 yr olds vs college students, implications for development of intuitive theories of motion that include erroneous principles, 11427

perception of present vs ideal self body images & self image with addition vs subtraction of 10 lbs & body image expected by family & personality associated with body images, 11–22 yr old anorexic vs obese females, 24866
perceptual learning style, adults aged 20–49 vs 50 yrs & older, 26825
performance of melodic & harmonic musical interval intonation patterns vs equal temperament, junior high vs high school vs college students, 29551
personality characteristics, adolescent & young adult cross-country hitchhikers, 11493
personality correlates of loneliness & dissatisfaction with family vs romantic/sexual vs larger group relationships vs friendsiip, male vs female college students vs elderly females, 9176
political orientation, occupational values, conservative vs moderate vs liberal vs radical college students, 1969 vs 1981, 11671
predictive factors in establishing career, males assessed at ages 14–36 yrs, longitudinal study, conference presentation, 10582
prior knowledge & expectations for occurrences in shoplifting & recall vs recognition test instructions, reliability of testimony, 10 yr olds vs college students vs older adults as mock eyewitnesses, legal implications, 11432
problems in social integration, intellectually retarded young adults, comments on F. S. Brimblecombe's view, 14770
psychoanalytic view of depression & loss of idealized view of adolescence, young adults, 22025
psychological impact of unemployment, young adults, 6182
psychosocial needs, gifted adults, implications for counseling, 30922
reading ability & grade & study time, processing & reading & learning from text in immediate vs delayed recall paradigm, 5th vs 8th vs 11th graders vs college students, 6047
reading behavior & prose recall, 18–32 vs over 65 yr olds with average vs high verbal ability, 29639
reported closeness to parents vs siblings, social competence, college students, 24167
reports of parents' & development of children's smoking behavior & attitudes, Ss at 11–12 vs 15–16 vs 18–19 yrs old & their parents, 11526
risk for & development of schizophrenia, adolescents & young adults, 30086
role & significance of music, 14–25 yr olds, 747
role of parents & school, career aspirations & achievements & development, adolescents & young adults, implications for occupational guidance, 31362
role of tutor & contradictions in Young Persons Training Program, unemployed youth, New Zealand, 28701
self derogation & depression & subsequent purpose in life, substance use & suicide ideation, male vs female 19–24 yr olds, 17456
self protective vs conformist stage of ego development, authoritarianism & social values & sex role attitudes, male vs female 16–26 yr olds, conference presentation, 8817
sensation seeking, skin conductance response levels, 17–24 vs 60–78 yr old females, 30038
sentence priming, item-recognition judgments of occurrence of nouns in sentences, 18–25 vs 63–79 yr olds, implications for study of memory & aging, 11423
services for occupational & housing & other needs, intellectually retarded young adults, 2129
sex & SES & age, family structure & sexual stereotypes & sex roles, 4.5–12.5 yr olds & college students, Venezuela, 29727
sexual maturation & spatial ability, female vs male college students, 19638
smokeless tobacco, blood pressure, 18 yr olds & older, 5931
social change, 13–24 yr olds, West Germany, 1962–83, replication of O. D. Duncan's survey research instrument, 2799
spatial perception, differences in block play constructions, male vs female 11–12.5 vs 13.5–14.7 vs 18.2–19.8 yr olds, replication of study by E. Erikson, 8708
speech rate & length of material & linguistic structure, speed of processing, 18–22 vs 65–73 yr olds, 21675
spontaneous vs obedient vs reciprocal behavior with positive vs negative outcome, perception of behavior, 5 vs 9 yr olds vs young adults, 29696
sport participation, maturity of moral reasoning regarding general social problems & sport specific dilemmas, male vs female high school & college basketball players vs swimmers, 26787
stimulus presentation time, free recall performance, 18–27 vs 62–83 yr olds, 29589
stress, interpersonal conflict resolution skills, male college students from nonviolent vs violent-abusive families, 22149
stressful emotional & professional & conjugal & familial & financial life events, mental morbidity, 18–25 yr olds, 6468
structure of problem behavior, males & females from grades 7–9 through age 25–27 yrs & from college age to age 30 yrs, longitudinal study, 11484
study of word list, immediate vs long term recognition & word fragment completion task ability, 19–35 vs 61–81 yr olds, 11430
text variables & verbal ability, discourse memory performance, 18–28 vs 61–75 yr old students vs 63–75 yr old nonstudents, 26828
tobacco smoking & use of psychoactive substances & natural narcotics & alcohol, 15–22 yr old male technical & high school students, Egypt, 14240
use of pragmatic information & contextual constraints, pronoun assignment, 19–37 vs 57–84 yr olds, 29624
vague vs specific instructions & delayed vs immediate task conditions, recall of temporary ordered story events in logical sequence vs presentation order & memory on picture-sequencing task, 6 vs 8 yr olds vs college students, 24118
verbal RT to presence vs absence of target letter in various size arrays as measure of utilization of Gestalt grouping principles, 20 vs 69 yr olds, 21701

Zambia
chlorpromazine, patients with functional psychoses, Czechoslovakia vs Zambia, 7245

The Fundamental Reference.

Psychological Abstracts Earns Its Place on Your Shelves

Psychological Abstracts is the reference guide to the world's literature for researchers of Psychology and the Social Sciences, as well as the behavioral issues in law and education. At under $15 a week, how can your library afford to be without it?

Psychological Abstracts is more than a cost-effective adjunct to your on-line services . . . helping to keep expensive searches and needless print-outs to a minimum . . . freeing library staff for other responsibilities- . . . putting basic research practices back in the hands of the library user.

The monthly issues answer the need for unassisted access to the published literature demanded by the rigors of today's academic and professional disciplines with:

- more abstract entries than ever before
- an annual index
- monthly and quarterly interim indexes
- thorough author and subject listing
- journal publisher's names and addresses

Plus the quarterly news bulletin, PsycINFO News, bringing tips and items of interest to both print and on-line subscribers

A Special Offer

Now, new and current **PA** subscribers can receive a second copy of **PA** at 50% off! Keep these volumes at the reference desk to save steps and time, near your computer to refer to abstracts located on-screen, or forward them to one of the other campus libraries or departments. Everyone benefits. Especially your library budget. Place your order today through your subscription service or by writing **Psychological Abstracts,** American Psychological Association, 1400 N. Uhle St., Arlington, VA 22201

PA subscription, $750. Second subscription,when sent to same address as new or current subscription, $375.

behavior

involves everyone, everywhere, everyday.

PsycINFO

for whenever you need behavioral information.
